PROXY STATEMENT

Annual Meeting of Stockholders
May 24, 2011

This proxy statement is furnished in connection with the solicitation by and on behalf of the Board of Directors of Nexstar Broadcasting Group, Inc., a Delaware corporation ("Nexstar" or the "Company"), of proxies for use at Nexstar's Annual Meeting of Stockholders to be held, pursuant to the accompanying Notice of Annual Meeting, on Tuesday, May 24, 2011 at 9:00 a.m., Central Daylight Time, and at any adjournment or adjournments thereof (the "Annual Meeting"). Actions will be taken at the Annual Meeting to (1) elect a Board of Directors to serve until the next Annual Meeting of Stockholders; (2) ratify the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the year ending December 31, 2011; (3) advise the Board of Directors on the compensation of our Named Executive Officers, (4) advise the Board of Directors on the frequency of stockholder advisory voting on executive compensation and (5) transact any other business which may properly come before the meeting.

Shares of Nexstar common stock, par value \$0.01, ("Common Stock"), represented by a properly executed proxy that is received by Nexstar prior to the Annual Meeting, will, unless revoked, be voted as directed in the proxy. If a proxy is signed and returned, but does not specify how the shares represented by the proxy are to be voted, the proxy will be voted (i) FOR the election of the nominees named therein, (ii) FOR PricewaterhouseCoopers LLP as Nexstar's independent registered public accounting firm in 2011; (iii) FOR the compensation of our Named Executive Officers, (iv) ABSTAIN on the frequency of stockholder advisory voting on executive compensation and (v) in such manner as the persons named in your proxy card shall decide on any other matters that may properly come before the Annual Meeting.

This Proxy Statement, the accompanying notice and the enclosed proxy card are first being mailed to stockholders on or about April 29, 2011.

ANNUAL REPORT AND INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Nexstar's Annual Report to Stockholders for the year ended December 31, 2010, including Nexstar's financial statements, management's assessment of the effectiveness of internal controls and PricewaterhouseCoopers LLP's report on the financial statements is being mailed with this proxy statement to each of Nexstar's stockholders of record on April 18, 2011. Exhibits will be provided at no charge to any stockholder upon written request to Nexstar Broadcasting Group, Inc., attention: Tom Carter, Chief Financial Officer. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting where they will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

VOTING SECURITIES

Stockholders of record on April 18, 2011 may vote at the Annual Meeting. On that date, there were 15,038,839 shares of Class A Common Stock, 13,411,588 shares of Class B Common Stock and no shares of Class C Common Stock outstanding. Holders of our Class A Common Stock and our Class B Common Stock will generally vote together as a single class on all matters submitted to a vote of our stockholders. The holders of Class A Common Stock are entitled to one vote per share and the holders of Class B Common Stock are entitled to 10 votes per share. Holders of our Class C Common Stock have no voting rights. Under the Company's By-laws, the holders of a majority of the

outstanding shares of common stock entitled to vote at the Meeting, present in person or represented by proxy, constitute a quorum. Abstentions and “broker non-votes” are counted as present and entitled to vote for purposes of determining a quorum. A “broker non-vote” occurs when a bank, broker or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. If you are a beneficial owner whose shares are held of record by a broker, your broker has discretionary voting authority under NASDAQ rules to vote your shares on the ratification of PricewaterhouseCoopers, LLP even if the broker does not receive voting instructions from you. However, your broker does not have discretionary authority to vote on the election of directors or the advisory votes on executive compensation without instructions from you, in which case a broker non-vote will occur and your shares will not be voted on this matter.

Stockholders of record may vote their proxies by signing, dating and returning the enclosed Proxy Card. If no instructions are indicated, the shares represented by such proxy will be voted according to the recommendations of our Board of Directors. Each proxy that is properly received by Nexstar prior to the Annual Meeting will, unless revoked, be voted in accordance with the instructions given on such proxy. Any stockholder giving a proxy prior to the Annual Meeting has the power to revoke it at any time before it is exercised by a written revocation received by the Secretary of Nexstar or by executing and returning a proxy bearing a later date. Any stockholder of record attending the Annual Meeting may vote in person, whether or not a proxy has been previously given, but the mere presence of a stockholder at the Annual Meeting will not constitute revocation of a previously given proxy. In addition, stockholders whose shares of Common Stock are not registered in their own name, including shares held in a brokerage account, will need to obtain a legal proxy from the record holder of such shares to vote in person at the Annual Meeting.

