Proxy Statement

## Edgar Filing: RCM STRATEGIC GLOBAL GOVERNMENT FUND INC - Form DEF 14A

This Proxy Statement is being provided to the stockholders of PIMCO Strategic Global Government Fund, Inc., formerly RCM Strategic Global Government Fund, Inc., a Maryland corporation (the "Fund"), in connection with the solicitation of proxies by the Board of Directors of the Fund (the "Board of Directors" or the "Board"). The proxies are to be used at the Annual Meeting of Stockholders (the "Meeting") to be held at the offices of Pacific Investment Management Company LLC ("PIMCO"), the Fund's investment manager, located at 800 Newport Center Drive, 6th Floor, Newport Beach, California, 92660, on June 21, 2002 at 10:00 a.m. (Pacific time), and any adjournment(s) thereof, for action upon the matters set forth in the Notice of the Annual Meeting of Stockholders. This Proxy Statement and the enclosed form of Proxy were first mailed to stockholders on or about May 20, 2002.

All shares represented by each properly signed proxy ("Proxy") received prior to the Meeting will be voted at the Meeting. If a stockholder specifies how the Proxy is to be voted on any of the business matters to come before the Meeting, it will be voted in accordance with the specification. If no specification is made, the Proxy will be voted FOR the election of the directors nominated by the Board of Directors (Proposal 1) and FOR the approval of a new investment management agreement between the Fund and PIMCO (Proposal 2). The Proxy may be revoked by a stockholder at any time prior to its use by written notice to the Fund, by submission of a subsequent Proxy, or by voting in person at the Meeting.

The representation in person or by proxy of at least a majority of the outstanding shares of common stock of the Fund entitled to vote is necessary to constitute a quorum for transacting business at the meeting. For purposes of determining the presence of a quorum, abstentions, withheld votes or broker "non-votes" will be counted as present. Broker "non-votes" occur when the Fund receives a Proxy from a broker or nominee indicating that the broker or nominee does not have discretionary power to vote on a particular matter and that the broker or nominee has not received instructions from the beneficial owner or other person entitled to vote the shares represented by the Proxy.

Proposal 1 requires, for the re-election and election of the nominees to the Board of Directors, a plurality of the shares cast in the election of directors at the Meeting. See "Proposal 1--Required Vote." Proposal 2 requires, for the approval of a new investment management agreement, the affirmative vote of the holders of a "majority of the outstanding voting securities" of the Fund, as defined in the Investment Company Act of 1940, as amended (the "1940 Act"). See "Proposal 2--Required Vote." Withheld votes and broker "non-votes" will not be counted in favor of Proposal 1. Assuming a quorum is present, abstentions and broker "non-votes" will have the same effect as a vote against Proposal 2.

The cost of solicitation, including postage, printing and handling, will be borne by the Fund. The solicitation will be made primarily by mail, but may be supplemented by telephone calls, and personal interviews by officers, employees and agents of the Fund.

1

At the close of business on April 30, 2002, the record date for the determination of stockholders entitled to vote at the Meeting (the "Record Date"), there were outstanding 34,185,526 shares of common stock. Each such share is entitled to one vote.

As of the Record Date, Cede & Co., a nominee of Depository Trust Company

("DTC"), owned of record 33,206,203 shares of the Fund, or approximately 97% of the number of shares entitled to vote at the meeting. DTC is a securities depository for brokers, dealers and other institutional investors. Securities are so deposited for the purpose of permitting book entry transfers of securities among such investors. The Fund does not know the names of beneficial owners of the shares that have been deposited at DTC. As of the Record Date, all directors and officers as a group owned, beneficially, less than 1% of the outstanding shares of the Fund.

### ELECTION OF DIRECTORS (PROPOSAL 1)

The Board of Directors currently consists of three classes of directors. Directors hold office for staggered terms of three years (or less if they are filling a vacancy) and until their successors are elected and qualified, or until their earlier resignation or removal. One class is elected each year to succeed the directors whose term is expiring. The current term of the Class II Directors expires at this year's Annual Meeting. The current terms of the Class I and Class III Directors will expire in 2004 and 2003, respectively, when their respective successors are elected and qualified.

The Board of Directors has designated James M. Whitaker for re-election at the Meeting as a Class II director. Mr. Whitaker was re-elected to the Board of Directors by stockholders on August 26, 1999. If re-elected as a Class II director, Mr. Whitaker's term will expire at the Annual Meeting of Stockholders in 2005.

The Board of Directors has designated Carter W. Dunlap, Jr. for election as a Class II director at the Meeting. If elected as a Class II director, Mr. Dunlap's term will expire at the Annual Meeting of Stockholders in 2005.

The Board of Directors has designated Brent R. Harris for re-election as a Class III director at the Meeting. Mr. Harris was elected to the Board of Directors as a Class III director on February 8, 2002, to serve until the Meeting. If re-elected as a Class III director, Mr. Harris's term will expire at the Annual Meeting of Stockholders in 2003.

Each of Francis E. Lundy and Gregory S. Young, Class I directors re-elected to the Board by stockholders on November 20, 2001, has a remaining term of approximately two years.

