MARKET ANNOUNCEMENT

Comment on report in *Diário do Comércio* of June 10, 2014

Cemig (*Companhia Energética de Minas Gerais*), a listed company with securities traded on the stock exchanges of São Paulo, New York and Madrid, in accordance with CVM Instruction 358 of January 3, 2002, as amended, **issues the following clarification** to the Brazilian Securities Commission (CVM), the São Paulo Stock Exchange (BM&F Bovespa S.A.) and the market in general, **in response to CVM Official Letter CVM/SEP/GEA-1/Nº200/2013**, on the report published in the June 10 online edition of *Diário do Comércio* newspaper, referring to a transaction involving **Cemig Telecomunicações S.A.**, the telecommunications company of the Cemig Group:

We reaffirm that Cemig has evaluated various investment alternatives that could add value to the operation of its present assets, including stockholding restructurings that aim to adapt its strategy to market conditions.

However, at present no commitment has been made in relation to the assets referred to.

We also reiterate that Cemig has always sought partners to expand its area of operation through new stockholding structures that enable shared control of its assets to be preserved, and which do not necessarily result in a process of sale of those assets since this is an area which Cemig regards as strategic for development, within its view of long-term growth.

Cemig reaffirms its commitment to seek investment opportunities that meet the requirements of profitability established by its stockholders and to publish all and any material information when it is confirmed and effective.

Cemig (*Companhia Energética de Minas Gerais*), a listed company with equity securities traded on the stock exchanges of São Paulo, New York and Madrid, as part of its commitment to best corporate governance practices, hereby **reports** to its stockholders and the market as follows:
