**ANNUAL MEETING OF SHAREHOLDERS
OF
HERITAGE COMMERCE CORP.**

**PROXY STATEMENT
OF
CONCERNED SHAREHOLDERS COMMITTEE OF HERITAGE COMMERCE CORP.**

This proxy statement and the enclosed [COLOR] proxy card are being furnished to you, the shareholders of Heritage Commerce Corp. ("Commerce Corp"), in connection with the solicitation of proxies by the Committee of Concerned Shareholders of Heritage Commerce Corp. (the "Committee") for use at the Annual Meeting of Shareholders of Commerce Corp, and at any adjournments or postponements thereof (the "Annual Meeting"). Pursuant to this proxy statement, we are soliciting proxies from holders of shares of Commerce Corp common stock to take the following actions at the Annual Meeting:

1. to elect Louis "Lon" O. Normandin, Humphrey P. Polanen, Ranson W. Webster and Norman "Norm" P. Creighton as Class III directors to the Board of Commerce Corp until their successors shall be elected and qualified;
2. to fix the number of directors at thirteen (13);
3. to elect William "Bill" D. Dallas as a Class III director to the Board of Commerce Corp until his successor shall be elected, such election conditioned on shareholder approval of fixing the number of directors at thirteen (13); and
4. to transact any other business that is properly brought before the Annual Meeting.

The Annual Meeting will be held at Commerce Corp's offices, located at 150 Almaden Boulevard, San Jose, California 95113 on May 27, 2004, at 9:30 a.m.

Information concerning the Committee, its nominees and other persons who are participants in its solicitation of proxies is provided in this proxy statement under the headings "Election of Directors" and "Information About the Participants" and in *Annex A*.

A proxy may be given by any person who held shares of Commerce Corp common stock on April 1, 2004, the record date for the Annual Meeting. Whether or not you plan to attend the Annual Meeting, you are urged to sign and date the enclosed [COLOR] proxy card and return it in the postage-paid envelope provided. Your latest-dated proxy is the only one that counts, so you may return the [COLOR] proxy card even if you have already delivered a proxy. Please do not return any proxy sent to you by Commerce Corp. If you have already returned a proxy card sent to you by Commerce Corp, that card will be automatically revoked if you complete and return the enclosed [COLOR] proxy card.

This proxy statement is provided by the Concerned Shareholders Committee of Heritage Commerce Corp.

This proxy statement and the enclosed [COLOR] proxy card are first being sent or given to shareholders of Commerce Corp on or about May , 2004.

WHY WE ARE SOLICITING YOUR PROXY?

We are seeking your help to elect the following three new directors who offer substantial business experience to Commerce Corp's Board of Directors. We believe that our nominees will be responsible in their direction of the management of Commerce Corp and that our nominees will implement the policies necessary to maximize shareholder value. The following highlights some of the relevant business experience of these proposed director nominees:

Ranson W. Webster is the largest shareholder of Commerce Corp. In 1999, he sold his payroll processing company, Computing Resources Inc., to Intuit Inc. for \$200 million. He is an active investor in early stage start-up companies and has been involved with many banks in his career including co-founding Commerce Corp.

Norman "Norm" P. Creighton is the former President and Chief Executive Officer of Imperial Bank, and successfully sold Imperial to Comerica in 2001. We believe he has valuable relationships with many bankers that could bring significant business to Commerce Corp. Moreover, the Board currently lacks a director with experience managing a bank with assets exceeding \$1 billion. He offers this expertise to Board. Finally, his qualifications and experience meet the criteria for both "audit financial expert" under the Securities and Exchange Commission rules and "financially sophisticated" under the NASDAQ rules.

William "Bill" D. Dallas was the co-founder of First Franklin Financial Corporation, and has served as its Chairman, Chief Executive Officer and Chairman Emeritus. First Franklin is a leading nonprime wholesale lender and is now a subsidiary of National City Bank (NYSE: NCC). He was also a co-founder of Commerce Corp.

As fellow shareholders of Commerce Corp, we are concerned with the current direction and management of the Commerce Corp for the following reasons:

Poor Financial Performance. We believe that over the past 4 years, the financial performance of the Commerce Corp has been poor when compared to its industry peers.

