As of December 31, 2010, none of the Independent Trustees or their immediate family members owned any shares of the Trust's investment adviser or principal underwriter or of any entity controlling, controlled by or under common control with the investment adviser or principal underwriter of the Trust (not including registered investment companies).

Board Structure

The Trust is governed by the Board, which oversees the Trust's business and affairs. The Board delegates the day-to-day management of the Trust to the Trust's officers and to various service providers that have been contractually retained to provide such day-to-day services. The ING entities that render services to the Trust do so pursuant to contracts that have been approved by the Board. The Trustees are experienced executives who, among other duties, oversee the Trust's activities, review contractual arrangements with companies that provide services to the Trust, and review the Trust's investment performance.

The Board Leadership Structure and Related Matters

The Board is currently comprised of ten members, eight of whom are Independent Trustees. The Trust is one of 19 registered investment companies (with a total of approximately 133 separate series as of February 28, 2011) that comprise the ING Funds Complex and all of the Trustees serve as members of, as applicable, each investment company's Board of Trustees or Board of Directors. The Board employs substantially the same leadership structure with respect to each of these investment companies.

One of the Independent Trustees, currently Roger B. Vincent, serves as the Chairman of the Board of the Trust. The responsibilities of the Board Chairman include: coordinating with management in the preparation of agendas for Board meetings; presiding at Board meetings; between Board meetings, serving as a primary liaison with other Trustees, officers of the Trust, management personnel and legal counsel to the Independent Trustees; and such other duties as the Board periodically may determine. Mr. Vincent holds no position with any firm that is a sponsor of the Trust.

The Board performs many of its oversight and other activities through the committee structure described below in the Board Committees section. Each Committee operates pursuant to a written charter approved by the Board. The Board currently conducts regular meetings eight (8) times a year. Six of these regular meetings consist of sessions held over a two-day period and two of these meetings consist of a one-day session. In addition, during the course of a year, the Board and many of its Committees typically hold special meetings by telephone or in person to discuss specific matters that require action prior to their next regular meetings.

The Board believes that its leadership structure is an effective means of empowering the Trustees to perform their fiduciary and other duties. For example, the Board's committee structure facilitates, as appropriate, the ability of individual Board members to receive detailed presentations on topics under their review and to develop increased familiarity with respect to such topics and with key personnel at relevant service providers. At least annually, with guidance from its Nominating and Governance Committee, the Board analyzes whether there are potential means to enhance the efficiency and effectiveness of the Board's operations.

Board Committees

Audit Committee. The Audit Committee operates pursuant to a charter approved by the Board, a copy of which is available on the ING Funds website: www.ingfunds.com. The charter sets forth the responsibilities of the Audit Committee. The functions of the Audit Committee include, among others, to meet with the independent registered public accounting firm of the Trust to review the scope of the Trust's audit, the Trust's financial statements and interim accounting controls, and to meet with management concerning these matters, internal audit activities and other

Edgar Filing: ING PRIME RATE TRUST - Form DEF 14A

matters. The Audit Committee currently consists of four (4) Trustees: Messrs. Drotch and Earley and Meses. Chadwick and Pressler, all of whom are considered independent under the rules promulgated by the New York Stock Exchange and, in addition, are not interested persons of the Trust as defined in Section 2(a)(19) of the 1940 Act. Mr. Earley serves as Chairperson of the Audit Committee and, along with Mr. Drotch, has been designated as an Audit

Committee Financial Expert under the Sarbanes-Oxley Act. During the fiscal year ended February 28, 2011, the Audit Committee held five (5) meetings.

Audit Committee Report: As part of its oversight of the Trust's financial statements, the Audit Committee reviewed and discussed with the Adviser and KPMG LLP (KPMG), the Trust's independent auditor, the Trust's financial statements for the fiscal year ended February 28, 2011. The Audit Committee also discussed with KPMG the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants. The Audit Committee received and reviewed the written disclosures from KPMG required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and discussed KPMG's independence with KPMG. The Audit Committee has reviewed the audit fees of KPMG and has also reviewed non-audit services and fees to assure compliance with the Trust's and the Audit Committee's policies restricting KPMG from performing services that might impair their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the financial statements as of and for the fiscal year ended February 28, 2011, be included in the Trust's Annual Report to shareholders. The Audit Committee also recommended the selection of KPMG to serve as independent auditor for the fiscal year ending February 28, 2012.

