## ADDITIONAL DISCLOSURE

### **Certifications and Disclosure Regarding Controls and Procedures.**

(a)

Certifications. See Exhibits 99.4 and 99.5 to this Annual Report on Form 40-F.

(b)

Disclosure Controls and Procedures. As of the end of the registrant's fiscal year ended March 31, 2006, an evaluation of the effectiveness of the registrant's disclosure controls and procedures (as such term is defined in Rules 13a-15(e) and 15d-15(e) of the Securities Exchange Act of 1934, as amended (the Exchange Act)) was carried out by the registrant's principal executive officer and principal financial officer. Based upon that evaluation, the registrant's principal executive officer and principal financial officer have concluded that as of the end of that fiscal year, the registrant's disclosure controls and procedures are effective to ensure that information required to be disclosed by the registrant in reports that it files or submits under the Exchange Act is (i) recorded, processed, summarized and reported within the time periods specified in Securities and Exchange Commission (the Commission) rules and forms and (ii) accumulated and communicated to the registrant's management, including its principal executive officer and principal financial officer, to allow timely decisions regarding required disclosure.

It should be noted that while the registrant's principal executive officer and principal financial officer believe that the registrant's disclosure controls and procedures provide a reasonable level of assurance that they are effective, they do not expect that the registrant's disclosure controls and procedures or internal control over financial reporting will prevent all errors and fraud. A control system, no matter how well conceived or operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met.

(c)

Changes in Internal Control Over Financial Reporting. During the fiscal year ended March 31, 2006, there were no changes in the registrant's internal control over financial reporting that have materially affected, or are reasonably likely to materially affect, the registrant's internal control over financial reporting.

### **Notices Pursuant to Regulation BTR.**

None.

### **Audit Committee Financial Expert.**

The registrant's board of directors has determined that none of the members of the registrant's audit and risk committee qualify as an audit committee financial expert (as such term is defined in Form 40-F). The registrant's board of directors had determined that Kenneth Galbraith, a former member of the registrant's audit and risk committee, qualified as an audit committee financial expert. However, Mr. Galbraith ceased to be a member of the registrant's audit and risk committee on May 19, 2006, upon assuming the role of Acting Chief Executive Officer of the registrant. The registrant has not had sufficient time to find a replacement for Mr. Galbraith as an audit committee financial expert, but it intends to seek such a replacement.

### **Code of Ethics.**

The registrant has adopted a code of ethics (as that term is defined in Form 40-F) that applies to its principal executive officer, principal financial officer, principal accounting officer or controller, and persons performing similar functions (the Ethics Code). The Ethics Code was filed as Exhibit 99.19 to the registrant's Registration Statement on Form 40-F filed with the Commission on October 24, 2005. In addition, a copy of the Ethics Code, entitled Business Philosophy and Corporate Code of Ethics, is available for viewing on the registrant's website at [www.anormed.com](http://www.anormed.com).

Since the adoption of the Ethics Code, there have not been any amendments to the Ethics Code or waivers, including implicit waivers, from any provision of the Ethics Code.

### **Principal Accountant Fees and Services.**

The required disclosure of principal accountant fees and services is included under the heading Audit and Risk Committee Information External Auditor Service Fees in the registrant's Annual Information Form for the fiscal year ended March 31, 2006, filed as part of this Annual Report on Form 40-F.

Of the fees reported under Principal Accountant Fees and Services above, none of the fees billed by KPMG LLP were approved by the audit and risk committee of the board of directors of the registrant pursuant to the de minimis exception provided by Section (c)(7)(i)(C) of Rule 2-01 of Regulation S-X.

### **Off-Balance Sheet Arrangements.**

The required disclosure of off-balance sheet arrangements is included under the heading Liquidity and Capital Resources Off-Balance Sheet Arrangements in the registrant's Management's Discussion and Analysis for the fiscal year ended March 31, 2006, filed as part of this Annual Report on Form 40-F.