VOTE NECESSARY TO APPROVE PROPOSALS

- Proposal 1: Election of Directors

The election of directors requires a plurality of the votes cast, and votes may be cast in favor of the nominees or withheld. A plurality means that the nominee receiving the most votes for election to a director position is elected to that position. For the proposal to elect directors, abstentions and broker non-votes will not affect the outcome of such vote, because abstentions and broker non-votes are not treated as votes cast and will not affect the outcome of the proposal.

- Proposal 2: Ratification of the Selection of Independent Registered Public Accounting Firm

The ratification of the selection of our independent registered public accounting firm requires the affirmative vote of a majority of the votes cast at the meeting. Votes may be cast for or against such ratification. Stockholders may also abstain from voting. Abstentions will count in the tabulations of votes cast on this proposal, while broker non-votes are not counted as votes cast or shares voting on such matter and will have no effect on the voting on such matter.

- Proposal 3: Advisory vote on the compensation of our Named Executive Officers

This vote is advisory only and non-binding to the Board of Directors. The Board of Directors will receive the count of votes cast and expects to consider the results of the vote, along with other relevant factors, in its assessment of executive compensation.

- Proposal 4: Advisory vote on the frequency of stockholder advisory voting on executive compensation

This vote is advisory only and non-binding to the Board of Directors. The Board of Directors will receive the count of votes cast and expects to consider the results of the vote, along with other relevant factors, in its determination of the frequency of taking an advisory vote from stockholders on executive compensation.

PROPOSAL 1 – ELECTION OF DIRECTORS

The persons named in the enclosed proxy will vote to elect as Directors the nominees named below, unless the proxy is marked otherwise. PROPOSAL 2 – RATIFICATION OF THE SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Subject to ratification by the stockholders, the Audit Committee of our Board of Directors has selected the firm of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the year ending December 31, 2011. PricewaterhouseCoopers LLP has served as our independent registered public accounting firm since 1997. If the stockholders do not ratify the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm, the selection of such independent registered public accounting firm will be reconsidered by the Audit Committee.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders.

The Board of Directors believes that the selection of PricewaterhouseCoopers LLP as the independent registered public accounting firm for the year ending December 31, 2011 is in the best interests of the Company and its stockholders and therefore recommends that the stockholders vote FOR this proposal.

PROPOSAL 3 — ADVISORY VOTE ON EXECUTIVE COMPENSATION

As required pursuant to Section 14A of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the Board of Directors is asking stockholders to cast an advisory, non-binding vote on the compensation of our Named Executive Officers, as disclosed in the Compensation Discussion and Analysis section of this Proxy Statement. While this vote is non-binding, Nexstar values the opinions of its stockholders and expects to consider the outcome of the vote, along with other relevant factors, when making future compensation decisions.

As described in detail in the Compensation Discussion and Analysis section, the Compensation Committee oversees the program and compensation awarded, adopting changes to the program and awarding compensation as appropriate to reflect Nexstar’s circumstances.

Nexstar is asking its stockholders to indicate their support for the compensation of its Named Executive Officers. Nexstar believes that the information it has provided in the Proxy Statement demonstrates that its executive compensation program was designed appropriately and is working to ensure that management’s interests are aligned with its stockholders’ interests to support long-term value creation.

You may vote for or against the following resolution, or you may abstain. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and procedures described in this Proxy Statement.

The Board of Directors believes, based on the analysis and recommendations performed by the Compensation Committee, as discussed in the Compensation Discussion and Analysis section of this Proxy Statement, that it has provided a reasonable compensation structure for the Company’s Named Executive Officers, in order to align their personal interests with that of the Company and to attract and retain their talent. The Board of Directors recommends that the stockholders vote FOR such compensation.

