Represents class A ordinary shares issuable pursuant to awards (including the exercise of any options, restricted shares, and restricted share units granted) under the 2015 Share Incentive Plan (the "2015 Plan") of Baozun Inc. (the "Registrant"). In accordance with Rule 416 of the Securities Act of 1933, as amended (the "Securities Act"), this (1) Registration Statement will also cover an indeterminate number of additional class A ordinary shares that become issuable under the 2015 Plan to prevent dilution resulting from any stock dividend, stock split, recapitalization or similar transaction.

Edgar Filing: Baozun Inc. - Form S-8

(2) These shares are offered under awards (including share options) granted or to be granted under the 2015 Plan. The proposed maximum offering price per ordinary share and the proposed maximum aggregate offering price have been estimated in accordance with Rule 457(c) and Rule 457(h) under the Securities Act, solely for the purpose of calculating the registration fee.

(3) These shares may be represented by the Registrant's American depositary shares ("ADSs"), each of which represents three class A ordinary shares. The Registrant's ADSs issuable upon deposit of the ordinary shares registered hereby have been registered under a separate registration statement on Form F-6 (333-204030).

(4) Represents an automatic increase to the number of shares available for issuance under the 2015 Plan. Shares available for issuance under the 2015 Plan were previously registered on registration statements on Form S-8 filed with the SEC on July 30, 2015 (Registration No. 333-205944). On December 31, 2015, the unissued shares reserved under the 2015 Plan accounted for less than 2% of the then total issued and outstanding shares on an as-converted basis, as a result, on January 1, 2016, the number of shares reserved for future issuances under the 2015 Plan increased to 2% of the then total issued and outstanding shares.

(5) Represents an automatic increase to the number of shares available for issuance under the 2015 Plan. Shares available for issuance under the 2015 Plan were previously registered on registration statements on Form S-8 filed with the SEC on July 30, 2015 (Registration No. 333-205944). On December 31, 2016, the unissued shares reserved under the 2015 Plan accounted for less than 1.5% of the then total issued and outstanding shares on an as-converted basis, as a result, on January 1, 2017, the number of shares reserved for future issuances under the 2015 Plan increased to 1.5% of the then total issued and outstanding shares.

(6) Estimated solely for the purpose of calculating the registration fee in accordance with Rules 457(c) and (h) under the Securities Act on the basis of the average of the high and low prices for the Registrant's ADSs, as quoted on the NASDAQ Global Select Market on March 27, 2017.

**REGISTRATION OF ADDITIONAL SHARES PURSUANT TO GENERAL INSTRUCTION E**

Pursuant to General Instruction E of Form S-8, the Registrant is filing this Registration Statement with the Securities and Exchange Commission (the “**SEC**”) to register 4,976,665 additional shares of Class A ordinary share under the Registrant's 2015 Plan, pursuant to the provisions of the 2015 Plan providing for an automatic increase in the number of shares reserved for issuance under the 2015 Plan. This Registration Statement hereby incorporates by reference the contents of the Registrant's registration statements on Form S-8 filed with the SEC on July 30, 2015 (Registration No. 333-205944), except as revised in Part II of this Registration Statement.

## Part II

### INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

#### Item 3. Incorporation of Documents by Reference

The Securities and Exchange Commission (the “Commission”) allows the Registrant to incorporate by reference the information the Registrant files with it, which means that the Registrant can disclose important information by referring to those documents. The information incorporated by reference is an important part of this Registration Statement, and information that the Registrant files later with the Commission will automatically update and supersede this information. The Registrant incorporates by reference the following documents it has filed, or may file, with the Commission:

- (a) The Registrant’s prospectus filed with the Commission on December 8, 2016 pursuant to Rule 424(b)(4) under the Securities Act (Registration No. 333- 214801); and

(b) The description of the Company’s class A ordinary shares incorporated by reference in the Company’s registration statement on Form 8-A (File No. 001-37385) filed with the Commission on May 11, 2015, including any amendment and report subsequently filed for the purpose of updating that description.

In addition, this Registration Statement will incorporate by reference all documents the Registrant files under Section 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934 (the “Exchange Act”) after the date of this Registration Statement and before the filing of a post-effective amendment stating that all securities offered have been sold or deregistering all securities then remaining unsold. All those documents will be considered a part of this Registration Statement from the respective dates the Registrant files them. Any statement in a document incorporated or deemed to be incorporated by reference in this Registration Statement will be deemed to be modified or superseded to the extent that a statement contained in this Registration Statement or in any other later filed document that also is or is deemed to be incorporated by reference modifies or supersedes the statement. Any statement modified or superseded will not be deemed, except as modified or superseded, to be a part of this Registration Statement.

#### Item 6. Indemnification of Directors and Officers

Cayman Islands law does not limit the extent to which a company’s articles of association may provide for indemnification of officers and directors, except to the extent any such provision may be held by the Cayman Islands

courts to be contrary to public policy, such as to provide indemnification against civil fraud or the consequences of committing a crime. The Registrant's Fourth Amended and Restated Articles of Association provide for indemnification of officers and directors for losses, damages, costs and expenses incurred or sustained by them in their capacities as such, except through such person's actual fraud or willful default.

Pursuant to the indemnification agreements, the form of which was filed as Exhibit 10.2 to the Registrant's registration statement on Form F-1, as amended (Registration No. 333-203477), the Registrant has agreed to indemnify its directors and executive officers against certain liabilities and expenses incurred by such person in connection with claims made by reason of their being such a director or officer.

The Underwriting Agreement, the form of which was filed as Exhibit 1.1 to the Registrant's registration statement on Form F-1, as amended (Registration No. 333-203477), also provides for indemnification by the underwriters of the Registrant and its directors and officers for certain liabilities, including liabilities arising under the Securities Act, but only to the extent that such liabilities are caused by information relating to the underwriters furnished to the Registrant in writing expressly for use in such registration statement and certain other disclosure documents.

The Underwriting Agreement, the form of which was filed as Exhibit 1.1 to the Registrant's registration statement on Form F-3, as amended (Registration No. 333-214801), also provides for indemnification by the underwriters of the Registrant and its directors and officers for certain liabilities, including liabilities arising under the Securities Act, but only to the extent that such liabilities are caused by information relating to the underwriters furnished to the Registrant in writing expressly for use in such registration statement and certain other disclosure documents.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

The Registrant also maintains a directors and officers liability insurance policy for its directors and officers.
