Item 3. Source and Amount of Funds or Other Consideration

Stilwell Activist Fund has expended a total of \$196,545 to acquire 33,782 shares of Common Stock. Such funds were provided from Stilwell Activist Fund's working capital and may, from time to time, be provided in part by margin account loans from subsidiaries of Morgan Stanley and Fidelity extended in the ordinary course of business.

Stilwell Activist Investments has expended a total of \$1,343,996 to acquire 230,999 shares of Common Stock. Such funds were provided from Stilwell Activist Investments' working capital and may, from time to time, be provided in part by margin account loans from subsidiaries of Morgan Stanley extended in the ordinary course of business.

All purchases of shares of Common Stock made by the Group using funds borrowed from Morgan Stanley, if any, were made in margin transactions on their usual terms and conditions. All or part of the shares of Common Stock owned by members of the Group may from time to time be pledged with one or more banking institutions or brokerage firms as collateral for loans made by such entities to members of the Group. Such loans generally bear interest at a rate based on the broker's call rate from time to time in effect. Such indebtedness, if any, may be refinanced with other banks or broker-dealers.

Item 4. Purpose of Transaction

We hope to work with existing management and the board of directors to maximize shareholder value. We urge the Issuer to repurchase shares of outstanding Common Stock rather than using excess capital to "bulk up" on securities. If the Issuer pursues any action that dilutes tangible book value per share, we will aggressively seek board representation.

Our purpose in acquiring shares of Common Stock of the Issuer is to profit from the appreciation in the market price of the shares of Common Stock through asserting shareholder rights. We do not believe the value of the Issuer's assets is adequately reflected in the current market price of the Issuer's Common Stock.

Since 2000, affiliates of the Group have filed Schedule 13Ds to report greater than 5% positions in 59 other publicly traded companies. For simplicity, these affiliates are referred to as the "Group", "we", "us", or "our." In each instance, our purpose has been to profit from the appreciation in the market price of the shares we held by asserting shareholder rights. In each situation, we believed that the values of the companies' assets were not adequately reflected in the market prices of their shares. Our actions are described below. We have categorized the descriptions of our actions with regard to the issuers based upon certain outcomes (whether or not, directly or indirectly, such outcomes resulted from the actions of the Group). Within each category the descriptions are listed in chronological order based upon the respective filing dates of the originally-filed Schedule 13Ds.

I. After we asserted shareholder rights, the following issuers were sold or merged:

Security of Pennsylvania Financial Corp. (“SPN”) - We filed our original Schedule 13D to report our position on May 1, 2000. We scheduled a meeting with senior management to discuss ways to maximize the value of SPN’s assets. On June 2, 2000, prior to the scheduled meeting, SPN and Northeast Pennsylvania Financial Corp. announced SPN’s acquisition.

Cameron Financial Corporation (“Cameron”) - We filed our original Schedule 13D to report our position on July 7, 2000. We exercised our shareholder rights by, among other things, requesting that Cameron management hire an investment banker, demanding Cameron’s list of shareholders, meeting with Cameron’s management, demanding that Cameron invite our representatives to join the board, writing to other shareholders to express our dismay with management’s inability to maximize shareholder value and publishing that letter in the local press. On October 6, 2000, Cameron announced its sale to Dickinson Financial Corp.

Community Financial Corp. (“CFIC”) - We filed our original Schedule 13D to report our position on January 4, 2001, following CFIC’s announcement of the sale of two of its four subsidiary banks and its intention to sell one or more of its remaining subsidiaries. We reported that we acquired CFIC stock for investment purposes. On January 25, 2001, CFIC announced the sale of one of its remaining subsidiaries. We then announced our intention to run an alternate slate of directors at the 2001 annual meeting if CFIC did not sell the remaining subsidiary by then. On March 27, 2001, we wrote to CFIC confirming that CFIC’s management had agreed to meet with one of our proposed nominees to the board. On March 30, 2001, before our meeting took place, CFIC announced its merger with First Financial Corporation.

Montgomery Financial Corporation (“Montgomery”) - We filed our original Schedule 13D to report our position on February 23, 2001. On April 20, 2001, we met with Montgomery’s management and suggested that they maximize shareholder value by selling the institution. We also informed management that we would run an alternate slate of directors at the 2001 annual meeting unless Montgomery was sold. Eleven days after we filed our Schedule 13D, however, Montgomery’s board amended its bylaws to limit the pool of potential nominees to local persons with a banking relation and to shorten the deadline to nominate an alternate slate. We located qualified nominees under the restrictive bylaw provisions and noticed our slate within the deadline. On June 5, 2001, Montgomery announced that it had hired an investment banker to explore a sale. On July 24, 2001, Montgomery announced its merger with Union Community Bancorp.