PROPOSAL 4 — ADVISORY VOTE ON THE FREQUENCY OF EXECUTIVE COMPENSATION VOTING

As required by Rule 14A-21(a) of the Exchange Act, the Board of Directors is also asking stockholders to recommend, in an advisory, non-binding vote, whether the advisory stockholder vote on executive compensation should occur every one, two or three years. While this vote is non-binding, Nexstar values the opinions of its stockholders and expects to consider the outcome of the vote, along with other relevant factors, when determining the frequency of future advisory stockholder votes on executive compensation.

The Board of Directors does not provide a recommendation on this advisory vote. They would like to determine the unbiased viewpoint of the stockholders on this matter.

CORPORATE GOVERNANCE

Committees of the Board of Directors

The Board of Directors currently has the following three standing committees: the Compensation Committee, the Audit Committee and the Nominating and Corporate Governance Committee.

Compensation Committee

The Compensation Committee consists of Messrs. Grossman (Chair), Armstrong and Yudkoff. The Compensation Committee met once during 2010.

The Compensation Committee makes all decisions about the compensation of the Chief Executive Officer and also has the authority to review and approve the compensation for the Company's other executive officers. The primary objectives of the Compensation Committee in determining total compensation (both salary and incentives) of the Company's executive officers, including the Chief Executive Officer, are (i) to enable the Company to attract and retain highly qualified executives by providing total compensation opportunities with a combination of elements which are at or above competitive opportunities, (ii) to tie executive compensation to the Company's general performance and specific attainment of long-term strategic goals, and (iii) to provide a long-term incentive for future performance that aligns stockholder interests and executive rewards.

The purpose of the Compensation Committee is to establish compensation policies for Directors and executive officers of Nexstar, approve employment agreements with executive officers of Nexstar, administer Nexstar's stock option plans and approve grants under the plans and make recommendations regarding any other incentive compensation or equity-based plans. The Compensation Committee operates under a written charter adopted by the Board of Directors in January 2004. A copy of such charter is available through our web site at www.nexstar.tv. For more information regarding the Compensation Committee, please refer to the "Compensation Committee Report" in this Proxy Statement.

Audit Committee

The Audit Committee consists of Ms. McNabb (Chair) and Messrs. Armstrong and Pompadur. The Audit Committee met four times during 2010. The purpose of the Audit Committee is to oversee the quality and integrity of Nexstar's accounting, internal auditing and financial reporting practices, to perform such other duties as may be required by the Board of Directors, and to oversee Nexstar's relationship with its independent registered public accounting firm. The members of the Audit Committee are "independent" as that term is defined in the NASDAQ Stock Market Marketplace rules. The Board of Directors has determined that Ms. McNabb, who served as Chair of the Audit Committee in 2010, is an "audit committee financial expert" in accordance with the applicable rules and regulations of the Securities and Exchange Commission. The Audit Committee operates under a written charter adopted by the Board of Directors in January 2004. A copy of such charter is available through our web site at www.nexstar.tv. For more information regarding the Audit Committee, please refer to the "Audit Committee Report" in this Proxy Statement.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of Messrs. Pompadur (Chair), Armstrong and Donovan. The Nominating and Corporate Governance Committee did not meet during 2010. The members of the committee are "independent" as defined in the marketplace rules which govern NASDAQ Stock Market. The purpose of the Nominating and Corporate Governance Committee is to identify individuals qualified to serve on Nexstar's Board of Directors, recommend persons to be nominated by the Board of Directors for election as directors at the annual

meeting of stockholders, recommend nominees for any committee of the Board of Directors, develop and recommend to the Board of Directors a set of corporate governance principles applicable to Nexstar and to oversee the evaluation of the Board of Directors and its committees. The Nominating and Corporate Governance Committee operates under a written charter adopted by the Board of Directors in January 2004. A copy of such charter is available through our web site at www.nexstar.tv. Our Nominating and Corporate Governance Committee will consider nominees for the Board of Directors (see “Stockholder Proposals for the 2011 Annual Meeting” under “Other Information” in this Proxy Statement).

