Item 8.01 Other Events.

On January 23, 2012, Cleco Power LLC (“Cleco Power”), a wholly owned subsidiary of Cleco Corporation (the “Company”), announced Cleco Evangeline LLC (“Evangeline”) as the winning bidder of its most recent Request for Proposal (“RFP”) for power supply resources. Evangeline is a wholly owned subsidiary of Cleco Midstream Resources LLC, which is a wholly owned subsidiary of the Company. Cleco Power's RFP sought to supplement its existing power supply resources with contractual resources of up to approximately 750 MW for a delivery term of three or five years. Evangeline submitted Coughlin Power Station as the resource for the RFP. The application for authorization of Cleco Power's selection of the Evangeline bid is anticipated to be filed with the Louisiana Public Service Commission (the “LPSC”) no later than January 31, 2012, at which time additional information will become available. The transaction is subject to the prior authorizations of both the LPSC and the Federal Energy Regulatory Commission. The RFP was independently monitored by Ms. Elizabeth Benson, of Energy Associates, on behalf of the LPSC.
