TABLE OF CONTENTS

Filed pursuant to Rule 424(b)(3)

Registration No. 333-226031

COMMUNITY FIRST BANCORP, INC.

444 East Main Street

P.O. Box 130

Reynoldsville, Pennsylvania 15851

Dear Shareholder of Community First Bancorp, Inc.:

On May 24, 2018, Emclaire Financial Corp, or Emclaire, and Community First Bancorp, Inc., or Community First, entered into an Agreement and Plan of Merger, which we refer to as the merger agreement, which provides for the merger of Community First with and into Emclaire, which we refer to as the merger. In addition, The Farmers National Bank of Emlenton, the wholly owned banking subsidiary of Emclaire, or Farmers National, and Community First Bank, the banking subsidiary of Community First, will enter into an Agreement of Merger, which we refer to as the bank merger agreement, providing for the merger of Community First Bank with and into Farmers National, which we refer to as the bank merger.

If the merger is completed, Community First shareholders will be entitled to receive, for each share of Community First common stock they own (other than shares held by Emclaire or Community First or dissenting shares), 1.2008 shares of Emclaire common stock and \$6.95 in cash, which we refer to collectively as the merger consideration. Based on the closing sales price of Emclaire common stock on July 26, 2018, the latest practical trading date prior to this proxy statement/information statement/prospectus, the per share value of the merger consideration is \$51.38 and the aggregate value of the merger consideration is \$18.9 million. Emclaire expects to issue up to 419,237 shares of common stock in the merger after cancellation of the Community First common shares owned by Emclaire and before taking into account any adjustment for the issuance of cash in lieu of fractional shares. In addition, pursuant to the bank merger, each outstanding share of preferred stock of Community First Bank will be exchanged for similar shares of preferred stock of Emclaire.

The market value of the merger consideration will fluctuate with the market price of Emclaire common stock and will not be known at the time Community First shareholders vote at its special meeting. The cash included in the merger consideration is a fixed amount and will remain fixed regardless of any changes in the market value of the shares of Emclaire common stock.

Emclaire's common stock trades on the NASDAQ Capital Market under the symbol "EMCF." The table below presents the closing prices of Emclaire common stock on May 24, 2018, the last trading day prior to the public announcement of the merger, and on July 26, 2018, the last practicable trading day before the distribution of this proxy statement/information statement/prospectus. The table also presents the implied value for each share of Community First common stock converted into shares of Emclaire common stock on those dates, as determined by multiplying the closing price of Emclaire common stock on those dates by the exchange ratio of 1.2008, and adding the \$6.95 cash portion of the merger consideration to such amount. We urge you to obtain current market quotations for Emclaire.

	Emclaire Common Stock	Equivalent Value of One Share of Community First Common Stock
At May 24, 2018	\$ 34.25	\$ 48.08
At July 26, 2018	37.00	51.38

Your vote is important. In order to complete the merger, shareholders of Community First must approve and adopt the merger agreement. Approval and adoption of the merger agreement requires the affirmative vote of the holders of at

least fifty-one percent (51%) of the outstanding shares of Community First common stock at the Community First special meeting of shareholders.

Community First will hold a special meeting of shareholders at the Operations Center of Community First Bank, located at 432 East Main Street, Reynoldsville, Pennsylvania 15851 on September 20, 2018 at 11:00 a.m., local time, to consider and vote on the approval and adoption of the merger agreement.

Community First's board of directors unanimously recommends that Community First's shareholders vote "FOR" approval and adoption of the merger agreement and "FOR" the approval of the adjournment or postponement of the Community First special meeting, if necessary, to solicit additional proxies in favor of that proposal.

Whether or not you plan to attend the Community First special meeting, your board of directors urges you to vote by completing, signing, dating and returning the enclosed proxy card as soon as possible in the enclosed postage-paid envelope. This will not prevent you from voting in person at the Community First special meeting, but will assure that your vote is counted if you are unable to attend.

This proxy statement/information statement/prospectus provides you with detailed information about the merger agreement, the merger and the proposals to be voted on at the Community First special meeting. In addition to being a proxy statement of Community First, this document also is the prospectus of Emclaire for the shares of Emclaire common stock that will be issued to Community First shareholders in connection with the merger.

We urge you to read this entire proxy statement/information statement/prospectus, including the Annexes hereto, carefully because they contain important information about the merger agreement, the merger and the proposals to be voted on at the Community First special meeting. In particular, you should read carefully the information under the section entitled "Risk Factors" beginning on page 16. You can also obtain information about Emclaire from documents that Emclaire files with the Securities and Exchange Commission, or SEC.

If you have any questions regarding the accompanying proxy statement/information statement/prospectus, you may contact the undersigned by calling (814) 653-8232.

Sincerely,

Henry H. Deible

President and Chief Executive Officer

None of the SEC, any state securities commission, or any bank or other regulatory body has approved or disapproved of the securities to be issued in the merger or passed upon the accuracy or adequacy of this proxy statement/information statement/prospectus. Any representation to the contrary is a criminal offense.

The shares of Emclaire common stock to be issued to Community First shareholders in connection with the merger are not deposits or savings accounts or other obligations of any bank or savings association, and are not insured by the Federal Deposit Insurance Corporation, or FDIC, or any other governmental agency.

The date of this proxy statement/information statement/prospectus is July 27, 2018, and it is first being mailed or otherwise delivered to Community First shareholders on or about August 3, 2018.

TABLE OF CONTENTS

COMMUNITY FIRST BANCORP, INC.

NOTICE OF SPECIAL MEETING OF SHAREHOLDERS

TO BE HELD ON SEPTEMBER 20, 2018

To the Shareholders of Community First Bancorp, Inc.:

NOTICE IS HEREBY GIVEN that a special meeting of shareholders of Community First Bancorp, Inc., or Community First, will be held on September 20, 2018 at 11:00 a.m. local time at the Operations Center of Community First Bank, located at 432 East Main Street, Reynoldsville, Pennsylvania 15851, to consider and vote upon the following matters:

1.

A proposal to approve and adopt the Agreement and Plan of Merger dated as of May 24, 2018, by and between Emclaire Financial Corp and Community First, pursuant to which Community First will merge with and into Emclaire, as more fully described in the attached proxy statement/information statement/prospectus and thereby approve all transactions in connection therewith, which we refer to as the merger proposal; and

2.

A proposal to authorize the adjournment or postponement of the special meeting, if necessary or appropriate, to solicit additional proxies in the event there are not sufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger proposal, which we refer to as the adjournment proposal.

We have fixed the close of business on July 23, 2018 as the record date for determining those Community First shareholders entitled to notice of, and to vote at, the Community First special meeting and any adjournments or postponements of the Community First special meeting. Only Community First shareholders of record at the close of business on that date are entitled to vote at the Community First special meeting and any adjournments or postponements of the Community First special meeting.

Approval of the proposal to approve and adopt the Agreement and Plan of Merger requires the affirmative vote of the holders of at least 51% of the outstanding shares of Community First common stock at the special meeting of shareholders of Community First.

Whether or not you intend to attend the Community First special meeting, please vote as soon as possible by signing and returning the enclosed proxy card in the postage-paid envelope provided. If you attend the Community First special meeting, you may vote in person if you wish, even if you have previously returned your proxy card.

Community First's board of directors has approved the merger agreement and all transactions in connection therewith and recommends that Community First shareholders vote "FOR" approval of the proposal to approve and adopt the Agreement and Plan of Merger and "FOR" the proposal to authorize the adjournment or postponement of the Community First special meeting, if necessary or appropriate, to solicit additional proxies to approve and adopt the proposal to adopt the merger proposal.

The enclosed proxy statement/information statement/prospectus provides a detailed description of the Community First special meeting, the merger, the merger agreement and other documents related to the merger and other related matters. We urge you to read the proxy statement/information statement/prospectus, including the attached Annexes carefully and in their entirety.

BY ORDER OF THE BOARD OF DIRECTORS,

Eugene E. Deible, III, Corporate Secretary
Reynoldsville, Pennsylvania
July 27, 2018

TABLE OF CONTENTS

COMMUNITY FIRST BANK

444 East Main Street

Reynoldsville, Pennsylvania 15851

NOTICE OF ACTION TO BE TAKEN

To the Preferred Shareholders of Community First Bank:

WE ARE NOT ASKING YOU FOR YOUR PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY. COMMUNITY FIRST BANK INTENDS TO TAKE THE ACTION DESCRIBED BELOW BY WRITTEN CONSENT AS THE SOLE SHAREHOLDER OF THE OUTSTANDING VOTING STOCK OF COMMUNITY FIRST BANK. PURSUANT TO PENNSYLVANIA BANKING LAW AND THE TERMS OF THE COMMUNITY FIRST BANK PREFERRED STOCK, THE VOTE OF THE PREFERRED SHAREHOLDERS IS NOT REQUIRED. On May 24, 2018, Emclaire Financial Corp, or Emclaire, and Community First Bancorp, Inc., or Community First, entered into an Agreement and Plan of Merger, or the merger agreement, which provides for the merger of Community First with and into Emclaire, or the merger. The merger agreement also provides that, upon the completion of the merger of Community First into Emclaire, Community First Bank, which is a subsidiary of Community First, will then merge with and into The Farmers National Bank of Emlenton, the wholly owned banking subsidiary of Emclaire, or Farmers National, pursuant to an Agreement of Merger (the form of which is attached as Exhibit A to the merger agreement), or the bank merger agreement.

Pursuant to the bank merger, all of the approximately \$4.2 million of outstanding shares of Community First Bank's preferred stock will be exchanged on a one-for-one basis for shares of two newly created series of Emclaire preferred stock. Upon completion of merger and bank merger (i) each share of Series A Non-Cumulative Perpetual Preferred Stock of Community First Bank, shall be converted into the right to receive one share of Series C Non-Cumulative Preferred Stock of Emclaire, liquidation preference \$10 per share, and (ii) each share of Series B Non-Cumulative Perpetual Preferred Stock of Community First Bank, shall be converted into the right to receive one share of Series D Non-Cumulative Preferred Stock of Emclaire.

Community First, as the sole holder of the outstanding voting stock of Community First Bank, intends to approve the bank merger agreement and bank merger by written consent. Pursuant to Pennsylvania banking law and the terms of the Community First Bank preferred stock, the vote of the holders of the Community First Bank preferred stock is not required.

As a result, no further action on the part of Community First Bank preferred shareholders is required in connection with any of these transactions. If the merger and bank merger are completed, you will receive instructions on how to exchange your shares of Community First Bank preferred stock for shares of Emclaire preferred stock.

The enclosed proxy statement/information statement/prospectus provides a detailed description of the Community First special meeting, the merger, the merger agreement and other documents related to the merger and other related matters. We urge you to read the proxy statement/information statement/ prospectus, including the attached Annexes carefully and in their entirety.

This proxy statement/information statement/prospectus is first being mailed or otherwise delivered to Community First Bank preferred shareholders on or about August 3, 2018.

BY ORDER OF THE BOARD OF DIRECTORS,

Eugene E. Deible, III, Corporate Secretary

Reynoldsville, Pennsylvania

July 27, 2018

ADDITIONAL INFORMATION

Emclaire files reports, proxy statements and other information with U.S. Securities and Exchange Commission, which we refer to as the SEC, pursuant to the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange Act. You can obtain any of the documents filed with or furnished to the SEC by Emclaire at no cost from the SEC's website at <http://www.sec.gov>. You may also request copies of these documents at no cost by contacting Emclaire at the following address:

Emclaire Financial Corp

612 Main Street

Emlenton, Pennsylvania 16373

(844) 767-2311

Attention: Amanda L. Engles, Senior Vice President and Chief Financial Officer

You will not be charged for any of these documents that you request.

If you have any questions concerning the merger or this proxy statement/information statement/ prospectus, would like additional copies of this proxy statement/information statement/prospectus or need help voting your shares of Community First common stock, please contact Henry H. Deible, President and Chief Executive Officer, or Eugene E. Deible, III, Corporate Secretary, Community First Bancorp, Inc. at (814) 653-8232.

See "Where You Can Find More Information" on page 136.

ABOUT THIS DOCUMENT

This document, which forms part of a registration statement on Form S-4 filed by Emclaire with the SEC (File No. 333-226031) under the Securities Act of 1933, as amended, which we refer to as the Securities Act, constitutes a prospectus of Emclaire with respect to the shares of Emclaire common stock to be issued to Community First shareholders in connection with the proposed merger and the shares of Emclaire preferred stock to be issued to the preferred shareholders of Community First Bank in the bank merger. This document also constitutes a proxy statement of Community First in connection with its special meeting of shareholders. This document also provides the notice of the special meeting of Community First in accordance with state law with respect to its special meeting at which shareholders will consider and vote on the proposals described in the Community First notice. In addition, this document constitutes an information statement with respect to the approval of the bank merger agreement by the shareholders of Community First Bank.

You should rely only on the information contained in this document. We have not authorized anyone to provide you with information that is different from that contained in this document. This document is dated July 27, 2018. You should not assume that the information contained in this document is accurate as of any date other than that date. Neither the mailing of this document nor the issuance by Emclaire of its shares in connection with the merger and the bank merger will create any implication to the contrary.

This document does not constitute an offer to sell, or a solicitation of an offer to buy, any securities, or the solicitation of a proxy, in any jurisdiction to or from any person to whom it is unlawful to make any such offer or solicitation in such jurisdiction. Except where the context otherwise indicates, information contained in this document regarding Emclaire has been provided by Emclaire and information contained in this document regarding Community First has been provided by Community First.

QUESTIONS AND ANSWERS ABOUT THE MERGER, THE BANK MERGER
AND THE SPECIAL MEETING

The following questions and answers briefly address some commonly asked questions about the merger, the bank merger and the Community First special meeting of shareholders. They may not include all the information that may be important to you. You should read carefully the entire document, including the Annexes to fully understand the merger agreement, the bank merger agreement and the transactions contemplated thereby, including the merger and the bank merger, the issuance of shares of Emclaire common and preferred stock in connection with the merger and the bank merger, the proposals to be considered and voted on by Community First shareholders, and the voting procedures for the Community First special meeting of shareholders.

In this proxy statement/information statement/prospectus, we generally refer to Emclaire Financial Corp as “Emclaire,” The Farmers National Bank of Emlenton, a national bank and wholly owned subsidiary of Emclaire, as “Farmers National,” Community First Bancorp, Inc. as “Community First” and Community First Bank as “Community First Bank.”

Q:

What is the merger and bank merger?

A:

On May 24, 2018, Emclaire and Community First entered into an Agreement and Plan of Merger, which we refer to as the merger agreement, which provides for the merger of Community First with and into Emclaire, which we refer to as the merger. In addition, Farmers National, the wholly owned banking subsidiary of Emclaire, and Community First Bank, the banking subsidiary of Community First, will enter into an Agreement of Merger, which we refer to as the bank merger agreement, providing for the merger of Community First Bank with and into Farmers National, which we refer to as the bank merger.

Q:

Why am I receiving this proxy statement/information statement/prospectus?

A:

Shareholders of Community First are receiving this document because it is a proxy statement being used by the Community First board of directors to solicit proxies from its shareholders in connection with approval of the proposals described herein. In order to consider and approve the proposals, Community First has called a special meeting of its shareholders, which we refer to as the Community First special meeting. This document serves as a proxy statement for the Community First special meeting and describes the proposals to be presented and voted on at the special meeting. The enclosed voting materials allow shareholders to vote their shares without attending the Community First special meeting in person.

Preferred shareholders of Community First Bank are receiving this document because it is an information statement being used by the Community First Bank board of directors to notify shareholders of the action intended to be taken by Community First to approve the bank merger agreement and the bank merger. Community First, as the sole holder of the outstanding voting stock of Community First Bank, intends to approve the bank merger agreement and the bank merger by its written consent. Pursuant to Pennsylvania banking law and the terms of the Community First Bank preferred stock, the vote of the holders of the Community First Bank preferred stock is not necessary.

This document also is a prospectus that is being delivered by Emclaire to Community First shareholders and preferred shareholders of Community First Bank because Emclaire will issue shares of its common stock to Community First shareholders and shares of its preferred stock to Community First Bank preferred shareholders in connection with the merger.

Q:

What proposals am I being asked to vote on?

A:

Community First's shareholders are being asked to approve and adopt the merger agreement and the transactions contemplated thereby, including the merger. In addition, Community First shareholders are being asked to approve a proposal to adjourn or postpone the Community First special meeting, if necessary or appropriate, to solicit additional proxies in favor of the approval and adoption of the merger agreement.

Holders of Community First Bank preferred stock are not being asked to take any action at this time. Pursuant to Pennsylvania banking law and the terms of the Community First Bank preferred stock, the vote of the holders of the Community First Bank preferred stock is not required to approve or complete the merger and the bank merger.

1

TABLE OF CONTENTS

Q:

What will Community First shareholders receive in the merger?

A:

If the merger is completed, Community First shareholders will be entitled to receive, for each share of Community First common stock they own, 1.2008 shares of Emclaire common stock, which we refer to as the “stock consideration,” and \$6.95 in cash, which we refer to as the “cash consideration” and collectively as the “merger consideration.” In addition, pursuant to the bank merger, each outstanding share of preferred stock of Community First Bank will be exchanged for similar shares of preferred stock of Emclaire. See “The Merger Agreement — Consideration to be Received in the Merger.”

Q:

Will the value of the merger consideration change between the date of this proxy statement/information statement/prospectus and the time the merger is completed?

A:

The value of the cash consideration is fixed at \$6.95 per share. However, the value of the stock consideration will fluctuate as the market price of Emclaire common stock fluctuates before the completion of the merger. The market price of Emclaire common stock at the completion of the merger may be more or less than the current price of Emclaire common stock or the price of Emclaire common stock at the time of the special meeting or at the time an election is made. Based on closing sales price of Emclaire common stock on the NASDAQ Capital Market on July 26, 2018, the latest practical trading date prior to this proxy statement/information statement/prospectus, the per share value of the merger consideration is \$51.38 and the aggregate value of the merger consideration is \$18.9 million. We urge you to obtain current market quotations for shares of Emclaire common stock.

Q:

What will Community First Bank preferred shareholders receive in the bank merger?

A:

If the merger and bank merger are completed (i) each share of Series A Non-Cumulative Perpetual Preferred Stock of Community First Bank shall be converted into the right to receive one share of Series C Non-Cumulative Preferred Stock of Emclaire, liquidation preference \$10 per share, and (ii) each share of Series B Non-Cumulative Perpetual Preferred Stock of Community First Bank shall be converted into the right to receive one share of Series D Non-Cumulative Preferred Stock of Emclaire.

Q:

What are the federal income tax consequences of the merger and bank merger?

A:

The merger has been structured to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, which we refer to as the Code. It is a condition to the completion of the merger that each of Emclaire and Community First receive a written opinion from its respective legal counsel to the effect that the merger will be treated as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. Accordingly, we expect the merger generally to be tax-free to Community First shareholders for United States federal income tax purposes with respect to the shares of Emclaire common stock that they receive pursuant to the merger. A Community First shareholder generally will recognize gain, but not loss, in an amount equal to the lesser of (1) the amount of gain realized (i.e., the excess, if any, of the sum of the cash received and the fair market value of the Emclaire common stock received pursuant to the merger over that holder’s adjusted tax basis in its shares of Community First common stock surrendered) and (2) the amount of cash received pursuant to the merger. In addition, Community First shareholders will recognize gain or loss with respect to the receipt of cash in lieu of fractional

shares.

The bank merger has been structured to qualify as a reorganization within the meaning of Section 368(a) of the Code. However, because the Emclaire preferred stock to be issued in the bank merger to holders of Community First Bank preferred stock is deemed to be nonqualified preferred stock under Section 354 of the Code, a U.S. holder of Community First Bank preferred stock generally will recognize capital gain or loss equal to the difference between (a) the fair market value of the shares of Emclaire preferred stock received by such U.S. holder in the bank merger and (b) its adjusted tax basis in the shares of Community First Bank preferred stock surrendered in exchange therefor. This tax treatment may not apply to all shareholders of Community First and Community First bank. Determining the actual tax consequences of the merger to Community First shareholders and of the bank merger to Community First Bank preferred shareholders can be complicated. Shareholders of Community First and Community First Bank should consult their own tax advisor for a full understanding of the

2

TABLE OF CONTENTS

merger's tax consequences that are particular to them. Please see "Material United States Federal Income Tax Consequences of the Merger and Bank Merger" beginning on page 75 for further discussion of the material U.S. federal income tax consequences of the merger.

Q:

Does Community First's board of directors recommend that Community First shareholders approve and adopt the merger proposal?

A:

Yes. Community First's board of directors has approved and determined that the merger agreement, the merger and the other transactions contemplated by the merger agreement are in the best interests of Community First's shareholders. Community First's board of directors unanimously recommends that Community First's shareholders vote "FOR" approval and adoption of the merger agreement at the Community First special meeting. Please see "The Merger — Community First's Reasons for the Merger; Recommendation of the Community First Board of Directors" beginning on page 37 for a more detailed discussion regarding the information and factors considered by Community First's board of directors in approving the merger and making its recommendation.

Q:

When and where is the Community First special meeting?

A:

The Community First special meeting will be held at the Operations Center of Community First Bank, located at 432 East Main Street, Reynoldsville, Pennsylvania 15851 on September 20, 2018, at 11:00 a.m. local time.

Q:

Who can vote at the Community First special meeting?

A:

Only holders of record of Community First common stock at the close of business on July 23, 2018, the record date for the Community First special meeting, will be entitled to vote at the Community First special meeting.

Q:

What do I need to do now?

A:

If you are a shareholder of Community First, after you have carefully read this proxy statement/information statement/prospectus, including the Annexes hereto, and have decided how you wish to vote your shares, please vote your shares promptly. Please vote by completing, signing, dating and returning the enclosed proxy card as soon as possible in the enclosed postage-paid envelope.

If you are a holder of Community First Bank, you are not being asked to take any action at this time.

Q:

If my shares of Community First common stock are held in "street name" by my broker, bank or other nominee, will my broker, bank or other nominee automatically vote my shares for me?

A:

No. If you own your shares of Community First common stock in "street name," your broker, bank or other nominee cannot vote your shares without instructions from you. You should instruct your broker, bank or other nominee as to how to vote your shares of Community First common stock, following the directions your broker, bank or other nominee provides to you. Please check the voting form used by your broker, bank or other nominee.

Q:

What constitutes a quorum for the Community First special meeting?

A:

The presence, in person or by proxy, at the Community First special meeting of shareholders of at least a majority of the issued and outstanding shares of Community First common stock entitled to vote at the special meeting, will constitute a quorum for each respective proposal. Abstentions are counted as present for the purpose of determining whether a quorum is present.

Q:

What is the vote required to approve each proposal at the Community First special meeting?

A:

Approval and adoption of the merger proposal requires the affirmative vote of at least 51% of the outstanding shares of Community First common stock. The adjournment proposal requires the affirmative vote of the holders of a majority of the total number of shares of Community First common stock represented and entitled to vote at the Community First special meeting, assuming a quorum is present. If you fail to submit a proxy or vote in person at the special meeting or vote to abstain, or you do not provide your bank, brokerage firm or other nominee with voting instructions, this will have the same effect as a vote “against” approval of the merger agreement and the adjournment proposal, as the case may be.

TABLE OF CONTENTS

Please note that if you make no specification on your proxy card as to how you want your Community First shares voted before signing and returning it, your proxy will be voted as recommended by the board of directors of Community First.

Q:

Can I attend the Community First special meeting and vote my shares in person?

A:

All shareholders of Community First may attend the special meeting in person and also may cast their votes at the special meeting. "Street name" shareholders of Community First who wish to vote in person at the Community First special meeting will need to obtain a legal proxy from the institution that holds their shares.

Q:

Can I change my vote?