Additional Information Concerning the Board of Directors

During 2010, the full Board of Directors met three times. During 2010, each director attended at least 75% of the meetings of the Board of Directors and committees of the Board of Directors on which they serve, except for Mr. Donovan, who attended two of the three full board meetings or 67%.

Because fewer than ten non-management stockholders attended our 2010 Annual Meeting of Stockholders in person, the Board of Directors has not adopted a formal policy with regard to director attendance at the annual meeting of stockholders. Mr. Sook attended the 2010 Annual Meeting of Stockholders.

The Board of Directors has not adopted a nominating policy to be used for identifying and evaluating nominees for Director, including Director candidates recommended by stockholders, and has not established any specific minimum qualifications that Director nominees must possess. Instead, the Nominating and Corporate Governance Committee determines the qualifications and skills required to fill a vacancy to complement the existing qualifications and skills, as a vacancy arises in the Board of Directors. However, if it is determined that a nominating policy would be beneficial to Nexstar, the Board of Directors may in the future adopt a nominating policy.

There is no formal policy governing how diversity is considered in the makeup of the Board and the selection of its members. The Nominating and Corporate Governance Committee defines Board diversity broadly to mean that the Board is comprised of individuals with a variety of perspectives, industry experience, personal and professional backgrounds, skills and qualifications. When nominating a Board member, the Nominating and Corporate Governance Committee examines the diversity of the overall board and strives to maintain an appropriate level of diversity with the addition of each new nominee.

Nexstar is a “controlled company” in accordance with rules and regulations of the NASDAQ Stock Market, because ABRY, through its affiliated funds, controls a majority of the outstanding voting stock. As a result, we are not required to maintain a majority of independent Directors on our Board of Directors or to have the compensation of our executive officers and the nomination of Directors be determined by independent Directors.

Board of Directors Leadership Structure

Our Board of Directors has the responsibility for selecting the appropriate leadership structure for the Company. In making leadership structure determinations, the Board of Directors considers many factors, including the specific needs of the business and the best interests of the Company’s stockholders. Our current leadership structure is comprised of a combined Chairman of the Board and Chief Executive Officer and Board committees led by independent Directors. Although the Board of Directors does not currently have a formal policy, the Board of Directors believes that Mr. Sook’s service in this combined role is in the best interest of both the Company as well as our stockholders. Mr. Sook has a vast knowledge of television broadcasting and is seen as a leader in this industry. He understands the issues facing the Company and serving in this dual role he is able to effectively focus the Board of Director’s attention on these matters. In his combined capacity, he can speak clearly with one voice in addressing the Company’s various stakeholders such as customers, suppliers, employees and the investing public.

The Board of Directors has, so far, not found a need to designate one of the four independent Directors as a “lead independent director” because each independent Director is fully and effectively involved in the activities and issues relevant to the Board of Directors and its committees. The independent Directors have time and again demonstrated the ability to exercise their fiduciary responsibilities in deliberating issues before the Board of Directors and making independent decisions. Under NASDAQ independence rules, our independent Directors are Messrs. Armstrong, Donovan and Pompadur and Ms. McNabb.

Risk Oversight

Our Board of Directors plays a vital role in managing the risks facing our Company. Through the Audit Committee, the Board of Directors manages potential accounting risk through oversight of disclosure controls and controls surrounding financial reporting. Senior financial executives report to the Audit Committee at each committee meeting

on significant financial and accounting matters. Through the Compensation Committee, the Board of Directors helps manage potential risks associated with our compensation programs by ensuring that they are not structured in a way that encourages executives to take unacceptable risks. The Board of Directors is involved in managing operational risk through the evaluation of potential station acquisitions and significant agreements at Board of Directors meetings and in between meetings, as needed. The Board of Directors confers with our general counsel and outside legal counsel, when necessary, in overseeing legal and regulatory risks.

