PROXY STATEMENT

SPECIAL MEETING IN LIEU OF ANNUAL MEETING OF SHAREHOLDERS

YOU SHOULD CAREFULLY READ THIS ENTIRE PROXY STATEMENT
(INCLUDING THE EXHIBITS) BEFORE YOU VOTE

Solicitation of Proxies

The Board of Directors of Tenet Information Services, Inc. ("we" or "Tenet"), is soliciting the enclosed proxy for use at the Special Meeting in Lieu of Annual Meeting of Shareholders (the "Special Meeting") to be held at

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

at _____, local time, on August _____, 2003, and at any adjournment thereof. Tenet will mail this proxy statement and the enclosed proxy card to shareholders on or about _____, 2003.

We will pay the expense of the solicitation of proxies for the Special Meeting, including the cost of printing and mailing these materials. In addition to solicitation by mail, our management may solicit proxies personally or by telephone or facsimile without additional compensation.

Record Date and Outstanding Common Stock

Only holders of record of the common stock at the close of business on _____, 2003 will receive notice of, and will be permitted to vote at, the Special Meeting. As of _____, 2003, there were 19,336,213 shares of common stock outstanding.

Voting and Revocation of Proxy

Shareholders of record on the Record Date may receive notice of, and vote at, the Special Meeting. Each share of common stock gives the holder the right to one vote upon each matter to be presented at the Special Meeting.

Each properly dated, executed and returned proxy received by us prior to the Special Meeting will be voted at the Special Meeting in accordance with the instructions indicated thereon. If no specific instructions are given on a proxy received before the Special Meeting, the shares represented by that proxy will be voted FOR approval of the Asset Purchase Agreement and the Transaction; FOR the approval of the Written Consent Resolutions; FOR approval and adoption of the Amended and Restated Articles; and FOR the election of each of the Director Nominees.

A shareholder giving a proxy may revoke it at any time before the Special Meeting. You may revoke your proxy by doing any of the following:

- * Giving written notice of revocation to our Secretary before the Special Meeting,
- * Giving another written proxy bearing a later date, provided we receive it before the Special Meeting, or
- * Attending the Special Meeting and voting in person (although attendance at the Special Meeting will not in and of itself constitute a revocation of your proxy).

Quorum, Abstentions, and Broker Non-Votes

At the Special Meeting, the following procedures will apply:

A quorum will be deemed present for all purposes at the Special Meeting if there are represented, either in person or by proxy, a majority of the issued and outstanding shares of common stock at _____, 2003. Before action may be taken at the Special Meeting, we must determine that a quorum is present. Calculating the number of shares present at the Special Meeting for purposes of determining whether there is a quorum present will be accomplished by reviewing the proxies received before the Special Meeting and by counting any additional shares owned by shareholders actually present at the Special Meeting.

If an executed proxy is returned and the shareholder has marked the proxy

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

to indicate that the shares are abstained from voting on any matter, the shares represented by that proxy will be considered present at the meeting for purposes of determining a quorum and for purposes of calculating the vote, but will not be counted as voting in favor of the matter. If an executed proxy is returned by a broker holding shares in "street name," which indicates that the broker lacks discretionary authority to vote part or all of those shares on one or more matters to be considered at the Special Meeting, those shares will be considered present at the meeting for purposes of determining a quorum, but will not be considered to be represented at the meeting for purposes of calculating the vote with respect to those matters for which the broker lacks authority to vote.

Required Vote

We will proceed with the Transaction only if a quorum is present at the Special Meeting and the Asset Purchase Agreement and Transaction are approved by a majority of all issued and outstanding shares.

The proposal to authorize our shareholders to take action by written consent of fewer than all of the shareholders entitled to vote with respect to the action will be approved if we receive the affirmative vote of a majority of all shares actually voted at the Special Meeting.

The proposal to amend and restate our Articles of Incorporation will be approved if we receive the affirmative vote of a majority of all issued and outstanding shares with respect to each amendment to be effected.

Election of Directors will be determined by a simple plurality of the votes cast by all shares actually voted at the Special Meeting.

There is no cumulative voting, and each share counts as one vote. Shareholders are entitled to dissenters' rights in connection with the Transaction. Dissenters' rights allow shareholders to dissent from a sale of substantially all of the corporation's assets if the net proceeds from the transaction are not to be distributed to the shareholders within one year after the sale. Shareholders perfecting dissenters' rights are entitled to receive a fair cash payment for their shares. Shareholders' dissenters' rights are more specifically described on page 25, under the heading "Dissenters' Rights as a Result of the Sale of Substantially all of Tenet's Assets."

=====
SUMMARY
=====

This summary highlights selected information from this proxy statement and may not contain all of the information that is important to you. To better understand the Transaction, before voting you should carefully read this entire proxy statement, including the exhibits, one of which is the Asset Purchase Agreement. The Asset Purchase Agreement is the legal document that governs the Transaction.

When and where is the Special Meeting?

The Special Meeting will be held on August __, 2003 at _____, commencing at ____ local time.

What matters will be voted upon at the Special Meeting?

Shareholders will vote on four proposals: (1) approval of the Asset Purchase

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

Agreement and the Transaction, (2) approval of the Written Consent Resolutions, (3) approval and adoption of the Amended and Restated Articles, and (4) the election of the Director Nominees.

If the shareholders approve the Asset Purchase Agreement and the Transaction, we plan to sell to ClinicalVentures substantially all of our operating assets. ClinicalVentures will assume certain of our liabilities, other than certain trade debt and other obligations more specifically set forth in the Asset Purchase Agreement.

What are the reasons for the Transaction?

For several years, our management has explored various strategies which might enable us to expand our product lines, or to increase our sales based on our current product lines, in order to increase shareholder value. Sales based upon our current product have remained relatively flat for the past several years. However, after several unsuccessful attempts to acquire additional products and to expand our business based upon our current product lines, our management has concluded that it is in the best interest of Tenet and our shareholders to sell substantially all of our operating assets in order to explore new opportunities based upon different product or service offerings. Our Board of Directors has concluded that the sale of substantially all of our operating assets to ClinicalVentures on the terms set forth in the Asset Purchase Agreement will provide an opportunity to pursue a new venture that might ultimately provide a greater return to our shareholders, when compared to our existing business or opportunities previously considered by the Board.

Did the board of directors obtain the opinion or appraisal of outside experts?

No. The Board of Directors has not engaged independent valuation consultants to prepare an opinion as to the fairness of the Transaction.

Does the board of directors recommend that I vote for approval of the Transaction?

Yes. The Board of Directors believes that the execution and performance of the Asset Purchase Agreement and the consummation of the Transaction are in the best interests of Tenet and its shareholders, and recommends that you vote to approve the Asset Purchase Agreement and the Transaction. See "Recommendation of the Board of Directors" at page 26.

What is the financial condition of Tenet and how will it be affected by the Transaction?

Tenet has been relatively self-sufficient over the previous several years, maintaining its operations without the infusion of additional debt or equity capital. If the Transaction is closed as currently contemplated, we will materially reduce our payables and our short and long-term obligations, but will dispose of our existing operations that have generated our historical revenues.

3

What will the shareholders own after the Transaction?

The shareholders will continue to own their shares after the Transaction (subject to the reverse stock split referenced below). Tenet will continue to own assets with a net tangible book value of approximately \$0.01 per pre-split share. These assets will include cash, one retained promissory note, certain accounts receivable and cash equivalents, and miscellaneous personal property. Our Unaudited Pro Forma Financial Statements are included in this proxy statement and illustrate the estimated effect of the Transaction on our

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

financial statements. You should review them carefully with the other information and material included in this proxy statement.

Will the Transaction affect my ownership of common stock or my rights as a shareholder?

No. Subject to the one-for-twenty reverse split to be effective upon filing of the Amended and Restated Articles, you will continue to own the same number of shares after the Transaction closes as you did immediately before the Transaction. The Transaction will not involve the redemption or purchase of any outstanding shares of common stock. In connection with the Transaction, you are not being asked to exchange your shares of common stock for any other shares or for cash or other property. Immediately before the Transaction there will be approximately 19,336,213 shares of common stock issued and outstanding. After the closing of the Transaction and prior to the filing of the Amended and Restated Articles, the same number of shares of common stock will remain issued and outstanding, subject to the exercise of dissenters' rights by any of our shareholders.

The Amended and Restated Articles provide for a one-for-twenty reverse stock split, to be effective upon their filing with the Division. It is expected that such filing will be made subsequent to the closing of the Transaction. However, if for any reason the Transaction is not completed as currently anticipated, we may proceed with the filing of the Amended and Restated Articles. Upon such filing, each group of twenty shares held by each shareholder will be combined and consolidated into one share. In lieu of issuing fractional shares, we will pay to each shareholder the fair value of the shares held which cannot be consolidated into one whole share. The Board of Directors has determined that \$ represents the fair value of one pre-split share. As a result of the reverse stock split, each shareholder will retain and exercise voting rights with respect to approximately the same percentage equity interest in Tenet as he, she or it held prior to the filing of the Amended and Restated Articles, except for changes resulting from cashing out fractional shares resulting from the reverse split. Shareholders holding fewer than twenty pre-split shares will not hold any shares, or have any further rights as a shareholder, after giving effect to the reverse split.

What will Tenet do after the completion of the Transaction?

Following the Transaction, we will pursue potential acquisitions or business opportunities. We have not identified any targets and we do not expect to identify a target before the Special Meeting. We cannot estimate a timetable for completing any such transaction, and we cannot assure you that we will be able to complete a transaction at all. Until we complete a transaction, we will generate revenues primarily by the collection of retained accounts receivable that are part of the Excluded Assets, the receipt of payments of principal and interest on the promissory note issued by Delta Healthcare Consulting Group, Inc. in favor of Tenet in the principal amount of \$25,700, and by receipt of certain software license fees received from ClinicalVentures, pursuant to a license agreement between Tenet and ClinicalVentures dated July 18, 2003 (the "License Agreement"). Pursuant to the License Agreement, ClinicalVentures is obligated to pay to us 5% of the initial software license fees received by ClinicalVentures during the first five years following the effective date of the License Agreement with respect to new sales or licenses of the EDNet and ARCNet tracking products we currently sell, or any updates or new versions thereof or other software products (to the extent such updates, new versions or other products contain the code transferred to ClinicalVentures in the Transaction which implements the "tracking feature" included in the EDNet tracking system), marketed by ClinicalVentures after the effective date of the License Agreement, up to an aggregate of \$90,000. See "Our Business Following the Transaction," on page 18.

What are the basic terms of the Transaction?

If the shareholders approve the Transaction, the following will occur:

- * Upon satisfaction of the applicable conditions to the closing of the Transaction, ClinicalVentures will acquire our operating assets and assume certain of our liabilities, except for assets and liabilities specifically excluded under the Asset Purchase Agreement.
- * ClinicalVentures will pay us a purchase price of \$339,000 in cash at closing of the Transaction.
- * ClinicalVentures will assume certain of our obligations and liabilities.
- * We will seek to pursue a new business plan based on a strategic combination with or an acquisition of or by another business. The Asset Purchase Agreement also contains other terms and conditions customary for this type of transaction. See "Description of the Asset Purchase Agreement" at page 13.

How will Tenet use the excluded assets?

The assets that we keep in the Transaction will include cash on hand just prior to closing (before payment of costs related to the Transaction), a promissory note payable to Tenet in the principal amount of \$25,700, certain accounts receivable and cash equivalents, miscellaneous personal property, the License Agreement and our Respiratory Care Management System. We intend to use a portion of the cash, as well as a portion of the cash received in the Transaction to pay applicable costs and expenses associated with the Transaction. We will also reduce retained obligations and pay expenses associated with our ongoing public company reporting requirements. Remaining cash, including funds paid under the retained promissory note issued by Delta Healthcare Consulting Group, Inc. and received pursuant to the License Agreement, will be retained pending use in an acquisition or other transactions. See "Our Business Following the Transaction" at page 18.

Do I have dissenters' rights?

Yes. Dissenters' rights allow our shareholders to dissent from the Transaction and receive a fair cash payment for their shares. See "Dissenters' Rights as a Result of the Sale of Substantially all of Tenet's Assets" at page 25.

How will the Transaction affect the net book value of my shares?

Before the Transaction (at June 30, 2003, the end of the most recently completed fiscal year), the net tangible book value of our common stock was approximately \$0.00 per share. We estimate the net tangible book value of our common stock immediately after the Transaction will be approximately \$0.01 per share. See the Unaudited Pro Forma Financial Statements at page 19.

Will Tenet have positive cash flow following the Transaction?

After the closing of the Transaction, Tenet will receive monthly payments due under a promissory note previously delivered to Tenet by Delta Healthcare Consulting Group, Inc. in the principal amount of \$25,700 as well as certain software license fees, up to \$90,000, pursuant to the License Agreement, and will collect accounts receivable retained as part of the Excluded Assets. We believe these revenues will exceed the short-term cash obligations of Tenet, pending its search for potential business opportunities.

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

What are the federal income tax consequences of the Transaction?

The Transaction alone will not produce any separate and independent federal income tax consequences directly to you. The Transaction will be taxed to Tenet as a sale of assets and will result in gain or loss depending on whether the net proceeds realized from the sale of the various assets exceed our various basis in those assets, as determined on an asset-by-asset basis. Tenet has sufficient net operating loss carry forwards to offset any gains and avoid any tax obligation arising from the Transaction. See "Federal Income Tax Consequences" at page 25.

5

Who may vote at the Special Meeting?

Only shareholders of record at the close of business on _____ will receive notice of and be permitted to vote at the Special Meeting. See "Voting and Revocation of Proxy" at page 1.

If my broker holds my shares in "street name," will my broker vote my shares for me?

Your broker will vote your shares at the Special Meeting only if you provide written instructions on how to vote. You should follow the directions provided by your broker regarding how to instruct your broker to vote your shares. See "Quorum, Abstentions and Broker Non-Votes," at page 1.

May I change my vote after I have submitted my proxy?

Yes. You may change your vote before the Special Meeting by:

- * Giving notice to us of your changed vote in writing, provided that we must receive your notice of a change in your vote prior to the Special Meeting;
- * Executing and delivering to us prior to the Special Meeting a subsequently dated proxy; or
- * Attending the Special Meeting and giving oral notice of your intention to vote in person.