Community Bancshares, Inc. (“COMB”) - We filed our original Schedule 13D reporting our position on March 29, 2004. We disclosed that we intended to meet with COMB’s management and evaluate management’s progress in resolving its regulatory issues, lawsuits, problem loans, and non-performing assets, and that we would likely support management if it effectively addressed COMB’s challenges. On November 21, 2005, we amended our Schedule 13D and stated that although we believed that COMB’s management had made progress, COMB’s return on equity would likely remain below average for the foreseeable future, and it should therefore be sold. We also stated that if COMB did not announce a sale before our deadline to solicit proxies for the next annual meeting, we would solicit proxies to elect our own slate. On January 6, 2006, we disclosed the names of our three board nominees. On May 1, 2006, COMB announced its sale to The Banc Corporation.

FedFirst Financial Corporation (“FFCO”) - We filed our original Schedule 13D reporting our position on September 24, 2010. After several meetings with management, FFCO completed a meaningful number of share repurchases, and on April 14, 2014, FFCO announced its sale to CB Financial Services, Inc.

SP Bancorp, Inc. (“SPBC”) - We filed our original Schedule 13D reporting our position on February 28, 2011. On August 9, 2013, we met with management and the chairman to assess the best way to maximize shareholder value. SPBC completed a meaningful number of share repurchases, and on May 5, 2014, SPBC announced its sale to Green Bancorp Inc.

TF Financial Corporation (“THRD”) - We filed our original Schedule 13D reporting our position on November 29, 2012. We met with the CEO and the chairman, encouraging them to focus only on accretive acquisitions and to repurchase shares up to book value. They subsequently did both. On June 4, 2014, THRD announced its sale to National Penn Bancshares, Inc.

Jefferson Bancshares, Inc. (“JFBI”) - We filed our original Schedule 13D reporting our position on April 8, 2013. Our shareholder proposal requesting the board seek outside assistance to maximize shareholder value through actions such as a sale or merger was defeated at JFBI’s 2013 annual meeting. We met with management and the board of directors and told them that we would seek board representation at JFBI’s 2014 annual meeting if JFBI did not announce its sale. JFBI announced its sale on January 23, 2014.

Fairmount Bancorp, Inc. (“FMTB”) - We filed our original Schedule 13D reporting our position on September 21, 2012. On February 25, 2014, we reported our intention to seek board representation at FMTB’s 2015 annual meeting if FMTB did not announce its sale. However, due to the appointment of our representative to another board in the local area, we were unable to nominate our representative at the 2015 election of FMTB directors. We reiterated our intent to seek board representation at the earliest possible time if FMTB was not sold. FMTB’s sale was announced on April 16, 2015.

Harvard Illinois Bancorp, Inc. (“HARI”) - We filed our original Schedule 13D reporting our position on April 1, 2011. In 2012, we nominated a director for election at HARI’s 2012 annual meeting and communicated our belief that HARI should merge with a stronger community bank. Our nominee was not elected, so we nominated a director at HARI’s 2013 annual meeting and stated our position that HARI should be sold. We communicated to stockholders our intent to run a nominee every year until elected, and we nominated a director at HARI’s 2014 annual meeting. Our nominee was not elected, so in April 2015, we began soliciting stockholder votes for our nominee for HARI’s 2015 annual meeting. On May 21, 2015, HARI announced its sale to State Bank in Wonder Lake, IL. We subsequently withdrew our solicitation of proxies for the election of our nominee at HARI’s 2015 annual meeting.

Eureka Financial Corp. (“EKFC”) - We filed our original Schedule 13D reporting our position on March 28, 2011. We encouraged EKFC to pay special dividends to shareholders and repurchase shares. Management and the board did both, and on September 3, 2015, EKFC announced its sale to NextTier, Inc.

United-American Savings Bank (“UASB”) - We filed our original Schedule 13D with the Federal Deposit Insurance Corporation reporting our position on May 20, 2013. We believe management and the board acted in good faith to position UASB to maximize shareholder value. After we encouraged them to sell, UASB announced its sale to Emclair Financial Corp on December 30, 2015.

