the assets of the venture and matures on December 12, 2003. At it's option, theglobe.com may loan additional amounts on substantially identical terms. The Option is exercisable at anytime on or before the later of March 31, 2003 and ten days after theglobe.com's receipt of notice relating to the award of a certain contract currently being pursued by the venture. In the event of the exercise of the Option, (i) the existing CEO and CFO of the venture have agreed to enter into employment agreements whereby each would agree to remain in the employ of the venture for a period of two years following the closing of the Option in exchange for base compensation plus participation in a bonus pool based upon the pre-tax income of the venture and (ii) the 2,000,000 shares of theglobe.com Common Stock issued upon such exercise will be entitled to certain "piggy-back" registration rights. If the Option is not exercised, then theglobe.com has agreed, subject to certain exceptions, to forgive repayment of \$60,000 of the Loan.
