VOTING AT THE ANNUAL MEETING

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. Attendance at the Meeting will not, in and of itself, revoke a proxy. Proxies may be revoked by:

- Filing with the Secretary of Telkonet, at or before the taking of the vote at the Meeting, a written notice of revocation dated later than the proxy;
- Voting again at a later date (but prior to the meeting) on the Internet or by telephone; or
- Executing a later dated proxy relating to the same shares of capital stock and delivering it to the Secretary of Telkonet, including by facsimile, before the taking of the vote at the Meeting; or
- Attending the Meeting and voting in person.

Any written revocation or subsequent proxy should be sent so as to be delivered to Telkonet, Inc., 10200 Innovation Drive, Suite 300, Milwaukee, WI 53226, Attention: Corporate Secretary, or hand delivered to the Secretary of Telkonet or his representative at or before the taking of the vote at the Meeting.

If the Meeting is postponed or adjourned, proxies given pursuant to this solicitation will be utilized at any subsequent reconvening of the Meeting, except for any proxies that previously have been revoked or withdrawn effectively, and notwithstanding that proxies may have been effectively voted on the same or any other matter previously.

Voting Rights

Only holders of record of our common stock, par value \$0.001 per share (“common stock”), holders of record of our Series A Preferred Stock, par value \$0.001 per share (“Series A Preferred Stock”), and holders of record of our Series B Preferred Stock, par value \$0.001 per share (“Series B Preferred Stock”) at the close of business on April 15, 2013, the record date (the “Record Date”), are entitled to notice of and to vote at the Meeting, and at any postponements or adjournments thereof. Holders of our Series A Preferred Stock and holders of our Series B Preferred Stock will each vote on an as converted basis together with holders of our common stock as a single class in connection each of the proposals in this proxy statement. Each share of common stock is entitled to one vote on all matters to be voted upon at the Meeting; each share of Series A Preferred Stock is entitled to 13,774 votes on all matters to be voted upon at the Meeting; and each share of Series B Preferred Stock is entitled to 38,461 votes on all matters to be voted on at the meeting. At least a majority of our shares outstanding on the Record Date and entitled to vote (counting our Series A Preferred Stock and Series B Preferred Stock each on an as converted basis, representing an aggregate of 21,509,732 shares of common stock for such purposes) must be represented at the Meeting, either in person or by proxy, in order to constitute a quorum for the transaction of business. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Broker non-votes occur when a nominee holding shares for a beneficial owner does not have discretionary voting power on a matter and has not received instructions from the beneficial owner.

How to Vote; How Proxies Work

Our Board of Directors is asking for your proxy. Whether or not you plan to attend the Meeting, we urge you to vote by proxy as you can always change your vote at the Meeting. Please provide your proxy by voting on the Internet or by telephone, or complete, date and sign the enclosed proxy card and return it at your earliest convenience. We will bear the costs incidental to the solicitation and obtaining of proxies, including the costs of reimbursing banks, brokers and other nominees for forwarding proxy materials to beneficial owners of our capital stock. Proxies may be solicited by our officers and employees, without extra compensation, by mail, telephone, facsimile, personal interviews and other methods of communication.

At the Meeting, and at any postponements and adjournments thereof, all shares entitled to vote and represented by properly executed proxies received prior to the Meeting and not revoked will be voted as instructed on those proxies. If no instructions are indicated on a properly executed proxy, the shares will be voted FOR each of the nominees for director and in the discretion of management on any other matter which may properly come before the Meeting.

Questions and Answers

Q. What am I voting on?

You are voting on three proposals:

Proposal No. 1: For the election of four (4) nominees to our board of directors, each to serve until the next annual meeting of stockholders and until his successor has been elected and qualified.

Proposal No. 2: To provide a non-binding advisory approval of the compensation of our named officers.

Proposal No. 3: To indicate a preference on the frequency of the advisory vote to approve the compensation of our named officers.

Q. ***Who is entitled to vote?***

Only holders of record of our common stock and holders of record of our Series A and Series B Preferred Stock at the close of business on April 15, 2013, the Record Date, are entitled to vote shares held by such stockholders on that date at the Meeting.

Q. ***How do I vote?***

Vote By Internet: Visit the Web site noted on your proxy card to vote via the Internet.

Vote By Telephone: Call the number noted on your proxy card to vote by telephone.

Vote By Mail: Sign and date the proxy card you receive and return it in the enclosed stamped, self-addressed envelope.

Vote in Person: Sign and date the proxy you receive and return it in person at the Meeting. If your shares are held in the name of a bank, broker or other holder of record (i.e., in “street name”), you will receive instructions from the holder of record that you must follow in order for your shares to be voted. Internet voting will be offered to stockholders owning shares through most banks and brokers.

Q. How many votes do I have?

On each matter to be voted upon, each share of common stock is entitled to one vote, each share of Series A Preferred Stock is entitled to 13,774 votes and each share of Series B Preferred Stock is entitled to 38,461 votes.

Q. How many shares were outstanding on the Record Date?

At the close of business on April 15, 2013, the Record Date, there were 129,612,733 shares outstanding (counting our Series A Preferred Stock and our Series B Preferred Stock on an as converted basis, representing an aggregate of 21,509,732 shares of common stock for such purposes).