You should be aware that simply attending the Special Meeting will not automatically revoke your proxy. See "Voting and Revocation of Proxy" at page 1.

What shareholder vote is required to approve the Transaction?

The Transaction involves the sale of substantially all of our assets. We will not proceed with the Transaction unless it is approved by a majority of all outstanding shares.

How will the Transaction affect management of Tenet?

Tenet and ClinicalVentures have entered into a Management Services Agreement, providing for ClinicalVentures to manage the operations of our business, pending the holding of the Special Meeting and the approval of the Transaction by our shareholders. If the Transaction is completed, all existing employees will be terminated, except for Linda Gibb, who will provide day-to-day services for record keeping, collection of accounts and payment of obligations. Other employees involved in Tenet's product development, maintenance, technical support and marketing may be hired by ClinicalVentures, as ClinicalVentures

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

and such employees may determine. Jerry Nelson and Fred Anderson, Tenet's key management personnel, will remain available to Tenet, to assist it in evaluating and pursuing new business opportunities.

What will I receive in the Transaction?

You will continue to own your shares of common stock (subject to the reverse stock split described elsewhere). You will not receive any cash, stock or other property in connection with, or as result of, the Transaction.

Will the common stock continue to be publicly traded?

Yes. We expect that the common stock will continue to be quoted on the National Association of Securities Dealers' Over the Counter Bulletin Board (the "OTCBB") after the Transaction. The OTCBB does not require companies traded thereon to maintain minimum stockholders' equity.

6

What do I need to do now?

First, read this proxy statement carefully. Then, as soon as possible, you should submit your proxy by carefully completing, signing, and returning the enclosed proxy card. Your shares represented by proxy will be voted in accordance with the instructions you specify on the proxy card. The Board of Directors recommends that you vote in favor of the Asset Purchase Agreement and the Transaction. If you submit a proxy card without specifying how your shares should be voted, they will be voted FOR the approval of the Asset Purchase Agreement and the Transaction.

Who should I call if I have questions?

If you have questions about the proposals, you may call our President, Jerald L. Nelson, at (801) 568-0899.

=====
The Securities and Exchange Commission has not approved or disapproved the Transaction or passed upon the fairness or merit of the Transaction or the accuracy or adequacy of this proxy statement. Any representation to the contrary is unlawful.

PROPOSAL #1

APPROVAL OF THE ASSET PURCHASE AGREEMENT AND THE TRANSACTION

General

At the Special Meeting, the shareholders will be asked to consider and vote upon the Asset Purchase Agreement and the Transaction contemplated therein, including the sale of substantially all of our operating assets (the "Acquired Assets") but excluding certain cash, accounts receivable, a promissory note issued by Delta Healthcare Consulting Group, Inc. in the principal amount of \$25,700 (the "Delta Note") and a license agreement by and between Tenet and ClinicalVentures dated July 18, 2003 and pursuant to which Tenet may be entitled to certain software license fees up to an aggregate of \$90,000 (the "License Agreement"), as well as certain equipment and furniture being retained by Tenet (collectively, the "Excluded Assets"), as well as the assumption by ClinicalVentures of certain of our obligations and liabilities (the "Assumed Obligations and Liabilities") but excluding certain liabilities to be retained by Tenet (the "Excluded Liabilities").

The terms of the Transaction are summarized in this proxy statement under the caption "Description of the Asset Purchase Agreement" beginning on page 13. For a more detailed understanding of all of the terms of the Transaction you should carefully read the Asset Purchase Agreement and the attachments and exhibits to that agreement.

The Parties

Tenet Information Services, Inc

Tenet Information Services, Inc. ("Tenet") is a Utah corporation in the business of developing, marketing and servicing computerized patient tracking and information management systems for use in hospitals and other health care facilities, with a focus on emergency departments, urgent care sites, ambulatory care departments and same day surgery facilities. Tenet is a publicly held corporation and its common stock is quoted on the National Association of Securities Dealers' Over the Counter Bulletin Board under the symbol "TISV." As of July 7, 2003, we had 19,336,213 shares of common stock issued and outstanding. Our net sales for the fiscal years ended June 30, 2001, 2002 and 2003 were \$0.5 million, \$0.7 million and \$0.9 million, respectively. As of July 7, 2003, we had approximately 16 customers to whom we have sold our management

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

systems and with whom we have ongoing maintenance agreements (the "Maintenance Agreements"). Our customers are located primarily in North America. Our principal offices are located at 53 West 9000 South, Sandy, Utah 84070; and our telephone number is (801) 568-0899.

9

ClinicalVentures Information Systems, Inc.

ClinicalVentures, LLC ("ClinicalVentures") is a Delaware corporation which provides integrated clinical information management systems for clinicians and the healthcare community. The administrative offices of ClinicalVentures are located at 3225 South Hardy Drive, Suite 101, Tempe, Arizona 85282, and the telephone number is (480) 831-7800.

Reasons for the Transaction

We have explored several alternatives for maximizing shareholder value during the past several years and were able to locate and complete two significant acquisitions. However, the acquired businesses never developed to the extent we had hoped, and the market for our common stock has become increasingly weak. Earlier this year, we sold the assets of our consulting business. After analyzing the various alternatives, we determined to dispose of our remaining operations, to allow Tenet to investigate other transactions and business opportunities that might hold greater prospects for the generation of value to shareholders. In furtherance of this strategy, we have entered into the Asset Purchase Agreement with ClinicalVentures.

Our management anticipated that we would receive the best value in exchange for our operating assets from ClinicalVentures, because our product line complements the products and services marketed by ClinicalVentures and provides features not currently provided by ClinicalVentures to its customers. Tenet has considered other disposition transactions, and our Board has considered at least one previous offer to purchase substantially all of our operating assets. However, our Board concluded that the terms of the Transaction as set forth in the Asset Purchase Agreement are more favorable to Tenet than those contemplated by the prior offer or available from other contacted parties. We intend to use the proceeds from this sale of assets, the Delta Note and the License Agreement, along with the retained cash, receivables and other property to discharge liabilities (including costs associated with the Transaction) and to pursue other business opportunities with the ultimate objective of maximizing shareholder value.

Background Information

Tenet was incorporated on February 24, 1984 by employees of Telemed, a Delaware corporation, that organized a buyout of Telemed's pulmonary and respiratory care information services business. In March 1984, we purchased that business for cash and a promissory note. By 1988, our annual revenue had grown to \$2.4 million and we completed an initial public offering of our common stock in 1989. By September 15, 1989, 23 hospitals were using our respiratory care management systems (then referred to as "RCMS") and we employed 23 full and part-time employees. Over time, with improvements in computer hardware and performance, the mini computer based RCMS product became dated. The last RCMS sale was made in January 1991. In 1994 a new senior management team was put into place.

Effective September 5, 1995, we acquired certain assets of The International HealthCare Consulting Group ("HCG") including certain accounts receivable, equipment, software products and other intangible assets. Since

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

1986 HCG has provided healthcare institutions, mainly hospitals, with consulting services in the following areas:

- * Nurse Staffing and Patient Classification
- * Cost Benefit Analysis for Computerized Patient Records (CPR)
- * Productivity
- * Cost Accounting
- * Operations Assessment
- * Modeling and Simulation

10

On September 29, 1995, Tenet and National MicroComputer Corporation ("NMC") approved the terms of an Agreement and Plan of Reorganization (the "Agreement") pursuant to which NMC was merged with and into Tenet Merger Subsidiary, Inc., our wholly-owned subsidiary. NMC developed and marketed an integrated information management/patient tracking system (EDNet) designed specifically for use in emergency departments. However, these acquisitions did not result in significantly increased shareholder value. After we acquired the assets of HCG, and NMC became our wholly-owned subsidiary, we discontinued the RCMS product line.

On May 23, 2003, we sold to Delta Healthcare Consulting Group, Inc. ("Delta") the assets relating to the consulting services business previously conducted by us, pursuant to an Agreement for Sale and Purchase of Assets dated May 23, 2003.

During the past several years, our management has explored alternatives for maximizing shareholder value. Among other things, we actively pursued a variety of acquisitions and strategic alliances, holding active discussions with several industry participants. In the past several years, Tenet experienced a significant deterioration in its stock market valuation. During our 2003 fiscal year, our common stock closed as high as \$0.11 on May 15, 2003 and as low as \$0.0001 on January 30, 2003. On July 17, 2003, the day immediately before the announcement of the plan to sell the business to ClinicalVentures during which trading in our Common Stock occurred, the closing sale price of our common stock was \$0.03 per share, with a low bid of \$0.03 and a high ask of \$0.03, on a total of approximately 6,000 shares traded. These quotations reflect inter-dealer prices, without retail mark-up, mark-down or commission, and may not represent actual transactions.

Over the previous several years, the officers of Tenet and ClinicalVentures have periodically engaged in discussions regarding various potential business combinations between Tenet and ClinicalVentures.

In November 2002, Jerald Nelson, our President, contacted the President of ClinicalVentures to renew discussions regarding a potential business relationship or transaction. In December of 2002, Mr. Nelson and the ClinicalVentures President met to discuss ClinicalVentures's customer base and ClinicalVentures's potential need for the products sold by Tenet. During the course of this meeting, the possible acquisition by ClinicalVentures of Tenet's operating assets was discussed. On December 6, 2002, ClinicalVentures and Tenet executed a Confidentiality Agreement in order to begin formal discussions related to the possible acquisition by ClinicalVentures of Tenet's operating assets.

Between March and April 2003, our Board of Directors held several meetings with the ClinicalVentures President to further investigate the possible acquisition by ClinicalVentures of our operating assets and, on March 3, 2003, our Board of Directors held a board meeting to consider the possible acquisition

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

and voted to authorize our management to submit to ClinicalVentures a Letter of Intent. On March 4, 2003, Tenet and ClinicalVentures executed a non-binding Letter of Intent outlining the terms of a proposed acquisition. During the period between March and July 2003, ClinicalVentures engaged in due diligence related to our business operations, customers, employees and records. During this same period, the parties continued to negotiate the terms and conditions of the proposed acquisition.

On July 29, 2003, ClinicalVentures and Tenet executed the Asset Purchase Agreement and a Management Services Agreement.

The Board of Directors, in consultation with its financial and legal advisors, carefully considered the terms and conditions of the Transaction as contained in the Asset Purchase Agreement. In reaching its decision to approve execution of the Asset Purchase Agreement and Management Services Agreement and its determination that the Transaction is in the best interest of Tenet and its shareholders, the Board of Directors carefully considered a number of factors. The factors considered by the Board of Directors included, among others, the following:

- * Our inability to increase shareholder value based upon our current business and product lines.
- * The fact that the anticipated synergy between our consulting and patient information and tracking systems segments did not materialize.
- * Our history of relatively flat sales.
- * Our lack of significant market share within the industry.
- * The research and development expenses necessary to maintain a lead among our industry competitors and the lengthy sales cycle for our product line.
- * The proposed terms and conditions of the Asset Purchase Agreement.
- * The fact that the Asset Purchase Agreement requires that the Transaction be approved by a majority of the outstanding shares of our common stock.

11

- * The Board's view that ClinicalVentures would accept terms more favorable to Tenet than other potential purchasers due to the complementary nature of the products marketed by Tenet and ClinicalVentures.
- * The fact that other potential purchasers offered terms less favorable than those offered by ClinicalVentures.
- * The Board's view that the Transaction may facilitate a future merger with or acquisition of or by an operating business that could ultimately result in higher shareholder value than was being realized through our current business.

The Board of Directors believed that overall, because of the lack of available acceptable alternatives, the risks associated with the Transaction were outweighed by the benefits of the Transaction.

This discussion of the information and principal factors considered by the

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

Board of Directors is not intended to be exhaustive. Because of the wide variety of the factors considered by the Board of Directors in evaluating the Transaction and the complexity of these matters, the Board of Directors did not find it practicable to, and did not, quantify or otherwise attempt to assign any relative weight to the various factors considered.

License Agreement

On July 18, 2003, Tenet and ClinicalVentures executed a software license agreement (the "License Agreement") pursuant to which ClinicalVentures obtained a non-exclusive right and license to use our EDNet and ARCNet tracking software products, and the codes relating thereto (the "Licensed Software"), which entitles ClinicalVentures to reproduce, use, modify, market and distribute the Licensed Software for a period of five years from the effective date of the License Agreement. Pursuant to the License Agreement, ClinicalVentures is obligated to pay to us 5% of the initial software license fees received by ClinicalVentures during the first five years following the effective date of the License Agreement with respect to new sales or licenses of the EDNet and ARCNet tracking products, or any updates or new versions thereof or other software products (to the extent such updates, new versions or other products contain the code transferred to ClinicalVentures in the Transaction which implements the "tracking feature" included in the EDNet tracking system), marketed by ClinicalVentures after the effective date of the License Agreement, up to an aggregate of \$90,000. Following the close of the Transaction, we will retain our right to receive the royalty payments pursuant to the License Agreement; however, ClinicalVentures will acquire the underlying rights to the Licensed Software upon closing of the Transaction.

The Transaction

Under the terms of the Asset Purchase Agreement and subject to the approval of the shareholders at the Special Meeting, we will sell to ClinicalVentures substantially all of the operating assets of Tenet including those used in the marketing and sale of health care information systems. Included in the Transaction will be our ARCNet and EDNet patient tracking and information systems, certain accounts receivable and certain fixed assets, tangible and intangible assets, equipment, personal property, material contracts (including continuing Maintenance Agreements), other current assets, intellectual property, trademarks, trade names, trade dress and all records related to existing and prospective customers. ClinicalVentures will also assume certain of the liabilities of Tenet, including ongoing Maintenance Agreements. The Asset Purchase Agreement refers to the assets to be acquired by ClinicalVentures as the "Acquired Assets." The liabilities to be assigned to and assumed by ClinicalVentures in the Transaction are referred to as the "Assumed Obligations and Liabilities."

Excluded from the Transaction and retained by Tenet are cash on hand at the date of closing, a promissory note in the principal amount of \$25,700 issued by Delta Healthcare Consulting Group, Inc. ("Delta") and related Agreement for Sale and Purchase of Assets executed by Tenet and Delta, the License Agreement, certain accounts receivable and cash equivalents, the Respiratory Care Management System and miscellaneous personal property. The Asset Purchase Agreement refers to the assets to be retained by Tenet in the Transaction as the "Excluded Assets." Excluded from the Assumed Obligations and Liabilities are certain trade debts and other obligations described in the Asset Purchase Agreement. The liabilities described in the Asset Purchase Agreement to be retained by Tenet in the Transaction are referred to as the "Retained Liabilities." The Retained Liabilities are estimated to be approximately \$200,000.

