ELECTION OF DIRECTORS (Proposal 1)

The number of directors constituting the Board of Directors is currently set at 13. Directors have been divided into three classes with respect to the time for which the directors may hold office. Directors are elected to hold office for a term of three years, and one class of directors expires each year. In accordance with the Company's Amended and Restated Articles of Incorporation ("Charter") and Amended and Restated By-Laws ("By-Laws"), the terms of directors of Class I expire in 2007, the terms of directors of Class II expire this year, and the terms of directors of Class III expire in 2006. In all cases, directors are elected until their successors are duly elected and qualify.

Stockholders are being asked to vote for a total of six director nominees at this year's Annual Meeting. Three of the current Class II directors are standing for re-election. The fourth member of Class II, David C. Bryan, is not standing for re-election and the Board has nominated Mark M. Freestate to replace Mr. Bryan. Additionally, W. Edwin Kee, Jr. and Thomas H. Evans are also standing for re-election. The Maryland General Corporation Law requires any director who was elected during the year other than at a regular or special meeting of the Company's stockholders to stand for re-election at the annual meeting of stockholders immediately following that election. In May 2004, the Board elected Mr. Kee to serve as a director as part of the Company's merger with Midstate Bancorp, Inc. ("Midstate Bancorp"), as required by the merger agreement. In November 2004, the Board elected Mr. Evans to serve as a director. If elected, Mr. Kee will serve in Class III and Mr. Evans will serve in Class I. Steven A. Fulwood, who was also elected by the Board in November 2004 to serve as a director, resigned from the Board on March 21, 2005 and is not standing for re-election. As permitted by the Charter and By-Laws, the Board eliminated the vacancy created by Mr. Fulwood's resignation.

Mr. Freestate was recommended for nomination by Mr. Jerry F. Pierson, a non-management director of the Company. Mr. Evans was originally elected upon the recommendation of the Company's President and Chief Executive Officer.

The following nominees for directors, their ages as of the Record Date, their principal occupations and business experience for the past five years, and certain other information are set forth below.

He currently serves as Vice President of Avon Dixon Agency, LLC ("Avon-Dixon"), another subsidiary of the Company.

CLASS III DIRECTOR
(Term Expires in 2006)

<u>Name</u>	<u>Age</u>	<u>Principal Occupation and Business Experience</u>
W. Edwin Kee, Jr.	53	Mr. Kee has served as a director of the Company since May 2004 and the Chairman of the Board of Felton Bank since 1992. Between 1996 and 2004, Mr. Kee served as the Chairman of the Board of Midstate Bancorp, Inc. Mr. Kee is a professor at the University of Delaware, College of Agriculture, and the President of Kee's Creek Farm.

A quorum for the Annual Meeting consists of a majority of the issued and outstanding shares of Common Stock present in person or by proxy and entitled to vote. Directors are elected by a plurality of the votes of the shares present in person or by proxy and entitled to vote. Consequently, withholding of votes, abstentions and broker non-votes with respect to shares of Common Stock otherwise present at the Annual Meeting in person or by proxy will have no effect on the outcome of this vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE ABOVE NOMINEES.

Board Committees

The Company's Board of Directors has an Executive Committee, an Audit Committee, a Nominating and Corporate Governance Committee (the "Nominating Committee"), and a Personnel Committee, each of which is described below. The Board also has a Strategic Planning Committee.

The Company's Executive Committee consists of David C. Bryan, Chairman, Blenda W. Armistead, Lloyd L. Beatty, Jr., W. Moorhead Vermilye, Daniel T. Cannon, Christopher F. Spurry, Richard C. Granville, and Thomas H. Evans. The Committee has the authority to exercise the powers of the Board in the management of the business and affairs of the Company, subject to subsequent revision or alteration of any such action by the Board of Directors of the Company. The Executive Committee did not meet in 2004.

