While the annual cash retainer payable to outside directors for service on the Board of Directors remained the same, retainers paid for service on committees of the Board of Directors were generally reduced. The current arrangements are as follows:

Annual Equity Grant: Changed from a fixed amount of 15,000 options and 5,000 restricted stock units (RSU's) to an annual grant of RSUs with a fixed value of \$95,000 determined by dividing such amount by the closing price of the common stock of the Company on the date of grant, which shall be the date of the Company's annual meeting of stockholders, rounded down to the nearest whole share. Such annual equity grants shall vest upon the earlier of the first anniversary of grant or the next annual meeting of stockholders of the Company (the "Annual Equity Grant").

Initial Equity Grant: A set amount for an initial equity grant to newly elected directors is eliminated. As a replacement, the Annual Equity Grant for the year in which a director joins the Board of Directors shall be pro-rated for such new director's period of service in that year.