Investment Review Committee. The Board has established two Investment Review Committees to, among other things, monitor the investment performance of the funds within the ING Funds Complex and make recommendations to the Board with respect to investment management activities performed by the adviser and sub-advisers on behalf of those funds, and to review and make recommendations regarding proposals by management to retain new or additional sub-advisers for a fund. The Investment Review Committee for the Domestic Equity Funds (the DE IRC) and the Investment Review Committee for the International/Balanced/Fixed-Income Funds (the IBF IRC) described below jointly monitor the Trust.

The DE IRC currently consists of four (4) Independent Trustees and one (1) Trustee who is an interested person, as defined in the 1940 Act. Nominating and Governance Committee. The Board has established a Nominating and Governance Committee for the purpose of, among other things: (1) identifying and recommending to the Board candidates it proposes for nomination to fill Independent Trustee vacancies on the Board; (2) reviewing workload and capabilities of Independent Trustees and recommending changes to the size or composition of the Board, as necessary; (3) monitoring regulatory developments and recommending modifications to the Committee's responsibilities; (4) considering and, if appropriate, recommending the creation of additional committees or changes to Trustee policies and procedures based on rule changes and best practices in corporate governance; (5) conducting an annual review of the membership and chairpersons of all Board committees and of practices relating to such membership and chairpersons; (6) undertaking a periodic study of compensation paid to independent board members of investment companies and making recommendations for any compensation changes for the Independent Trustees; (7) overseeing the Board's annual self evaluation process; (8) developing (with assistance from management) an annual meeting calendar for the board and its committees; and (9) overseeing actions to facilitate attendance by Independent Trustees at relevant educational seminars and similar programs.

In evaluating potential candidates to fill vacancies on the Board, the Nominating and Governance Committee will consider a variety of factors, but it has not at this time set any specific minimum qualifications that must be met. Specific qualifications of candidates for Board membership will be based on the needs of the Board at the time of nomination. Any successful candidate, though, must have a high level of integrity, appropriate experience and a commitment to fulfill the fiduciary duties inherent in Board

membership. The Nominating and Governance Committee has a policy under which it also considers the extent to which potential candidates possess sufficiently diverse skills and diversity characteristics (such as gender, race or national origin) that would contribute to the Board's overall effectiveness. The Nominating and Governance Committee considers the effectiveness of this policy in the context of its periodic self-assessment of its overall operations and effectiveness.

The Nominating and Governance Committee will consider nominations received from shareholders and shall assess shareholder nominees in the same manner as it reviews nominees that it identifies initially as potential candidates. A shareholder nominee for Trustee should be submitted in writing to the Trust's Secretary. Any such shareholder nomination should include at least the following information as to each individual proposed for nominations as Trustee: such person's written consent to be named in a proxy statement as a nominee (if nominated) and to serve as a Trustee (if elected), and all information relating to such individual that is required to be disclosed in the solicitation of proxies for election of Trustees, or is otherwise required, in each case under applicable federal securities laws, rules and regulations, including such information as the Board may reasonably deem necessary to satisfy its oversight and due diligence duties.

The Secretary shall submit all nominations received in a timely manner to the Nominating and Governance Committee. To be timely in connection with a shareholder meeting to elect Trustees, any such submission must be delivered to the Trust's Secretary not earlier than the 90th day prior to such meeting and not later than the close of business on the later of the 60th day prior to such meeting or the 10th day following the day on which public announcement of the date of the meeting is first made, by either the disclosure in a press release or in a document publicly filed by the Trust with the SEC.

The Nominating and Governance Committee consists of four (4) Independent Trustees: Mses. Baldwin and Chadwick and Messrs. Kenny and Vincent. Ms. Baldwin currently serves as Chairperson of the Nominating and Governance Committee and operates pursuant to a charter approved by the Board, a copy of which is available on the ING Funds' website: www.ingfunds.com. The Nominating and Governance Committee held five (5) meetings during the fiscal year ended February 28, 2011.

The Board's Risk Oversight Role

The day-to-day management of various risks relating to the administration and operation of the Trust is the responsibility of management and other service providers retained by the Board or by management, most of whom employ professional personnel who have risk management responsibilities. The Board oversees this risk management function consistent with and as part of its oversight duties. The Board performs this risk management oversight function directly and, with respect to various matters, through its committees. The following description provides an overview of many, but not all, aspects of the Board's oversight of risk management for the Trust. In this connection, the Board has been advised that it is not practicable to identify all of the risks that may impact the Trust or to develop procedures or controls that are designed to eliminate all such risk exposures, and that applicable securities law regulations do not contemplate that all such risks be identified and addressed.