Description of the Asset Purchase Agreement - Material Terms of the Transaction

This section describes the key provisions of the Asset Purchase Agreement. This is only a summary and does not include all of the terms or conditions of the Transaction. You should refer to and review the full text of the Asset Purchase Agreement attached as Exhibit A to this proxy statement for a more complete discussion of the terms and conditions of the Transaction.

Purchase and Sale

Tenet will sell and ClinicalVentures will purchase the Acquired Assets. ClinicalVentures will also accept assignment of the Assumed Obligations and Liabilities. ClinicalVentures will take final possession of the business at the closing and will be responsible for all expenses and other liabilities of the business from that date forward. However, pursuant to that certain Transition Management Services Agreement by and between Tenet and ClinicalVentures and dated July 29, 2003, ClinicalVentures will manage the day-to-day operations of Tenet and the conduct of its business, pending the closing of the Transaction.

Payment of Purchase Price

ClinicalVentures will pay the purchase price for the Acquired Assets by:

- * Tendering cash at closing in the amount of \$339,000 (\$50,000 of such amount having been deposited into an escrow account, concurrently with the execution of the Asset Purchase Agreement); and
- * Accepting assignment of and responsibility for the Assumed Obligations and Liabilities.

Employees and Associates

Following the closing of the Transaction, ClinicalVentures is obligated to extend offers of employment to all but two of our current employees, for compensation and terms deemed appropriate by ClinicalVentures.

ClinicalVentures also will assume Tenet's rights and obligations in and to continuing Maintenance Agreements and all customer accounts (with the exception of those accounts receivable included as part of the Excluded Assets). It is anticipated that there will be no interruption in the performance by ClinicalVentures of the Maintenance Agreements.

Indemnification

The parties have agreed to indemnify each other for a period of one year from the date of closing of the Transaction for liabilities directly or indirectly relating to, resulting from or arising out of any untrue representation, misrepresentation, breach of warranty or non-fulfillment of any covenant, agreement or other obligation by or of the indemnifying party under the Asset Purchase Agreement. The indemnification obligations will not terminate at the end of the one year period as to any item as to which an indemnified person has made a claim by delivering notice of the claim before the expiration of the indemnification period. For the purposes of the indemnification provisions of the asset purchase agreement, the representations and warranties of the parties in the agreement will survive the closing for a period of one year. No claim for indemnification can be made unless the amount of all claims for which a party seeks indemnification exceeds \$20,000, and no claims for indemnification can be made against any party in amounts exceeding \$500,000. Indemnification as provided in the Asset Purchase Agreement will be the exclusive remedy of the parties with respect to claims arising under the Asset Purchase Agreement or with respect to the Transaction, except for claims

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

for fraud, for failure to make any payments due under the Asset Purchase Agreement, or for a violation of Seller's covenant not to compete as set forth in the Asset Purchase Agreement.

Representations and Warranties

- * Accuracy of reports filed by Tenet with the Securities and Exchange Commission;
- * Status of Intellectual Property Rights;

- * Absence of Obligation to Pay Broker Fees and Expenses.

ClinicalVentures made limited representations and warranties to us in the Asset Purchase Agreement and will renew them at the closing, including those relating to:

Pre-Closing Covenants

The parties have agreed that during the period between the execution date of the Asset Purchase Agreement and the closing of the Transaction or earlier termination of the Asset Purchase Agreement:

- * The parties will promptly advise each other of any event that would render a representation or warranty untrue or any breach of a covenant or obligation under the Asset Purchase Agreement;
- * The parties will confer with each other regularly and frequently to report material operational matters and the status of the business;
- * The parties will use their reasonable best efforts to satisfy the conditions to closing of the Transaction;
- * ClinicalVentures will promptly advise Tenet of any condition or event that would adversely affect the Transaction or ClinicalVentures's ability to conclude the Transaction;
- * Tenet will promptly advise ClinicalVentures of any of the following:

14

- * Governmental or third-party complaints, investigations, litigation or hearings related to the business, the Acquired Assets or Assumed Obligations and Liabilities;
- * Material deterioration in Tenet's relationship with a customer, supplier, distributor, associate or key employee;
- * Breach by Tenet of any material agreement to which Tenet is a party;
- * A condition or event which would have a material adverse effect on the business;

- * Tenet will file any applications, notifications or other filings for any necessary regulatory approvals required in connection with the consummation of the Transaction;
- * The parties will use their reasonable efforts to take all actions and to do all things necessary or advisable, and to remove any impediments in order to consummate the Transaction, including obtaining all necessary consents and approvals;
- * Tenet will allow ClinicalVentures and its advisors and agents access at reasonable times to the files, books, records, technology, offices, accountants and the Acquired Assets;

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

efforts to secure shareholder approval of the Asset Purchase Agreement and the Transaction at the Special Meeting and Tenet will include in this Proxy Statement the Board of Directors' recommendation that the shareholders approve the Transaction and the Asset Purchase Agreement; and

- * Neither party will publicly disclose the Asset Purchase Agreement or the Transaction except as agreed by the parties or required by law.

The Special Meeting

The Transaction is a sale of substantially all of our operating assets and certain specified liabilities. Certain of our assets will be retained by Tenet and excluded from the Transaction. Approval of the shareholders is required before consummating the Transaction. Tenet has agreed to take all necessary action to prepare this proxy statement, cause it to be mailed to the shareholders at the earliest practicable time following the execution date of the Asset Purchase Agreement and to convene the Special Meeting seeking approval of the Asset Purchase Agreement and the Transaction as promptly as practicable (including the filing and mailing of the proxy statement).

A quorum will be deemed present for all purposes at the Special Meeting if there are represented, either in person or by proxy, a majority of the issued and outstanding shares of common stock. We will proceed with the Transaction only if a quorum is present and the Asset Purchase Agreement and Transaction are approved by the affirmative vote of a majority of all issued and outstanding shares.

Cumulative Voting and Dissenters' Rights

There is no cumulative voting, each share counts as one vote.

Shareholders are entitled to dissenters' rights in connection with the Transaction. Dissenters' rights allow shareholders to dissent from the sale of substantially all of Tenet's assets and to receive a fair cash payment for their shares. In connection with a disposition of all or substantially all of the assets of a Utah corporation (other than in the ordinary course of the corporation's business), a dissenting shareholder, after complying with the

15

procedures described in the section titled "Dissenters' Rights As A Result of the Sale of Substantially All of Tenet's Assets," on page 25 below, is entitled to payment from the corporation of the fair value of the shareholder's shares. The fair value is estimated by the corporation. However, if the shareholder is unwilling to accept the corporation's estimate, the shareholder may provide the corporation with an estimate of the fair value and demand payment of that amount. If the corporation is unwilling to pay that amount, the corporation is required to apply for judicial determination of the fair value.

The Closing

The closing of the Transaction is expected to occur following the satisfaction or waiver of all of the conditions to each party's obligations under the Asset Purchase Agreement. The parties anticipate that the closing will occur promptly following receipt of the requisite shareholder approval at the Special Meeting.

Conditions to Closing

The Asset Purchase Agreement provides that the obligation of

ClinicalVentures to consummate the Transaction is subject to the satisfaction or waiver of the following conditions:

- * No provision of any applicable law or regulation and no judgment, injunction, order or decrees shall prohibit, restrain, enjoin or restrict the consummation of the Transaction;
- * No lawsuits or proceedings shall be pending or threatened against either party which might restrict or materially adversely affect the operation of Tenet's business or the consummation of the Transaction;
- * The parties shall have received all authorizations, consents and approvals of governmental agencies and third parties required to carry out the Transaction; and
- * The shareholders of Tenet holding a majority of the issued and outstanding common stock of Tenet shall have approved the Asset Purchase Agreement and the Transaction, and no shareholder of Tenet shall have threatened or commenced any action to prevent or restrict the Transaction.

Impact of Management Services Agreement on the Conditions to Closing

As a result of the execution of the Management Services Agreement, all conditions to the closing are deemed to have been satisfied or waived, except for the requirement of receipt of the requisite vote of Tenet shareholders to approve the Asset Purchase Agreement and the Transaction.

Covenant Against Competition

Pursuant to the Asset Purchase Agreement, Tenet has agreed that for a period of one year following the closing date of the Transaction and thereafter until the earlier of (i) the fifth anniversary of the closing date of the Transaction; (ii) such date as the License Agreement has been terminated, or (iii) such date as ClinicalVentures has failed to sell any products for which a royalty would be payable to Tenet under the License Agreement for a period of three consecutive quarters, Tenet will not contact any of the healthcare organizations that were customers of Tenet prior to the closing date for the purpose of soliciting orders or establishing relationships for any business enterprise that competes with ClinicalVentures in the marketing of healthcare information management systems and in providing computerized patient tracking and information management systems for use in hospitals and other health care facilities, with a focus on emergency departments, urgent care sites, ambulatory care departments and same day surgery facilities.

Termination

The parties may terminate the Asset Purchase Agreement by mutual agreement. In addition, either party may terminate the Asset Purchase Agreement if:

- * Shareholders holding a majority of our issued and outstanding Common Stock do not vote in favor of the Transaction and the Asset Purchase Agreement; or
- * The other party has committed a material breach of its representations, warranties or covenants in any material respect and has not cured the breach within 15 business days following receipt of notice of termination given by the other party.

Fred J. Anderson. Fred J. Anderson has served as a director since May 23, 2003. The Board elected Mr. Anderson to serve as Tenet's Chief Operating Officer and Corporate Secretary effective May 2, 2003. Mr. Anderson served as Tenet's Chairman of the Board from May 1992 until July 1995, when he resigned to manage his family's land and livestock interests. Mr. Anderson also served as the Chief Financial Officer of Tenet from 1986 until 1996. From 1980 until 1984, Mr. Anderson served as Vice President for Mountain States Resources. He received his BS in Accounting and an MBA from Utah State University.

OUR BUSINESS FOLLOWING THE TRANSACTION

If the Asset Purchase Agreement and Transaction are approved and consummated, management and the Board of Directors of Tenet will actively seek another operating business or business opportunity for Tenet to acquire, invest in or participate in. We cannot estimate at this time what form any such transaction might take, and there can be no assurances that Tenet will be able to negotiate and complete any such transaction. Even if such a transaction is completed, there can be no assurances that the market price of Tenet's common stock will improve thereafter. Tenet estimates that following the closing it will have sufficient capital to meet its obligations pending completion of such a transaction for a period of at least five years. No efforts have been or will

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

be made before the closing to implement our new business purpose.

The role of Tenet's management following a purchase or other transaction cannot be stated with any certainty. Although it will be management's intent to scrutinize closely the management of a prospective target business in connection with its evaluation of a business combination with a target business, there can be no assurance that the assessment of management will prove to be correct.

The time and costs required to select and evaluate a target business (including conducting a due diligence review) and to structure and consummate the business combination (including negotiating and documenting relevant agreements and preparing requisite documents for filing pursuant to applicable corporate and securities laws) cannot be determined at this time. Any costs incurred in connection with the identification and evaluation of a prospective target business with which a business combination is not ultimately consummated will result in a loss to us and reduce the amount of capital available to otherwise complete a business combination or for the resulting entity to utilize.

As a general rule, federal and state tax laws and regulations have a significant impact upon the structuring of acquisitions and business combinations. We expect that Tenet will evaluate the possible tax consequences of any prospective business combination and will endeavor to structure a business combination so as to achieve the most favorable tax treatment to us, the target business and our respective shareholders. There can be no assurance that the other parties to a transaction or the Internal Revenue Service or relevant state tax authorities will ultimately assent to Tenet's tax treatment of a particular business transaction. To the extent the Internal Revenue Service or any relevant state tax authorities ultimately prevail in recharacterizing the tax treatment of a business combination, there may be adverse tax consequences to Tenet, the target business, and their respective shareholders.

18

A potential business transaction might be carried out by purchasing the securities of a target company or business. However, we do not intend to engage primarily in trading or selling securities. Specifically, we expect that Tenet will conduct its business so as to avoid being classified as an "investment company" under the Investment Company Act of 1940, and therefore avoid application of the costly and restrictive registration and other provisions of the Investment Company Act and related regulations.

Section 3(a) of the Investment Company Act exempts from the definition of an "investment company" an entity which does not engage primarily in the business of investing, reinvesting or trading in securities, or which does not engage in the business of investing, owning, holding or trading "investment securities" (defined as "all securities other than government securities or securities of majority-owned subsidiaries") the value of which exceeds 40% of the value of its total assets (excluding government securities, cash or cash items). Tenet intends to implement our business plan in a manner which will result in the availability of this exception from the definition of an investment company. Consequently, Tenet's acquisition of a company or business through the purchase and sale of investment securities will be limited. Although Tenet intends to act to avoid classification as an investment company, the provisions of the Investment Company Act are extremely complex and it is possible that Tenet may be classified as an inadvertent investment company.

Tenet will vigorously resist classification as an investment company, and endeavor to take advantage of any exemptions or exceptions from application of the Investment Company Act, which allows an entity a one-time option during any

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

three-year period to claim an exemption as a "transient" investment company. The necessity of asserting any such resistance, or making any claim of exemption, could be time consuming and costly, or even prohibitive, given our limited resources.

Tenet will continue to be subject to the reporting requirements under the Exchange Act. Among other things, those requirements include the obligation, in the event significant acquisitions take place, to furnish information including audited financial statements for the acquired company covering one, two or three years depending upon the relative size of the acquisition. Consequently, acquisition prospects that do not have or are unable to obtain the required audited financial statements may not be deemed appropriate for acquisition by our board of directors so long as the reporting requirements of the Exchange Act are applicable. Various impediments to an acquisition of a business or company or a merger may arise such as appraisal rights afforded the shareholders of a prospective acquisition or merger partner under the laws of the state of organization of the prospective acquisition company. This may prove to be a deterrent to a particular combination.

