PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

The accompanying proxy is solicited by the Board of Directors of InsWeb Corporation, a Delaware corporation (InsWeb or the Company), for use at its annual meeting of stockholders to be held on July 18, 2005, or any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The date of this Proxy Statement is June 3, 2005, the approximate date on which this Proxy Statement and the accompanying form of proxy were first sent or given to stockholders.

SOLICITATION AND VOTING OF PROXIES

The cost of soliciting proxies will be borne by InsWeb. In addition to soliciting stockholders by mail, InsWeb will request banks and brokers, and other custodians, nominees and fiduciaries, to solicit their customers who have stock of InsWeb registered in the names of such persons and will reimburse them for their reasonable, out-of-pocket costs. InsWeb may use the services of its officers, directors and others to solicit proxies, personally or by telephone, without additional compensation. In addition, InsWeb has retained American Stock Transfer & Trust Co., a registrar and transfer agent firm, for assistance in connection with the annual meeting at no additional cost except for reasonable out-of-pocket expenses.

On May 20, 2005, there were 4,044,061 shares of InsWeb s Common Stock outstanding, all of which are entitled to vote with respect to all matters to be acted upon at the annual meeting. Each stockholder of record as of that date is entitled to one vote for each share of Common Stock held by him or her. InsWeb s bylaws provide that a majority of all of the shares of the stock entitled to vote, whether present in person or represented by proxy, shall constitute a quorum for the transaction of business at the meeting. Votes for and against, abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum.

All valid proxies received before the meeting will be exercised. All shares represented by a proxy will be voted, and where a stockholder specifies by means of his or her proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with that specification. If no choice is indicated on the proxy, the shares will be voted in favor of the proposal. A stockholder giving a proxy has the power to revoke his or her proxy at any time before the time it is exercised by delivering to the Secretary of InsWeb a written instrument revoking the proxy or a duly executed proxy with a later date, or by attending the meeting and voting in person.

Participants in the Plan are entitled to receive cash severance payments and health and medical benefits in the event their employment is terminated in connection with a change in control. Participants will also receive the benefits if InsWeb terminates their employment other than for cause or if the participant voluntarily terminates his employment for good reason following certain specified actions by InsWeb. Upon any other termination of employment, the participant will be entitled only to accrued salary and any other vested benefits through the date of termination.

InsWeb's 1997 Stock Option Plan provides that, in the event of a change in control of InsWeb, any outstanding option that is not assumed or substituted by the acquiring corporation will become fully vested. Further, the option agreements applicable to options granted under the 1997 Stock Option Plan provide for full acceleration of vesting if, within 12 months following a change in control, the optionee's employment is terminated without cause or the optionee resigns for good reason, as defined in such option agreements.

Certain Relationships and Related Transactions

Negotiated Common Stock Repurchases

On March 31, 2005, the Company purchased 755,821 shares of InsWeb common stock, consisting of 531,947 shares held by Nationwide Mutual Insurance Company and 223,874 shares held by Century Capital Partners, L.P. These shares represented 16% of InsWeb Corporation's then total outstanding Common Stock and were purchased for approximately \$1.7 million, or \$2.30 per share.

Commercial Transactions

InsWeb and Yahoo! Inc. entered into a license agreement dated as of February 12, 1998 and amended as of March 31, 1999 and September 24, 2001. During 2004, InsWeb entered into a number of limited duration advertising contracts with Yahoo! Inc. SOFTBANK Corp., a 5% stockholder of InsWeb during part of 2004, is an affiliate of Yahoo! Inc. In addition, Ronald Fisher, a director of InsWeb until his resignation in April 2004, is vice chairman of SOFTBANK Holdings Inc., an affiliate of SOFTBANK Corp. For 2004, 2003 and 2002, InsWeb recognized \$453,000, \$338,000 and \$1,085,000, respectively, in direct marketing expense as a result of transactions with Yahoo! Inc.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires InsWeb's executive officers, directors and persons who beneficially own more than 10% of InsWeb's Common Stock (collectively, Reporting Persons) to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission. Reporting Persons are required by SEC regulations to furnish InsWeb with copies of all Section 16(a) forms they file.

Based solely on InsWeb's review of reports furnished to InsWeb and representations from certain Reporting Persons, InsWeb believes that all filing requirements applicable to Reporting Persons were complied with.