A:

Yes. A Community First shareholder who has submitted a proxy may revoke it at any time before its exercise at the Community First special meeting by (i) giving written notice of revocation to Community First's corporate secretary, (ii) properly submitting to Community First a duly executed proxy bearing a later date, (iii) voting again by telephone or the Internet, or (iv) attending the Community First special meeting and voting in person. Any Community First shareholder entitled to vote in person at the Community First special meeting may vote in person regardless of whether a proxy has been previously given, and such vote will revoke any previous proxy. Please note, however, that simply attending the Community First special meeting will not revoke a previously-given proxy — you must cast a new vote at the Community First special meeting in order to revoke your prior vote.

All written notices of revocation and other communications with respect to revocation of Community First proxies should be addressed to Community First as follows: Eugene E. Deible, III, Corporate Secretary, 444 East Main Street, Reynoldsville, Pennsylvania 15851.

Q:

Do I have appraisal or dissenters' rights?

A:

Under Pennsylvania law, Community First shareholders have the right to dissent from the merger and receive a payment in cash for the "fair value" of their shares of Community First common stock as determined by an appraisal process. This value may be more or less than the value you would receive in the merger if you do not dissent. If you dissent and receive a cash payment for the value of your shares it will be fully taxable to you. Pennsylvania law requires dissenting shareholders to follow certain statutory procedures in order to perfect your dissenters' rights. Please see "The Merger — Dissenters' Rights" beginning on page 60 and the Pennsylvania statutory provisions included in Annex C.

Under Pennsylvania banking law, preferred shareholders of Community First Bank do not have dissenters' or appraisal rights in the bank merger.

Q:

When do you expect to complete the merger and bank merger?

A:

Emclair and Community First expect to complete the merger and bank merger in the fourth quarter of 2018. However, we cannot assure you when or if the merger will be completed. Among other things, we cannot complete the merger until we obtain the approval of the merger agreement being sought from shareholders of Community First at the Community First special meeting, Community First approves the bank merger agreement as the sole holder of outstanding voting shares of Community First Bank and until we obtain certain regulatory approvals.

Q:

What happens if the merger is not completed?

A:

If the merger is not completed, holders of Community First common stock will not receive any consideration for their shares in connection with the merger, and Community First will remain an independent company. If the merger is not completed, the bank merger will not occur, Community First will continue to own Community First Bank as its subsidiary and preferred shareholders of Community First Bank will continue to own their shares of Community First Bank preferred stock.

If the merger agreement is terminated in certain circumstances, a termination fee may be required to be paid by Community First. Please see “The Merger Agreement — Termination Fee” on page 74 for a complete discussion of the circumstances under which a termination fee will be required to be paid.

4

TABLE OF CONTENTS

Q:

What happens if I sell my shares of Community First common stock before the special meeting?

A:

The record date is earlier than both the date of the special meeting and the effective time of the merger. If you transfer your shares of Community First common stock after the record date but before the special meeting, you will, unless the transferee requests a proxy from you, retain your right to vote at the special meeting but will transfer the right to receive the merger consideration to the person to whom you transfer your shares. In order to receive the merger consideration, you must hold your shares at the effective time of the merger.

Q:

Should I send my share certificates with my proxy card or before the Community First special meeting?

A:

No. You should NOT send your Community First share certificates with your proxy card or at any time prior to the Community First special meeting. Emclaire, through its appointed exchange agent, will send Community First shareholders instructions for exchanging Community First share certificates for the merger consideration following completion of the merger.

In addition, preferred shareholders of Community First Bank will also receive instructions for the exchange of their shares for Emclaire preferred stock following completion of the merger and the bank merger.

Q:

Whom may I contact if I cannot locate my Community First or Community First Bank share certificate(s)?

A:

If you are unable to locate your original share certificate(s), you should contact Eugene E. Deible, III, Corporate Secretary, Community First Bancorp, Inc., 444 East Main Street, Reynoldsville, Pennsylvania 15851 as soon as practicable. Please do not wait until completion of the merger to locate your stock certificate.

Q:

Are there any risks that I should consider in deciding whether to vote for the approval of the merger agreement?

A:

Yes. You should read and carefully consider the risk factors set forth in the section entitled "Risk Factors" beginning on page 16 of this proxy statement/information statement/prospectus.

Q:

Whom should I call with questions about the special meeting, the proposals or the merger?

A:

If you have additional questions about the merger, need assistance in submitting your proxy or voting your shares of Community First common stock, or need additional copies of this proxy statement/information statement/prospectus or the enclosed proxy card, please contact Henry H. Deible, President and Chief Executive Officer, or Eugene E. Deible, III, Corporate Secretary, Community First Bancorp, Inc. at (814) 653-8232.

TABLE OF CONTENTS

SUMMARY

This summary highlights selected information from this proxy statement/information statement/ prospectus. It may not contain all the information that is important to you. You should read carefully the entire document, including the Annexes, and the additional documents we refer you to in order to fully understand the merger agreement, the bank merger agreement and the transactions contemplated thereby, including the merger, the bank merger the proposals to be considered and voted on by Community First shareholders, and the voting procedures for the Community First special meeting of shareholders. Each item included in this summary refers to the page of this proxy statement/information statement/prospectus where that subject is discussed in more detail.

The Parties to the Merger and the Bank Merger (pages 80 and 83)

Emclair Financial Corp

612 Main Street

Emlenton, Pennsylvania 16373

(844) 767-2311

Emclair Financial Corp is the parent company of The Farmers National Bank of Emlenton, an independent, nationally chartered, FDIC-insured community bank headquartered in Emlenton, Pennsylvania, operating 17 full service offices in Venango, Allegheny, Butler, Clarion, Clearfield, Crawford, Elk, Jefferson and Mercer counties, Pennsylvania and Hancock County, West Virginia. At March 31, 2018, Emclair had consolidated assets of \$755.8 million, deposits of \$666.7 million, net loans of \$584.5 million and shareholders' equity of \$58.9 million. Emclair's common stock is quoted on and traded through the NASDAQ Capital Market under the symbol "EMCF". For more information, visit Emclair's website at "www.emclairfinancial.com".

Community First Bancorp, Inc.

444 East Main Street

Reynoldsville, Pennsylvania 15851

(814) 653-8232

Community First Bancorp, Inc. is the parent company of Community First Bank, a Pennsylvania chartered bank located in Reynoldsville, Pennsylvania. Community First Bank operates four offices located in Reynoldsville, Sykesville, Punxsutawney and Clarion, Pennsylvania. At March 31, 2018, Community First had assets of approximately \$131 million, deposits of approximately \$107 million, net loans of approximately \$113 million and total equity of approximately \$13 million.

Farmers National and Community First Bank are parties to the bank merger, which will occur immediately after the merger of Community First with and into Emclair.

Neither Community First's common stock or Community First Bank's preferred stock is listed on any stock exchange nor quoted on any interdealer quotation system.

The Merger, the Bank Merger, the Merger Agreement and the Bank Merger Agreement (pages 33 and 64)

On May 24, 2018, Emclair and Community First entered into the merger agreement, which provides for the merger of Community First with and into Emclair. In addition, Farmers National and Community First Bank will enter into the bank merger agreement, providing for the merger of Community First Bank with and into Farmers National. If the merger is completed, Community First shareholders will be entitled to receive, for each share of Community First common stock they own, 1.2008 shares of Emclair common stock and \$6.95 in cash. In addition, pursuant to the bank merger, each outstanding share of preferred stock of Community First Bank will be exchanged for similar shares of preferred stock of Emclair. Completion of the merger and the bank merger are subject to a variety of conditions, including adoption and approval of the merger agreement by the shareholders of Community First. We currently expect to complete the merger in the fourth quarter of 2018. The merger agreement and the bank merger agreement are attached to this proxy statement/information statement/prospectus as Annex A and are incorporated by reference herein.

TABLE OF CONTENTS

In the Merger, Community First Shareholders Will Receive a Combination of Shares of Emclaire Common Stock and Cash (page 64)

Under the terms of the merger agreement, Community First shareholders will be entitled to receive, for each share of Community First common stock they own, 1.2008 shares of Emclaire common stock and \$6.95 in cash. Based on closing sales price of Emclaire common stock on July 26, 2018, the latest practical trading date prior to this proxy statement/information statement/prospectus, the per share value of the merger consideration is \$51.38 and the aggregate value of the merger consideration is \$18.9 million. Emclaire expects to issue approximately 419,237 shares of common stock after cancellation of the Community First common shares owned by Emclaire and before taking into account any adjustment for the issuance of cash in lieu of fractional shares.

Emclaire will not issue any fractional shares of its common stock in the merger. Community First shareholders who would otherwise be entitled to a fractional share of Emclaire common stock will instead receive an amount in cash (rounded to the nearest cent), determined by multiplying (1) the fraction of a share (after taking into account all shares of Community First common stock held by such shareholder at the effective time of the merger and rounded to the nearest thousandth) of Emclaire common stock to which such holder would otherwise have been entitled to receive, and (2) the average of the daily closing sales price of a share of Emclaire common stock as reported on the NASDAQ Capital Market for the ten consecutive trading days immediately preceding the fifth day prior to the date that the merger closes. For purposes of determining any fractional share interest, all shares of Community First common stock owned by a Community First shareholder shall be combined so as to calculate the maximum number of whole shares of Emclaire common stock issuable to such Community First shareholder pursuant to the merger agreement.

The market value of the stock consideration will fluctuate with the market price of Emclaire common stock and will not be known at the time Community First shareholders vote at its special meeting. The cash consideration is a fixed amount and will remain fixed regardless of any changes in the market value of the shares of Emclaire common stock.

The table presents the implied value for each share of Community First common stock converted into the merger consideration based upon a range of market price for a share of Emclaire common stock, as determined by multiplying the price of Emclaire common stock by the exchange ratio of 1.2008, and adding the \$6.95 cash portion of the merger consideration to such amount. The table does not reflect the fact that cash will be paid instead of fractional shares.

Emclaire Common Stock Hypothetical Closing Prices	Per Share Stock Consideration	Per Share Cash Consideration	Hypothetical Implied Value of a Share of Community First Common Stock(*)
\$ 30.50	\$ 32.62	\$ 6.95	\$43.57
31.00	37.22	6.95	44.17
31.50	37.83	6.95	44.78
32.00	38.43	6.95	45.38
32.50	39.03	6.95	45.98

34.00	40.83	6.95	47.78
34.25	41.13	6.95	48.08
34.50	41.43	6.95	48.38
35.00	42.03	6.95	48.98
35.50	42.63	6.95	49.58
36.00	43.23	6.95	50.18
36.50	43.83	6.95	50.78

TABLE OF CONTENTS

Emclaire Common Stock Hypothetical Closing Prices	Per Share Stock Consideration	Per Share Cash Consideration	Hypothetical Implied Value of a Share of Community First Common Stock(*)
\$ 37.00	\$ 44.43	\$ 6.95	\$51.38
37.50	45.03	6.95	51.98
38.00	45.63	6.95	52.58

(*)

Hypothetical implied value based on hypothetical closing price on the NASDAQ Capital Market of Emclaire common stock. The price information in bold reflects the closing stock price of Emclaire common stock on the NASDAQ Capital Market on May 24, 2018, the last full trading day before the execution of the merger agreement.

The examples above are illustrative only. The value of the merger consideration that a Community First shareholder actually receives will be based on the actual closing price on the NASDAQ Capital Market of Emclaire common stock upon completion of the merger, which may be outside the range of the amounts set forth above, and as a result, the actual value of the merger consideration per share of Community First common stock may not be shown in the above table.

The Merger Is Expected to Be Tax-Free to Community First Shareholders and Taxable to Community First Bank Preferred Shareholders as to the Shares of Emclaire Stock They Receive (page [75](#))

The merger is intended to be treated as a reorganization within the meaning of Section 368(a) of the Code. One of the conditions to the respective obligations of Emclaire and Community First to complete the merger is that each of Emclaire and Community First receives an opinion from its respective legal counsel to that effect.

We expect the merger generally to be tax-free to Community First shareholders for United States federal income tax purposes with respect to the shares of Emclaire common stock that they receive pursuant to the merger. A Community First shareholder generally will recognize gain, but not loss, in an amount equal to the lesser of (1) the amount of gain realized (i.e., the excess, if any, of the sum of the cash received and the fair market value of the Emclaire common stock received pursuant to the merger over that holder's adjusted tax basis in its shares of Community First common stock surrendered) and (2) the amount of cash received pursuant to the merger. In addition, Community First shareholders will recognize gain or loss with respect to the receipt of cash in lieu of fractional shares.

The bank merger has been structured to qualify as a reorganization within the meaning of Section 368(a) of the Code. However, because the Emclaire preferred stock to be issued in the bank merger to holders of Community First Bank preferred stock is deemed to be nonqualified preferred stock under Section 354 of the Code, a U.S. holder of Community First Bank preferred stock generally will recognize capital gain or loss equal to the difference between (a) the fair market value of the shares of Emclaire preferred stock received by such U.S. holder in the bank merger and (b) its adjusted tax basis in the shares of Community First Bank preferred stock surrendered in exchange therefor. This tax treatment may not apply to all shareholders of Community First and Community First Bank. Determining the actual tax consequences of the merger to Community First shareholders and the bank merger to Community First Bank preferred shareholders can be complicated. Community First shareholders and Community First Bank preferred shareholders should consult their own tax advisor for a full understanding of the tax consequences that are particular to them.

Comparative Market Prices of Securities (page [121](#))

Emclaire's common stock trades on the NASDAQ Capital Market under the symbol "EMCF." Community First's common stock is not listed on any stock exchange or quoted on any interdealer quotation system. The table below presents the closing prices of Emclaire common stock on May 24, 2018, the last trading day prior to the public announcement of the merger, and on July 26, 2018, the last practicable trading day before the distribution of this proxy statement/information statement/prospectus.

TABLE OF CONTENTS

The table also presents the implied value for each share of Community First common stock converted into shares of Emclair common stock on those dates, as determined by multiplying the closing price of Emclair common stock on those dates by the exchange ratio of 1.2008, and adding the \$6.95 cash portion of the merger consideration to such amount.

	Emclair Common Stock	Equivalent Value of One Share of Community First Common Stock
At May 24, 2018	\$ 34.25	\$ 48.08
At July 26, 2018	\$ 37.00	\$ 51.38

The market value of Emclair common stock will fluctuate prior to the merger. Community First shareholders should obtain current market quotations for Emclair common stock. You can get these quotations from the Internet or by calling your broker.

The Merger Will Be Accounted for as a “Business Combination” (page 74)

The merger will be treated as a “business combination” using the acquisition method of accounting with Emclair treated as the acquirer under United States generally accepted accounting principles, or GAAP.

Special Meeting of Community First Shareholders (page 29)

Community First plans to hold the Community First special meeting on September 20, 2018, at 11:00 a.m., local time, at its Operations Center located at 432 East Main Street, Reynoldsville, Pennsylvania. At the Community First special meeting, Community First shareholders will be asked to approve and adopt the merger agreement and the transactions contemplated thereby, and to approve a proposal to allow the Community First special meeting to be adjourned or postponed, if necessary or appropriate, to permit the solicitation of additional proxies in favor of approval and adoption of the merger agreement.

Community First shareholders may vote at the Community First special meeting if they owned Community First common stock at the close of business on July 23, 2018, which is the record date for the Community First special meeting. As of that date, there were 367,132 shares of Community First common stock outstanding and entitled to vote. Community First shareholders are entitled to cast one vote for each share of Community First common stock owned on the record date.

Pursuant to Pennsylvania banking law and the terms of the Community First Bank preferred stock, the vote of the holders of the Community First Bank preferred stock is not required. Community First, as the sole holder of the outstanding voting stock of Community First Bank, intends to approve the bank merger agreement by written consent and, thus, no meeting of shareholders of Community First Bank will be held to approve the bank merger agreement. Community First’s Board of Directors Recommends That Community First Shareholders Vote “FOR” Approval and Adoption of the Merger Agreement and the Transactions Contemplated Thereby (page 41)

Community First’s board of directors has approved the merger agreement and the transactions contemplated thereby, including the merger, and unanimously recommends that Community First shareholders vote “FOR” approval and adoption of the merger agreement and the transactions contemplated thereby, including the merger, and “FOR” the proposal to allow the Community First special meeting to be adjourned or postponed, if necessary or appropriate, to permit the solicitation of additional proxies in favor of the approval and adoption of the merger agreement.

Community First’s Directors and Executive Officers Have Interests in the Merger that Differ From Your Interests (page 59)

In considering the information contained in this proxy statement/information statement/prospectus, Community First shareholders should be aware that Community First’s directors and executive officers have interests in the merger and have arrangements that are different from, or in addition to, those of Community First’s shareholders. These interests and arrangements may create potential conflicts of interest. These interests include:

TABLE OF CONTENTS

- three executive officers of Community First Bank will receive lump sum cash payments aggregating approximately \$1.3 million pursuant to their executive employment agreements with Community First Bank in connection with completion of the merger and the termination of their employment;
- three executive officers of Community First Bank will receive payments of \$1,000 per month for 20 years pursuant to their supplemental executive retirement plan agreements with Community First Bank, with such payments commencing within 90 days following their termination of employment;
- two executive officers of Community First Bank are expected to be retained as consultants upon completion of the merger through December 31, 2018 at a consulting fee of \$10,000 per month;
- two current directors of Community First and Community First Bank will become members of the boards of directors of Emclave and Farmers National; and
- provisions in the merger agreement which provide the directors and officers of Community First and its subsidiaries with continued indemnification and directors' and officers' liability insurance coverage following completion of the merger.

Community First's board of directors was aware of these interests and took them into account in its decision to declare advisable the merger agreement and the transactions contemplated thereby, including the merger, and recommend that Community First shareholders approve and adopt the merger agreement. For a more complete description of these interests, see "The Merger — Interests of Community First's Directors and Executive Officers in the Merger that are Different from Yours" and "The Merger Agreement — Indemnification and Insurance."

Ownership of Emclave Common Stock Following the Merger (page 83)

It is currently expected that former shareholders of Community First as a group will receive shares in the merger constituting approximately 15.6% of the shares of Emclave common stock to be outstanding immediately after completion of the merger. As a result, current shareholders of Emclave as a group will own approximately 84.4% of the outstanding shares of Emclave common stock immediately after the completion of the merger.

Community First Shareholders Have Dissenters' Rights in the Merger (page 60)

Under Pennsylvania law, record holders of Community First shares have the right to dissent from the merger and receive a payment in cash for the "fair value" of their shares of Community First common stock as determined by an appraisal process. To exercise those dissenters' rights, Community First shareholders must follow exactly the procedures specified under Pennsylvania law. These procedures are summarized in this proxy statement/information statement/prospectus. In addition, the text of the applicable provisions of Pennsylvania law is included as Annex C to this document. Failure to strictly comply with these provisions may result in the loss of dissenters' rights. The value determined in the appraisal process may be more or less than the value a Community First shareholder would receive in the merger if the shareholder did not dissent.

Under Pennsylvania banking law, preferred shareholders of Community First Bank do not have dissenters' or appraisal rights in the bank merger.

Community First Has Agreed When and How It Can Consider Third-Party Acquisition Proposals (page 69)

Emclave and Community First have agreed that Community First will not initiate, solicit, induce or encourage proposals from third parties regarding certain acquisitions of Community First, its shares, or its businesses, take any action or facilitate the making of an acquisition proposal, or engage in related discussions, negotiations or enter into any related agreements. However, Community First may (1) provide information in response to a request from a person who makes an unsolicited acquisition proposal, subject to such person entering into a confidentiality agreement

that is no less favorable to Community First than its confidentiality agreement with Emclair, and (2) engage or participate in discussions or negotiations with a person who makes such an unsolicited acquisition proposal; if, but only if, (A) Community First has

10

TABLE OF CONTENTS

received a bona fide unsolicited written acquisition proposal that did not result from a breach of the merger agreement, (B) prior to taking any such action, Community First's board of directors determines, in good faith, after consultation with its outside legal and financial advisors, that the acquisition proposal constitutes or is reasonably likely to lead to a superior proposal compared to the transactions contemplated by the merger agreement, (C) prior to furnishing or affording access to any information or data with respect to Community First or any of its subsidiaries or otherwise relating to the unsolicited acquisition proposal, Community First receives a confidentiality agreement with terms no less favorable to Community First than those contained in the confidentiality agreement between Emclaire and Community First, and (D) the board of directors of Community First determines in good faith, after consultation with its outside legal counsel, that the failure to take any such actions would be reasonably likely to violate its fiduciary duties under applicable laws. Community First is required to provide Emclaire with notice of such determination within three business days after making such determination.

Additionally, prior to the approval of the merger agreement by Community First's shareholders, upon the determination by Community First's board of directors that an unsolicited acquisition proposal constitutes a superior proposal compared to the transactions contemplated by the merger agreement, the board of directors of Community First may change its recommendation in favor of the merger agreement (but not terminate the merger agreement) if, prior to changing its recommendation, (1) Community First's board of directors determines, in good faith, after consultation with its outside legal and financial advisors, that failure to change its recommendation would be reasonably likely to be inconsistent with its fiduciary duties to Community First's shareholders, (2) Community First provides Emclaire with notice that Community First's board of directors intends to or may change its recommendation and provides an opportunity for Emclaire to make an improved proposal, and (3) Community First's board of directors determines, in good faith, after consultation with its outside legal and financial advisors, that the acquisition proposal constitutes a superior proposal compared to any such improved proposal by Emclaire.

Unless the merger agreement is terminated before the Community First special meeting, Community First is required to submit the merger agreement to its shareholders.

Merger Requires Approval and Adoption of the Merger Agreement by Community First Shareholders ([page 32](#))

Approval and adoption of the merger agreement requires the affirmative vote of the holders of at least 51% of the shares of Community First common stock outstanding and entitled to vote at the Community First special meeting of shareholders. Community First's board of directors and executive officers have agreed to vote in favor of the merger. As of the record date for the Community First special meeting, Community First's directors and executive officers beneficially owned 117,393 shares, or approximately 32.0% of the outstanding shares of Community First common stock.

Conditions That Must Be Satisfied or Waived for the Merger to Occur ([page 72](#))

Currently, Emclaire and Community First expect to complete the merger in the fourth quarter of 2018. As more fully described elsewhere in this proxy statement/information statement/prospectus and in the merger agreement, the completion of the merger depends on a number of conditions being satisfied or, where legally permissible, waived.

These conditions include, among others:

- the approval and adoption of the merger agreement by the requisite vote of Community First shareholders and approval of the bank merger agreement by Community First as the sole voting shareholder of Community First Bank;
- the receipt and effectiveness of all governmental and other approvals, authorizations and consents on terms and conditions that would not have a material adverse effect on Emclaire and Community First, and the expiration of all related waiting periods required to complete the merger;
- the receipt by each of Emclaire and Community First of a legal opinion with respect to certain United States federal income tax consequences of the merger;

TABLE OF CONTENTS

- the absence of any law, statute, rule, regulation, order, decree, injunction or other order by any court or other governmental entity, which enjoins or prohibits completion of the merger or the bank merger;
- the effectiveness of the registration statement, of which this proxy statement/information statement/prospectus is a part, with respect to the Emclaire common and preferred stock to be issued in connection with the merger under the Securities Act and the absence of any stop order or proceedings initiated or threatened by the SEC or any state securities commissioner (with respect to any applicable state securities laws) for that purpose;
- the exercise of dissenters' rights by holders of Community First common stock not exceeding 10.0%;
- the absence of any change that individually or in the aggregate has a material adverse effect with respect to Emclaire or Community First;
- Emclaire shall have taken all requisite corporate action in order to elect two current directors of Community First to the boards of directors of Emclaire and Farmers National, effective as of the effective time of the merger;
- the truth and correctness of the representations and warranties of each other party in the merger agreement, subject to the materiality standards provided in the merger agreement; and
- the performance by each party in all material respects of their obligations under the merger agreement and the receipt by each party of certificates from the other party to that effect.

We cannot be certain when, or if, the conditions to the merger will be satisfied or waived, or that the merger will be completed.

