WHEREAS, SiriCOMM, Inc. (hereafter referred to as the "Corporation"), is a corporation organized under the laws of the State of Missouri, with its principal place of business at 2900 Davis Boulevard, Suite 130, Joplin, Missouri 64804.

WHEREAS, the Corporation has entered into a Stock Purchase Agreement with Fountain Pharmaceuticals, Inc. ("Fountain"), a corporation organized under the laws of the State of Delaware, with its principal place of business at 505 South Westland Avenue, Suite D, Tampa, Florida 33606, pursuant to which each share of the Corporation's common stock ("SiriCOMM Common Stock") will be exchanged for 984.1678 shares of Fountain's post 60-for-1 reverse split common stock ("Fountain Common Stock").

WHEREAS, Stockholder is the President and CEO of the Corporation and the owner of 5,855 shares of the Corporation's Common Stock, upon the closing of the Stock Purchase Agreement Stockholder will exchange these shares for an aggregate of 5,762,303 shares of Fountain Common Stock.

WHEREAS, Optionee desires to lend Corporation Fifty Thousand Dollars (\$50,000) ("Loan") and Corporation is desirous of borrowing such money from Optionee, as a condition for making the Loan, Optionee requires that Stockholder grant Optionee an option to purchase 50.8043 shares of SiriCOMM, Inc., or, should the Loan not be repaid as such obligation matures, an option to purchase 101.6086 shares, which will be exchanged into 50,000 or 100,000 shares of Fountain Common Stock, as the case may be, upon the Closing of the Stock Purchase Agreement, (the 50.8043 and 101.6086 shares of SiriCOMM, Inc. and the 50,000 and 100,000 shares of Fountain Common Stock are collectively referred to as the "Option Shares").

WHEREAS, Stockholder will derive benefit from the Loan and therefore is willing to grant an option to Optionee.

NOW, THEREFORE, in consideration of Optionee making the Loan to the Corporation, and for other good and valuable consideration, the Stockholder hereby grants the Optionee options to purchase from the Stockholder the Option Shares on the following terms and conditions:

Edgar Filing: SIRICOMM INC - Form SC 13D

1. Option.

The Stockholder hereby grants to the Optionee the option to purchase, at any time prior to October 1, 2005, the Option Shares.

2. Purchase Price.

The purchase price shall be an aggregate of \$50,000 or \$985.17 per share of SiriCOMM Stock prior to the closing of the Stock Purchase Agreement, or \$1.00 per share of Fountain Common Stock after the closing of the Stock Purchase Agreement, or should the Loan not be repaid as such obligation matures, the purchase price shall be an aggregate of \$50,000 or \$492.58 per share of SiriCOMM stock prior to the closing of the Stock Purchase Agreement, or .50 per share of Fountain Common Stock after the closing of the Stock Purchase Agreement. The Stockholder shall cause the Corporation to pay all original issue or transfer taxes on the exercise of this option and all other fees and expenses necessarily incurred by the parties in connection therewith.

3. Exercise of Option.

The Optionee shall notify the Stockholder in writing that it desires to purchase the Option Shares, which notice shall be accompanied by payment (by cash, wire transfer or certified check) of the option price as specified in Paragraph 2 above. As soon as practicable thereafter, the Stockholder, at the principal office of the Corporation, shall tender to Optionee a certificate(s) issued in the Optionee's name evidencing the Option Shares.

4. Dividends.

Any cash dividends declared by either the Corporation or Fountain, as the case may be, on their common stock, prior to the Optionee exercising its option hereunder shall be retained by the Stockholder.

5. Adjustments Upon Changes in Capitalization.

As stated above, this Option Agreement contemplates the closing of the Stock Purchase Agreement and 60-for-1 reverse split of Fountain. In the event of changes in the outstanding Common Stock of the Corporation or Fountain, except as described in the preceding sentence, by reason of stock dividends, stock splits, recapitalizations, mergers, consolidations, combination, or exchanges of shares, separations, reorganizations, or liquidation, the number of Option Shares shall be correspondingly adjusted. No adjustment shall be made with respect to issuance of Common Stock by either the Corporation or Fountain in connection with capital raising, acquisitions, and the issuance of Common Stock to a third party as payment for services to either entity.

If fractions of a share would result from any such adjustment, the adjustment shall be revised to the next higher whole number of shares.

6. No Rights in Option Shares.

Optionee shall have no rights as a stockholder in respect of the Option Shares until the option has been exercised and payment made as herein provided.

