Item 3.

Source and Amount of Funds or Other Consideration.

Merger Agreement

On October 14, 2010, Carlisle, and Merger Sub, entered into an Agreement and Plan of Merger (the *Merger Agreement*) with Hawk Corporation, a Delaware corporation. Pursuant to the Merger Agreement, Carlisle and Merger Sub will commence a tender offer (the *Offer*) to purchase all of the issued and outstanding Shares,

Edgar Filing: HAWK CORP - Form SC 13D

including the associated Rights (as defined in the Merger Agreement), at a purchase price of \$50.00 per share in cash to be followed by a merger of Merger Sub with and into Hawk Corporation (the Merger).

The transactions are expected to be completed during the fourth calendar quarter of 2010. The consummation of the Offer and Merger are subject to various closing conditions, including the tender of a majority of the Shares, the expiration of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and other customary conditions. The Offer is not subject to a financing condition. The Merger Agreement also includes customary termination provisions for both Hawk Corporation and Carlisle and provides that, in connection with the termination of the Merger Agreement under specified circumstances, Hawk Corporation will be required to pay Carlisle a termination fee of \$14,500,000.

In connection with the Offer and pursuant to the terms and conditions of the Merger Agreement, Hawk Corporation granted to Merger Sub an irrevocable option (the Top-Up Option), for so long as the Merger Agreement has not been terminated pursuant to its terms, to purchase from Hawk Corporation up to the number (but not less than that number) of authorized and unissued Shares equal to the number of Shares that, when added to the number of Shares owned by Carlisle, Merger Sub or any subsidiary of Carlisle at the time of the exercise of the Top-Up Option, constitutes at least one Share more than 90% of the Shares that would be outstanding immediately after the issuance of all Shares to be issued upon exercise of the Top-Up Option.

The foregoing summary description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement listed as Exhibit 2.1 hereto, which is hereby incorporated herein by reference.

Tender and Voting Agreements

Concurrently with the execution of the Merger Agreement, and as a condition and inducement to Carlisle entering into the Merger Agreement, three holders of Shares (the Supporting Stockholders), including Hawk Corporation's Chairman and Chief Executive Officer and two other directors, have each entered into a Tender and Voting Agreement with Carlisle and Merger Sub (the Tender Agreements). Pursuant to the Tender Agreements, each of the Supporting Stockholders has agreed, among other things, (i) to tender in the Offer all of his Shares, (ii) that, in the event a vote of Hawk Corporation's stockholders is required in furtherance of the Merger Agreement or the transactions contemplated thereby, including the Merger, he will vote all of his Shares (to the extent any such Shares are not purchased in the Offer) in favor of the approval of the Merger and the adoption of the Merger Agreement and against any proposal inconsistent therewith, and (iii) to consent to the redemption by Hawk Corporation of all of his shares of Hawk Corporation's Series D preferred stock. The Tender Agreements will automatically terminate upon the termination of the Merger Agreement in accordance with its terms.

Pursuant to the Tender Agreements, each Supporting Stockholder appoints Carlisle and any designee of Carlisle and each of Carlisle's officers, as attorney, agent and proxy with full power of substitution and resubstitution with respect to the Shares on the matters set forth in Section 1.2 of the Tender Agreements, such proxy authorizes him or her to vote the Shares or grant a consent or approval of the Shares with respect thereto. The proxy granted pursuant to the Tender Agreements is coupled with an interest and is irrevocable unless and until the earlier of the effective time of the Merger or the termination of the Merger Agreement in accordance with its terms.

The names of the Supporting Stockholders and the number of Shares and the percentage ownership that are subject to the Tender Agreements are set forth in Schedule B hereto which is hereby incorporated herein by reference. The foregoing summary description of the Tender Agreement does not purport to be complete and is qualified in its entirety by reference to the Tender Agreements listed as Exhibit 2.2, Exhibit 2.3 and Exhibit 2.4 hereto, which are hereby incorporated herein by reference.

