APPOINTMENT AND REVOCATION OF PROXIES

As of the close of business on March 31, 2006, the Company had 13,530,031 shares of outstanding common stock, all of which are entitled to vote at the Annual Meeting.

Each share is entitled to one vote on each matter presented.

Transaction of business may occur at the meeting if a quorum is present. A quorum will be present if a majority of the voting power of the outstanding shares of common stock are present at the meeting, in person or by proxy. If a quorum is present at the Annual Meeting, the nominees for election to the Board of Directors who receive the greatest number of votes cast for the election of the directors by shares present at the meeting, in person or by proxy, and entitled to vote, shall be elected the directors. Approval of the Proposal to amend Ballantyne's Certificate of Incorporation and Bylaws requires the affirmative vote of holders of a two-thirds majority of all shares entitled to vote at the meeting. Abstentions and broker non-votes will have no effect on the outcome of these proposals.

Proxies which are properly signed and returned will be voted at the meeting. Stockholders may specify their preference by marking the appropriate boxes on the proxy and the proxy will then be voted in accordance with such specifications. In the absence of such specifications, the proxy will be voted for the election of the nominees for director and in accordance with the instructions of the Board of Directors as to any other matters. Broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business, but will not be counted for purposes of determining the number of votes cast with respect to a proposal. Stockholders who attend the meeting may vote in person even though they have voted by proxy. A proxy is revocable at any time before it is voted and a proxy is automatically revoked upon the giving of a subsequent proxy or by voting in person at the meeting. The Company will bear the cost of solicitation of proxies, including the charges and expenses of brokers and others for forwarding solicitation materials to beneficial owners of stock. In addition to the use of mail, proxies may be solicited by personal interview, telephone or facsimile. Mellon Investor Services LLC, the Company's Transfer Agent, is prepared to assist the Company to solicit proxies, if necessary.

**PROPOSAL 1
ELECTION OF DIRECTORS**

The Bylaws of the Company currently provide that the directors be divided into three classes. The members of each class serve staggered three-year terms. Messrs. Alvin Abramson and Marc E. LeBaron are the Class I directors; Messrs. William F. Welsh, II and Mark D. Hasebroock are Class II directors; and Mr. John P. Wilmers is the Class III director. Messrs. Welsh's and Hasebroock's terms expire this year and both have been nominated for a three-year term expiring in 2009. The Board of Directors has also nominated Mr. Christopher E. Beach to serve as a Class II director such that three Class II directors are to be elected at this meeting. Mr. Beach is a consultant and private investor. Mr. Beach has a consulting arrangement with Pequot Capital Management, Inc., which is the beneficial owner of approximately 11% of the Company's common stock. Mr. Beach is also a former employee and an investor in certain private investment funds managed by Pequot Capital Management, Inc. Pequot Capital Management, Inc. did not solicit the Board to nominate Mr. Beach.

The terms of the Class I, Class II and Class III directors expire on the Annual Meeting of Stockholders to be held in 2008, 2009 and 2007, respectively. The Board of Directors is recommending that the stockholders approve an amendment to the Company's Certificate of Incorporation and Bylaws to declassify the Board of Directors to provide for the annual election of all directors. The proposal, if adopted by the stockholders, would provide that starting in 2007, directors will be elected annually so that by the annual meeting in 2009, all directors will be elected annually. See Proposal 2 for further details.

COMPENSATION COMMITTEE REPORT

Responsibility; Composition of Committees

The Company has a Compensation Committee which is responsible for reviewing and recommending to the Board of Directors annually the compensation to be paid to the President and Chief Executive Officer of the Company. The Compensation Committee of the Company's Board of Directors consists of directors Welsh, as Chair, LeBaron and Hasebroock. The Committee met two times in 2005.

The Committee functions include:

- Determining the compensation of the Chief Executive Officer;
- Overseeing all other executive officers' compensation, including salary and payments under the Executive Officers Performance Bonus Compensation Plan.

The Company also has an independent committee, the Employee Stock Option Committee, which is responsible for the granting of options under the Employee Stock Option Plan of the Company to executive officers and key employees of the Company. The Employee Stock Option Committee is comprised of Messrs. Welsh, LeBaron and Hasebroock. This Committee did not meet during 2005. The Company also has an Outside Director Stock Option Committee, which is responsible for the granting of options under the Outside Directors Stock Option Plan. The Outside Director Stock Option Committee is comprised of Messrs. Brad French and Myron Kaplan, the Company's outside counsel. This committee took action by unanimous consent in lieu of a special meeting one-time during 2005.