Unless authority is withheld, it is the intention of the persons named in the enclosed Proxy to vote each Proxy for Messrs. Whitaker, Harris and Dunlap (the "Nominated Directors"). Each of the Nominated Directors has indicated he will serve if elected, but if he should be unable to serve, the Proxy holders may vote in favor of such substitute nominee as the Board of Directors may designate, or the Board of Directors may leave a vacancy in the Board.

2

The Fund pays each of its directors who were not "interested persons" under the 1940 Act (the "Disinterested Directors") \$6,000 per year and \$1,000 per meeting attended, and reimburses each such director for reasonable expenses incurred in connection with such meetings. The Fund's Articles of Incorporation provide that the Fund shall, to the extent permitted by law, indemnify each of its currently acting and former directors against any and all liabilities and expenses incurred in connection with their service in such capacities.

The following table provides information concerning the directors and nominees.

Board Committees and Meetings. The Board of Directors has a standing Audit Oversight Committee. The responsibilities of the Audit Oversight Committee include reviewing and making recommendations to the Board concerning the Fund's financial and accounting reporting procedures and selection of the Fund's independent auditors. The Audit Oversight Committee meets with the Fund's independent auditors, reviews the Fund's financial statements and generally assists the Board in fulfilling its responsibilities relating to corporate accounting and reporting practices.

The members of the Audit Oversight Committee include only Disinterested Directors. The Audit Oversight Committee currently consists of Messrs. Lundy, Whitaker and Young (Chairman). Each member of the Audit Oversight Committee is "independent" as defined in Sections 303.01(B)(2)(a) and (3) of the listing standards of the New York Stock Exchange, on which shares of the Fund's common stock are listed. The Board of Directors has adopted a written charter for the Audit Oversight Committee, a copy of which was included in the proxy statement for the 2001 Annual Meeting of Stockholders. The report of the Audit Oversight Committee, dated March 19, 2002, is attached to this Proxy Statement as Appendix B.

The Board has a Nominating Committee composed solely of Disinterested Directors. The Nominating Committee is responsible for reviewing candidates to fill vacancies on the Board. The Nominating Committee will review nominees recommended by stockholders. Such recommendations should be submitted in writing to Garlin G. Flynn, Secretary to the Fund, at the address of the principal executive offices of the Fund, with a copy to J.B. Kittredge at Ropes & Gray, One International Place, Boston, Massachusetts 02110-2624.

The Board has a Fair Valuation Committee, whose sole member is Brent R. Harris. The Fair Valuation Committee is responsible for overseeing the implementation by the investment manager of the Fund's policies and procedures for fair valuing securities for which market quotations are not readily available.

With respect to the fiscal year ended January 31, 2002, the Board of Directors held four regular meetings and six special meetings. The Audit Oversight Committee met three times in separate session during the fiscal year ended January 31, 2002. The Nominating Committee met once in separate session during the fiscal year ended January 31, 2002. The Fair Valuation Committee was established by the Board in December 2001 and held no meetings during the fiscal year ended January 31, 2002. Each director serving during the fiscal year ended January 31, 2002 attended at least 75% of the regular and special meetings of the Board and meetings of the committees on which such director served. During the fiscal year ended January 31, 2002, Mr. Lundy was a director of a company with a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended (the "1934 Act") or subject to the requirements of Section 15(d) of the 1934 Act or a company registered as an investment company under the 1940 Act (other than the Fund).

Section 16(a) Beneficial Ownership Reporting Compliance. Section 16(a) of the 1934 Act requires the Fund's officers and directors and certain other persons to file timely certain reports regarding ownership of, and transactions in, the Fund's securities with the Securities and Exchange Commission. Copies of the required filings must also be furnished to the Fund. Based solely on its review of such forms received by it, or written representations from certain reporting persons, the Fund believes that during the fiscal year ended on January 31, 2002, all applicable Section 16(a) filing requirements were met.

Required Vote. Reelection and election of the nominees to the Board of Directors (Proposal 1) will require the affirmative vote of a plurality of the votes cast in the election of directors at the Meeting, in person or by proxy.

The Board of Directors of the Fund Unanimously Recommends That You Vote FOR  
Proposal 1.

APPROVAL OF INVESTMENT MANAGEMENT AGREEMENT  
BETWEEN THE FUND AND PIMCO  
(PROPOSAL 2)

Stockholders of the Fund are being asked to approve a new investment management agreement between the Fund and PIMCO (the "New Investment Management Agreement"), which would take effect following its approval by stockholders and upon its execution by the parties. The New Investment Management Agreement would have an initial term of two years following its execution, continuing in effect thereafter from year to year if its continuance is approved at least annually in accordance with relevant provisions of the 1940 Act.

Termination of the Prior Investment Management Agreement. The Fund was previously a party to an investment management agreement with Dresdner RCM Global Investors LLC ("Dresdner RCM"), dated November 20, 2001 (the "Prior Investment Management Agreement"). On December 17, 2001, the Board of Directors of the Fund, including the Disinterested Directors, unanimously approved the continuance of the Prior Investment Management Agreement until March 31, 2002. The Prior Investment Management Agreement was last submitted to a vote of, and approved by, stockholders of the Fund on November 20, 2001, in connection with a change in control of Dresdner RCM that, pursuant to the 1940 Act, had resulted in the "assignment" and automatic termination of the investment management agreement between the Fund and Dresdner RCM that had been in effect immediately prior to such change in control.