II. After we seated directors on the boards of the following issuers, the issuers were sold or merged:

HCB Bancshares, Inc. ("HCBB") - We filed our original Schedule 13D reporting our position on June 14, 2001. On September 4, 2001, we reported that we had entered into a standstill agreement with HCBB, under which HCBB agreed to: (a) add a director selected by us, (b) consider conducting a Dutch tender auction, (c) institute annual financial targets, and (d) retain an investment banker to explore alternatives if it did not achieve its financial targets. On October 22, 2001, our nominee, John G. Rich, Esq., was named to the board. On January 31, 2002, HCBB announced a modified Dutch tender auction to repurchase 20% of its shares. Although HCBB's outstanding share count decreased by 33% between the filing of our original Schedule 13D and August 2003, HCBB did not achieve the financial target. On August 12, 2003, HCBB announced it had hired an investment banker to assist in exploring alternatives for maximizing shareholder value, including a sale. On January 14, 2004, HCBB announced its sale to Rock Bancshares Inc.

Oregon Trail Financial Corp. (“OTFC”) - We filed our original Schedule 13D reporting our position on December 15, 2000. In January 2001, we met with the management of OTFC to discuss our concerns that management was not maximizing shareholder value, and we proposed that OTFC voluntarily place our representative on the board. OTFC rejected our proposal, and we announced our intention to solicit proxies to elect a board nominee. We demanded OTFC’s shareholder list, but OTFC refused to give it to us. We sued OTFC in Baker County, Oregon, and the court ruled in our favor and sanctioned OTFC. We also sued two OTFC directors alleging that one had violated OTFC’s residency requirement and that the other had committed perjury. Both suits were dismissed pre-trial but we filed an appeal in one suit and were permitted to re-file the other suit in state court. On August 16, 2001, we started soliciting proxies to elect Kevin D. Padrick, Esq. to the board. We argued in our proxy materials that OTFC should have repurchased its shares at prices below book value. OTFC announced the hiring of an investment banker. Then, the day after the 9/11 attacks, OTFC sued us in Portland, Oregon and moved to invalidate our proxies; the court denied the motion and the election proceeded.

On October 12, 2001, OTFC’s shareholders elected our candidate by a two-to-one margin. In the five months after the filing of our first proxy statement (i.e., from August 1 through December 31, 2001), OTFC repurchased approximately 15% of its shares. On March 12, 2002, we entered into a standstill agreement with OTFC. OTFC agreed to: (a) achieve annual targets for return on equity, (b) reduce its current capital ratio, (c) obtain advice from an investment banker regarding annual 10% stock repurchases, (d) re-elect our director to the board, (e) reimburse a portion of our expenses, and (f) withdraw its lawsuit. On February 24, 2003, OTFC and FirstBank NW Corp. announced their merger.

American Physicians Capital, Inc. (“ACAP”) - We filed our original Schedule 13D reporting our position on November 25, 2002. The Schedule 13D disclosed that on January 18, 2002, Michigan’s Insurance Department had approved our request to solicit proxies to elect two directors to ACAP’s board. On January 29, 2002, we noticed our intention to nominate two directors at the 2002 annual meeting. On February 20, 2002, we entered into a three-year standstill agreement with ACAP, providing for ACAP to add our nominee to its board. ACAP also agreed to consider using a portion of its excess capital to repurchase ACAP’s shares in each of the fiscal years 2002 and 2003 so that its outstanding share count would decrease by 15% for each of those years. In its 2002 fiscal year, ACAP repurchased 15% of its outstanding shares; these repurchases were highly accretive to per share book value. On November 6, 2003, ACAP announced a reserve charge and that it would explore options to maximize shareholder value. It also announced that it would exit the healthcare and workers’ compensation insurance businesses. ACAP then announced that it had retained Sandler O’Neill & Partners, L.P., to assist the board. On December 2, 2003, ACAP announced the early retirement of its president and CEO. On December 23, 2003, ACAP named R. Kevin Clinton its new president and CEO.

On June 24, 2004, ACAP announced that it had decided that the best means to maximize shareholder value would be to shed non-core businesses and focus on its core business line in its core markets. We increased our holdings in ACAP, and we announced that we intended to seek additional board representation. On November 10, 2004, ACAP invited Joseph Stilwell to sit on the board, and we entered into a new standstill agreement. This agreement was terminated in November 2007, with our representatives remaining on ACAP's board. On May 8, 2008, our representatives were re-elected to three-year terms expiring in 2011. Upon the passage of federal healthcare legislation in 2010, ACAP became concerned about the fundamentals of its business and promptly acted to assess its strategic alternatives. On October 22, 2010, ACAP was acquired by The Doctors Company, and our shares were converted in a cash deal.

