Use of Proceeds

Dow intends to use the net proceeds from this offering in the amount of approximately \$4.65 billion (i) to repay a portion of its borrowings under its term loan agreement and (ii) for refinancings, renewals, replacements and refundings of outstanding indebtedness.

Other Offerings

On May 6, 2009, the Company priced a public offering (the Equity Offering) of 130,434,783 shares of its common stock, par value \$2.50 per share, 66,666,683 of which are being sold by the Company and 63,768,100 of which are being sold by selling stockholders. The consummation of this debt offering is not conditioned upon the consummation of the Equity Offering and vice versa, but the consummation of this debt offering by the selling noteholders is conditioned upon the consummation of the Equity Offering by the Company. In the event the Company does not consummate the Equity Offering, the Company will issue and sell all of the Notes described above.

If the Company consummates the Equity Offering, including the full exercise of the underwriters' option to purchase additional shares to cover over-allotments, no shares of Cumulative Perpetual Preferred Stock, Series B would remain outstanding.

Purchase of Notes by Selling Noteholders

Certain affiliates of the Paulson Selling Noteholders will be purchasing Notes in this offering.
