APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.

(b) On March 14, 2012, James Barton resigned from his position as Chief Technology Officer and Senior Vice President for TiVo Inc. effective March 16, 2012.

(e) In connection with Mr. Barton's resignation, we plan to enter into a consulting agreement with him to continue to provide certain consulting services related to patent matters, litigation, and certain technical matters to the company until March 15, 2015, unless earlier terminated by either Mr. Barton or the company. During the term of his consulting agreement, Mr. Barton shall be paid \$25,000 per month. During the consulting agreement, Mr. Barton will continue to vest in his current equity awards. Mr. Barton shall also receive COBRA premium reimbursements for continued medical, vision, and dental benefits for himself and his dependents for the maximum period of time under which Mr. Barton remains eligible under COBRA during the term of his consulting agreement and should the term of the consulting agreement extend past such eligibility period Mr. Barton shall be entitled to reimbursement of expenses up to the amount paid by him under COBRA for the remaining term of his consulting agreement. Upon expiration of the consulting agreement, all of Mr. Barton's vested equity awards shall remain vested and remain exercisable for the lesser of their original term or one year from such date of expiration. In the event the consulting agreement is terminated prior to the expiration of the initial term by the company other than for good reason (as defined in the consulting agreement) or by Mr. Barton for good reason (as defined in the consulting agreement) or upon his death or a change in control of the company (as defined in the agreement), in addition to any payments owed to him under the agreement through the date of termination, all of Mr. Barton's unvested equity awards shall immediately vest and remain exercisable for the lesser of their original term or one year from such date of termination.