Termination of the Merger Agreement (page 73)

The merger agreement can be terminated at any time prior to completion by mutual consent, if authorized by each of the Emclaire and Community First boards of directors, or by either party individually, in the following circumstances:

- if the other party breaches the merger agreement in a way that would entitle the party seeking to terminate the agreement not to consummate the merger, unless the breach is capable of being cured by February 28, 2019 (the termination date of the merger agreement), and is actually cured within 30 days of notice of the breach;
- if the merger has not been completed by the termination date of February 28, 2019, unless the failure to complete the merger by that date is due to the breach of the merger agreement by the party seeking to terminate the merger agreement;
- if Community First's shareholders fail to approve and adopt the merger agreement at the Community First special meeting;
- if any of the required regulatory approvals are denied (and the denial is final and non-appealable); or

- if any court of competent jurisdiction or governmental authority issues an order, decree, ruling or takes any other action restraining, enjoining or otherwise prohibiting the merger or the bank merger (and such order, decree, ruling or action is final and non-appealable).

In addition, Emclaire's board of directors may terminate the merger agreement if the Community First board of directors receives a superior proposal and enters into a letter of intent, agreement in principle or an acquisition agreement with respect to such proposal, withdraws its recommendation of the merger agreement, fails to make such a recommendation or modifies or qualifies its recommendation, in a manner adverse to Emclaire, or has otherwise made a determination to accept such proposal or the board of directors of Community First Bank has terminated the bank merger agreement, withdrawn its recommendation that shareholders of Community First Bank approve the bank merger agreement or if such recommendation is not made or is modified or qualified in a manner adverse to Emclaire.

12

TABLE OF CONTENTS

Further, Community First's board of directors may terminate the merger agreement if Community First has received a superior proposal and has made a determination to accept such proposal.

Community First may also terminate the merger agreement at any time during the three-day period following the tenth calendar day immediately prior to the effective time of the merger, or if such calendar day is not a trading day on the NASDAQ Capital Market, the trading day immediately preceding such calendar day (the "determination date"), if Community First's board determines that each of the following have occurred:

- the average of the daily closing sale prices of a share of Emclaire common stock as reported on NASDAQ Capital Market for the 20 consecutive trading days immediately preceding the determination date is less than \$27.0419; and

- the decrease in the price of Emclaire common stock is 17.5% greater than the decrease in the SNL MicroCap U.S. Bank Index during the same period.

However, if Community First chooses to exercise this termination right, Emclaire has the option, within five business days of receipt of notice from Community First, to adjust the merger consideration and prevent termination under this provision.

Termination Fee (page 74)

Community First will be obligated to pay Emclaire a termination fee of \$750,000 under the following circumstances:

- if the merger agreement is terminated by Emclaire because Community First has received a superior proposal and Community First entered into an acquisition agreement with respect to the superior proposal, terminated the merger agreement, or withdrew the Community First recommendation to its shareholders, failed to make the Community First recommendation or modified or qualified the Community First recommendation in a manner adverse to Emclaire;

- if the merger agreement is terminated by Community First because Community First received and made a determination to accept a superior proposal; or

- if Community First enters into a definitive agreement relating to an acquisition proposal or the consummation of an acquisition proposal involving Community First within twelve (12) months after the occurrence of any of the following: (a) the termination of the merger agreement by Emclaire pursuant to a willful material breach of a representation, warranty, covenant or other agreement by Community First or (b) because of the failure of the shareholders of Community First to approve the merger agreement.

Regulatory Approvals Required for the Merger (page 58)

Each of Emclaire and Community First has agreed to cooperate with the other and use all reasonable efforts to obtain all regulatory approvals or non-objections required to complete the transactions contemplated by the merger agreement, including the merger. These include approvals from Office of the Comptroller of the Currency, or OCC, and the Pennsylvania Department of Banking and Securities, or Pennsylvania Department, and notice to and non-objection from the Board of Governors of the Federal Reserve System, or FRB. Emclaire and Community First have completed, or will complete, the filing of applications and notifications to obtain the required regulatory approvals and non-objections. Although Emclaire and Community First do not know of any reason why these regulatory approvals cannot be obtained in a timely manner, Emclaire and Community First cannot be certain when or if they will be obtained.

The Rights of Community First Shareholders Following the Merger Will Be Different (page 128)

The rights of Emclaire shareholders are governed by Pennsylvania law and by Emclaire's articles of incorporation and bylaws. The rights of Community First shareholders are governed by Pennsylvania law and by Community First's articles of incorporation and bylaws. Upon the completion of the merger, the

TABLE OF CONTENTS

rights of Emclaire's shareholders will be governed by Pennsylvania law and Emclaire's articles of incorporation and bylaws. Certain provisions of Emclaire's articles of incorporation and bylaws provide Emclaire shareholders with different rights than provided by Community First's articles of incorporation and bylaws.

The Rights of Community First Bank Preferred Shareholders Following the Bank Merger Will Be Different (page 135)

The rights of preferred shareholders of Community First Bank are primarily governed by the terms of the Community First Bank preferred stock. Upon completion of the merger and bank merger, the rights of the preferred shareholders will be primarily governed by the terms of the Emclaire preferred stock, which have certain difference from the terms of the Community First Bank preferred stock.

Risk Factors (page 16)

You should consider all the information contained in this proxy statement/information statement/prospectus in deciding how to vote for the proposals presented in this proxy statement/information statement/prospectus. In particular, you should consider the factors described under "Risk Factors."

14

TABLE OF CONTENTS**SELECTED FINANCIAL AND OTHER DATA OF EMCLAIRE**

The following summary presents Selected Financial and Other Data of Emclaire as of and for the periods indicated. The financial data as of and for the years ended December 31, 2017 and 2016 has been derived from Emclaire's audited financial statements included in this proxy statement/information statement/prospectus. The information as of and for the years ended December 31, 2015, 2014 and 2013 is derived from Emclaire's audited financial statements which are not included in this proxy statement/ information statement/prospectus. The financial data as of and for the three months ended March 31, 2018 and 2017 has been derived from Emclaire's unaudited consolidated financial statements which are also included in this proxy statement/information statement/prospectus. The information as of March 31, 2018 and for the three months ended March 31, 2018 and 2017 is unaudited and reflects only normal recurring adjustments that are, in the opinion of Emclaire's management, necessary for a fair presentation of the result for the interim periods presented. The results of operations for the three months ended March 31, 2018 are not necessarily indicative of the results to be achieved by Emclaire for all of 2018 or for any other period.

(Dollar amounts in thousands, except share data)	As of March 31, 2018	As of December 31,					2013

TABLE OF CONTENTS

RISK FACTORS

In addition to general investment risks and the other information contained in this proxy statement/ information statement/prospectus, including the matters addressed under the heading “Cautionary Statement Regarding Forward-Looking Statements,” you should carefully consider the following risk factors in deciding how to vote on the proposals presented in this proxy statement/information statement/prospectus.

Risk Factors Related to the Merger

Because the market price of Emclaire common stock will fluctuate, Community First shareholders cannot be sure of the exact market value of the Emclaire common stock they may receive.

Upon completion of the merger, each share of Community First common stock will be converted into the right to receive merger consideration consisting of shares of Emclaire common stock and cash pursuant to the terms of the merger agreement. The market value of the Emclaire common stock constituting a portion of the merger consideration may vary from the closing price of Emclaire common stock on the date the parties initially announced the merger, on the date that this proxy statement/information statement/prospectus was first mailed or delivered to Community First shareholders, on the date of the special meeting of the Community First shareholders, on the date the merger is completed and thereafter. Any change in the market price of Emclaire common stock prior to completion of the merger will affect the market value of the portion of the merger consideration consisting of Emclaire shares.

Accordingly, at the time of the special meeting of Community First shareholders, Community First shareholders will not know or be able to calculate the market value of the Emclaire common stock constituting the stock portion of the merger consideration that Community First shareholders will receive upon completion of the merger. Except as described in the next sentence, Community First is not permitted to terminate the merger agreement or re-solicit the vote of Community First shareholders solely because of changes in the market prices of Emclaire’s stock. However, Community First may have the right to terminate the merger agreement if both of the following conditions are satisfied: (i) the average closing price of Emclaire common stock for the 20 consecutive trading days ending on the tenth calendar day immediately prior to the effective date of the merger is less than \$27.0419, and (ii) the decrease in the price of the Emclaire common stock is 17.5% greater than the decrease in the SNL MicroCap U.S. Bank Index during the same period.

Stock prices may change as a result of a variety of factors, including general market and economic conditions, changes in Emclaire’s business, operations and prospects, and regulatory considerations. Many of these factors are beyond the control of Emclaire. You should obtain current market quotations for shares of Emclaire common stock.

The market price of Emclaire common stock following the completion of the merger may be affected by factors different from those currently affecting the shares of Emclaire or Community First.

Upon completion of the merger, holders of Community First common stock will become holders of Emclaire common stock. Emclaire’s business and operations differ in certain important respects from that of Community First and, accordingly, the results of operations of the combined company and the market price of Emclaire common stock following completion of the merger may be affected by factors different from those currently affecting the independent results of operations of each of Emclaire and Community First.

For a discussion of the business of Community First, see “Information about Community First Bancorp, Inc.” on page 80. For a discussion of the business of Emclaire and of certain factors to consider in connection with that business, see “Information about Emclaire Financial Corp” beginning on page 83.

Community First will be subject to business uncertainties and contractual restrictions while the merger is pending. Uncertainty about the effect of the merger on employees and customers may have an adverse effect on Community First and, consequently, on Emclaire. These uncertainties may impair Community First’s ability to attract, retain and motivate key personnel until the merger is consummated, and could cause customers and others that have business dealings with Community First to seek to terminate or change their

TABLE OF CONTENTS

existing business relationships with Community First. Retention of certain employees may be challenging during the pendency of the merger, as certain employees may experience uncertainty about their future roles with the combined company. If key employees depart prior to the completion of the merger or decide not to remain with the combined company following completion of the merger, Emclair's business following the merger could be adversely affected. In addition, the merger agreement restricts Community First from making certain acquisitions and taking other specified actions until the merger occurs without the consent of Emclair. These restrictions may prevent Community First from pursuing attractive business opportunities that may arise prior to the completion of the merger.

Please see "The Merger Agreement — Covenants and Agreements" beginning on page 66 for a description of the restrictive covenants to which Community First is subject.

Combining the two companies may be more difficult, costly or time-consuming than expected and the anticipated benefits and cost savings of the merger may not be realized.

Community First has operated and, until the completion of the merger, will continue to operate, independently. The challenges involved in combining the operations of the two companies include, among other things, integrating personnel with diverse business backgrounds, combining different corporate cultures, and retaining key employees. It is possible that the integration process could result in the loss of key employees or disruption of each company's ongoing business or inconsistencies in standards, controls, procedures and policies that adversely affect Emclair's and Community First's ability to maintain relationships with customers and employees or to achieve the anticipated benefits of the merger. The integration of the two companies will likely require the experience and expertise of certain key employees of Community First. Emclair may not be successful in retaining these employees for the time period necessary to successfully integrate Community First's operations with those of Emclair. In addition, as with any merger of banking institutions, there also may be business disruptions that cause us to lose customers or cause customers to take their deposits out of Farmers National or Community First Bank. The success of the combined company following the merger may depend in large part on the ability to integrate the two businesses, business models and cultures. Emclair may not be able to successfully achieve the level of cost savings, revenue enhancements, and other anticipated synergies, and may not be able to capitalize upon the existing customer relationships of Community First to the extent anticipated, or it may take longer, or be more difficult or expensive than expected to achieve these goals. If Emclair is not able to integrate Community First's operations successfully and in a timely manner, the expected benefits of the merger may not be realized, and this could have an adverse effect on Emclair's business, results of operation and stock price.

Regulatory approvals may not be received, may take longer than expected or impose conditions that are not currently anticipated.

Before the transactions contemplated by the merger agreement, including the merger, may be completed, various approvals, consents or non-objections must be obtained from the OCC, the Pennsylvania Department and the FRB. These governmental entities may impose conditions on the completion of the merger or require changes to the terms of the merger agreement. Although Emclair and Community First do not currently expect that any such conditions or changes will be imposed, there can be no assurance that they will not be, and such conditions or changes could have the effect of delaying completion of the transactions contemplated by the merger agreement or imposing additional costs on or limiting the revenues of Emclair, any of which might have a material adverse effect on Emclair following the merger. There can be no assurance as to whether the necessary regulatory approvals will be received, the timing of those approvals, or whether any non-standard and/or non-customary conditions will be imposed.

The merger agreement limits Community First's ability to pursue alternatives to the merger.

The merger agreement includes provisions that limit Community First's ability to pursue alternative proposals from third parties to acquire all or a significant part of Community First. Subject to certain specified exceptions, these "no shop" provisions limit Community First's ability to discuss, facilitate or commit to competing third-party acquisition proposals. In addition, a termination fee would be payable by Community First to Emclair under certain circumstances, generally involving a determination by

TABLE OF CONTENTS

Community First to pursue an alternative transaction. These provisions could discourage a potential competing acquiror that might have an interest in acquiring all or a significant part of Community First from considering or proposing an acquisition, even if it were prepared to pay consideration with a higher per share value than that proposed to be paid by Emclaire to Community First shareholders in the merger, or might result in a potential competing acquiror proposing to pay a lower per share price to acquire Community First than it might otherwise have proposed to pay.

If the conditions to the merger are not met or waived, the merger will not occur.

Specified conditions in the merger agreement must be satisfied or waived in order to complete the merger, including shareholder approval of the merger agreement by the shareholders of Community First at its special meeting. Emclaire and Community First cannot assure you that each of the conditions will be satisfied or waived. If the conditions are not satisfied or waived, the merger will not occur or will be delayed, which could cause some or all of the intended benefits of the merger to be lost and could adversely affect the value of Emclaire's and/or Community First's shares.

The merger may be completed even though Emclaire or Community First experiences adverse changes in its business. In general, either Emclaire or Community First may refuse to complete the merger if the other party suffers a material adverse effect on its business prior to the closing of the merger. However, certain types of changes or occurrences with respect to Emclaire or Community First would not prevent the merger from going forward, even if the change or occurrence would have adverse effects on Emclaire or Community First, including the following:

- changes in laws and regulations affecting banks or their holding companies generally, or interpretations thereof by courts or governmental entities, if such changes do not have a disproportionate impact on the affected company;
- changes in GAAP or regulatory accounting principles generally applicable to financial institutions and their holding companies, if such changes do not have a disproportionate impact on the affected company;
- actions and omissions of Emclaire or Community First with the prior written consent of the other party;
- changes or effects from the announcement of the merger agreement and the transactions contemplated thereby, and compliance by the parties with the merger agreement on the business, financial condition or results of operations of the parties;
- changes in national or international political or social conditions including the engagement by the United States in hostilities, the occurrence of any military or terrorist attack upon or within the United States, or any of its territories, possessions or diplomatic or consular offices or upon any military installation, equipment or personnel of the United States, if such changes do not have a disproportionate impact on the affected company;
- changes in economic, financial market, or geographic conditions in general, including changes in economic or financial markets or changes in interest rates; if such changes do not have a disproportionate impact on the affected company;
- any legal action asserted or other actions initiated by any Community First or Emclaire shareholder arising out of or related to the merger agreement; and
-

any failure, in and of itself, of Emclaire or Community First to meet any internal projections, forecasts or revenue or earnings projections.

In addition, either Emclaire or Community First could waive the closing condition related to the occurrence of any material adverse effect on the other party and the merger would be completed even if a material adverse effect were to occur of a type that would otherwise allow a party to terminate the merger agreement or refuse to complete the merger.

18

TABLE OF CONTENTS

If the merger is not consummated by February 28, 2019, either Emclaire or Community First may choose not to proceed with the merger.

Either Emclaire or Community First may terminate the merger agreement if the merger has not been completed by February 28, 2019, unless the failure of the merger to be completed has resulted from the material failure of the party seeking to terminate the merger agreement to perform its obligations.

Termination of the merger agreement or failure to complete the merger could negatively impact Community First. If the merger agreement is terminated or the merger is not completed for any reason, there may be various adverse consequences to Community First. For example, Community First's businesses may have been impacted adversely by the failure to pursue other potentially beneficial opportunities due to the focus of its management team on the merger, without realizing any of the anticipated benefits of completing the merger.

If the merger agreement is terminated and Community First's board of directors seeks another merger or business combination, Community First shareholders cannot be certain that Community First will be able to find a party willing to pay an equivalent or higher price than the price Emclaire has agreed to pay in the merger. Furthermore, under certain circumstances, Community First will be obligated to pay Emclaire a termination fee of \$750,000 if the merger agreement is terminated.

Please see "The Merger Agreement — Termination of the Merger Agreement" on page 73 and "The Merger Agreement — Termination Fee" on page 74.

Community First's directors and executive officers have interests in the merger that differ from the interests of Community First's shareholders generally.

Community First's shareholders should be aware that Community First's directors and executive officers have interests in the merger and have arrangements that are different from, or in addition to, those of Community First's shareholders including (1) the right of three executive officers to receive lump sum cash payments aggregating approximately \$1.3 million when their employment is terminated upon completion of the merger, (2) the supplemental retirement payments of \$1,000 per month to be paid to the three executive officers for a period of 20 years, (3) two executive officers of Community First Bank are expected to be retained as consultants upon completion of the merger through December 31, 2018 at a consulting fee of \$10,000 per month, (4) two directors of Community First and Community First Bank will become members of the boards of directors of Emclaire and Farmers National, and (5) provisions in the merger agreement relating to continued indemnification and insurance coverage by Emclaire for acts or omissions occurring prior to the merger. These interests and arrangements may create potential conflicts of interest and may have influenced the directors and executive officers of Community First to support or approve the merger. Community First's board of directors was aware of these interests and considered these interests, among other matters, when making its decision to approve the merger agreement and recommend that Community First shareholders approve and adopt the merger agreement.

For a more complete description of these interests, please see "The Merger — Interests of Community First's Directors and Executive Officers in the Merger that are Different From Yours" beginning on page 59.

The shares of Emclaire common stock to be received by Community First shareholders as consideration in the merger will have different rights from the shares of Community First common stock currently held by them.

The rights associated with Community First common stock are different from the rights associated with Emclaire common stock in certain significant respects. Upon completion of the merger, Community First shareholders will become Emclaire shareholders and their rights as shareholders will be governed by Pennsylvania law and the articles of incorporation and bylaws of Emclaire.

Please see "Comparison of Shareholders Rights of Emclaire and Community First Common Stock" beginning on page 128 for a discussion of the different rights associated with Emclaire common stock.

Holders of Community First common stock will have a reduced ownership and voting interest in the combined company after the merger and will exercise less influence over management.

Holders of Community First common stock currently have the right to vote in the election of the board of directors and the power to approve or reject any matters requiring shareholder approval under

TABLE OF CONTENTS

Pennsylvania law and Community First's articles of incorporation and bylaws. Upon completion of the merger, Community First shareholders will become Emclaire shareholders, with a percentage ownership of Emclaire that is considerably smaller than such shareholder's current percentage ownership of Community First. Based on the number of shares of Community First and Emclaire common stock outstanding on July 23, 2018 and based on the shares of common stock expected to be issued by Emclaire in the merger, the former shareholders of Community First as a group will receive shares of Emclaire common stock in the merger constituting approximately 15.6% of the outstanding shares of Emclaire common stock immediately following completion of the merger. As a result, current Community First shareholders will have significantly less influence on the management and policies of Emclaire than they now have on the management and policies of Community First.

The merger may fail to qualify as a tax-free reorganization under the Internal Revenue Code.

The merger of Community First into Emclaire has been structured to qualify as a tax-free reorganization under Section 368(a) of the Code. The closing of the merger is conditioned upon the receipt by each of Emclaire and Community First of an opinion of its respective tax advisor, each dated as of the effective date of the merger, substantially to the effect that, on the basis of facts, representations and assumptions set forth or referred to in that opinion (including factual representations contained in certificates of officers of Emclaire and Community First) which are consistent with the state of facts existing as of the effective date of the merger, the merger constitutes a reorganization under Section 368(a) of the Code. The tax opinions to be delivered in connection with the merger will not be binding on the Internal Revenue Service, referred to as the IRS, or the courts, and neither Community First nor Emclaire intends to request a ruling from the IRS with respect to the United States federal income tax consequences of the merger. If the merger fails to qualify as a tax-free reorganization, a Community First shareholder would likely recognize gain or loss on each share of Community First exchanged for Emclaire common stock in the amount of the difference between the fair market value of the Emclaire common stock and cash received by the Community First shareholder in the exchange and the shareholder's basis in the Community First shares surrendered.

For federal income tax purposes, a Community First shareholder who receives a combination of cash and shares of Emclaire common stock in exchange for its Community First common stock generally will not recognize loss, but will recognize gain equal to the lesser of (1) the excess, if any, of the sum of the cash received and the fair market value of the Emclaire common stock received pursuant to the merger over that shareholder's adjusted tax basis in his or her shares of Community First common stock surrendered, and (2) the amount of cash consideration received by that shareholder pursuant to the merger.

See "Material United States Federal Income Tax Consequences of the Merger and Bank Merger" beginning on page 75 for a more detailed discussion of the federal income tax consequences of the transaction.

If the merger is not completed, Emclaire and Community First will have incurred substantial expenses without realizing the anticipated benefits of the merger.

Each of Emclaire and Community First has incurred and will incur substantial expenses in connection with the negotiation and completion of the transactions contemplated by the merger agreement, as well as the costs and expenses of filing, printing, and mailing this proxy statement/information statement/ prospectus, and all SEC filing fees and other fees payable in connection with the merger. The completion of the merger depends on the satisfaction of a variety of specified conditions, including the receipt of regulatory approvals and the approval of merger agreement by the shareholders of Community First. Neither Emclaire nor Community First can guarantee that these conditions will be met. If the merger is not completed, Emclaire and Community First would have to recognize these expenses without realizing the expected benefits of the merger, and such expenses could have an adverse impact on Emclaire's and/or Community First's financial condition and results of operations on a stand-alone basis.

Risks Relating to Emclaire's Business Following the Merger

Combining the two companies may be more difficult, costly or time-consuming than expected.

Emclaire and Community First have historically operated and, until the effective time of the merger, will continue to operate, independently. The success of the merger will depend, in part, on Emclaire's ability

TABLE OF CONTENTS

to successfully combine the businesses of Emclave and Community First. To realize these anticipated benefits, after the effective time of the merger, Emclave expects to integrate Community First's business into its own. It is possible that the integration process could result in the loss of key employees, the disruption of each company's ongoing businesses or inconsistencies in standards, controls, procedures and policies that adversely affect the combined company's ability to maintain relationships with clients, customers, depositors and employees or to achieve the anticipated benefits of the merger. The loss of key employees could adversely affect Emclave's ability to successfully conduct its business in the market in which Community First now operates, which could have an adverse effect on Emclave's financial results and the value of its common stock. If Emclave experiences difficulties with the integration process, the anticipated benefits of the merger may not be realized fully or at all, or may take longer to realize than expected. As with any merger of financial institutions, there also may be business disruptions that cause Community First or Emclave to lose current customers or cause current customers to remove their accounts from Community First Bank or Farmers National and move their business to competing financial institutions. Integration efforts between the two companies will also divert management attention and resources. These integration matters could have an adverse effect on each of Community First and Emclave during this transition period and for an undetermined period after consummation of the merger.

Emclave may fail to realize the cost savings estimated for the merger.

Emclave estimates that it will achieve cost savings from the merger when the two companies have been fully integrated. While Emclave continues to be comfortable with these expectations as of the date of this proxy statement/information statement/prospectus, it is possible that the estimates of the potential cost savings could turn out to be incorrect.

The actual integration may result in additional and unforeseen expenses, and the anticipated benefits of the integration plan may not be realized. Actual growth and cost savings, if achieved, may be lower than what Emclave expects and may take longer to achieve than anticipated. If Emclave is not able to adequately address integration challenges, Emclave may be unable to successfully integrate Emclave's and Community First's operations or to realize the anticipated benefits of the integration of the two companies.

