Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Prior to 2005, we entered into individual termination agreements with many of our executive officers. We currently have termination agreements with 25 of our executive officers, including all of the named executive officers identified in our 2011 Proxy Statement other than Robert F. Martinovich, our senior vice president, chief financial officer and treasurer (collectively, including Mr. Martinovich, our “Named Executive Officers”).

Payments and benefits under the existing termination agreements vary by officer and are payable only if an officer is terminated by us without “just cause” or by the officer for “good reason” at any time during the three years following a change in control. In general, severance payments and benefits under our termination agreements include: a payment of one, two or three times annual salary; a prorated short-term incentive payment; and continuation of welfare benefits for two to three years following termination. Certain officers’ termination agreements also provide for accelerated benefits under our Supplemental Executive Retirement Plan and gross-up payments for excise taxes if any payments or benefits are deemed to constitute “excess parachute payments” under applicable federal tax law.

On July 20, 2011, our Board of Directors adopted the ONEOK, Inc. Officer Change in Control Severance Plan (the “Change in Control Plan”) which eventually will cover all of our executive officers. Subject to certain exceptions, the Change in Control Plan will provide our officers with severance benefits if they are terminated by us without cause (as defined in the Change in Control Plan) or if they resign for good reason (as defined in the Change in Control Plan), in each case within two years following a change in control of ONEOK, Inc. or ONEOK Partners, L.P. Payments and benefits under the Change in Control Plan will vary by officer but will include a payment of one, two or three times the sum of annual salary plus target annual bonus and reimbursement of COBRA premiums paid by the participant for 18 months following his or her termination date (if applicable).

The Change in Control Plan will not contain an excise tax gross-up for any officer. Rather, severance payments and benefits under the Change in Control Plan will be reduced if, as a result of such reduction, the officer would receive a greater total payment after taking taxes, including excise taxes, into account.

The Change in Control Plan is effective as of July 20, 2011, for all officers who do not currently have a termination agreement. The existing termination agreements will be terminated effective as of December 31, 2011, with the Change in Control Plan covering all officers currently party to termination agreements effective January 1, 2012.

Our Named Executive Officers, except John R. Barker, senior vice president and general counsel, whose previously reported retirement will be effective December 31, 2011, will be eligible to receive the same severance benefits as our other executive officers under the Change in Control Plan: payment of one, two or three times annual salary plus target annual bonus and reimbursement of COBRA premiums for 18 months (if applicable). Initially, all of our participating Named Executive Officers will be eligible to receive a cash severance of two times their annual salary plus target annual bonus.

A copy of the Change in Control Plan is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

Item 7.01 Regulation FD Disclosure