SCPIE Holdings Inc. ("SKP") - We filed our original Schedule 13D reporting our position on January 19, 2006. We announced we would run our slate of directors at the 2006 annual meeting and demanded SKP's shareholder list. SKP initially refused to timely produce the list, but did so after we sued it in Delaware Chancery Court. We engaged in a proxy contest at the 2006 annual meeting, but SKP's directors were elected. Subsequently on December 14, 2006, SKP agreed to place Joseph Stilwell on its board. On October 16, 2007, Mr. Stilwell resigned from SKP's board after it approved a sale of SKP that Mr. Stilwell believed was an inferior offer. We solicited shareholder proxies in opposition to the proposed sale; however, the sale was approved, and our shares were converted in a cash deal.

Colonial Financial Services, Inc. ("COBK") - We filed our original Schedule 13D reporting our position on August 24, 2011. On December 18, 2013, we reached an agreement with COBK to have a director of our choice appointed to its board of directors. Our nominee, Corissa J. Briglia, joined COBK's board of directors on March 25, 2014. On September 10, 2014, COBK announced its sale to Cape Bancorp, Inc., and the cash/stock deal was completed on April 1, 2015.

Naugatuck Valley Financial Corporation ("NVSL") - We filed our original Schedule 13D reporting our position on July 11, 2011. On February 13, 2014, we reported our intention to seek board representation. On March 12, 2014, we reached an agreement with NVSL for Robert M. Bolton to join NVSL's board of directors and for NVSL not to seek approval for stock benefit plans. On June 4, 2015, NVSL announced its sale to Liberty Bank in Middletown, CT, and the cash deal was completed on January 15, 2016.

III. After we asserted shareholder rights, we believe the following issuers took steps to maximize shareholder value, and we subsequently exited our activist positions:

FPIC Insurance Group, Inc. ("FPIC") - We filed our original Schedule 13D reporting our position on June 30, 2003. On August 12, 2003, Florida's Insurance Department approved our request to hold more than 5% of FPIC's shares, to solicit proxies to hold board seats, and to exercise shareholder rights. On November 10, 2003, FPIC invited our nominee, John G. Rich, Esq., to join the board, and we signed a confidentiality agreement. On June 7, 2004, we disclosed that because FPIC had taken steps to increase shareholder value, such as multiple share repurchases, and

because its market price increased and reflected fair value in our estimation, we sold our shares in the open market, decreasing our holdings below 5%. Our nominee was invited to remain on the board.

Prudential Bancorp, Inc. of Pennsylvania (“PBIP”) - We filed our original Schedule 13D reporting our position on June 20, 2005. Most of PBIP’s shares were held by the Prudential Mutual Holding Company (the “MHC”), which was controlled by PBIP’s board. The MHC controlled most corporate decisions requiring a shareholder vote, such as the election of directors. However, regulations promulgated by the FDIC previously barred the MHC from voting on PBIP’s management stock benefit plans, and PBIP’s IPO prospectus indicated that the MHC would not vote on the plans. We announced in August 2005 that we would solicit proxies to oppose adoption of the plans as a referendum to place Joseph Stilwell on PBIP’s board. PBIP decided not to put the plans up for a vote at the 2006 annual meeting.

In December 2005, we solicited proxies to withhold votes on the election of directors as a referendum to place Mr. Stilwell on the board. At the 2006 annual meeting, 71% of PBIP’s voting public shares were withheld from voting on management’s nominees.

On April 6, 2006, PBIP announced that just after we had filed our Schedule 13D, it had secretly solicited a letter from an FDIC staffer (which it concealed from the public) that the MHC would be allowed to vote in favor of the management stock benefit plans. PBIP also announced a special meeting to vote on the plans. We alerted the Board of Governors of the Federal Reserve System (the “Fed”) about this announcement, and PBIP was directed to seek Fed approval before adopting the plans. On April 19, 2006, PBIP postponed the special meeting. The Fed subsequently followed the FDIC’s position in September 2006. In December 2006, we solicited proxies to withhold votes on the election of PBIP’s directors at the 2007 annual meeting. At the meeting, 75% of PBIP’s voting public shares were withheld. Also during the annual meeting, PBIP’s President and Chief Executive Officer was unable to state the meaning of per share return on equity despite Mr. Stilwell’s holding up a \$10,000 check for the charity of the CEO’s choice if he could promptly answer the question. On March 7, 2007, we disclosed that we were publicizing the results of PBIP’s elections and its directors’ unwillingness to hold a democratic vote on the stock plans by placing billboard advertisements throughout Philadelphia.

In December 2007, we filed proxy materials for the solicitation of proxies to withhold votes on the election of PBIP’s directors at the 2008 annual meeting. At the 2008 annual meeting, an average of 77% of PBIP’s voting public shares withheld their votes. Excluding shares held in PBIP’s ESOP, an average of 88% of the voting public shares withheld their votes in this election.