SECURITIES EXCHANGE REPORTING AND OTCBB MARKET LISTING

Following the Transaction, we intend to maintain our status as a reporting company under the Securities Exchange Act of 1934, as well as the listing of our common stock with the National Association of Securities Dealers' Over the Counter Bulletin Board (the "OTCBB").

ACCOUNTING TREATMENT

The Transaction will be treated as a purchase under generally accepted accounting principles. Upon consummation of the Transaction, we will recognize receipt of cash in the amount of \$339,000, remove the net assets sold from the consolidated balance sheet, and record the gain or loss on the Transaction, net of Transaction and other related costs, including applicable state and federal income taxes, in our consolidated statements of earnings.

UNAUDITED PRO FORMA FINANCIAL STATEMENTS

The following unaudited pro forma condensed consolidated financial statements are presented to illustrate the effects of the sale of our consulting business to Delta Healthcare Group, Inc. (the "Delta Disposition"), and the effects of the consummation of the Transaction, on our historical financial position and operating results. (The Delta Disposition and the Transaction are collectively referred to in these unaudited pro forma condensed consolidated financial statements as the "Dispositions.")

The following unaudited pro forma condensed consolidated balance sheet of Tenet at March 31, 2003 gives effect to the Dispositions as if they had occurred on that date. The unaudited pro forma condensed consolidated statements of operations for the nine months ended March 31, 2003 and for the year ended June 30, 2002 give effect to the Dispositions as if they had occurred as of the beginning of the earliest period presented.

The unaudited pro forma condensed consolidated financial statements have been derived from, and should be read in conjunction with, our historical consolidated financial statements, including the accompanying notes. Those financial statements are included in our Quarterly Report on Form 10-QSB for the three months ended March 31, 2003 and our Annual Report on Form 10-KSB for the year ended June 30, 2002, included with this Proxy Statement as Exhibits G and D, respectively.

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

The unaudited pro forma condensed consolidated financial statements are presented only for informational purposes. As a result, the accompanying unaudited pro forma condensed consolidated financial statements are not necessarily indicative of our financial position or results of operations that would have occurred had the Dispositions been consummated as of the dates indicated.

FEDERAL INCOME TAX CONSEQUENCES

The proposed sale of operating assets of Tenet by itself will not produce any separate and independent federal income tax consequences to the shareholders of Tenet.

Any gain or loss on the sale from the Transaction will be taxable to Tenet. We will recognize gain or loss based on the difference between the amount of the purchase price allocated to the assets and our tax basis in the assets. For purposes of determining the amount realized with respect to specific assets, the total amount realized by us will generally be allocated among the assets according to the rules prescribed under Section 1060(a) of the Internal Revenue Code of 1986, as presently in effect. Our basis in the assets sold is less than

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

the cost of the assets, as adjusted for certain temporary differences, such as depreciation, deferred profit on inter-company sales and asset and liability provisions. The determination of whether gain or loss is recognized will be made with respect to each of the assets included in the Transaction. Accordingly, we may recognize gain on the sale of some of the assets and a loss on the sale of others, depending on the amount of consideration allocated to an asset as compared with the basis of that asset. However, it is anticipated that we will have no tax liability in connection with the Transaction, due to our excess net operating loss carry forwards.

DISSENTERS' RIGHTS AS A RESULT OF THE SALE OF SUBSTANTIALLY ALL OF TENET'S ASSETS

Our shareholders will have dissenters' rights under Utah law in connection with the Transaction. As a result of the Transaction shareholders who oppose the Transaction will have the right to receive payment for the value of their shares as set forth in sections 16-10(a)-1301 et. seq. of the Utah Code. A copy of these sections is attached as Exhibit C to this proxy statement. The material requirements for a shareholder to properly exercise his or her rights are summarized below. However, these provisions are very technical in nature, and the following summary is qualified in its entirety by the actual statutory provisions that should be carefully reviewed by any shareholder wishing to assert such rights.

Under the Utah Code, such dissenters' rights will be available only to those shareholders of the Company who

- (i) object in writing to the proposed Transaction prior to or at the Special Meeting before the vote on the matter is taken, which objection must notify Tenet that the shareholder intends to demand payment for his, her or its shares if the proposed action is effectuated; and
- (ii) do not vote any of their shares in favor of the proposed Transaction at the Special Meeting.

Failure to vote against the proposal to approve the Transaction and the Asset Purchase Agreement will not constitute a waiver of your appraisal rights. However, voting against the proposal to approve the Transaction and the Asset Purchase Agreement is not sufficient to satisfy the notice requirements you must satisfy under Utah law in order to perfect your dissenters' rights. In order to be entitled to exercise your dissenters' rights, you must have been a shareholder with respect to the shares for which payment is demanded as of the date of the proposed corporate action creating dissenters' rights is approved by the shareholders; that is, prior to the Special Meeting.

Within ten days after the effective date of the Transaction, Tenet will send to each shareholder who has satisfied both of the foregoing conditions a written notice in which Tenet will notify such shareholders of their right to demand payment for their shares and will supply a form for dissenting shareholders to demand payment. Shareholders will have 30 days to make their payment demands or lose such rights. If required in the notice, each dissenting shareholder must also certify whether or not he or she acquired beneficial ownership of such shares before or after the date of the first announcement to the news media of the proposed transaction.

Upon receipt of each demand for payment, Tenet will pay each dissenting shareholder the amount that Tenet estimates to be the fair value of such shareholder's shares, plus interest from the date of the completion of the Transaction to the date of payment. With respect to any dissenting shareholder who does not certify that he or she acquired beneficial ownership of the shares

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

prior to the first public announcement of the transaction, Tenet may, instead of making payment, offer such payment if the dissenter agrees to accept it in full satisfaction of his or her demand. "Fair value" means the value of the shares immediately before the effectuation of the Transaction, excluding any appreciation or depreciation in anticipation of such events.

25

Any dissenter who does not wish to accept the payment or offer made by Tenet must notify Tenet in writing of his or her own estimate of the fair value of the shares within 30 days after the date Tenet makes or offers payment. If the dissenting shareholder and Tenet are unable to agree on the fair value of the shares, then Tenet will commence a proceeding with the Utah courts within 60 days after receiving the dissenter's notice of his, her or its own estimate of fair value. If Tenet does not commence such a proceeding within the 60-day period, it must pay each dissenter whose demand remains unresolved the amount demanded by such dissenter. If a proceeding is commenced, the court will determine the fair value of the shares and may appoint one or more appraisers to help determine such value. All dissenting shareholders must be a party to the proceeding, and all such shareholders will be entitled to judgment against Tenet for the amount of the fair value of their shares, to be paid on surrender of the certificates representing such shares. The judgment will include an allowance for interest (at a rate determined by the court) to the date of payment.

The costs of the court proceeding, including the fees and expenses of any appraisers, will be assessed against Tenet unless the court finds that the dissenters acted arbitrarily, vexatiously or not in good faith in demanding payment at a higher amount than that offered by Tenet. Both Tenet and the dissenters must bear their own respective legal fees and expenses, unless the court requires one party to pay such legal fees and expenses because of the conduct of such party. The loss or forfeiture of appraisal rights simply means the loss of the right to receive a cash payment from Tenet in exchange for shares. In such event the shareholder would still hold the appropriate number of shares of Tenet.

Recommendation of the Board of Directors

The Board of Directors has determined that the Transaction is in the best interests of Tenet. The Board of Directors has unanimously approved the Asset Purchase Agreement and the Transaction and unanimously recommends that you vote in favor of the proposal to approve the Asset Purchase Agreement and the Transaction.

Vote Required

The Transaction will constitute a sale of substantially all of our assets. The Board of Directors has determined that we will proceed with the Transaction only if the Asset Purchase Agreement and the Transaction are approved by a majority of all issued and outstanding shares.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE
FOR THE PROPOSAL TO APPROVE THE ASSET PURCHASE AGREEMENT
AND THE TRANSACTION.

PROPOSAL #2
APPROVAL OF THE WRITTEN CONSENT RESOLUTIONS

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

Our Board of Directors has unanimously approved, and recommends that our shareholders approve, resolutions authorizing our shareholders to act by the written consent of fewer than all shareholders entitled to vote with respect to the action, to the fullest extent permitted by applicable Utah corporate law (the "Written Consent Resolutions").

Currently, Section 704 of the Utah Revised Business Corporation Act (the "Revised Act") permits action to be taken by the written consent of shareholders having not less than the minimum number of votes that would be necessary to authorize or take the action at a meeting at which all shares entitled to vote thereon were present and voted (subject to specified restrictions, including but not limited to the election of directors of a corporation). However, Section 1704(4) of the Revised Act specifies that the provisions of Section 704 may not operate to permit a corporation in existence prior to July 1, 1992 (and thus having been subject to the provisions of the Utah Business Corporation Act which only permitted action by written consent of all shareholders entitled to vote on an issue) to take action by written consent of fewer than all shareholders entitled to vote with respect to a matter, until a resolution providing otherwise is approved by the shareholders, either by unanimous written consent or at a duly convened meeting.

26

In compliance with Section 1704(4) of the Revised Act, the Board of Directors recommends that the shareholders approve and adopt the following Written Consent Resolutions:

RESOLVED: That the shareholders of the corporation resolve to permit any action which may be taken at any annual or special meeting of shareholders to be taken without a meeting, as permitted by Section 704 of the Utah Revised Business Corporation Act (the "Revised Act").

RESOLVED FURTHER: That to the maximum extent permitted by Section 704 of the Revised Act, without regard to the limitations of Section 1704(4) of the Revised Act, any action which may be taken at any annual or special meeting of shareholders may be taken without a meeting, and without prior notice, if one or more consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take the action at a meeting at which all shares entitled to vote thereon were present and voted.

RESOLVED FURTHER: That to the extent the bylaws of the corporation may contain any provision inconsistent with the foregoing resolutions or permit action to be taken by a written consent of the shareholders only if signed by all shareholders, then such bylaw provisions are hereby amended to permit the taking of action by the written consent of shareholders in the manner provided in Section 704 of the Act and in the preceding resolutions.

Generally, adoption of the Written Consent Resolutions may make it easier for our shareholders to govern the company. Allowing shareholders to take action by the written consent of fewer than all of the shareholders entitled to vote with respect to a particular action will make it practical for our shareholders to act without the necessity and expense of holding a meeting of shareholders, particularly given that Tenet is subject to the disclosure requirements and proxy solicitation rules and regulations under the Securities Exchange Act of 1934. Moreover, the Written Consent Resolutions will likely better enable our shareholders to initiate corporate action independently of our

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

management, because our shareholders will not be required to call a special meeting in those circumstances where it is not practical to obtain the written consent of all shareholders entitled to vote on the action, as would be the case without adoption of the Written Consent Resolutions. Approval of the Written Consent Resolutions promotes the notion that there should be no distinction between action taken by less than unanimous written consent of the shareholders or action taken at a meeting in which other shareholders present and voting could not preclude the taking of the action in any event. In such cases little is gained by requiring Tenet to incur the expense of holding a meeting.

On the other hand, approval of the Written Consent Resolutions will at times enable the holders of a simple majority of the outstanding common stock to take shareholder action without affording other shareholders the opportunity to consider and vote on the matter at a meeting of shareholders. Moreover, the Written Consent Resolutions may have the effect of making less difficult shareholder actions that do not have the support of the Board of Directors. For example, the Written Consent Resolutions may have the effect of enabling a person to make a tender offer or otherwise attempt to gain control of Tenet even if such person were unwilling or unable to submit its proposals to a vote of the shareholders at a meeting. Conversely, requiring the written consents of all shareholders entitled to vote in connection with an acquisition or other attempt to take control of Tenet may make such acquisition or attempt to take control more difficult or delay such actions by a person or group acquiring a substantial percentage of the outstanding shares of our common stock. Finally, the Written Consent Resolutions may also enable a holder who controls or holders who control a majority of our common stock to use the written current procedure to take shareholder action unilaterally.

The Board of Directors has determined that the potential benefits which may result following adoption of the Written Consent Resolutions outweigh the potential risks described above. The proposal to approve and adopt the Written Consent Resolutions is not made in response to any efforts of which we are aware to accumulate Tenet's stock or to obtain control of Tenet. Adoption of the Written Consent Resolutions may make us a more attractive target for acquisition by an outsider by making it less difficult for such person to obtain control of Tenet, however.

27

The Board of Directors has determined that it would be advantageous to Tenet and its shareholders to adopt the Written Consent Resolution in order to facilitate shareholder governance of the corporation while simultaneously making such governance more efficient and less expensive.

Vote Required

Approval and adoption of the Written Consent Resolutions require the affirmative vote of a majority of the shares of common stock voted at the Special Meeting. Unless you specify otherwise on your signed, dated proxy, your shares will be voted in favor of approval and adoption of the Written Consent Resolutions.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE APPROVAL
AND ADOPTION OF THE WRITTEN CONSENT RESOLUTIONS

PROPOSAL #3
APPROVAL AND ADOPTION OF THE AMENDED AND RESTATED ARTICLES

General

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

Our Board of Directors has unanimously approved, and recommends that the shareholders approve and adopt, an amendment to and restatement of our Articles of Incorporation, which would (1) effect a one for twenty reverse stock split of our common stock, (2) reference our shareholders' right to act by less than unanimous written consent of all shareholders entitled to vote with respect to the action, as authorized under Utah corporate law, (3) eliminate those provisions no longer necessary or appropriate under Utah corporate law, and (4) consolidate our Articles of Incorporation, as restated and amended to date, into a single document.

The actual text of the Amended and Restated Articles is attached hereto as Exhibit B. We strongly urge you to carefully read the Amended and Restated Articles in its entirety before voting. The summary of the Amended and Restated Articles provided in this proxy statement is qualified in its entirety by reference to the full text of the Amended and Restated Articles in Exhibit B.

1. 1 for 20 Reverse Split of our Common Stock

The Board of Directors recommends that our shareholders approve and adopt an amendment to our Articles of Incorporation to effect a reverse split of our issued and outstanding common stock. The reverse split will combine every group of 20 outstanding shares of the common stock held by any shareholder into one share of common stock. If this amendment is approved by our shareholders, the Board of Directors will have the authority to effect the reverse stock split by filing the Amended and Restated Articles with the Division. If this amendment is adopted, there will be no change in the number of authorized shares of common stock and no change in the per share par value of the common stock.