The Company's Audit Committee is established pursuant to Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") and consists of Neil R. LeCompte, Chairman, Jerry F. Pierson, and Christopher

F. Spurry. The Board has determined that Mr. LeCompte qualifies as an “audit committee financial expert” as defined by the Securities and Exchange Commission (“SEC”) in Item 401(h) of Regulation S-K. The Audit Committee assists the Board in monitoring the integrity of the financial statements, the performance of the Company’s internal audit function, and compliance by the Company with legal and regulatory requirements, and it oversees the qualification, performance and independence of the Company’s outside auditors, including whether satisfactory accounting procedures are being followed. During 2004, the Audit Committee held six meetings. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which was attached as Appendix A to last year’s definitive proxy statement.

The Company’s Personnel Committee is responsible for determining executive compensation and promotions and for administering the Company’s equity compensation plans. The members of the Personnel

Committee are Christopher F. Spurry, Chairman, Richard C. Granville, Herbert L. Andrew, III and Paul M. Bowman. The Personnel Committee held two meetings in 2004.

The Company's Nominating Committee consists of Blenda W. Armistead, Chairman, Herbert L. Andrew, III, Paul M. Bowman, Jerry F. Pierson and W. Edwin Kee, Jr., and is responsible for identifying qualified individuals for nomination to the Board Directors, considering candidates for nomination proposed by stockholders of the Company, recommending director nominees to the Board (see "Director Recommendations and Nominations" below), recommending directors for each Board committee, and recommending corporate governance guidelines to the Board. During 2004, the Nominating Committee held one meeting. A copy of the Nominating Committee's written charter was attached as Appendix B to last year's proxy statement.

Director Independence

Pursuant to The Nasdaq Stock Market's listing standards (the "Nasdaq Listing Standards"), a majority of the Company's directors must be "independent directors" as that term is defined by Nasdaq Listing Standards Rule 4200(a)(15). The Company's Board of Directors has determined that all of its directors are "independent directors" except for Messrs. Vermilye, Cannon, Beatty, and Evans, and these independent directors constitute a majority of the Company's Board of Directors. If elected, Mr. Freestate will not be an independent director. Each member of the Personnel Committee and of the Nominating Committee is an "independent director" as defined by Nasdaq Listing Standards Rule 4200(a)(15), and each member of the Audit Committee meets the independence standards of Nasdaq Listing Standards Rule 4350(d)(2).

Board Meeting Attendance

The Board of Directors held five meetings in 2004. No incumbent director during the last full fiscal year attended fewer than 75% of the aggregate of (1) the total number of meetings of the Board of Directors (held during the period for which that person served as a director); and (2) the total number of meetings held by all committees of the Board on which that person served (held during the period served), except that Mr. Granville missed two meetings of the Board of Directors and one meeting of the Personnel Committee.

Director Compensation

Directors of the Company receive an annual retainer of \$3,000 per year for serving on the Company's Board of Directors, plus \$250 per meeting (regular and committee) attended.

Directors who are not employees of the Company or Talbot Bank and who also serve as directors of Talbot Bank (Messrs. Andrew, Beatty, Granville, and Spurry and Ms. Armistead) also receive an annual retainer of \$5,000 per year for serving on the Talbot Bank Board of Directors, plus \$200 per meeting attended. Directors are compensated once for attendance at jointly-held meetings.

Directors who are not employees of the Company or Centreville National Bank and who also serve as directors of Centreville National Bank (Messrs. Bowman, Bryan, Pierson, and LeCompte) also receive an annual retainer of \$10,000 and \$100 for each meeting attended. Mr. Pierson, as Chairman of the Centreville National Bank Board of Directors, receives an additional retainer of \$1,000. Centreville National Bank maintains a voluntary deferred compensation plan for its directors. Pursuant to this plan, Messrs. Bryan, Cannon, and Pierson each elected to defer compensation they received in previous years for serving on the Centreville National Bank Board. These amounts were invested in life insurance policies, owned by the Centreville National Bank, on the lives of the respective individuals. These directors currently do not defer fees. Death benefits are payable to the Centreville National Bank and the directors' death beneficiaries. Current death benefits under these policies are \$625,156 for Mr. Bryan, \$414,120 for Mr. Cannon, and \$832,653 for Mr. Pierson.