Code of Ethics

The Board of Directors adopted a Code of Ethics that applies to our Chief Executive Officer, Chief Financial Officer, the other executive officers and Directors, and persons performing similar functions. The purpose of the Code of Ethics is to promote honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships, to promote full, fair, accurate, timely and understandable disclosure in periodic reports required to be filed by Nexstar and to promote compliance with all applicable rules and regulations that apply to Nexstar and its officers and directors. The Code of Ethics was attached as an exhibit to Nexstar's Annual Report for the year ended December 31, 2003 on Form 10-K filed with the Securities and Exchange Commission on February 27, 2004.

Compensation Committee Interlocks and Insider Participation

None of our Directors or executive officers served, and we anticipate that no member of our Board of Directors or executive officers will serve, as a member of the board of directors or compensation committee of any other company that has one or more executive officers serving as a member of our Board of Directors.

COMPENSATION OF DIRECTORS

Overview of Compensation and Procedures

Nexstar employees do not receive compensation for services as Directors, and ABRY nominees have historically agreed that they would not receive compensation for their service on the Board of Directors, including for 2010. Accordingly, Messrs. Sook, Brooks, Grossman, Stone, Yosef-Or and Yudkoff serve on the Board of Directors without additional compensation. Messrs. Donovan, Armstrong and Pompadur each received an annual retainer of \$15,000 and Ms. McNabb received an annual retainer of \$25,000 for 2010. In addition to the retainer, Messrs. Donovan, Armstrong and Pompadur and Ms. McNabb each received \$1,500 for each in-person meeting that they attended and \$750 for each telephonic meeting that they attended of the Board of Directors or committee thereof of which they are a member. In addition, members of the Board of Directors are reimbursed for expenses they incur in attending meetings.

Directors hold office until the next meeting of the stockholders of Nexstar for the election of Directors and until their successors are elected and qualified. There are no family relationships among Directors or executive officers of Nexstar.

SECTION 16(a) BENEFICIAL OWNERSHIP
REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our Directors, executive officers and persons who beneficially own more than ten percent of a registered class of our equity securities to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of such equity securities of Nexstar. Executive officers, Directors and greater than ten percent beneficial owners are required to furnish Nexstar with copies of all Section 16(a) forms they file.

Based on our records and review of the copies of Section 16(a) reports furnished to us during the year ended December 31, 2010, we believe all Section 16(a) filing requirements applicable to Nexstar's executive officers, Directors and greater than ten percent beneficial owners were timely satisfied, except as described below:

Effective January 21, 2010, Tomer Yosef-Or was elected as a Director. Due to an inadvertent administrative error, his Form 3 filing was late.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

In this Compensation Discussion and Analysis, we provide a detailed discussion and analysis of our compensation program and policies and the critical factors that are considered in making compensation decisions.

Throughout this Proxy Statement, the individuals who served as the Company's Chief Executive Officer and Chief Financial Officer during the year ended December 31, 2010, along with the other three most highly-compensated executive officers, are collectively referred to as the "Named Executive Officers."

Stockholder votes regarding executive compensation were not a requirement for us in 2010 and our stockholders did not vote on such matters at that time. The Board of Directors and Compensation Committee expect to consider the outcome of the current year stockholder vote, along with other relevant factors, when making future executive compensation decisions.

Overview and Role of Compensation Committee

The Compensation Committee of the Board of Directors establishes compensation policies for the Directors and executive officers of Nexstar, including the Named Executive Officers. The Compensation Committee approves the employment agreements with the executive officers of Nexstar, administers Nexstar's stock option plans, approves grants under such plans and makes recommendations regarding other incentive compensation or equity-based plans provided to the Named Executive Officers and other executive officers.

Compensation Philosophy and Objectives

The Company's executive compensation program has been developed to incorporate a compensation philosophy consistent with the following primary objectives:

- Attract and retain talented and highly qualified executives in the competitive television broadcasting industry by providing a total compensation package that includes a combination of elements which are at or above competitive opportunities;
- Tie executive compensation, both annual and long-term elements, to the Company's overall performance and specific attainment of long-term strategic goals;
- Provide executives with long-term incentive for future performance that aligns with stockholder interests and maximizes stockholders value over the long-term; and
- Set executive compensation at responsible levels to promote fairness and equity among all employees within our organization.