Q. What is a “quorum” for purposes of the Meeting?

In order to conduct business at the Meeting, a quorum of stockholders is necessary to hold a valid meeting. Holders of our Series A Preferred Stock and holders of our Series B Preferred Stock will each vote on an as converted basis together with holders of our common stock as a single class in connection with each of the proposals contained in this proxy statement. At least a majority of our shares outstanding on the Record Date and entitled to vote (counting our Series A Preferred Stock on an as converted basis and our Series B Preferred Stock on an as converted basis, representing an aggregate of 21,509,732 shares of common stock for such purposes) must be represented at the Meeting, either in person or by proxy, in order to constitute a quorum for the transaction of business. At the close of business on the Record Date, there were 129,612,733 shares outstanding and entitled to vote (counting our Series A Preferred Stock on an as converted basis and our Series B Preferred Stock on an as converted basis, representing an aggregate of 21,509,732 shares of common stock for such purposes) and, accordingly, the presence, in person or by proxy, of at least 64,806,367 shares is necessary to meet the quorum requirement.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the Meeting in person or represented by proxy may adjourn the Meeting to another date.

Q. Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies, including the printing and filing of this proxy statement, the Notice, the proxy card and any additional information furnished to stockholders. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the reasonable out-of-pocket expenses they incur to forward proxy materials to beneficial owners.

Q. What if I return a proxy card but do not make specific choices?

All shares for which a proxy has been properly submitted and not revoked will be voted at the Annual Meeting in accordance with your instructions. If you sign your proxy card but do not give voting instructions, the shares represented by that proxy will be voted as recommended by the board.

If any other matter is properly presented at the Meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his best judgment.

Q. Can I access the proxy materials electronically?

This proxy statement, the proxy card, and our Annual Report on Form 10-K for the period ended December 31, 2012 are available on the following website at <http://www.proxyvote.com>.

Q. Can I change my vote or revoke my proxy?

Yes. You may change your vote or revoke your proxy at any time before the proxy is exercised. Proxies may be revoked by:

Filing with the Secretary of Telkonet, at or before the taking of the vote at the Meeting, a written notice of revocation dated later than the proxy;

Voting again at a later date (but prior to the meeting) on the Internet or by telephone;

Executing a later dated proxy relating to the same shares of capital stock and delivering it to the Secretary of Telkonet, including by facsimile, before the taking of the vote at the Meeting; or

Attending the Meeting and voting in person.

Any written revocation or subsequent proxy should be sent so as to be delivered to Telkonet, Inc., 10200 Innovation Drive, Suite 300, Milwaukee, WI 53226, Attention: Corporate Secretary, or hand delivered to the Secretary of Telkonet or his representative at or before the taking of the vote at the Meeting. Attendance at the Meeting will not have the effect of revoking a proxy unless you give written notice of revocation to the Corporate Secretary before the proxy is exercised or you vote by written ballot at the Meeting.

Q. What is the process for admission to the Meeting?

If you are a record owner of your shares (*i.e.*, your shares are held in your name), you must show government issued identification. Your name will be verified against the stockholder list. If you hold your shares through a bank, broker or trustee, you must also bring a copy of your latest bank or broker statement showing your ownership of your shares as of the Record Date.

Q. How many votes are required to approve matters to be presented?

Each of our Series A Preferred Stock and Series B Preferred Stock is entitled to vote on Proposal Nos. 1, 2 and 3 on an as converted basis with our common stock as a single class. Each share of common stock is entitled to one vote; each share of Series A Preferred Stock is entitled to 13,774 votes on each of the proposals contained in this proxy statement; and each share of Series B Preferred Stock is entitled to 38,461 votes on each of the proposals contained in this proxy statement. With regard to the election of directors set forth in Proposal No. 1, votes may be cast in favor of a nominee or withheld. Because directors are elected by plurality, abstentions from voting and broker non-votes will be excluded from the vote on this proposal and will have no effect on its outcome. If a quorum is present at the meeting, the four nominees receiving the greatest number of votes will be elected. Because approval of Proposal No. 2 and Proposal No. 3 require the affirmative vote of a majority of the outstanding stock entitled to vote thereon, abstentions and broker non-votes will have the same effect as a vote "Against" each proposal.

Q. How will my shares held in street name be voted if I do not provide voting instructions?

If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters but cannot vote on non-routine matters, including the election of directors and proposals relating to executive compensation. Accordingly, if you are a street-name holder and do not provide instructions to your broker on Proposal No. 1, Proposal No. 2 or Proposal No. 3 your broker may not vote your shares on such proposals. Please note that you will NOT be able to vote your shares with respect to the election of directors or other proposals in this proxy statement if you hold your shares in street name and have not provided instructions to your broker; thus we strongly encourage you to submit your voting instruction card and exercise your right to vote as a stockholder.

Q. What are the recommendations of the Board of Directors?

The Board of Directors unanimously recommends that the stockholders vote:

- FOR each of the nominees for director listed in Proposal No. 1;
- FOR a non-binding advisory approval of the compensation of our named officers in Proposal No. 2;
- FOR a “One Year” preference on the frequency of the advisory vote to approve the compensation of our named officers in Proposal No. 3.

With respect to any other matter that properly comes before the Meeting, the proxy holders will vote as recommended by our Board of Directors or, if no recommendation is given, in their own discretion.

PROPOSAL No. 1

ELECTION OF DIRECTORS

Telkonet's bylaws establish the number of directors at not less than three members. Pursuant to the bylaws, the Board of Directors may increase or decrease the number of members of the Board of Directors. The Board of Directors has established the number of directors at four. At the annual meeting, the shares represented by properly executed proxies, unless otherwise specified, will be voted for the election of the four nominees named herein, each to serve until the next annual meeting and until his successor is duly elected and qualified. Proxies cannot be voted for more than four nominees.

