### **Item 1.01. Entry into a Material Definitive Agreement**

On June 18, 2014, Measurement Specialties, Inc., a New Jersey corporation (the “Company”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with TE Connectivity Ltd., a Swiss corporation (“Parent”), and Wolverine-Mars Acquisition, Inc., a Delaware corporation and an indirect wholly owned subsidiary of Parent (“Merger Sub”).

The Merger Agreement provides for the merger of Merger Sub with and into the Company (the “Merger”), with the Company continuing as the surviving corporation and an indirect wholly-owned subsidiary of Parent. Pursuant to the Merger, each share of common stock, no par value per share, of the Company outstanding immediately prior to the effective time of the Merger (other than shares owned by Parent or Merger Sub, shares held by any subsidiary of the Company or Parent (other than Merger Sub), and shares held by the Company as treasury stock) shall be converted into the right to receive \$86.00 in cash, without interest.

The Board of Directors of the Company has unanimously (i) determined that the Merger Agreement and the Merger are fair to and in the best interests of the Company and its shareholders, (ii) authorized, approved and declared advisable the Merger Agreement and the Merger, and (iii) resolved to recommend adoption and approval of the Merger Agreement and the Merger by the shareholders of the Company.

The Merger Agreement contains representations, warranties and covenants of the parties customary for transactions of this type, including covenants for (i) each of the parties to use reasonable best efforts to consummate the transactions contemplated by the Merger Agreement, and (ii) the Company to carry on its business in the ordinary course during the interim period between the execution of the Merger Agreement and consummation of the Merger. In addition, the Company is prohibited from soliciting or initiating discussions with third parties regarding other proposals to acquire the Company and has agreed to certain restrictions on its ability to respond to such proposals, subject to the fulfillment of certain fiduciary duties of the Company’s Board of Directors.

The closing of the Merger is subject to certain closing conditions, including (i) obtaining the required approval of the Company’s shareholders at a special meeting called for that purpose, (ii) the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and (iii) the clearance of the transaction by antitrust authorities in Germany and Austria, the Committee on Foreign Investment in the United States and the French Ministry for Economy and Finance.

The Merger Agreement contains certain termination rights and provides that upon termination of the Merger Agreement under specified circumstances, including in connection with accepting a superior proposal or a change in the recommendation of the Company’s Board of Directors, the Company will be required to pay Parent a termination

fee equal to \$22.9 million.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby, including the Merger, do not purport to be complete and is subject to, and qualified in its entirety by, reference to the Merger Agreement, attached hereto as Exhibit 2.1 and incorporated herein by reference.

The Merger Agreement is attached to this Current Report on Form 8-K to provide investors and security holders with information regarding its terms. The Merger Agreement contains representations and warranties by the Company, on the one hand, and by Parent and Merger Sub, on the other hand, made solely for the benefit of the other. The assertions embodied in those representations and warranties are qualified by information in a confidential disclosure schedule delivered in connection with the signing of the Merger Agreement. The disclosure schedule contains information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were made as of a specified date, may be subject to a contractual standard of materiality different from what might be viewed as material to shareholders, or may have been used for the purpose of allocating risk between the Company, on the one hand, and Parent and Merger Sub, on the other hand. Accordingly, the representations and warranties in the Merger Agreement should not be relied on by any person as characterizations of the actual state of facts about the Company, Parent or Merger Sub at the time they were made or otherwise. In addition, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures.