On October 4, 2006, we sued PBIP, the MHC, and the directors of PBIP and the MHC in federal court in Philadelphia seeking an order to prevent the MHC from voting in favor of the management stock benefit plans. On August 15, 2007, the court dismissed some claims, but sustained our cause of action against the MHC as majority shareholder of PBIP for breach of fiduciary duties. Discovery proceeded and all the directors were deposed. Both sides moved for summary judgment, but the court ordered the case to trial, which was scheduled for June 2008. On May 22, 2008, we voluntarily discontinued the lawsuit after determining that it would be more effective and appropriate to pursue the directors on a personal basis in a derivative action. On June 11, 2008, we filed a notice to appeal certain portions of the lower court’s August 15, 2007, order dismissing portions of the lawsuit.

We entered into a settlement agreement and an expense agreement with PBIP in November 2008 under which we agreed to support PBIP's management stock benefit plans, drop our litigation and withdraw our shareholder demand, and generally support management; and in exchange, PBIP agreed, subject to certain conditions, to repurchase up to three million of its shares (including shares previously purchased), reimburse a portion of our expenses, and either adopt a second step conversion or add our nominee who meets certain qualification requirements to its board if the repurchases were not completed by a specified time.

On March 5, 2010, we reported that our ownership in PBIP had dropped below 5% as a result of open market sales and sales of common stock to PBIP.

Roma Financial Corp. ("ROMA") - We filed our original Schedule 13D reporting our position on July 27, 2006. Prior to its acquisition by Investors Bancorp, Inc., in December 2013, nearly 70% of ROMA's shares were held by a mutual holding company controlled by ROMA's board. In April 2007, we engaged in a proxy solicitation at ROMA's first annual meeting, urging shareholders to withhold their vote from management's slate. ROMA did not put their stock benefit plans up for a vote at that meeting. We then met with ROMA management. In the four months after ROMA became eligible to repurchase its shares, it announced and substantially completed repurchases of 15% of its publicly held shares, which were accretive to shareholder value. In our judgment, management came to understand the importance of proper capital allocation. Based on ROMA management's prompt implementation of shareholder-friendly capital allocation plans, we supported management's adoption of stock benefit plans at the 2008 shareholder meeting. In our estimation, ROMA's market price increased and reflected fair value, and we sold our shares in the open market.

First Savings Financial Group, Inc. ("FSFG") - We filed our original Schedule 13D reporting our position on December 29, 2008. We met with management, after which FSFG announced a stock repurchase plan and began repurchasing its shares. In December 2009, we reported that our beneficial ownership in the outstanding FSFG common stock had fallen below 5%.

Alliance Bancorp, Inc. of Pennsylvania ("ALLB") - We filed our original Schedule 13D reporting our position on March 12, 2009. When we announced our reporting position, a majority of ALLB's shares were held by a mutual holding company controlled by ALLB's board. However, on August 11, 2010, ALLB announced its intention to undertake a second step offering, selling all shares to the public. The plan of conversion and reorganization was approved by depositors at a special meeting held December 29, 2010. We strongly supported ALLB's action. Following completion of the conversion of Alliance Bank from the mutual holding company structure to the stock holding company structure, we increased our stake with the belief that shareholders and ALLB would do well if management focused on profitability. We believe management and the board acted in good faith and took steps to increase shareholder value, such as multiple share repurchases. In our estimation, ALLB's market price increased and reflected fair value; and on November 21, 2013, we disclosed that we sold shares in the open market, decreasing our holdings below 5%.

Standard Financial Corp. (“STND”) - We filed our original Schedule 13D reporting our position on October 18, 2010. We believe management and the board acted in good faith and took steps to increase shareholder value, such as multiple share repurchases. In our estimation, STND’s market price increased and reflected fair value; and on March 19, 2013, we disclosed that we sold our shares in the open market, decreasing our holdings below 5%.

Home Federal Bancorp, Inc. of Louisiana (“HFBL”) - We filed our original Schedule 13D reporting our position on January 3, 2011. We believe management and the board acted in good faith and took steps to increase shareholder value, such as multiple share repurchases. In our estimation, the HFBL’s market price increased and reflected fair value; and on February 7, 2013, we disclosed that we sold shares in the open market, decreasing our holdings below 5%.

ASB Bancorp, Inc. (“ASBB”) - We filed our original Schedule 13D reporting our position on October 24, 2011. On August 23, 2013, we met with management to assess the best way to maximize shareholder value. We believe management and the board acted in good faith by cleaning up non-performing assets and repurchasing shares, and ASBB’s market price increased to reflect fair value. On July 18, 2014, we disclosed that we sold our shares to ASBB.