**REPORT OF THE COMPENSATION COMMITTEE
ON EXECUTIVE COMPENSATION**

The current members of the Compensation Committee are Mr. Chookaszian, Mr. Orr and Mr. Puccinelli. The Compensation Committee is responsible for setting and administering the policies governing annual compensation of the executive officers of InsWeb. The Compensation Committee reviews the performance and compensation levels for executive officers and sets salary levels. The Compensation Committee acts pursuant to a written charter that has been adopted by the Board of Directors.

The goals of InsWeb's executive officer compensation policies are to attract, retain and reward executive officers who contribute to InsWeb's success, to align executive officer compensation with InsWeb's performance and to motivate executive officers to achieve InsWeb's business objectives. InsWeb uses salary, bonus compensation and option grants to attain these goals. The Compensation Committee reviews compensation surveys prepared by management of InsWeb and by outside compensation consultants to compare InsWeb's compensation package with that of similarly sized high technology companies in InsWeb's geographic area. In preparing the performance graph set forth in the section entitled "Comparison of Stockholder Return," InsWeb has selected the AMEX Internet Index as its published industry index; however, the companies included in InsWeb's salary surveys are not necessarily those included in this index, because companies in the index may not compete with InsWeb for executive talent, and companies which do compete for executive officers may not be publicly traded.

Base salaries of executive officers are reviewed annually by the Compensation Committee and adjustments are made based on (i) salary recommendations from the Chairman and Chief Executive Officer, (ii) individual performance of executive officers for the previous fiscal year, (iii) financial results of InsWeb for the previous year and (iv) reports to the Compensation Committee from outside compensation consultants concerning competitive salaries, scope of responsibilities of the officer position and levels paid by similarly-sized high technology companies in InsWeb's geographic area.

InsWeb strongly believes that equity ownership by executive officers provides incentives to build stockholder value and aligns the interests of executive officers with those of the stockholders, and therefore makes periodic grants of stock options under the 1997 Stock Option Plan and the Senior Executive Nonstatutory Stock Option Plan. Historically, the size of an option grant to an executive officer has generally been determined with reference to similarly sized high technology companies in InsWeb's geographical area, the responsibilities and expected future contributions of the executive officer, previous grants to that officer, as well as recruitment and retention considerations. To assist InsWeb in retaining and motivating key employees, option grants generally vest over a three-year period from the date of grant. During 2004, the Compensation Committee approved stock option grants to certain of the executive officers consistent with these criteria. See "Option Grants in Last Fiscal Year."

Mr. Enan's compensation as Chief Executive Officer during the 2004 fiscal year was determined by the Compensation Committee using the same general philosophy and criteria used for other executive officers as described above.

REPORT OF THE AUDIT COMMITTEE

The current members of the Audit Committee are Mr. Orr, Mr. Corroon and Mr. Puccinelli. The Audit Committee acts pursuant to a written charter that has been adopted by the Board of Directors.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal control. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent registered public accounting firm, Ernst & Young LLP, who are responsible for expressing an opinion on the conformity, in all material respects, of those audited financial statements with United States generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards (including Statement on Auditing Standards No. 61). In addition, the Audit Committee has discussed with the independent registered public accounting firm the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board (including Independence Standards Board Standard No. 1), and considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their respective audits. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission.

AUDIT COMMITTEE

AUDIT FEES

The following table sets forth the aggregate fees billed to InsWeb for the years ended December 31, 2004 and 2003 by InsWeb's principal accounting firm, Ernst & Young LLP:

	2004	2003
Audit Fees(1)	\$ 506,500	\$ 283,000
Audit-Related Fees(2)	27,500	72,500
Tax Fees(3)	56,105	55,052
All Other Fees	\$ 590,105	\$ 410,552

(1) Audit fees include the audit of InsWeb's financial statements (including required quarterly reviews) and other procedures required to be performed by the independent registered public accounting firm to be able to form an opinion on the Company's consolidated financial statements.

(2) Audit-related fees include assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the independent registered public accounting firm. Audit-related services in 2004 and 2003 consisted of the audit of the Company's employee benefit plan. Audit-related services in 2003 also included consultations related to the Sarbanes-Oxley Act of 2002.

(3) Tax fees include tax return preparation, tax compliance, tax planning and tax advice.

The Audit Committee considered the role of Ernst & Young LLP in providing non-audit services to InsWeb and has concluded that such services are compatible with Ernst & Young's independence as InsWeb's independent registered public accounting firm.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services, and other services performed by the independent registered public accounting firm. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent registered public accounting firm is engaged to perform it. The Audit Committee has delegated to the chair of the Audit Committee the authority to approve permitted services, provided that the chair reports any decisions to the Audit Committee at its next scheduled meeting.