Risks Related to the Ownership of Emclave Common Stock

The price of Emclave common stock may fluctuate significantly, which may make it difficult for investors to sell shares of common stock at time or prices they find attractive.

Emclave's stock price may fluctuate significantly as a result of a variety of factors, many of which are beyond Emclave's control. These factors include, in addition to those described in the section titled "Cautionary Statement About Forward Looking Statements":

- actual or anticipated quarterly fluctuations in Emclave's operating results and financial condition;
- changes in financial estimates or publication of research reports and recommendations by financial analysts or actions taken by rating agencies with respect to Emclave or other financial institutions;
- speculation in the press or investment community generally or relating to Emclave's reputation or the financial services industry;
- strategic actions by Emclave or its competitors, such as acquisitions, restructurings, dispositions or financings;
- fluctuations in the stock price and operating results of Emclave's competitors;
- future sales of Emclave's equity or equity-related securities;

- proposed or adopted regulatory changes or developments;
- anticipated or pending investigations, proceedings, or litigation that involve or affect Emclaire;

TABLE OF CONTENTS

- domestic and international economic factors unrelated to Emclair's performance; and

- general market conditions and, in particular, developments related to market conditions for the financial services industry.

In addition, in recent years, the stock market in general has experienced extreme price and volume fluctuations. This volatility has had a significant effect on the market price of securities issued by many companies, including for reasons unrelated to their operating performance. These broad market fluctuations may adversely affect Emclair's stock price, notwithstanding its operating results. Emclair expects that the market price of its common stock will continue to fluctuate and there can be no assurances about the levels of the market prices for Emclair's common stock in the future.

Emclair may issue additional equity securities, or engage in other transactions which dilute its book value or affect the priority of its common stock, which may adversely affect the market price of Emclair common stock.

Emclair's board of directors may determine from time to time that it needs to raise additional capital by issuing additional shares of common stock or other securities. Emclair is not restricted from issuing additional shares of common stock, including securities that are convertible into or exchangeable for, or that represent the right to receive, common stock. Because Emclair's decision to issue securities in any future offering will depend on market conditions and other factors beyond its control, Emclair cannot predict or estimate the amount, timing or nature of any future offerings, or the prices at which such offerings may be affected. Such offerings could be dilutive to common shareholders. New investors also may have rights, preferences and privileges that are senior to, and that adversely affect, Emclair's then current common shareholders.

Furthermore, if Emclair raises additional capital by making additional offerings of debt or preferred equity securities, upon liquidation, holders of its debt securities and shares of preferred stock, and lenders with respect to other borrowings, will receive distributions of Emclair's available assets prior to the holders of Emclair's common stock. Additional equity offerings may dilute the holdings of Emclair's existing stockholders or reduce the market price of Emclair common stock, or both. Holders of Emclair's common stock are not entitled to preemptive rights or other protections against dilution.

You may not be able to profit from the sale or a merger of Emclair because of provisions in Emclair's charter documents and other laws and regulations.

Emclair's articles of incorporation and bylaws contain provisions that may make it difficult for someone to acquire control of Emclair. These provisions may discourage takeover attempts and prevent you from receiving a premium over the market price of your shares as part of a takeover. See "Description of Emclair Capital Stock — Anti-Takeover Effects of Certain Provisions of Emclair's Charter Documents and Law" beginning on page 126.

Risks Related to the Ownership of Emclair Preferred Stock

The Emclair preferred stock to be received by preferred shareholders of Community First Bank in the bank merger will not be listed or traded on any exchange.

The preferred stock to be issued by Emclair to preferred shareholders of Community First Bank in the bank merger will not be listed or traded on any exchange. No market is expected to develop for the Emclair preferred stock in the foreseeable future and holders of the Emclair preferred stock may not be able to find a buyer and sell their shares if they desired to do so.

Dividends payable of the Emclair preferred stock are non-cumulative and are only paid if declared by the Emclair board of directors.

Dividends on the shares of Emclair preferred stock to be issued are non-cumulative, as are the shares of Community First Bank preferred stock. If the Emclair board of directors does not declare a dividend during any dividend period, it never has to be paid. If Emclair fails to fully pay, or to declare and set apart for full payment, dividends on the shares of any series of Emclair preferred stock for two dividend periods

TABLE OF CONTENTS

(whether consecutive or not), the holders of the series of Emclaire preferred stock will acquire the right, acting as a class together with the holders of any other shares of capital stock then having the right to vote for the election of directors due solely to the failure to pay dividends, to appoint 20% of the total number of directors (rounded to the next whole number) after giving effect to such appointment. In addition, directors appointed by the holders of Emclaire preferred stock will constitute 20% of the total number of members of each of the committees of the board of directors.

Risks Related to Emclaire's Business

The current economic environment poses significant challenges for Emclaire and could adversely affect Emclaire's financial condition and results of operations.

Emclaire is operating in a challenging and uncertain economic environment. Financial institutions continue to be affected by constrained financial markets. Dramatic declines in home prices after the financial crisis and increased foreclosures and unemployment, resulted in significant write-downs of asset values by financial institutions. The declines in real estate values, home sales volumes, and financial stress on borrowers as a result of the uncertain economic environment could have an adverse effect on Emclaire's borrowers or their customers, which could adversely affect Emclaire's financial condition and results of operations. A worsening of these conditions would likely exacerbate the adverse effects on Emclaire and others in the financial institutions industry. For example, further deterioration in local economic conditions in Emclaire's market could drive losses beyond that which is provided for in its allowance for loan losses.

Deterioration of economic conditions in Emclaire's geographic market area could hurt its business.

Emclaire is located in western Pennsylvania and its loans are concentrated in Butler, Clarion, Crawford, Jefferson and Venango Counties, Pennsylvania. Although Emclaire has diversified its loan portfolio into other Pennsylvania counties, and to a lesser extent, into other states, including West Virginia, the vast majority of Emclaire's loans remain concentrated in the five primary counties. As a result of this geographic concentration, Emclaire's financial results depend largely upon economic and real estate market conditions in these areas. Deterioration in economic or real estate market conditions in Emclaire's primary market areas could have a material adverse impact on the quality of its loan portfolio, the demand for its products and services, and Emclaire's financial condition and results of operations. Non-performing assets totaled \$4.0 million or 0.53% of total assets at March 31, 2018 compared to \$4.2 million or 0.56% of total assets at December 31, 2017 and \$3.6 million or 0.52% at December 31, 2016. Emclaire's allowance for loan losses was \$5.5 million or 1.06% of total loans at December 31, 2016, \$6.1 million or 1.05% of total loans at December 31, 2017 and \$5.9 million or 1.01% of total loans at March 31, 2018.

Emclaire's financial condition and results of operations would be adversely affected if its allowance for loan losses is not sufficient to absorb actual losses or if Emclaire was required to increase its allowance for loan losses.

Emclaire has established an allowance for loan losses that Emclaire believes is adequate to offset probable incurred losses on its existing loans. However, experience in the banking industry indicates that a portion of Emclaire's loans will become delinquent, that some of Emclaire's loans may only be partially repaid or may never be repaid and we may experience other losses for reasons beyond our control. Despite Emclaire's underwriting criteria and historical experience, Emclaire may be particularly susceptible to losses due to the geographic concentration of its loans and the concentration of higher risk loans, such as commercial real estate and commercial business loans. As a result, Emclaire may not be able to maintain its current levels of nonperforming assets and charge-offs. Although Emclaire believes that its allowance for loan losses is maintained at a level adequate to absorb probable incurred losses in its loan portfolio, these estimates of loan losses are necessarily subjective and their accuracy depends on the outcome of future events. If Emclaire needs to make significant and unanticipated increases in its loss allowance in the future, Emclaire's results of operations and financial condition would be materially adversely affected at that time.

Economic conditions and increased uncertainty in the financial markets could adversely affect Emclaire's ability to accurately assess the allowance for credit losses. Emclaire's ability to assess the creditworthiness of its customers or to estimate the values of its assets and collateral for loans will be reduced if the models and approaches Emclaire uses become less predictive of future behaviors, valuations,

TABLE OF CONTENTS

assumptions or estimates. Emclair estimates probable incurred losses in its loan portfolio, the adequacy of its allowance for loan losses and the values of certain assets by using estimates based on difficult, subjective, and complex judgments, including estimates as to the effects of economic conditions and how these economic conditions might affect the ability of its borrowers to repay their loans or the value of assets.

Emclair holds certain intangible assets that could be classified as impaired in the future. If these assets are considered to be either partially or fully impaired in the future, Emclair's earnings and the book values of these assets would decrease.

Emclair tests its goodwill and core deposit intangible assets for impairment on an annual basis. The impairment testing process considers a variety of factors, including the current market price of Emclair's common shares, the estimated net present value of its assets and liabilities and information concerning the terminal valuation of similarly situated insured depository institutions. It is possible that future impairment testing could result in a partial or full impairment of the value of Emclair's goodwill or core deposit intangible assets, or both. If an impairment determination is made in a future reporting period, Emclair's earnings and the book value of these intangible assets will be reduced by the amount of the impairment. At March 31, 2018, Emclair's goodwill and net core deposit intangibles amounted to \$10.3 million and \$4.4 million, respectively.

Liquidity risk could impair Emclair's ability to fund operations and jeopardize its financial condition.

Liquidity is essential to Emclair's business. An inability to raise funds through deposits, borrowings, and other sources, could have a substantial negative effect on its liquidity. Emclair's access to funding sources in amounts adequate to finance its activities on terms that are acceptable to it could be impaired by factors that affect Emclair specifically or the financial services industry or economy in general. Factors that could negatively impact Emclair's access to liquidity sources include a decrease in the level of Emclair's business activity as a result of a downturn in the markets in which its loans are concentrated, adverse regulatory action against Emclair, or Emclair's inability to attract and retain deposits. Emclair's ability to borrow could be impaired by factors that are not specific to it, such as a disruption in the financial markets or negative views and expectations about the prospects for the financial services industry in light of recent turmoil faced by banking organizations and the unstable credit markets.

Emclair's continued growth depends on its ability to meet minimum regulatory capital levels. Growth and shareholder returns may be adversely affected if sources of capital are not available to help Emclair meet them.

As Emclair grows, it will have to maintain its regulatory capital levels at or above the required minimum levels. If earnings do not meet Emclair's current estimates, if Emclair incurs unanticipated losses or expenses, or if Emclair grows faster than expected, Emclair may need to obtain additional capital sooner than expected, through borrowing, additional issuances of debt or equity securities, or otherwise. If Emclair does not have continued access to sufficient capital, Emclair may be required to reduce its level of assets or reduce its rate of growth in order to maintain regulatory compliance. Under those circumstances, Emclair's net income and the rate of growth of net income may be adversely affected. Additional issuances of equity securities could have a dilutive effect on existing shareholders. Changes in interest rates and other factors beyond Emclair's control could have an adverse impact on its financial performance and results.

By nature, all financial institutions are impacted by changing interest rates. Among other issues, changes in interest rates may affect the following:

- the demand for new loans;
- the value of Emclair's interest-earning assets;
- prepayment speeds experienced on various asset classes, particularly residential mortgage loans;
- credit profiles of existing borrowers;

- rates received on loans and securities;

TABLE OF CONTENTS

- Emclair's ability to obtain and retain deposits in connection with other available investment alternatives; and

- rates paid on deposits and borrowings.

Significant fluctuations in interest rates may have an adverse effect upon Emclair's financial condition and results of operations. The rates that Emclair earns on its assets and the rates that it pays on its liabilities are generally fixed for a contractual period of time. Emclair, like many financial institutions, has liabilities that generally have shorter contractual maturities than its assets. This imbalance can create significant earnings volatility, because market interest rates change over time. In a period of rising interest rates, the interest income earned on Emclair's assets may not increase as rapidly as the interest paid on Emclair's liabilities. In a period of declining interest rates, the interest income earned on Emclair's assets may decrease more rapidly than the interest paid on Emclair's liabilities. In addition, changes in interest rates can also affect the average life of Emclair's loans and mortgage-backed and related securities. A reduction in interest rates results in increased prepayments of loans and mortgage-backed and related securities, as borrowers refinance their debt in order to reduce their borrowing cost. This causes reinvestment risk. This means that Emclair may not be able to reinvest prepayments at rates that are comparable to the rates it earned on the prepaid loans or securities.

There are increased risks involved with commercial real estate and commercial business and consumer lending activities.

Emclair's lending activities include loans secured by commercial real estate. Commercial real estate lending generally is considered to involve a higher degree of risk than single-family residential lending due to a variety of factors, including generally larger loan balances and the dependency on successful operation of the project for repayment. Emclair's lending activities also include commercial business loans to small to medium businesses, which generally are secured by various equipment, machinery and other corporate assets, and a wide variety of consumer loans, including home equity and second mortgage loans, automobile loans and unsecured loans. Although commercial business loans and consumer loans generally have shorter terms and higher interest rates than mortgage loans, they generally involve more risk than mortgage loans because of the nature of, or in certain cases the absence of, the collateral which secures such loans.

In addition, Emclair has a concentration of higher balance commercial real estate and commercial business loans with a limited number of borrowers in its market area. As a result, Emclair has a greater risk of a significant loss due to such concentration and a greater risk of loan defaults in the event of an economic downturn in its market area as adverse economic changes may have a negative effect on the ability of Emclair's borrowers to make timely repayment of their loans.

Strong competition within Emclair's market area may limit its growth and profitability.

Competition in the banking and financial services industry is intense. In Emclair's market area, Emclair competes with commercial banks, savings institutions, mortgage brokerage firms, credit unions, finance companies, and other financial intermediaries operating locally and elsewhere. Some of Emclair's competitors have greater name recognition and market presence that benefits them in attracting business and offer certain services that Emclair does not provide. In addition, larger competitors may be able to price loans and deposits more aggressively than Emclair does, which could affect Emclair's ability to grow and remain profitable on a long term basis. Emclair's profitability depends upon its continued ability to successfully compete in its market area.

Emclair faces significant operational risks because the financial services business involves a high volume of transactions and increased reliance on technology, including risk of loss related to cyber-security breaches.

Emclair operates in diverse markets and relies on the ability of its employees and systems to process a high number of transactions and to collect, process, transmit and store significant amounts of confidential information regarding its customers, employees and others and concerning its own business, operations, plans and strategies. Operational risk is the risk of loss resulting from Emclair's operations, including but not limited to, the risk of fraud by employees or persons outside the company, the execution of

TABLE OF CONTENTS

unauthorized transactions by employees, errors relating to transaction processing and technology, systems failures or interruptions, breaches of internal control systems and compliance requirements, and business continuation and disaster recovery. Insurance coverage may not be available for such losses, or where available, such losses may exceed insurance limits. This risk of loss also includes the potential legal actions that could arise as a result of operational deficiencies or as a result of non-compliance with applicable regulatory standards or customer attrition due to potential negative publicity. In addition, Emclaire outsources some of its data processing to certain third-party providers. If these third-party providers encounter difficulties, including as a result of cyber-attacks or information security breaches, or if Emclaire has difficulty communicating with them, Emclaire's ability to adequately process and account for transactions could be affected, and its business operations could be adversely affected.

In the event of a breakdown in Emclaire's internal control systems, improper operation of systems or improper employee actions, or a breach of security systems, including if confidential or proprietary information were to be mishandled, misused or lost, Emclaire could suffer financial loss, face regulatory action, civil litigation and/or suffer damage to its reputation.

Government regulation will significantly affect Emclaire's business, and may result in higher costs and lower shareholder returns.

The banking industry is heavily regulated. Banking regulations are primarily intended to protect the federal deposit insurance funds and depositors, not shareholders. Emclaire and Farmers National are subject to extensive regulation, supervision and examination by federal, state and local governmental authorities, including the Board of Governors of the Federal Reserve System, or the Federal Reserve Board, and the OCC. The burden imposed by federal and state regulations puts banks at a competitive disadvantage compared to less regulated competitors such as finance companies, mortgage banking companies and leasing companies. Changes in the laws, regulations and regulatory practices affecting the banking industry may increase Emclaire's costs of doing business or otherwise adversely affect Emclaire and create competitive advantages for others. Regulations affecting banks and financial services companies undergo continuous change, and Emclaire cannot predict the ultimate effect of these changes, which could have a material adverse effect on its profitability or financial condition. Federal economic and monetary policy may also affect Emclaire's ability to attract deposits and other funding sources, make loans and investments, and achieve satisfactory interest spreads.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

Certain of the statements contained in this proxy statement/information statement/prospectus herein constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements include, but are not limited to, expectations or predictions of future financial or business performance, conditions relating to Emclaire and Community First, and the possible effects of the proposed merger of Emclaire and Community First. These forward-looking statements include statements with respect to Emclaire's and Community First's beliefs, plans, objectives, goals, expectations, anticipations, estimates and intentions, that are subject to significant risks and uncertainties, and are subject to change based on various factors (some of which are beyond Emclaire's and Community First's control). The words "may," "could," "should," "would," "will," "believe," "anticipate," "estimate," "expect," "intend," "plan" and similar expressions are intended to identify forward-looking statements.

In addition to factors previously disclosed in the reports filed by Emclaire with the SEC and those identified elsewhere in this proxy statement/information statement/prospectus, the following factors, among others, could cause actual results to differ materially from the plans, objectives, expectations, estimates and intentions expressed in such forward-looking statements:

- the ability to obtain regulatory approvals and satisfy other closing conditions to the merger, including approval by shareholders of Community First and Community First Bank, on the expected terms and schedule;
- delay in closing the merger;
- difficulties and delays in integrating the Community First business or fully realizing anticipated cost savings and other benefits of the merger;
- business disruptions following the merger;
- revenues following the merger may be lower than expected;
- deposit attrition, operating costs, customer loss and business disruption following the merger, including, without limitation, difficulties in maintaining relationships with employees, may be greater than expected;
- the strength of the United States economy in general and the strength of the local economies in which Emclaire and Community First conduct their operations;
- the effects of, and changes in, trade, monetary and fiscal policies and laws, including interest rate policies of the Federal Reserve Board;
- the downgrade, and any future downgrades, in the credit rating of the U.S. Government and federal agencies;
- inflation, interest rate, market and monetary fluctuations;
-

the timely development of and acceptance of new products and services and the perceived overall value of these products and services by users, including the features, pricing and quality compared to competitors' products and services;

- the willingness of users to substitute competitors' products and services for Emclaire's products and services;
- the success of Emclaire in gaining regulatory approval of its products and services, when required;
- the impact of changes in laws and regulations applicable to financial institutions (including laws concerning taxes, banking, securities and insurance);
- technological changes;
- additional acquisitions;
- changes in consumer spending and saving habits;

TABLE OF CONTENTS

- the nature, extent, and timing of governmental actions and reforms, including the implementation of Basel III, which may be changed unilaterally and retroactively by legislative or regulatory actions; and

- the success of Emclairé at managing the risks involved in the foregoing.

All subsequent written and oral forward-looking statements concerning the proposed transaction or other matters and attributable to directors of Emclairé or Community First or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements contained or referred to within this proxy statement/information statement/prospectus. Forward-looking statements speak only as of the date on which such statements are made. Emclairé and Community First undertake no obligation to update any forward-looking statement to reflect events or circumstances after the date on which such statement is made, or to reflect the occurrence of unanticipated events. In light of these risks, uncertainties and assumptions, the forward-looking statements discussed in this proxy statement/information statement/prospectus might not occur and you should not put undue reliance on any forward-looking statements.

Emclairé and Community First caution that the foregoing list of important factors is not exclusive. Readers are also cautioned not to place undue reliance on these forward-looking statements, which reflect Emclairé's and Community First's analysis only as of the date of this proxy statement/information statement/prospectus.

TABLE OF CONTENTS

COMMUNITY FIRST SPECIAL MEETING

This section contains information from Community First for Community First shareholders about the Community First special meeting. This proxy statement/information statement/prospectus is being mailed to each Community First shareholder on or about August 3, 2018. Together with this proxy statement/information statement/prospectus, Community First shareholders are also receiving a notice of the special meeting of Community First shareholders and a form of proxy that Community First's board of directors is soliciting for use at the Community First special meeting and at any adjournments or postponements thereof.

Date, Place and Time of the Meeting

The Community First special meeting will be held on September 20, 2018, at 11:00 a.m., local time, at the Operations Center of Community First Bank, located at 432 East Main Street, Reynoldsville, Pennsylvania 15851.

This proxy statement/information statement/prospectus also serves as a prospectus in connection with the issuance of shares of Emclair common stock to Community First shareholders upon completion of the merger.

Matters to Be Considered at Community First Special Meeting

At the special meeting, Community First shareholders will vote on a proposal to approve and adopt the merger agreement and the transactions contemplated thereby. You also may be asked to vote on a proposal to adjourn or postpone the special meeting, if necessary, to permit further solicitation of proxies if there are not sufficient votes at the time of the special meeting to approve the merger agreement.

Recommendation of Community First's Board of Directors

Community First's board of directors has approved the merger agreement and the transactions contemplated thereby, including the merger, and unanimously recommends that Community First shareholders vote "FOR" approval and adoption of the merger agreement and the transactions contemplated thereby.

Community First's board of directors also unanimously recommends that Community First shareholders vote "FOR" approval of the proposal to allow the Community First special meeting to be adjourned or postponed, if necessary or appropriate, to permit the solicitation of additional proxies in favor of the merger proposal.

Record Date for Community First Special Meeting

Community First's board of directors has fixed the close of business on July 23, 2018 as the record date for determining the Community First shareholders entitled to receive notice of and to vote at the Community First special meeting. Only Community First shareholders of record as of the record date are entitled to vote at the Community First special meeting. As of the record date, 367,132 shares of Community First common stock were issued and outstanding. Community First shareholders are entitled to one vote on each matter considered and voted on at the Community First special meeting for each share of Community First common stock held of record at the close of business on the record date.

Quorum; Vote Required

The presence, in person or by properly executed proxy, of the holders of a majority of the issued and outstanding shares of Community First common stock entitled to vote at the Community First special meeting is necessary to constitute a quorum at the Community First special meeting. For purposes of determining the presence of a quorum, abstentions will be counted as present for the purpose of determining whether a quorum is present.

Approval and adoption of the merger agreement requires the affirmative vote of the holders of at least 51% of the outstanding shares of Community First common stock at the Community First special meeting of shareholders, provided a quorum is present. A failure to vote by a Community First shareholder present at the meeting or an abstention from voting will have the same effect as a vote against the merger proposal.

TABLE OF CONTENTS

As of the record date for the Community First special meeting, Community First's directors and executive officers beneficially owned approximately 117,393 shares, or approximately 32.0%, of the outstanding shares of Community First common stock. In connection with Community First's entry into the merger agreement, Community First's directors and executive officers entered into voting and support agreements that require, among other things, the directors and executive officers to vote in favor of the approval of the merger agreement at the Community First special meeting.

As of the record date for the Community First special meeting, Emclaire, its subsidiaries, and its directors and officers and their affiliates owned 18,000 Community First shares, or 4.9% of the outstanding shares of Community First common stock.

Solicitation of Proxies for Community First Special Meeting

Community First's directors, officers and employees may solicit proxies personally, by telephone, by e-mail and by facsimile. Such directors, officers and employees will not receive any additional compensation for such solicitation activities.

It is important that any shares of Community First common stock you hold be represented at the Community First special meeting. Whether or not you plan to attend the Community First special meeting, Community First's board of directors asks that all holders of Community First common stock take the time to vote prior to the Community First special meeting by completing, signing, dating and returning the enclosed proxy card as soon as possible in the enclosed postage-paid envelope. If you attend the Community First special meeting and wish to vote in person, your proxy may be revoked at that time. Additional methods of revoking a proxy are described below.

Voting at Community First Special Meeting

Community First shareholders are entitled to one vote on each matter to be considered and voted on at the Community First special meeting for each share of Community First common stock held of record at the close of business on the record date for the Community First special meeting.

