Item 5. Other Events

On April 19, 2004, Telephone and Data Systems, Inc. (TDS) issued a news release announcing that it expected to restate financial statements for the years ended December 31, 2003 and 2002 and for the interim periods for such years. A copy of the news release is attached hereto as Exhibit 99.1.

The restatements will result in technical defaults under the revolving credit agreement between TDS and certain lenders, under a revolving credit agreement between United States Cellular Corporation (U.S. Cellular) and certain lenders and under certain monetization agreements between subsidiaries of TDS and a counterparty. Neither TDS nor U.S. Cellular has failed to make or expects to fail to make any scheduled payment of principal or interest under such revolving credit agreements or monetization agreements. TDS and U.S. Cellular have been in discussions with the agents for the lenders and the counterparty relating to waivers by the lenders and the counterparty under such agreements. Based on such discussions, it is expected that the lenders and the counterparty will agree to waive any defaults that may occur as a result of the restatements.