United Insurance Holdings Corp. (“UIHC”) - We filed our original Schedule 13D reporting our position on September 29, 2011. On December 17, 2012, we disclosed that we sold shares in the open market, decreasing our holdings below 5%.

United Community Bancorp (“UCBA”) - We filed our original Schedule 13D reporting our position on January 22, 2013. We believe management and the board acted in good faith and took steps to increase shareholder value, such as multiple share repurchases. In our estimation, UCBA’s market price increased to reflect fair value; and on November 9, 2015, we disclosed that we sold shares to UCBA, decreasing our holdings below 5%.

West End Indiana Bancshares, Inc. (“WEIN”) - We filed our original Schedule 13D reporting our position on January 19, 2012. We believe management and the board acted in good faith and took steps to increase shareholder value, such as multiple share repurchases. In our estimation, WEIN’s market price increased to reflect fair value; and on November 12, 2015, we disclosed that we sold our shares in the open market.

IV. After successfully seeking board representation, we seated directors who currently serve on the boards of the following issuers:

Malvern Federal Bancorp, Inc. (“MLVF”) - We filed our original Schedule 13D reporting our position on May 30, 2008. When we announced our reporting position, a majority of MLVF’s shares were held by a mutual holding company controlled by MLVF’s board. On October 26, 2010, we demanded that MLVF pursue a derivative action against its directors for breach of their fiduciary duties. MLVF failed to pursue the action and, on June 3, 2011, we sued MLVF’s directors in Chester County, Pennsylvania, demanding that the court, among other things, order the directors to properly consider pursuing a second step conversion. On November 9, 2011, The Honorable Judge Howard F. Riley, Jr., overruled the director defendants’ preliminary objections to the derivative lawsuit.

On January 17, 2012, MLVF announced its intention to undertake a second step conversion and we withdrew the lawsuit. The conversion and stock offering were completed on October 11, 2012, and our shares were converted into shares of Malvern Bancorp, Inc. On September 5, 2013, we notified MLVF of our intention to nominate John P. O'Grady for election as a director at its 2014 annual meeting, but we later reached an agreement with MLVF for Mr. O'Grady to join its board of directors. On November 25, 2014, we terminated our standstill agreement with MLVF, including the agreement's performance targets. After meeting with the new CEO and the new chairman of the board, we believe that management and the board of directors are now focused on maximizing shareholder value. John P. O'Grady remains a director on the board.

Kingsway Financial Services Inc. (“KFS”) - We filed our original Schedule 13D reporting our position on November 7, 2008. We requested a meeting with its CEO and chairman to discuss ways to maximize shareholder value and minimize both operational and balance sheet risks, but the CEO was unresponsive. We then requisitioned a special shareholder meeting to remove the CEO and chairman from the KFS board and replace them with our two nominees. On January 7, 2009, we entered into a settlement agreement with KFS whereby, among other things, the CEO resigned from the KFS board and KFS expanded its board from nine to ten seats and appointed our nominees to fill the two vacant seats. By April 23, 2009, the board was reconstituted with just three of the original ten legacy directors remaining. Also, Joseph Stilwell was appointed to fill the vacancy created by the resignation of one of our nominees, Larry G. Swets, Jr., and our other nominee was elected chairman of the board. In addition, the CEO and CFO were fired for incompetence and insubordination.

By November 3, 2009, all of the legacy directors had resigned from the board. On May 27, 2010, Mr. Stilwell and the Group’s other representative were re-elected to the board. On June 1, 2010, Mr. Swets was appointed CEO. During the time the Group has had board representation, KFS has sold non-core assets, repurchased public debt at a discount to face value, sold a credit-sensitive asset, disposed of its subsidiary Lincoln General, substantially reduced its expenses, and reduced other balance sheet and operations risks.

Fraternity Community Bancorp, Inc. (“FRTR”) - We filed our original Schedule 13D reporting our position on April 11, 2011. We reached an agreement with FRTR, and on November 18, 2014, our representative, Corissa J. Briglia, was appointed to the board of directors. FRTR's sale was announced on October 13, 2015.

First Financial Northwest, Inc. (“FFNW”) - We filed our original Schedule 13D reporting our position on September 12, 2011. On January 11, 2012, a representative of the Group became a member of FFNW’s board. On February 15, 2012, our representative resigned and we announced our intention to run a contested election at FFNW’s 2012 annual meeting. We mailed our proxy materials to FFNW’s shareholders in April 2012 seeking election of our nominee. At FFNW’s 2012 annual meeting of shareholders held on May 24, 2012, our nominee defeated Victor Karpiak, the chairman and president, by a substantial percentage. FFNW attempted to invalidate our votes, and we sued to enforce our rights. In accordance with the settlement we reached with FFNW in December 2012, our nominee, Kevin Padrick, was appointed to FFNW’s board on March 14, 2013, and Victor Karpiak resigned as chairman. Subsequently, Mr. Karpiak was shown the door and a new CEO was hired. Since then, FFNW has pursued multiple share repurchases, cleaned up its non-performing assets and reached a good level of profitability.

