**Item 1.01. Entry Into a Material Definitive Agreement**

The information included under Item 2.03. Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant below is incorporated herein by reference.

**Item 1.02. Termination of a Material Definitive Agreement**

As indicated under Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant below, on October 15, 2004, we entered into an Amended and Restated Loan and Security Agreement which replaces our former Loan and Security Agreement, dated as of April 24, 1998, (as amended) which was scheduled to expire on September 15, 2005 (a copy of which is attached as an exhibit to our Form 10-Q for the quarter ended March 31, 1998 filed with the Securities and Exchange Commission on May 14, 1998).

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant**

On October 15, 2004, Mothers Work, Inc. (the Company ) and its wholly owned subsidiary, Cave Springs, Inc. (collectively, with the Company, the Borrowers and each individually, a Borrower ), entered into an Amended and Restated Loan and Security Agreement (the Loan Agreement ) with Fleet Retail Group, Inc., a Bank of America company (the Lender ). The obligations of the Borrowers under the Loan Agreement are guaranteed by Mothers Work Canada, Inc., a wholly owned subsidiary of the Company.

The Loan Agreement is a five-year \$60 million senior secured revolving credit facility which replaces our former \$60 million Loan and Security Agreement, dated as of April 24, 1998, (as amended) which was scheduled to expire on September 15, 2005. Upon the request of the Borrowers and the consent of the Lender, permitted borrowings under the Loan Agreement may be increased an additional \$15 million, in increments of \$2.5 million, up to a maximum limit of \$75 million. Proceeds of advances under the Loan Agreement, with certain restrictions, may be used to provide financing for working capital, letters of credit, capital expenditures, debt repayments, dividends, share repurchases and other general corporate purposes of the Borrowers. The Company paid certain closing fees in connection with the negotiation and execution of the Loan Agreement. The Company also pays an unused line fee under the Loan Agreement and certain early termination fees if the Loan Agreement is terminated prior to the third anniversary of the Loan Agreement.

The Loan Agreement contains affirmative and negative covenants and representations and warranties that are ordinary and customary for similar credit facilities. There are no financial covenant requirements in the Loan Agreement unless either (i) Excess Availability (as defined in the Loan Agreement) falls below \$10 million, or (ii) average Financial Covenant Adjusted Availability (as defined in the Loan Agreement) for any calendar month is less than \$15 million. If either of the events in item (i) or (ii) above occurs we would be required to meet a certain minimum fixed charge coverage ratio (which increases from 1.00x during the first two years of the Loan Agreement to 1.10x during the fifth year of the Loan Agreement).

The Loan Agreement is secured by a security interest in our accounts receivable, inventory, real estate interests, letter of credit rights, cash, intangibles and certain other assets.

## Edgar Filing: MOTHERS WORK INC - Form 8-K

The interest rate on outstanding borrowings is equal to, at the Company's election, either the Lender's prime rate or the Lender's LIBOR rate plus the applicable margin. The applicable margin for LIBOR rate borrowings is variable, ranging from 1.25% to 1.75%, based upon the availability calculation made in accordance with the Loan Agreement.

Any amounts outstanding under the Loan Agreement may be accelerated and become due and payable immediately and all loan and letter of credit commitments thereunder may be terminated upon an event of default and expiration of any applicable cure period. Events of default include: (i) nonpayment of obligations due under the Loan Agreement, (ii) failure to perform any covenant or agreement contained in the Loan Agreement, (iii) material misrepresentations, (iv) failure to pay, or certain other defaults under, other material indebtedness, (v) certain bankruptcy or insolvency events, (vi) a change of control, (vii) material uninsured losses, (viii) indictments of a Borrower, Guarantor or senior management in a material forfeiture action, and (ix) customary ERISA defaults.
