Edgar Filing: HOUSTON AMERICAN ENERGY CORP - Form 8-K

On July 17, 2007, management of Houston American Energy Corp (the "Company") was advised that Hupecol LLC ("Hupecol") had retained an investment bank for purposes of evaluating a possible transaction (a "Transaction") involving the monetization of Hupecol assets. The Transaction may involve the sale of some or all of the assets and operations of Hupecol, an exchange or trade of assets, a public offering or other similar transaction and may be effected in a single transaction or a series of transactions.

The Company is an investor in Hupecol and the Company's interest in the assets and operations of Hupecol represent all of the Company's assets and operations in Colombia and are the principal assets and operations of the Company. The Company's management intends to closely monitor the nature and progress of the Transaction in order to protect the interests of the Company and its shareholders. However, the Company has no effective ability to alter or prevent a Transaction and is unable to predict whether or not a Transaction will in fact occur or the nature or timing of any such Transaction. Further, the Company is unable to estimate the actual value that it might derive from any such Transaction and whether any such Transaction will ultimately be beneficial to the Company and its shareholders.
