This Amendment No. 5 amends the Statement on Schedule 13D filed on June 14, 1999, as amended by Amendment Nos. 1, 2, 3 and 4 (the "Schedule 13D"), by Knowledge Capital Investment Group (the "Reporting Person").

Item 2. Identity and Background.

The address of the principal executive offices of the Reporting Person is 3232 McKinney Avenue, Suite 890, Dallas, Texas 75204-2429.

Item 4. Purpose of Transaction.

Item 4 is hereby amended to add the following at the end thereof:

On November 29, 2004, the Reporting Person and the Company entered into a Preferred Stock Amendment and Warrant Issuance Agreement (the Amendment Agreement). Under the terms of the Amendment Agreement, the Company and the Reporting Person agreed, subject to the satisfaction or waiver of certain conditions, including receiving all required shareholder approvals by the Company, to recapitalize the outstanding shares of Series A Preferred Stock by bifurcating the Series A Preferred Stock into two separate securities: (1) new Series A Preferred Stock that, among other things, is no longer convertible into shares of Common Stock and (2) new eight-year warrants, each in the form attached as Exhibit C to the Amendment Agreement (the Warrants), to purchase shares of Common Stock at \$8.00 per share (collectively, the Recapitalization).

At the closing of the Recapitalization as contemplated in the Amendment Agreement, the Company will effect the Recapitalization by (i) amending and restating its articles of incorporation in the form attached as Exhibit B to the Amendment Agreement to effect a one-to-four forward split of the Series A Preferred Stock, to eliminate the convertibility of the Series A Preferred Stock into Common Stock and to otherwise amend the designations, voting powers, preferences and relative, participating, optional and other special rights, qualifications, limitations and restrictions of the Series A Preferred Stock and the Series B Preferred Stock, of which no shares are currently outstanding, and to make other miscellaneous changes to the articles of incorporation (the Articles Amendment) and (ii) issuing to the Reporting Person and all other holders of Series A Preferred Stock as of the closing date Warrants to purchase shares of Common Stock.

After the closing of the Recapitalization and giving effect to the one-to-four forward split of the Series A Preferred Stock, the Reporting Person will hold 3,311,438 shares of Series A Preferred Stock, which will represent approximately 94.8% of the outstanding shares of Series A Preferred Stock. The voting power of the shares of Series A Preferred Stock will change to two votes per whole share as a result of the one-to-four forward split and will be generally comparable to the voting power of the existing series A Preferred Stock. Based on the number of outstanding shares of Common Stock as of November 30, 2004 as reported in the Company's preliminary proxy statement filed with the Securities and Exchange Commission on December 8, 2004, the shares of Series A Preferred Stock and Common Stock beneficially owned by the Reporting Person will collectively represent approximately 28.0% of the combined voting power of all outstanding shares of Series A Preferred Stock and Common Stock (which is the same percentage of combined voting power as the Reporting Person may currently exercise). The voting power of the Reporting Person and other holders of Series A Preferred Stock will be reduced by (x) the

number of shares of Common Stock acquired by such holder upon the exercise of any Warrant issued to such holder under the Amendment Agreement and (y) the number of shares of Common Stock purchasable upon exercise of a Warrant that such holder has sold or transferred to another person. In addition, the Series A Preferred Stock will automatically convert into shares of non-voting Series B Preferred Stock (together with the Series A Preferred Stock, the Senior Preferred Stock) upon any transfer of Series A Preferred Stock by the Reporting Person other than transfers to affiliates, five percent equity holders, immediate family members and trusts for the benefit of any such person. The holders of Senior Preferred Stock, voting as one class, will be entitled to elect two directors to the Board of Directors if the Company defaults on dividends on the Senior Preferred Stock for six quarters (any such directors so elected will, however, reduce the number of directors the Reporting Person is entitled to designate for election as described below as long as the Reporting Person beneficially owns a majority of the outstanding Series A Preferred Stock).

At the closing of the Recapitalization, the Company will issue a Warrant to the Reporting Person that will entitle the Reporting Person to purchase 5,913,402 shares of Common Stock for \$8.00 per share, subject to customary adjustment provisions. The Warrants will be exercisable at any time, in whole or in part, after the first anniversary of their issuance date, and will expire on the eighth anniversary of their issuance.