Defining the Market—Benchmarking

We have not engaged a compensation consultant to review our policies and procedures concerning executive compensation. Our Chief Executive Officer conducts an annual benchmark review of the aggregate level of our executive compensation, as well as the mix of elements within our executive compensation program. This benchmarking review encompasses analyzing proxy information of approximately 13 multi-media companies that have a broadcast component ("peer group"), as disclosed in their most recent proxy information filing with the

Edgar Filing: NEXSTAR BROADCASTING GROUP INC - Form DEF 14A

Securities and Exchange Commission. The peer group is primarily comprised of the companies in the table below:

Belo Corp	Hearst-Argyle Journal	Scripps
CBS Corp	Communications	Sinclair
Fisher	LIN TV	Washington Post
Gannett	Meredith	
Gray	News Corp	

This review provides a foundation for ensuring that our executive compensation levels remain competitive in relation to this peer group and is generally refreshed prior to the hiring or replacement of an executive officer or when an existing officer's employment contract is renewed. One of the primary objectives of the Company's executive compensation program is to provide compensation near the median market pay level based on our benchmarking review of peer group companies, when warranted by Company results and individual contribution. We believe that such benchmarking is useful because we recognize that our compensation practices must be competitive in the television broadcasting industry. By targeting Named Executive Officer compensation to the compensation practices of the Company's peer group, the Company enhances its ability to attract and retain talented and highly qualified executives, which is fundamental to the Company's growth and delivery of value to its stockholders. In addition, peer group information is one of the many factors we consider in assessing the reasonableness of compensation of our Named Executive Officers.

Elements of Compensation

The principal elements of the Company's executive compensation consist of the following:

- Base Salary
- Annual Cash Bonuses
- Stock Options
- Other Stock-Based Compensation
- Perquisites and Other Compensation
- Health Benefits
- Severance Benefits and Change in Control Provisions

Base Salary

The annual base salary of the Company's Named Executive Officers is established by individual employment agreements (see "Employment Agreements" in this Proxy Statement). The purpose of the base salary is to provide each Named Executive Officer with a set amount of cash compensation that is not variable in nature and that is generally competitive with market practices. The base salary is established based on the scope of the executive's responsibilities, taking into account competitive market compensation paid by peer group companies for similar positions. Generally, we target the executives' base salaries near the median market pay level of our benchmarking review of peer group companies. Under each employment agreement, base salaries are increased on an annual basis. Annual salary increases for the Named Executive Officers are generally consistent, on a percentage basis, with those received by non-executive employees. See the "Employment Agreements" section of this Proxy Statement for a discussion of the employment agreements of Named Executive Officers.

Annual Cash Bonuses

Under the terms of their employment agreements, each Named Executive Officer is eligible to earn a targeted annual cash bonus up to an amount equal to a specified percentage of such executive's salary. Each Named Executive Officer's annual cash bonus is targeted to be approximately 50% of their annual base salary. The overall performance of the

Company determines what percentage, if any, of the target bonus will be paid out, with net revenues and EBITDA as the primary performance measures. If the Company attains the annually budgeted amounts for net revenue and EBITDA, then it is likely that 100% of the targeted bonus will be paid. However, the Chief Executive Officer, with the approval of the Compensation Committee, may increase the annual bonus paid to our other Named Executive Officers, and the Compensation Committee may increase the annual bonus paid to our Chief Executive Officer. Likewise, if the Company does not achieve its performance benchmarks, then an amount less than the full bonus may be paid. However, the Company does not utilize defined formulas to determine what percentage of the target bonuses will be paid to its executive officers, including its Named Executive Officers. Ultimately, the payment of cash bonuses is made on a discretionary basis and is determined based on an evaluation of each executive's individual contribution to the overall performance of the Company.

