PROXY STATEMENT

EXPLANATORY NOTE

All references in this proxy statement to numbers of shares of common stock and per share information give retroactive effect to the 1-for-50 reverse split of our shares of common stock effected as of April 15, 2013.

SOLICITING, VOTING AND REVOCABILITY OF PROXY

This proxy statement is being mailed or made available to all shareholders of record at the close of business on August 8, 2013 in connection with the solicitation by our Board of Directors of proxies to be voted at the 2013 Annual Meeting of Shareholders to be held on October 4, 2013 at 4:00 p.m., local time, or any adjournment thereof. Proxy materials for the 2013 Annual Meeting of Shareholders were mailed or made available to shareholders on or about August 21, 2013.

All shares represented by proxies duly executed and received will be voted on the matters presented at the meeting in accordance with the instructions specified in such proxies. Proxies so received without specified instructions will be voted as follows:

- (i) FOR the nominees named in the proxy to our Board of Directors.
- (ii) FOR the approval of the compensation of our named executive officers.
- (iii) FOR a frequency of EVERY THREE YEARS regarding how frequently we should seek an advisory vote on our executive compensation.
- (iv) FOR the ratification of the selection of Marcum LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2013.

If you are a beneficial owner of shares held in street name and you do not provide specific voting instructions to the organization that holds your shares, the organization will be prohibited under the current rules of the New York Stock Exchange from voting your shares on “non-routine” matters. This is commonly referred to as a “broker non-vote”. The election of directors, the advisory vote with respect to executive compensation and the advisory vote on the frequency of future advisory votes on executive compensation are considered “non-routine” matters and therefore may not be voted on by your bank or broker absent specific instructions from you. Please instruct your bank or broker so your vote can be counted.

Our Board does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that the proxy holder will have to vote for substitute or alternate nominees to the Board. In the event that any other matter should come before the meeting or any nominee is not available for election, the person named in the enclosed proxy will have discretionary authority to vote all proxies not marked to the contrary with respect to such matters in accordance with his best judgment.

The total number of shares of common stock outstanding and entitled to vote as of the close of business on August 8, 2013 was 16,830,958. The shares of common stock are the only class of securities entitled to vote on matters presented to our shareholders, each share being entitled to one vote. The holders of one-third of the shares of common stock outstanding as of the close of business on August 8, 2013, or 5,610,320 shares of common stock, must be present at the meeting in person or by proxy in order to constitute a quorum for the transaction of business.

With regard to the election of directors, votes may be cast in favor or withheld. The directors shall be elected by a plurality of the votes cast in favor. Accordingly, based upon there being three nominees, each person who receives one or more votes will be elected as a director. Shares of common stock as to which a shareholder withholds voting authority in the election of directors and broker non-votes will not be counted as voting thereon and therefore will not affect the election of the nominees receiving a plurality of the votes cast.

Shareholders may expressly abstain from voting on Proposals 2, 3 and 4 by so indicating on the proxy. Abstentions are counted as present in the tabulation of votes on Proposals 2, 3 and 4. Since Proposals 2 and 4 require the affirmative approval of a majority of the common shares present in person or represented by proxy at the meeting and entitled to vote (assuming a quorum is present at the meeting), abstentions will have the effect of a negative vote while broker non-votes will have no effect. With respect to Proposal 3, the option receiving the highest number of votes will be determined to be the preferred frequency. Accordingly, with respect to Proposal 3, abstentions and broker non-votes will have no effect.

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before its exercise. The proxy may be revoked by filing with us written notice of revocation or a fully executed proxy bearing a later date. The proxy may also be revoked by affirmatively electing to vote in person while in attendance at the meeting. However, a shareholder who attends the meeting need not revoke a proxy given and vote in person unless the shareholder wishes to do so. Written revocations or amended proxies should be sent to us at 555 Heritage Drive, Suite 130, Jupiter, Florida 33458, Attention: Corporate Secretary. Those voting by Internet or by telephone may also revoke their proxy by voting in person at the meeting or by voting and submitting their proxy at a later time by Internet or by telephone.

