Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(c) As previously reported by Wal-Mart Stores, Inc. (the "Company") in a Current Report on Form 8-K filed with the Securities and Exchange Commission on December 10, 2013 (the "Initial Form 8-K"), on December 9, 2013, David Cheeswright was appointed Executive Vice President, President and Chief Executive Officer of the Company's International division, effective February 1, 2014. As noted in the Initial Form 8-K, Mr. Cheeswright's compensation in connection with his new position had not been determined at the time of the filing of the Initial Form 8-K. This Current Report on Form 8-K/A is being filed as an amendment to the Initial Form 8-K to provide information regarding Mr. Cheeswright's compensation in connection with his new position.

On January 24, 2014, the Compensation, Nominating and Governance Committee (the "CNGC") of the Company's Board of Directors approved the terms of Mr. Cheeswright's compensation in connection with his new position. Effective February 1, 2014, Mr. Cheeswright will receive an annual salary of approximately \$1,150,000, subject to annual adjustment, to be paid in Canadian dollars. Mr. Cheeswright will also be eligible for an annual cash incentive under the Company's Management Incentive Plan (the "MIP"), based on performance criteria to be established by the CNGC. For the Company's fiscal year ending January 31, 2015 ("fiscal 2015"), Mr. Cheeswright's target cash incentive payment under the MIP will be 240% of his base salary, with a maximum possible payout of 300% of his base salary. Mr. Cheeswright will also be eligible to receive an annual equity award, generally consisting of a combination of restricted stock units and performance share units. As part of Mr. Cheeswright's annual equity award, on January 24, 2014, the CNGC approved an annual award of 20,156 restricted stock units of Company common stock, par value \$0.10 per share ("Common Stock"), which will vest on approximately the third anniversary of the date of grant, provided that Mr. Cheeswright continues to be employed by the Company through that vesting date. Also on January 24, 2014, as part of Mr. Cheeswright's annual equity award, the CNGC approved an award of 60,468 performance share units, which provide the right to receive shares of Common Stock if certain performance goals to be established by the CNGC are achieved over a three-year performance period, provided also that Mr. Cheeswright remains employed by the Company over this three-year period. On January 24, 2014, Mr. Cheeswright also received two additional awards of performance share units in connection with his promotion. The first additional award of performance share units consisted of 38,634 performance share units and will vest on January 31, 2015, assuming certain performance goals to be established by the CNGC are achieved. The second additional award of performance share units consisted of 43,808 performance share units and will vest on January 31, 2016, assuming certain performance goals to be established by the CNGC are achieved. In connection with his appointment, Mr. Cheeswright also received a one-time cash payment in the amount of \$2,000,000 related to his transition to a position based in the United States and the elimination of certain allowances and tax equalization associated with his prior expatriate positions.