In December 2001, Dresdner RCM informed the Board of Directors of the Fund that, effective March 31, 2002, Dresdner RCM would discontinue its fixed-income portfolio management operations in its San Francisco office, and notified the Fund that it proposed to terminate the Prior Investment Management Agreement on or prior to that date. Dresdner RCM also informed the Board that it was proposing that PIMCO assume management of its fixed-income clients, including the Fund. PIMCO, a majority-owned subsidiary of Allianz Aktiengesellschaft ("Allianz AG"), became an affiliate of Dresdner RCM following Allianz AG's acquisition of substantially all of the outstanding shares of capital stock of Dresdner Bank AG ("Dresdner Bank"), the parent company of Dresdner RCM, on July 23, 2001.

The Prior Investment Management Agreement under which Dresdner RCM provided advisory services to the Fund terminated as of the close of business on February 8, 2002. The Fund is currently operating under an Interim Investment Management Agreement (as defined below) with PIMCO.

Directors' Consideration and Approval of Interim and New Investment Management Agreements. The acquisition of Dresdner Bank by Allianz AG resulted in duplicative fixed-income portfolio management capabilities in the combined firm. Dresdner RCM and the Board of Directors explored a number of options to resolve this redundancy while still having Dresdner RCM's fixed-income management personnel (the "Fixed-Income Team") continue to manage the Fund, including a proposed joint venture among the Fixed-Income Team and various other entities. The Disinterested Directors met separately with counsel on October 4, October 16, October 24, October 29, and November 20, 2001 to consider these options. Upon being notified by Dresdner RCM that none of these proposed options was viable and that it intended to terminate the Prior Investment Management Agreement, the Board of Directors considered alternative advisory arrangements for the Fund, including the proposal that PIMCO

7

succeed Dresdner RCM as investment manager. To assist their deliberations, the Disinterested Directors enlisted the services of an independent consultant to gather comparative data concerning advisory fees and administrative expenses paid by investment companies similar to the Fund and reviewed the consultant's findings.

On December 11 and December 21, 2001, the Disinterested Directors requested in writing that PIMCO provide certain materials and information that the Board considered reasonably necessary to evaluate the proposed investment management contract. On December 17, 2001 and February 1, 2002, the Board of Directors met in person and considered the proposal that PIMCO serve as investment manager to the Fund. At these meetings, the Board interviewed various representatives of PIMCO and reviewed written materials supplied by PIMCO concerning the firm's

structure, investment management operations, investment advisory and administrative personnel, and experience and performance as a fixed-income investment manager. The Board also considered the levels of fees paid by other fund clients of PIMCO and PIMCO's proposal to perform additional services for total fees that were less than those charged by Dresdner RCM.

On February 1, 2002, the Board, including the Disinterested Directors, unanimously approved, pursuant to Rule 15a-4 under the 1940 Act, an interim investment management agreement between the Fund and PIMCO (the "Interim Investment Management Agreement"), which became effective as of the close of business on February 8, 2002 (the "Effective Date"). In approving the Interim Investment Management Agreement, the Board determined that, because the terms and conditions of the Interim and Prior Investment Management Agreements are identical (other than their effective and expiration dates, the lower rate of compensation payable to PIMCO, and certain provisions required by Rule 15a-4), the scope and quality of services that PIMCO would provide for the Fund under the Interim Investment Management Agreement would be at least equivalent to the scope and quality of services that were provided under the Prior Investment Management Agreement. On February 1, 2002, the Board also approved the Interim Administrative Services Agreement (as defined below), which became effective on the Effective Date. See below, "Interim and New Administrative Services Agreements."

On March 19, 2002, the Board of Directors, including the Disinterested Directors, met in person and unanimously approved the New Investment Management Agreement with PIMCO, which would take effect after its approval by stockholders of the Fund and upon its execution by the parties and would have an initial term of two years, continuing thereafter from year to year if its continuance is approved at least annually in accordance with relevant provisions of the 1940 Act. Prior to this meeting, the Disinterested Directors requested that PIMCO provide certain information concerning projected annual expenses of the Fund under the New Investment Management Agreement to supplement the information provided by PIMCO in connection with the Board's approval of the Interim Investment Management Agreement. In approving the New Investment Management Agreement, the Board considered PIMCO's experience as a fixed-income investment manager and the nature and quality of the investment management and non-investment services expected to be rendered to the Fund by PIMCO. The Board also reviewed and considered the qualifications and experience of those employees of PIMCO who would manage the Fund's assets; the terms of the New Investment Management Agreement, including the fact that the rate of compensation payable to PIMCO for advisory services would be lower than the rate of compensation paid under the Prior Investment Management Agreement; the report of the special consultant to the

Disinterested Directors concerning advisory fees payable by comparable funds; the projected overall annual expenses of the Fund under PIMCO management, as compared to the actual overall expenses of the Fund during the last fiscal year; and the benefits accruing to PIMCO as a result of its affiliation with the Fund.

As a result of its investigation and deliberations, the Board of Directors, including the Disinterested Directors, voted unanimously on March 19, 2002 to approve the New Investment Management Agreement with PIMCO and to recommend it for the approval of stockholders at the Meeting.