Compensation Philosophy

Decisions with respect to executive compensation are made by the Compensation Committee on an individual basis based upon a number of factors, including the provisions of any existing employment contract with an executive officer, evaluation of the executive officer's performance, the level of responsibility associated with the executive officer's office, recruitment requirements and the performance of the Company. Compensation of the executive officers of the Company has historically been structured to motivate, reward and retain the executive officers consistent with the needs of the Company from time to time. The major elements of the executive officers' compensation are base salary, short-term incentive in the form of a bonus payable from the Executive Officers Performance Bonus and a long-term incentive in the form of restricted common stock, with an emphasis on annual bonuses.

Base Salary

The base salaries of executive officers have historically reflected, and will continue to reflect their individual contribution. Base salaries have historically been reviewed annually and may be changed based on the individual's performance or a change in competitive pay levels in the marketplace.

The Compensation Committee reviews and establishes the base salary of the Chief Executive Officer based on independent competitive data, his leadership in establishing performance standards in the conduct of the Company's business, and its expectation as to his future contributions in directing the long-term success of the Company and its business. The Committee increased Mr. Wilmers base salary to \$245,000 effective January 1, 2006.

Cash Bonuses

The Committee believes that the annual bonus of key employees, including executive officers, should be based on optimizing profits and prudent management of the capital employed in the business. The executive officers participate in the Executive Officers Performance Bonus Compensation Plan pursuant to which they receive cash bonuses if the Company achieves specific operating levels and the employee achieves certain individual goals, as defined. The bonus pool is based upon a percentage of operating income, as defined by the Board of Directors. Each payout is further subject to the achievement of certain individual goals. The calculation of the bonus pool is subject to approval of the Compensation Committee.

Stock Plans

The Committee reviewed the advantages and disadvantages of option grants and allowed the 1995 Employee Stock Option Plan to expire without renewal in September 2005. The Committee subsequently adopted and the stockholders subsequently approved, the 2005 Restricted Stock Plan in its place. The decision was due in part to the Financial Accounting Standards Board (FASB) issuing a final statement that requires companies to record stock option expense in their income statements. The Committee believes that the Restricted Stock Plan will have a lesser impact to earnings and dilution to stockholders while still providing a mechanism to link executive and stockholder interests and assist the Company in attracting and retaining key executives. The Company also has an Employee Stock Purchase Plan to provide a method by which eligible employees may purchase common stock on a discounted basis through payroll deductions. The maximum number of shares of common stock that can be purchased pursuant to any plan year is two thousand shares. The Compensation Committee believes that participation in the plan provides eligible employees at all levels with a greater incentive to contribute to the success of the Company.

Compliance with Section 162(M) of the Internal Revenue Code

The current tax law imposes an annual, individual limit of \$1 million on the deductibility of the Company's compensation payments to the chief executive officer and to the four most highly compensated executive officers other than the chief executive officer. Specified compensation is excluded for this purpose, including performance based compensation, provided that certain conditions are satisfied. The Committee has determined to preserve, to the maximum extent practicable, the deductibility of all compensation payments to the Company's executive officers.

Compensation Committee Interlocks and Insider Participation

During 2005 there were no compensation committee interlocks and no insider participation in compensation decisions that were required to be reported under the rules and regulations of the Securities and Exchange Act of 1934.

The foregoing report is submitted by the Compensation and Stock Option Committees of the Board of Directors of the Company in accordance with requirements of the Securities Exchange Act of 1934 and the rules and regulations there under, and is not intended to create any contractually binding employment rights for the benefit of any employee of the Company.

REPORT OF THE AUDIT COMMITTEE

The Company has a standing Audit Committee of the Board of Directors. The Audit Committee consists of directors Abramson (Chair), Hasebroock and LeBaron, who are independent directors, as defined by AMEX listing requirements. The Board of Directors has determined that Mr. Abramson is an audit committee financial expert as defined by Item 401(h) of Regulation S-K of the SEC, and is independent within the meaning of Item 7(d)(3)(iv) of Schedule 14A of the Securities Exchange Act of 1934 (as amended). The Audit Committee assists the Board of Directors in fulfilling its responsibilities for oversight of the quality and integrity of the accounting, auditing, and reporting practices of the Company, and performs such other duties as are directed by the Board. The Committee's role includes a particular focus on the qualitative aspects of financial reporting to stockholders, and on the Company's processes to manage business and financial risk, and for compliance with significant applicable legal, ethical and regulatory requirements. The Committee is directly responsible for the appointment of the independent registered public accounting firm engaged to prepare or issue an audit report on the financial statements of the Company and periodically reviews and evaluates their performance and independence from management. All audit and permitted non-audit services are pre-approved by the Committee. Any services not covered by prior pre-approval or services exceeding the pre-approved cost levels, must be approved in advance by the Committee. The Committee acts under a written charter, which was amended and restated by the Board of Directors during 2006. A copy of the amended and restated Audit Committee Charter is appended to this proxy statement. During 2005, the Audit Committee met four times with all members present.

