EXPLANATORY NOTE

Our 2004 Annual Report on Form 10-K filed with the Securities and Exchange Commission (SEC) on March 31, 2005 reflected a restatement of our historical financial statements for 2002, 2003 and the first three quarters of 2004. In our Selected Financial Data table included under Item 6, we incorrectly recorded the effects of our restatement for periods prior to January 1, 2002. This Form 10-K/A (Amendment No. 1) is being filed to revise our Selected Financial Data table to properly report the effects of our restatement on 2001 and 2000 financial data.

This amendment affects language and tabular amounts in Item 6. Selected Financial Data.

ITEM 6.***Selected Financial Data***

The following table sets forth selected financial data that have been derived from our consolidated financial statements. The 2003 and 2002 balance sheet data and 2001 and 2000 statement of operations and balance sheet data have been restated to reflect adjustments that are further discussed in Item 7, Management's Discussion and Analysis of Financial Condition and Results of Operations and in note 2 of the notes to our consolidated financial statements. The information set forth below is not necessarily indicative of results of future operations and should be read in conjunction with Item 7, Management's Discussion and Analysis of Financial Condition and Results of Operations and our consolidated financial statements and notes thereto, included elsewhere in this report.

(1)

During the completion of the financial statements for the year ended December 31, 2004, we identified the following errors in our historical financial statements: (i) we determined that we had understated deferred tax expense related to unrepatriated earnings of certain foreign operations for periods prior to January 1, 2002; (ii) we historically had not been recognizing rent expense on a straight-line basis over the term of the operating lease for certain of our facility leases; (iii) we had errors in account reconciliations within our operations in the United States, the United Kingdom and Mexico; and (iv) we determined certain revenues and costs of transportation presentations within the United States and certain international locations were not in accordance with our revenue recognition policy with regards to reporting revenues when acting as an indirect carrier versus an authorized sales agent. These

errors resulted in restatements of our 2003 and 2002 balance sheet data and 2001 and 2000 statements of operations and balance sheet data. See note 2 of the notes to our consolidated financial statements for a further discussion of the restatements.

(2)

2003 includes a charge of \$2.3 million or \$1.4 million net of tax (\$0.03 per diluted share) for settlement of the claim by Kitty Hawk. See note 18 of the notes to our consolidated financial statements.

(3)

2002, 2001 and 2000 include transaction, integration and restructuring charges related to the merger with Circle totaling \$5.7 million or \$3.5 million net of tax (\$0.07 per diluted share), \$14.0 million or \$8.5 million net of tax (\$0.18 per diluted share) and \$67.4 million or \$49.9 million net of tax (\$1.07 per diluted share), respectively.

(4)

2001 includes a charge of \$10.1 million or \$6.2 million net of tax (\$0.13 per diluted share) related to the EEOC legal settlement. 2003 includes a credit of \$1.4 million or \$870,000 net of tax (\$0.02 per diluted share) for reversal of a portion of the EEOC legal settlement accrual recorded in 2001. See note 17 of the notes to our consolidated financial statements.

(5)

2002 includes grant proceeds of \$8.9 million or \$5.4 million net of tax (\$0.11 per diluted share) received in the third quarter of 2002 from the United States Department of Transportation under the Air Transportation Safety and System Stabilization Act signed into law on September 22, 2001. See note 3 of the notes to our consolidated financial statements.

(6)

2002 includes a charge of \$7.4 million or \$4.5 million net of tax (\$0.10 per diluted share) for impairment of our investment in Miami Air and accrual for our exposure on a standby letter of credit related to our investments. 2003 includes a credit of \$1.3 million or \$800,000 net of tax (\$0.02 per diluted share) for reversal of the accrual for our exposure on the standby letter of credit related to our investment in Miami Air. See note 8 of the notes to our consolidated financial statements.

(7)

2004 includes \$12.6 million or \$7.3 million net of tax (\$0.14 per diluted share) in gains on the sale of our investments in TDS Logistics, Inc. and Miami Air. See note 8 of the notes to our consolidated financial statements.

(8)

Our 2004 Annual Report on Form 10-K filed with the SEC on March 31, 2005 incorrectly reported the effects on periods prior to 2002 of our restatement for deferred tax related to unrepatriated earnings of certain foreign operations, straight-line rent expense and a cash account reconciliation error in our Mexico operations. Following is summary

financial data, as previously reported in our 2004 Annual Report on Form 10-K, and as restated to reflect the effects of the restatement in the appropriate years.