Since the Effective Date, PIMCO has provided investment advisory services to

the Fund under the Interim Investment Management Agreement and has been compensated at an annual rate equal to 0.85% of the Fund's average daily net assets for such services. Pursuant to Rule 15a-4, any advisory fees that may be earned by PIMCO under the Interim Investment Management Agreement will be placed in an interest-bearing escrow account with the Fund's custodian or a bank and will be fully paid to PIMCO only upon stockholder approval of the New Investment Management Agreement. If the New Investment Management Agreement is not approved by stockholders, PIMCO will be paid, out of the escrow account, the lesser of any costs incurred in performing under the Interim Investment Management Agreement (plus interest earned on that amount while in escrow) or the total amount in the escrow account (plus interest earned). In addition, the Interim Investment Management Agreement is terminable, without the payment of any penalty, by a vote of the Board of Directors or a "majority of the outstanding voting securities of the Fund," as defined in the 1940 Act, upon 10 calendar days' written notice to PIMCO. The Interim Investment Management Agreement will remain in effect until the earlier of (i) 150 days following the Effective Date, unless terminated sooner in accordance with Rule 15a-4, or (ii) the date that stockholders of the Fund have approved, and the parties have executed, the New Investment Management Agreement.

Interim and New Administrative Services Agreements. In connection with its approval of the Interim Investment Management Agreement, the Board of Directors also voted unanimously to terminate the administration agreement, dated as of February 24, 1994 (the "Prior Administration Agreement"), between the Fund and State Street Bank and Trust Company ("State Street"), pursuant to which State Street provided certain administrative services to the Fund and was compensated as follows: 0.06% on the first \$250 million of the Fund's average daily net assets, 0.03% of the next \$250 million of average daily net assets and 0.01% on average daily net assets in excess of \$500 million; and an annual accounting fee of \$90,000. At the Fund's net assets of \$382,831,054 on January 31, 2002, this formula would have resulted in an effective fee of approximately 0.07% per annum of the Fund's net assets. The Board unanimously approved an interim administrative services agreement between the Fund and PIMCO (the "Interim Administrative Services Agreement"), which became effective on the Effective Date, pursuant to which PIMCO would provide substantially the same administrative services which State Street provided under the Prior Administration Agreement and be compensated at an annual rate equal to 0.05% of the Fund's net assets. On March 19, 2002, the Board of Directors unanimously approved a new administrative services agreement between the Fund and PIMCO (the "New Administrative Services Agreement") to become effective on the effective date of the New Investment Management Agreement. See below, "Additional Information - Administrator and Custodian." The terms of the New Administrative Services Agreement, including the scope of services provided and the rate of compensation, are identical to the terms of the Interim Administrative Services Agreement, with the exception of its effective date and its term. Given the

asset breakpoints in the fee structure under the Prior Administration Agreement, the magnitude of the decrease in the administration fee payable under the New Administrative Services Agreement would diminish if the net assets of the Fund were to increase above their level on January 31, 2002. If the net assets of the Fund were to increase to a level greater than \$662,500,000, the administration fee payable under the New Administrative Services Agreement would actually be higher than the fee payable for comparable services under the Prior Administration Agreement, although Fund management

currently does not expect the Fund's net assets to increase to such a level.

Description of the Prior and New Investment Management Agreements. The provisions of the New Investment Management Agreement that is being submitted for stockholder approval are substantially the same as those of the Prior Investment Management Agreement, except for its effective date and term, the rate of compensation payable to PIMCO for advisory services thereunder (which is lower than the rate of compensation that was payable to Dresdner RCM under the Prior Investment Management Agreement), a provision permitting the Fund to use the name "PIMCO" during the term of the agreement and certain differences deemed by the Board to be immaterial. The description of the New Investment Management Agreement set forth below is qualified in its entirety by the provisions of the New Investment Management Agreement, a form of which is attached to this Proxy Statement as Appendix A. As used below, the term "Investment Manager" means, with respect to the Prior Investment Management Agreement, Dresdner RCM, and with respect to the New Investment Management Agreement, PIMCO.

Under the Prior and New Investment Management Agreements, the Investment Manager furnishes investment management services to the Fund, subject to the provisions of the 1940 Act and the Fund's investment objectives, policies, procedures and investment restrictions. Such services include: (a) managing the investment and reinvestment of the Fund's assets, (b) providing investment research advice and supervision for the Fund in accordance with the Fund's investment objectives, policies and restrictions, (c) furnishing suitable office space for the Fund, and (d) maintaining books and records with respect to the Fund's portfolio transactions.

The Prior Investment Management Agreement, whose term would otherwise have expired on March 31, 2002, would have continued in effect thereafter from year to year if its continuance were approved at least annually (i) by the Board of Directors or by the vote of a majority of outstanding voting securities of the Fund and (ii) by vote of a majority of the Disinterested Directors of the Fund, cast in person at a meeting called for the purpose of voting on such approval (the conditions in (i) and (ii) together referred to below as the "1940 Act Continuation Requirements"). The New Investment Management Agreement would take effect after its approval by a majority of outstanding voting securities of the Fund and its execution by the parties and would have an initial term of two years from the date of such execution, continuing in effect thereafter from year to year if its continuance were approved at least annually in accordance with the 1940 Act Continuation Requirements. The Prior Investment Management Agreement could have been, and the New Investment Management Agreement may be, terminated (i) at any time, without the payment of any penalty, either by the Board of Directors or by the vote of a majority of the outstanding voting securities of the Fund, on 60 days' written notice to the Investment Manager, or (ii) by the Investment Manager on 60 days' written notice to the Fund. Each of the Prior and New Investment Management Agreements would terminate automatically in the event of its "assignment" (as defined in the 1940 Act).