Management has primary responsibility for the Company's consolidated financial statements. The Company's independent registered public accounting firm, KPMG LLP, audits the annual consolidated financial statements prepared by management and expresses an opinion as to whether those consolidated financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with U.S. generally accepted accounting principles. Additionally, KPMG LLP conducts quarterly reviews of the Company's consolidated financial statements in accordance with the

Statement on Auditing Standards (SAS) No. 100, Interim Financial Information. The Audit Committee meets with KPMG LLP in executive session to discuss any matters that the Committee or KPMG LLP believes should be discussed privately with the Audit Committee.

During the year ended December 31, 2005:

The Company's independent registered public accounting firm discussed with the Audit Committee issues required to be discussed by SAS No. 61 Communications with Audit Committees as amended by SAS No. 90, Audit Committee Communications. SAS No. 61, as amended by SAS No. 90, specifies that the discussion should involve management and include such matters as the consistency, clarity and completeness of accounting policies and disclosures.

- The Audit Committee reviewed the Company's audited financial statements, the Company's unaudited quarterly consolidated financial statements and met with both management and KPMG LLP to discuss those consolidated financial statements. Management has represented to the Audit Committee that those consolidated financial statements were prepared in accordance with U.S. generally accepted accounting principles.
- The Audit Committee has received and reviewed written disclosures from KPMG LLP required by Independent Standards Board Standard No. 1, Independence Discussions with Audit Committees (concerning matters that may affect an auditor's independence) and has discussed with KPMG LLP its independence. The Audit Committee has also considered whether the independent registered public accounting firm's provision of non-audit services to the Company is compatible with their independence.
- Based upon its review and the discussions noted above, the Audit Committee recommended to the Board that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005.

The foregoing report is submitted by the Audit Committee in accordance with the requirements of the Securities Exchange Act of 1934 and the rules and regulations there under.

NOMINATING COMMITTEE

The members of the Nominating Committee are directors Welsh (Chair) and Hasebroock. All members of the Nominating Committee are independent as defined by the AMEX listing requirements. The Nominating Committee acts under a written charter, adopted by the Board of Directors, a copy of which was attached to the 2004 Proxy Statement. The Nominating Committee reports to and assists the Board of Directors in identifying individuals for membership to the Board and recommends to the Board the director Nominees for the next Annual Meeting of Stockholders. The Nominating Committee met two times during 2005.

Director Nomination Process

Nominees are chosen for their ability to represent all of the stockholders, and for their character, judgment, fairness and overall ability. As a group, they are expected to set the appropriate policy for the Company, and to bring to the Board of Directors broad experience in business matters and an insight and awareness of the appropriate and ever-changing role that corporations should have in society. Because the advice of those facing similar problems is of particular value, executive officers of other corporations are desirable nominees.

The following personal criteria will be considered in selecting candidates for the Board of Directors:

- Independence
- Wisdom
- Integrity
- Understanding and general acceptance of our corporate philosophy
- Valid business or professional knowledge and experience, that can bear on our strategies and deliberations
- Proven record of accomplishment
- Willingness to speak one's mind
- Ability to challenge and stimulate management
- Future orientation
- Willingness to commit time and energy

The Nominating Committee evaluated Christopher E. Beach using these criteria, and recommended his nomination to the Board of Directors. The Board, in turn, nominated Mr. Beach for election as a director at the 2006 Annual Meeting of Stockholders.

The Nominating Committee will also consider proposals for nominees for director from stockholders which are made in writing to the Secretary of the Company and comply with Bylaw requirements. The recommendation must contain sufficient background information concerning the nominee to enable a proper judgment to be made as to his or her qualifications. Recommendations must also include a written statement from the candidate expressing a willingness to serve.

