Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

(a) China Recycling Energy Corporation (the “Company”), on management’s recommendation and in consultation with Goldman Parks Kurland Mohidin, LLP (“GPKM”), the Company’s independent registered public accounting firm, concluded on August 19, 2009 that the financial statements for the fiscal year ended December 31, 2008, as presented in our Annual Report on Form 10-K, and for each of the three months ended June 30, 2008, September 30, 2008 and March 31, 2009, as presented in our Quarterly Reports on Form 10-Q, should no longer be relied upon due to the accounting issues set forth below.

The accounting issues relate to (i) the reclassification of current tax payable to deferred tax liability on the Company’s sales-type leases, as the Company did not separately record the deferred tax liability; (ii) the expensing of the unamortized amount of the beneficial conversion feature in connection with the 2008 amendment of a convertible note that was issued by the Company to certain investors in 2007; (iii) the reclassification of interest expense from interest income for the three months ended June 30, 2008; and (iv) the reclassification of 3,000,000 stock options under the Company’s 2007 Nonstatutory Stock Option Plan from the fair value of the options as a liability to equity recorded as additional paid in capital.

Accordingly, the Company will restate its financial statements for the fiscal year ended December 31, 2008 and for each of the three month periods ended June 30, 2008, September 30, 2008 and March 31, 2009, by disclosing the effect of these errors in an amended Form 10-K for the fiscal year ended December 31, 2008 and in an amended Form 10-Q for each of the three months ended June 30, 2008, September 30, 2008 and March 31, 2009, respectively.

The Company’s Board of Directors and executive officers have discussed the above matters with GPKM.