Under the Prior Investment Management Agreement, the Fund paid Dresdner RCM a fee calculated daily and paid monthly, at an annual rate equal to 0.95% of the Fund's average daily net assets. In addition, in connection with the recent merger of Dresdner RCM Global Strategic Income Fund, Inc. into the Fund (the "Merger"), which closed on January 18, 2002, the Fund entered into an agreement with Dresdner RCM whereby Dresdner RCM would (i) waive its advisory fee in

## Edgar Filing: RCM STRATEGIC GLOBAL GOVERNMENT FUND INC - Form DEF 14A

excess of a rate of 0.75% per annum on those net assets of the Fund following the Merger that exceeded the Fund's pre-Merger net asset level (resulting in an effective advisory fee under the Prior Investment Management Agreement, i.e., fees divided by net assets, of approximately 0.93% at current asset levels), and (ii) waive that portion of its advisory fee during the first year following the Merger as might be necessary to ensure that the Fund's total operating expenses during that period, plus nonrecurring Merger-related expenses, would be at least \$75,000 less than what these expenses were projected to be using an estimated expense ratio computed on the assumption that the Merger had not occurred.

Under the New Investment Management Agreement, the Fund would pay PIMCO a fee calculated weekly and paid monthly at an annual rate equal to 0.85% of the Fund's average weekly net assets.

Fees recorded for advisory services provided by Dresdner RCM under the Prior Investment Management Agreement for the fiscal year ended January 31, 2002 were \$3,237,628. Neither Dresdner RCM nor any person affiliated with Dresdner RCM received any other fees from the Fund for services provided to the Fund during the fiscal year ended January 31, 2002. Had the terms of the New Investment Management Agreement been in effect during the last fiscal year, the Fund would have paid in the aggregate \$3,057,760 for investment advisory services. This would have represented a decrease of approximately 6% from what the Fund actually paid to Dresdner RCM during this period.

Additional Information. In connection with the purchase of Dresdner RCM by PIMCO's parent company, Allianz AG, PIMCO compensated Dresdner RCM for certain costs associated with the closing of its San Francisco fixed-income group in March 2002. These costs included severance payments for affected employees of Dresdner RCM, including Luke D. Knecht, a managing director of Dresdner RCM who served as Director, Chairman and President of the Fund during the fiscal year ended January 31, 2002. Severance payments from Dresdner RCM to Mr. Knecht totaled \$194,857. By virtue of the compensation he received from Dresdner RCM during the transition period, Mr. Knecht may be deemed to have had a material interest in PIMCO's appointment as investment manager under the Interim Investment Management Agreement.

In connection with its approval of the Interim Investment Management Agreement with PIMCO, the Board of Directors accepted the resignation of Luke D. Knecht as Director, Chairman and President of the Fund, effective as of February 8, 2002. The Board appointed Brent R. Harris, a managing director of PIMCO, as Director, Chairman and President to fill the vacancy created by Mr. Knecht's resignation. In addition, the Board removed, without cause, those persons who had previously served as officers of the Fund, and appointed as officers the persons named above under the caption "Information About PIMCO," who are either members, directors, officers or employees of PIMCO.

At a special meeting of the Board held on February 21, 2002, the Board unanimously approved a change in the name of the Fund from "RCM Strategic Global Government Fund, Inc." to "PIMCO Strategic Global Government Fund, Inc." The Fund's name change became effective on March 19, 2002. There has been no change to the Fund's ticker symbol on the New York Stock Exchange, which remains "RCS."

During the fiscal year ended January 31, 2002, no commissions were paid to affiliated brokers of Dresdner RCM.

Section 15(f) of the 1940 Act. PIMCO has informed the Fund that it and its affiliates intend to use all commercially reasonable efforts to assure compliance with the conditions of Section 15(f) of the 1940 Act. Section 15(f) provides a nonexclusive safe harbor for an investment manager to a registered investment company or any affiliated persons thereof to receive any amount or benefit in connection with a sale of any interest in the investment manager that results in an assignment of an advisory contract with such registered investment company (the "Transaction") as long as two conditions are met. First, no "unfair burden" may be imposed on the investment company as a result of the Transaction, or any express or implied terms, conditions or understandings applicable thereto. As defined in the 1940 Act, the term

"unfair burden" includes any arrangement during the two-year period after the Transaction whereby the investment manager (or predecessor or successor adviser), or any interested person of any such adviser, receives or is entitled to receive any compensation, directly or indirectly, from the investment company or its security holders (other than fees for bona fide investment advisory or other services), or from any person in connection with the purchase or sale of securities or other property to, from, or on behalf of the investment company (other than bona fide ordinary compensation as principal underwriter of the investment company). The second condition of Section 15(f)

Edgar Filing: RCM STRATEGIC GLOBAL GOVERNMENT FUND INC - Form DEF 14A

is that, during the three-year period immediately following the Transaction, at least 75% of an investment company's board of directors must not be "interested persons" of the investment manager or the predecessor investment manager within the meaning of the 1940 Act.