The Tender Agreements were entered into as a condition to Carlisle's and Merger Sub's willingness to enter into and perform their obligations under the Merger Agreement. Carlisle and Merger Sub requested that each Supporting Stockholder enter into a Tender Agreement, and each Supporting Stockholder agreed to do so in order to induce

Carlisle and Merger Sub to enter into, and in consideration of their entering into, the Merger Agreement. Neither Carlisle nor Merger Sub paid additional consideration to the Supporting Stockholders in connection with the execution and delivery of the Tender Agreements.

Item 4. Purpose of Transaction.

The information provided and incorporated by reference in Item 3 is hereby incorporated by reference.

As further described in Item 3 above, this statement on Schedule 13D relates to the Offer, the Merger, the Merger Agreement and the Tender Agreements. The purpose of entering into the Merger Agreement and the Tender Agreements, and the purpose of the Offer, is to enable Carlisle and Merger Sub to acquire control of, and ultimately the entire equity interest in, Hawk Corporation. At the effective time of the Merger, the separate existence of Merger Sub will cease and Hawk Corporation will continue as the surviving corporation and as a wholly owned subsidiary of Carlisle. Each Share issued and outstanding immediately prior to the Merger will be automatically cancelled and converted into the right to receive an amount in cash per share equal to \$50.00 as described in the Merger Agreement. In addition, each option to purchase Shares will immediately and fully vest, and will be terminated and cancelled in exchange for the right to receive an amount payable in cash as described in the Merger Agreement; each unvested share of restricted stock will be vested and no longer subject to restrictions and will be cancelled in exchange for the right to receive an amount payable in cash as described in the Merger Agreement. Following the Merger, Hawk Corporation will not continue to be publicly traded, and the registration of the Shares under the Exchange Act will be terminated. The foregoing summary description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement listed as Exhibit 2.1 hereto, which is hereby incorporated herein by reference.

Pursuant to the terms of the Merger Agreement, the directors of Merger Sub immediately prior to the effective time of the Merger and the officers of Hawk Corporation immediately prior to the effective time of the Merger will be the directors and officers, respectively, of Hawk Corporation following the Merger. Pursuant to the terms of the Merger Agreement, the certificate of incorporation of Hawk Corporation will be the certificate of incorporation of Hawk Corporation following the Merger. The by-laws of Hawk Corporation, as in effect immediately prior to the effective time of the Merger will be the by-laws of Hawk Corporation following the Merger. The foregoing summary does not purport to be complete and is qualified in its entirety by reference to Sections 2.5 of the Merger Agreement listed as Exhibit 2.1 hereto, which is hereby incorporated herein by reference.

Except as described herein, neither Carlisle nor, to the best of its knowledge, any of its executive officers or directors, has any plans or proposals that relate to, or may result in, any of the matters listed in Items 4 (a) - (j) of Schedule 13D.

Item 5. Interest in Securities of the Issuer.

The information provided and incorporated by reference in Items 3 and 4 is hereby incorporated by reference.

Carlisle may be deemed to beneficially own an aggregate of 2,799,411 Shares, as a result and subject to the terms of the Tender Agreements, pursuant to which Carlisle may be deemed to share the power to vote and dispose of such Shares for the limited purposes described in Item 3 above. Such Shares constitute approximately 35.4% of the issued and outstanding Shares based on the number of Shares issued and outstanding at October 14, 2010.

Except as described herein, neither Carlisle nor, to the best of its knowledge, any of its executive officers or directors, beneficially owns any Shares or effected any transaction in Shares during the past 60 days.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

The information provided and incorporated by reference in Items 3, 4 and 5 is hereby incorporated by reference.

Other than as described in this statement on Schedule 13D, neither Carlisle nor, to the best of its knowledge, any of its executive officers or directors, has any contracts, arrangements, understandings or relationships (legal or otherwise) with any person with respect to any securities of Hawk Corporation, including but not limited to the transfer or voting of any such securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