The proxy is being solicited by our Board of Directors. We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and other custodians, nominees and fiduciaries for forwarding proxy materials to beneficial owners of our shares. Solicitations will be made primarily by Internet availability of proxy materials and by mail, but certain of our directors, officers or employees may solicit proxies in person or by telephone, telecopy or email without special compensation.

Name and Principal Position	Year	Salary	Bonus	Stock Awards	Option Awards	All Other Compensation	Total
Mark Weinreb, Chief Executive Officer	2012	\$509,000	\$324,500 (3)	-	\$696,000 (4)	\$231,592	\$1,761,092 (1)
Francisco Silva, Vice President of Research and Development(6)	2011	\$390,000	\$195,000 (3)	\$123,900 (4)(5)	-	\$87,975	\$796,875 (2)
Mark Weinreb, Chief Executive Officer	2012	\$179,167	-	-	\$115,250 (4)(7)	-	\$294,417
Francisco Silva, Vice President of Research and Development(6)	2011	\$110,795	\$30,000	-	\$41,600 (4)	-	\$182,395
Mandy Clyde, Vice President of Operations	2012	\$100,000	-	-	\$49,950 (4)	-	\$149,950

(1) Of the aggregate \$1,761,092 earned during 2012, \$696,000 represents the grant date value of non-cash stock-based compensation awards, irrespective of the vesting period of those awards. Of the earned remainder, \$444,992 and \$245,500 were paid in cash during 2012 and 2013 (prior to the date of this proxy statement), respectively, while \$374,500 remains unpaid. In addition to his contractual bonus, as discussed in footnote (3) below, a special bonus of \$70,000 was awarded and paid to Mr. Weinreb in connection with our entering into the license agreement with Regenerative Sciences, LLC described in Item 1 of our Annual Report on Form 10-K for the year ended December 31, 2012 (“Business-Disc/Spine Program”), which accompanies this proxy statement. All Other Compensation includes \$197,192 paid to reimburse Mr. Weinreb for tax payments due on his non-cash stock-based compensation, plus automobile and vacation allowances, of which \$20,000 remains unpaid.

(2) Of the aggregate \$796,875 earned during 2011, \$123,900 represents the grant date value of non-cash stock-based compensation awards, irrespective of the vesting period of those awards. Of the earned remainder, \$511,175, \$61,800 and \$20,000 were paid in cash during 2011, 2012 and 2013 (prior to the date of this proxy statement), respectively, while \$80,000 remains unpaid. All Other Compensation includes \$53,575 paid to reimburse Mr. Weinreb for tax payments due on his non-cash stock-based compensation, plus automobile and vacation allowances, of which \$20,000 remains unpaid.

(3) Pursuant to Mr. Weinreb’s employment agreement with us, he earns a bonus equal to 50% of his annual salary. See “Employment Agreement” below. Of the 2012 and 2011 earned amounts, \$254,500 (the entire earned amount) and \$60,000 remains unpaid, respectively.

(4) The amounts reported in these columns represent the grant date fair value of the option and stock awards granted during the years ended December 31, 2012 and 2011, calculated in accordance with FASB ASC Topic 718. For a detailed discussion of the assumptions used in estimating fair values, see Note 10 – Stockholders’ Deficiency in the notes that accompany our consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2012, which accompanies this proxy statement.

(5) Mr. Weinreb's 2010 compensation included \$404,751 related to a purported grant to Mr. Weinreb of an option for the purchase of 1,000,000 shares of common stock. Such grant was determined to be null and void. As discussed under "Employment Agreements" below, in May 2011, we granted to Mr. Weinreb 700,000 shares of common stock. No additional compensation is reflected in 2011 in connection with the 700,000 share grant since the grant date fair value of the 1,000,000 share option grant (which was subsequently determined to be null and void) was fully reflected for 2010 and the fair value of the 700,000 share grant is less than the amount so reflected for the option grant.