The Board of Directors of the Fund has not been advised by PIMCO of any circumstances arising from the transition of the fixed-income advisory operations of Dresdner RCM to PIMCO that might result in the imposition of an "unfair burden" on the Fund. Further, the composition of the Board of Directors currently complies with the provisions of Section 15(f).

Required Vote. The affirmative vote of the holders of a "majority of outstanding voting securities" of the Fund, as defined in the 1940 Act, is required to approve the New Investment Management Agreement (Proposal 2). "Majority of the outstanding voting securities" under the 1940 Act and for this purpose means the lesser of (i) 67% or more of the shares of common stock of the Fund represented at the Meeting if more than 50% of the outstanding shares of common stock are represented, or (ii) more than 50% of the outstanding shares of common stock of the Fund.

The Board of Directors of the Fund Unanimously Recommends That You Vote FOR Proposal 2.

APPENDIX A

PIMCO STRATEGIC GLOBAL GOVERNMENT FUND, INC.

INVESTMENT MANAGEMENT AGREEMENT

This investment management agreement (the "Agreement") is made as of this day of , 2002 between PIMCO Strategic Global Government Fund, Inc., formerly RCM Strategic Global Government Fund, Inc., a Maryland corporation (the "Fund"), and Pacific Investment Management Company LLC, a Delaware limited liability company (the "Manager").

WITNESSETH:

WHEREAS, the Fund is a non-diversified closed-end management investment company registered under the Investment Company Act of 1940, as amended, and the rules and regulations thereunder (the "1940 Act"); and

WHEREAS, the Fund has been organized for the purpose of investing its assets and desires to avail itself of the experience, sources of information, advice, assistance and facilities available to the Manager and to have the Manager perform for it various investment management services; and the Manager is willing to furnish the investment management services sought by the Fund on the terms and conditions hereinafter set forth;

WHEREAS, a majority of the directors of the Fund are not "interested persons" of the Fund, within the meaning of the 1940 Act ("Disinterested Directors"), and the Disinterested Directors select and nominate any other Disinterested Directors of the Fund;

WHEREAS, the Board of Directors of the Fund (the "Board"), including a majority of the Disinterested Directors, has voted in person to approve this Agreement at a meeting called for the purpose of voting on such approval.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained, it is agreed as follows:

1. The Fund hereby appoints the Manager to act as investment manager to the Fund on the terms set forth in this Agreement. The Manager accepts such appointment and agrees to render the services herein described, for the compensation herein provided.
2. Subject to the supervision of the Board and to the express provisions and limitations set forth in the Fund's Articles of Incorporation, By-Laws, and Form N-2 and Form N-14 Registration Statements (the "Registration Statements") under the 1940 Act, each as it may be amended from time to time, the Manager shall have full discretionary authority to manage the investment and reinvestment of the Fund's assets and to provide investment research advice and supervision of the Fund's portfolio in accordance with the Fund's investment objectives, policies and restrictions as stated in the Fund's

A-1

Registration Statements, as such Registration Statements may be amended from time to time. The services to be provided under this Section 2 shall be subject to the following understandings:

- (a) The Manager shall provide supervision of the Fund's investments and shall determine from time to time the investments or securities that

will be purchased, retained, sold or loaned by the Fund, and the portion of the assets that will be invested in securities or otherwise. Subject to the limitations in this Section 2, the Manager is empowered hereby, through any of its principals or employees, to take any of the following actions for the benefit of the Fund:

- (i) to invest and reinvest in stocks, bonds, notes, trade acceptances, commercial paper, structured instruments, and other obligations of every description issued or incurred by governmental or quasi-governmental bodies or their agencies, authorities or instrumentalities, or by corporations, trusts, associations, partnerships, or other firms or entities;
- (ii) to invest and reinvest in loans and deposits at interest on call or on time, whether or not secured by collateral;
- (iii) to purchase and sell put and call options, financial futures and put and call options on such financial futures, and to enter into transactions with respect to swaps, caps, floors, and other similar instruments.
- (iv) to purchase and sell foreign currency and forward contracts on such foreign currency;
- (v) to lend the Fund's portfolio securities to brokers, dealers, other financial institutions, or other parties, and to engage in repurchase and reverse repurchase transactions with such entities;
- (vi) to buy, sell, or exercise rights and warrants to subscribe for stock or other securities;
- (vii) to execute agreements with broker-dealers, banks, futures commission merchants, and other financial institutions on behalf of the Fund for the purpose of entering into any of the foregoing transactions;
- (viii) to purchase, sell, and otherwise enter into transactions with respect to any instrument not described above that may be considered a "derivative" instrument;
- (ix) to engage in transactions with respect to any other instruments, or to take any other actions with respect to the Fund's investments, that the Fund is authorized to invest in or to take pursuant to the Registration Statements; and
- (x) to take such other actions, or to direct the Fund's custodian (the "Custodian") to take such other actions, as may be necessary or desirable to carry out the purpose and intent of this paragraph (a) of this Section 2.