PERFORMANCE GRAPH

The following performance graph shows the cumulative total return on the Company's common stock, the S & P 500 Market Value Index and a peer group for the past five years. The peer group is made up of three corporations (namely Concord Camera, Panavision, Inc. and Optibase Limited). The peer group is comprised of companies with a market capitalization between approximately \$34 million and \$147 million, each of which is engaged in the sale of products related to the theater, motion picture or image capturing or image projection businesses. The Company is unable to identify, for comparison purposes, any public industry or line-of-business indices because the small number of companies offering similar or competing products are divisions or subsidiaries of much larger, diversified companies.

The performance graph assumes the value of the investment in the common stock and each index was \$100 and that all dividends were reinvested.

PROPOSAL 2

PROPOSAL TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION AND BYLAWS TO ELECT DIRECTORS ANNUALLY

The following proposal is presented for action at the Annual Meeting by direction of the Board of Directors:

RESOLVED, that Article Sixth, Section A, of the Company's Certificate of Incorporation be amended to read as set forth in Appendix A to the proxy statement so that the Board of Directors will be declassified.

BE IT FURTHER RESOLVED, that Article II, Section 1, of the Company's Bylaws be amended to read as set forth in Appendix B to the proxy statement so that the Board of Directors will be declassified.

Background of the Proposal

The Company's current Certification of Incorporation and Bylaws divide the Board of Directors into three classes, each of which is elected for a three-year term. The action described above would change them to provide for the annual election of all directors.

This proposal requires the approval of a two-thirds majority of the issued and outstanding shares. If this action is not approved, the current classified structure will stay in place. If this action is approved, the declassified Board structure will be phased in as follows:

- a) current directors, including those elected to three-year terms at the 2006 Annual Meeting, will continue to serve the remainder of their elected terms; and
- b) starting with the Annual Meeting of Stockholders in 2007, directors will be elected annually, so that by the Annual Meeting of Stockholders in 2009, all directors will be elected annually.

Board Position

The Board supports these proposed amendments to the Certificate of Incorporation and Bylaws to move to annual elections for all directors. In recent years, an increasingly large number of institutional and individual stockholders have asked us to reconsider this position and return to annual elections for all Directors. Although the classified structure has served the Company well in the past, the Board is guided by stockholder opinion on this important issue of corporate governance.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THIS PROPOSAL 2

STOCKHOLDER PROPOSALS

In accordance with the rules of the Securities and Exchange Commission, stockholder proposals must be received by December 31, 2006 to be considered for inclusion in the Proxy Statement for the 2007 Annual Meeting of Stockholders which is expected to be held in May 2007. It is suggested that any stockholder desiring to submit a proposal, do so by Certified Mail, Return Receipt Requested. Stockholders should also note that, in addition to the requirement of timely receipt by the Board of Directors of a proposal as stated above, such proposal will not be included in the proxy solicitation material for the 2007 Annual Meeting of Stockholders unless it otherwise complies with the requirements of Section 14(a) of the Securities Exchange Act of 1934 and the rules and regulations promulgated and in effect there under.

ADDITIONAL INFORMATION**Compliance with Section 16(a) of the Securities Exchange Act of 1934**

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who beneficially own more than 10% of the Company's stock, to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission. Executive officers, directors, and greater than 10% beneficial owners are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Ballantyne believes that all persons, subject to these reporting requirements filed the required reports on a timely basis during 2005.

Independent Registered Public Accountants

KPMG LLP, certified public accountants, are the independent registered public accountants for the Company.

Representatives of KPMG LLP are expected to be present at the stockholders' meeting and will be given the opportunity to make any statement they might desire and will also be available to respond to appropriate questions from stockholders. The following table sets forth the aggregate fees for professional service rendered by KPMG LLP for each of the last two fiscal years:

Category of Fee	2005	2004
Audit Fees	\$ 114,095	\$ 115,408
Audit Related Fees(1)	14,590	49,607
Tax Fees(2)	17,560	16,830
All Other Fees	0	0
Total	\$ 146,245	\$ 181,845

(1) Audit-related fees relate to an audit of the Company's employee benefit plan and other accounting compliance assistance.

(2) Tax fees relate to tax compliance.

The Audit Committee has implemented pre-approval procedures consistent with the rules adopted by the Securities and Exchange Commission.

There were no fees billed by KPMG LLP for the Company's most recent fiscal year for professional services rendered in connection with financial information systems design and implementation.

KPMG LLP will make a proposal to be selected as the Company's independent registered public accountants for 2006, which will be considered by the Audit Committee.

Other Matters

The Board of Directors does not know of any other matters to be presented at the annual meeting. In the event that other business is properly brought before the meeting, it is the intention of the proxy holders named in the proxy to vote the proxies in accordance with the recommendation of the Board of Directors.