We will not issue scrip or fractional shares, or certificates for fractional shares, in connection with the reverse stock split. Any fractional shares that may result will be redeemed in cash based on the fair market value of our common stock. Shares held by shareholders affiliated with one another will be aggregated for this purpose to the extent commercially practicable. For purposes of the payment for fractional shares, our Board of Directors has determined that the fair market value of our common stock is \$ _____ per pre-split share. We estimate that Tenet will pay an aggregate of approximately \$ _____ to holders of fractional shares of common stock after the reverse split.

Reasons for the Proposed Reverse Split

The Board of Directors believes that the current per-share market price of our common stock may impair the acceptability of our common stock to certain institutional investors and other members of the investing public. Theoretically, the number of shares outstanding should not, by itself, affect the marketability of the stock, the type of investor who acquires it, or our reputation in the financial community. In practice this is not necessarily the case, as certain investors view low-priced stock as unattractive or, as a matter of policy, are precluded from purchasing low-priced stock because of the greater trading volatility sometimes associated with such securities. Accordingly, one purpose of the reverse stock split is to help raise our reputation in the financial community.

In approving the proposed reverse stock split, our Board of Directors considered that Tenet's common stock may not appeal to brokerage firms that are reluctant to recommend lower-priced securities to their clients. Investors may also be dissuaded from purchasing lower-priced stocks because the brokerage commissions, as a percentage of the total transaction, tend to be higher for

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

such stocks. Moreover, the analysts at many brokerage firms do not monitor the trading activity or otherwise provide coverage of lower-priced stocks. Also, the Board believes that most investment funds are reluctant to invest in lower-priced stocks.

An additional purpose of the reverse stock split is to increase the market price of our common stock in order to meet the listing criteria of national securities exchanges such as the NASDAQ SmallCap Market ("NASDAQ"). Our common stock is presently eligible for quotation on the National Association of Securities Dealers' Over the Counter Bulletin Board (the "OTCBB"), which was established for securities that do not meet the NASDAQ listing requirements, and is not presently listed on any securities exchange. In order to be listed on a securities exchange or NASDAQ, we must meet the listing standards of the securities exchange or NASDAQ and have our listing application approved by the securities exchange or NASDAQ. NASDAQ and each securities exchange has its own listing requirements and application process. However, the listing standards of NASDAQ and each securities exchange generally require that all applicants have a minimum per share closing trading price on their common stock.

Our Board of Directors believes that it is important to provide our shareholders with the best possible market for trading our common stock. The OTCBB is generally considered less efficient and less liquid than NASDAQ or any securities exchange. Consequently, if it were listed on a securities exchange or NASDAQ, selling our common stock could be easier because larger quantities of shares might be bought and sold, transactions might be executed more efficiently, and securities analysts' and news media coverage might be increased.

These factors could result in higher prices and lower spreads in the bid and ask prices for shares of our common stock. A listing on a securities exchange could also improve our ability to raise additional capital through equity or debt financing and, to the extent the stock price increases as a result of or in connection with such listing, ownership dilution to shareholders might be reduced if we issue equity in financing or other transactions, since less shares will need to be issued in order to raise a specific amount of capital.

We cannot assure you that the reverse stock split will accomplish these objectives or that we will seek to have our Common Stock listed on NASDAQ or any securities exchange. While we expect that the reduction in the outstanding shares of common stock will increase the market price of the common stock, we cannot assure you that the reverse stock split will increase the market price of the common stock by a multiple equal to the reverse split ratio of twenty or result in any permanent increase in the market price (which can be dependent upon many factors, including, but not limited to, our business and financial performance and prospects). Should the market price decline after the reverse stock split, the percentage decline may be greater, due to the smaller number of shares outstanding, than it would have been prior to the reverse stock split. Additionally, there can be no assurance that by meeting the listing requirements for minimum trading price our stock will be listed on a securities exchange such as NASDAQ. In some cases, the stock price of companies that have effected reverse stock splits has subsequently declined back to pre-reverse split levels.

There are other reasons why a reverse stock split may be perceived negatively in the marketplace. In addition to the fact that the number of shares available for trading is reduced, which generally has the effect of reducing liquidity, round lots (i.e., lots in multiples of 100 shares) may be converted into odd lots due to the split, which may in turn increase transaction costs for shareholders. We cannot assure you that the market price of our common stock immediately after the effective date of the proposed reverse stock split will be maintained for any period of time or that the ratio of post and pre-split shares will remain the same after the reverse stock split is effected, or that the

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

reverse stock split will not have an adverse effect on our stock price due to the reduced number of shares outstanding after the reverse stock split.

Effect of the Reverse Split Generally

Upon the effectiveness of the reverse stock split, you will own fewer shares than you owned prior to the reverse split. The number of post-split shares will be determined by dividing the number of shares owned immediately prior to the effective time of the reverse stock split by twenty. Thus, if you owned 1,000 shares of our common stock prior to the reverse split, then, after the effective time of the reverse split, you will own 50 shares of our common stock.

29

The reverse stock split will simultaneously apply to all outstanding shares of our common stock. On _____, we had 19,336,213 issued and outstanding shares of our common stock. Accordingly, if the Record Date was the effective time of the reverse stock split, then we would have approximately 966,811 issued and outstanding shares of our common stock on a post-split basis. The reverse stock split will affect all shareholders uniformly and will not materially change their proportionate ownership interests (except to the extent we redeem fractional shares, as more specifically described herein), nor will the reverse split alter the respective voting rights of holders of our common stock. The common stock issued pursuant to the reverse stock split will remain fully paid and non-assessable.

Because the number of authorized shares of our common stock will not be reduced, the overall effect of the reverse stock split will be an increase in authorized but unissued shares of our common stock. These shares may be issued by the Board of Directors in its discretion. Any future issuance will have the effect of diluting the percentage of stock ownership and voting rights of the present holders of our common stock.

If approved by our shareholders at the Special meeting, we will file the Amended and Restated Articles with the Division shortly after the closing date of the Transaction. However, if for any reason the Transaction is not completed as currently anticipated, we may proceed with the filing of the Amended and Restated Articles. The reverse stock split will become effective upon the filing of the amendment with the Division (the "Effective Date"). At the Effective Date, each certificate representing our common stock prior to the reverse stock split will be deemed for all corporate purposes to evidence ownership of post-split shares. There is no "issuance" resulting from the reverse stock split.

Promptly after the Effective Date, you will be notified that the reverse stock split has been effected. Our stock transfer agent, Interwest Transfer, whom we refer to as the exchange agent, will implement the exchange of stock certificates representing outstanding shares of common stock. You will be asked to surrender to the exchange agent certificates representing your pre-split shares in exchange for certificates representing your post-split shares in accordance with the procedures to be set forth in a letter of transmittal which we will send. You will not receive a new stock certificate representing your post-split shares until you surrender your outstanding certificate(s) representing your pre-split shares, together with the properly completed and executed letter of transmittal to the exchange agent.

PLEASE DO NOT DESTROY ANY STOCK CERTIFICATE OR SUBMIT ANY CERTIFICATES UNTIL YOU ARE REQUESTED TO DO SO.

Summary of Federal Income Tax Consequences of the Reverse Split

The following is a summary of certain material federal income tax consequences of the reverse stock split; however, this does not purport to be a complete discussion of all of the possible federal income tax consequences of the reverse stock split. It does not discuss any state, local, foreign or minimum income or other U.S. federal tax consequences. Also, it does not address the tax consequences to shareholders who are subject to special tax rules, such as banks, insurance companies, regulated investment companies, personal holding companies, foreign entities, nonresident alien individuals, broker-dealers and tax-exempt entities. This discussion is based on the provisions of the United States federal income tax law as of the date hereof, which is subject to change retroactively as well as prospectively. This summary also assumes that the pre-split shares were, and the post-split shares will be, held as "capital assets," as defined in the Internal Revenue Code of 1986, as amended (generally, property held for investment). Your tax treatment may vary depending upon your own particular facts and circumstances.

You should recognize no gain or loss upon your exchange of your pre-split shares for post-split shares pursuant to the reverse stock split. In general, shareholders who receive cash upon redemption of their fractional share interests as a result of the reverse stock split will recognize gain or loss based on their adjusted basis in the fractional share interests redeemed. The federal income tax liability, if any, generated by the receipt of cash in lieu of a fractional interest should not be material in amount in view of the low value of the fractional interest.

The aggregate tax basis of the post-split shares received in the reverse stock split (including any fraction of a post-split share deemed to have been received) will be the same as your aggregate tax basis in the pre-split shares you exchanged. Your holding period for the post-split shares will include the period during which the you held the pre-split shares surrendered in the reverse stock split.

30

We believe that the reverse stock split will qualify as a "recapitalization" under Section 368(a)(1)(E) of the Internal Revenue Code. As a result, we will not recognize any gain or loss as a result of the reverse stock split.

SHAREHOLDERS ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS FOR MORE DETAILED INFORMATION REGARDING THE EFFECTS OF THE PROPOSED REVERSE SPLIT ON THEIR INDIVIDUAL TAX STATUS

Authorized Shares; Future Financings.

Upon effectiveness of the proposed reverse stock split, the number of authorized shares of common stock that are not issued or outstanding would increase from approximately 80,663,787 shares to approximately 99,033,189 shares. Tenet will continue to have 100,000,000 shares of authorized common stock and 1,000,000 shares of authorized preferred stock. Authorized but unissued shares will be available for issuance, and Tenet may issue such shares in financings or otherwise. If Tenet issues additional shares, the ownership interest of holders of Tenet's common stock will likely be diluted. Also, the issued shares may have rights, preferences or privileges senior to those of Tenet's common stock.

Accounting Matters.

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

The proposed reverse stock split will not affect the par value of Tenet's common stock. As a result, on the effective date of the reverse stock split, the stated capital on Tenet's balance sheet attributable to Tenet's common stock will be reduced to 1/20 of its present amount, and the additional paid-in capital account shall be credited with the amount by which the stated capital is reduced. The per share net income or loss and net book value of Tenet's common stock will be increased because there will be fewer shares of Tenet's common stock outstanding.

Potential Anti-Takeover Effect.

Although the increased proportion of unissued authorized shares of common stock to issued shares could, under certain circumstances, have an anti-takeover effect (for example, by permitting issuances that would dilute the stock ownership of a person seeking to effect a change in the composition of the Tenet's Board or contemplating a tender offer or other transaction for the combination of Tenet with another company), the reverse stock split proposal is not being proposed in response to any effort of which Tenet is aware to accumulate Tenet's shares of common stock or obtain control of Tenet, nor is it part of a plan by management to recommend a series of similar amendments to Tenet's Board of Directors and shareholders.

Effect Upon Outstanding Options and Warrants.

Currently, Tenet has no outstanding stock options or warrants exercisable for shares of our common stock.

2. Approval and Adoption of the Written Consent Resolutions

Pending approval and adoption by the shareholders of the Written Consent Resolutions at the Special Meeting, the Board of Directors recommends that the shareholders approve and adopt an amendment to our Articles of Incorporation which expressly references the right of our shareholders' to take action by the written consent of fewer than all shareholders, to the extent permitted under applicable Utah corporate laws. The Board of Directors believes that including such amendment in our Articles of Incorporation will have the effect of affording our management and shareholders more durable and accessible evidence of our shareholders' intent to be governed by Section 704 of the Act. However, failure by the shareholders to adopt the Amended and Restated Articles will have no effect on the shareholders' election to approve and adopt the Written Consent Resolutions.

3. Elimination of Provisions No Longer Necessary or Appropriate Under Utah Corporate Law.

A final purpose of the approval and adoption of the Amended and Restated Articles is to simplify our Articles of Incorporation by consolidating various amendments and eliminating obsolete provisions of our Articles of Incorporation as currently restated and amended. In addition to the amendments specifically described above, our Board of Directors recommends that we further amend our Articles of Incorporation as follows in order to make our Articles consistent with the Act.

31

A. Deletion of Article II, Duration of Tenet

Article II of our Articles of Incorporation currently provides that Tenet shall exist perpetually unless earlier dissolved according to law. We have omitted Article II from the Amended and Restated Articles. Pursuant to Section 302 of the Act, every Utah corporation has perpetual duration until dissolved as

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

provided in the Act, making this Article unnecessary.

B. Modification of Article III, the Corporate Purpose of Tenet

Article III currently provides that Tenet is organized (1) to develop, construct and market computer related information and testing services for use in the medical and health fields and to engage in any other business resulting from such activities and (2) to engage in any other acts, activities and pursuits for which a corporation may be organized under the Utah Business Corporation Act. We have omitted from Article III of the Amended and Restated Articles the language related to the development, construction and marketing of computer related information and testing services for use in the medical and health fields and other business resulting from such activities. Omitting this language will make our Articles of Incorporation consistent with the fact that, upon completion of the Transaction, we will have no specific business purpose until we identify and complete an acquisition or similar transaction. The Act currently provides that it is sufficient for the Articles of Incorporation to provide that the purpose of Tenet is to engage in any lawful act or activity for which corporations may be organized under the Act. The proposed amendment to Article III is consistent with this requirement.

C. Deletion of Article VI, Acquisition by Tenet of Its Own Shares

Article VI of our Articles of Incorporation currently provides that Tenet has the right to purchase, take, receive or otherwise acquire, hold, own, pledge, transfer or otherwise dispose of its own shares, subject to the limitation that Tenet's purchase of its own shares must be made only to the extent of unreserved and unrestricted earned surplus and capital surplus available for that purpose. We have omitted Article VI in its entirety from the Amended and Restated Articles, because this provision does not provide additional rights to, nor does it impose additional restrictions on, Tenet in connection with the acquisition of its own stock not currently provided in the Act.

D. Deletion of Article VII, Distributions to Shareholders

Article VII of our Articles currently provides that our Board of Directors may distribute, out of stated capital or capital surplus of the corporation, a portion of its assets, in cash or other property, subject to the provisions of the Utah Business Corporation Act, as amended. We have omitted Article VII in its entirety from the Amended and Restated Articles, because this provision does not provide Tenet with additional rights, nor does it impose on Tenet additional restrictions, in connection with distributions to our shareholders not currently provided in the Act.

E. Additional Modifications

In addition to the amendments set forth above, in the Amended and Restated Articles we have further modified our Articles of Incorporation by deleting the phrase "Utah Business Corporation Act" in each provision where it appears, substituting therefore the "Utah Revised Business Corporation Act," and by renumbering the Articles to account for the deletion of old articles and the insertion of new articles.

