Compensation of Directors

The Board of Directors has approved a compensation structure for the Corporation's non-executive directors which is designed to fairly pay non-executive directors for work required while aligning the interests of the non-executive directors with the long-term interests of stockholders.

Non-executive directors are entitled to receive a \$25,000 annual retainer, with an additional \$15,000 payable annually to the Chairman of the Audit Committee. In addition, \$7,500 is payable annually to the Chairman of each of the Compensation Committee and Nominating and Corporate Governance Committee. All of these fees are payable in stock, restricted stock, restricted stock units, or such other equity-based compensation as the Board of Directors determines.

The non-executive directors are also entitled to receive attendance fees of \$1,500 per meeting for each board and committee meeting, payable in cash. All cash fees can be deferred at the option of the directors.

To date, the equity-based fees have been paid in the form of awards issued pursuant to the Corporation's 2006 Stock Incentive Plan. The non-executive directors have limited rights, exercisable within applicable time limits, to elect to have any percentage of such awards, and any percentage of cash fees, payable in deferred stock units. The deferred stock units are subject to the 2006 Deferred Stock Unit Plan.

On June 11, 2007, each of the Corporation's directors, including Mr. Harvey and Mr. Perry, were granted 150,000 stock options. One-third of the stock options vested upon issuance, and the balance of the stock options will vest as to one-third on each of the first and second anniversaries of the grant date. The options are for a ten year term and, upon vesting, will be exercisable at an exercise price of \$0.68 per share (being the fair market value of our common stock on the date of grant, calculated in accordance with the 2006 Stock Incentive Plan), subject to adjustment.

Executive Employment Agreement With John Perry

Mr. Perry was appointed as the Corporation's Senior Vice President and Chief Financial effective April 1, 2005 pursuant to a memorandum of understanding which was replaced with a formal employment agreement dated April 18, 2005. The employment agreement was subsequently amended by an amending agreement between the Corporation and Mr. Perry 5.

dated October 18, 2006. These agreements are more fully described in the Corporation's annual report on Form 10-KSB for the year ended December 31, 2006.

The original term of Mr. Perry's employment agreement, as amended, was for two years and expired on April 18, 2007, but the agreement is subject to automatic renewal for successive one year periods unless cancelled by either of the parties.

Mr. Perry's base salary under his employment agreement was \$175,000 annually, but he agreed to accept 20,000 fully paid and non-assessable shares common stock per month, in lieu of cash salary, until the Corporation had received funding of at least \$10,000,000. Given the completion of the unregistered offering of special warrants disclosed in the Corporation's Form 8-K filed with the Securities and Exchange Commission on June 6, 2007, Mr. Perry is now entitled to receive his salary in cash.

Given Mr. Perry's increased responsibilities, the Board of Directors has authorized an increase in Mr. Perry's annual salary to \$200,000, with effect from June 1, 2007.

Grant of Stock Options to Senior Officers Pursuant to 2006 Stock Incentive Plan

Mr. Perry, in view of his increased responsibilities, was granted an additional 500,000 stock options in his capacity as the President and Chief Executive Officer of the Corporation. Erland A. Anderson, was also granted 250,000 stock options in his capacity as the Executive Vice President and Chief Operating Officer of the Corporation. One-third of the stock options vested upon issuance, and the balance of the stock options will vest as to one-third on each of the first and second anniversaries of the grant date. The options are for a ten year term and, upon vesting, will be exercisable at an exercise price of \$0.68 per share (being the fair market value of our common stock on the date of grant, calculated in accordance with the 2006 Stock Incentive Plan), subject to adjustment.

Certain Relationships and Related Transactions

Except for the transactions described below, during the last two years none of the new directors, nor any associate or affiliate of the new directors, have had any interest, direct or indirect, in any transaction, or in any proposed transactions, which has materially affected or will materially affect the Corporation:

- In September 2005, the Corporation commenced an unregistered private placement offering of units, whereby one unit, consisting of one share of common stock and a warrant to purchase one share of common stock, was offered for \$0.35 per unit. The Corporation sold 899,644 units for a total of \$314,875. The stock purchase warrants have an exercise price of \$0.40 and expire in three years. We issued these securities to accredited investors, relying on Rule 506 of Regulation D and/or Section 4(2) of the Securities Act of 1933, as amended. Mr. Perry purchased 142,857 units in the private placement. All insiders participated on the same terms as third party purchasers.
- On June 6, 2007, the Corporation announced the completion of an unregistered private placement offering of 30,666,700 special warrants (the Special Warrants). Mr. Harvey purchased 187,500 Special Warrants in the private placement.

SECTION 8 OTHER EVENTS

Item 8.01 Other Events

On June 11, 2007, the Corporation issued a news release announcing the appointment of Mr. Perry and Mr. Harvey to the Board of Directors. The news release also references the unregistered private placement offering of 30,666,700 Special Warrants. The Special Warrants were offered and sold at a price of \$0.75 per Special Warrant for aggregate gross proceeds of approximately \$23 million.

In response to questions raised by several stockholders of the Corporation, the Corporation has clarified that receipt of the net proceeds of the offering by the Corporation was not made conditional on the filing of either a Canadian prospectus or a registration statement under the Securities Act of 1933 (the "1933 Act"). Upon closing of the offering of the Special Warrants, the Corporation received net proceeds of \$21.5 million and, as of the June 12, 2007, a portion of the net proceeds have now been applied to repayment of the \$5,000,000 bridge loan from Nedbank Limited.

The offering of the Special Warrants was completed in the United States pursuant to exemptions from the registration requirements of the 1933 Act and outside of the United States to non-U.S. investors in accordance with Regulation S of the 1933 Act. Neither the Special Warrants, nor the underlying securities issuable upon conversion thereof have been registered under the 1933 Act and may not be offered or sold in the United States absent registration or an exemption from the registration requirements of the 1933 Act.