Each copy of this proxy statement/information statement/prospectus delivered to Community First shareholders is accompanied by a form of proxy card with instructions for voting. You should complete, sign and return the proxy card accompanying this proxy statement/information statement/prospectus, regardless of whether you plan to attend the Community First special meeting. To ensure your representation at the special meeting, Community First recommends that you vote by proxy even if you plan to attend the special meeting. You can always change your vote at the special meeting.

If you appropriately mark, sign and return the enclosed proxy in time to be voted at the Community First special meeting, the shares represented by the proxy will be voted in accordance with your instructions marked on the proxy. Valid proxies delivered by Community First shareholders that are executed but do not specify a vote on a particular matter will be voted "FOR" approval and adoption of the merger agreement and the transactions contemplated thereby and "FOR" the proposal to allow the adjournment or postponement of the Community First special meeting, if necessary. No matters other than the matters described in this proxy statement/information statement/prospectus are anticipated to be presented for action at the Community First special meeting or at any adjournment or postponement of the Community First special meeting. However, if other business properly comes before the Community First special meeting, the persons named as proxies on the Community First proxy card will, in their discretion, vote upon such matters in their best judgment.

If you own your shares of Community First common stock in "street name," your broker, bank or other nominee cannot vote your shares without instructions from you. You should instruct your broker, bank or other nominee as to how to vote your shares of Community First common stock, following the directions your broker, bank or other nominee provides to you. Please check the voting form used by your broker, bank or other nominee.

TABLE OF CONTENTS

Signing and returning the enclosed proxy will not affect a Community First shareholder's right to attend the Community First special meeting and vote in person. If you attend the Community First special meeting and wish to vote in person, your proxy may be revoked at that time. "Street name" shareholders of Community First who wish to vote in person at the Community First special meeting will need to obtain a legal proxy from the institution that holds their shares. Please note, however, that simply attending the Community First special meeting will not revoke a previously-submitted proxy; you must cast a new vote at the Community First special meeting in order to revoke your prior vote.

Revocation of Proxies for Community First Special Meeting

A Community First shareholder who has submitted a proxy may revoke it at any time before its exercise at the Community First special meeting by (i) giving written notice of revocation to Community First's Corporate Secretary, (ii) properly submitting to Community First a duly executed proxy bearing a later date, (iii) voting again by telephone or the Internet or (iv) attending the Community First special meeting and voting in person. Please note, however, that simply attending the Community First special meeting will not revoke a previously-submitted proxy; you must cast a new vote at the Community First special meeting in order to revoke your prior vote. All written notices of revocation and other communications with respect to revocation of Community First proxies should be addressed to Community First as follows: Eugene E. Deible, III, Corporate Secretary, 444 East Main Street, Reynoldsville, Pennsylvania 15851.

TABLE OF CONTENTS

COMMUNITY FIRST PROPOSALS

Approval and Adoption of Merger Agreement

Community First is asking its shareholders to approve and adopt the merger agreement and the transactions contemplated thereby. Community First shareholders should read this proxy statement/information statement/prospectus carefully and in its entirety, including the Annexes, for more detailed information concerning the merger agreement, the merger and the issuance of shares of Emclaire common stock in connection with the merger. A copy of the merger agreement and the related bank merger agreement are attached to this proxy statement/information statement/prospectus as Annex A.

Community First's board of directors unanimously recommends that Community First shareholders vote "FOR" approval and adoption of the merger agreement and the transactions contemplated thereby.

Adjournment Proposal

The Community First special meeting may be adjourned to another time or place or postponed, if necessary or appropriate, to permit further solicitation of proxies if necessary to obtain additional votes in favor of approval and adoption of the merger agreement and the transactions contemplated thereby.

If, at the Community First special meeting, the number of shares of Community First common stock present or represented and voting in favor of approval and adoption of the merger agreement and the transactions contemplated thereby is insufficient to approve the proposal, Community First intends to move to adjourn or postpone the Community First special meeting in order to solicit additional proxies for the approval and adoption of the merger proposal. In that event, Community First will ask its shareholders to vote on the Community First adjournment proposal, but not the proposal to approve and adopt the merger agreement.

In this proposal, Community First is asking its shareholders to authorize the persons named as proxies on the Community First proxy card on a discretionary basis to vote in favor of adjourning or postponing the Community First special meeting to another time and place for the purpose of soliciting additional proxies, including the solicitation of proxies from Community First shareholders who have previously voted.

Community First's board of directors unanimously recommends that Community First shareholders vote "FOR" approval of adjournment or postponement, if necessary or appropriate, of the meeting to permit the solicitation of additional proxies in favor of approval and adoption of the merger agreement and the transactions contemplated thereby.

approval of THE bank MERGER agreement

Community First, as the sole holder of the outstanding voting stock of Community First Bank, intends to approve the bank merger agreement and bank merger by written consent. Pursuant to Pennsylvania banking law and the terms of the Community First Bank preferred stock, the vote of the holders of the Community First Bank preferred stock is not required.

TABLE OF CONTENTS

THE MERGER

Each of the Emclaire board of directors and the Community First board of directors has approved and adopted the merger agreement, which provides for the merger of Community First with and into Emclaire. If the merger is completed, Community First shareholders will be entitled to receive, for each share of Community First common stock they own, 1.2008 shares of Emclaire common stock plus \$6.95 in cash.

At the Community First special meeting, Community First's shareholders will be asked to approve and adopt the merger agreement.

Background of the Merger

The board of directors of Community First has periodically reviewed and discussed Community First's business, strategic direction, performance, and prospects in the context of developments in the banking industry and competitive landscape. Among other things, these discussions have included discussions about possible strategic directions available to Community First, including possible mergers or business combinations involving other financial institutions.

On May 18, 2017, at the request of the board of directors of Community First, Bybel Rutledge LLP, or Bybel Rutledge, gave a presentation which reviewed, among other things, the current climate of the banking industry with a particular focus on community banking in Pennsylvania, recent developments in merger and acquisition activity among financial institutions, and strategic alternatives that may be available to Community First including acquisition of Community First by certain financial institutions within its market and adjoining markets. The analysis reviewed potential acquisition alternatives, which included a possible acquisition by a number of companies including Emclaire. Community First subsequently engaged Bybel Rutledge to serve as special counsel in order to assist Community First in connection with its evaluation of its strategic alternatives and process to determine whether a possible merger or business combination with a financial institution was in the best interests of Community First and its constituents, including its shareholders.

Based on Community First's expectation for solid financial performance during the second and third quarters of 2017, its board of directors decided to continue its strategic review and delay the initiation and execution of any process or proposals until at least the fourth quarter of 2017. This delay would allow previously approved strategic initiatives and the anticipated improvement of corporate performance to potentially manifest themselves in order that if the board chose to engage in a process, for that process to obtain the best results and value for Community First's shareholders. Throughout November 2017, Community First produced and collected certain materials that were posted to a secure virtual data room but not shared, except with Community First and its counsel.

On November 16, 2017, Community First's board of directors held a regular meeting. At the board meeting, after assessing the financial institution landscape, the company's current and anticipated performance, and emerging trends in mergers and acquisitions, the board of directors initiated a strategic evaluation process to seek proposals from financial institutions that may have an interest in a business combination with Community First. The board of directors discussed and reviewed a number of companies they believed would have an interest in Community First based on prior communications of interest and the board's assessment of those companies and others.

On December 5, 2017, Community First authorized Bybel Rutledge to begin distributing a non-disclosure agreement to a limited number of financial institutions based on their asset size, geographic location, corporate culture, financial attributes, historical performance results, and stock market performance indicia including but not limited to liquidity, dividends, listing, and historical price appreciation. Execution of the non-disclosure agreement would allow the financial institutions to conduct preliminary due diligence on Community First via the secure virtual data room before submitting a non-binding indication of interest. Subsequently, the board of directors engaged Commonwealth Advisors, Inc., or Commonwealth Advisors, a Pennsylvania investment banking firm whose principal business is advising financial institutions in connection with mergers acquisitions and business combinations, in order to assist Community First in preparing the financial facets of a confidential information memorandum.

TABLE OF CONTENTS

In December 2017, Bybel Rutledge sent non-disclosure agreements to fifteen financial institutions. In the same month, eight non-disclosure agreements were executed by interested financial institutions. The financial institutions that executed non-disclosure agreements were subsequently granted access to Community First's due diligence materials through the virtual data room. Each financial institution that executed a non-disclosure agreement also received a confidential information memorandum that outlined the process and recommended items to be addressed in a financial institution's indication of interest. The deadline for submission of non-binding indications of interest was February 22, 2018.

On February 22, 2018, three financial institutions, including Emclaire, submitted non-binding indications of interest through their financial advisors to acquire Community First. At a regularly scheduled meeting, Community First's board of directors and Bybel Rutledge discussed and reviewed issues to be considered in connection with a transaction, such as a proposed combination with each of the three financial institutions. The board of directors reviewed certain historical financial information and recent mergers and acquisitions data regarding financial institutions, selective publicly-available financial information regarding the financial institutions, and an analysis of potential transactions and their potential effect on Community First shareholders.

On the same day, Community First's board of directors contacted Commonwealth Advisors in order to assist Community First with the financial aspects and matters relating to any potential merger or business combination transaction. Commonwealth Advisors was subsequently engaged to act as Community First's financial advisor. The first non-binding indication of interest from Company A offered a purchase price range of \$29.52 – \$31.98 per common share or approximately \$10.8 – \$11.7 million in the aggregate. The potential acquiror envisioned no less than 75% stock consideration with the remainder in cash. It proposed inviting one director of Community First to join its board and to honor all existing change-in-control and employment agreements. It intended to structure the transaction as a tax-free reorganization. It also intended to retain both Class A and Class B non-cumulative perpetual preferred stock and to continue to accrue and pay dividends in accordance with current rights, although it was also open to redeeming the preferred stock.

The second non-binding indication of interest from Company B offered a purchase price range of \$38.00 to \$41.00 per common share or approximately \$14 – \$15.1 million in the aggregate in an all cash transaction. It would require each of the members of Community First's board of directors to execute support agreements, and it intended to keep the existing 4 branches of Community First in operation. It also intended to honor the severance provisions for any employee with an employment or change-in-control agreement.

Emclaire's non-binding indication of interest offered \$46.50 per share or \$17.1 million in the aggregate based on 367,132 common shares of Community First outstanding. The transaction would consist of a combination of common stock and cash with 85% of the consideration paid in stock and 15% of the consideration paid in cash. It proposed inviting Henry H. Deible, president and chief executive officer of Community First, to join its board and to honor all existing change-in-control and employment agreements. Emclaire intended to structure the transaction as a tax-free reorganization. Emclaire proposed a termination fee equal to 4% of the proposed deal value. It intended to exchange both classes of preferred stock of Community First for the preferred stock of the acquiror on substantially equivalent terms.

On March 7, 2018, Company A submitted a revised non-binding indication of interest with substantially similar terms to its original proposal, except in terms of consideration, which increased to a proposed \$32.00 per share or approximately \$11.7 million in the aggregate.

On March 8, 2018, Community First held a special meeting of the board of directors. The board of directors discussed the attributes of a possible transactions with each of the three financial institutions that submitted non-binding indications of interest to Community First, which included a review of each company, its financial results, stock price, dividend, and liquidity history, and public information regarding such company.

On March 16, 2018, at a special meeting of Community First's board of directors, Bybel Rutledge and Commonwealth Advisors reviewed with the board of directors the terms of a proposed combination with each of the three financial institutions that submitted non-binding indications of interest. The board of

TABLE OF CONTENTS

directors, among other matters, reviewed selected financial information for each potential acquiror, each proposal's value information, historical stock data of the potential acquirors, implied values of a possible merger and their potential impact on Community First shareholders, and background information on each company. After careful consideration of the proposals contained in all three of the non-binding indications of interest by the Community First board of directors, Community First authorized further discussions and negotiations with Emclairé to see if better terms could be obtained from Emclairé.

Later that day, the Community First board of directors met with William C. Marsh, chairman of the board, president and chief executive officer of Emclairé, as well as three directors and one officer of Emclairé to hear a presentation by Emclairé and to discuss Emclairé's proposal. Emclairé's presentation to Community First's board of directors included discussion on the culture of Emclairé, the business and lending philosophy of Emclairé, the composition of Emclairé's board of directors, the governance of Emclairé's board of directors, the strategic plan of Emclairé, and the vision for Emclairé's future. Emclairé's presentation also included advantages and disadvantages that could result from a potential business combination with Emclairé.

On the same day, following the meeting, Company B submitted a revised non-binding indication of interest increasing its original all cash offer to \$43.50 per share of Community First common stock, or \$16 million aggregate merger consideration. Company B's revised non-binding indication of interest was sent to Community First's board for review. After the board considered Company B's revised proposal, it determined that the terms of the revised proposal did not change its initial decision to continue discussions and negotiations with Emclairé.

Subsequent to the March 16, 2018 meeting of Community First's board of directors, Bybel Rutledge and Commonwealth Advisors continued discussions and negotiations with Emclairé and its advisers on a nonexclusive basis. In addition, Company B was contacted and indicated that it would not change its proposal.

On March 24, 2018, Emclairé provided to Community First an updated non-binding indication of interest revising its initial proposal. Emclairé's revised proposal offered \$48.48 per share of Community First common stock, or \$17.8 million in aggregate merger consideration. Each share of Community First common stock would be exchanged for 1.274 shares of Emclairé common stock and \$7.27 in cash. In addition, the updated Emclairé proposal provided that, upon acceptance of its terms, Community First was required to exclusively negotiate with Emclairé until May 10, 2018.

On March 26, 2018, Community First's board of directors reviewed the updated Emclairé proposal. After its review, the Community First board of directors approved and authorized execution of the updated Emclairé proposal, subject to the conditions provided therein.

On the same day, Bybel Rutledge received a due diligence request from Emclairé and its financial advisor, Raymond James & Associates, Inc., or Raymond James, requesting additional information from Community First to which Community First, Bybel Rutledge, and Commonwealth Advisors responded by posting information in the virtual data room.

On March 28, 2018, Bybel Rutledge received a due diligence request from Emclairé and its financial advisor, Raymond James, requesting additional information from Community First to which Community First, Bybel Rutledge, and Commonwealth Advisors responded throughout the remainder of March and April 2018 by supplementing the Community First materials in the virtual data room.

On April 4, 2018, Community First provided to Emclairé a reverse due diligence information request list.

On April 4, 5 and 6, 2018 Emclairé conducted on-site due diligence of Community First at the executive offices of Community First in Reynoldsville, Pennsylvania. Among other aspects of Community First's business, Emclairé reviewed Community First's loan portfolio and financial information.

On April 12, 2018, Emclairé interviewed and asked questions of both W. Jay Chamberlin, senior vice president and chief credit officer of Community First and Michael D. Robinson, Sr., PhD, senior vice president and chief financial officer of Community First, in regard to Community First's loan portfolio and

TABLE OF CONTENTS

financial information respectively at the executive offices of Emclaire in Emlenton, Pennsylvania. Community First and its legal and financial advisers also conducted on-site reverse due diligence at the executive offices of Emclaire. Emclaire provided to Community First a list of loans which required further discussion. Emclaire also provided a supplemental due diligence request to Community First to which Community First, Bybel Rutledge, and Commonwealth Advisors responded by posting additional materials to the virtual data room over the following week. On the same day, reverse due diligence continued for Community First when Community First and its advisers were granted access to Emclaire's virtual data room.

On April 16, 2018, following its initial due diligence, Emclaire communicated that it was lowering its proposed price from \$17.8 million aggregate merger consideration to \$16.5 million aggregate merger consideration based on its assessment of Community First's loan portfolio and higher than anticipated merger costs. Community First provided additional information regarding its loan portfolio to Emclaire and countered Emclaire's proposal. Based on additional information and subsequent negotiations, Emclaire raised its proposed transaction price to \$16.8 million.

On April 23, 2018, Silver, Freedman, Taff & Tiernan LLP, or Silver, Freedman, counsel for Emclaire, sent the initial draft of the merger agreement and exhibits to Bybel Rutledge. Following review of the initial drafts of the reorganization agreement and receipt of the initial comments and markup of the draft agreement from counsel, the board of directors of Community First engaged in discussions with representatives of Bybel Rutledge and Commonwealth Advisors to discuss the proposed response to the draft merger agreement. After discussing the amount and structure of the offer, which were consistent with the prior discussions with Emclaire, the participants focused on the provisions regarding the appointment of Community First representatives to Emclaire's board of directors, certain restrictions on the operations and dividends of Community First and Emclaire pending closing, provisions relating to employee and severed employee compensation, and certain termination provisions and termination payments as the areas of primary concern.

Over the next several weeks, Community First, Bybel Rutledge, and Commonwealth Advisors conferred frequently as they reviewed and discussed revisions to the draft reorganization agreement and ancillary agreements, including the bank merger agreement and director support agreements. Comments were communicated to Emclaire and Silver, Freedman and the terms of the agreements negotiated. On May 2, 2018, Mr. Deible and Mr. Marsh further negotiated the proposed transaction price via telephone and subsequently centered on \$17 million as the aggregate merger consideration with the common stock exchange ratio to be calculated based on a 10-day average closing stock price immediately before the execution of a definitive agreement.

On May 3, 2018, Community First received an unsolicited revised non-binding indication of interest from Company B increasing its all cash offer to \$47.50 per share of Community First common stock or \$17.4 million aggregate merger consideration. The board of directors considered the revised proposal including the tax implications of an all-cash transaction and determined that the post-tax effect aggregate merger consideration was less favorable to the shareholders of Community First than Emclaire's proposed aggregate merger consideration. The Community First board also concluded that the potential for future appreciation of Emclaire's common stock was favorable, given current metrics, and sufficiently countered the tax impact of an all cash transaction.

On May 8, 2018, Silver, Freedman provided a revised non-binding indication of interest to Community First modifying its proposed offer and proposing to extend exclusive negotiations until May 25, 2018. The revised offer proposed that each share of Community First common stock outstanding would be exchanged for \$39.36 in shares of Emclaire common stock and \$6.95 in cash or a per share price of \$46.34 totaling \$17 million in aggregate merger consideration with the exchange ratio for the stock consideration to be based upon the average closing price for a share of Emclaire common stock on the NASDAQ Capital Market for the 10 trading days immediately prior to the date of execution of a definitive agreement. After careful consideration of the revised offers from Emclaire and Company B, Community First believed that Emclaire's offer, its current value, and future prospects were in the best interests of its shareholders. The Community First board of directors authorized and executed Emclaire's revised non-binding indication of interest the following day.

TABLE OF CONTENTS

On May 15, 2018 Silver, Freedman provided Bybel Rutledge with a draft of Emclaire's disclosure schedules to the merger agreement.

On May 21, 2018, Bybel Rutledge provided Silver, Freedman with a draft of Community First's disclosure schedules to the merger agreement. On the same day, the parties calculated the exchange ratio based on the average closing stock price of Emclaire common stock for the 10 trading days prior to this date. According to the 10-day average closing stock price, each share of Community First common stock issued and outstanding would receive 1.2008 shares of Emclaire common stock.

Between May 21, 2018 to May 24, 2018 Bybel Rutledge supplemented the disclosure schedules previously provided to Silver, Freedman with additional information from Community First and negotiated additional specific terms of the merger agreement and exhibits to the merger agreement.

On May 23, 2018, the boards of directors of Emclaire and Farmers National met in order to review the proposed merger agreement, bank merger agreement and the merger. The Emclaire and Farmers National boards received a presentation regarding the merger agreement from its legal counsel, Silver, Freedman as well as its financial advisor, Raymond James. Legal counsel and senior management of Emclaire also briefed the boards on the results of the due diligence review conducted on Community First. After discussion and consideration of the merger agreement and the presentations by Emclaire's legal counsel and financial advisor as well as the interests of Emclaire's shareholders, customers, employees and the communities served by Emclaire, the board of directors of Emclaire unanimously approved the merger agreement. The board of directors of Farmers National also unanimously approved the bank merger agreement.

On May 24, 2018, the boards of directors of Community First and Community First Bank held a joint meeting of the boards of directors, which was attended by Community First's executive officers, Bybel Rutledge, and Commonwealth Advisors. The boards heard reports from Community First's management regarding the proposed transaction including a report on the due diligence review of Emclaire. Commonwealth Advisors reported with respect to certain financial analyses which included an overview of transaction terms, comparable company analysis, comparable transaction pricing, dividend analysis, and overall merger analysis. Bybel Rutledge also reviewed with the board its fiduciary duties. Commonwealth Advisors reviewed with the board of directors its analysis and assumptions thereon and delivered its fairness opinion, subject to limitations, qualifications, and conditions delineated therein. Following the presentations, the boards of directors discussed, considered, approved, and adopted the terms of the transaction and the merger agreement and the exhibits and schedules thereto, and the bank merger agreement and the exhibits and schedules thereto. Voting agreements were executed by board members and executive officers. Under the final merger agreement, each share of Community First common stock issued and outstanding shall receive 1.2008 shares of Emclaire common stock and \$6.95 in cash. Based on the closing price of a share of Emclaire's common stock of \$34.20 on May 23, 2018, the total deal value was approximately \$17.6 million or \$48.02 per share of Community First common stock. The transaction consideration would be structured as a combination of Emclaire common stock and cash with 85% of the consideration paid in stock and 15% of the consideration paid in cash.

Following the meeting, the merger agreement was executed by both parties. On May 25, 2018, Emclaire and Community First issued a joint press release announcing the proposed merger prior to the open of market trading. Community First's Reasons for the Merger; Recommendation of the Community First Board of Directors
Community First's board of directors has determined that the merger agreement and the merger are fair to and in the best interests of Community First and its shareholders. Accordingly, the Community First board has unanimously approved the merger agreement and recommends that Community First's shareholders approve the merger agreement.

TABLE OF CONTENTS

In the course of making its decision to approve the transaction with Emclaire, Community First's board of directors consulted with executive management and Community First's financial and legal advisors. Community First's board of directors considered, among other things, the following factors:

Strategic Considerations

- The merger of Emclaire and Community First would create a financial institution with approximately \$886.4 million in assets. The combined company's increased size and scale would be better able to absorb increasing regulatory and compliance expenses than Community First would on its own;

- The significant increase in assets, capital, earnings and management depth would create opportunities for future strategic acquisitions, asset growth, earnings growth and increased shareholder value;

- The risks to shareholder value in continued operations, including risks relating to the inherent uncertainties about future growth, performance and economic conditions, management and board succession, the ability for Community First to raise additional capital, and to attract qualified personnel, and the impact and costs of increased regulatory compliance;

- The current environment in the banking and financial services industry, including national and regional economic conditions, continued consolidation, evolving trends and competition, and the likely effect of these factors on Community First in light of, and in the absence of, the merger;

- Emclaire's business, operations, financial condition, earnings and prospects and Community First's business, operations, financial condition, earnings and prospects, taking into account the results of the due diligence review of Emclaire by Community First and its financial, legal and other advisors;

- The potential alternatives available to Community First, including other potential extraordinary transactions and the alternative of remaining independent, and the risks and challenges inherent in successfully implementing Community First's business plans, the value to the shareholders of these alternatives, the timing and likelihood of achieving value from these alternatives; and

- The ability to complete the merger, including, in particular, the likelihood of obtaining regulatory approval and the provisions of the merger agreement regarding the parties' obligations to pursue the regulatory approvals.