If for any reason any nominee is not a candidate when the election occurs (which is not expected), the Board of Directors expects that proxies will be voted for the election of a substitute nominee designated by the Board of Directors. The following information is furnished concerning each nominee for election as a director.

Directors are elected by a plurality of the votes cast by holders of shares of our common stock, our Series A Preferred Stock and our Series B Preferred Stock, voting together as a single class on an as-converted basis, entitled to vote at the Meeting, either in person or by proxy.

THE BOARD OF DIRECTORS RECOMMENDS THAT

WILLIAM H. DAVIS, Chairman of the Board, has served as a director since September 2010. Mr. Davis is Managing Director of Empirical Asset Management, based in Newton, MA. Empirical was formed in 2010 to bring to

market a set of rules-based investment strategies that eliminate emotional decision-making from the investment process. Prior to Empirical Asset management, Mr. Davis served as President and CEO of Ze-gen, Inc., a renewable energy company, since he founded the company in 2004. Prior to founding Ze-gen, Mr. Davis' career in business has included launching numerous companies: Database Marketing Corporation in 1986, Holland Mark in 1997, and Cambridge Brand Analytics in 2003. Mr. Davis has extensive board experience, currently serving on the Board of Directors of Boston Harbor Islands National Park and New Bedford Economic Development Council, and was appointed by Massachusetts Governor Deval Patrick to the Board of The Commonwealth Corporation. He also serves on the President's Council for CERES, an organization that advocates for sustainability leadership. Mr. Davis graduated from Connecticut College. We believe Mr. Davis' qualifications to sit on our Board of Directors include his extensive executive leadership and management experience.

GLENN A. GARLAND, Director, has served as a director since November 2011. Mr. Garland has served as president of CLEAResult since 2003. CLEAResult is an Austin, Texas-based energy optimization firm that operates energy efficiency and renewable energy programs for utility companies, government organizations and private businesses across the country. Mr. Garland has been in the energy efficiency industry for over 25 years, consulting with businesses, utilities, and government agencies at the international, federal, state, and local levels and has extensive expertise in energy efficiency strategy, market transformation, and performance contracting. Mr. Garland managed the marketing, outreach, and implementation for a variety of the U.S. EPA national ENERGY STAR® programs as well as serving as its National Implementation Manager for the ENERGY STAR Buildings and Green Lights® Partnership and the ENERGY STAR HVAC Team. Mr. Garland holds a B.S. in Management and Marketing from Clemson University. We believe Mr. Garland's qualifications to sit on our Board of Directors include his extensive executive experience in the energy efficiency industry.

TIM S. LEDWICK, Director, has served as a director since April 2012. Mr. Ledwick is currently the Chief Financial Officer of Management Health Solutions, a private equity-backed company that provides software solutions and services to hospitals focused on reducing costs through superior inventory management practices. From 2007 to 2011, Mr. Ledwick provided CFO consulting services to a \$150 million services firm and, in addition, from 2007-2008 also acted as special advisor to The Dellacorte Group, a middle market financial advisory firm focused on transactions between \$100 million and \$1 billion. We believe Mr. Ledwick's qualifications to sit on our Board of Directors include his background in public accounting as well as his financial executive experience.

JASON L. TIENOR, Director, has served as our President and Chief Executive Officer since December 2007 and, from August 2007 until December 2007, he served as our Chief Operating Officer. In November 2009, he was appointed to our Board of Directors. Mr. Tienor has also served as Chief Executive Officer of EthoStream, LLC, our wholly-owned subsidiary, since March 2007. From 2002 until his employment with us, Mr. Tienor served as Chief Executive Officer of EthoStream, LLC, the company that he co-founded. Mr. Tienor received a bachelor of business administration in management information systems and marketing from the University of Wisconsin – Oshkosh and a masters of business administration with an emphasis on computer science from Marquette University. We believe Mr. Tienor’s qualifications to sit on our Board of Directors include his experience as the founder of our wholly-owned subsidiary, EthoStream, LLC, including the leadership he has provided to the Company, first as Chief Operating Officer and then as President and Chief Executive Officer.

Meetings of the Board and Committees

The Board of Directors held three meetings in 2012. With the exception of Mr. Garland, each member of the Board of Directors attended at least 75 percent of the meetings of the Board of Directors and the committees of which such director was a member. The Company has not established a formal policy requiring director attendance at all Board meetings, but the Company expects each director to attend such meetings, absent unusual circumstances. The Company also expects its directors to make an effort to attend the Annual Meeting of Stockholders (which is usually held the same day as a meeting of the Board of Directors). Each of the Company’s directors, with the exception of Mr. Garland, attended the 2012 Annual Meeting of Stockholders.

Code of Ethics

The Board has approved, and the Company has adopted, a Code of Ethics that applies to all directors, officers and employees of the Company. This Code of Ethics was included as an Exhibit to the Company’s Form 10-KSB filed with the Securities and Exchange Commission on March 30, 2004.

Director Independence

The Board of Directors has determined that Messrs. Davis, Garland and Ledwick are “independent” under the listing standards of the NYSE MKT (formerly, the NYSE AMEX) (“NYSE MKT”).