In determining the investments or securities to be purchased or sold by the Fund, the Manager shall place orders with respect to such instruments either directly with the issuer or in such markets and through such underwriters, dealers, brokers, or futures commission merchants (collectively, "brokers") as in the Manager's best judgment offer the most favorable price and market for the execution of each transaction; provided, however, that, to the extent permitted under the Securities

Exchange Act of 1934, as amended, and the rules and regulations thereunder (the "1934 Act") and the 1940 Act, the Manager may cause the Fund to place orders for transactions with brokers that furnish brokerage and research services, as defined in the 1934 Act, to the Manager or any affiliated person of the Manager, subject to such policies as the Board may adopt from time to time with respect to the extent and continuation of this practice. The Fund understands and agrees that the Manager may effect transactions in portfolio securities through brokers who may charge an amount in excess of the amount of commission another broker would have charged, provided that the Manager determines in good faith that such amount of commission is reasonable in relation to the value of the brokerage and research services provided by such broker, viewed in terms of either the specific transaction or the Manager's overall responsibilities to the Fund and other clients as to which the Manager or any affiliated person of the Manager exercises discretionary investment authority. Receipt by the Manager or any affiliated person of the Manager of any such brokerage research services shall not give rise to any requirement for abatement or reduction of the Management Fee (as defined herein) payable by the Fund to the Manager under this Agreement. It is understood that the services provided by such brokerage firms may be useful to the Manager or its affiliated persons in connection with their services to other clients. The Fund agrees that any entity or person associated with the Manager or any affiliated person of the Manager which is a member of a national securities exchange is authorized to effect any transaction on such exchange for the account of the Fund which is permitted by Section 11(a) of the 1934 Act, and Rule 11a2-2(T) thereunder, and the Fund hereby consents to the retention of compensation for such transactions in accordance with Rule 11a2-2(T) (2) (iv).

- (b) The Manager agrees to furnish suitable office space for the Fund.
- (c) The Manager shall use its best judgment in the performance of its duties under this Agreement.
- (d) The Manager undertakes to perform its duties and obligations under this Agreement in conformity with the Registration Statements, with the requirements of the 1940 Act and all other applicable Federal and state laws and regulations and with the instructions and directions of the Board, all as may be amended or modified from time to time.
- (e) The Manager shall maintain books and records with respect to the Fund's portfolio transactions and the Manager shall render to the Board such periodic and special reports as the Board may reasonably request from time to time. The Manager agrees that all records that it maintains for the Fund are the property of the Fund and it will surrender promptly to the Fund any of such records upon the Fund's request.
- (f) The Fund understands and agrees:
  - (i) that the Manager performs investment management services for various clients and that the Manager may take action with respect to any of its other clients which may differ from action taken or from the timing or nature of actions taken with respect to the Fund, so long as it is the Manager's policy, to the extent reasonably practical, to allocate investment opportunities to the Fund over time on a fair and equitable basis relative to other clients;
  - (ii) that the Manager shall have no obligation to purchase or sell for the Fund any security that the Manager, or its principals or employees, may purchase or sell for their own accounts or for the account of any other client, if, in the opinion of the Manager, such transaction or investment appears unsuitable, impractical or undesirable for the Fund; and

A-3

(iii) that, to the extent permitted by applicable laws and regulations, on occasions when the Manager deems the purchase or sale of a security or other instrument to be in the best interests of the Fund as well as of the other clients of the Manager, the Manager may aggregate the securities to be so sold or purchased when the Manager believes that to do so would be in the best interests of the Fund. In such event, allocation of the securities or other instruments so purchased or sold, as well as the expenses incurred in that transaction, shall be made by the Manager in the manner the Manager considers to be the most equitable and consistent with its fiduciary obligations to the Fund and such other clients.

3. The Manager will bear all of the expenses related to salaries of its employees and to the Manager's overhead in connection with its duties under this Agreement. The Manager also will pay all directors' fees and salaries of the Fund's directors and officers who are affiliated persons (as such term is defined in the 1940 Act) of the Manager.

Except for the expenses specifically assumed by the Manager, the Fund will pay all of its expenses, including, without limitation, fees of the directors not affiliated with the Manager and Board meeting expenses; fees of the Manager; fees of the Fund's administrator; interest charges; taxes; charges and expenses of the Fund's legal counsel and independent accountants, and of the transfer agent, registrar and dividend reinvestment and disbursing agent of the Fund; expenses of repurchasing shares of the Fund; expenses of printing and mailing share certificates, stockholder reports, notices, proxy statements and reports to governmental offices; brokerage and other expenses connected with the execution, recording and settlement of portfolio security transactions; expenses connected with negotiating, effecting purchases or sales or registering privately issued portfolio securities; fees and expenses of the Custodian and sub-custodians for all services to the Fund, including safekeeping of funds and securities and maintaining required books and accounts; expenses of calculating and publishing the net asset value of the Fund's shares; expenses of membership in investment company associations; premiums and other costs associated with the acquisition of a mutual fund directors and officers errors and omissions liability insurance policy; expenses of fidelity bonding and other insurance premiums; expenses of stockholders' meetings; Securities and Exchange Commission ("SEC") and state blue sky registration fees; New York Stock Exchange listing fees; any fees payable by the Fund to the National Association of Securities Dealers, Inc.; and its other business and operating expenses.