Financial Impact on Shareholders

- The merger's potential cost savings, as well as the potential for increased revenue opportunities which would provide significant increases in earnings per share over what Community First would have earned per share had it remained independent. The potential cost savings are expected to come from the reduction of duplicate resources and administrative functions as well as the elimination of redundant external contractual services and the standardization of various retirement benefits;

- The potential for the combined company to generate greater earnings per share and tangible book value per share for Community First shareholders, on an as-converted basis, than Community First would have the ability to achieve

should it remain independent;

-

The exchange ratio of 1.2008 shares of Emclaire common stock and the per share cash consideration, without interest, equal to \$6.95 for each share of Community First common stock for an approximate aggregate transaction value of \$17.0 million;

-

Emclaire common stock currently pays a dividend rate of \$1.12 per year (or approximately \$1.34 per share of Community First common stock), as compared to \$0.50 per year on Community First common stock;

38

TABLE OF CONTENTS

- The ability to increase scale and accelerate the achievement of certain of Community First's strategic goals expanding geographically, and gaining access to personnel, expertise and other resources;

- The expected revenue enhancement and diversification, as well as cost savings and efficiencies; and

- The ability of the combined company to continue to grow, through both its operations and potential future acquisitions.

Effect on Common Stock

- Emclair common stock is traded on the NASDAQ Capital Market, and has greater liquidity than that of Community First's common stock; and

- The increased market capitalization of the combined company relative to Community First's current market capitalization.

Form of Merger Consideration

- 1.2008 shares of Emclair common stock and \$6.95 in cash for each share of Community First common stock;

- The expectation that the receipt of Emclair common stock by Community First shareholders would generally be tax-free for U.S. federal income tax purposes;

- Community First's shareholders would have the ability to continue to participate in the growth of the combined company and potential long-term shareholder value appreciation; and

- Holders of Community First Bank Series A and Series B Non-Cumulative Perpetual Preferred Stock would receive similar shares of preferred stock from Emclair.

Value of Merger Consideration

- The premium to the market value of Community First's common stock represented by the value of the merger consideration;

- The historical and current market prices of Emclair common stock and Community First common stock;

- The prices, multiples of earnings per share and premiums on core deposits in other recent acquisitions of financial institutions, as compared to the price, multiples and premiums in the merger;

-

The pro forma financial effects of the merger, including the potential cost savings (resulting from back office efficiencies, consolidations and other cost savings) and the possibility of enhanced revenue from the merger and the effects of the merger on the risk-based and leverage capital ratios of the combined company and the prospects of enhanced earnings per share growth attained by a merger with Emclair; and

•

The financial analysis conducted by Commonwealth Advisors, Inc. and its opinion to the board of directors that, as of the date of the merger agreement, the merger consideration is fair, from a financial point of view, to holders of Community First common stock.

TABLE OF CONTENTS

No Shop, Termination and Break-Up Fee

-
- The restrictions imposed on Community First from soliciting alternative transactions;
-
- The fact that Community First's board of directors may withdraw, qualify or modify its recommendation that its shareholders approve the merger if the board of directors, after consulting its outside legal counsel and its financial advisors determines in good faith that it would be reasonably likely to result in a violation of its fiduciary duties;
-
- The provisions permitting the Community First board of directors to terminate the merger agreement if the value of Emclair common stock were to decline by more than 17.5% from its price after the announcement of the merger agreement; and underperform the SNL MicroCap U.S. Bank Index by more than 17.5% during such time period;
-
- The termination fee of \$750,000 that Community First would be required to pay to Emclair if the merger agreement is terminated under certain circumstances and Community First subsequently merges, is acquired or liquidates;
-
- The fact that the termination fee provision of the merger agreement could have the effect of discouraging other acquisition proposals for a business combination between Community First and a third party; and
-
- The fact that Community First or Emclair may terminate the merger agreement upon a material breach by the other party and receive reimbursement of any and all damages, costs and expenses, including all reasonable attorneys' fees, sustained or incurred by the non-breaching party as a result thereof or in connection therewith or with respect to the enforcement of its rights under the Agreement and Plan of Merger by and between Emclair and Community First.

Directors and Officers

-
- The agreement to add Henry H. Deible and Henry H. Deible, II to the board of directors of Emclair and The Farmers National Bank of Emlenton after the merger; and
-
- The existence and nature of the voting agreements to be obtained from the directors and executive officers of Community First in support of the merger.

Other Constituencies

-
- The possible effects of the merger on Community First's employees, customers, suppliers and creditors and on the communities in which Community First's facilities are located;
-
- Management's belief that Community First's customers would benefit from a merger with Emclair due to the combined company's enhanced ability to serve its customers more broadly and effectively because of the combined company's greater scale, lending capabilities and range of financial products and services; and
-
- The complexity and risks involved in successfully integrating Emclair and Community First in a timely manner, and the potential impact of integration on various constituencies.

Community First's board of directors reviewed the totality of the future prospects opportunities of Community First, its needs, the environment relative to the terms of the merger and its anticipated effects and concluded that the merger and its terms with the prospects of enhanced earnings, dividends, liquidity, with stronger, broader and deeper management while retaining operational focus were in the best long-term interests of Community First and its shareholders.

Community First's board of directors also considered the following risks:

- The risk that integration of Community First and Emclair will not occur as desired and the potential impact of integration if not successful on the expected benefits of the merger;

- The potential challenges associated with obtaining regulatory approvals required to complete the transaction in a timely manner;

TABLE OF CONTENTS

- The fact that, pursuant to the merger agreement, Community First must generally conduct its business in the ordinary course and Community First is subject to a variety of other restrictions on the conduct of its business prior to the completion of the merger or termination of the merger agreement, which may delay or prevent Community First undertaking business opportunities which may arise pending completion of the merger;

- The risk that potential benefits (strategic, operational, financial), cost benefits and other synergies sought in the merger may not be realized or may not be realized within the expected time period and the risks associated with the integration of Community First and Emclaire;

- The interests of certain executive officers and directors of Community First with respect to the merger apart from their interest as holders of Community First common stock, and the risk that these interests might influence their decision with respect to the merger;

- The risk that certain tax attributes of Community First and Emclaire may be affected by the transaction; and

- The potential for diversion of management and employee attention and for employee attrition during the period prior to the completion of the merger and the potential effect on Community First's business and relations with customers, service providers and other stakeholders whether or not the merger is consummated.

The foregoing discussion of the factors considered by the Community First board of directors in evaluating the merger agreement is not intended to be exhaustive, but, rather, includes all material factors considered by the Community First board of directors. Community First's board of directors evaluated the factors described above, including asking questions of Community First's legal and financial advisors. In reaching its decision to approve the agreement and the merger, the Community First board of directors did not quantify or assign relative values to the factors considered, and individual directors may have given different weights to different factors. The Community First board of directors relied on its due diligence review of Emclaire, the experience and expertise of its board of directors and legal advisors regarding the structure of the merger and the terms of the merger agreement and the experience and expertise of its financial advisors for quantitative analysis of the financial terms of the merger.

Community First board of directors realizes that there can be no assurance about future results, including results expected or considered in the factors listed above. The Community First board of directors considered all of the above factors as a whole, and on an overall basis considered them to be favorable to, and support, its determination to enter into the merger agreement.

Community First's board of directors unanimously recommends that Community First's shareholders vote "FOR" the approval and adoption of the merger agreement and "FOR" the adjournment proposal. Community First shareholders should be aware that Community First's directors and executive officers have interests in the merger that are different from, or in addition to, those of other Community First shareholders. The Community First board of directors was aware of and considered these interests, among other matters, in evaluating and negotiating the merger agreement, and in recommending that the merger proposal be approved by the shareholders of Community First. See "Description of the Merger — Interests of Community First's Officers and Directors in the Merger that are Different from Yours." This summary of the reasoning of Community First's board of directors and other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed under the heading "Cautionary Statement Regarding Forward-Looking Statements."

Opinion of Community First's Financial Advisor

Community First retained Commonwealth Advisors, Inc., or Commonwealth Advisors, to act as financial advisor to Community First's board of directors in connection with Community First's consideration of a possible business

combination. In the ordinary course of its financial advisory business, Commonwealth Advisors is regularly engaged in the valuation of financial institutions in connection with mergers, acquisitions and other corporate transactions. Community First selected Commonwealth Advisors to act as its financial advisor based on Commonwealth Advisors' experience, including in connection with mergers and acquisitions of commercial banks and bank holding companies.

TABLE OF CONTENTS

At the May 24, 2018 meeting at which Community First's board of directors considered and discussed the terms of the merger agreement and the merger, Commonwealth Advisors delivered a written opinion dated May 24, 2018 to the Community First board of directors that as of such date and subject to the various considerations set forth in the opinion, the consideration to be received by Community First's common shareholders was fair from a financial point of view. The issuance of Commonwealth Advisor's opinion was approved by Commonwealth Advisors Fairness Opinion Committee.

The full text of Commonwealth Advisors' opinion is attached as Annex B to this proxy statement/ information statement/prospectus. The opinion outlines the procedures followed, assumptions made, matters considered and qualifications and limitations on the review undertaken by Commonwealth Advisors in rendering its opinion. The description of the opinion set forth below is qualified in its entirety by reference to the full text of the opinion. Holders of Community First common stock are urged to read the entire opinion carefully in connection with their consideration of the proposed merger.

Commonwealth Advisors' opinion speaks only as of the date of the opinion. The opinion was directed to Community First's board of directors in connection with its consideration of the merger agreement and the merger and is directed only to the fairness, from a financial point of view, of the merger consideration to the holders of Community First's common stock and does not address the allocation of the merger consideration between cash and Emclaire Common Stock or the relative fairness of the per share stock consideration and the per share cash consideration. Commonwealth Advisors' opinion does not constitute a recommendation to any shareholder of Community First as to how any such shareholder should vote at any meeting of shareholders called to consider and vote upon the approval and adoption of the merger agreement and the merger. Commonwealth Advisors' opinion does not address the underlying business decision of Community First to engage in the merger, the form or structure of the merger or any other transactions contemplated in the merger agreement, the relative merits of the merger as compared to any other alternative transactions or business strategies that might exist for Community First or the effect of any other transaction in which Community First might engage. Commonwealth Advisors did not express any opinion as to the fairness of the amount or nature of the compensation to be received in the merger by any of Community First's or Emclaire's officers, directors or employees, or any class of such persons, if any, relative to the compensation to be received in the merger by any other shareholder, including the merger consideration to be received by the holders of Community First common stock.

In arriving at its opinion, Commonwealth Advisors has among other things:

- reviewed the historical financial performances, current financial positions and general prospects of Emclaire and Community First and reviewed certain internal financial analyses and forecasts prepared by the managements of Emclaire and Community First;
- reviewed the merger agreement;
- reviewed and analyzed the stock market performance and limited trading history of Emclaire and Community First;
- studied and analyzed the consolidated financial and operating data of Emclaire and Community First;
- reviewed the pro forma financial impact of the proposed merger on Emclaire, based on certain assumptions relating to transaction expenses, purchase accounting adjustments, cost savings and other synergies determined by senior management of Emclaire and Community First;
-

considered the financial terms of the proposed merger as compared with the financial terms of comparable bank and bank holding company mergers and acquisitions;

- met and/or communicated with certain members of Emclair's and Community First's senior management to discuss their respective operations, historical financial statements and future prospects; and
- conducted such other financial analyses, studies and investigations as Commonwealth Advisors deemed appropriate.

TABLE OF CONTENTS

Commonwealth Advisors' opinion was given in reliance on information and representations made or given by Emclaire and Community First, and their respective officers, directors, auditors, counsel and other agents, and on filings, releases and other information issued by Emclaire and Community First including financial statements, financial projections, and stock price data as well as certain information from recognized independent sources. Commonwealth Advisors has not independently verified the information concerning Emclaire and Community First nor other data which it has considered in its review and, for purposes of the opinion, Commonwealth Advisors has assumed and relied upon the accuracy and completeness of all such information and data. Commonwealth Advisors has assumed that all forecasts and projections provided to Commonwealth Advisors have been reasonably prepared and reflect the best currently available estimates and good faith judgments of the managements of Emclaire and Community First as to their most likely future financial performance. Commonwealth Advisors expressed no opinion as to the validity or accuracy of any analyses, forecasts, estimates or projections or the assumptions on which they are based. Commonwealth Advisors has assumed that the proposed merger contemplated by the merger agreement will qualify as a tax-free reorganization for United States federal income tax purposes and will be consummated as described in the merger agreement. Commonwealth Advisors has not conducted any valuation or appraisal of any assets or liabilities of Community First or Emclaire, nor have any such valuations or appraisals been provided to it. Additionally, Commonwealth Advisors assumed that the proposed merger is, in all respects, lawful under applicable law. Commonwealth Advisors is not a legal, regulatory or tax expert and has relied on the assessments made by advisors to Community First with respect to such issues. Commonwealth Advisors did not render any legal, regulatory or tax advice or opinions.

With respect to anticipated transaction costs, purchase accounting adjustments, expected cost savings and other synergies and financial and other information relating to the general prospects of Emclaire and Community First, Commonwealth Advisors has assumed that such information has been reasonably prepared and reflects the best currently available estimates and judgment of the managements of Emclaire and Community First as to their most likely future performance. Commonwealth Advisors has further relied on the assurances of the managements of Emclaire and Community First that they are not aware of (i) any fact, circumstance or other information that would make any of the foregoing information or any information provided to it in connection with the proposed merger to be misleading, inaccurate or incomplete, or (ii) any omission to provide information that would be necessary in order to make any information provided under (i) above not misleading, inaccurate or incomplete. Commonwealth Advisors has not been asked to and has not undertaken an independent verification of any of such information and it does not assume any responsibility or liability for the accuracy or completeness thereof. Commonwealth Advisors has not reviewed or sampled any loan files of Emclaire, Community First or their respective subsidiaries and it did not make an independent evaluation or appraisal of any specific assets (including any individual loan or portfolio of loans) or their collectability or the collateral securing any assets, or the liabilities, contingent or otherwise (including without limitation any hedge, swap, foreign exchange, or other derivative or off-balance sheet items), of Emclaire or Community First or any of their respective subsidiaries, and it was not furnished with any evaluations or appraisals of any of the foregoing. Commonwealth Advisors is not an expert in evaluating investment, loan and lease portfolios for purposes of evaluating their quality or assessing the adequacy of the allowances for loan and lease losses in general or on behalf of either Emclaire or Community First. As a result, Commonwealth Advisors has not been asked to and it has not assumed any responsibility to make an independent evaluation of any asset, investment, loan or lease assets or the adequacy of the allowance for loan and lease losses of Emclaire or Community First, and it has assumed, with Community First's consent, that the aggregate allowances for loan and lease losses of Emclaire and Community First are adequate to cover such losses and comply fully with applicable law and regulatory policy, including sound banking practice and policy principles of bank and trust regulatory bodies and the statutes and regulations applicable to SEC filings that are required or contemplated in connection with the proposed merger.

Commonwealth Advisors has assumed that all of the representations and warranties contained in the merger agreement and all related agreements are true and correct, that each party under the agreements will perform all of the covenants required to be performed by such party under the agreements, and that the conditions precedent in the agreements are satisfied and not waived. Also, in rendering its opinion, Commonwealth Advisors has assumed without independent investigation, and with Community First's

TABLE OF CONTENTS

consent, that (i) in the course of obtaining the necessary regulatory approvals for the consummation of the proposed merger, no conditions will be imposed that will have a material adverse effect on the combined entity or contemplated benefits of the proposed merger, including the cost savings and related expenses expected to result from the proposed merger or Emclaire's ability to pay future dividends consistent with current dividend amounts and timing thereof, (ii) no appraisal rights will be perfected under law in connection with the proposed merger, (iii) there is no financial adjustment to the merger consideration under the terms detailed in the merger agreement, and (iv) all regulatory and other approvals and third party consents required for the consummation of the proposed merger will be obtained timely.

Commonwealth Advisors' opinion is based upon information provided to it by the managements of Emclaire and Community First, as well as market, economic, financial and other conditions as they exist and can be evaluated only as of the date of its opinion and accordingly, it speaks to no other period. Commonwealth Advisors has not undertaken to reaffirm or revise in the future the opinion or otherwise comment on events occurring after the date of its opinion and does not have an obligation to update, revise or reaffirm its opinion. Commonwealth Advisors' opinion does not address the relative merits of the proposed merger and the other business strategies that Community First's Board of Directors has considered or may be considering, nor does it address the underlying business decision of Community First's Board of Directors to proceed with the proposed merger. Commonwealth Advisors did not recommend to Community First or its Board of Directors or management any of the merger consideration (or any of the terms or conditions of the merger consideration), each of which was determined through negotiations between Emclaire and Community First. Commonwealth Advisors expressed no opinion as to the prices at which Emclaire's common stock may trade when issued to holders of issued and outstanding Community First common stock pursuant to the merger agreement or the prices at which Emclaire's common stock may trade at any time. Commonwealth Advisor's opinion is for the information of Community First's Board of Directors in connection with its evaluation of the proposed merger and does not constitute a recommendation to the Board of Directors or any shareholder of Community First concerning how to act or vote in connection with the proposed merger. The opinion should not be construed as creating any fiduciary duty on Commonwealth Advisor's part to any party or person.

The opinion was approved by Commonwealth Advisor's fairness opinion committee. Commonwealth Advisors does not express any opinion as to the fairness of the amount or nature of the compensation to be received (i) in connection with or subsequent to the proposed merger by the officers, directors, or employees of any party to the merger agreement, or (ii) by any class of such persons, relative to the consideration to be received by the holders of common stock in the proposed merger.

In rendering its opinion, Commonwealth Advisors performed a variety of financial analyses. The summary below is not a complete description of the analyses underlying Commonwealth Advisors' opinion or the presentation made by Commonwealth Advisors to Community First's board of directors but is a summary of all material analyses performed and presented by Commonwealth Advisors. The summary includes information presented in tabular format. In order to fully understand the financial analyses, these tables must be read together with the accompanying text. The tables alone do not constitute a complete description of the financial analyses. The preparation of a fairness opinion is a complex process involving subjective judgments as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. The process, therefore, is not necessarily susceptible to a partial analysis or summary description. Commonwealth Advisors believes that its analyses must be considered as a whole and that selecting portions of the factors and analyses to be considered without considering all factors and analyses, or attempting to ascribe relative weights to some or all such factors and analyses, could create an incomplete view of the evaluation process underlying its opinion. Also, no company included in Commonwealth Advisors' comparative analyses described below is identical to Community First or Emclaire and no transaction is identical to the proposed merger. Accordingly, an analysis of comparable companies or transactions involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies and other factors that could affect the public trading values or merger transaction values, as the case may be, of Community First and Emclaire and the companies to which they are being compared. In arriving at its opinion, Commonwealth Advisors did not attribute any particular weight to any analysis or factor that it considered. Rather, Commonwealth Advisors made qualitative judgments as to the significance and relevance of each analysis and factor. Commonwealth Advisors did not form an opinion as to whether any individual analysis

TABLE OF CONTENTS

or factor (positive or negative) considered in isolation supported or failed to support its opinion; rather, Commonwealth Advisors made its determination as to the fairness of the merger consideration on the basis of its experience and professional judgment after considering the results of all its analyses taken as a whole. In performing its analyses, Commonwealth Advisors also made numerous assumptions with respect to industry performance, business and economic conditions and various other matters, many of which cannot be predicted and are beyond the control of Community First, Emclaire and Commonwealth Advisors. The analyses performed by Commonwealth Advisors are not necessarily indicative of actual values or future results, both of which may be significantly more or less favorable than suggested by such analyses. Commonwealth Advisors prepared its analyses solely for purposes of rendering its opinion and provided such analyses to Community First's board of directors at its May 24, 2018 meeting. Estimates on the values of companies do not purport to be appraisals or necessarily reflect the prices at which companies or their securities may actually be sold. Such estimates are inherently subject to uncertainty, and actual values may be materially different. Accordingly, Commonwealth Advisors' analyses do not necessarily reflect the value of Community First common stock or the prices at which Community First common stock or Emclaire common stock may be sold at any time. The analyses of Commonwealth Advisors and its opinion were among a number of factors taken into consideration by Community First's board of directors in making its determination to approve the merger agreement, and the analyses described below should not be viewed as determinative of the decision of Community First's board of directors or management with respect to the fairness of the merger.

Summary of Proposed Merger Consideration and Implied Transaction Metrics. Commonwealth Advisors reviewed the financial terms of the proposed merger. Commonwealth Advisors calculated an implied transaction price per share using the 10 Day Average Closing Trade Price of Emclaire common stock as of May 21, 2018, (the date used to determine the merger consideration) of \$46.31, or an aggregate implied transaction value of approximately \$17.0 million, consisting of (i) per share stock consideration of 1.2008 shares of Emclaire common stock and (ii) the per share cash consideration of \$6.95. As of May 23, 2018, the day before signing the definitive agreement, the implied transaction price per share using the closing price of Emclaire common stock on May 23, 2018, was \$48.02, or an aggregate implied transaction value of approximately \$17.63 million. Based upon financial information for Community First as of March 31, 2018, Commonwealth Advisors calculated the following implied transaction metrics:

Implied Transaction Price Per Share/Earnings Per Share:	23.1x
Implied Transaction Price Per Share/Book Value Per Share:	1.92x
Implied Transaction Price Per Share/Tangible Book Value Per Share:	1.92x
Price to Assets:	13.58%

Stock Trading History. Commonwealth Advisors reviewed the historical share price performance of Community First common shares and Emclaire common shares for both the year-to-date and five-year period ended May 14, 2018. Commonwealth Advisors then compared the relationship between the share price performance of Community First's common shares and Emclaire's common shares, respectively, to share price movements in certain share indices.

Community First Year-to-Date Share Price Performance

Comparable Company Analyses. Commonwealth Advisors used publicly available information to compare selected financial information for Community First with a group of financial institutions selected by Commonwealth Advisors, or the Community First Peer Group. The Community First Peer Group consisted of Pennsylvania commercial banks with assets between \$150 million and \$300 million as of April 2018. The Community First Peer Group consisted of the following companies:

Community Banker's Corporation	JTNB Bancorp Inc.
Enterprise Financial Services	Mercersburg Financial Corp.
First Resources Bank	Apollo Bancorp Inc.
Fleetwood Bank Corp.	Clarion County Community Bank

The analysis compared financial information for Community First provided by Community First with the corresponding publicly available data for the Community First Peer Group. The table below sets forth the data for Community First and the median, mean, high and low data for the Community First Peer Group.

Net Present Value Analyses. Commonwealth Advisors performed an analysis that estimated the net present value per share of Community First common stock assuming Community First performed in accordance with internal financial projections of Community First as provided by the senior management of Community First. To approximate the terminal value of Community First common stock at December 31, 2022, Commonwealth Advisors applied price to 2022 earnings per share multiples ranging from 9.0x to 16.5x and multiples of December 31, 2022 tangible book value per share ranging from 70% to 120%. The terminal values were then discounted to present values using different discount rates ranging from 10.0% to 14.0% which were chosen to reflect different assumptions regarding required rates of return of holders or prospective buyers of Community First common stock. As illustrated in the following tables, the analysis indicated an imputed range of values per share of Community First common shares of \$20.52 to \$44.98 when applying multiples of earnings per share and \$14.48 to \$29.68 when applying multiples of tangible book value per share.

Earnings Per Share Multiples

Discount Rate	9.0	10.5	12.0	13.5	15.0	16.5
10%	\$ 24.53	\$ 28.62	\$ 32.71	\$ 36.80	\$ 40.89	\$ 44.98
11%	\$ 23.45	\$ 27.36	\$ 31.26	\$ 35.17	\$ 39.08	\$ 42.99
12%	\$ 22.42	\$ 26.16	\$ 29.89	\$ 33.63	\$ 37.37	\$ 41.10
13%	\$ 21.44	\$ 25.02	\$ 28.59	\$ 32.17	\$ 35.74	\$ 39.31
14%	\$ 20.52	\$ 23.94	\$ 27.36	\$ 30.78	\$ 34.20	\$ 37.62

Tangible Book Value Per Share Multiples

Discount Rate	70%	80%	90%	100%	110%	120%

Commonwealth Advisors also performed an analysis that estimated the net present value per share of Emclaire common stock assuming that Emclaire performed in accordance with internal financial projections of Emclaire as

provided by the senior management of Emclaire. To approximate the terminal value of Emclaire common stock at December 31, 2022, Commonwealth Advisors applied price to 2022 earnings per share multiples ranging from 9.0x to 16.5x and multiples of December 31, 2022 tangible book value per share ranging from 70% to 120%. The terminal values were then discounted to present values using different discount rates ranging from 10.0% to 14.0% chosen to reflect different assumptions

55

TABLE OF CONTENTS

regarding required rates of return of holders or prospective buyers of Emclaire common stock. As illustrated in the following tables, the analysis indicated an imputed range of values per share of Emclaire common shares of \$14.49 to \$31.76 when applying earnings per share multiples and \$10.75 to \$22.04 when applying multiples of tangible book value per share.