Board Leadership Structure and Role in Risk Oversight

William H. Davis currently serves as Chairman of the Board of Directors while Jason L. Tienor serves as our principal executive officer. The Board believes this structure is appropriate at this time because it allows the Company to benefit from the unique experience and skills of each of these individuals. Management of risk is the direct responsibility of the Company's CEO and the senior leadership team. The Board has oversight responsibility, focusing on the adequacy of the Company's enterprise risk management and risk mitigation processes.

Communications with the Board of Directors

Stockholders can communicate directly with the Board, with any Committee of the Board, or specified directors by writing to: The Board of Directors of the Company, at the Company's principal business address or by calling at 414-223-0473. All communications will be reviewed by management and then forwarded to the appropriate director, directors, committee, or to the full Board of Directors.

Committees of the Board of Directors

The Board has an Audit Committee and a Compensation Committee, but the Board does not presently have a nominating committee because the Board has concluded that a nominating committee is unnecessary due to the nomination procedures in effect as described below.

Director Nominations

Due to its small size, the Board does not maintain a standing nominating committee. Nominees for election as directors are considered and nominated by a majority of the Company's independent directors in accordance with the NYSE AMEX listing standards. "Independence" for these purposes is determined in accordance with Section 803A of the NYSE MKT Rules. Since the Company does not maintain a standing nominating committee, it has not adopted a formal nominating committee charter.

Our Board is a collection of individuals with a variety of complimentary skills derived from their diverse backgrounds and experiences. When considering potential candidates for election to the Company's Board of Directors, the independent directors evaluate various criteria, including, but not limited to, each candidate's business and professional skills, experience serving as management or on the board of directors of companies such as the Company, financial literacy and personal integrity in judgment. The Company does not have a specific policy regarding diversity and believes that the backgrounds and qualifications of the directors, considered as a group, should provide a diverse mix of experiences, knowledge, attributes and abilities that will allow the Board to fulfill its responsibilities. Candidates for vacant board seats will be considered if they are able to read and understand fundamental financial statements; have no identified conflicts of interest; have not been convicted in a criminal proceeding other than traffic violations during the ten years before the date of selection; and are willing to comply with the Company's Code of Ethics. One or more directors must have requisite financial expertise to qualify as an "audit committee financial expert" as defined by Item 407 of Regulation S-K promulgated under the Securities Exchange Act of 1934. The independent directors reserve the right to modify these minimum qualifications from time to time. Exceptional candidates who do not meet all of these criteria may still be considered.

The independent directors review the qualifications and backgrounds of the directors, as well as the overall composition of the Board from time to time without assigning specific weights to particular experiences or qualifications. In addition the independent directors consider whether the Board as a whole possesses the right skills and background to address the issues facing our Company at that time. In the case of any candidate for a vacant Board seat, the independent directors will consider whether such candidate meets the applicable independence standards and the level of the candidate's financial expertise. Any new candidates will be interviewed by the independent directors, and the full Board will approve the final nominations. The Chairman of the Board, acting on behalf of the full Board, will extend the formal invitation to become a nominee of the Board of Directors.

Stockholders may nominate director candidates for consideration by the Board of Directors by directing the recommendation in writing to the Company, attention Corporate Secretary, 10200 Innovation Drive, Suite 300, Milwaukee, WI 53226 and providing the candidate's name, biographical data and qualifications, including five-year employment history with employer names and a description of the employer's business; whether such individual can read and understand fundamental financial statements; other board memberships (if any); and such other information as is reasonably available and sufficient to enable the Board to evaluate the minimum qualifications described above. The submission must be accompanied by the written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected by the stockholders. If a stockholder nominee is eligible, and if the nomination is proper, the independent directors then will deliberate and make a decision as to whether the candidate will be submitted to the Company's stockholders for a vote. The Board will not change the manner in which it evaluates candidates, including the applicable minimum criteria set forth above, based on whether the candidate was recommended by a stockholder.

Audit Committee

The Audit Committee is currently comprised of Messrs. Davis and Ledwick. Tim S. Ledwick was appointed Chairman of the Company's Audit Committee April 25, 2012, replacing William H. Davis who remains a member of the Audit Committee. Anthony J. Paoni was the Audit Committee Chair until his resignation from the Company's Board of Directors effective November 30, 2011. Joseph D. Mahaffey was the Audit Committee Chair until his resignation from the Company's Board of Directors on February 28, 2011. Glenn A. Garland was a member of the Committee until he stepped down from the Committee on April 25, 2012. The Company's Board of Directors has determined that each of Messrs. Davis and Ledwick is an "audit committee financial expert" as defined by Item 407 of Regulation S-K promulgated under the Securities Exchange Act of 1934.

The Audit Committee recommends annually to the Board of Directors the selection of the independent registered public accounting firm for each fiscal year, confirms and assures their independence and approves the fees and other compensation to be paid to the auditors. The Audit Committee recommends to the Board the advisability of having the independent registered public accounting firm make specified studies and reports as to auditing matters, accounting procedures, tax or other matters. The Audit Committee also reviews, prior to its filing with the SEC, the Company's Form 10-K and annual report to stockholders. The Audit Committee provides an open avenue of communication among the independent registered public accounting firm, management and the Board of Directors and will review any significant disagreement among management and the independent registered public accounting firm in connection with the preparation of any of the Company's financial statements. The Audit Committee reviews, with the Company's legal counsel, legal and regulatory matters that may have a significant impact on the Company's financial statements. The Audit Committee held four meetings in 2012; Messrs. Davis and Ledwick attended all of the meetings.