Upon exercise of the Warrant, the Reporting Person may choose, or the Company may elect to require, any Warrant exercise to be a net exercise in which the Reporting Person would receive fewer shares of Common Stock, depending on the fair market value of the Common Stock at the time of exercise, than otherwise could be received upon an exercise for cash. In addition, the Company, at its election, may choose, in the place of issuing any shares of Common Stock to the Reporting Person, to pay to the Reporting Person a cash amount equal to the fair market value of the shares of Common Stock that otherwise would be issuable to the Reporting Person in connection with such net exercise as opposed to issuing shares of Common Stock to the exercising holder. The Warrant will be transferable subject to a right of first refusal in favor of the Company. If the Company does not elect to exercise its rights of first refusal, the Reporting Person may sell the offered Warrant to any person or persons at a price not less than 90% of the price, and upon terms no more favorable than those specified in the offer to the Company.

Additionally, at the closing of the Recapitalization, the Company will enter into an Amended and Restated Shareholders Agreement with the Reporting Person (in the form attached to the Amendment Agreement as Exhibit E) (the Shareholders Agreement) and an Amended and Restated Registration Rights Agreement (in the form attached to the Amendment Agreement as Exhibit F) (the Registration Rights Agreement). If the Shareholders Agreement becomes effective any merger, consolidation, combination, recapitalization or reorganization or any disposition of all or substantially all the Company's properties and assets will, with certain exceptions, require the approval of the Reporting Person so long as it owns 880,000 shares of Series A Preferred Stock. Similarly, any dividends on and repurchases of Common Stock for the last four full fiscal quarters by the Company that collectively exceed the Company's net income for such period, will require the approval of the Reporting Person so long as it holds 880,000 shares of Series A Preferred Stock. However, the Shareholders Agreement will include an exception to this requirement that will provide that if the Company (i) has first redeemed at least \$30 million of the face value of shares of Series A Preferred Stock and (ii) maintains positive net working capital and, for the last four full fiscal quarters, the Company's EBITDA, determined on a pro forma basis as set forth in the Shareholders Agreement, equals or exceeds at least two times the Company's fixed charges, also determined on a pro forma basis, then the Company may, without Reporting Person's consent,

use cash in excess of 56.2% of the liquidation value, including accrued and unpaid dividends, attributable to the then-outstanding shares of Senior Preferred Stock to pay dividends on or repurchase shares of Common Stock from persons who are not affiliates of the Company, subject to the limitation that such dividends (but not repurchases) do not exceed 25% of the Company's net income during the last 12 months. The Shareholders Agreement will also contain provisions, comparable to the provisions of the currently outstanding Series A Preferred Stock, requiring that as long as the Reporting Person is entitled to designate at least two directors of Company (as discussed below) approval by an 80% Board vote is required for incurrence of certain indebtedness, and major divestitures and acquisitions by the Company unless certain financial tests are met.

The Series A Preferred Stock will be redeemable by the Company at its option at any time during the first year following the closing at a price per share equal to the liquidation value plus accrued and unpaid dividends and then again after the sixth anniversary of the closing at 101% of the liquidation value plus accrued and unpaid dividends. Additionally, if the Shareholders Agreement becomes effective, the Company will be entitled to repurchase from Reporting Person (or its transferees who assume its obligations with respect to this redemption right) up to the number of shares of Series A Preferred Stock (or Series B Preferred Stock held by such transferees upon conversion of shares of Series A Preferred Stock) having an aggregate liquidation value of \$30 million at any time at a price per share calculated based upon a percentage of the liquidation value of such shares that increases annually in one percentage point increments during the first four years following completion of the Recapitalization from 100% of the liquidation value in the first year to 103% of the liquidation value in the fourth year.

Following the closing, the Company will continue to agree in the Shareholders Agreement to use its best efforts to cause the election of up to three persons designated by the Reporting Person as directors of the Company as follows: (i) if the Reporting Person is the beneficial owner of 1,760,000 or more shares of Series A Preferred Stock, two designees; (ii) if the Reporting Person is the beneficial owner of at least 880,000 but less than 1,760,000 shares of Series A Preferred Stock, one designee; (iii) if the Reporting Person is the beneficial owner of at least one but less than 880,000 shares of Series A Preferred Stock, one designee, as long as that designee is Donald J. McNamara, and (iv) one additional designee as long as the Reporting Person is the beneficial owner of at least 1,000,000 shares of Common Stock. Currently, Donald J. McNamara and Brian A. Krisak serve on the Company's Board of Directors as designees of the Reporting Person. The Reporting Person does not intend to exercise its right to designate a third designee at the present time. As long as the Reporting Person is entitled to designate at least one designee, and to the extent permitted by law and applicable rules of the New York Stock Exchange, the Company has agreed to ensure that at least one of the Reporting Person's designees is a member of any committee of the Company's Board of Directors requested by the Reporting Person, other than any special committee of directors formed as a result of any conflict of interest arising from any such designee's relationship with the Reporting Person.