COMPARISON OF STOCKHOLDER RETURN

(1) Assumes that \$100.00 was invested on July 23, 1999, at the closing price on the date of InsWeb's initial public offering, in InsWeb's Common Stock and each index. No cash dividends have been declared on InsWeb's Common Stock. Stockholder returns over the indicated period should not be considered indicative of future stockholder returns.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

InsWeb has a classified Board of Directors consisting of one Class I director (Mr. Puccinelli), two Class II directors (Mr. Corroon and Mr. Orr), and two Class III directors (Mr. Enan and Mr. Chookaszian) who will serve until the Annual Meetings of Stockholders to be held in 2006, 2007 and 2005, respectively, and until their respective successors are duly elected and qualified. At each annual meeting of stockholders, directors are elected for a term of three years to succeed those directors whose terms expire at the annual meeting date.

The term of the Class III directors will expire on the date of the 2005 annual meeting. Accordingly, two persons are to be elected to serve as the Class III directors of the Board of Directors at the meeting. Management's nominees for election by the stockholders to the position are the current Class III Directors, Mr. Enan and Mr. Chookaszian. Please see Information About InsWeb-Management above for information concerning the nominees. If elected, the nominees will serve as directors until InsWeb's Annual Meeting of Stockholders in 2008 and until their successors are elected and qualified. If a nominee declines to serve or becomes unavailable for any reason, or if a vacancy occurs before the election (although InsWeb knows of no reason to anticipate that this will occur), the proxies may be voted for such substitute nominees as InsWeb may designate.

Vote Required and Board of Directors Recommendation

If a quorum is present, the two nominees for Class III director receiving the highest number of votes will be elected as Class III directors. Abstentions and broker non-votes have no effect on the vote.

The Board of Directors recommends a vote FOR the nominees named above.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors of InsWeb has selected Ernst & Young LLP as independent registered public accounting firm to audit the consolidated financial statements of InsWeb for the fiscal year ending December 31, 2005. Ernst & Young LLP has acted in such capacity since its appointment in fiscal year 2001. A representative of Ernst & Young LLP is expected to be present at the annual meeting, with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

Vote Required and Board of Directors Recommendation

The affirmative vote of a majority of the votes cast affirmatively or negatively at the annual meeting of stockholders at which a quorum representing a majority of all outstanding shares of Common Stock of InsWeb is present, either in person or by proxy, is required for approval of this proposal. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum. Neither abstentions nor broker non-votes will have any effect on the outcome of the proposal.

The Board of Directors recommends a vote FOR ratification of the appointment of Ernst & Young LLP as InsWeb's independent registered public accounting firm for the fiscal year ending December 31, 2005.

**STOCKHOLDER PROPOSALS TO BE PRESENTED
AT NEXT ANNUAL MEETING**

Under InsWeb's bylaws, in order for stockholder business to be properly brought before a meeting by a stockholder, such stockholder must have given timely notice thereof in writing to the Secretary of InsWeb. To be timely, such notice must be delivered to or mailed and received at InsWeb's principal executive offices, not less than 30 days nor more than 60 days prior to the meeting; provided, however, that in the event that less than 40 days' notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholder to be timely must be so received not later than the close of business on the 10th day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure was made.

In connection with InsWeb's next annual meeting of stockholders, under the Securities and Exchange Commission Rule 14a-4, management may solicit proxies that confer discretionary authority to vote with respect to any non-management proposal unless InsWeb has received notice of the proposal not later than April 19, 2006.

Proposals of stockholders intended to be included in InsWeb's proxy statement for the next annual meeting of the stockholders of InsWeb must be received by InsWeb at its offices at 11290 Pyrites Way, Suite 200, Gold River, California 95670, no later than February 3, 2006, and satisfy the conditions established by the Securities and Exchange Commission for stockholder proposals to be included in InsWeb's proxy statement for that meeting.

TRANSACTION OF OTHER BUSINESS

At the date of this Proxy Statement, the Board of Directors knows of no other business that will be conducted at the 2005 Annual Meeting of Stockholders of InsWeb other than as described in this Proxy Statement. If any other matter or matters are properly brought before the meeting, or any adjournment or postponement of the meeting, it is the intention of the persons named in the accompanying form of proxy to vote the proxy on such matters in accordance with their best judgment.

By Order of the Board of Directors

*Senior Vice President, Secretary and
General Counsel*