The Board of Directors has adopted an Audit Committee Charter, which was ratified by the stockholders at the 2004 Annual Meeting of Stockholders. A copy of the Audit Committee Charter was attached as Appendix A to the proxy statement for our 2012 Annual Meeting of Stockholders.

REPORT OF THE AUDIT COMMITTEE

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate future filings or this proxy statement, the following report shall not be deemed to be incorporated by reference into any such filings. In addition, the following report shall not be deemed to be "soliciting material" or "filed" with the SEC.

The Audit Committee for the year ended December 31, 2012, whose members are identified above, has reviewed and discussed the audited financial statements as of and for the year ended December 31, 2012 with the Company's management and has discussed the matters required to be discussed by AS 16 (as promulgated by the Public Company Accounting Oversight Board) with the Company's independent registered public accounting firm. The Audit Committee has also received the written disclosures and the letter from the Company's independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Audit Committee concerning independence and has discussed with the independent auditors the independent auditors' independence. Based upon its review of the foregoing materials and its discussions with the Company's management and independent auditors, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2012. The Audit Committee also considered whether the provision of other non-audit services by the independent auditor to the Company is compatible with maintaining the independence of the independent auditor and concluded that the independence of the independent auditor is not compromised by the provision of such services.

The Audit Committee has a written charter which was adopted by the Board of Directors on October 3, 2003 and ratified at the 2004 Annual Meeting of Stockholders. The Audit Committee has established procedures for the receipt, retention and treatment of any complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential, anonymous submission by the Company's employees of any concerns regarding questionable accounting or auditing matters.

By the Audit Committee.

Compensation Committee

Mr. Davis and Mr. Garland currently serve on the Company's Compensation Committee. The Compensation Committee oversees the Company's compensation programs, which are designed specifically for the Company's most senior executive officers, including the Chief Executive Officer, Chief Financial Officer and the other executive officers named in the Summary Compensation Table. Additionally, the Compensation Committee is charged with the review and approval of all annual compensation decisions relating to Named Executive Officers, as defined below. The Compensation Committee did not engage a compensation consultant in 2012. The Board of Directors has adopted a Compensation Committee charter. A copy of the Compensation Committee Charter is attached as Appendix B to the proxy statement for our 2012 Annual Meeting of Stockholders.

EXECUTIVE COMPENSATION**Overview of Our Executive Compensation Philosophy**

We believe that a skilled, experienced and dedicated executive team is essential to the future performance of our company and to building stockholder value. We have sought to establish a competitive compensation program that enables us to attract and retain executive officers with these qualities. The goal of our compensation package is to motivate our executive officers to achieve strong financial performance, particularly increased revenues and profitability. We incorporate salary and a performance incentive compensation program that includes cash and equity-based compensation. We believe this aligns the interest of our executives with those of our stockholders.

The following table sets forth certain information with respect to compensation for services in all capacities for the years ended December 31, 2012 and 2011 to our Chief Executive Officer (principal executive officer) and other most highly compensated executive officers who were serving as such as of December 31, 2012. We refer to these officers as our “Named Executive Officers.”

For a discussion of the valuation assumptions used to value the options for reporting purposes, see note K to the financial statements in to the Company's annual report on Form 10-K for the year ended December 31, 2012.
- (1) These awards were made in connection with the Company's Senior Management Annual Incentive Compensation Program, described in further detail below.
 - (2) Other compensation represents monthly car allowance paid to certain Telkonet executive officers.
 - (3) Mr. Reinders commenced employment with the Company as of March 1, 2011.
 - (4) Total compensation amounts for 2011 have been adjusted to include the cash portion of the awards under the Company's Senior Management Annual Incentive Compensation Program that were paid in 2012. These cash awards, which are reflected in the "Non-Equity Incentive Plan" column for 2011, were earned based on the Company's 2011 performance.

Salary

Salary is used to recognize the experience, skills, knowledge and responsibilities required of all our employees, including our Named Executive Officers. The salary for each Named Executive Officer is typically set at the time the individual is hired based on the aforementioned factors and the negotiation process between the Company and the named executive officer. Thereafter, changes to annual salary, if any, are determined based on several factors, including evaluation of performance, anticipated financial performance, economic condition and local market and labor conditions. The Compensation Committee did not approve salary increases for 2013 for any of the Named Executive Officers.

Senior Management Annual Incentive Compensation Program

In an effort to align the compensation of the Company's executive officers with the Company's performance, the Compensation Committee has adopted a Senior Management Annual Incentive Compensation Program (the "Incentive Compensation Program") pursuant to which certain executive officers, including the Named Executive Officers, are eligible to receive cash awards and stock options grants based on the Company's performance relative to quantitative performance criteria established by the Compensation Committee. The Compensation Committee initially adopted the Incentive Compensation Program and began the process of setting the performance criteria pursuant to which such awards could be earned in 2011, and adopted a similar program again in 2012. While the performance criteria under the Incentive Compensation Programs established in 2011 and 2012 were based on quantitative objectives related to the Company's 2011 and 2012 performance, respectively, the Compensation Committee and the Board did not make final decisions on each executives officer's award amount, ratio of award opportunity allocated to each objective and award mix and other terms of the potential awards under the Incentive Compensation Program until April of 2012 and 2013, respectively. The awards paid under the Incentive Compensation Program in 2012 were made in recognition of the goals achieved by the Named Executive Officers and other participants in controlling operational costs and

expenses and improving Company profitability through revenue expansion in 2011 and, as such, the cash portions of such awards are reflected on the Summary Compensation Table set forth above in the Non-Equity Incentive Plan Compensation column for 2011. Similarly, the awards paid under the Incentive Compensation Program in 2013 were made in recognition of the achievement of goals relating to revenue and EBITDA (Earnings Before Interest, Taxes, Depreciation and Amortization) expansion and increases in sales pipeline efficiency in 2012, and the cash portions of such awards are reflected in the Non-Equity Incentive Plan Compensation column for 2012.