The Board, working with management personnel and other service providers, has endeavored to identify the primary risks that confront the Trust. In general, these risks include, among others, investment risks, credit risks, liquidity risks, valuation risks, operational risks, reputational risks, regulatory risks, risks related to potential legislative changes and the risk of conflicts of interest affecting ING affiliates in managing the Trust. The Board has adopted and periodically reviews various policies and procedures that are designed to address these and other risks confronting the Trust. In addition, many service providers to the Trust have adopted their own policies, procedures and controls designed to address particular risks to the Trust. The Board and persons retained to render advice and service to the Board periodically review and/or monitor changes to and developments relating to the effectiveness of these policies and procedures.

The Board oversees risk management activities in part through receipt and review by the Board or its committees of regular and special reports, presentations and other information from officers of the Trust, including the CCO for the Trust and its investment adviser and the Trust's Chief Investment Risk Officer (CIRO), and from other service providers. For example, management personnel and the other persons make regular reports and presentations to (1) the Compliance Committee regarding compliance with regulatory requirements, (2) the Investment Review Committees regarding investment activities and strategies that may pose particular risks, (3) the Audit Committee with respect to financial reporting controls and internal audit activities, (4) the Nominating and Governance Committee regarding corporate governance and best practice developments, and (5) the Contracts Committee regarding regulatory and related developments that might impact the retention of service providers to the Trust. The CIRO oversees an Investment Risk Department (IRD) that provides an independent source of analysis and research for Board members in connection with their oversight of the investment process and performance of portfolio managers. Among its other duties, the IRD seeks to identify and, where practicable, measure the investment risks being taken by the Trust's portfolio managers. Although the IRD works closely with management of the Trust in performing its duties, the CIRO is directly accountable to and maintains an ongoing dialogue with the Independent Trustees.

Qualifications of the Trustees

The Board believes that each of the Trustees is qualified to serve as a Trustee of the Trust based on its review of the experience, qualifications, attributes and skills of each Trustee. The Board bases this conclusion on its consideration of various criteria, no one of which is controlling. Among others, the Board has considered the following factors with respect to each Trustee: strong character and high integrity; an ability to review, evaluate, analyze and discuss information provided; the ability to exercise effective business judgment in protecting shareholder interests while taking into account different points of views; a background in financial, investment, accounting, business, regulatory or other skills that would be relevant to the performance of a Trustee's duties; the ability and willingness to commit the time necessary to perform his or her duties; and the ability to work in a collegial manner with other Board members. Each Trustee's ability to perform his or her duties effectively is evidenced by his or her: experience in the investment management business; related consulting experience; other professional experience; experience serving on the boards of directors of other public companies; educational background and professional training; prior experience serving on the Board of Trustees of the Trust, as well as the boards of other investment companies in the ING Funds Complex and/or of other investment companies; and experience as attendees or participants in conferences and seminars that are focused on investment company matters and/or duties that are specific to board members of registered investment companies.

Information indicating certain of the specific experience and qualifications of each Trustee relevant to the Board's belief that the Trustee should serve in this capacity is provided in the table above in the section entitled Information Regarding Individual Board Members of the Trust. That table includes, for each Trustee, positions held with the Trust, the length of such service, principal occupations during the past five years, the number of series within the ING Funds Complex for which the Trustee serves as a Board member and certain directorships held during the past five years. How often does the Board meet?

The Board currently conducts regular meetings eight (8) times a year. The Audit Committee meets regularly five (5) times per year; the Nominating and Governance Committee and the Compliance

Committee each meets regularly four (4) times per year; the Investment Review Committee meets six (6) times per year; the Contracts Committee meets seven (7) times per year; and the Executive Committee meets as often as needed. In addition, the Board or the Committees may hold special meetings by telephone or in person to discuss specific matters that may require action prior to the next regular meeting. During the fiscal year ended February 28, 2011, the Board held ten (10) meetings, including regularly scheduled and special meetings. No Trustee attended less than 75% of the Trust's Board meetings or meetings of Committees on which a Trustee served.

What are the Trustees paid for their services?

Each Trustee is reimbursed for reasonable expenses incurred in connection with each meeting of the Board or any of its Committees attended. Each Independent Trustee is compensated for his or her services on a quarterly basis according to a fee schedule adopted by the Board. The current fee schedule consists of an annual retainer, compensation for Board and Committee Chairpersons, and additional compensation for attendance at regularly scheduled meetings. The Board may from time to time designate other meetings as subject to compensation.