Directors of the Company who also serve as directors of Felton Bank and who are not employed by Felton Bank (Messrs. Kee and Vermilye) receive an additional \$100 for each meeting of Felton Bank Board of Directors that they attended in 2004.

Director Recommendations and Nominations

The Nominating Committee is responsible for assembling and maintaining a list of qualified candidates to fill vacancies on the Board, and it periodically reviews this list and researches the talent, skills, expertise, and general background of these candidates. The Nominating Committee will from time to time review and consider candidates recommended by stockholders. Stockholder recommendations should be submitted in writing to: Shore Bancshares, Inc., 18 East Dover Street, Easton, Maryland 21601, Attn: Carol I. Brownawell, Secretary; and must specify (i) the recommending stockholder's contact information, (ii) the class and number of shares of the Company's common stock beneficially owned by the recommending stockholder, (iii) the name, address and credentials of the candidate for nomination, and (iv) the candidate's consent to be considered as a candidate.

Whether recommended by a stockholder or chosen independently by the Nominating Committee, a candidate will be selected for nomination based on his or her talents and the needs of the Board. The Nominating Committee's goal in selecting nominees is to identify persons that possess complimentary skills and that can work well together with existing Board members at the highest level of integrity and effectiveness. A candidate, whether recommended by a Company stockholder or otherwise, will not be considered for nomination unless he or she is of good character and is willing to devote adequate time to Board duties. In assessing the qualifications of potential candidates, the Nominating Committee will also consider the candidate's experience, judgment, and civic and community relationships, and the diversity of backgrounds and experience among existing directors. Certain Board positions, such as Audit Committee membership, may require other special skills, expertise, or independence from the Company.

It should be noted that a stockholder recommendation is not a nomination, and there is no guarantee that a candidate recommended by a stockholder will be approved by the Nominating Committee or nominated by the Board of Directors. A stockholder who desires to nominate a candidate for election may do so only in accordance with Article II, Section 4 of the By-Laws, which provides that directors may be nominated by stockholders by written request to the Secretary of the Company received not less than 120 days nor more than 180 days prior to the date fixed for the meeting. Additional time constraints are applicable in the cases of a change in stockholder meeting date or a special meeting called for the purpose of electing directors. As provided in the By-Laws, the notice of nomination must specify: (a) the name and address of each proposed nominee; (b) the principal occupation of each proposed nominee; (c) the number of shares of capital stock of the Company owned by each proposed nominee; (d) the name and residence address of the notifying stockholder; (e) the number of shares of capital stock of the Company owned by the notifying stockholder; (f) the consent in writing of the proposed nominee as to the proposed nominee's name being placed in nomination for director; (g) a description of all arrangements or understandings between such notifying stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such notifying stockholder, (h) a representation that such notifying stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice; and (i) all information relating to such proposed nominee that would be required to be disclosed by Regulation 14A under the Exchange Act and Rule 14a-11 promulgated thereunder, assuming such provisions would be applicable to the solicitation of proxies for such proposed nominee.

Stockholder Communications with the Board of Directors

Stockholders may communicate with the Company's Board of Directors by contacting Carol I. Brownawell, Secretary, at Shore Bancshares, Inc., 18 East Dover Street, Easton, Maryland 21601 or (410) 822-1400. All communications will be forwarded directly to the Chairman of the Board for consideration.

The Company believes that the Annual Meeting is an opportunity for stockholders to communicate directly with directors and, accordingly, expects that all directors will attend each Annual Meeting. If you would like an opportunity to discuss issues directly with our directors, please consider attending this year's Annual Meeting. At the 2004 Annual Meeting, all directors (who were serving as such) were in attendance.

