**Item 1.01 Entry into a Material Definitive Agreement.**

On February 22, 2007, Huntsman International LLC (the Company), a wholly-owned subsidiary of Huntsman Corporation, and certain of its subsidiaries, as guarantors, entered into a purchase agreement with a number of institutional investors (the Investors) relating to the issuance and sale by the Company to the Investors of \$147.0 million aggregate principal amount of additional dollar-denominated 7 7/8% Senior Subordinated Notes due 2014 of the Company (the Additional Notes), in a direct private placement to those Investors, substantially all of which has been issued.

The Additional Notes are being issued in a private placement to qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933, as amended (the Securities Act), and may not be offered or sold in the United States absent registration under the Securities Act or an applicable exemption from the registration requirements of the Securities Act.

The Additional Notes have terms and conditions identical to, and are of the same series as, the \$200 million aggregate principal amount of existing dollar-denominated 7 7/8% Senior Subordinated Notes due 2014 issued by the Company in November 2006 (the Existing Notes), together with the Additional Notes, the Notes). The Additional Notes are governed by the terms of the indenture for the Existing Notes, dated as of November 13, 2006 (the Indenture), which contains covenants relating to, among other things, the incurrence of debt, limitations on asset sales, limitations on distributions and limitations on affiliate transactions. The Indenture also contains change of control provisions requiring the Company to offer to repurchase the Notes upon a change of control. In addition, the Company has agreed to provide the Investors the benefit of the Registration Rights Agreement dated November 13, 2006, entered into in connection with the issuance of the Existing Notes. The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the Indenture and the Registration Rights Agreement. The Indenture and the Registration Rights Agreement were filed as Exhibits 4.1 and 4.2, respectively, to the Company's Quarterly Report on Form 10-Q filed with the Securities and Exchange Commission on November 14, 2006.

The Additional Notes are being issued at a premium of 104% of the principal amount for a yield of 7.01%. The Company intends to use the expected net proceeds of approximately \$151.7 million to redeem all (approximately \$114 million) of its outstanding euro-denominated 10.125% Senior Subordinated Notes due 2009, which are being called for redemption on March 27, 2007 at a call price of 101.688% plus accrued interest.