Lack of Effective Strategic Plan. We believe that there appears to be no effective strategic plan to increase shareholder value.

Weak Corporate Governance. We believe that the Board of Directors has been ineffective in its management of the company.

In our view, Commerce Corp is stagnant reflected by its poor financial performance, lack of effective strategic plan and weak corporate governance as supported by the following facts:

Return on Average Assets (ROAA). In 2003, Commerce Corp had the lowest Return on Average Assets of its eight closest peers identified by SNL Financial*. For the past five years, in addition to under-performing its peer group average, it has consistently trailed the average ROAA for the SNL index of 683 banks. Return on assets is a core measure of bank profitability.

*

SNL Financial is a financial information provider of the financial services, real estate and energy sectors. SNL collects, standardizes and disseminates corporate, financial, market and M&A data for these sectors. The data is collected from publicly available information including companies' filings with the SEC. For purposes of the SNL Financial peer group data referenced above, the comparative peer group analysis included, in addition to Commerce Corp, the following eight companies all within the same designated region (West) and within the same size group (\$1-5 billion): AmericanWest Bancorporation (Spokane, WA), Cascade Financial Corporation (Everett, WA), Center Financial Corporation (Los Angeles, CA), Central Coast Bancorp (Salinas, CA), Farmers & Merchants Bancorp (Lodi, CA), Northern Empire Bancshares (Santa Rosa, CA), Pacific Union Bank (Los Angeles, CA), Vineyard National Bancorp (Rancho Cucamonga, CA).

Return on Average Equity (ROAE). With an ROAE of 9.01%, 2003 marked the third year in a row that Commerce Corp had the lowest ROAE of its peers. In each of the past five years, Commerce Corp's ROAE has been below the average for SNL's banking index.

Edgar Filing: HERITAGE COMMERCE CORP - Form PRRN14A

Efficiency Ratio. For 2003, Commerce Corp's expenses were over 70% of revenues, making it the least efficient bank among its peer group, and less efficient than the SNL bank index average of 63%.

Earnings Per Share (EPS). For 2003, EPS grew at only 6%, the lowest increase of all but one of the bank's peers. In addition, Commerce Corp was the only bank of its peer group to report a decline in EPS in 2002.

Loan and Deposit Growth. Total loans have grown at an average of only 3% a year over the past three years, and deposits have grown at an average 4% a year during the same period.

Stock Performance. According to Bloomberg, Commerce Corp stock had an average total return of -6.76% over the past five years through March of 2004, compared with the Nasdaq Composite Bank Index's average annual return of 13.68% over the same period. In addition, we refer to you the performance graph included in the definitive proxy statement filed with the Securities and Exchange Commission by Commerce Corp on April 7, 2004.

Further, we are unhappy with the illiquidity of Commerce Corp common stock reflected by the current low trading volume.

Commerce Corp needs new leadership that will focus on reducing expenses and increasing profits.

Commerce Corp made profits of less than \$8 million last year on approximately \$1 billion in assets. As described above, when compared to its industry peers, Commerce Corp's return on average assets (ROAA) and return on average equity (ROAE) has been poor. In our view, Commerce Corp has been hesitant to reduce expenses and the bottom-line has suffered. We believe that the Board of Directors should insist that management develop and implement an achievable plan to position Commerce Corp in the top tier of its industry peers in earnings.

Commerce Corp needs new and experienced leadership that will develop and implement an effective strategic plan for a bank with assets of \$1 billion.

We believe that in this age of heightened corporate governance, it is the responsibility of the Board of Directors to actively pursue the most qualified board members available. Commerce Corp has grown and changed in significant ways since its inception. Therefore, board members who were qualified to serve on the Board of Directors in 1993 may not be qualified to serve on the Board of Directors today. We expect the leadership of Commerce Corp to have experience in managing banks with assets of \$1 billion.

WE BELIEVE THAT REBUILDING CONFIDENCE AND BUILDING SHAREHOLDER VALUE CAN ONLY BEGIN WITH A STRONG, WELL-BALANCED AND EXPERIENCED BOARD.