Other than the specific amendments named herein, the remaining provisions of our Articles of Incorporation, as currently in effect, will not be changed as a result of the approval and adoption of the Amended and Restated Articles.

Vote Required

Approval of the Amended and Restated Articles requires the affirmative vote of a majority of the outstanding shares of our common stock as of the record

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

date for the Special Meeting. Unless you specify otherwise, your returned signed proxy will be voted FOR approval and adoption of the Amended and Restated Articles.

32

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSAL TO APPROVE AND ADOPT THE AMENDED AND RESTATED ARTICLES.

PROPOSAL #4 ELECTION OF THE DIRECTOR NOMINEES

General

The number of authorized directors on our Board of Directors may be varied by the Board of Directors, but may not be less than three. Currently, the number of authorized directors on the Board of Directors is set at three, and each position on the Board is currently filled. The Board of Directors has determined that it is in the best interests of Tenet and its shareholders to nominate each of the current directors, being Mr. Jerald L. Nelson, Mr. Eric J. Nickerson and Mr. Fred Anderson, for reelection at the Special Meeting.

The Board of Directors has nominated Mr. Jerald L. Nelson, Mr. Eric J. Nickerson and Mr. Fred Anderson (the "Director Nominees") for election as directors at the Special Meeting. Each of Messrs. Nelson, Nickerson and Anderson will be elected to serve for a one year term expiring at Tenet's annual meeting in 2004, until his respective successor is duly elected and qualified or until his earlier resignation. There are no family relationships among any of Tenet's directors or executive officers. Unless you specify otherwise, your returned signed proxy will be voted FOR each of the Director Nominees. In the event a Director Nominee is unable to serve, your proxy may vote for another person nominated by the Board of Directors to fill that vacancy. The Board of Directors has no reason to believe that any of its Director Nominees will be unavailable.

Vote Required

A plurality of the votes represented at the meeting is required to elect a director.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE DIRECTOR NOMINEES LISTED ABOVE.

Compensation of Directors

Each outside director is entitled to receive a \$200 stipend per month. However, during the fiscal year ended June 30, 2003, Tenet failed to pay this fee to any director. Such amounts have been accrued on a monthly basis as an obligation owed by Tenet to its directors.

Certain Relationships and Related Party Transactions

Since the beginning of the Company's last fiscal year, except as otherwise provided below, there have been no transactions or series of transactions between the Company and any executive officer, director or 5% beneficial owner of the Company's common stock in which one of the foregoing individuals had an interest of more than \$60,000.

Eric J. Nickerson, a director and significant shareholder of Tenet, has agreed that upon approval by the shareholders of the sale of our assets to ClinicalVentures as provided herein, he will purchase from ClinicalVentures a promissory note in the principal amount of \$360,000 in exchange for \$289,000 in cash, which cash will facilitate payment by ClinicalVentures of the full purchase price in cash at the closing of the sale of assets. The promissory note shall be due and payable, without interest, in equal monthly installments in the amount of \$6,000 each, with penalties for non-payment. ClinicalVentures's obligations under the promissory note will be secured by the assets of Tenet acquired by ClinicalVentures pursuant to a Security Agreement by and between Mr. Nickerson and ClinicalVentures, and dated of even date.

Section 16(a) Beneficial Ownership Reporting Compliance

We believe that Fred Anderson, an executive officer of Tenet since May 2, 2003, failed to file a Form 3, as required by Section 16(a) of the Securities Exchange Act of 1934.

We believe that Eric Nickerson, a director and significant shareholder of Tenet, may have failed to file one or more Forms 4 in connection with one or more transactions which occurred during our most recently completed fiscal year, pursuant to which Third Century Fund II, of which Mr. Nickerson is a Senior Partner, acquired additional shares of our Common Stock. However, such transaction or transactions may have qualified for delayed reporting on Form 5.

A. Seller conducts a business involved in providing computerized patient tracking and information management systems for use in hospitals and other health care facilities, with a focus on emergency departments, urgent care sites, ambulatory care departments and same day surgery facilities (the "Business").

B. Buyer provides integrated clinical information management systems for clinicians and the healthcare community.

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

C. On the terms and subject to the conditions set forth in this Agreement, Buyer desires to acquire from Seller, substantially all of the operating assets of Seller, including all assets utilized in the operation of the Business (the "Acquired Assets" as defined in Section 1.1 below). In connection with such acquisition Buyer is willing to assume certain liabilities and contractual obligations relating to the Business and the Acquired Assets (the "Assumed Obligations and Liabilities" as defined in Section 2.1.1 below).

D. Seller is willing to sell the Acquired Assets to Buyer upon the terms and conditions and for the consideration set forth herein, and believes that its participation in the transactions contemplated by this Agreement is in the best interests of Seller and its shareholders.

E. The Parties desire to enter into this Agreement in order to set forth and establish their rights and obligations with respect to the transactions contemplated hereby.

Agreement

NOW THEREFORE, intending to be legally bound, and in consideration of the above-recited premises and the mutual promises, covenants and conditions contained herein, the Parties hereto agree as follows:

Article I

Assets to be Acquired by Buyer and Retained by Seller

1.1 Assets to be Acquired by Buyer. Subject to the terms and conditions of this Agreement, at the Closing (as defined in Section 3.1 below), Seller shall convey, transfer, assign and deliver to Buyer, and Buyer shall purchase, acquire and accept from Seller, all of Seller's rights, title and interests in and to all assets owned by Seller as of the date of the Closing, other than the Excluded Assets (as defined below), including all assets, rights and interests used in the operation of the Business, and including without limitation those items listed in Exhibit A attached hereto (collectively, the "Acquired Assets").

1

1.2 Assets Being Retained by Seller. Notwithstanding any provision to the contrary contained in this Agreement, the Acquired Assets will not include, and Seller will retain all rights and interests in, and all obligations with respect to, all of those items referenced in Exhibit B attached hereto (collectively, the "Excluded Assets"). The Excluded Assets will not be sold, conveyed, transferred, assigned or delivered to Buyer at the Closing.

1.3 Nonassignable Rights. Nothing herein shall be deemed to require the transfer of any assets which by their terms or operation of law cannot be transferred; provided, however, that Seller shall cooperate with Buyer to seek to obtain any necessary consents or approvals for the transfer of all Acquired Assets contemplated to be transferred pursuant to the terms of this Agreement. In the event that the transfer of any of the Acquired Assets is not consummated as of the Closing, Seller, as the Party retaining such Acquired Assets, shall hold such Acquired Assets in trust for the use and benefit of Buyer, and take such other action as may be reasonably requested by Buyer, in order to place Buyer, insofar as is reasonably possible, in the same position as would have existed had Seller's interests in such assets been transferred to Buyer as contemplated hereby. As and when any such Acquired Asset becomes transferable, such transfer shall be effectuated forthwith. The Parties agree that, as of the Closing, Buyer shall be deemed to have acquired Seller's entire rights, title

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

and interests in and to all of the Acquired Assets, together with all powers and privileges incident thereto and all duties, obligations and responsibilities incident thereto, which Buyer is entitled to acquire or required to assume pursuant to the terms of this Agreement.

1.4 Books and Records. Seller shall retain its corporate books and records, shareholder records and ledgers, financial statements, employment records and tax records. All other historical books and records of the Business, including the corporate books and records of all subsidiaries of Seller, records of customers and sales and copies of employment records relating to those employees of Seller who become employees of Buyer at the Closing, shall be transferred to Buyer as part of the Acquired Assets, provided that Seller shall be entitled to retain a copy of any historical records which are transferred to Buyer as provided herein. Following the Closing, each Party shall have the right to reasonable access to historical records of the other to the extent required to respond to tax audits or fulfill its other legal obligations.

Article II Consideration Payable for Acquired Assets

2.1 Consideration for the Acquired Assets. The consideration payable for the Acquired Assets (the "Purchase Price") will consist of the those payments, obligations and undertakings set forth below:

2

2.1.2 Cash Payment at Closing. At the Closing, Buyer will pay to Seller the sum of \$339,000, in immediately available funds, by bank cashier's check or a wire transfer to an account of Seller as designated by Seller prior to the Closing.

2.2 Allocation of Purchase Price. The Purchase Price shall be allocated among the Acquired Assets as set forth on Exhibit D attached hereto, all as required by Section 1060 of the Internal Revenue Code of 1986, as amended, and that allocation shall be reported by both the Buyer and Seller on Internal Revenue Service Form 8594, Asset Acquisition Statement, which will be filed with the Buyer's and Seller's Federal Income Tax Return for the tax year that includes the Closing Date. The allocation set forth on Exhibit D shall be conclusive and binding upon Buyer and Seller for all purposes, and neither Party shall file any tax return or other document with, or make any statement or declaration to, any governmental authority that is inconsistent with such allocation.

In the event of a required disclosure without the other Party's prior consent, the disclosing Party will use reasonable efforts to provide a copy of the required disclosure to the other Party in advance of the disclosure, and will give due consideration to such comments as such other Party may have, prior to such disclosure.

9

5.13 Confidentiality and Noncompetition.

5.13.1 Existing Agreements. The Parties may have previously entered into or may in the future enter into one or more agreements obligating one or both of the Parties to maintain as confidential certain information disclosed by or received from a Party. The obligations of confidentiality and other provisions set forth in any such confidentiality agreements shall be in addition to, and shall not restrict or be restricted by, the confidentiality provisions of this Agreement. The confidentiality provisions of this Agreement shall in no way relieve the parties from any obligations arising under, or modify, such other confidentiality agreements.

5.13.2 Duty of Seller to Maintain Confidentiality. Seller has confidential and proprietary information relating to the Business, including information described in the definition of Intellectual Property, which will become property of Buyer upon the Closing. Seller acknowledges that such information is essential to the continued success of the Business and achievement of the value of the Acquired Assets, and will be of importance to the business activities and plans of Buyer after the Closing. Seller further acknowledges that the unauthorized disclosure of such confidential information to others or the unauthorized use of such information by others would cause substantial loss and harm to Buyer. Accordingly, Seller agrees that from and after the Closing it will not use or disclose any of such confidential information, except as may be required by law or by any listing agreement with a national securities exchange, and will require its executive officers to likewise refrain from any unauthorized use or disclosure of any such confidential information.

5.13.3 Duty of Buyer to Maintain Confidentiality. Buyer has obtained, and prior to the Closing will obtain, access to information that is confidential and proprietary to Seller. Prior to the Closing, Buyer will not use such information for any purpose other than to evaluate whether to proceed with the Closing, to prepare to conduct the Business upon the Closing, and to carry out its obligations under the Management Agreement. In the event the Closing does not occur as contemplated herein, then upon the termination of this Agreement Buyer will return to Seller all confidential and proprietary information of Seller, and will refrain from using or disseminating any such information which has not entered the public domain, through no fault of Buyer.

5.13.4 Seller Agreement Not to Compete. Seller agrees that for a period of one year from and after the Closing Date, and thereafter until the earlier of (i) the fifth anniversary of the Closing Date, (ii) such date as the license agreement previously entered into between Seller and Buyer has been terminated, or (iii) such date as Buyer has failed to sell any products for which a royalty would be payable to Seller under the license agreement previously entered into between Buyer and Seller for a period of three consecutive quarters, Seller will refrain from contacting any of the healthcare organizations that were customers of Seller prior to the Closing for the purpose of soliciting orders or establishing relationships for any business enterprise that competes with the Business in the marketing of healthcare information

management systems. In the event that a court of competent jurisdiction determines that the foregoing covenant is unenforceable because of its duration, it shall be shortened to a period of two years following the Closing Date, or such shorter date as such court may determine to be the maximum period for which such covenant would be enforceable.

10

5.13.5 Remedy and Right to Injunction. The Parties agree that damages in the event of a breach of this Section 5.13 would be difficult if not impossible to ascertain, and it is therefore agreed that a Party, in addition to and without limiting any other remedy or right it may have, shall be entitled, as a matter of course, and without being required to post a bond, to obtain an injunction from any court of competent jurisdiction restraining any further such violation, as well as to recover from the breaching Party any and all costs and expenses sustained or incurred by the Party in obtaining such an injunction and recovery, including without limitation reasonable attorneys' fees and disbursements. Each Party's right to obtain an injunction (and to recover such costs and expenses) shall be cumulative and in addition to any other rights and remedies to which such Party may be entitled, including the right to recover damages.

5.14 Expenses. Whether or not the Closing occurs as contemplated herein, the Parties agree that each Party will be responsible for its own fees, costs and expenses incurred by such Party with respect to the negotiation, execution and performance of this Agreement and the consummation of the transactions contemplated hereby, including without limitation, legal, accounting, consulting and advisory fees and expenses incurred in due diligence activities.

5.15 Management Agreement; Escrow of Funds. At any time following the Agreement Date, when the Parties may mutually determine to be appropriate, the Parties will execute a Transition Management Services Agreement in the form attached hereto as Exhibit I (the "Management Agreement") and the Buyer will thereafter assume the management responsibilities for the Business as provided for therein. Concurrently with the execution of the Management Agreement, Buyer will deposit into an escrow account, on terms reasonably approved by Seller, \$_____ of the Purchase Price referenced in Section 2.1.2 above, to be released to Seller at the Closing, or returned to Buyer if this Agreement is terminated prior to Closing. Upon execution of the Management Agreement, Buyer may hire employees of Seller as contemplated herein and undertake to relocate the facilities to be utilized by the Business, with the terms and location thereof to be subject to Seller's prior written consent, which will not be unreasonably withheld.

5.16 Payment of Obligations; Rights to Offset. If Buyer is asked to pay any of Seller's obligations which are retained by Seller and not assumed by Buyer hereunder, then if Buyer gives Seller written notice of such outstanding obligation, and of the request or demand made on Buyer to pay such obligation, then if Seller fails to pay such obligation within thirty days following the receipt of such notice, Buyer may, but shall not be required to, pay such obligation. In the event Buyer makes any such payment of an obligation of Seller, then Buyer shall have the right, in addition to any other remedies it may have against Buyer, to offset from any sums otherwise payable to Buyer, whether pursuant to this Agreement or otherwise, the amount of such payment.

