Item 5.03. **Amendments to Articles of Incorporation or Bylaws; Change of Fiscal Year.**

## Edgar Filing: MGP INGREDIENTS INC - Form 8-K

The Company's Board of Directors has amended the Company's Bylaws ( Bylaws ) effective as of March 16, 2006. A copy of the Bylaws, as amended is attached to this filing as Exhibit 3.2. The changes to the Bylaws are summarized below.

General            The bylaws have amended throughout so that they are gender neutral.

Section 2.7        This Section has been amended to reflect the current practice of having the Chairman of the Board preside at annual meetings of shareholders and to permit the President to do so when the Chairman is present, if requested by the Chairman.

Section 5.1        This section has been amended to make express the current power of the board to designate an officer as chief executive officer, chief operating officer, chief financial officer and the like. A new provision empowers the chief executive officer to appoint divisional or segment vice presidents.

Section 5.2        This section has been amended to provide that divisional or segment vice presidents may be appointed at any time and that such persons as well as officers of the corporation are subject to control of the Board.

Section 5.4        This section has been amended to provide that segment or division vice presidents appointed by the chief executive officer may be removed by the chief executive officer or the Board.

Section 5.5        This section has been amended to provide that vacancies in Board appointed offices are to be filled by the Board.

Section 5.6        This section has been amended to clarify the manner in which the Board or a committee thereof may set the compensation for officers.

Section 6.1        This section has been amended to provide that the Chairman will have such duties as the Board shall determine from time to time and, in the absence of the President, will have the duties of the President.

Section 6.2 Portions of this Section have been rearranged but the only substantive change is to conform references to the President's duties at the annual meeting to the change made to Section 2.7 noted above.

Section 6.3 This section has been changed in two respects. Vice Presidents formerly could exercise such powers as granted by the Board, the President or the Chairman; as this Section has been amended, Vice Presidents may now exercise such powers as are granted by the Board or the chief executive officer. A new provision addresses divisional or segment vice presidents appointed by the chief executive officer and provides that these persons shall have such duties and powers as are approved by the Board.

Section 6.4 The third paragraph of this section has been amended to conform with Section 8.1.

Section 6.6 The fourth paragraph has been amended to provide that in addition to such other duties as the Treasurer might have, such officer would have such other duties as assigned by the Board or the chief executive officer, instead of the Board, the President or the Chairman.