Historically, when determining the amount of bonus and incentive compensation to be paid to executive officers, the Compensation Committee reviews and considers the following information:

• Evaluations of each of the Named Executive Officers, as well as feedback from the full Board of Directors, regarding each Named Executive Officer's performance;

• The Chief Executive Officer's review and evaluation of each of the other Named Executive Officers, addressing individual performance and the results of operations of the business areas and departments for which such executive had responsibility, which the Compensation Committee discusses with the Chief Executive Officer;

- The financial performance of the Company, including its stock price and revenue growth; and

• Total proposed compensation, as well as each element of proposed compensation, taking into account the recommendations of the Chief Executive Officer.

For 2010, performance bonuses were paid to each of the Named Executive Officers at amounts representing the full target percentage for the Named Executive Officer, plus additional amounts. The Compensation Committee elected these amounts of bonuses for 2010 due to the performance of the Company, above its performance targets, as well as the individual performance of these executives. Bonuses were not granted in 2009 and 2008, due to the impact on the Company of the economic slowdown.

Stock Options and Other Stock-Based Compensation

The Company believes that grants of stock options are the most appropriate form of long-term compensation since they provide incentives to promote the long-term success of the Company in line with stockholders' interests. The Company's stock option plans are intended to motivate and reward the executive officers and to retain their continued services while providing long-term incentive opportunities including the participation in the long-term appreciation of our common stock value.

The number of stock options awarded to an executive officer during a given year is discretionary and is determined by the Compensation Committee, based on the contribution of the individual to the Company's attainment of annual goals, including net revenue and EBITDA. Just as with cash bonuses, there is no defined formula for how many options will be awarded to a Named Executive Officer.

In 2010, options were granted to Mr. Carter in January and to Mr. Busch in December. No other Named Executive Officers received options during the year. In 2009, options were granted to the Named Executive Officers in June 2009, except for Mr. Carter who received an option award in August 2009, when he joined the company. In 2008, no options were granted, primarily due to the Company not achieving its performance targets, the decrease in the value of the Company's common stock and the desire by the Compensation Committee to conserve the number of shares available under our equity plans for future issuances. The Compensation Committee awards stock options to the four non-CEO Named Executive Officers based on the recommendation of the Chief Executive Officer, who evaluates their performance in meeting the goals established at the beginning of each year. The Compensation Committee awards stock options to the Chief Executive Officer primarily based on the overall performance of the Company.

The Company currently maintains two equity compensation plans (collectively, the "Equity Plans"), which provide for the granting of stock options, stock appreciation rights, restricted stock and performance awards. Awards made under the Company's Equity Plans have consisted almost exclusively of the granting of non-qualified stock options. With certain limited exceptions, stock option awards vest 20% per year over a five-year period, dependent on continued

employment. The exercise price of stock options may not be less than the market price of the Company's Class A Common Stock on the date of grant. Stock option awards must be exercised within ten years of the date of grant of the option, subject to earlier expiration upon termination of the individual's employment. The provisions of the Equity Plans limit the number of options that may be granted to any one individual in a calendar year to 10% of the total number of options authorized under each plan.

Perquisites and Other Compensation

All other compensation for the Named Executive Officers includes automobile allowances paid by the Company, the value of the personal use of an automobile and group life insurance paid by the Company. In 2010, the Company made 401(k) matching contributions. In 2009 and 2008, the Company suspended its matching contributions.

Health Benefits

All full-time employees, including our Named Executive Officers, may participate in our health benefit program, including medical, dental and vision care coverage, disability insurance and life insurance.

Severance Benefits and Change in Control Provisions

All of our Named Executive Officers have entered into employment agreements with us. These employment agreements, among other things, provide for severance compensation to be paid to the executives if they are terminated upon a change of control of the Company, or for reasons other than cause or if they resign for good reason, as defined in the agreement (see "Payments Upon a Termination Change in Control").

Compensation Risk Considerations

The Compensation Committee has assessed the level of risk associated with the Company's executive incentive programs to ensure that the design of these programs does not encourage executives to subject the Company to unacceptable levels of business risk. It is the Committee's opinion that the current incentives offered to executives are balanced in such a way so as not to create a conflict between executive and stockholder interests. Annual cash bonuses are based primarily on current year net revenues and EBITDA, which are short-term measures. These short-term incentives are balanced out by the long-term incentives offered to executives in the form of stock options. The options generally vest over a five year period and encourage executives not to take risks that would jeopardize the future growth and profitability of the Company.

