**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

The Board of Directors of 3M Company appointed Teri Reinseth as the Company's Vice President, Corporate Controller and Chief Accounting Officer, effective April 1, 2019. Ms. Reinseth replaces Ippocratis Vrohidis who has been appointed to another leadership position in the Company, also effective April 1, 2019. Ms. Reinseth, 46, has served as the Company's Finance Director of the Safety & Graphics Business Group since March 2015. Since joining the Company in 2005, Ms. Reinseth worked as financial manager in the Company's Global Financial Accounting Center and has held financial management positions in several businesses in the Company's Health Care Business Group.

**Item 8.01 Other Events**

On March 18, 2019, the Company issued a press release announcing the realignment from five to four business groups to better serve our customers, and better align our businesses to their markets. The new business groups which are organized around customers and go-to-market strategies are:

- **Safety & Industrial:** This segment includes businesses that serve the global industrial, electrical and safety markets. This business segment will consist of personal safety, adhesives and tapes, abrasives, closure and masking systems, electrical markets, automotive aftermarket, and roofing granules. This segment will have estimated annual revenue of \$12 billion.
- **Transportation & Electronics:** This segment includes businesses that serve global transportation and electronic OEM customers. This business segment will consist of electronics (display materials and systems, electronic materials solutions), automotive and aerospace, commercial solutions, advanced materials, and transportation safety. This segment will have estimated annual revenue of \$10 billion.
- **Health Care:** This business segment serves the global healthcare industry and will include medical solutions, oral care, separation and purification sciences, health information systems, drug delivery systems, and food safety. This segment will have estimated annual revenue of \$7 billion.
- **Consumer:** This business serves global consumers and consists of home improvement, stationery and office supplies, home care, and consumer health care. Home improvement will also include the retail auto care business that was previously a part of the company's automotive aftermarket business. This segment will have estimated annual revenue of \$5 billion.

3M will start reporting its financial results under this new structure starting with the second quarter 2019. The Company will establish a Program Management Office to lead the additional work throughout the course of the year to transition 3M to a new, simplified global business-group-led operating model.

Edgar Filing: 3M CO - Form 8-K

Additional details on the new business model and executive appointments are described in the press release. A copy of the press release is attached as Exhibit 99.1 and is incorporated by reference.