Earnings Per Share Multiples

Discount Rate	9.0	10.5	12.0	13.5	15.0	16.5
10%	\$ 17.32	\$ 20.21	\$ 23.10	\$ 25.99	\$ 28.87	\$ 31.76
11%	\$ 16.56	\$ 19.32	\$ 22.08	\$ 24.84	\$ 27.60	\$ 30.36
12%	\$ 15.83	\$ 18.47	\$ 21.11	\$ 23.75	\$ 26.39	\$ 29.02
13%	\$ 15.14	\$ 17.67	\$ 20.19	\$ 22.71	\$ 25.24	\$ 27.76
14%	\$ 14.49	\$ 16.91	\$ 19.32	\$ 21.74	\$ 24.15	\$ 26.57

Tangible Book Value Per Share Multiples

Discount Rate	70%	80%	90%	100%	110%	120%
10%	\$ 12.86	\$ 14.69	\$ 16.53	\$ 18.37	\$ 20.20	\$ 22.04
11%	\$ 12.29	\$ 14.04	\$ 15.80	\$ 17.55	\$ 19.31	\$ 21.07
12%	\$ 11.75	\$ 13.43	\$ 15.11	\$ 16.78	\$ 18.46	\$ 20.14

14%	\$ 10.75	\$ 12.29	\$ 13.83	\$ 15.36	\$ 16.90	\$ 18.44

Commonwealth Advisors noted that the net present value analysis is a widely used valuation methodology, but the results of such methodology are highly dependent upon the numerous assumptions that must be made, and the results thereof are not necessarily indicative of actual values or future results.

Pro Forma Merger Analysis. Commonwealth Advisors analyzed certain potential pro forma effects of the merger, assuming the merger closes in the fourth calendar quarter of 2018. In performing this analysis, Commonwealth Advisors utilized the following information and assumptions: (i) certain internal financial projections for Community First as provided by the senior management of Community First; (ii) certain internal financial projections for Emclaire as provided by the senior management of Emclaire; and (iii) certain assumptions relating to purchase accounting adjustments, cost savings and transaction expenses, as provided by the senior management of Emclaire. The analysis indicated that the merger could be accretive to Emclaire's earnings per share in the first full year of combined operations, excluding one-time charges.

In connection with this analysis, Commonwealth Advisors considered and discussed with the Community First board of directors how the analysis would be affected by changes in the underlying assumptions, including the impact of final purchase accounting adjustments determined at the closing of the transaction, and noted that the actual results achieved by the combined company may vary from projected results and the variations may be material.

Contribution Analysis. Commonwealth Advisors reviewed relative financial information relating to Community First and Emclaire as of March 31, 2018 to understand the relative contribution of net assets and operations to the combined entity. Relative contribution amounts are as follows:

	Emclaire	Community First
Total Assets	85%	15%
Total Net Loans	84%	16%
Total Deposits	85%	15%
Common Equity	84%	16%
Tangible Common Equity	88%	12%
Estimated Net Income	92%	8%

TABLE OF CONTENTS

Dividend Analysis. Commonwealth Advisors also reviewed the effect on the merger to the pro forma dividends which may be payable to shareholders of the combined entity.

	2017	2018
CMFP Common Shares Outstanding:	367,132	367,132
CMFP Common Annual Dividend:	\$ 0.46	\$ 0.50
EMCF Common Stock Conversion:	1.2	1.2
EMCF Common Annual Dividends:	\$ 1.08	\$ 1.12
Dividend w/o Merger	\$ 168,880.72	\$ 183,566.00
Dividend w/Merger	\$ 475,803.07	\$ 493,425.41
Aggregate Dividend Pickup	\$ 306,922.35	\$ 309,859.41
Dividend Pickup (%)	181.74%	168.80%

Commonwealth Advisors' Relationship. Commonwealth Advisors has acted as financial advisor to Community First in connection with the merger and received a fee for such services in an amount equal to \$30,000 paid when Community First executed the definitive agreement and may receive a contingent fee of \$30,000 payable on the day the transaction closes. Community First has also agreed to indemnify Commonwealth Advisors and its affiliates and their respective partners, directors, officers, employees and agents against certain expenses and liabilities, including liabilities under applicable federal or state law.

Commonwealth Advisors has not had any investment banking relationship with Emclaire or Community First during the past two years, or any other business relationship, in which compensation was received or was intended to be received as a result of the relationship between it, Community First and Emclaire. Commonwealth Advisors may provide services to Emclaire in the future (and/or to Community First if the proposed merger is not consummated), although as of the date of the opinion there was no agreement to do so nor any mutual understanding that such services are contemplated. Commonwealth Advisors is indirectly owned by certain partners of Bybel Rutledge LLP. Bybel Rutledge LLP is serving as special counsel to Community First with respect to the proposed merger and is being compensated at market rates for its legal services.

Emclaire's Reasons for the Merger

Emclaire believes that the acquisition of Community First provides an excellent opportunity to expand its banking footprint into Clarion and Jefferson Counties in western Pennsylvania. In approving the merger agreement, Emclaire's board of directors considered the following factors as generally supporting its decision to enter into the merger agreement:

- its understanding of Emclaire's business, operations, financial condition, earnings and prospects and of Community First's business, operations, financial condition, earnings and prospects;
- its understanding of the current and prospective environment in which Emclaire and Community First operate, including regional and local economic conditions, the competitive environment for financial institutions generally and continuing consolidation in the financial services industry, and the future growth prospects for its market area and surrounding areas to provide sustained business development opportunities;
- the nature of the respective customer bases, products and skills of Emclaire and Community First that could result in opportunities to obtain synergies as products are distributed over a broader customer base;
- the scale, scope, strength and diversity of operations, product lines and delivery systems that combining Emclaire and Community First could achieve;

- the review by Emclair's board of directors, with the assistance of its financial and legal advisors and Emclair's management, of the structure and terms of the merger, including the exchange ratio;

TABLE OF CONTENTS

- the likelihood that Emclaire will obtain the regulatory approvals it needs to complete the merger; and

- that the merger will result in a combined entity with total consolidated assets of approximately \$900.0 million and a market capitalization of approximately \$90.0 million.

The foregoing discussion of the information and factors considered by Emclaire's board of directors is not intended to be exhaustive, but includes the material factors considered by the Emclaire board of directors. The Emclaire board of directors did not consider it practicable, and did not attempt, to quantify or otherwise assign relative weights to the specific factors it considered in reaching its determination. Emclaire's board of directors viewed its position as being based on all of the information and the factors presented to and considered by it. In addition, individual directors may have given different weights to different information and factors.

Board of Directors and Management of Emclaire Following Completion of the Merger

Following completion of the merger, the then-current directors and executive officers of Emclaire will continue in office. In connection with the closing of the merger, the merger agreement provides that Emclaire and Farmers National Bank will expand the size of their respective boards of directors by two members and, effective as of the effective time of the merger, will appoint Henry H. Deible and Henry H. Deible, II, each of whom currently serve as directors of Community First and Community First Bank, to serve as directors of Emclaire and Farmers National Bank. Messrs. Henry H. Deible and Henry H. Deible, II, will be appointed to the classes whose terms will expire at the respective 2021 and 2019 annual meetings of shareholders.

Under the terms of the merger agreement, at the end of the initial term of Messrs. Henry H. Deible and Henry H. Deible, II, each of them will be re-nominated for at least one additional term, subject to the fiduciary duties of Emclaire's board of directors and any applicable eligibility requirements set forth in Emclaire's or Farmers National Bank's, as the case may be, articles of incorporation, bylaws, or nominating and corporate governance committee guidelines, or any applicable law, rule, regulation or listing standard. In the event either of Messrs. Henry H. Deible or Henry H. Deible, II is unable or unwilling to serve as a director, then Emclaire and Community First shall mutually agree upon another current member of the board of directors of Community First's to serve in his stead, so long as such person meets the eligibility requirements for a director under Emclaire's bylaws and corporate governance policies.

Trading Markets for Emclaire and Community First Common Stock

Emclaire common stock trades on the NASDAQ Capital Market under the symbol "EMCF." There is no trading market for shares of Community First common stock. The shares of Emclaire common stock issuable to holders of Community First common stock in the merger will be listed on the NASDAQ Capital Market.

Regulatory Approvals Required for the Merger

Each of Emclaire and Community First has agreed to cooperate with the other and use all reasonable efforts to obtain all regulatory approvals required to complete the transactions contemplated by the merger agreement, including the merger and the bank merger. These approvals include approvals from the OCC and the Pennsylvania Department and a notice to and the non-objection of the FRB as well as various other regulatory authorities. Emclaire and Community First have completed, or will complete, the filing of applications and notifications to obtain the required regulatory approvals.

Emclaire's and Community First's obligations to complete the transactions contemplated by the merger agreement the receipt of all regulatory consents and approvals required to consummate the transactions contemplated by the merger agreement, without conditions (excluding standard conditions that are normally imposed in bank merger transactions) that would, in the good faith reasonable judgment of the Emclaire or Community First board of directors, materially and adversely affect the business, operations, financial condition, property or assets of the combined enterprise of Emclaire and Community First or materially impair the value of Community First to Emclaire.

TABLE OF CONTENTS

Emclair and Community First cannot assure you that all of the regulatory approvals described above will be obtained, and, if obtained, Emclair and Community First cannot assure you as to the date of any approvals or the absence of any litigation challenging such approvals.

Neither Emclair nor Community First is aware of any material governmental approvals or actions that are required for completion of the transactions other than those described above. It is presently contemplated that if any such additional governmental approvals or actions are required, those approvals or actions will be sought. There can be no assurance, however, that any additional approvals or actions will be obtained.

Pursuant to the Bank Merger Act, a transaction approved by the OCC may not be completed until 30 days after approval is received, during which time the Antitrust Division of the Department of Justice may challenge the transactions on antitrust grounds. The commencement of an antitrust action would suspend the effectiveness of an approval unless a court were to order specifically otherwise. With the approval of the OCC and the concurrence of the Antitrust Division, the waiting period may be reduced to no less than 15 days.

Interests of Community First's Directors and Executive Officers in the Merger that are Different from Yours
In considering the recommendation of the Community First board of directors with respect to the merger agreement, Community First shareholders should be aware that the directors and executive officers of Community First have interests in the merger that are in addition to their interests as shareholders of Community First generally. The Community First board of directors was aware of these interests as well as others and considered them in adopting the merger agreement and the transactions contemplated thereby. As described in more detail below, these interests include (1) the right of three executive officers to receive lump sum cash payments aggregating approximately \$1.3 million when their employment is terminated upon completion of the merger, (2) the supplemental retirement payments of \$1,000 per month to be paid to the three executive officers for a period of 20 years, (3) two executive officers of Community First Bank are expected to be retained as consultants upon completion of the merger through December 31, 2018 at a consulting fee of \$10,000 per month, (4) two directors of Community First and Community First Bank will become members of the boards of directors of Emclair and Farmers National, and (5) provisions in the merger agreement relating to continued indemnification and insurance coverage by Emclair for acts or omissions occurring prior to the merger.

Executive Employment Agreements. Community First Bank is party to an executive employment agreement with each of Henry H. Deible, its President and Chief Executive Officer, W. Jay Chamberlin, its Senior Vice President and Chief Credit Officer, and Michael D. Robinson, Sr., its Senior Vice President and Chief Financial Officer. These agreements provide that if the executive's employment is terminated within 24 months after a change in control absent certain specified reasons and the executive executes a general release of all claims within 45 days after his termination of employment, then the executive will receive a lump sum cash payment equal to the sum of the following amounts: (a) two times his then current base salary, (b) two times his then current cash bonus target amount, (c) the cost of COBRA coverage until the executive and his dependents, including his spouse, become eligible for Medicare coverage, and (d) a tax gross-up to cover the taxes owed on the amounts set forth in clauses (a), (b) and (c). Assuming the executives execute the required general release of claims, Messrs. Deible, Chamberlin and Robinson will receive lump sum cash payments equal to \$464,171, \$405,887 and \$435,800, respectively, in connection with completion of the merger and the termination of their employment.

Each of the executive employment agreements also provide for the continuation of life insurance for the remainder of the executive's life, except that such continued life insurance was waived by Mr. Robinson. Each agreement also provides that the executive's severance payments will be reduced to the executive's Code Section 280G threshold i.e., 2.99 times the executive's five-year average compensation) if such reduction would result in the executive receiving a greater net after-tax benefit than the net after-tax benefit he would have received if he received his full severance benefits and paid the 20% excise tax imposed by Section 4999 of the Code as a result of exceeding his Section 280G threshold. Each of the executives is expected to be below his respective Code Section 280G threshold.

Supplemental Executive Retirement Plan Agreements. Community First Bank is a party to a supplemental executive retirement plan agreement ("SERP") with each of Messrs. Deible, Chamberlin and

TABLE OF CONTENTS

Robinson. Each SERP provides that the executive will receive supplemental retirement benefits beginning at age 66 in the amount of \$1,000 per month for 20 years. However, if the executive's employment is terminated after a change in control and before the executive reaches age 66, then the monthly payments for 20 years will commence within 90 days after the termination of the executive's employment. As of the date of this proxy statement/information statement/prospectus, Messrs. Deible, Chamberlin and Robinson are age 63, age 64 and age 62, respectively. As a result, the commencement of their SERP benefits will be accelerated in connection with completion of the merger and the termination of their employment.

Consulting Agreements. Emclaire expects to enter into consulting agreements with Messrs. Chamberlin and Robinson upon completion of the merger through December 31, 2018 at a consulting fee of \$10,000 per month. In addition, pursuant to the consulting agreement, Emclaire expects to either pay the COBRA premiums for Mr. Chamberlin and his spouse through December 31, 2018 or provide him with a cash payment equal to the amount of such premiums.

Boards of Directors. The merger agreement provides that Emclaire and Farmers National Bank will expand the size of their respective boards of directors by two members and, effective as of the effective time of the merger, will appoint Henry H. Deible and Henry H. Deible, II, each of whom currently serve as directors of Community First and Community First Bank, to serve as directors of Emclaire and Farmers National Bank.

Indemnification and Continued Director and Officer Liability Coverage. For a period of six years after the effective time of the merger, Emclaire has agreed to indemnify and hold harmless each person who is now, or who has been at any time before the effective time of the merger, an officer or director or employee of Community First and its subsidiaries against all losses, costs, damages or expenses incurred in connection with any claim, action, suit, proceeding or investigation that is a result of matters that existed or occurred at or before the effective time of the merger to the same extent as Community First currently provides for indemnification of its officers and directors. In addition, Emclaire has agreed to provide directors' and officers' liability insurance coverage for a period of up to six years following the effective time of the merger to the directors and officers of Community First immediately before the effective time of the merger under the directors' and officers' liability insurance policy currently maintained by Community First or policies of at least the same coverage and amount and containing terms and conditions that are not less advantageous than the current policy, with respect to acts or omissions occurring prior to the effective time of the merger, except that Emclaire is not required to incur an expense greater than \$45,000.

Voting and Support Agreements

In connection with Community First's entry into the merger agreement, Community First's directors and executive officers entered into voting and support agreements whereby the directors and executive officers, in their capacities as shareholders of Community First and/or Community First Bank, have agreed to vote in favor of the approval of the merger agreement at the Community First special meeting, among other things. In the voting and support agreements, the directors and executive officers of Community First have also agreed that, during the one-year period following consummation of the merger they will not, with certain exceptions, solicit the banking business of former customers of Community First within the Commonwealth of Pennsylvania, solicit for employment any employee of Emclaire or Farmers National, as the surviving entities of the merger and the bank merger, or make disparaging remarks about Emclaire, Farmers National or any of their affiliates, directors or employees. The Community First directors and executive officers who entered into the voting and support agreements own an aggregate of 117,393 shares, or approximately 32.0% of the outstanding shares, of Community First common stock.

The form of voting and support agreement is attached as Exhibit B to the merger agreement, which is attached to this proxy statement/information statement/prospectus as Annex A.

Dissenters' Rights

General. Pennsylvania law provides that Community First shareholders are entitled to object to and dissent from the merger agreement and demand payment for the otherwise determined fair value of their shares of Community First common stock in accordance with the procedures under Subchapter D of the PBCL.

TABLE OF CONTENTS

If you are a shareholder of Community First and you are considering exercising your right to dissent, you should read carefully the provisions of Subchapter D of Chapter 15 of the PBCL, which is attached to this proxy statement/information statement/prospectus as Annex C. A discussion of the material provisions of the statute follows here. This discussion is qualified in its entirety by reference to the applicable dissenters' rights provisions of Pennsylvania law. The discussion describes the steps that you must take if you want to exercise your right to dissent. You should read this summary and the full text of the law. You are advised to consult legal counsel if you are considering the exercise of your dissenters' rights. Failure to strictly comply with these procedures may result in the loss of these dissenters' rights.

Before the day of the Community First shareholders meeting, send any written notice or demand required concerning your exercise of dissenters' rights to:

Community First Bancorp, Inc.

444 East Main Street

Reynoldsville, PA 15851

Attention: Eugene E. Deible, III, Corporate Secretary

Fair Value. The term "fair value" means the value of a share of Community First stock immediately before the day of the merger, taking into account all relevant factors, but excluding any appreciation or depreciation in anticipation of the merger.

Notice of Intention to Dissent. If you wish to dissent, you must:

- file a written notice with Community First of your intention to demand payment of the fair value of your shares if the merger is completed, prior to the vote of shareholders on the merger at the meeting;
- make no change in your beneficial ownership of stock from the date you give notice through the day of completion of the merger; and
- refrain from voting your shares to approve and adopt the merger agreement (a failure to vote against approval and adoption of the merger agreement, however, will not constitute a waiver of dissenters' rights).

Shareholders considering exercising dissenters' rights should recognize that the fair value could be more than, the same as or less than the merger consideration offered by Emclaire that they would be entitled to receive under the terms of the merger if they do not exercise dissenters' rights with respect to their shares.

Opinions of investment banking firms as to the fairness from a financial point of view of consideration received in a merger do not address, and are not necessarily determinative of, fair value under the PBCL.

Only a record holder of shares of Community First stock is entitled to assert dissenters' rights with respect to the shares registered in such holder's name. A beneficial owner who is not a record holder and who wishes to exercise dissenters' rights may do so only if he or she submits a written consent of the record holder with his or her demand for payment (the demand for payment is described below). Accordingly, beneficial owners are advised to consult promptly with the appropriate record holder as to the timely exercise of dissenters' rights.

A record holder, such as a broker or depository nominee, who holds shares as a nominee for others may exercise dissenters' rights with respect to all of the shares held for one or more beneficial owners, while not exercising such rights for other beneficial owners. The demand for payment (which is described below) must show the name and address of the person or persons on whose behalf the dissenters' rights are being exercised. A beneficial owner may not assert dissenters' rights with respect to some but less than all shares owned by him or her, whether or not all of the shares so owned by him or her are registered in his or her name.

Neither delivery of a proxy nor a vote against approval and adoption of the merger agreement satisfies the necessary written notice of intention to dissent.

TABLE OF CONTENTS

Notice to Demand Payment. If the merger is approved by the required vote of shareholders, Community First will mail a notice to all dissenters who gave due notice of intention to demand payment and who did not vote for approval and adoption of the merger agreement. The notice will state where and when you must deliver a written demand for payment and where you must deposit certificates for stock in order to obtain payment. The notice will include a form for demanding payment and a copy of the law. The time set for receipt of the demand for payment and deposit of stock certificates will be not less than 30 days from the date of mailing of the notice.

Failure to Comply with Notice to Demand Payment, etc. You must take each step in the order above and in strict compliance with the statute to maintain your dissenters' rights. If you fail to follow the steps, you will lose your right to dissent and your shares of Community First common stock will be converted into the right to receive the merger consideration in accordance with the merger agreement.

Payment of Fair Value of Shares. Promptly after the approval of the merger by shareholders of Community First, or upon timely receipt of demand for payment if the merger already has taken place, Emclaire, as successor to Community First, will send dissenters who have deposited their stock certificates the amount that Emclaire estimates to be the fair value of the shares or give written notice that no remittance will be made. The remittance or notice will be accompanied by:

- a closing balance sheet and statement of income of Community First for a fiscal year ending not more than 16 months before the date of remittance or notice together with the latest available interim financial statements;
- a statement of Emclaire's estimate of the fair value of the Community First stock; and
- a notice of the right of the dissenter to demand supplemental payment, accompanied by a copy of the law.

If Emclaire does not remit the amount of its estimate of the fair value of the shares as provided above, it will return all stock certificates that have been deposited. Emclaire, may make a notation on any such certificate that a demand for payment has been made. If shares with respect to which notation has been so made are transferred, a transferee of such shares will not acquire by such transfer any rights other than those that the original dissenter had after making demand for payment.

Estimate by Dissenter of Fair Value of Shares. If a dissenter believes that the amount stated or remitted by Emclaire is less than the fair value of the shares, the dissenter may send his or her estimate of the fair value of the shares to Emclaire, which will be deemed a demand for payment of the amount of the deficiency. If Emclaire remits payment or sends notice to the dissenter of the estimated value of a dissenters' shares and the dissenter does not file his or her own estimate within 30 days after the mailing by Emclaire of its remittance or notice, the dissenter will be entitled to no more than the amount stated in the notice or remitted by Emclaire.

Valuation Proceeding. If any demands for payment remain unsettled within 60 days after the latest to occur of:

- timely receipt by Emclaire, as Community First's successor of any demands for payment; or
- timely receipt by Emclaire, as Community First's successor of any estimates by dissenters of the fair value, then, Emclaire may file an application in court requesting that the court determine the fair value of the stock. If this happens, all dissenters, no matter where they reside, whose demands have not been settled, shall be made parties to the proceeding. In addition, a copy of the application will be delivered to each dissenter.

If a shareholder is a nonresident, the copy will be served in the manner provided or prescribed by or under applicable provisions of Pennsylvania law relating to bases of jurisdiction and interstate and international procedure. The jurisdiction of the court will be plenary and exclusive. Such court may appoint an appraiser to receive evidence and recommend a decision on the issue of fair value. The appraiser will have such power and authority as may be specified

in the order of appointment or in any amendment thereof. Each dissenter who is made a party will be entitled to recover the amount by which the fair value of his or her shares is found to exceed the amount, if any, previously remitted, plus interest.

62

TABLE OF CONTENTS

Interest from the effective time of the merger until the date of payment will be at such rate as is fair and equitable under all of the circumstances, taking into account all relevant factors.

If Emclaire fails to file the application, then any dissenter may file an application at any time within a period of 30 days following the expiration of the 60-day period and request that the court determine the fair value of the shares. The fair value determined by the court may, but need not, equal the dissenters' estimates of fair value and may be higher or lower than the consideration payable to Community First shareholders. If no dissenter files an application, then each dissenter entitled to do so shall be paid Emclaire's estimate of the fair value of the shares and no more, and may bring an action to recover any amount not previously remitted.

Emclaire intends to negotiate in good faith with any dissenting shareholders. If, after negotiation, a claim cannot be settled, then Emclaire intends to file an application requesting that the fair value of the stock be determined by the court.