The awards under the Annual Incentive Compensation Program in 2012 with respect to 2011 performance were paid to the Named Executive Officers 25% in cash and the remaining 75% in stock options, with the exception of Mr. Reinders, who received 100% of this award in cash. Awards paid in 2013 with respect to 2012 performance will be paid 50% in cash and 50% in stock options. In addition to their value as an award for the Company's performance, the Compensation Committee believes the stock option grants serve the additional purpose of further aligning the interests of the Named Executive Officers with the interests of the Company, since options have value to the recipients only if and to the extent that the Company's stock price increases. All stock options granted in 2012 under the Incentive Compensation Program were fully vested on the date of grant and have a ten year term from the date of grant, and had an exercise price equal to the fair market value of the Company's common stock on the date of grant. The Company anticipates that the options granted in 2013 with respect to 2012 performance will be on substantially the same terms. Unlike the cash portion of each award, option grants are reflected on the Summary Compensation Table based for the year in which the grants are made, rather than the year with respect to which they were earned. As a result, the option value reflected in the Option Awards column relates to options granted in 2012 in connection with 2011 performance.

Retirement, Health and Welfare Benefits

The Company offers a variety of health and welfare and retirement programs to all eligible employees. The Named Executive Officers generally are eligible for the same benefit programs on the same basis as the rest of the broad-based employees. The Company's health and welfare programs include medical, dental, vision, life, accidental death and disability, and short and long-term disability insurance. In addition to the foregoing, the Named Executive Officers are eligible to participate in the Company's 401(k) Retirement Savings Plan.

401(k) Retirement Savings Plan

The Company maintains a tax-deferred savings plan for employees (the "Telkonet 401(k)") that is administered by a committee of trustees appointed by the Company. All Company employees are eligible to participate upon the completion of six months of employment, subject to minimum age requirements. Contributions by employees under the Telkonet 401(k) are immediately vested and each employee is eligible for distributions upon retirement, death or disability or termination of employment. Depending upon the circumstances, these payments may be made in installments or in a single lump sum.

Beginning in January 2012, the Company implemented a 401(k) employer match of 100% of employee salary deferrals, not to exceed 4% of eligible compensation. Matches immediately vest and coincide with each payroll deferral period.

Employment Agreements

Jason L. Tienor, President and Chief Executive Officer, is employed pursuant to an employment agreement dated May 1, 2012. Mr. Tienor's employment agreement is for a term expiring on May 1, 2014, is renewable at the agreement of the parties and provides for a base salary of at least \$200,000 per year.

Jeffrey J. Sobieski, Chief Technology Officer, is employed pursuant to an employment agreement, dated May 1, 2012. Mr. Sobieski's employment agreement is for a term expiring on May 1, 2014, is renewable at the agreement of the parties and provides for a base salary of at least \$190,000 per year.

Mr. Reinder's employment agreement is for a term expiring on May 1, 2013, is renewable at the agreement of the parties and provides for a base salary of at least \$150,000 per year.

Each of the Named Executive Officers is also entitled under his employment agreement to bonuses and benefits consistent with the Company's internal policies and based on participation in the Company's incentive and benefit plans. Stock options or other awards may be periodically granted to employees under the Plan at the discretion of the Compensation Committee of the Board of Directors. Executives of the Company are eligible to receive stock option grants, based upon individual performance and the performance of the Company as a whole.

Each Named Executive Officer's Employment Agreement contains provisions describing the executive officer's compensation in the event the executive officer's employment with the Company is terminated. If his Employment Agreement is terminated by the mutual consent of the Company and the executive officer, or if the Company terminates the executive officer's employment for any reason other than for "cause," as described below, or fails to renew his Employment Agreement upon the expiration of its term, the executive officer will be entitled to receive an amount equal to his base salary for three (for Mr. Reinders) or six months (for Messrs. Tienor and Sobieski) following the termination, and the Company will pay the executive officer's health insurance premiums for the same period. If an executive officer terminates his employment with the Company for "good reason," as described below, he will be entitled to continue to receive his base salary and to participate in each employee benefit plan in which he participated immediately prior to the termination date until (i) the expiration of the term of his Employment Agreement or (ii) for a period of three (for Mr. Reinders) or six months (for Messrs. Tienor and Sobieski), whichever is longer. If cause exists for termination, the executive officer will be entitled to no further compensation, except for accrued leave and vacation and except as may be required by applicable law.