AUDIT COMMITTEE REPORT

The Audit Committee has (i) reviewed and discussed the Company's consolidated audited financial statements for fiscal year ended December 31, 2004 with Company management; (ii) discussed with Stegman & Company, the Company's independent auditors, all matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU, § 380), as modified or supplemented; and (iii) has received the written disclosures and the letter from Stegman & Company, required by Independence Standards Board Standard No. 1 (Independence Standards Board Standards No. 1, Independence Discussions with Audit Committees), as modified or supplemented, and has discussed with the auditors the auditor's independence. Based on its review and discussions, the Audit Committee recommended to the Board of Directors that the consolidated audited financial statements for year ended December 31, 2004 be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004.

401(k) Profit Sharing Plan

The Company adopted the Shore Bancshares, Inc. and Subsidiaries 401(k) Profit Sharing Plan on January 1, 2002. The plan is administered by six trustees appointed by the Board of Directors and is available to eligible employees of the Company and its subsidiaries who have completed six months of service. The Company may make discretionary contributions to the plan each year based upon profits of the Company. In addition, employer matching contributions are made to each active member's account each year in an amount equal to 100% of the member's pay reduction contributions up to 3% of base salary, plus 50% of contributions which exceed 3% of base salary, up to 5% of base salary. All employee contributions are immediately vested. Discretionary and matching contributions vest incrementally over a six year period. Discretionary, pre-tax and matching contributions may be withdrawn while a member is employed by the Company if the member has reached age 59½ in circumstances of financial hardship or in certain other circumstances pursuant to plan restrictions. Effective January 1, 2005, Felton Bank terminated its separate 401(k) plan and all eligible employees now participate in the Company's plan.

Shore Bancshares, Inc. 1998 Stock Option Plan

The Shore Bancshares, Inc. 1998 Stock Option Plan was approved by the Company's Board of Directors and stockholders and will continue in effect until March 3, 2008, unless earlier terminated. The plan contemplates the grant of options to purchase shares of Common Stock to directors and key management employees of the Company and its subsidiaries. The total number of shares of Common Stock that may be issued under the plan cannot exceed 80,000 shares, as adjusted for stock splits and other similar reclassification events. Both incentive stock options and nonqualified stock options may be granted under the plan. An option granted under the plan generally expires on the 10th anniversary of the date the option was granted. The Company did not grant any options under this plan in 2004.

Shore Bancshares, Inc. 1998 Employee Stock Purchase Plan

The Shore Bancshares, Inc. 1998 Employee Stock Purchase Plan was approved by the Company's Board of Directors and stockholders and will continue in effect until March 3, 2008, unless earlier terminated. The plan contemplates the grant of options to purchase shares of Common Stock to eligible employees of the Company and its subsidiaries. The total number of shares of Common Stock that may be issued under the plan cannot exceed 45,000 shares, as adjusted for stock splits and other similar reclassification events. An option granted under the plan generally expires 27 months

after the date the option was granted. In 2004, 5,979 options were granted under this plan.

Talbot Bancshares, Inc. Employee Stock Option Plan

In connection with the December 2000 merger of Talbot Bancshares into the Company, the Company assumed options previously granted under, and subject to all terms of, the Talbot Bancshares, Inc. Employee Stock Option Plan (the "Talbot Plan"). The Company subsequently registered the Talbot Plan with the SEC, which authorizes the grant of options to purchase up to 114,000 shares of the Company's Common Stock, as adjusted for stock splits and other similar reclassification events. The Talbot Plan was approved by both the Board of Directors and the stockholders of Talbot Bancshares, but was not approved by the stockholders of the combined companies. Thus, only non-qualified stock options may be granted under the Talbot Plan. During 2004, the Company did not grant any options to the named executive officers under the Talbot Plan.