PROPOSALS OF THE COMMITTEE

Proposal 1: Alternative Slate of Director Nominees

As alternative to management's slate of director nominees for the election of Class III directors at the Annual Meeting, we propose the following nominees:

**Louis "Lon" O. Normandin
Humphrey P. Polanen
Ranson W. Webster
Norman "Norm" P. Creighton**

Edgar Filing: HERITAGE COMMERCE CORP - Form PRRN14A

For information regarding the background of each of the nominees for director, see the table on page under the section titled "Election of Directors". The person named as "Proxy" in the enclosed form of proxy statement will vote the shares represented by all valid returned proxies in accordance with the specifications of the shareholders returning such proxies. If at the time of the Annual Meeting any of the nominees named above should be unable to serve, which event is not expected to occur, the discretionary authority provided in the proxy statement will be exercised to vote for such substitute nominee or nominees, if any, as shall be designated by the Committee.

THE COMMITTEE RECOMMENDS A VOTE "FOR" ALL 4 NOMINEES INCLUDED IN THE ALTERNATIVE SLATE OF DIRECTOR NOMINEES.

Proposal 2: Fix Number of Directors at Thirteen (13)

Until the last couple months, the Board of Directors had thirteen (13) directors. Shortly after the resignation of one of the directors in March 2004, the Board of Directors changed the number of directors from thirteen (13) to twelve (12). We believe that it is important for the Board of Directors to have thirteen (13).

Pursuant to Section 2.2 of the By-Laws of Commerce Corp, the number of directors shall be not less than eleven (11) and nor more than twenty-one (21), the exact number within the minimum and maximum limits to be fixed and determined from time to time by resolution of a majority of the full board or by resolution of a majority of the shareholders at any meeting thereof. Accordingly, we are proposing that the shareholders fix the number of directors at thirteen (13).

THE COMMITTEE RECOMMENDS A VOTE "FOR" FIXING THE NUMBER OF DIRECTORS AT THIRTEEN (13).

Proposal 3: Election of Additional Director

As stated above, we believe that it is important for the Board of Directors to have thirteen (13) directors, as was the case until a couple months ago. Assuming and conditioned on the approval of the proposal to fix the number of directors at thirteen (13), we propose the election, as an additional Class III director, of:

William "Bill" D. Dallas

For information regarding the background of William "Bill" D. Dallas and each of the other nominees for director, see the table on page under the section titled "Election of Directors". The person named as "Proxy" in the enclosed form of proxy statement will vote the shares represented by all valid returned proxies in accordance with the specifications of the shareholders returning such proxies. If at the time of the Annual Meeting the nominee named above should be unable to serve, which event is not expected to occur, the discretionary authority provided in the proxy statement will be exercised to vote for such substitute nominee, if any, as shall be designated by the Committee.

THE COMMITTEE RECOMMENDS A VOTE "FOR" ELECTION OF WILLIAM "BILL" D. DALLAS AS A CLASS III DIRECTOR, CONDITIONED ON THE APPROVAL OF FIXING THE NUMBER OF DIRECTORS AT THIRTEEN (13).

ELECTION OF DIRECTORS

Section 2.2 of the By-laws of Commerce Corp provide that the Board of Directors shall consist of between eleven (11) and twenty-one (21) members. As disclosed in the definitive proxy statement filed with the Securities and Exchange Commission ("SEC") by Commerce Corp on April 7, 2004, the Board of Directors has fixed, by resolution, the number of directors at twelve (12). The Board of Directors is classified into three classes with staggered three-year terms. The director nominees for

election at the Annual Meeting are nominated as Class III directors to serve until the annual meeting of shareholders to be held in the year 2007 and until their successors are duly elected.

