Edgar Filing: TAIWAN FUND INC - Form SC 13D

ITEM 1. SECURITY AND ISSUER.

-----  
This statement relates to the shares of common stock, par value \$.01 per share (the "Shares"), of The Taiwan Fund, Inc. (the "Fund"). The principal executive offices of the Fund are located at 225 Franklin Street, Boston, Massachusetts 02110.

ITEM 2. IDENTITY AND BACKGROUND.

-----  
(a), (b) and (c). This statement is being filed by City of London Investment Group PLC ("CLIG") and City of London Investment Management Company Limited ("CLIM," and together with CLIG, the "Reporting Persons").

The principal business of CLIG is serving as the parent holding company for the City of London group of companies, including CLIM. The business address and principal executive offices of CLIG are 10 Eastcheap, London EC3M ILX, England. The directors and executive officers of CLIG, their business addresses and present principal occupation or employment are set forth on Annex A attached to this Schedule 13D.

CLIM is an emerging markets fund manager which specializes in investing in closed-end investment companies and is a registered investment adviser under Section 203 of the Investment Advisers Act of 1940. CLIM is controlled by CLIG. CLIM is principally engaged in the business of providing investment advisory services to various public and private investment funds, including The Emerging World Fund ("EWF"), a Dublin, Ireland-listed open-ended investment company, Global Emerging Markets Country Fund ("GEM"), a private investment fund organized as a Delaware business trust, Investable Emerging Markets Country Fund ("IEM"), a private investment fund organized as a Delaware business trust, MP Emerging Markets Country Fund ("MPEM"), a private investment fund organized as a Delaware business trust, and GFM (Institutional) Emerging Markets Country Fund ("GFM"), an open-ended fund organized under the laws of the Province of Ontario. The business address and principal executive offices of CLIM are 10 Eastcheap, London EC3M ILX, England. The directors and executive officers of CLIM, their business addresses and present principal occupation or employment are set forth on Annex A attached to this Schedule 13D.

CLIG also controls City of London Quantitative Management Ltd. ("CLQM"), which acts as an investment adviser to Global Optimization Fondo de Inversion Internacional ("Global"), a closed-end fund organized under the laws of Chile. EWF, GEM, IEM, MPEM, GFM, and Global are referred to herein as the "City of London Funds."

The Shares to which this Schedule 13D relates are owned directly by the City of London Funds.

(d) and (e). During the last five years, none of the Reporting Persons or, to the knowledge or belief of the Reporting Persons, none of the natural persons identified in this Item 2, has

(Page 4 of 12 Pages)

been convicted in any criminal proceeding (excluding traffic

violations or similar misdemeanours), or has been a party to any civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violations with respect to such laws.

(f). Each of the Reporting Persons is a company incorporated under the laws of England and Wales. Each natural person identified in this Item 2 is a citizen of Great Britain.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

Beneficial ownership of the Shares to which this statement relates was acquired by the Reporting Persons with invested capital of the City of London Funds.

The aggregate purchase price of the 1,156,500 Shares beneficially owned by the Reporting Persons was \$9,735,019, inclusive of brokerage commissions.

The aggregate purchase price of the 190,784 Shares beneficially owned by EWF was \$1,621,147, inclusive of brokerage commissions.

The aggregate purchase price of the 490,966 Shares beneficially owned by GEM was \$4,153,548, inclusive of brokerage commissions.

The aggregate purchase price of the 425,350 Shares beneficially owned by IEM was \$3,552,943, inclusive of brokerage commissions.

The aggregate purchase price of the 19,400 Shares beneficially owned by GFM was \$156,279, inclusive of brokerage commissions.

The aggregate purchase price of the 30,000 Shares beneficially owned by Global was \$251,100, inclusive of brokerage commissions.

ITEM 4. PURPOSE OF TRANSACTION.

From time to time, the Reporting Persons have acquired beneficial ownership of Shares in the ordinary course of business for investment purposes and have held Shares in such capacity. The Reporting Persons, collectively, are currently one of the Fund's largest stockholders.

The Reporting Persons believe the Board of Directors of the Fund has failed to take meaningful actions to solve the persistent under-performance problem of the Fund's net asset value ("NAV") with respect to its benchmark, the Taiwan Weighted Stock Exchange Index ("TAIEX"). In addition, the Reporting Persons are concerned about the Fund's investment manager's record of appointing portfolio managers and its potential

implications on the Fund and its performance.

NAV Performance  
-----

## Edgar Filing: TAIWAN FUND INC - Form SC 13D

The Reporting Persons are concerned about the performance of the Fund as compared to its benchmark index.

The portfolio review prepared by the Fund's investment manager, HSBC Asset Management (Taiwan) Limited ("HSBC"), on June 2003 shows that the performance of the Fund was very poor when compared to its benchmark index. The report states that the annualized total return of the Fund since inception in December 1986, assuming dividends and capital gains were re-invested, was 5.90% compared to an annualized total return for the Taiwan Weighted Stock Exchange Index (TAIEX) of 9.99%. These figures translate to a simple conclusion: the Fund has provided only 60% of the Taiwanese equity market appreciation.