The Talbot Plan is administered by the Personnel Committee of the Board and will expire on April 9, 2007 unless sooner terminated. Generally, key management employees of the Company and its subsidiaries are eligible to receive option grants under the Talbot Plan. An option granted under the Talbot Plan vests according to the terms of the related stock option agreements and can generally be exercised for 10 years after grant, unless the Board provides otherwise. The option exercise price will generally be the fair market value of the shares on the date the option is granted. Upon exercise of options granted under the Talbot Plan, the Company is obligated to pay the optionee a tax benefit payment in an amount of U.S. dollars equal to the number of shares as to which the option is being exercised, multiplied by (i) the "tax rate" and (ii) the difference between the per share fair market value at the time of exercise and the per share option price. The tax rate shall be a percentage designated by the Company to result in compensating the optionee for the federal, state and local income tax liability incurred by the optionee by virtue of his exercise of the option and the payment to him of the tax benefit payment. Options are not transferable other than by will or the laws of descent and distribution. All unexercised options will lapse upon termination of employment other than because of death, disability or approved retirement. If employment is terminated because of disability or approved retirement, the options will lapse one year or three months after termination, respectively. Upon a "change in control" as defined in the Talbot Plan, all unexercised options will immediately vest and become exercisable. No options have been granted under the plan since the merger with Talbot Bancshares.

The following table sets forth certain information relating to options (under all plans) exercised by the named executive officers in 2004 and the number and value of underlying unexercised stock options held by the named executives as of December 31, 2004

Aggregated Option/SAR Exercises in 2004 and 2004 Year End Option/SAR Values

Deferred and Other Compensation

In 1996, Talbot Bank adopted a supplemental deferred compensation plan to provide retirement benefits to its President and Chief Executive Officer. The plan calls for fixed annual payments of \$20,000 vesting immediately to be credited to the participant's account.

In 1999, Centreville National Bank and Mr. Cannon entered into a Executive Supplemental Retirement Plan Agreement (the "Retirement Agreement") to provide certain benefits to Mr. Cannon on and after retirement. Centreville National Bank funds this plan through a key man life insurance policy on the life of Mr. Cannon that was purchased in 1994 and carries a \$15,000 annual premium for 20 years. Each year, Centreville National Bank deposits to or

withdraws from a retirement account an amount equal to the difference between the annual after-tax earnings or loss, respectively, generated by the insurance policy and the “Cost of Funds” (as defined in the Retirement Agreement) for that year. Upon termination of employment other than for death or “cause” (as defined in the Retirement Agreement), Mr. Cannon will generally be entitled to receive (i) the balance of his retirement account paid in 10 annual installments, commencing at age 65, and (ii) each year until death, commencing at age 65, the difference between the after-tax income generated by the policy and the Cost of Funds for that year. If Mr. Cannon’s employment is terminated due to death, his designated beneficiary will receive the balance in his retirement account in one lump sum payment. At December 31, 2004, this balance was \$11,244.

Additionally, Centreville National Bank and Mr. Cannon entered into a Life Insurance Endorsement Method Split Dollar Plan Agreement (the "Endorsement") pursuant to which Centreville National Bank has endorsed to a beneficiary named by Mr. Cannon 80% of the net-at-risk insurance portion of the death benefits payable to Centreville National Bank under the key man life insurance policy discussed above. The net-at-risk portion of the proceeds is defined as the total proceeds paid at death less the then cash value of the policy. Centreville National Bank is the sole owner of this policy and has all rights with respect to its cash surrender value. The Endorsement will be terminated if Mr. Cannon's employment with Centreville National Bank is terminated for "cause" (as defined in the Endorsement), in which case Mr. Cannon will be given the option to purchase the policy from Centreville National Bank by paying the greater of (i) Centreville National Bank's share of the cash value of the policy on the date of assignment or (ii) the amount of all premiums paid to date by Centreville National Bank. Generally, a "change in control" (as defined in the Endorsement) that results in the termination of Mr. Cannon's employment will not affect the benefits payable to Mr. Cannon's beneficiary. Based on the value of the policy at December 31, 2004, Mr. Cannon's beneficiary would receive approximately \$423,908 upon Mr. Cannon's death.