Under each of the Employment Agreements, “cause” is generally defined as the occurrence of any of the following: (i) theft, fraud, embezzlement, or any other act of intentional dishonesty by the executive officer; (ii) any material breach by the executive officer of any provision of his Employment Agreement that breach is not cured within fourteen days after written notification by the Company; (iii) any habitual neglect of duty or misconduct of the executive officer in discharging any of his duties and responsibilities under his Employment Agreement after a written demand for performance was delivered to executive officer; (iv) commission by the executive officer of a felony or any offense involving moral turpitude; or (v) any default of an executive officer’s obligations under his employment agreement, or any failure or refusal of the executive officer to comply with the Company’s policies, rules and regulations that is not cured within fourteen days after written notification by the Company. “Good reason” is defined as the occurrence of any of the following: (i) any material adverse reduction in the scope of the executive officer’s authority or responsibilities; (ii) any reduction in the amount of the executive officer’s compensation or participation in any employee benefits; or (iii) the executive officer’s principal place of employment is actually or constructively moved to any office or other location 75 miles or more outside of Milwaukee, Wisconsin.

Certain Relationships and Related Transactions

Description of Related Party Transactions

From time to time the Company may receive advances from certain of its officers in the form of salary deferment and cash advances, to meet short term working capital needs. These advances may not have formal repayment terms or arrangements. As of December 31, 2012 and 2011 there were no such arrangements.

Indemnification Agreements

On March 31, 2010, the Company entered into Indemnification Agreements with director William H. Davis, and executives Jason L Tienor, President and Chief Executive Officer and Jeffrey J. Sobieski, Chief Operating Officer. On November 3, 2010, the Company entered into an Indemnification Agreement with Richard E. Mushrush, then Acting Chief Financial Officer.

The Indemnification Agreements provide that the Company will indemnify the Company's officers and directors, to the fullest extent permitted by law, relating to, resulting from or arising out of any threatened, pending or completed action, suit or proceeding, or any inquiry or investigation by reason of the fact that such officer or director (i) is or was a director, officer, employee or agent of the Company or (ii) is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. In addition, the Indemnification Agreements provide that the Company will make an advance payment of expenses to any officer or director who has entered into an Indemnification Agreement, in order to cover a claim relating to any fact or occurrence arising from or relating to events or occurrences specified in this paragraph, subject to receipt of an undertaking by or on behalf of such officer or director to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Company as authorized under this Agreement.

Company's Policies on Related Party Transactions

Under the Company's policies and procedures, related-party transactions that must be publicly disclosed under the federal securities laws require prior approval of the Company's independent directors without the participation of any director who may have a direct or indirect interest in the transaction in question. The Company's independent directors will approve only those related party transactions that they determine to be in the best interests of the Company and its

stockholders. Related parties include directors, nominees for director, principal stockholders, executive officers and members of their immediate families. For these purposes, a “transaction” includes all financial transactions, arrangements or relationships, ranging from extending credit to the provision of goods and services for value and includes any transaction with a company in which a director, executive officer immediate family member of a director or executive officer, or principal shareholder (that is, any person who beneficially owns five percent or more of any class of the Company’s voting securities) has an interest by virtue of a ten-percent-or-greater equity interest. The Company’s policies and procedures regarding related-party transactions are not a part of a formal written policy, but rather, represent the Company’s historical course of practice with respect to approval of related-party transactions.

Directors’ Compensation

We reimburse non-management directors for costs and expenses in connection with their attendance and participation at Board of Directors meetings and for other travel expenses incurred on our behalf. Beginning April 1, 2011, each non-management director was compensated at a rate of \$5,000 per month, paid quarterly in common stock priced as of the 15th of the applicable month and \$500 for each committee meeting of the Board of Directors attended, paid quarterly in common stock priced as of the 15th of the applicable month. Effective September 1, 2012, the Chairman of the Board is compensated at a rate of \$5,000 per month, Committee Chairs are compensated at a rate of \$4,000 per month and directors are compensated at \$3,000 per month. Compensation is capped at the highest level of service provided, i.e. a director who is also a committee chair will receive a maximum of \$4,000. On the first day of their appointment, each director receives a one-time grant of an option to purchase 100,000 shares of Company stock. The strike price will be the closing price of the Company's common stock on the grant date. If the grant date falls on a non-trading day, the grant date will default to the next trading day. These stock options will vest quarterly over 5 years. Upon the implementation of the new policy, each non-management board member was granted 100,000 shares of the Company’s stock options.

The following table summarizes all compensation paid to our directors who were members of the Board during the year ended December 31, 2012.

2. Tax Fees - Baker Tilly Virchow Krause LLP	22,600	44,541
Total Fees	\$ 216,600	\$ 357,627

Audit fees consist of fees billed for professional services rendered for the audit of the Company's consolidated financial statements and review of the interim consolidated financial statements included in quarterly reports and services that are normally provided by Baker Tilly Virchow Krause LLP ("Baker Tilly") in connection with statutory and regulatory filings or engagements. In 2011, the Company incurred additional audit fees of approximately \$170,000 for the extensive work performed by Baker Tilly related to the Company's restatement of the Company's annual report on Form 10-K for the year ended December 31, 2010 and the Company's 2010 and 2011 quarterly reports on Form 10-Q.

Audit-related fees consists of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements, which are not reported under "Audit Fees." Tax fees consist of fees billed for professional services for tax return preparation and filing, compliance, advice and planning. The tax fees relate to federal and state income tax reporting requirements.

Prior to the Company's engagement of its independent registered public accounting firm, such engagement is approved by the Company's Audit Committee. The services provided under this engagement may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Pursuant to the Audit Committee Charter, the independent registered public accounting firm and management are required to report to the Company's Audit Committee at least quarterly regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis. All audit fees, audit-related fees, tax fees and other fees incurred by the Company for the year ended December 31, 2012 were approved by the Company's Audit Committee.