Our proposed alternative slate to management's slate of director nominees to be elected as Class III directors includes two of management's nominees (as included in definitive proxy statement filed with the SEC by Commerce Corp on April 7, 2004), Louis "Lon O. Normandin and Humphrey P. Polanen. The information provided in the table below regarding these two nominees and their consent to serve as directors if elected is based solely upon the information provided in the definitive proxy statement filed with the SEC by Commerce Corp on April 7, 2004. You should refer to the proxy statement distributed by Commerce Corp for the names, background, qualifications and other information concerning Commerce Corp's nominees. We have not sought nor received the consent of Mr. Normandin and Mr. Polanen to serve as directors if elected. There is no assurance that Mr. Normandin and Mr. Polanen will serve as directors if elected with any of the Committee's nominees. If elected with the Committee's nominees and if either or both of Mr. Normandin and Mr. Polanen refuse to serve as directors, there could be vacancies on the board. If there is such a vacancy created by the refusal of either or both to serve as directors, pursuant to Section 2.8 of the By-laws of Commerce Corp, the vacancies may be filled by approval of the board or, if the number of directors then in office is less than a quorum, by (1) the unanimous written consent of the directors then in office, (2) the affirmative vote of a majority of the directors then in office at a properly held meeting or (3) a sole remaining director. In addition, the shareholders may elect a director at any time to fill any vacancy not filled by the directors. Further, pursuant to Section 2.2 of the By-laws of Commerce Corp, the board could reduce the number of board members to a minimum of eleven (11); therefore, possibly removing any vacancies created, depending on how many Commerce Corp nominees refused to serve as directors and whether or not the Committee's proposal to elect an additional director conditioned on the shareholder approval of the increase in the number of directors was approved. Therefore, by executing the Committee's proxy card, you could forfeit your right to vote for a full complement of directors.

The Committee will vote for all of Commerce Corp's director nominees as set forth in the definitive proxy statement filed by Commerce Corp on April 7, 2004, except for Frank G. Bisceglia and Anneke Dury. The Committee is supporting three additional nominees, two nominees in lieu of Mr. Bisceglia and Ms. Dury and an additional nominee conditioned on the approval of the proposal to increase the number of directors from twelve (12) to thirteen (13). If all three of the Committee's nominees are elected, the Committee's nominees will represent three (3) of the thirteen (13) directors. If the shareholders do not approve increasing the board to thirteen (13) members and thus only two of the Committee's nominees are elected, the Committee's nominees will represent two (2) of the twelve (12) directors.

We are supporting the following nominees for election as Class III directors: Louis "Lon" O. Normandin, Humphrey P. Polanen, Ranson W. Webster and Norman "Norm" P. Creighton as our alternative slate to management's slate. In addition, we are proposing the election of William "Bill" D. Dallas as an additional Class III director, conditioned on shareholder approval fixing number of directors at thirteen (13). Based on their extensive business and professional experience, we believe that these nominees are highly qualified to serve as directors of Commerce Corp.

In compliance with Section 2.9 of the By-laws of Commerce Corp, on April 20, 2004 in a letter dated April 19, 2004, we have provided written notice to Commerce Corp of our intent to nominate Ranson W. Webster, Norman "Norm" P. Creighton and William "Bill" D. Dallas as director nominees for election to Commerce Corp's Board of Directors at the Annual Meeting. Each of these nominees has consented to serve as a director of Commerce Corp if elected and to be named in this proxy statement and other soliciting materials.

Information About Our Nominees

The three new nominees, Ranson W. Webster, Norman "Norm" P. Creighton and William "Bill" D. Dallas, have each furnished the information provided in this proxy statement. The information included in this proxy statement regarding Louis "Lon" O. Normandin and Humphrey P. Polanen is based solely upon the information provided in the definitive proxy statement filed with the SEC by Commerce Corp on April 7, 2004. Additional disclosure regarding our nominees and the other participants in our solicitation can be found in *Annex A* to this proxy statement.

Each of our nominees, if elected, will be entitled to receive compensation customarily paid by Commerce Corp to its independent directors, which is described in the definitive proxy statement filed with the SEC by Commerce Corp on April 7, 2004.

We have no reason to believe that any of the nominees will be disqualified or unwilling or unable to serve if elected. The Committee reserves the right to nominate substitute persons if Commerce Corp makes or announces any changes to its By-laws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any of these nominees. In addition, if any additional directorships are to be voted upon at the 2004 Annual Meeting, the Committee reserves the right to nominate additional persons to fill the added positions. Shares represented by proxies given to us will be voted for any substitute or additional nominees of the Committee.

When you return the [COLOR] proxy card, you will be voting for our nominees to serve as directors, unless you appropriately indicate otherwise.

THE COMMITTEE BELIEVES THAT IT IS IN THE BEST INTEREST OF SHAREHOLDERS TO ELECT THESE NOMINEES AT THE ANNUAL MEETING. WE STRONGLY RECOMMEND THAT YOU VOTE "FOR" THE ELECTION OF OUR NOMINEES.