(6) Mr. Silva, our Vice President of Research and Development, served in such capacity from April 2011 to March 2012. In March 2012, he transitioned from such position to Research Scientist. In June 2012, Mr. Silva became our Chief Scientist. In March 2013, he reassumed the position of Vice President of Research and Development.

(7) Does not include awards deemed not probable to vest as of the date of grant. If all performance conditions are achieved, the aggregate grant date fair value is \$193,050.

Employment Agreements

Effective October 4, 2010, we entered into a three-year employment agreement with Mark Weinreb, our Chief Executive Officer. In February 2012, we and Mr. Weinreb agreed to extend the expiration date of the employment agreement to October 4, 2015. Pursuant to the employment agreement, Mr. Weinreb is entitled to receive a salary of \$360,000 per annum during the initial year, \$480,000 per annum during the second year and \$600,000 per annum during each of the final three years of the term and an annual bonus equal to 50% of his annual salary. In addition, pursuant to the employment agreement, in the event that Mr. Weinreb's employment is terminated by us without cause, or Mr. Weinreb terminates his employment for "good reason" or following a change in control, Mr. Weinreb would be entitled to receive a lump sum payment equal to the greater of (a) his base annual salary and bonus for the remainder of the term or (b) two times his then annual base salary and bonus. Further, pursuant to the employment agreement, as amended, in January 2011 and May 2011, we granted to Mr. Weinreb 300,000 and 700,000 shares of common stock, respectively. In connection with the stock grants, we agreed to pay all taxes payable by Mr. Weinreb as a result of the grants as well as all taxes incurred as a result of the tax payments made on his behalf. We and Mr. Weinreb initially agreed that the 700,000 share grant would not vest until we received equity and/or debt financing in an aggregate amount equal to three times the tax payable in connection with the grant. On November 4, 2011, we and Mr. Weinreb agreed that the 700,000 share grant will not vest until we receive equity and/or debt financing after such date of at least \$2,000,000. In April 2012, the vesting requirement was satisfied.

Effective April 5, 2011, we entered into an at will employment agreement with Francisco Silva, our Vice President of Research and Development. Pursuant to the employment agreement, as amended, Mr. Silva is currently entitled to receive a salary of \$230,000 per annum. Concurrently with the execution of the employment agreement, he was granted an option for the purchase of 80,000 shares of common stock. In addition, pursuant to the employment agreement, Mr. Silva is entitled to receive, under certain circumstances, an aggregate cash bonus of \$55,000 (of which \$30,000 has been paid) and the right to receive options for the purchase of an aggregate of 63,000 shares of common stock (of which options for the purchase of 23,000 shares of common stock have been granted). Further, pursuant to the employment agreement, in the event that Mr. Silva's employment with us is terminated without cause, Mr. Silva would be entitled to receive a cash severance amount of \$75,000.

Effective December 1, 2010, we entered into an at will employment agreement with Mandy Clyde, our Vice President of Operations. Pursuant to the employment agreement, as amended, Ms. Clyde is currently entitled to receive a salary of \$118,000 per annum. Concurrently with the execution of the employment agreement, she was granted an option for the purchase of 80,000 shares of common stock. Further, pursuant to the employment agreement, in the event that Ms. Clyde's employment with us is terminated without cause, Ms. Clyde would be entitled to receive a cash severance amount of \$50,000.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On December 15, 2010, we entered into a termination agreement with Gloria McConnell, our former President (the “McConnell Termination Agreement”), pursuant to which Ms. McConnell was entitled to receive \$120,000, as severance, payable over a two year period. In addition, pursuant to the McConnell Termination Agreement, we agreed to reissue to Ms. McConnell 251,537 shares of our common stock. These shares had previously been contributed to capital by Ms. McConnell in October 2010 in order to enable us to fulfill our obligation to issue shares to third parties. Further, pursuant to the McConnell Termination Agreement, Ms. McConnell has agreed to certain restrictive covenants, including non-competition and non-solicitation restrictions, and limitations on the number of shares that she can sell to 5,000 shares on any particular day and 100,000 shares during any three calendar month period. In November 2011, we entered into an agreement with Ms. McConnell pursuant to which we paid her \$22,500 in full settlement of our outstanding \$87,500 obligation to her.

