**Item 1.01. Entry into a Material Definitive Agreement.**

On February 27, 2015, Transgenomic, Inc., a Delaware corporation (the “Company”) entered into a purchase agreement (the “Purchase Agreement”) with Craig-Hallum Capital Group LLC (the “Underwriter”) relating to the Company’s sale and issuance of 3,573,899 shares of the Company’s common stock, par value \$0.01 per share (the “Common Stock”), and corresponding warrants to purchase up to 714,780 shares of the Common Stock (the “Offering”). Each share of Common Stock is being sold in combination with a warrant to purchase 0.20 of a share of Common Stock. The purchase price to the public for each share of Common Stock and accompanying warrant is \$1.95.

The purchase price to be paid by the Underwriter to the Company for the common stock and accompanying warrants will be \$1.8135. The net proceeds from the Offering, after deducting the Underwriter’s discount and other estimated Offering expenses, is expected to be approximately \$6.2 million.

The Purchase Agreement contains customary representations, warranties and agreements by the Company, and customary conditions to closing, indemnification obligations of the Company and the Underwriter, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties, and termination provisions. The exercise price will also be subject to adjustment in the event of certain stock dividends and distributions, stock splits, stock combinations, reclassifications or similar events affecting our common stock.

In the event of a fundamental transaction, as described in the corresponding warrants and generally, including any reorganization, recapitalization or reclassification of our common stock, the sale, transfer or other disposition of all or substantially all of our properties or assets, our consolidation or merger with or into another person, the acquisition of more than 50% of our outstanding common stock, or any person or group becoming the beneficial owner of 50% of the voting power represented by our outstanding common stock, the holders of the corresponding warrants will be entitled to receive upon exercise of the corresponding warrants the kind and amount of securities, cash or other property that the holders would have received had they exercised the corresponding warrants immediately prior to such fundamental transaction.

The accompanying warrants will not be listed on the NASDAQ Capital Market, any other national securities exchange or any other nationally recognized trading system, and no trading market for the accompanying warrants is expected to develop.

The foregoing description of the material terms of the accompanying warrants is qualified in its entirety by reference to the full text of the form of warrant to purchase common stock, which is filed herewith as Exhibit 4.1 and is incorporated herein by reference.
