**Item 1.01 - Entry into Material Definitive Agreement.**

On August 31, 2004, the Board of Directors and, separately, the Audit Committee of Chase Corporation (the Company) approved the amendment of the Stock Agreement dated September 7, 1995 (the Stock Agreement), between the Company and Peter R. Chase, its President and Chief Executive Officer.

Under the terms of the original Stock Agreement, Mr. Chase was granted an aggregate of 250,000 shares of restricted stock (the Shares) that will vest on September 6, 2004. The Stock Agreement grants the Company a right of first refusal with respect to any proposed sale or transfer of the Shares by Mr. Chase after the vesting date. In addition, the original Stock Agreement had granted Mr. Chase the right to put to the Company all or part of the Shares during the 180-day period after the vesting date and during each 90-day period after the first, second, and third anniversaries of the vesting date. The purchase price for the put option was calculated based upon the average trading price of the Company's common stock over the 60-day period beginning 30 days prior to the exercise of the put option and ending 30 days after such exercise.

On August 31, 2004, the Company and Mr. Chase amended the Stock Agreement to eliminate the put option and to include a provision that permits Mr. Chase the right to tender a portion of the Shares (valued at fair market value on the vesting date) to the Company to satisfy the minimum tax withholding obligations of the Company with respect to the vesting of the Shares. Furthermore, the Company has agreed to waive its right of first refusal with respect to any sale or transfer of the Shares by Mr. Chase within six months after the vesting date. The Company's minimum tax withholding obligation upon the vesting of the shares will be equal to approximately 31.5% of the fair market value of the shares on the vesting date.
