The redemption price with respect to any redeemed Note will be equal to 105.3750% of the principal amount of such Note, plus accrued but unpaid interest thereon to the Redemption Date. The redemption is subject to the satisfaction of specified conditions precedent, including, without limitation, consummation (as and when determined by the Company, and as and to the extent the Company will require, in each case in its sole and absolute discretion), on or prior to the Redemption Date of the issuance and/or borrowing of new indebtedness in an aggregate principal amount of \$400 million (or such other amount as may be determined by the Company in its sole and absolute discretion) from one or more sources on terms and conditions satisfactory in all respects to the Company in its sole and absolute discretion. The Company will be entitled to delay, and may delay, the redemption of the Notes until such time as such conditions precedent are satisfied. Such redemption will not occur in the event that the conditions precedent have not been so satisfied by March 12, 2012.