Since HSBC began managing the Fund in August 2001, the Fund has under-performed its benchmark on a consistent basis as the following table shows:

	TWN NAV % change -----	TAIEX Index % change -----	% Under Performance -----
Year to date	15.09%	19.33%	-4.25%
1 year	3.41%	6.88%	-3.47%
2 years	7.06%	19.50%	-12.43%

Source: Bloomberg. Information as of August 1, 2003

The Fund's objective is to attain long-term capital appreciation by investing in the Taiwan equity market and out-performing its benchmark index. As such, it was meant to be a vehicle by which investors could implement their asset strategy in Taiwan as part of their global portfolio. History shows, however, that the Fund's objective has not been met. Performance has lagged the benchmark by a significant margin.

The Reporting Persons believe that the performance of the Fund is unacceptable. We believe that the Board has clearly failed in one of its principal tasks, which is to ensure that the investment manager delivers a performance compared to the benchmark that serves the shareholders' best interests. The Reporting Persons, as any other shareholders, need to know that the Fund will perform consistently at least as well as the benchmark index so as not to negate any country asset allocation decision.

The Fund's poor performance also concerns the Reporting Persons because they believe that the Fund, while intending to outperform its benchmark, may make investment decisions which may considerably increase the level of investment risk and may eventually increase the probability of a greater market price discount to NAV and greater losses to stockholders.

Investment Manager's Record of Appointing Portfolio Managers  
-----

The Reporting Persons are concerned about HSBC's record of appointing portfolio managers.

After the departure of Mr. Albert King as portfolio manager of the

## Edgar Filing: TAIWAN FUND INC - Form SC 13D

Fund and contemporaneous with the change in ownership of HSBC, from and after 2001 HSBC seems to have embarked upon a risky, and certainly not beneficial for the shareholders' best interests, process of frequently replacing the Fund's portfolio managers.

In May 2002 the Fund announced that Ms. Li-Jeng Chen had resigned from her position as the portfolio manager of the Fund in connection with her decision to leave HSBC to pursue other interests. The Fund further announced that Mr. Vincent Lai would succeed Ms. Chen as the Fund's lead portfolio manager.

Approximately a year later, on July 24, 2003, the Fund announced that Mr. Vincent Lai had also resigned from his position as the portfolio manager of the Fund in connection with his decision to leave HSBC to pursue other interests. The Fund further announced that Mr. Alan Huang would be acting as the Fund's lead portfolio manager.

As stated above, the Reporting Persons believe that HSBC has not only failed to deliver any meaningful value to shareholders through investment performance but has also added an unacceptable degree of risk by replacing portfolio managers in such a short period of time. We believe that lack of consistency in producing returns and the uncertainty regarding portfolio managers negatively affect shareholder value and are not in the shareholders' best interests, given that not only has the Fund's net asset value under-performed the benchmark index but the Fund's discount to NAV has tended to increase.

### Possible Actions

-----

The Reporting Persons believe that management and the Board should now openly and publicly commit to the stockholders to address the substantial and persistent under-performance of the Fund as compared to its benchmark index and to enhance stockholder value through whatever means necessary, with no prejudice for or against any option (e.g., open-ending (including by way of merger), liquidation, conversion to interval status, conversion to an index-based exchange-traded fund (or, if permissible, an actively managed ETF), termination of the investment management agreement, etc.).

The Reporting Persons would consider supporting stockholder proposals aimed at addressing, in a more meaningful manner, the Fund's discount to NAV and enhancing stockholder value, as well as a Board that is fully committed to openly serving the best interests of the Fund's stockholders. Such proposals might include, but are not necessarily limited to, an opposing slate of directors who would be committed to addressing the discount and any of the actions described above or other actions intended to terminate the

Fund's investment advisory agreement with HSBC. The Reporting Persons also may consider submitting nominees for election as directors or a stockholder proposal for consideration at the next meeting of stockholders of the Fund.

In addition to the foregoing, the Reporting Persons may consider the

Edgar Filing: TAIWAN FUND INC - Form SC 13D

feasibility and advisability of various alternative courses of action with respect to their investments in the Fund, and the Reporting Persons reserve the right, subject to applicable law, (i) to hold their Shares as passive investors or as active investors (whether or not as members of a "group" with other beneficial owners of Shares or otherwise), (ii) to acquire beneficial ownership of additional Shares in the open market, in privately negotiated transactions or otherwise, (iii) to dispose of all or part of their holdings of Shares, (iv) to take other actions which could involve one or more of the types of transactions or have one or more of the results described in Item 4 of this Schedule 13D, or (v) to change their intentions with respect to any or all of the matters referred to in this Item 4. The Reporting Persons' decisions and actions with respect to such possibilities will depend upon a number of factors, including, but not limited to, the actions of the Fund, market activity in the Shares, an evaluation of the Fund and its prospects, general market and economic conditions, conditions specifically affecting the Reporting Persons and other factors which the Reporting Persons may deem relevant to their investment decisions.

Except as set forth herein, no contract, arrangement, relationship or understanding (either oral or written) exists among the Reporting Persons as to the acquisition, disposition, voting or holding of Shares. Except as set forth herein, no Reporting Person has any present plan or proposal that would result in or relate to any of the transactions required to be described in Item 4 of Schedule 13D.