Employment Agreements with Named Executive Officers

Both Mr. Vermilye and Mr. Cannon are parties to an employment agreement with the Company, each dated December 1, 2000. Under Mr. Vermilye's employment agreement, Mr. Vermilye serves as President and Chief Executive Officer of the Company and President and Chief Executive Officer of Talbot Bank. Under Mr. Cannon's employment agreement, Mr. Cannon serves as Executive Vice President and Chief Operating Officer of the Company and President and Chief Executive Officer of Centreville National Bank. Talbot Bank may terminate Mr. Vermilye's agreement at any time and Centreville National Bank may terminate Mr. Cannon's agreement at any time, but Mr. Vermilye and Mr. Cannon will thereafter be entitled to certain compensation, which will vary depending upon whether their respective terminations were for "cause" (as defined in the agreements). Except as provided otherwise in their agreements, Mr. Vermilye and Mr. Cannon have each agreed that, during the terms of their respective agreements, they will not be a director, officer, or employee of, or consultant to, any federal or state financial institution operating in Queen Anne's, Kent, Caroline, Talbot, or Anne Arundel Counties in the State of Maryland, or Kent County, Delaware, other than of Talbot Bank or Centreville National Bank or their subsidiaries or affiliates. Under the terms of both employment agreements, in the event of a "change in control" (as defined in the employment agreement) in which the employee is terminated without cause within 12 months of the change in control, the employee will receive a lump sum payment equal to 2.99 times his then current salary. The term of each agreement will expire after five years and is subject to automatic renewal for one additional five year period and thereafter for successive one year term. Compensation received by Mr. Vermilye is paid by Talbot Bank, and compensation received by Mr. Cannon is paid by Centreville National Bank.

During Mr. Fulwood's employment with Avon-Dixon, he was a party to an employment agreement under which he served as President of the agency. This employment agreement called for an annual salary of \$211,000, plus participation in the Company's profit-sharing and 401(k) plan and other company-wide benefits plans, a \$10,000 insurance commission, a supplemental retirement account that was scheduled to be activated in the first quarter of 2005, a one-time signing bonus of \$20,000, and a profit-sharing bonus plan that was scheduled to commence in 2006. The agreement was generally terminable by either party on 30 days' notice.

During Mr. LaTulip's employment with Avon-Dixon, he was party to an employment agreement under which he served as the President of the agency. This agreement called for an annual salary of \$211,000, certain insurance commissions, and a vehicle allowance. For three years after the termination of his employment, Mr. LaTulip is prohibited from competing against Avon-Dixon within the Delmarva Peninsula of Maryland, and he may not serve or solicit, in connection with insurance producer or related services, any person who was a customer of Avon-Dixon at any time within 18 months of the date his employment terminated. The agreement did not contain a stated term of employment, but was generally terminable by either party on 30 days' notice.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Personnel Committee oversees executive compensation matters. The Personnel Committee consists of Christopher F. Spurry, Chairman, Richard C. Granville, Paul M. Bowman, and Herbert L. Andrew, III. Each of the foregoing persons is a non-employee director, has not formerly served as an officer of the Company or its subsidiaries, and has no interlocking relationship or insider participation as defined by the SEC.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Personnel Committee submits the following report addressing the executive compensation policies of the Company for 2004.

The Personnel Committee of the Board of Directors structures the compensation programs for the Chief Executive Officer, the Executive Vice President, and other executive officers and key employees of the Company. It is the philosophy of the Personnel Committee to offer competitive compensation that is designed to provide incentives that reward employees based upon individual performance and the overall performance of the Company. Executive compensation levels are recommended to the Board of Directors by the Personnel Committee and approved by the non-employee directors. The compensation programs are reviewed annually or at other times when an individual's specific performance warrants a special review.