4. (a) For the services provided and the expenses assumed pursuant to this Agreement, the Fund will pay to the Manager a monthly fee in arrears equal to 0.85% per annum of the Fund's average weekly net assets during the month (the "Management Fee"). The Fund authorizes the Manager to charge the Fund for the full amount of the Management Fee as it becomes due and payable pursuant to this Section 4.

If the Manager shall serve for less than the whole of a month, the Management Fee shall be prorated.

(b) In the event that the expenses of the Fund exceed any expense limitation which the Manager may, by written notice to the Fund, voluntarily declare to be effective with respect to the Fund, subject to such terms and conditions as the Manager may prescribe in such notice, the Management Fee

due the Manager shall be reduced, and, if necessary, the Manager shall bear the Fund's expenses to the extent required by such expense limitation.

A-4

5. The Manager shall authorize and permit any of its directors, officers and employees who may be elected as directors or officers of the Fund to serve in the capacities in which they are elected.
6. The Manager shall not be liable to the Fund or any of its stockholders for any error of judgment, mistake of law, or any loss suffered by the Fund or any of its stockholders in connection with any act or omission in the performance of its obligations to the Fund or to which this Agreement relates, except a loss resulting from willful misfeasance, bad faith or gross negligence on its part in the performance of its duties or from reckless disregard by it of its obligations and duties under this Agreement.
7. (a) This Agreement shall become effective with respect to the Fund on the date of its execution and shall continue in effect with respect to the Fund for a period of more than two years from that date only so long as its continuance is specifically approved at least annually (i) by the vote of a majority of the Fund's Board or by the vote of a majority of the outstanding voting securities of the Fund, as defined in the 1940 Act ("Majority of the Outstanding Voting Securities") and (ii) by the vote of a majority of the Directors who are not parties to this Agreement or interested persons of any party hereto, cast in person at a meeting called for the purpose of voting on such approval; provided, however, that if the continuance of this Agreement is submitted to the stockholders of the Fund for their approval and such stockholders fail to approve such continuance of this Agreement as provided herein, the Manager may continue to serve hereunder in a manner consistent with the 1940 Act.  
  
(b) Either party hereto may at any time terminate this Agreement by not more than sixty days' written notice delivered or mailed by registered mail, postage prepaid, to the other party. Action by the Fund to terminate this Agreement under this paragraph (b) may be taken either (i) by vote of a majority of the Board, or (ii) by the affirmative vote of a Majority of the Outstanding Voting Securities of the Fund.  
  
(c) This Agreement shall terminate automatically in the event of its assignment (as such term is defined in the 1940 Act and the rules thereunder).  
  
(d) Termination of this Agreement pursuant to this Section 7 shall be without the payment of any penalty.
8. Nothing in this Agreement shall limit or restrict the right of any of the Manager's principals, officers or employees who may also be a director, officer or employee of the Fund to engage in any other business or to devote his time and attention in part to management or other aspects of any business, whether of a similar or a dissimilar nature, nor limit or restrict the Manager's right to engage in any other business or to render services of any kind to any other corporation, investment company, firm, individual or association. APPENDIX B

PIMCO Strategic Global Government Fund, Inc.  
Report of the Audit Oversight Committee

The Audit Oversight Committee (the "Committee") oversees the Fund's financial reporting process on behalf of the Board of Directors of the Fund (the "Board") and operates under a written Charter adopted by the Board. The Committee meets with the Fund's management ("Management") and independent public accountants and reports the results of its activities to the Board. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. In connection with the Committee's and independent accountant's responsibilities, Management has advised that the Fund's financial statements were prepared in conformity with generally accepted accounting principles.

The Committee has reviewed and discussed with Management and PricewaterhouseCoopers LLP ("PwC"), the Fund's independent public accountants, the audited financial statements of the Fund for the fiscal year ended January 31, 2002. The Committee has discussed with PwC the matters required to be discussed by Statements on Auditing Standard No. 61 (SAS 61). SAS 61 requires independent auditors to communicate to the Committee matters including, if applicable: (1) methods used to account for significant unusual transactions; (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (3) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and (4) disagreements with management over the application of accounting principles and certain other matters. The Committee has received the written disclosures and the letter from PwC required by Independence Standards Board Standard No. 1 (requiring auditors to make written disclosures to and discuss with the Committee various matters relating to the auditor's independence), and has discussed with PwC their independence. The Committee has also reviewed the aggregate fees billed by PwC for professional services rendered to the Fund and for non-audit services provided to Dresdner RCM Global Investors LLC ("Dresdner RCM"), the Fund's investment manager during the last fiscal year, and any entity controlling, controlled by or under common control with Dresdner RCM that provided services to the Fund. As part of this review, the Committee considered, in addition to other practices and requirements relating to selection of the Fund's independent auditors, whether the provision of such non-audit services was compatible with maintaining the independence of PwC.

Based on the foregoing review and discussions, the Committee presents this Report to the Board and recommends that (1) the audited financial statements for the fiscal year ended January 31, 2002 be included in the Fund's Annual Report to stockholders for such fiscal year, (2) such Annual Report be filed with the Securities and Exchange Commission and the New York Stock Exchange, and (3) PwC be reappointed as the Fund's independent public accountants.
