Dear Fellow Shareholder,

The upcoming annual meeting of NetSol Technologies, Inc., scheduled to be held on May 2, 2008 is quickly approaching. Your vote is extremely important, regardless of the number of shares of NetSol Technologies, Inc. common stock that you own.

**Your Boards of Directors have unanimously recommend that you vote “FOR” the nominees for Directors, “FOR” the ratification of the appointment of the accounting firm, “FOR” the amendment of our articles of incorporation to increase the number of authorized shares of capital stock and “FOR” approval of the NetSol Technologies, Inc. 2008 Equity Incentive Plan.**

Your board unanimously recommends a vote “FOR” the amendment of our articles of incorporation to increase the number of authorized shares of capital stock from 50,000,000 to 100,000,000 shares (Proposal 3) for the following reasons, as more clearly outlined in the proxy statement that you have received:

Provides necessary flexibility in our corporate planning in responding to developments in our business, including possible financing and acquisition transactions, common stock splits or dividends and for other general corporate purposes

No current plan to issue additional shares, but it is important for management to have additional capital stock available in order to address new initiatives without undue delay or cost

Your board unanimously recommends a vote “FOR” approval of the NetSol Technologies, Inc. 2008 Equity Incentive Plan (Proposal 4) for the following reasons, as more clearly outlined in the proxy statement that you have received:

Provides us with flexibility to motivate, attract, and retain the services of employees upon whom our success depends and to provide them with an equity interest in our Company in order to motivate superior performance

Aligns executives’ interests with those of the stockholders by rewarding performance at or above established goals, with the ultimate objective of increasing stockholder value

Maximum number of shares (1,000,000 shares) to be issued under the plan represents less than 4% of the current shares outstanding

**Please note that if you do not vote on Proposal 3 or Proposal 4, it has the same effect as a vote “against” these proposals. We urge you to vote “FOR” all proposals at your earliest convenience.**