Determination of 2010, 2009 and 2008 Compensation

The Compensation Committee reviewed compensation levels for the Named Executive Officers for 2008 through 2010 and considered various factors, including the executive's job performance, the compensation level of competitive jobs and the financial performance of the Company. For the executive officers other than the Chief Executive Officer, the Compensation Committee considers the recommendations of the Chief Executive Officer. The Compensation Committee approves the primary components of compensation for each Named Executive Officer, including any annual cash bonus and grant of stock options.

EMPLOYMENT AGREEMENTS

The Company currently has an employment agreement in place with each of its Named Executive Officers. The following is summarized information related to the base salary, annual cash bonus and severance compensation and termination provisions contained in the employment agreement of each Named Executive Officer.

Perry A. Sook

Mr. Sook is employed as President and Chief Executive Officer under an employment agreement with us. The term of the agreement expires on December 31, 2011 and automatically renews for successive one-year periods unless either party notifies the other of its intention not to renew the agreement. POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

Each of our Named Executive Officers has entered into an employment agreement with the Company (see “Employment Agreements” in this Proxy Statement). Included in each employment agreement are provisions regarding termination of employment, including a change in control of the Company. The circumstances that would result in the payment of severance compensation and other benefits under the employment agreements are identical for each of the Named Executive Officers.

As defined in the employment agreements, there are three different circumstances that would result in the payment of severance compensation, each as defined in the employment agreements, as follows: (1) change in control of the Company; (2) termination by the Company for reasons other than cause; and (3) resignation by the Named Executive Officer with good reason.

In the event of termination for any of the above reasons, as defined in the employment agreements, each Named Executive Officer is eligible to receive his base salary for a period of one year (except for Mr. Sook who would receive two years base salary plus target bonus) and is eligible to receive continued coverage under the Company’s healthcare insurance plan in accordance with the continuation requirements of COBRA for one year with premiums paid by Nexstar.

The following table sets forth potential payments to our Named Executive Officers under their employment agreements, for various circumstances involving the termination of employment of our Named Executive Officers or change in control of the Company, assuming a December 31, 2010 termination date.

AUDIT COMMITTEE REPORT

The financial statements of Nexstar Broadcasting Group, Inc. are prepared by management, which is responsible for their objectivity and integrity. The Audit Committee has reviewed and discussed with management the audited financial statements and management's assessment of the effectiveness of internal controls of the Company for the year ended December 31, 2010.

The Audit Committee has discussed with PricewaterhouseCoopers LLP, the independent registered public accounting firm who audited the Company's December 31, 2010 financial statements, the matters required to be discussed in Public Company Accounting Oversight Board ("PCAOB") standards, AU Section 380, "Communication with Audit Committees." Additionally, the Audit Committee has received the written disclosures and the letter from PricewaterhouseCoopers LLP required by applicable requirements of the PCAOB regarding communications with the Audit Committee concerning independence and has discussed with them their independence from the Company and its management. Finally, the Audit Committee has considered whether the provision of non-audit services to the Company by PricewaterhouseCoopers LLP is compatible with their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements and management's assessment of the effectiveness of internal controls be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2010 for filing with the Securities and Exchange Commission.

Respectfully submitted,

Lisbeth McNabb, Chair

Our Board of Directors has not adopted a written policy or procedure for the review, approval and ratification of related party transactions, as the Audit Committee Charter already requires the Audit Committee to review all relationships and transactions in which the Company and our employees, directors and officers or their immediate family members are participants to determine whether such persons have a direct or indirect material interest. Based on all the relevant facts and circumstances, our Audit Committee will decide whether the related-party transaction is appropriate and will approve only those transactions that are in the best interests of the Company.

All employees sign a conflict of interest statement annually, and we require our directors and executive officers to complete annually a directors' and officers' questionnaire which requires disclosure of any related-party transactions. As required under SEC rules, transactions that are determined to be directly or indirectly material to the Company or a related person are disclosed in our periodic filings as appropriate.