Executive compensation consists of two components—base salary and incentive compensation. Incentive compensation is variable and directly tied to the performance of the Company. The incentive programs have been developed to align the interest of management with the long-term strategic objectives of the Company. In setting the base compensation levels and developing incentive compensation programs, careful consideration is given to programs offered by other institutions in the Company's peer group. It has been the intention of the Personnel Committee and the Board to keep the Company's compensation packages in the top quartile of its peer group. The Personnel Committee believes that maintaining this level of compensation is an essential element in attracting and retaining the top executives in the industry.

The Personnel Committee considers a variety of factors to determine whether incentive goals have been met by a particular executive officer. The financial measures consist of traditional ratios, such as return on assets, earnings per share, and efficiency ratios. In addition, the Personnel Committee considers subjective factors like employee moral, employee turnover and customer satisfaction. It is the view of the Personnel Committee that these are key elements necessary to maintain the market leadership role we have in our primary markets.

The Personnel Committee set the Chief Executive Officer's base salary for fiscal year 2004 at \$200,000, which represents no increase over 2003. In establishing this base salary, the Personnel Committee considered the Chief Executive Officer's performance for the prior year, the increasing complexity of the Company's operations, including the recent additions of the insurance producer and wealth planning groups, and the base compensation paid to chief executive officers of other banking organizations in the Company's peer group. The Chief Executive Officer's 2004 incentive compensation consisted of a \$140,000 cash bonus, which represents a 12.3% increase over his 2003 cash bonus. This bonus was based on several factors, including the Company's continued growth in total assets, loans and deposits in 2004, the Company's record earnings in 2004, the growth and success of the Company's insurance and wealth management operations, and the Chief Executive Officer's instrumental role in negotiating the Company's merger with Midstate Bancorp that occurred in April 2004. The Personnel Committee finds that the Chief Executive Officer's total compensation package for 2004 was justified based on the overall performance of the Company, stockholder interests, and competitive data related to compensation packages for top executives in and around the Company's market areas.

The Personnel Committee believes that the total compensation awarded to the Chief Executive Officer and to the other executive officers of the Company is consistent in each case with the Personnel Committee's objectives and the officer's individual performance.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During the past year Talbot Bank, Centreville National Bank, and Felton Bank have had banking transactions in the ordinary course of their businesses with their directors and officers and with the associates of such persons on substantially the same terms, including interest rates, collateral, and repayment terms on loans, as those prevailing at the same time for comparable transactions with others. The extensions of credit by Talbot Bank, Centreville National Bank, and Felton Bank to these persons have not and do not currently involve more than the normal risk of collectability or present other unfavorable features.

On April 1, 2004, the Company completed its merger with Midstate Bancorp pursuant to which the Company paid a total of \$2,953,710 in cash and 82,786 shares of its Common Stock in exchange for all of the outstanding shares of Midstate Bancorp common stock. At the time of the merger, Mr. Kee was the Chairman of the Board of Midstate Bancorp and Mr. Evans was the President and Chief Executive Officer of Midstate Bancorp and its subsidiary, Felton Bank. By virtue of their ownership of shares of Midstate Bancorp common stock at the time of the merger, Mr. Kee received approximately \$46,872 in cash and 1,320 shares of Common Stock as merger consideration and Mr. Evans received approximately \$62,000 in cash and 1,746 shares of Common Stock as merger consideration. As part of the merger, the Company and Mr. Evans entered into a four-year employment agreement under which Mr. Evans is to serve as the President/CEO of Felton Bank and receive an annual salary of \$105,000 (subject to annual adjustment), discretionary bonuses, fringe benefits, and participation in the pension, profit sharing, retirement, equity and incentive compensation plans and vacation generally available to other officers of the Company's subsidiaries.