5.17 Covenants Regarding Seller Products. During the Payment Period, Buyer will not reduce the initial license fees charged with respect to Seller Products as to which payments are to be made to Seller as provided in Section 2.1.4 above, without the prior written consent of Seller. Furthermore, Seller shall

have the right, at any time during the Payment Period and for a period of 90 days thereafter, during normal business hours and on at least three days prior notice, and in no event more frequently than once in each twelve month period, to inspect and audit Buyer's books and records with respect to sales and licenses of Seller Products within the Payment Period (provided that Buyer shall not be required to maintain records for any period for more than three years) and the License Payments applicable thereto. In the event any such inspection or audit reflects that Buyer has not paid all required License Payments, Buyer will promptly pay the deficiency to Seller upon written notice thereof from Seller. If any such audit or inspection indicates that Buyer has underpaid by more than 3% any required License Payments, Buyer will pay Seller's reasonable costs and expenses associated with such audit or inspection. Seller may conduct any inspection or audit as referenced above through any officer or employee of Seller, or through a certified public accountant hired or engaged by Seller (but not a person hired on a contingent fee arrangement, whereby the fee is based on the discrepancies uncovered).

5.18 Covenant Regarding Sharp Rees Stealy Corporation. Notwithstanding any other provisions in this Agreement, the Parties hereto covenant and agree that if, at any time during the term of the Management Agreement or within one year following the Closing, Buyer enters into an agreement with Sharp Rees Stealy Corporation ("SRS") with respect to the provision of services or products, and SRS asserts a right to reduce the amount payable with respect thereto (or to demand a refund of amounts previously paid to Seller) as a result of funds previously paid to Seller with respect to similar products or services, then the Parties agree to share equally in the liability relating thereto, up to a maximum amount of \$25,000 to be assumed by each Party (i.e., to the extent Buyer is required to accept a lesser payment than that originally established with SRS as a result of a claim as referenced above, Seller will pay to Buyer an amount equal to one-half of such claim, up to a maximum payment by Seller of \$25,000), and either Party shall have the right to contest any such claim made by SRS. The Parties understand and acknowledge that the foregoing arrangement is applicable only if Buyer does future business with SRS. Buyer is not otherwise assuming any responsibility for any outstanding obligations owed by Seller to SRS, nor is Buyer assuming any warranty or responsibility with respect to products or services previously provided by Seller to SRS.

Article VII Termination of Agreement

7.1 Termination. This Agreement may be terminated at any time prior to the Closing as set forth below:

7.1.1 Mutual Agreement. This Agreement may be terminated at any time prior to the Closing by the mutual written agreement of the Parties hereto.

7.1.2 For Failure of Closing. This Agreement may be terminated by either Party hereto if by July 31, 2003, the parties have not executed the Management Agreement, or (ii) the Seller Shareholder Vote is not obtained at the Seller Shareholder Meeting, provided that the right to terminate this Agreement under this Section 7.1.2 shall not be available to any Party whose failure to fulfill any obligation under this Agreement has been the cause of, or resulted in, the failure of the Closing (or execution of the Management Agreement) to occur on or before the applicable date.

7.1.3 For Failure of Conditions. Either Party may terminate this Agreement by giving written notice of termination to the other Party, if prior to the Closing such other Party has breached any of its material representations, warranties, or covenants contained in this Agreement in any material respect, and the breach, if curable, has continued without cure for a period of fifteen (15) business days following the date of receipt of the termination notice by the breaching Party.

7.2 Effect of Termination. If this Agreement is terminated as provided above, all rights and obligations of the Parties hereunder shall terminate without liability of either Party to the other Party; provided, however, that nothing herein will relieve either Party from liability for the willful breach of any of its representations, warranties, covenants or agreements set forth in this Agreement prior to such termination.

Article VIII Indemnification

8.1 Indemnification. Each Party (as an "Indemnifying Party") agrees to defend, indemnify and hold harmless other Party (as an "Indemnified Party"), and each of the Indemnified Party's shareholders, affiliates, officers, directors, employees, agents, successors and assigns (an Indemnified Party and such related persons being referred to herein as the "Indemnified Persons") for, from and against each claim, loss, liability, cost and expense (including without limitation, interest, penalties, costs of preparation and investigation, and the reasonable fees, disbursements and expenses of attorneys, accountants and other professional advisors) (collectively "Losses"), directly or indirectly relating to, resulting from or arising out of any untrue representation, misrepresentation, breach of warranty or non-fulfillment of any covenant, agreement or other obligation by or of the Indemnifying Party pursuant to this Agreement.

8.2 Indemnification Procedures. An Indemnified Person shall promptly notify an Indemnifying Party of any claim, demand, action or proceeding for which indemnification will be sought under Section 8.1 above and, if such claim, demand, action or proceeding is a third party claim, demand, action or proceeding, the Indemnifying Party will have the right at its expense to assume the defense thereof using counsel reasonably acceptable to the Indemnified Party. The Indemnified Persons shall have the right to participate, at their own expense, with respect to any such third party claim, demand, action or

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

proceeding. In connection with any such third party claim, demand, action or proceeding, the Indemnifying Party and Indemnified Persons shall cooperate with each other and provide each other with access to relevant books and records in their possession. No such third party claim, demand, action or proceeding shall be settled without the prior written consent of the Indemnified Persons. If a firm written offer is made to settle any such third party claim, demand, action or proceeding and the Indemnifying Party proposes to accept such settlement and Indemnified Party refuses to consent to such settlement, then: (i) the Indemnifying Party shall be excused from, and the Indemnified Persons shall be solely responsible for, all further defense of such third party claim, demand, action or proceeding; and (ii) the maximum liability of the Indemnifying Party relating to such third party claim, demand, action or proceeding shall be the amount of the proposed settlement if the amount thereafter recovered from the Indemnified Persons on such third party claim, demand, action or proceeding is greater than the amount of the proposed settlement. Whether or not an Indemnifying Party shall have assumed the defense of any such third party claim, action, demand or proceeding, no Indemnified Person shall admit any liability with respect to, or settle, compromise or discharge, any such claim, demand, action or proceeding without the Indemnifying Party's prior written consent, which shall not be unreasonably withheld. If Buyer is entitled to indemnification as provided herein, Buyer shall be entitled to deduct any Losses from any amount owing to Seller pursuant to this Agreement, or otherwise.

16

8.3 Cooperation of the Parties. The Parties hereto shall cooperate with each other in the resolution of any claim or liability with respect to which an Indemnifying Party is obligated to indemnify any Indemnified Persons hereunder, including by making commercially reasonable efforts to mitigate or resolve any such claim or liability. In the event that an Indemnified Party shall fail to make such commercially reasonable efforts to mitigate or resolve any claim or liability, then notwithstanding anything else to the contrary herein, the Indemnifying Party shall not be required to indemnify any person for any losses that could reasonably be expected to have been avoided if the Indemnified Party had made such efforts.

8.4 Exclusive Remedy. The Parties acknowledge and agree that, after the Closing their sole and exclusive remedy with respect to any and all claims relating to this Agreement and the transactions contemplated hereby (other than (i) for fraud, (ii) a failure to make payments required hereunder, or (iii) for a violation of Seller's covenant not to compete as set forth in Section 5.13.4 above), shall be pursuant to the indemnification provisions set forth in this Article VIII. In furtherance of the foregoing, the Parties hereby waive, from and after the Closing, to the fullest extent permitted under applicable law, any and all rights, claims and causes of action (other than causes of action arising from (i) fraud, (ii) a failure to make payments required hereunder, or (iii) for a violation of Seller's covenant not to compete as set forth in Section 5.13.4 above), any Indemnified Persons may have against an Indemnifying Party under or based upon any federal, state, local or other statute, law, ordinance, rule, regulation or otherwise (except pursuant to the indemnification provisions set forth in this Article VIII).

17

8.5 Limitation and Termination of Indemnification Obligations. The indemnification obligations set forth in this Article VIII shall terminate on the date which is one year following the Closing; provided that such obligations shall not terminate (i) as to any item as to which the Indemnified Persons shall

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

have, before the expiration of such one year period, previously made a claim by delivering a notice of such claim (stating in reasonable detail the basis of such claim) to the Indemnifying Party, or (ii) as to any claim relating to a breach of a covenant, which requires performance following the Closing Date. All of the representations and warranties of the Parties contained in this Agreement shall survive the Closing for a period of one year. All of the covenants of the Parties made herein and to be fulfilled following the Closing Date shall continue following the Closing Date, in accordance with their terms. No claim for indemnification shall be made by any Party under this Article VIII unless the amount of all such claims as to which such Party seeks indemnification exceeds \$20,000, and no claims for indemnification shall be made against any Party in amounts exceeding \$500,000.

Article IX Miscellaneous Provisions

9.1 Governing Law, Jurisdiction and Venue. The internal laws of the State of Arizona (irrespective of its choice of law principles) will govern the validity of this Agreement, the construction of its terms, and the interpretation and enforcement of the rights and duties of the Parties hereto. In the event of any claim or dispute arising hereunder, the Parties consent to the exclusive jurisdiction and venue of the federal and state courts residing in Phoenix, Arizona.

9.2 Assignment; Binding Upon Successors and Assigns. Neither Party hereto may assign any of its rights or obligations hereunder without the prior written consent of the other Parties hereto. 9.3 Severability. If any provision of this Agreement, or the application thereof, will for any reason and to any extent be invalid or unenforceable, the remainder of this Agreement will remain in full force and effect and the application of such provisions to other persons or circumstances will be interpreted so as reasonably to effect the intent of the Parties hereto. The Parties further agree to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of the void or unenforceable provision.

9.4 Counterparts. This Agreement may be executed in any number of counterparts, each of which will be an original as regards any Party whose signature appears thereon and all of which together will constitute one and the same instrument. This Agreement will become binding when one or more counterparts hereof, individually or taken together, will bear the signatures of each of the Parties reflected hereon as signatories.

9.5 Amendment and Waivers. Any term or provision of this Agreement may be amended and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) only by a writing signed by the Parties. The waiver by a Party of any breach hereof or default in the performance hereof will not be deemed to constitute a waiver of any other default or any succeeding breach or default. This Agreement may be amended by the Parties hereto any time before or after approval of the Seller's shareholders, but after such approval no amendment will be made which by applicable law requires the further approval of the Seller's shareholders without obtaining such further approval.

ARTICLE 1. Voting of Tenet Securities

1.1 Tenet Securities. Exhibit A hereto sets forth all shares of Tenet capital stock and any other securities of Tenet owned by each Shareholder, including all securities of Tenet as to which such Shareholder has sole or shared voting or investment power, and all rights, options and warrants to acquire shares or capital stock or other securities of Tenet granted to or held by such Shareholder (such shares of Tenet capital stock, rights, options and warrants to acquire shares of Tenet capital stock and other securities of Tenet are hereinafter collectively referred to as "Tenet Shares"). Each Shareholder covenants and agrees with ClinicalVentures that, during the period commencing on the date of this Voting Agreement and ending on the Expiration Date, such Shareholder shall not, directly or indirectly: (i) solicit or initiate discussions or engage in negotiations with any person other than ClinicalVentures or take any action intended, designed or reasonably likely to facilitate the efforts of any person, other than ClinicalVentures or its affiliates, relating to the possible acquisition of the Assets or any material portion thereof ("Acquisition Proposal"), (ii) furnish any nonpublic information regarding Tenet to any person in connection with or in response to an Acquisition Proposal or potential Acquisition Proposal; (iii) engage in discussions with any person with respect to any Acquisition Proposal; (iv) endorse or recommend any Acquisition Proposal; or (v) enter into any letter of intent or other similar document or any contract contemplating or otherwise relating to any Acquisition Proposal. 4.1 No Restriction on Performance of Obligations. If at any time prior to the Expiration Date a Shareholder or a representative of a Shareholder is a member of the Board of Directors of Tenet (a "Director") or an officer of Tenet, nothing in this Agreement shall limit or restrict any such Director or officer in acting in such person's capacity as a Director or officer, as the case may be, of Tenet and in the exercise of such person's fiduciary duties and responsibilities in such capacity, it being agreed and understood that this Agreement shall apply to such Shareholder solely in such Shareholder's capacity as a shareholder of Tenet and shall not apply to any Director's or officer's actions, judgments or decisions as a Director or officer of Tenet. (c) Transfers of Tenet Securities. From the Effective Date and through and including the Expiration Date, if such Shareholder sells, transfers, encumbers or otherwise disposes of any Tenet Securities, such Shareholder shall (i) provide written notice to ClinicalVentures, as provided herein, immediately prior to any such sale, transfer, encumbrance or other disposition, and (ii) if requested by ClinicalVentures, require the purchaser or other transferee of any such securities to be bound by all of the terms and obligations of this Voting Agreement.

(d) Further Assurances. Such Shareholder agrees to execute and deliver any additional documents reasonably necessary or desirable, in the opinion of ClinicalVentures, to carry out the purposes and intent of this Voting Agreement.

This Transition Management Services Agreement (the "Agreement") is made and entered into effective as of July __, 2003, by and between Tenet Information Services, Inc., a Utah corporation with principal executive offices at 53 West 9000 South, Salt Lake City, Utah 84070 (the "Company") and ClinicalVentures, LLC, a Delaware corporation with principal executive offices at 3325 South Hardy Drive, Suite 101, Tempe, Arizona 85282 ("Manager").

RECITALS

A. The Company and Manager are parties to an Asset Purchase Agreement dated as of July __, 2003 (the "Purchase Agreement"), pursuant to which the Company has contracted to sell to Manager certain of the Company's assets (the "Acquired Assets").

B. The closing of the sale of the Acquired Assets from the Company to Manager (the "Closing") is scheduled to occur following the satisfaction of various conditions to the Closing as set forth in the Purchase Agreement, including approval of the Purchase Agreement and the transactions contemplated thereby by the Company's shareholders.

C. The parties desire to enter into this Agreement in order to provide for the operation and management of the Company, and the conduct of its business related to the Acquired Assets (the "Business"), pending the Closing.

AGREEMENT

NOW THEREFORE, in consideration of the foregoing premises and the mutual covenants and agreements contained herein, the receipt and legal sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

1. Definitions. Unless otherwise defined herein, or unless the context otherwise requires, all capitalized terms used in this Agreement will have the meanings assigned to them in the Purchase Agreement.

