Item 8.01 Other Events

In August 2003, we delivered to Basin Digital Media, LLC certain equipment which

Edgar Filing: Endavo Media & Communications, Inc. - Form 8-K

redelivered the equipment to Summit Development and Management, LLC for installation in the residential apartment complex Utah County, Utah known as in Parkway Crossing to be used in connection with service agreement between us and Basin.

In order to obtain such equipment, we entered into a loan transaction with Ridgeline, LLC. and pursuant to which we, among other things, executed a secured Promissory Note due August 1, 2004 in the principal sum of \$182,000, and entered into a Collateral Assignment and Security Agreement to secure repayment of the Note. In addition, David Bailey, our former CEO and Chairman of the Board, entered into a personal guarantee with Ridgeline with respect to our obligations under the Note.

On January 7, 2004, Summit and/or Basin delivered a notice of termination of the service agreement, which we refused to accept as we believe they did not have any grounds to terminate the agreement and thereafter they defaulted on their obligations under the service agreement as well as their obligation to pay for the equipment. As a result, on August 1, 2004 we defaulted on our obligations under the Note to Ridgeline.

As previously disclosed, on June 18, 2004, we filed a lawsuit in the Third Judicial District Court, Salt Lake County, State of Utah (Case No. 040912674) against Parkway Crossing, Basin and Summit alleging breach of contract, breach of the covenant of good faith and fair dealing, conversion, fraudulent inducement and tortious interference with economic relations. Parkway and Summit subsequently filed a motion to dismiss the action, which motion was denied.

As a result of such default, Ridgeline made demand upon us and Mr. Bailey for payment of the entire remaining unpaid portion of the Note. In September 2004, Mr. Bailey paid Ridgeline \$200,000 under his guarantee and took an assignment of all of Ridgeline's rights and interest in the Note and the Security Agreement. At the same time, Mr. Bailey made a demand upon us for payment of the note and related obligation.

On January 26, 2005, Mr. Bailey filed a claim in the Fourth Judicial District Court, Utah County, State of Utah (Case No. 050400313) against us as well as Basin and Summit alleging breach of contract and unjust enrichment, seeking judgment against us as well as Summit and Basin in the amount of \$200,000 plus interest as well as possession of the equipment that was collateral for the Note along with fees and costs. We expect that this lawsuit will be settled without any material adverse effect on us; however, we cannot provide assurance that it will be settled on a basis that is acceptable to us if at all or that such settlement will not have an adverse effect on our business or operations.