7. Default.

Edgar Filing: SIRICOMM INC - Form SC 13D

In the event Optionee shall default in making the payment provided for in Paragraph 3 of this Agreement, and such default shall continue for a period of five (5) days, this Agreement shall terminate in the same manner as it would by limitation on October 1, 2005, if Optionee had not on or before October 1, 2005, exercised its option to acquire the Option Shares.

8. Stock as Investment.

By accepting this option, the Optionee agrees for itself, its assigns and designees, that any and all Option Shares purchased hereunder shall be acquired for investment and not for distribution. Unless a registration statement is filed with the Securities and Exchange Commission covering the Option Shares, sales of the Option Shares may usually be made only in compliance with the terms of Rule 144 under the Securities Act of 1933, as amended (the "Act"). Rule 144 requires, among other things, that the Option Shares be held for at least one year after acquisition, which period commences upon exercise of the option.

Optionee covenants and agrees that it will not transfer, sell or otherwise dispose of any of the Option Shares in a manner which would violate, nor without having furnished the Corporation or Fountain, as the case may be, an opinion of counsel reasonably satisfactory to the Corporation or Fountain, as the case may be, that such transfer, sale or other disposition would not violate, the Act or applicable state securities laws, or the rules and regulations thereunder. It understands that the certificates representing the Shares will bear a legend to that effect and that the Corporation or Fountain, as the case may be, will instruct its transfer agent not to register a transfer of the Shares unless the conditions specified in the legend have been satisfied.

9. Binding Effect.

Except as herein otherwise expressly provided, this Agreement shall be binding upon and inure to the benefit of the parties hereto, their successors, legal representatives and assigns.

purchase the Option Shares, which notice shall be accompanied by payment (by cash, wire transfer or certified check) of the option price as specified in Paragraph 2 above. As soon as practicable thereafter, the Stockholder, at the principal office of the Corporation, shall tender to Optionee a certificate(s) issued in the Optionee's name evidencing the Option Shares.

4. Dividends.

Any cash dividends declared by either the Corporation or Fountain, as the case may be, on their common stock, prior to the Optionee exercising its option hereunder shall be retained by the Stockholder.

5. Adjustments Upon Changes in Capitalization.

As stated above, this Option Agreement contemplates the closing of the Stock Purchase Agreement and 60-for-1 reverse split of Fountain. In the event of changes in the outstanding Common Stock of the Corporation or Fountain, except as described in the preceding sentence, by reason of stock dividends, stock splits, recapitalizations, mergers, consolidations, combination, or exchanges of shares, separations, reorganizations, or liquidation, the number of Option Shares shall be correspondingly adjusted. No adjustment shall be made with respect to issuance of Common Stock by either the Corporation or Fountain in connection with capital raising, acquisitions, and the issuance of Common Stock to a third party as payment for services to either entity.

If fractions of a share would result from any such adjustment, the adjustment shall be revised to the next higher whole number of shares.

6. No Rights in Option Shares.

Optionee shall have no rights as a stockholder in respect of the Option Shares until the option has been exercised and payment made as herein provided.

7. Default.

In the event Optionee shall default in making the payment provided for in Paragraph 3 of this Agreement, and such default shall continue for a period of five (5) days, this Agreement shall terminate in the same manner as it would by limitation on 13 November, 2005, if Optionee had not on or before 13 November, 2005, exercise its option to acquire the Option Shares.

8. Stock as Investment.

By accepting this option, the Optionee agrees for itself, its assigns and designees, that any and all Option Shares purchased hereunder shall be acquired for investment and not for distribution. Unless a registration statement is filed with the Securities and Exchange Commission covering the Option Shares, sales of the Option Shares may usually be made only in compliance with the terms of Rule 144 under the Securities Act of 1933, as amended (the "Act"). Rule 144 requires, among other things, that the Option Shares be held for at least one year after acquisition, which period commences upon exercise of the option.

Optionee covenants and agrees that it will not transfer, sell or otherwise dispose of any of the Option Shares in a manner which would violate, nor without having furnished the Corporation or Fountain, as the case may be, an opinion of counsel reasonably satisfactory to the Corporation or Fountain, as the case may be, that such transfer, sale or other disposition would not violate, the Act or applicable state securities laws, or the rules and

regulations thereunder. It understands that the certificates representing the Shares will bear a legend to that effect and that the Corporation or Fountain, as the case may be, will instruct its transfer agent not to register a transfer of the Shares unless the conditions specified in the legend have been satisfied.

9. Binding Effect.

Except as herein otherwise expressly provided, this Agreement shall be binding upon and inure to the benefit of the parties hereto, their successors, legal representatives and assigns.

10. Miscellaneous.

This Agreement shall be construed under the laws of the State of Missouri. Headings have been included herein for convenience of reference only, and shall not be deemed a part of the Agreement.