2. Appointment as Agent. The Company hereby appoints Manager as its exclusive agent to manage, operate and maintain the Business for the period commencing from the date hereof and continuing until the earlier of (i) the Closing, or (ii) the termination of the Purchase Agreement or abandonment by the Company and Manager of the transactions contemplated thereby (the "Transition Period").

I-1

3. Transition Management Services; Duties of Manager.

(a) During the Transition Period, Manager will perform and provide to the Company the services listed on Exhibit A attached hereto, and shall have the exclusive duties and responsibilities indicated therein, and the Company hereby confers upon the Manager all of the authority, powers and rights required to carry out and perform such services, duties and responsibilities.

(b) All actions taken and all services to be provided by Manager hereunder during the Transition Period shall be conducted in a manner consistent with the requirements of Section 5.1 of the Purchase Agreement (based on the Company's description to Manager of what constitutes the ordinary course of business for the Company's Business).

(c) Manager shall conduct its activities hereunder in good faith and with the exercise of reasonable care, operating the Business in a manner consistent with all material legal requirements, and using its commercially reasonable efforts to avoid the violation or non-fulfillment of any representations, warranties or covenants of the Company as set forth in the Purchase Agreement.

(d) During the Transition Period, all cash and accounts that are included within Excluded Assets shall be retained, collected and segregated into separate, identified accounts, and preserved for the benefit of the Company from and after the Closing (or the termination of the Transition Period); provided that such reserved amounts may be utilized as required to retire Retained Liabilities that become due during the Transition Period, as required to avoid penalties or additional assessments.

(e) It is intended that during the Transition Period, all operations of the Company will be funded out of the Company's available cash reserves and cash flow (i.e., not including the restricted amounts referenced in paragraph 3(d) above). To the extent available cash exceeds that required to operate the Business during the Transition Period, the Manager shall have the right to retain or withdraw from the Company the amount of such excess cash as consideration for the payment of its services hereunder, as provided in Section 5 below. To the extent the cash flow of the Company during the Transition Period is not sufficient to meet the Company's operating requirements, then the Manager will be required to provide or obtain the needed capital for the

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

benefit of the Company. The Manager may, as it determines in good faith to be appropriate, provide or obtain additional funding for the benefit of the Company, on terms it determines to be reasonable and in the best interests of the Company, provided that such terms are approved by the Company's President. If for any reason the Closing does not occur and Manager surrenders management of the Company back to the Company as provided herein, the Company shall be responsible for the repayment of any such funding that has been approved by the Company's President, less the amount of cash withdrawn from the Company by the Manager as consideration for its services as provided in Section 5(a) below, the amount of which shall be the responsibility of the Manager.

I-2

(f) If the Transition Period terminates other than by reason of the occurrence of the Closing, then the Manager shall at such time cease all use of, and shall return to the Company, and shall refrain from unauthorized use of thereafter, all of the Company's proprietary and confidential information, except as otherwise permitted under a license agreement entered into with the Company in a form approved by the Company's President.

4. Term of Agreement. The term of this Agreement shall be coterminous with the Transition Period. At the conclusion of the Transition Period, all rights and obligations of the parties arising hereunder will cease, except as provided in Section 6 below.

5. Compensation of Manager. The Manager will perform its services hereunder for the purpose of preserving and maintaining the Business during the Transition Period, and for the following consideration:

(a) the Manager will retain all revenues related to the Business received during the term of the Agreement, in excess of the amounts required to operate the Business and meet the Company's current obligations during the Transition Period.

(b) The Company will reimburse Manager for reasonable actual out-of-pocket expenses incurred in the performance of services under this Agreement. The Company agrees that Manager may deduct from the income of the Business the amount of all reasonable expenses incurred in carrying out its responsibilities hereunder.

6. Indemnification of Manager. If at the end of the Transition Period the Closing does not occur and management of the Business is returned to the Company, the Company will indemnify, defend and hold harmless Manager from all suits, claims, damages, expenses and liabilities of whatever nature arising from Manager's good faith performance of its duties hereunder.

7. Independent Contractor. The Manager's relationship with the Company is that of an independent contractor. The Manager will use its own discretion in performing the tasks assigned within the scope of work specified by the Company.

8. Records. Manager agrees to keep complete and accurate records showing income and expenses in connection with the

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

operation of the Business during the Transition Period and the fulfillment of its responsibilities hereunder. The Company shall have the right at any reasonable time during the Transition Period, through its representatives, to inspect any records of Manager relating to the performance of management services hereunder. During the Transition Period, the records of the operations of the Company (including records of revenues and expenses) shall be kept separately from the records of the operations of Manager. Upon the termination of the Transition Period, the Manager will provide to the Company all such records of the Company's operations during the Transition Period, so that the Company can prepare its financial statements with respect to such period.

I-3

9. Notices. All notices, requests, demands or other communications which are required or may be given pursuant to the terms of this Agreement shall be in writing and shall be deemed to have been duly given (i) on the date of delivery if personally delivered by hand, (ii) upon the third day after such notice is (a) deposited in the United States mail, if mailed by registered or certified mail, postage prepaid, return requested, or (b) sent by a nationally recognized overnight express courier, or (iii) by facsimile upon confirmation that the communication has been received by the recipient's facsimile machine, to the address for each party as set forth above, or the facsimile number for such party as set forth on the signature pager hereof, or such other address or number as to which a party may give notice as provided herein.

10. General.

(a) Entire Agreement; No Modifications. Upon execution by both parties, this Agreement, along with its Exhibits, and the directly applicable and relevant provisions of the Purchase Agreement, shall constitute the entire agreement and understanding between the parties hereto with respect to the subject matter hereof and shall supersede any and all other prior or contemporaneous communications. This Agreement shall not be modified except by a written agreement dated subsequent to the date of this Agreement and signed on behalf of the parties hereto by their respective duly authorized representatives.

(b) No Assignment. This Agreement may not be assigned by either party without the prior written consent of the other party. Subject to such restriction on assignment, this Agreement will inure to the benefit of the subsidiaries, successors, and permitted assigns of the parties.

(c) Governing Law; Jurisdiction; Attorneys' Fees. The parties consent to exclusive jurisdiction by the state and federal courts sitting in the State of Arizona. If either party employs attorneys to enforce any rights arising out of or relating to this Agreement, the prevailing party shall be entitled to recover its reasonable attorneys' fees, costs and other expenses.

(d) Waiver. No waiver of any term or condition of

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

this Agreement, or any breach of this Agreement or any part thereof, shall be deemed a waiver of any other terms or conditions of the Agreement or of any later breach of the Agreement or of any part thereof.

(e) Severability. If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid or unenforceable, it shall be modified rather than voided, if possible, to achieve the intent of the parties hereto to the extent possible. In any event, the remaining provisions shall remain in full force and effect.

I-4

(f) Section Headings. The Section headings used in this Agreement and the attached Exhibits are intended for convenience only and shall not be deemed to supersede or modify any provisions of the Agreement.

(g) Counterparts. This Agreement may be signed in counterparts with the same effect as if the signatures to each counterpart were upon a single instrument. All counterparts shall be deemed an original of this Agreement.

(h) Impact on Purchase Agreement. Upon the Manager's assumption of management of the Business pursuant to this Agreement, the Company shall be relieved of any further obligations pursuant to the Purchase Agreement (i) relating to the operation of the Business, or (ii) regarding the making of representations or warranties regarding the Business or the status of the Acquired Assets with respect to any period following such assumption of management responsibilities. Furthermore, from and after such assumption of management responsibilities, Manager shall not be entitled to decline to proceed with the Closing based on the failure of a condition to the Closing that relates to the condition or operation of the Business.

IN WITNESS WHEREOF, the parties have duly executed this Agreement as of the date written above.

16-10a-1303. Dissent by nominees and beneficial owners.

(1) A record shareholder may assert dissenters' rights as to fewer than all the shares registered in his name only if the shareholder dissents with respect to all shares beneficially owned by any one person and causes the corporation to receive written notice which states the dissent and the name and address of each person on whose behalf dissenters' rights are being asserted. The rights of a partial dissenter under this subsection are determined as if the shares as to which the shareholder dissents and the other shares held of record by him were registered in the names of different shareholders.

3

16-10a-1321. Demand for payment -- Eligibility and notice of intent.

(1) If a proposed corporate action creating dissenters' rights under Section 16-10a-1302 is submitted to a vote at a shareholders' meeting, a shareholder who wishes to assert dissenters' rights:

(3) In order to be entitled to payment for shares under this part, unless otherwise provided in the articles of incorporation, bylaws, or a resolution adopted by the board of directors, a shareholder must have been a shareholder with respect to the shares for which payment is demanded as of the date the proposed corporate action creating dissenters' rights under Section 16-10a-1302 is approved by the shareholders, if shareholder approval is required, or as of the effective date of the corporate action if the corporate action is authorized other than by a vote of shareholders.

(4) A shareholder who does not satisfy the requirements of Subsections (1) through (3) is not entitled to payment for shares under this part.

16-10a-1322. Dissenters' notice.

(1) If proposed corporate action creating dissenters' rights under Section 16-10a-1302 is authorized, the corporation shall give a written dissenters' notice to all shareholders who are entitled to demand payment for their shares under this part.

16-10a-1323. Procedure to demand payment.

Edgar Filing: TENET INFORMATION SERVICES INC - Form PRE 14A

(1) A corporation may, with the dissenters' notice given pursuant to

Section 16-10a-1322, state the date of the first announcement to news media or to shareholders of the terms of the proposed corporate action creating dissenters' rights under Section 16-10a-1302 and state that a shareholder who asserts dissenters' rights must certify in writing, in or with the payment demand, whether or not he or the person on whose behalf he asserts dissenters' rights acquired beneficial ownership of the shares before that date. With respect to any dissenter who does not certify in writing, in or with the payment demand that he or the person on whose behalf the dissenters' rights are being asserted, acquired beneficial ownership of the shares before that date, the corporation may, in lieu of making the payment provided in Section 16-10a-1325, offer to make payment if the dissenter agrees to accept it in full satisfaction of his demand.

(2) An offer to make payment under Subsection (1) shall include or be accompanied by the information required by Subsection 16-10a-1325(2).

16-10a-1328. Procedure for shareholder dissatisfied with payment or offer.

(1) A dissenter who has not accepted an offer made by a corporation under Section 16-10a-1327 may notify the corporation in writing of his own estimate of the fair value of his shares and demand payment of the estimated amount, plus interest, less any payment made under Section 16-10a-1325, if:

(a) the dissenter believes that the amount paid under Section 16-10a-1325 or offered under Section 16-10a-1327 is less than the fair value of the shares;

(b) the corporation fails to make payment under Section 16-10a-1325 within 60 days after the date set by the corporation as the date by which it must receive the payment demand; or

(c) the corporation, having failed to take the proposed corporate action creating dissenters' rights, does not return the deposited certificates or release the transfer restrictions imposed on uncertificated shares as required by Section 16-10a-1326.

(2) A dissenter waives the right to demand payment under this section unless he causes the corporation to receive the notice required by Subsection (1) within 30 days after the corporation made or offered payment for his shares.

16-10a-1330. Judicial appraisal of shares -- Court action.

(1) If a demand for payment under Section 16-10a-1328 remains unresolved, the corporation shall commence a proceeding within 60 days after receiving the payment demand contemplated by Section 16-10a-1328, and petition the court to determine the fair value of the shares and the amount of interest. If the corporation does not commence the proceeding within the 60-day period, it shall pay each dissenter whose demand remains unresolved the amount demanded.

(2) The corporation shall commence the proceeding described in Subsection (1) in the district court of the county in this state where the corporation's principal office, or if it has no principal office in this state, the county where its registered office is located. If the corporation is a foreign corporation without a registered office in this state, it shall commence the proceeding in the county in this state where the registered office of the domestic corporation merged with, or whose shares were acquired by, the foreign corporation was located.

(3) The corporation shall make all dissenters who have satisfied the requirements of Sections 16-10a-1321, 16-10a-1323, and 16-10a-1328, whether or not they are residents of this state whose demands remain unresolved, parties to the proceeding commenced under Subsection (2) as an action against their shares. All such dissenters who are named as parties must be served with a copy of the petition. Service on each dissenter may be by registered or certified mail to the address stated in his payment demand made pursuant to Section 16-10a-1328. If no address is stated in the payment demand, service may be made at the address stated in the payment demand given pursuant to Section 16-10a-1323. If no address is stated in the payment demand, service may be made at the address shown on the corporation's current record of shareholders for the record shareholder holding the dissenter's shares. Service may also be made otherwise as provided by law.

(4) The jurisdiction of the court in which the proceeding is commenced under Subsection (2) is plenary and exclusive. The court may appoint one or more persons as appraisers to receive evidence and recommend decision on the question of fair value. The appraisers have the powers described in the order appointing them, or in any amendment to it. The dissenters are entitled to the same discovery rights as parties in other civil proceedings.

(5) Each dissenter made a party to the proceeding commenced under Subsection (2) is entitled to judgment:

(a) for the amount, if any, by which the court finds that the fair value of his shares, plus interest, exceeds the amount paid by the corporation pursuant to Section 16-10a-1325; or

(b) for the fair value, plus interest, of the dissenter's after-acquired shares for which the corporation elected to withhold payment under Section 16-10a-1327.

16-10a-1331. Court costs and counsel fees.

(1) The court in an appraisal proceeding commenced under Section 16-10a-1330 shall determine all costs of the proceeding, including the reasonable compensation and expenses of appraisers appointed by the court. The court shall assess the costs against the corporation, except that the court may assess costs against all or some of the dissenters, in amounts the court finds equitable, to the extent the court finds that the dissenters acted arbitrarily, vexatiously, or not in good faith in demanding payment under Section 16-10a-1328.

(2) The court may also assess the fees and expenses of counsel and experts for the respective parties, in amounts the court finds equitable:

(a) against the corporation and in favor of any or all dissenters if the court finds the corporation did not substantially comply with the requirements of Sections 16-10a-1320 through 16-10a-1328; or

(b) against either the corporation or one or more dissenters, in favor of any other party, if the court finds that the party against whom the fees and expenses are assessed acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by this part.

(3) If the court finds that the services of counsel for any dissenter were of substantial benefit to other dissenters similarly situated, and that the fees for those services should not be assessed against the corporation, the court may award to those counsel reasonable fees to be paid out of the amounts awarded the dissenters who were benefited.