On January 20, 2011, Ms. McConnell and Mr. Weinreb entered into a Shareholder Agreement and Irrevocable Proxy, pursuant to which Ms. McConnell has agreed that, for a period of three years, she would vote her shares of common stock as determined by Mr. Weinreb.

Effective January 29, 2011, we terminated our relationship with Tommy Berger, one of our founders. Pursuant and subject to the terms and conditions of a termination agreement between the parties (the “Berger Termination Agreement”), Mr. Berger waived any rights he may have had pursuant to a certain employment agreement entered into with us in August 2010 (to which Stem Cell Research Company, LLC (“Stem Cell Research”) was also a party) (the “Berger Employment Agreement”) and we agreed to pay to Stem Cell Research \$180,000 over a 12 month period. In addition, pursuant to the Berger Termination Agreement, each of Mr. Berger and Stem Cell Research has agreed to certain restrictive covenants, including non-competition and non-solicitation restrictions, restrictions on actions that would cause a change of control and limitations on the number of shares that they can sell to 5,000 shares on any particular day and 100,000 shares during any three calendar month period. Further, concurrently with the execution of the Berger Termination Agreement, in connection with our agreement to pay to Stem Cell Research the \$180,000 payment discussed above, Stem Cell Research executed a shareholder agreement and irrevocable proxy pursuant to which it has agreed that, for a three year period, it would vote its shares of common stock as directed by Mr. Weinreb. We are aware that, in the Berger Employment Agreement, Stem Cell Research was referred to as Mr. Berger’s “company”; however, we have no knowledge as to any control that Mr. Berger may currently exercise with respect to Stem Cell Research and, as previously indicated, we have been advised that Ms. McConnell is the President and sole member of Stem Cell Research. In November 2011, we entered into an agreement with Stem Cell Research and Mr. Berger pursuant to which we paid Stem Cell Research \$50,000 in full settlement of our outstanding \$100,000 obligation to it.

On June 17, 2011, Richard Proodian, our former Chief Financial Officer, executed a termination agreement with us (the “Proodian Termination Agreement”) pursuant to which Mr. Proodian was entitled to receive, as severance, \$50,000 (less amounts paid as salary for the period after June 15, 2011), payable over the balance of 2011. In addition, pursuant to the Proodian Termination Agreement, Mr. Proodian has agreed to certain restrictive covenants, including non-competition and non-solicitation restrictions, and limitations on the number of shares that he can sell to 5,000 shares on any particular day and 100,000 shares during any three calendar month period. Further, in connection with the execution of the Proodian Termination Agreement, Messrs. Proodian and Weinreb entered into a Shareholder Agreement and Irrevocable Proxy pursuant to which Mr. Proodian has agreed that, for a period of three years, he would vote his shares of common stock as determined by Mr. Weinreb. In January 2012, we entered into an agreement with Mr. Proodian pursuant to which we paid him and his designee an aggregate of approximately \$23,000 in full settlement of our approximately \$46,000 outstanding obligation to him.

On April 2, 2012, Stem Cell Cayman, Ltd. (“Cayman”), one of our wholly-owned subsidiaries, borrowed \$1,500,000 from Westbury (Bermuda) Ltd. (“Westbury”), one of our principal shareholders. The promissory note evidencing the loan provides for interest at the rate of 15% per annum, payable monthly, and the payment of the principal amount one year from the date of issuance (subject to acceleration under certain circumstances). In consideration of the loan, we issued to Westbury a five year warrant for the purchase of 400,000 shares of our common stock at an exercise price of \$1.50 per share.