HopFed Bancorp, Inc. (“HFBC”) - We filed our original Schedule 13D reporting our position on February 25, 2013. We opposed HFBC’s purchase of Sumner Bank & Trust and mailed our proxy materials to HFBC’s stockholders on April 5, 2013, seeking election of our nominee as a director at HFBC’s 2013 annual meeting. On May 15, 2013, our nominee, Robert Bolton, beat HFBC’s nominee by a two-to-one margin, and on August 23, 2013, HFBC’s acquisition of Sumner Bank & Trust was terminated.

Poage Bankshares, Inc. (“PBSK”) - We filed our original Schedule 13D reporting our position on September 23, 2011. We believed PBSK's board was not focused on maximizing shareholder value and nominated a director for election at PBSK's 2014 annual meeting. Our nominee was not elected, so we nominated a director at PBSK's 2015 annual meeting. On July 21, 2015, our nominee, Stephen S. Burchett, replaced a former PBSK CEO as a director on the board with a mandate to maximize shareholder value.

Sunshine Financial, Inc. (“SSNF”) - We filed our original Schedule 13D reporting our position on April 18, 2011. We reached an agreement with SSNF, and on February 5, 2016, our representative, Corissa J. Briglia, was appointed to the board of directors.

V. We hope to work with management and the boards of the following issuers:

William Penn Bancorp, Inc. (“WMPN”) - We filed our original Schedule 13D reporting our position on May 23, 2008. A majority of WMPN's shares are held by a mutual holding company controlled by WMPN's board. We met with management and the board to explain our views on proper capital allocation and following the financial crisis, we continued to urge WMPN to take the steps necessary to maximize shareholder value. On December 3, 2014, WMPN announced and subsequently completed its plan to repurchase an initial 10% of its shares outstanding. To date, WMPN has completed the minimum number of share repurchases to maintain our support.

Wayne Savings Bancshares, Inc. (“WAYN”) - We filed our original Schedule 13D reporting our position on October 8, 2010. We supported H. Stewart Fitz Gibbon III's appointment as president and CEO effective November 3, 2014 and as a director on the executive committee of WAYN's board. We believe management and the board have acted in good faith to position WAYN to maximize shareholder value. We support WAYN's modest share repurchases as it continues to build capital.

Wolverine Bancorp, Inc. (“WBKC”) - We filed our original Schedule 13D reporting our position on February 7, 2011. We support WBKC's consistent efforts to maximize shareholder value through share repurchases and payments of special dividends.

Jacksonville Bancorp, Inc. (“JXSB”) - We filed our original Schedule 13D reporting our position on July 5, 2011. We support JXSB's consistent efforts to maximize shareholder value through share repurchases.

Provident Financial Holdings, Inc. (“PROV”) - We filed our original Schedule 13D reporting our position on October 7, 2011. We support PROV's consistent efforts to maximize shareholder value through share repurchases.

Sound Financial, Inc. ("SFBC") – We filed our original Schedule 13D reporting our position on November 21, 2011. We urged management and the board to pursue a second step conversion. On August 22, 2012, Sound Financial Bancorp, Inc. ("SFBC") announced completion of its second step conversion and our shares of SNFL were converted into shares of SFBC. We support SFBC's consistent efforts to maximize shareholder value.

IF Bancorp, Inc. (“IROQ”) - We filed our original Schedule 13D reporting our position on March 5, 2012. We believe IROQ is positioned to consistently repurchase its shares, and we have urged management and the board to do so. To date, IROQ has completed the minimum number of share repurchases to maintain our support.

Anchor Bancorp (“ANCB”) - We filed our original Schedule 13D reporting our position on May 7, 2012. We believe management and the board have acted in good faith to position ANCB to maximize shareholder value. We have urged management and the board to repurchase shares.

Georgetown Bancorp, Inc. (“GTWN”) - We filed our original Schedule 13D reporting our position on July 23, 2012. We support GTWN’s consistent efforts to maximize shareholder value through share repurchases.

Hamilton Bancorp, Inc. (“HBK”) - We filed our original Schedule 13D reporting our position on October 22, 2012. We believe HBK’s acquisition of FMTB and FRTR is in the best interest of shareholders.