Effective January 1, 2010, each fund within the ING Funds Complex pays each Trustee who is not an interested person of such fund a pro rata share, as described below, of: (i) an annual retainer of \$200,000; (ii) Mr. Vincent, as Chairman of the Board, receives an additional annual retainer of \$80,000; (iii) Mses. Baldwin, Chadwick and Pressler and Messrs. Earley, Boyer and Kenny, as Chairpersons of Committees of the Board, each receives an additional annual retainer of \$25,000, \$30,000, \$65,000, \$25,000, \$30,000 and \$25,000, respectively; (iv) \$8,000 per attendance at any of the regularly scheduled meetings (four (4) quarterly meetings, two (2) auxiliary meetings, and two (2) annual contract review meetings); and (v) out-of-pocket expenses. The Board at its discretion may from time to time designate other special meetings as subject to an attendance fee in the amount of \$4,000. The pro rata share paid by each fund is based on the fund's average net assets as a percentage of the average net assets of all the funds managed by the Adviser or its affiliate, Directed Services LLC, for which the Trustees serve in common as Trustees.

Each non-interested Trustee who was a Trustee on or before May 9, 2007, and who will have served as a non-interested Trustee for five or more years for one or more ING Funds is entitled to a future payment (Future Payment), if such Trustee: (a) retires in accordance with the Board's retirement policy; (b) dies; or (c) becomes disabled. The Future Payment shall be made promptly to, as applicable, the Trustee or the Trustee's estate, in an amount equal to two times the annual compensation payable to such Trustee, as in effect at the time of his or her retirement, death or disability if the Trustee had served as Trustee for at least five years as of May 9, 2007, or in a lesser amount calculated based on the proportion of time served by such Trustee (as compared to five years) as of May 9, 2007. The annual compensation determination shall be based upon the annual Board membership retainer fee in effect at the time of that Trustee's retirement, death or disability (but not any separate annual retainer fees for chairpersons of committees and of the Board), provided that the annual compensation used for this purpose shall not exceed the annual retainer fees as of May 9, 2007. This amount shall be paid by the ING Fund or ING Funds on whose Board the Trustee was serving at the time of his or her retirement, death or disability. Each applicable Trustee may elect to receive payment of his or her benefit in a lump sum or in three substantially equal payments.

The Trustees who are interested persons of the Trust receive no compensation from the Trust.

What are officers paid for their services?

The Trust does not pay its officers for the services they provide to the Trust. Instead, the officers, who are also officers or employees of the Adviser or its affiliates, are compensated by the Adviser or its affiliates.

Who are the Trust's adviser, sub-adviser, distributor and administrator?

ING Investments serves as the investment adviser to the Trust, ING Investments Distributor, LLC serves as the Trust's distributor and ING Funds Services, LLC serves as the Trust's administrator. The principal office of the investment adviser, the distributor and the administrator is located at 7337 E. Doubletree Ranch Road, Suite 100, Scottsdale, Arizona 85258-2034. ING Investment Management Co. serves as sub-adviser to the Trust. The principal office of the sub-adviser is located at 230 Park Avenue, New York, New York, 10169. The Adviser, the sub-adviser, the distributor and the administrator are all indirect, wholly-owned subsidiaries of ING Groep N.V. (ING Groep) and are affiliated with one another.

ING Groep has adopted a formal restructuring plan that was approved by the European Commission in November 2009 under which the ING life insurance businesses, including the retirement services and investment management businesses, which include the Adviser and its immediate affiliates, would be separated from ING Groep by the end of 2013. To achieve this goal, ING Groep announced in November 2010 that it plans to pursue two separate public offerings: one a U.S. focused offering that would include U.S. based insurance, retirement services, and investment management operations; and the other a European based offering for European and Asian based insurance and investment management operations. There can be no assurance that the restructuring plan will be carried out through two offerings or at all.

The restructuring plan and the uncertainty about its implementation, whether implemented through the planned public offerings or through other means, in whole or in part, may be disruptive to the businesses of ING entities, including the ING entities that service the Trust, and may cause, among other things, interruption or reduction of business and services, diversion of management's attention from day-to-day operations, and loss of key employees or customers. A failure to complete the offerings or other means of implementation on favorable terms could have a material adverse impact on the operations of the businesses

subject to the restructuring plan. The restructuring plan may result in the Adviser's loss of access to services and resources of ING Groep, which could adversely affect its businesses and profitability. In addition, the divestment of ING businesses, including the Adviser, may potentially be deemed a change of control of the entity. A change of control would result in the termination of the Trust's advisory and sub-advisory agreements, which would trigger the necessity for new agreements that would require approval of the Trust's Board, and may trigger the need for shareholder approval. Currently, the Adviser does not anticipate that the restructuring will have a material adverse impact on the Trust or their operations and administration.

Who are the Trust's independent public accountants?
