(1) Conditional awards of shares were granted on 26 June 2015 by the Company. The awards have been granted in accordance with the Vodafone Global Incentive Plan. The vesting of these awards is conditional on continued employment with the Vodafone Group and on the satisfaction of a performance condition approved by the Remuneration Committee. The performance condition is based on free cash flow performance with a multiplier that is based on comparative total shareholder return (TSR) performance. The free cash flow performance is based on a three year cumulative adjusted free cash flow figure. The target adjusted free cash flow level is set by reference to the Company's three year plan and market expectations; 100% of the award will vest for target performance, rising to 125% vesting for maximum performance. The multiplier is based on the TSR of the Company over the three year performance period 1 April 2015 to 31 March 2018 relative to a peer group of seven companies within the Telecoms sector. There will be no increase in vesting until TSR performance exceeds median, at which point the multiplier will increase up to two on a linear basis for upper quintile performance. The maximum vesting is 250%: for maximum free cash flow performance (125%) and maximum TSR performance (multiplier of 2).