On March 26, 2013, Cayman borrowed an additional \$450,000 from Westbury, which was combined with the already outstanding \$3,550,000 of previous borrowings from Westbury into a new \$4,000,000 zero coupon note which matures on July 31, 2014. In consideration of the additional \$450,000 loan, the settlement of accrued and unpaid interest of \$213,000, and for extending the maturity date of the loan, we issued to Westbury 600,000 shares of common stock and a five year warrant to purchase 400,000 shares of common stock at an exercise price of \$2.50 per share.

PROPOSAL 1: ELECTION OF DIRECTORS

Three directors are to be elected at the meeting to serve until the next annual meeting of shareholders and until their respective successors shall have been elected and have qualified.

Nominees for Directors

All three nominees are currently members of our Board of Directors. The following table sets forth each nominee’s age as of August 8, 2013, the positions and offices presently held with us, and the year in which he became a director.

Name	Age	Positions Held	Director Since
Mark Weinreb	60	Chief Executive Officer, Chairman of the Board and Director	2010
A. Jeffrey Radov	61	Director	2011
Joel San Antonio	60	Director	2011

Mark Weinreb

Mark Weinreb has served as our Chief Executive Officer since October 2010, as our President since February 2012 and as our Chairman of the Board since April 2011. From February 2003 to October 2009, Mr. Weinreb served as President of NeoStem, Inc., a public international biopharmaceutical company engaged in, among other things, adult stem cell-related operations. From October 2009 to October 2010, he was subject to a non-competition agreement with NeoStem and was not engaged in business. Mr. Weinreb also served as Chief Executive Officer and Chairman of the Board of Directors of NeoStem from February 2003 to June 2006. In 1976, Mr. Weinreb joined Bio Health Laboratories, Inc., a state-of-the-art medical diagnostic laboratory providing clinical testing services for physicians, hospitals, and other medical laboratories. In such capacity, he oversaw all technical and business facets, including finance and laboratory science technology. Mr. Weinreb left Bio Health Labs in 1989 when the business was sold. In 1992, Mr. Weinreb founded Big City Bagels, Inc., a national chain of franchised upscale bagel bakeries and became Chairman and Chief Executive Officer of such entity. Big City Bagels went public in 1995, and in 1999 Mr. Weinreb redirected the company and completed a merger with an Internet service provider. From 2000 to 2002, Mr. Weinreb served as Chief Executive Officer of Jestertek, Inc., a software development company pioneering gesture recognition and control using advanced interactive proprietary video technology. Mr. Weinreb received a Bachelor of Arts degree in 1975 from Northwestern University and a Master of Science degree in 1982 in Medical Biology from C.W. Post, Long Island University. We believe that Mr. Weinreb’s executive-level management experience, his extensive

experience in the adult stem cell sector and his service on our Board since October 2010 give him the qualifications and skills to serve as one of our directors.

From 1977 to 1981, Mr. Radov was Director of Marketing at Winklevoss & Associates. Mr. Radov earned a Masters of Business Administration from The Wharton School of the University of Pennsylvania and holds a Bachelor of Arts degree from Cornell University. We believe that Mr. Radov's executive-level management experience and his extensive experience in the finance industry give him the qualifications and skills to serve as one of our directors.

Joel San Antonio

Joel San Antonio became a member of our Board and Chair of our Compensation and Nominating Committees in April 2011. Mr. San Antonio is the founder and Managing Partner of Stanwich Capital Advisors, LLC, a company that provides small to mid-size companies with alternative financing solutions. He is a graduate of Ithaca College with a Bachelor of Science degree in Business Administration, and a graduate from Schiller College in Heidelberg, Germany with a degree in Cultural Arts. We believe that Mr. San Antonio's executive-level management experience gives him the qualifications and skills to serve as one of our directors.

The members of our Board's Audit Committee currently are Messrs. Radov and San Antonio. Our Board has adopted a written charter for the Audit Committee. A copy of the charter is available on our website, www.biorestorative.com.

Nominating Committee

The Nominating Committee of the Board of Directors is responsible for assisting the Board in identifying and recruiting qualified individuals to become Board members and selecting director nominees to be presented for Board and/or shareholder approval. The members of the Nominating Committee currently are Messrs. Radov and San Antonio. Our Board has adopted a written charter for the Nominating Committee. A copy of the charter is available on our website, www.biorestorative.com. While the Nominating Committee does not have a formal policy on diversity for members of the Board of Directors, the Nominating Committee considers diversity of background, experience and qualifications in evaluating prospective Board members. The Nominating Committee will consider qualified director candidates recommended by shareholders if such recommendations are provided in accordance with the procedures set forth in the section entitled "Shareholder Proposals - Shareholder Nominees" below. At this time, the Nominating Committee has not adopted minimum criteria for consideration of a proposed candidate for nomination.

Compensation Committee

The Compensation Committee of the Board of Directors is responsible for the management of our business and affairs with respect to the compensation of our employees, including the determination of the compensation for our Chief Executive Officer and our other executive officers, the approval of one or more stock option plans and other compensation plans covering our employees, and the grant of stock options and other awards pursuant to stock option plans and other compensation plans. Board Leadership Structure and Role in Risk Oversight

Our Board of Directors as a whole is responsible for our risk oversight. Our executive officers address and discuss with our Board of Directors our risks and the manner in which we manage or mitigate such risks. While our Board of Directors has the ultimate responsibility for our risk oversight, our Board of Directors works in conjunction with its committees on certain aspects of its risk oversight responsibilities. In particular, our Audit Committee focuses on financial reporting risks and related controls and procedures and our Compensation Committee strives to create compensation practices that do not encourage excessive levels of risk taking that would be inconsistent with our

strategies and objectives.

Since October 2010, Mark Weinreb has served as our Chief Executive Officer. Since April 2011, he has also served as our Chairman of the Board. We do not currently have a lead independent director. At this time, our Board believes that Mr. Weinreb's combined role as Chief Executive Officer and Chairman of our Board enables us to benefit from Mr. Weinreb's significant institutional and industry knowledge and experience, while at the same time promoting unified leadership and direction for our Board and executive management without duplication of effort and cost. Given our history, position, Board composition and the relatively small size of our company and management team, at this time, our Board believes that we and our shareholders are best served by our current leadership structure.

We are required to disclose in this Annual Report each reporting person whom we know to have failed to file any required reports under Section 16 on a timely basis during the fiscal year ended December 31, 2012. Recommendation

The Board of Directors recommends a vote FOR all nominees.

PROPOSAL 2: ADVISORY VOTE ON THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

In accordance with recent legislation and the rules of the Securities and Exchange Commission (the "SEC"), we are providing our shareholders with the opportunity to cast a non-binding advisory vote on the compensation of our named executive officers as disclosed in this proxy statement.

The compensation structure established by our Compensation Committee is designed to attract and retain motivated executives who substantially contribute to our long-term success and the creation of shareholder value, to reward executives when we perform financially or operationally well, to align the financial interests of our executives with the interests of our shareholders, and to be competitive within our industry. We believe that our philosophy and practices have resulted in executive compensation decisions that are appropriate and that have benefited us over time.

We are requesting shareholder approval of the compensation of our executive officers as disclosed in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our shareholders the opportunity to express their views on our executive officers’ compensation.

We are asking our shareholders to indicate their support for our named executive officer compensation through the following resolution:

“RESOLVED, that the shareholders approve the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion in the Company’s proxy statement for its 2013 annual meeting.”

Because this shareholder vote is advisory, it is not binding on us or our Board of Directors. However, our Board and the Compensation Committee, which is responsible for designing and administering our executive compensation program, value the opinions that our shareholders express in their votes. The Compensation Committee will review the results of the shareholder votes on this “say on pay” proposal and consider whether to recommend any changes or modifications to our executive compensation policies and practices as a result of such votes.

