**Item 8.01 Other Events.**

On January 16, 2013, Arbor Realty Trust, Inc. ( Arbor ) announced the pricing of a collateralized loan obligation ( CLO ) to be issued by two newly-formed subsidiaries of Arbor. Based on current balances within the collateral portfolio, Arbor expects the facility to issue approximately \$177 million of investment grade-rated debt. Arbor expects to retain an equity interest in the portfolio of approximately \$83 million. The transaction is expected to close by the end of January 2013, subject to satisfaction of customary closing conditions.

The notes will be issued on a floating rate basis at an initial weighted average spread of approximately 235 basis points over one-month LIBOR, excluding fees and transaction costs. The facility has a two-year replenishment period that allows the principal proceeds from repayments of the collateral assets to be reinvested in qualifying replacement assets, subject to certain conditions.

The face value of the collateral in the initial portfolio is expected to be approximately \$260 million and will consist primarily of first mortgage bridge loans and cash. The \$260 million includes \$50 million of additional capacity to finance future loans for a period of up to 90 days from the closing date of the CLO. Arbor intends to own the portfolio until its maturity and will account for this transaction on its balance sheet as a financing. Arbor will use the proceeds of this offering to repay borrowings under its current credit facilities, pay transaction expenses and to fund future loans and investments.

The notes offered pursuant to the CLO will not be registered under the Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
