Item 8.01. Other Events.

Unless the context requires otherwise, references in this Current Report on Form 8-K to “we,” “us,” “our,” or “Enterprise Products Partners” are intended to mean the business and operations of Enterprise Products Partners L.P. and its consolidated subsidiaries, which now include TEPPCO Partners, L.P. and its general partner.

As described in our Quarterly Report on Form 10-Q for the period ended September 30, 2009 and within this Current Report on Form 8-K, we completed the related mergers of our wholly owned subsidiaries with TEPPCO Partners, L.P. (“TEPPCO”) and its general partner, Texas Eastern Products Pipeline Company, LLC (“TEPPCO GP”), on October 26, 2009 (such related mergers referred to herein individually and together as the “TEPPCO Merger”).

The TEPPCO Merger transactions were accounted for as a reorganization of entities under common control in a manner similar to a pooling of interests. The financial and operating activities of Enterprise Products Partners, TEPPCO and Enterprise GP Holdings L.P. and their respective general partners, and EPCO, Inc. and its privately held subsidiaries, are under the common control of Dan L. Duncan. The purpose of the disclosures presented in this Current Report on Form 8-K is to recast certain financial and other information of Enterprise Products Partners to include TEPPCO and TEPPCO GP.

The inclusion of TEPPCO and TEPPCO GP in the supplemental consolidated financial statements and other disclosures presented within this Current Report on Form 8-K was effective January 1, 2005 since an affiliate of EPCO under common control with Enterprise Products Partners originally acquired ownership interests in TEPPCO GP in February 2005.

Our supplemental consolidated financial statements prior to the effective date of the TEPPCO Merger reflect the combined financial information of Enterprise Products Partners, TEPPCO and TEPPCO GP on a 100% basis. Third party and related party ownership interests in TEPPCO and TEPPCO GP prior to the merger have been reflected as “Former owners of TEPPCO,” which is a component of noncontrolling interest.

We revised our business segments and related disclosures to reflect the TEPPCO Merger. Our reorganized business segments reflect the manner in which these businesses are managed and reviewed by the chief executive officer of our general partner. Under our new business segment structure, we have five reportable business segments: (i) NGL Pipelines & Services; (ii) Onshore Natural Gas Pipelines & Services; (iii) Onshore Crude Oil Pipelines & Services; (iv) Offshore Pipelines & Services; and (v) Petrochemical & Refined Products Services.

An investment in our common units involves certain risks. If any of these risks were to occur, our business, financial position, results of operations and cash flows could be materially adversely affected. As recast, Item 1A of Exhibit 99.1 lists our current key risk factors.