On May 26, 2011, the Company's Audit Committee dismissed RBSM LLP as the Company's independent registered public accounting firm, and appointed Baker Tilly as the Company's new independent registered public accounting firm. RBSM LLP's report on the Company's consolidated financial statements for the fiscal year ended December 31, 2010 did not contain an adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope, or accounting principle, except that the report of RBSM LLP on the Company's financial statements for fiscal year 2010 contained an explanatory paragraph, which noted that there was substantial doubt about the Company's ability to continue as a going concern. During the fiscal year ended December 31, 2010 and the subsequent interim period through May 26, 2011, there were no disagreements between the Company and RBSM LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to RBSM LLP's satisfaction, would have caused them to make reference to the subject matter of the disagreement in connection with their report on the financial statements of the Company for such year. None of the reportable events described in Item 304(a)(1)(v) of Regulation S-K occurred during the fiscal year ended December 31, 2010 or during the subsequent interim period through May 26, 2011. During that same period, the Company did not consult with Baker Tilly regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

PROPOSAL No. 2

NON_BINDING ADVISORY VOTE TO APPROVE

THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

We are providing our stockholders the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our Named Executive Officers as disclosed in this proxy statement in accordance with the SEC's rules. This proposal, which is commonly referred to as "say-on-pay," is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, which added Section 14A to the Securities and Exchange Act of 1934, as amended (the "Exchange Act"). Section 14A of the Exchange Act also requires that stockholders have the opportunity to cast an advisory vote with respect to whether future executive compensation advisory votes will be held every one, two or three years, which is the subject of Proposal No. 3.

Our executive compensation programs are designed to attract, motivate, and retain our executive officers, who are critical to our success. Under these programs, our Named Executive Officers are rewarded for the achievement of our near-term and longer-term financial and strategic goals and for driving corporate financial performance and stability. The programs contain elements of cash and equity-based compensation and are designed to align the interests of our executives with those of our stockholders.

The "Executive Compensation" section of this proxy statement describes in detail our executive compensation programs and the decisions made by the Compensation Committee with respect to the fiscal year ended December 31,

2012. As we describe in this section of the proxy statement, our executive compensation program incorporates a pay-for-performance philosophy that supports our business strategy and aligns the interests of our executives with our shareholders. The Board believes this link between compensation and the achievement of our near- and long-term business goals has helped drive our performance over time.

Our Board of Directors is asking stockholders to approve a non-binding advisory vote on the following resolution:

RESOLVED, that the compensation paid to the Company's Named Executive Officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the disclosure under "Executive Compensation", the compensation tables and accompanying narrative disclosure, and any related material disclosed in this proxy statement, is hereby approved.

As an advisory vote, this proposal is not binding. Neither the outcome of this advisory vote nor of the advisory vote included in Proposal No. 3 overrules any decision by the Company or the Board of Directors (or any committee thereof), creates or implies any change to the fiduciary duties of the Company or the Board of Directors (or any committee thereof), or creates or implies any additional fiduciary duties for the Company or the Board of Directors (or any committee thereof). However, our Compensation Committee and Board of Directors value the opinions expressed by our stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for Named Executive Officers.

The board of directors unanimously recommends that stockholders vote FOR the approval of this proposal. Proxies solicited by the Board will be so voted unless stockholders specify a contrary choice in their voting instructions.

PROPOSAL No. 3

ADVISORY VOTE ON THE FREQUENCY OF FUTURE EXECUTIVE COMPENSATION ADVISORY VOTES

In Proposal No. 2, we are providing our stockholders the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our Named Executive Officers. In this Proposal No. 3, we are asking our stockholders to cast a non-binding advisory vote regarding the frequency of future executive compensation advisory votes. Stockholders may vote for a frequency of every one, two, or three years, or may abstain.

The Board of Directors will take into consideration the outcome of this vote in making a determination about the frequency of future executive compensation advisory votes. However, because this vote is advisory and non-binding, the Board of Directors may decide that it is in the best interests of our stockholders and the Company to hold the advisory vote to approve executive compensation more or less frequently, but no less frequently than once every three years, as required by the Dodd-Frank Act. In the future, we will propose an advisory vote on the frequency of the executive compensation advisory vote at least once every six calendar years as required by the Dodd-Frank Act.

The Board of Directors believes that an annual executive compensation advisory vote will facilitate more direct shareholder input about executive compensation. An annual executive compensation advisory vote is consistent with our policy of reviewing our compensation program annually, as well as seeking frequent input from our stockholders on corporate governance and executive compensation matters. We believe an annual vote would be the best governance practice for our Company at this time. The proxy card provides stockholders with the opportunity to choose among four options (holding the vote once every year, every two years or every three years, or abstaining) and, therefore, stockholders will not be voting to approve or disapprove the recommendation of the Board of Directors.

After careful consideration, the Board of Directors believes that an executive compensation advisory vote should be held every year, and therefore our Board of Directors recommends that you vote for a frequency of every ONE YEAR for future executive compensation advisory votes.

OTHER MATTERS

The Board of Directors does not know of any other matter that may be brought before the Meeting. However, if any such other matters are properly brought before Meeting or any adjournment thereof the Meeting, the proxies may use their own judgment to determine how to vote your shares.

The Company reserves the right to reject, rule out of order or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.