YOUR VOTE IS IMPORTANT REGARDLESS OF THE NUMBER OF SHARES YOU OWN. WHETHER OR NOT YOU PLAN TO ATTEND THE ANNUAL MEETING, PLEASE SIGN AND DATE THE ENCLOSED [COLOR] PROXY CARD AND RETURN IT IN THE ENVELOPE PROVIDED.

VOTING PROCEDURES

To vote "FOR" all our proposals at the Annual Meeting, please sign and date the enclosed [COLOR] proxy card and return it to Innisfree M&A Incorporation, our proxy solicitor, in the enclosed postage-paid envelope. Submitting a proxy will not affect your right to attend the Annual Meeting and vote in person.

How do I vote in person?

If you are the shareholder of record of Commerce Corp common stock on the record date, April 1, 2004, you may attend the Annual Meeting and vote in person.

How do I vote by proxy?

To vote by proxy, you should complete, sign and date the enclosed [COLOR] proxy card and return it promptly in the enclosed postage-paid envelope. To be able to vote your shares in accordance with your instructions at the Annual Meeting, we must receive your [COLOR] proxy card as soon as possible but in any event prior to your shares being voted at the meeting. You may vote your shares without submitting a proxy to us if you vote in person, submit a proxy to the secretary of Commerce Corp or, in some cases, if you provide appropriate instructions to the record holder of your shares.

What if I am not the record holder of my shares?

If your shares are held in the name of a brokerage firm, bank nominee or other institution, only it can give a proxy with respect to your shares. You may have received either a [COLOR] proxy card from the record holder (which you can complete and send directly to Innisfree M&A Incorporated, our proxy solicitor) or an instruction card (which you can complete and return to the record holder to direct its voting of your shares). If the record holder has not sent you either a [COLOR] proxy card or an instruction card, you may contact the record holder directly to provide it with instructions.

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which shares are held. You should complete, sign, date and return each [COLOR] proxy card and voting instruction card they receive. If you need assistance, please contact Innisfree M&A Incorporated, our proxy solicitor, by telephone at 1-888-750-5834.

If you do not have record ownership of your shares and want to vote in person at the Annual Meeting, you may obtain a document called a "legal proxy" from the record holder of your shares and bring it to the Annual Meeting. If you need assistance, please contact our Innisfree M&A Incorporated, proxy solicitor, by telephone at 1-888-750-5834.

What should I do if I receive a white proxy card from Commerce Corp's management?

Proxies on the white proxy card are being solicited by Commerce Corp's management. If you submit a proxy to us by signing and returning the enclosed [COLOR] proxy card, do not sign or return the white proxy card or follow any voting instructions provided by Commerce Corp.

If you have already sent a white proxy card to Commerce Corp and voted for management's slate of director nominees, you may revoke it and vote "FOR" our proposals by signing, dating and returning the enclosed [COLOR] proxy card.

What if I want to revoke my proxy or change my voting instructions?

If you give a proxy, you may revoke it at any time before it is voted on your behalf. You may do so by:

delivering a later-dated proxy to either Innisfree M&A Incorporated, our proxy solicitor, or the secretary of Commerce Corp;
or

delivering a written notice of revocation to either Innisfree M&A Incorporated, our proxy solicitor, or the secretary of Commerce Corp; or

voting in person at the Annual Meeting.

If you hold your shares in street name, you may change your vote by:

submitting new voting instructions to your broker or nominee; or

attending the Annual Meeting and voting in person, provided you have obtained a signed proxy from the record holder giving you the right to vote your shares.

If you choose to revoke a proxy by giving written notice or a later-dated proxy to the secretary of Commerce Corp or by submitting new voting instructions to your broker or nominee, we would appreciate if you would assist us in representing the interests of shareholders on an informed basis by sending us a copy of your revocation, proxy or new voting instructions or by calling Innisfree M&A Incorporated, our proxy solicitor, at 1-888-750-5834. **Remember, your latest-dated proxy is the only one that counts.**

If I plan to attend the Annual Meeting, should I still submit a proxy?

