ITEM 8.01 Other Events.

On May 29, 2007, Telkonet, Inc.'s subsidiary, Microwave Satellite Technology Inc. (MST), a carrier class communications technology company that specializes in providing true quadruple play services to residential, hospitality and commercial properties, announced that it has closed a \$9.1 million private placement. Upon completion of the closing, MST executed a reverse merger to become a publicly-traded company, under the name MSTI Holdings, Inc. The private placement closed on May 25, 2007, and was comprised of approximately \$3.1 million of equity financing through the sale of common stock and warrants and approximately \$6 million of debt financing through the sale of debentures and warrants. Following the MST private placement, Telkonet continues to own 63% of the issued and outstanding common stock of MST. Palladium Capital Advisors served as the lead placement agent in connection with the offering. The proceeds of the financing will be used for debt repayment, acquisitions, and general working capital of MST.
