EXHIBIT A

Approval of Fidelity Bond

WHEREAS, Section 17(g) of the 1940 Act and Rule 17g-1(a) thereunder require a BDC, such as the Company, to provide and maintain a bond which has been issued by a reputable fidelity insurance company authorized to do business in the place where the bond is issued, to protect the Company against larceny and embezzlement, covering each officer and employee of the BDC who may singly, or jointly with others, have access to the securities or funds of the BDC, either directly or through authority to draw upon such funds of, or to direct generally, the disposition of such securities, unless the officer or employee has such access solely through his position as an officer or employee of a bank (each, a “*covered person*”);

WHEREAS, Rule 17g-1 under the 1940 Act specifies that the bond may be in the form of (i) an individual bond for each covered person, or a schedule or blanket bond covering such persons, (ii) a blanket bond which names the Company as the only insured (a “*single insured bond*”), or (iii) a bond which names the Company and one or more other parties as insureds (a “*joint insured bond*”), as permitted by Rule 17g-1 under the 1940 Act;

WHEREAS, Rule 17g-1 under the 1940 Act requires that a majority of the Non-Interested Directors approve periodically (but not less than once every 12 months) the reasonableness of the form and amount of the bond, with due consideration to the value of the aggregate assets of the Company to which any covered person may have access, the type and terms of the arrangements made for the custody and safekeeping of such assets, and the nature of securities and other investments to be held by the Company, and pursuant to factors contained in Rule 17g-1 under the 1940 Act, which are described in the accompanying memorandum attached hereto; and

WHEREAS, under Rule 17g-1 under the 1940 Act, the Company is required to make certain filings with the SEC and give certain notices to each member of the Board of Directors in connection with the bond, and designate an officer who shall make such filings and give such notices.

NOW, THEREFORE, BE IT RESOLVED, that, having considered the expected aggregate value of the securities and funds of the Company to which officers or employees of the Company may have access (either directly or through authority to draw upon such funds or to direct generally the disposition of such securities), the type and terms of the arrangements made for the custody of such securities and funds, the nature of securities and other investments to be held by the Company, the accounting procedures and controls of the Company, the nature and method of conducting the operations of the Company and the requirements of Section 17(g) of the 1940 Act and Rule 17g-1 thereunder, the Board, including a majority of the Non-Interested Directors, hereby determines that the amount, type, form, premium and coverage of the fidelity bond (the “*Fidelity Bond*”), covering the officers and employees of the Company and

FURTHER RESOLVED, that the Authorized Officers be, and each of them hereby is, authorized, empowered and directed, in the name and on behalf of the Company, to make or cause to be made, and to execute and deliver, all such additional agreements, documents, instruments and certifications and to take all such steps, and to make all such payments, fees and remittances, as any one or more of such officers may at any time or times deem necessary or desirable in order to effectuate the purpose and intent of the foregoing resolutions; and

FURTHER RESOLVED, that any and all actions previously taken by the Company or any of its directors, Authorized Officers or other employees in connection with the documents, and actions contemplated by the foregoing resolutions be, and they hereby are, ratified, confirmed, approved and adopted in all respects as and for the acts and deeds of the Company.

TERRORISM INSURANCE COVERAGE
(for policies with no terrorism exclusion or sublimit)**

You are hereby notified that, under the Terrorism Risk Insurance Act (the “Act”), effective December 26, 2007, this policy makes available to you insurance for losses arising out of certain acts of terrorism. Terrorism is defined as any act certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that the insurance provided by your policy for losses caused by acts of terrorism is partially reimbursed by the United States under the formula set forth in the Act. Under this formula, the United States pays 85% of covered terrorism losses that exceed the statutorily established deductible to be paid by the insurance company providing the coverage.

However, if aggregate insured losses attributable to terrorist acts certified under the Act exceed \$100 billion in a Program Year (January 1 through December 31), the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

If aggregate insured losses attributable to terrorist acts certified under the Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

The portion of your policy's annual premium that is attributable to insurance for such acts of terrorism is: \$ **-0-**.