Recommendation and Required Vote

The affirmative vote of the holders of a majority of our shares of common stock present at the meeting, in person or by proxy, is required for approval of this proposal. The Board of Directors recommends a vote FOR approval of the compensation of our executive officers as disclosed in this proxy statement.

PROPOSAL 3: ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS

In accordance with recent legislation and the rules of the SEC, we are also providing our shareholders with the opportunity to cast a non-binding advisory vote on how frequently we should seek an advisory vote on the compensation of our executive officers. After careful consideration of this proposal, our Board determined that an advisory vote on executive compensation that occurs every three years is the most appropriate option for us and, therefore, recommends that shareholders vote for future advisory votes on executive compensation to occur every three years. In reaching its recommendation, our Board determined that an advisory vote every three years would permit our compensation programs to be evaluated on a long-term basis and provide the Board with sufficient time to thoughtfully evaluate and respond to shareholder input.

By voting on this proposal, shareholders may indicate whether they would prefer an advisory vote on executive officer compensation every one, two, or three years. Shareholders may also abstain from voting. The option that receives the most votes cast at the meeting will be considered by the Board in determining the preferred frequency with which we will hold a shareholder vote to approve the compensation of our named executive officers.

Because this is an advisory vote and not binding, the Board may decide that it is in the best interest of our shareholders and us to hold an advisory vote on the compensation of our executive officers more or less frequently than the frequency approved by our shareholders. However, our Board of Directors and the Compensation Committee value the opinions expressed by our shareholders in their vote on this proposal and will consider the option that receives the most votes in determining the frequency of future votes on the compensation of our named executive officers.

Recommendation

The Board recommends a vote FOR a frequency of EVERY THREE YEARS regarding the frequency of future advisory votes on executive compensation.

PROPOSAL 4: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Based on the recommendation of the Audit Committee of the Board of Directors, the Board has selected Marcum LLP as our independent registered public accounting firm to examine our financial statements for the year ending December 31, 2013.

Although ratification by shareholders is not required by our organizational documents or other applicable law, our Board of Directors has determined that requesting ratification by shareholders of its appointment of Marcum LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013 is a matter of good corporate practice. If shareholders do not ratify the selection, the Board may reconsider whether or not to retain Marcum LLP, but may still retain them. Even if the selection is ratified, the Board, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of us and our shareholders.

Marcum LLP has served as our independent registered public accountants for the years ended December 31, 2012 and 2011.

The following is a summary of the fees billed or expected to be billed to us by Marcum LLP for professional services rendered with respect to the fiscal years ended December 31, 2012 and 2011:

Fee Category	Fiscal 2012 Fees	Fiscal 2011 Fees

Tax Fees(3)	23,125	8,500
All Other Fees(4)	-	-
Total Fees	\$ 120,233	\$ 98,500

(1) Audit Fees consist of fees billed for services rendered for the audit of our consolidated financial statements for the fiscal years ended December 31, 2012 and 2011.

(2) Audit-Related Fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit of our financial statements and are not reported under "Audit Fees."

- (3) Tax Fees consist of fees billed for professional services related to preparation of our U.S. federal and state income tax returns and tax advice.
- (4) All Other Fees consist of fees billed for products and services provided by our independent registered public accountants, other than those disclosed above.

The Audit Committee is responsible for the appointment, compensation and oversight of the work of the independent registered public accountants, and approves in advance any services to be performed by the independent registered public accountants, whether audit-related or not. The Audit Committee reviews each proposed engagement to determine whether the provision of services is compatible with maintaining the independence of the independent registered public accountants. The fees shown above were pre-approved either by our Board or our Audit Committee (which was established in April 2011).

Recommendation

The Board of Directors recommends that shareholders vote FOR the ratification of the selection of Marcum LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2013.