Polonia Bancorp, Inc. (“PBCP”) - We filed our original Schedule 13D reporting our position on November 23, 2012. In light of PBCP’s recent regulatory order, we believe PBCP should be sold at the earliest possible opportunity.

Delanco Bancorp, Inc. (“DLNO”) - We filed our original Schedule 13D reporting our position on October 28, 2013. We believe management and the board have acted in good faith to position DLNO to maximize shareholder value.

Carroll Bancorp, Inc. (“CROL”) - We filed our original Schedule 13D reporting our position on March 17, 2014. We are evaluating management and the board’s actions regarding maximizing shareholder value.

Sugar Creek Financial Corp. (“SUGR”) - We filed our original Schedule 13D reporting our position on April 21, 2014. We believe management and the board have acted in good faith to position SUGR to maximize shareholder value. We have urged management and the board to repurchase shares.

Seneca-Cayuga Bancorp, Inc. (“SCAY”) - We filed our original Schedule 13D reporting our position on September 15, 2014. We believe SCAY is positioned to provide meaningful returns to its shareholders either through a second-step conversion or by effectuating a shareholder-friendly capital allocation program. We are encouraging management and the board to choose the path that will maximize shareholder value.

Pinnacle Bancshares, Inc. (“PCLB”) - We filed our original Schedule 13D reporting our position on September 23, 2014. On November 14, 2014, PCLB announced the continuation of its share repurchase program. We believe management and the board have acted in good faith to date to maximize shareholder value through share repurchases.

MB Bancorp, Inc. (“MBCO”) - We filed our original Schedule 13D reporting our position on January 9, 2015. We have urged management and the board to repurchase shares.

Ben Franklin Financial, Inc. (“BFFI”) - We filed our original Schedule 13D reporting our position on February 9, 2015. We will urge management and the board to repurchase shares as soon as BFFI is permitted.

Alamogordo Financial Corp. (“ALMG”) - We filed our original Schedule 13D reporting our position on May 11, 2015. We urged management and the board to provide meaningful returns to shareholders either through a second-step conversion or by effectuating a shareholder-friendly capital allocation program. On March 7, 2016, ALMG announced its plan to complete a second-step conversion which we believe will maximize shareholder value.

FSB Community Bankshares, Inc. (“FSBC”) - We filed our original Schedule 13D reporting our position on October 26, 2015. We urged management and the board to provide meaningful returns to shareholders either through a second-step conversion or by effectuating a shareholder-friendly capital allocation program. On March 3, 2016, FSBC announced its plan to complete a second-step conversion which we believe will maximize shareholder value.

Central Federal Bancshares, Inc. (“CFDB”) - We filed our original Schedule 13D reporting our position on January 25, 2016. We will urge management and the board to repurchase shares as soon as CFDB is permitted.

VI. The following issuer is the focus of a shareholder derivative litigation:

NorthEast Community Bancorp, Inc. (“NECB”) - We filed our original Schedule 13D reporting our position on November 5, 2007. A majority of NECB’s shares are held by a mutual holding company controlled by NECB’s board. We presented a model stock benefit plan to management that we would support based on a vesting schedule that more closely aligns management’s interests to shareholder returns. NECB’s management responded to the proposal with a form letter. On July 1, 2010, we delivered a written demand to NECB demanding to inspect its shareholder list. On July 22, 2010, NECB announced its first ever share repurchase plan. NECB, however, refused to supply us with the shareholder list. Therefore, on July 23, 2010, we sued NECB in federal court in New York seeking an order compelling compliance. On August 31, 2010, NECB produced the list of shareholders to us and we dropped the lawsuit. We subsequently wrote to shareholders expressing our belief that NECB’s directors did not properly oversee management. On October 3, 2011, we sent a letter to NECB’s board of directors demanding that NECB expand the board with disinterested directors to consider a second step conversion. On October 31, 2011, we filed a lawsuit in New York state court against NECB, the mutual holding company and their boards of directors, personally and derivatively, for breach of fiduciary duty arising out of failure to fairly consider a second step conversion. The court dismissed our case with leave to amend the complaint. We filed our first amended complaint on December 14, 2012. After we filed our second amended complaint on December 19, 2012, defendants moved to dismiss the case. On October 21, 2013, the court denied the motion to dismiss our lawsuit. Defendants appealed the court’s decision, but the appellate division affirmed the denial. Depositions of the directors/defendants were concluded in September 2014, and expert witnesses submitted their reports and were deposed. Motions for summary judgment were filed by both plaintiff and defendants on March 3, 2015. On October 23, 2015, the court denied defendants’ motion for summary judgment but granted our motion in part and shifted the burden to defendants at trial under the “entire fairness standard.”

The case is now proceeding to trial.
