Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) On March 24, 2016 (the "distribution date"), holders of Occidental Petroleum Corporation ("OPC") common stock as of February 29, 2016 (the "record date") received 0.093618 shares (the "distribution ratio") of California Resources Corporation ("CRC") common stock as a dividend on each outstanding share of OPC common stock they owned on the record date (the "distribution"). To account for the distribution, the reporting person's OPC common stock unit award was proportionately adjusted on the distribution date to increase the common stock units subject to the award by an amount (rounded up to the nearest whole share) equal to the product of (i) the number of unpaid common stock units subject to the award as of the record date multiplied by (ii) the distribution ratio multiplied by (iii) the quotient obtained by dividing the closing price of a share of CRC common stock on the distribution date by the closing price of a share of OPC common stock on the distribution date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