The Shareholders Agreement will continue to provide that subject to certain exceptions, the Reporting Person may not acquire more than 25% of the total voting power of the Company unless the acquisition is approved by the members of the Board who are not designees of the Reporting Person.

The Registration Rights Agreement will grant to Reporting Person certain resale registration rights related to the shares of Common Stock and Series A Preferred Stock it holds as well as the shares of Common Stock it may receive pursuant to the exercise of the Warrant issuable to it at the closing of the Recapitalization. Among other rights, the Company will agree

to file a shelf registration statement covering resales the shares owned by the Reporting Person within 120 days after the closing and use its reasonable best efforts to cause the registration statement to become effective as soon as possible thereafter, and in any event within 240 days of the initial filing of the registration statement.

At the closing, Hampstead Interests, L.P. ("HI"), an affiliate of the Reporting Person, and the Company will enter into an Amended and Restated Monitoring Agreement (in the form attached to the Amendment Agreement as Exhibit G) (the "Monitoring Agreement") under which HI will continue to agree to provide certain services to the Company in order to assist the Company with the development of its strategic plan, including acquisitions, divestitures, new development and financial matters, for a fee of \$100,000 per quarter, subject to reduction if the Reporting Person disposes of shares of Series A Preferred Stock. Under the Shareholders Agreement, designees of the Reporting Person serving on the Company's Board of Directors will not be entitled to receive Board fees at any time when HI is paid monitoring fees.

The Amendment Agreement includes typical representations and warranties from both the Company and the Reporting Person as well as various pre-closing and post-closing covenants by both parties. The closing of the Recapitalization and making effective the Articles Amendment are subject to customary conditions including, without limitation, the approval of the Common shareholders of the Company voting together with the holders of Series A Preferred Stock on an as-converted basis as a class, the approval of the Common shareholders as a separate class excluding the holders of Series A Preferred Stock on an as-converted basis and the approval of two-thirds of the votes cast by the holders of Series A Preferred Stock voting as a separate class.

On November 29, 2004, the Company and the Reporting Person entered into a Voting Agreement (the "Voting Agreement") pursuant to which the Reporting Person agreed to vote (i) in favor of the adoption of the Amendment Agreement, and in favor of the other transactions contemplated by the Amendment Agreement, including, without limitation, the issuance of the Warrants, (ii) against any action that could reasonably be expected to delay or compromise approval of the Recapitalization, (iii) against any action or agreement that could reasonably be expected to result in any of the conditions to the Company's obligation under the Amendment Agreement not being fulfilled, (iv) in favor of adoption by the Company of the Articles Amendment, and (v) in favor of any other matter reasonably relating to the consummation of the transactions contemplated in the Amendment Agreement. The Reporting Person has also agreed that it will not sell or otherwise dispose of any or all of its Shares or enter into any commitment (other than the Amendment Agreement) with respect to the direct or indirect acquisition or sale, assignment, pledge, encumbrance, transfer or other disposition of any Shares until the earlier of the closing of the Recapitalization or the termination of the Amendment Agreement.

The foregoing summaries of the Amendment Agreement (including the Exhibits thereto) and Voting Agreement are subject to, and qualified in their entirety by, the Amendment Agreement and Voting Agreement attached as Exhibits 1 and 2 hereto and incorporated herein by reference. Except as contemplated by the Amendment Agreement and Voting Agreement, the Reporting Person currently has no plan to take any action described in Item 4. However, depending on market conditions and other factors that each may deem material to its investment decision, the Reporting Person may dispose of, in the open market or in private transactions, all or a portion of the Shares that the Reporting Person now owns or hereafter may acquire, or may acquire additional Shares, including upon exercise of Warrants that may be issued to it as

contemplated by the Amendment Agreement. Except as set forth in this Item 4, the Reporting Person has no present plans or proposals that relate to or that would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D under the Act.

Item 5. Interest in Securities of the Issuer.

Item 5(a) is hereby amended to read in its entirety as follows:

(a) This Statement relates to 6,928,285 shares of Common Stock, representing 26.0% of the issued and outstanding shares of Common Stock, 5,913,283 of which the Reporting Person has the right to acquire at any time upon conversion of 827,859.67 shares of Series A Preferred.

Item 5(b) is hereby amended to read in its entirety as follows:

(b) Subject to the Voting Agreement, the Reporting Person has the sole power to vote and dispose of the 1,015,002 shares of Common Stock, as well as the 827,859.67 shares of Series A Preferred and the Common Stock into which it is convertible, which shares of Series A Preferred also provide the Reporting Person with 6,622,877 votes on matters brought generally before the holders of Common Stock.