Whether you plan to attend the Annual Meeting or not, we urge you to submit a proxy. Returning the enclosed proxy card will not affect your right to attend the Annual Meeting and vote.

Who can vote?

You are eligible to vote or to execute a proxy only if you owned Commerce Corp common stock on April 1, 2004, the record date for the Annual Meeting. Even if you sell your shares after the record date, you will retain the right to execute a proxy in connection with the Annual Meeting. It is important that you grant a proxy regarding shares you held on the record date, or vote those shares in person, even if you no longer own those shares. Based on the definitive proxy statement filed with the SEC by Commerce Corp on April 7, 2004, 11,495,008 shares of common stock of Commerce Corp were issued and outstanding on the record date for the Annual Meeting.

How many votes do I have?

With respect to each matter to be considered at the Annual Meeting, you are entitled to one vote for each share of Commerce Corp common stock owned on the record date. Based on the definitive

proxy statement filed by Commerce Corp on April 7, 2004, Commerce Corp has no outstanding voting securities other than its common stock.

How will my shares be voted?

If you give a proxy on the accompanying [COLOR] proxy card, your shares will be voted as you direct. If you submit a signed [COLOR] proxy to Innisfree M&A Incorporated, our proxy solicitor, without instructions, your shares will be voted for our proposals, items one, two and three, and we will abstain on items four and five. Submitting a signed [COLOR] proxy card will also entitle our representatives to vote your shares in accordance with their discretion on matters not described in this proxy statement that properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting.

Unless a proxy specifies otherwise, it will be presumed to relate to all shares held of record on the record date by the person who submitted it.

What is a quorum and why is it necessary?

A quorum of shareholders is necessary to have a valid meeting of Commerce Corp shareholders. Under California law and the By-laws of Commerce Corp, a majority of the shares of Commerce Corp common stock entitled to vote on the record date must be present in person or by proxy at the Annual Meeting in order for a quorum to be established. Abstentions and broker "non-votes" count as present for establishing the quorum described above.

What vote is required to approve each proposal and how will votes be counted?

In the event that a broker, bank, custodian, nominee or other record holder of Commerce Corp common stock indicates on a proxy that it does not have discretionary authority to vote certain shares on a particular matter, those shares will not be considered for purposes of determining the number of shares entitled to vote with respect to a particular proposal and, if no instructions are provided by the beneficial owner of those shares the result will be "broker non-votes".

In the election for the four (4) current Class III director positions for which we have proposed an alternative slate, the four (4) nominees receiving the highest number of votes will be elected as Class III directors. This is referred to as the plurality of votes cast. Both abstentions and broker non-votes will not have an effect on the outcome of the election of directors.

For the election of the additional Class III director (conditioned on the approval of fixing the number of directors at thirteen (13)), the nominee receiving the highest number of votes will be elected as an additional Class III director. This is referred to as the plurality of votes cast. Both abstentions and broker non-votes will not have an effect on the outcome of the election of directors.

All other proposals will be adopted if a majority of the shares represented and voting at the meeting are voted in its favor. In determining, whether the requisite shareholder approval has been received for approval of all other proposals, if the number of shares votes in favor of approval of such proposal constitutes a majority of the required quorum, broker non-votes and abstentions will have no effect on the matters. However, if the number of shares votes in favor of approval of such proposal does not constitute a majority of the required quorum, broker votes and abstentions will have the same effect as a vote against the matter.

How can I receive more information?

If you have any questions about giving your proxy or about our solicitation, or if you require assistance, please call Innisfree M&A Incorporated, our proxy solicitor, at 1-888-750-5834.

YOUR VOTE IS IMPORTANT

Your vote is important. No matter how many or how few shares of Commerce Corp you own, please vote for our director nominees by signing, dating and mailing the enclosed [COLOR] proxy card today in the provided envelope so that we will receive it prior to the Annual Meeting. Do not return the white proxy card sent to you by Commerce Corp's Board of Directors. Even if you mark "withhold" on the Board's white proxy card as a protest against the incumbent Board, your vote will not count for our director nominees. You can only vote for our director nominees on the [COLOR] proxy card.

If you have already returned a Board of Directors' proxy card before receiving our proxy statement, you have every right to change your vote by signing and returning the enclosed [COLOR] proxy card.