On November 1, 2002, Avon-Dixon purchased substantially all of the assets of W.M. Freestate & Son, Inc. ("W.M. Freestate"), an insurance producer firm that was owned by Mark M. Freestate. Under the terms of the acquisition agreement, Avon-Dixon agreed to make a deferred payment (earn-out) to W.M. Freestate of between \$0 and \$512,500 on or before December 16, 2005. The formula pursuant to which this payment is to be calculated was negotiated in good faith by the parties and is a function of the pre-acquisition income of W.M. Freestate and the post-acquisition income of the acquired business through December 31, 2004. The Company has determined that W.M. Freestate is entitled to the maximum deferred payment of \$512,500. Because W.M. Freestate was dissolved on or about December 26, 2002, the deferred payment will be paid directly to Mr. Freestate. Under Mr. Freestate's employment agreement with Avon-Dixon, he serves as an insurance producer and is entitled to certain insurance commissions as follows: (i) 32% of the commissions received on the commercial insurance business of W.M. Freestate that existed at the time of the acquisition; (ii) 50% of commissions received on the life insurance business he places; (iii) 32% of commissions received on the commercial insurance business he places; (iv) 50% of the first-year commissions received on personal lines insurance business he places; and (v) 20% of first-year commissions received on all insurance business that Mr. Freestate refers to another Avon-Dixon employee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and executive officers and persons who own more than 10% of the outstanding shares of Common Stock to file with the SEC an initial report of beneficial ownership of the Common Stock, periodic reports of changes in beneficial ownership of the Common Stock, and, in certain cases, annual statements of beneficial ownership of the Common Stock. Based solely on a review of copies of such reports furnished to the Company, or on written representations that no reports were required, the Company believes that all directors, executive officers and holders of more than 10% of the Common Stock complied in a timely manner with the filing requirements applicable to them with respect to transactions during the year ended December 31, 2004, except that one current report on Form 4 was filed late by Mr. Bryan (covering three stock option exercises) and two current reports on Form 4 were filed late by Mr. LaTulip (each covering one purchase of Common Stock).

PERFORMANCE GRAPH

The following graph compares the performance of an investment in shares of the Company's Common Stock for the last five years with the performance of both the NASDAQ Composite Index (reflecting overall stock market performance) and the NASDAQ Bank Index (reflecting changes in banking industry stocks), assuming in each case an initial \$100 investment on December 31, 1999 and reinvestment of dividends as of the end of the Company's fiscal years. Returns are shown on a total return basis.

Stegman & Company has advised the Company that neither the accounting firm nor any of its members or associates has any direct financial interest in or any connection with the Company other than as independent public auditors. A representative of Stegman & Company is expected to be present at this year's Annual Meeting, will have an opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions.

The following table shows the fees paid or accrued by the Company for the audit and other services provided by Stegman & Company during fiscal years 2004 and 2003:

Tax Fees incurred in fiscal years 2004 and 2003 include charges primarily related to tax return preparation and tax consulting services. The Audit Committee has reviewed summaries of the services provided and the related fees and has determined that the provision of non-audit services is compatible with maintaining the independence of Stegman & Company.

The Audit Committee's policy is to pre-approve all audit and permitted non-audit services, except that *de minimis* non-audit services, as defined in Section 10A(i)(1) of the Exchange Act, may be approved prior to the completion of the independent auditor's audit. In 2003, the SEC adopted a rule pursuant to the federal Sarbanes-Oxley Act of 2002 that, except with respect to certain *de minimis* services discussed above, requires Audit Committee pre-approval of audit and non-audit services provided by the Company's independent auditors. All of the 2004 services described above were pre-approved by the Audit Committee, and all of 2003 services described above were pre-approved by the Audit Committee to the extent that this SEC rule was applicable during fiscal year 2003.