Costs and Expenses. The costs and expenses of any valuation proceeding, including the reasonable compensation and expenses of any appraiser appointed by the court, will be determined by the court and assessed against Emclaire, except that any part of the costs and expenses may be apportioned and assessed as the court deems appropriate against all or some of the dissenting shareholders who are parties and whose action in demanding the payment or supplemental payment in accordance with their estimate of the fair value of their shares, as described above, the court finds to be dilatory, obdurate, arbitrary, vexatious or in bad faith.

Fees and expenses of counsel and of experts for the respective parties may be assessed as the court deems appropriate against Emclaire, as Community First's successor, and in favor of any or all dissenting shareholders if Community First failed to comply substantially with the requirements of Subchapter D of Chapter 15 of the PBCL, and may be assessed against either Emclaire, as Community First's successor, or a dissenting shareholder, in favor of any other party, if the court finds that the party against whom the fees and expenses are assessed acted in bad faith or in a dilatory, obdurate, arbitrary or vexatious manner in respect to the rights provided by Subchapter D.

If the court finds that the services of counsel for any dissenting shareholder were of substantial benefit to other dissenting shareholders similarly situated and should not be assessed against Community First, it may award to those counsel reasonable fees to be paid out of the amounts awarded to the dissenting shareholders who were benefited. From and after the effective time of the merger, dissenting shareholders are not entitled to vote their shares for any purpose and are not entitled to receive payment of dividends or other distributions on their shares.

Community First Bank Preferred Shareholders. Under Pennsylvania banking law, preferred shareholders of Community First Bank do not have dissenters' or appraisal rights in the bank merger.

TABLE OF CONTENTS

THE MERGER AGREEMENT

The following describes certain aspects of the merger and bank merger, including certain material provisions of the merger agreement. The following description of the merger agreement is subject to, and qualified in its entirety by reference to, the merger agreement, which is attached to this proxy statement/information statement/prospectus as Annex A and is incorporated by reference into this proxy statement/information statement/prospectus. We urge you to read the merger agreement carefully and in its entirety, as it is the legal document governing this merger.

Terms of the Merger

Each of the Emclaire board of directors and the Community First board of directors has adopted and approved the agreement and plan of merger by and between Emclaire and Community First, which provides for Emclaire's acquisition of Community First and the merger of Community First with and into Emclaire. Each share of Emclaire common stock issued and outstanding immediately prior to completion of the merger will remain issued and outstanding as one share of common stock of Emclaire. Each share of Community First common stock issued and outstanding at the effective time of the merger (with the exception of Company-Owned Stock, as defined below and shares of Community First common stock owned by shareholders exercising their dissenters' rights) will be converted into the right to receive 1.2008 shares of Emclaire common stock plus \$6.95 in cash, as described below. See "— Consideration to Be Received in the Merger." Company-Owned Stock means shares of Community First held in treasury by Community First or any shares of Community First held by Emclaire immediately prior to the effective time of the merger (other than shares held in trust, managed, custodial, fiduciary, nominee or similar accounts or in connection with debts previously contracted). Each share of Community First common stock held as Company-Owned Stock immediately prior to the effective time of the merger will be canceled and retired and no consideration will be issued in exchange for Company-Owned Stock. As of the date of this document, Emclaire owns 18,000 Community First shares, or 4.9% of the outstanding Community First common stock, which are deemed to be Company-Owned Stock and will be canceled upon consummation of the merger.

The Emclaire articles of incorporation and bylaws of Emclaire as in effect at the time of the merger will be the articles of incorporation and bylaws of Emclaire as the surviving entity after the completion of the merger. The merger agreement provides that Emclaire may change the method of effecting the merger. No such change will alter the amount or kind of merger consideration to be provided under the merger agreement, adversely affect the tax consequences to Community First shareholders, or materially jeopardize or delay obtaining consents or regulatory approvals relating to the merger, satisfaction of a closing condition or otherwise adversely affect Community First or Community First shareholders.

Immediately following the merger, Community First Bank will merge with and into Farmers National pursuant to the bank merger agreement. Upon completion of the bank merger, each outstanding share of preferred stock of Community First Bank will be exchanged for one share of preferred stock of Emclaire. A copy of the form of bank merger agreement is included as Exhibit A to the merger agreement, which is attached to this proxy statement/information statement/prospectus as Annex A.

Closing and Effective Time of the Merger

The merger will be completed no later than the twentieth calendar day following the satisfaction or waiver of all conditions to the merger discussed in this proxy statement/information statement/prospectus and set forth in the merger agreement, or on such other date as may be agreed to in writing by the parties. See "— Conditions to Complete the Merger." It is currently anticipated that the effective time of the merger will occur in the fourth quarter of 2018, but Emclaire and Community First cannot guarantee when or if the merger will be completed.

Consideration to be Received in the Merger

As a result of the merger, each Community First shareholder will have the right, with respect to each share of Community First common stock held (excluding Company-Owned Stock and shares of Community First common stock owned by shareholders exercising their dissenters' rights), to receive 1.2008 shares of Emclaire common stock plus \$6.95 in cash.

TABLE OF CONTENTS

Conversion of Shares; Letter of Transmittal; Exchange of Certificates

The conversion of Community First common stock into the right to receive the merger consideration will occur automatically at the effective time of the merger. As soon as reasonably practicable after completion of the merger but in any event within five (5) business days, the exchange agent will mail to each Community First shareholder a letter of transmittal with instructions on how to exchange certificates representing shares of Community First common stock for the merger consideration, to be received in the merger pursuant to the terms of the merger agreement. You will be required to submit your certificates before you will receive your merger consideration. If a certificate for Community First common stock has been lost, stolen or destroyed, the exchange agent will issue the consideration properly payable under the merger agreement upon receipt of an affidavit as to that loss, theft or destruction, appropriate evidence as to the ownership of that certificate by the claimant, and appropriate and customary indemnification. American Stock Transfer & Trust Company, Emclaire's transfer agent and registrar, will be the exchange agent in the merger and will receive forms of election, exchange certificates for the merger consideration and perform other duties as explained in the merger agreement.

Withholding

Each of Emclaire and the exchange agent will be entitled to deduct and withhold from the consideration payable to any Community First shareholder such amounts as it is required to deduct and withhold under any federal, state, local or foreign tax law. If either of them withholds any such amounts, these amounts will be treated for all purposes of the merger as having been paid to the shareholders from whom they were withheld.

Dissenters' Rights

The shares of Community First stock that are held by a Community First shareholder who has perfected his or her right to dissent under applicable law will not be converted into, nor represent a right to receive, the merger consideration. Instead, such dissenting shareholder will be entitled to the rights granted by Pennsylvania law. If any dissenting Community First shareholder withdraws or loses his or her rights under Pennsylvania law, the shares of Community First common stock held by such shareholder will be converted into the right to receive the merger consideration in accordance with the merger agreement.

Dividends and Distributions

Until Community First common stock certificates are surrendered for exchange, any dividends or other distributions declared after the effective time of the merger with respect to Emclaire common stock into which shares of Community First common stock may have been converted will accrue but will not be paid. Emclaire will pay to former Community First shareholders any unpaid dividends or other distributions, without interest, only after they have surrendered their Community First stock certificates.

Pursuant to the merger agreement, prior to the effective time of the merger, Community First and its subsidiaries may not declare or pay any dividend or distribution on its capital stock other than its normal semi-annual or quarterly cash dividend on its common stock and the normal dividends on the preferred stock of Community First Bank.

Representations and Warranties

The merger agreement contains customary representations and warranties of Community First and Emclaire relating to their respective businesses. The representations must be true and correct in accordance with the materiality standards set forth in the merger agreement, as of the date of the merger agreement and at the effective date of the merger as though made at and as of such time (except that representations and warranties that by their terms speak as of the date of the merger agreement or some other date must be true and correct as of such date). The representations and warranties in the merger agreement do not survive the effective time of the merger.

TABLE OF CONTENTS

Each of Emclaire and Community First has made representations and warranties to the other regarding, among other things:

- corporate matters, including due organization and qualification;
- capitalization;
- authority relative to execution and delivery of the merger agreement and the absence of breach or violations of organizational documents or other obligations as a result of the merger;
- required governmental filings and consents;
- financial statements and the absence of undisclosed liabilities;
- tax matters;
- the absence of circumstances and events reasonably likely to have a material adverse effect on the respective business of Emclaire and Community First;
- legal proceedings;
- the validity of their rights to possess and use the intellectual property utilized by each of them;
- labor matters;
- its loan portfolio;
- its ownership of property and insurance coverage;
- employee benefit plans and the administration of those plans;
- environmental matters;
- compliance with applicable law;
-

brokers, finders and financial advisors; and

- information supplied.

Community First has also made additional representations and warranties to Emclaire regarding deposits, material contracts and its bank regulatory report.

Emclaire also has made representations and warranties to Community First regarding its common stock and its reports and proxy statements filed with the SEC.

The representations and warranties described above and included in the merger agreement were made by Emclaire and Community First to each other. These representations and warranties were made as of specific dates, may be subject to important qualifications and limitations agreed to by Emclaire and Community First in connection with negotiating the terms of the merger agreement (including by reference to information contained in disclosure schedules delivered by the parties under the merger agreement), and may have been included in the merger agreement for the purpose of allocating risk between Emclaire and Community First rather than to establish matters as facts. Accordingly, the representations and warranties and other provisions of the merger agreement should not be read alone, but instead should be read only in conjunction with the information provided elsewhere in this proxy statement/information statement/ prospectus.

Covenants and Agreements

Each of Community First and Emclaire has undertaken customary covenants that place restrictions on it and its subsidiaries until the effective time of the merger. In general, each of Emclaire and Community First has agreed to operate its respective business in the usual, regular and ordinary course of business, use commercially reasonable efforts to preserve intact its business organization and assets and maintain its rights and franchises, and voluntarily take no action that would materially and adversely affect the ability to obtain any regulatory approvals required for the merger or materially affect its ability to perform its covenants under the merger agreement.

66

TABLE OF CONTENTS

In addition, Community First has agreed, with certain exceptions and except with Emclaire's prior written consent (which consent will not be unreasonably withheld, conditioned or delayed), that Community First will not, and will not permit any of its subsidiaries to, among other things, undertake the following extraordinary actions:

- amend its articles of incorporation or its bylaws or appoint any new directors;
- change the number of authorized or issued shares of its capital stock, issue any shares of Community First common stock, make any grant or award any options, warrants or similar instruments, or split, combine or reclassify any shares of capital stock, or declare, set aside or pay any dividend or other distribution in respect of capital stock (other than Community First's regular semi-annual cash dividend of \$0.25 per share on its common stock and a quarterly cash dividend of \$0.125 per share on its common stock in September 2018 and except for normal dividends on the outstanding shares of Community First Bank preferred stock), or redeem or otherwise acquire any shares of capital stock;
- enter into, amend in any material respect or terminate any material contract or agreement (including without limitation any settlement agreement with respect to litigation), or waive, release, grant or transfer any material rights of value except in the ordinary course of business;
- make application for the opening or closing of any, or open or close any, branch or automated banking facility;
- grant or agree to pay any bonus, severance or termination to, or enter into, renew or amend any employment agreement, severance agreement and/or supplemental executive agreement with, or increase in any manner the compensation or fringe benefits of, any of its directors, officers or employees other than normal salary increases to non-contract employees not exceeding 3%;
- enter into or, except as may be required by law, materially modify any pension, retirement, stock option, stock purchase, stock appreciation right, stock grant, savings, profit sharing, deferred compensation, supplemental retirement, consulting, bonus, group insurance or other employee benefit, incentive or welfare contract, plan or arrangement, or any trust agreement related thereto, in respect of any of its directors, officers or employees; or make any contributions to any defined contribution plan not in the ordinary course of business consistent with past practice;
- merge or consolidate with any other entity, sell or lease all or a substantial portion of its assets or business or acquire all or a substantial portion of the assets or business or any other entity;
- issue any equity or debt securities or sell or dispose of any material asset other than in the ordinary course consistent with past practice;
- materially change any method, practice or principle of accounting;
- purchase any equity securities, or purchase any securities other than securities of the U.S. government and government agencies with maturities of three years or less;

- make any new loan or other credit facility commitment (including without limitation, lines of credit and letters of credit) in an amount in excess of \$250,000 for a commercial loan, or in excess of \$417,000 for a non-conforming residential loan. In addition, the prior approval of the Company is required with respect to the foregoing: (i) any new loan or credit facility commitment in an amount of \$150,000 or greater to any borrower or group of affiliated borrowers whose credit exposure with, in the aggregate, exceeds \$500,000 prior thereto or as a result thereof; (ii) any new loan or credit facility commitment in excess of \$417,000 for any non-conforming residential mortgage loan (or \$150,000 with respect to HELOCs) to any person residing, or any property located, outside of the Commonwealth of Pennsylvania; (iii) any new unsecured loan in excess of \$25,000; and (iv) any new loan or loan commitment to any Community First director or executive officer;

- enter into, renew, extend or modify any transaction with an affiliate;

- enter into any futures contract or other hedge;

TABLE OF CONTENTS

- make any material change in existing banking policies, such as lending, the establishment of reserves, asset/liability management, deposit pricing;
- make any capital expenditures or in excess of \$10,000 individually or \$25,000 in the aggregate, other than expenditures necessary to maintain existing assets in good repair;
- purchase or otherwise acquire, or sell or otherwise dispose of, any material assets or incur any material liabilities other than in the ordinary course of business consistent with past practices and policies;
- enter into any lease, contract or other commitment for its account, other than in the ordinary course, involving a payment of more than \$5,000 annually, or containing any financial commitment in excess of \$15,000 in the aggregate and extending beyond 24 months from the date of the merger agreement;
- pay, discharge, settle or compromise any claim, action, litigation, arbitration or proceeding, other than any such payment, discharge, settlement or compromise in the ordinary course of business consistent with past practice that involves solely money damages in the amount not in excess of \$10,000 individually or \$25,000 in the aggregate;
- foreclose upon any commercial real estate before conducting a Phase I environmental assessment;
- purchase or sell any mortgage loan servicing rights other than in the ordinary course of business consistent with past practice;
- sell any loan participation interest, other than in the ordinary course of business consistent with past practice; or
- sell any OREO (unless net book loss does not exceed \$10,000).

Community First and its subsidiaries also agreed to take all steps required by any relevant federal or state law or regulation or under any relevant agreement or other document to exempt or continue to exempt Emclaire, Farmers National, the merger, the merger agreement and the transactions contemplated by the merger agreement from any provisions of an anti-takeover nature contained in Community First's or its subsidiaries' organizational documents, and the provisions of any applicable federal or state anti-takeover laws and regulations.

Each of Emclaire and Community First has agreed to additional covenants which include, among other things, commitments to provide certain financial and regulatory information upon request and maintain insurance in reasonable amounts.

Emclaire has further agreed that Emclaire will:

- take all reasonable action so that Community First employees continuing after the merger are entitled to participate in the Emclaire compensation and benefit plans to the same extent as similarly situated employees of Emclaire, as further detailed in the merger agreement;
-

Emclaire shall make available to continuing employees benefit plans of Emclaire on the same basis it provides coverage to Emclaire employees, as further detailed in the merger agreement;

- for determining eligibility and vesting for certain Emclaire employee benefit plans (and not for benefit accrual purposes except with respect to vacation, leave policies or programs and for calculating severance benefits), provide credit for meeting eligibility and vesting requirements in such plans for service as an employee of Community First or any predecessor of Community First;

- establish a retention bonus pool for employees of Community First who are selected and who remain employed through a specified date, provided that the aggregate amount of such retention bonuses shall not exceed \$50,000;

TABLE OF CONTENTS

- to indemnify, defend and hold harmless all current and former officers and directors of Community First against all claims that arise out of the fact that such person is or was a director or officer of Community First or its subsidiaries and that relate to any matter of fact existing at or prior to the merger, to the fullest extent as would have been permitted by Community First under Pennsylvania law and under Community First's articles of incorporation and bylaws;

- maintain, for six years following the merger, Community First's current directors' and officers' liability insurance policies covering the officers and directors of Community First with respect to matters occurring at or prior to the merger, except that Emclaire may substitute similar policies, and that Emclaire is not required spend more than \$45,000 in order to obtain this insurance; and

- reserve a sufficient number of shares of its common stock and maintain sufficient liquid accounts or borrowing capacity to fulfill its obligations in connection with the merger.

The merger agreement also contains mutual covenants relating to the preparation of this proxy statement/information statement/prospectus, the regulatory applications and the holding of the special meetings of shareholders of Community First and Community First Bank, access to information of Community First and public announcements with respect to the transactions contemplated by the merger agreement. Community First and Emclaire also agreed to use commercially reasonable efforts to take all actions needed to obtain necessary governmental and third-party consents and to consummate the transactions contemplated by the merger agreement and to not take any action that would or could reasonably be expected to disqualify the merger as a reorganization within the meaning of Section 368(a) of the Code.

Shareholder Meeting

Community First has agreed to hold a meeting of its shareholders as soon as is promptly practicable after the SEC has declared the merger registration statement, of which this proxy statement/information statement/prospectus is a part, effective. Community First's board of directors has agreed to recommend that its shareholders vote in favor of the approval and adoption of the merger agreement.

Agreement Not to Solicit Other Offers

Community First has agreed that it, its subsidiaries and their respective officers, directors, employees, investment bankers, financial advisors, attorneys, accountants, consultants, affiliates or other agents will not, directly or indirectly, (a) initiate, solicit, induce or knowingly encourage, or take any action to facilitate the making of, any inquiry, offer or proposal which constitutes, or could reasonably be expected to lead to, an "acquisition proposal" as defined in the merger agreement; (b) participate in any discussions or negotiations regarding any acquisition proposal or furnish, or otherwise afford access, to any person (other than Emclaire) any information or data with respect to Community First or any of its subsidiaries or otherwise relating to an acquisition proposal; (c) release any person from, waive any provisions of, or fail to enforce any confidentiality agreement or standstill agreement to which Community First is a party; or (d) enter into any agreement, agreement in principle or letter of intent with respect to any acquisition proposal or approve or resolve to approve any acquisition proposal or any agreement, agreement in principle or letter of intent relating to an acquisition proposal. Any violation of the foregoing restrictions by Community First or any Community First representative, whether or not such representative is so authorized and whether or not such representative is purporting to act on behalf of Community First or otherwise, shall be deemed to be a breach of the merger agreement by Community First. The merger agreement required Community First and its subsidiaries to, and to cause each of Community First representatives to, immediately cease and cause to be terminated any and all existing discussions, negotiations, and communications with any persons with respect to any existing or potential acquisition proposal.

In the merger agreement:

“acquisition proposal” means any inquiry, offer or proposal (other than an inquiry, offer or proposal from Emclaire), whether or not in writing, contemplating, relating to, or that could reasonably be expected to lead to, an “acquisition transaction.”

69

TABLE OF CONTENTS

“acquisition transaction” means (a) any transaction or series of transactions involving any merger, consolidation, recapitalization, share exchange, liquidation, dissolution or similar transaction involving Community First or any of its subsidiaries; (b) any transaction pursuant to which any third party or group acquires or would acquire (whether through sale, lease or other disposition), directly or indirectly, any assets of Community First or any of its subsidiaries representing, in the aggregate, 25% or more of the assets of Community First and its subsidiaries on a consolidated basis; (c) any issuance, sale or other disposition of (including by way of merger, consolidation, share exchange or any similar transaction) securities (or options, rights or warrants to purchase or securities convertible into, such securities) representing 25% or more of the votes attached to the outstanding securities of Community First or any of its subsidiaries; (d) any tender offer or exchange offer that, if consummated, would result in any third party or group beneficially owning 25% or more of any class of equity securities of Community First or any of its subsidiaries; or (e) any transaction which is similar in form, substance or purpose to any of the foregoing transactions, or any combination of the foregoing.

Community First may, however, participate in discussions with, and may furnish information to, a third party in connection with a bona fide unsolicited acquisition proposal if, and only if:

- Community First has received a bona fide unsolicited written acquisition proposal that did not result from a breach of the merger agreement;
- the board of directors of Community First determines in good faith, after consultation with its outside legal counsel and its independent financial advisor, that such acquisition proposal constitutes a “superior proposal;”
- prior to furnishing or affording access to any information or data with respect to Community First or any of its subsidiaries or otherwise relating to an acquisition proposal, Community First receives from such person a confidentiality agreement with terms no less favorable to Community First than those contained in the confidentiality agreements between Community First and Emclaire; and
- the board of directors of Community First determines in good faith, after consultation with its outside legal counsel, that the failure to take any such actions would be reasonably likely to violate its fiduciary duties under applicable laws.

Community First has also agreed to promptly provide to Emclaire any non-public information about Community First that it provides to the third party making the proposal, to the extent such information was not previously provided to Emclaire.

In the merger agreement:

“superior proposal” shall mean any unsolicited bona fide written proposal (on its most recently amended or modified terms, if amended or modified made by a third party to enter into an acquisition transaction on terms that the board of directors of Community First reasonably determines in its good faith judgment, after consultation with outside legal counsel and its financial advisor, (a) would, if consummated, result in the acquisition of all, but not less than all, of the issued and outstanding shares of Community First common stock or all, or substantially all, of the assets of Community First and its subsidiaries on a consolidated basis; (b) would result in a transaction that (i) involves consideration to the holders of the shares of Community First common stock that is more favorable than the merger consideration to be paid to Community First’s shareholders pursuant to the merger agreement, considering, among other things, the nature of the consideration being offered, any regulatory approvals or other risks associated with the timing of the proposed transaction in addition to those specifically contemplated by the merger agreement, and which proposal is not conditioned upon obtaining additional financing and (ii) is, in light of the other terms of such proposal, more favorable to Community First than the merger and the transactions contemplated by the merger agreement; and (c) is reasonably likely to be completed on the terms proposed, in each case taking into account all legal, financial,

regulatory and other aspects of the proposal.

70

TABLE OF CONTENTS

In addition, Community First has agreed that it will not:

- withdraw, qualify or modify in a manner adverse to Emclaire, its recommendation to its shareholders to approve the merger agreement, except to the extent otherwise permitted and described below; or
- approve or recommend, or publicly propose to approve or recommend, any acquisition proposal other than with respect to the Emclaire merger.

Up until the time of the Community First shareholder meeting, however, Community First may withdraw, qualify or modify its recommendation to Community First shareholders to approve the merger agreement, or take any of the other actions listed above in this paragraph with respect to another acquisition proposal if, but only if:

- the Community First board of directors has reasonably determined in good faith, after consultation with its outside legal counsel and financial advisor that the failure to take such actions would be reasonably likely to result in a violation of the board's fiduciary duties to Community First's shareholders under applicable law;
- it has provided at least three business days' prior notice to Emclaire of its intention to take such action and a reasonable description of the event or circumstances giving rise to its determination to take such action (including, in the event such action is taken by the board of directors of Community First in response to an acquisition proposal, the latest material terms and conditions of, and the identity of the third party making, any such acquisition proposal, or any amendment or modification thereof, or describe in reasonable detail such other event or circumstances); and
- after taking into account any adjusted, modified or amended terms as may have been committed to by Emclaire in writing, the Community First board of directors has again in good faith determined that it would nevertheless be reasonably likely to result in a violation of the board of directors' fiduciary duties under applicable law to continue to recommend the merger agreement.

Expenses and Fees

In general, each of Emclaire and Community First will be responsible for all expenses incurred by it in connection with the negotiation and completion of the transactions contemplated by the merger agreement.

Indemnification and Insurance

The merger agreement requires Emclaire to indemnify Community First's and its subsidiaries' current and former directors, officers and employees to the fullest extent as would have been permitted under applicable law and the Community First articles of incorporation or the Community First bylaws or similar governing documents. The merger agreement provides that in the event of any threatened or actual claim, action, suit, cause of action, proceeding or investigation in which any person who is or has been a director or officer of Community First or is threatened to be made party based in whole or in part on, or arising in whole or in part out of the fact that he or she is or was a director or officer of Community First or any of its subsidiaries or predecessors and pertaining to any matter of fact arising, existing or occurring at or before the effective time of the merger (including the merger and the merger agreement), Emclaire will defend against and respond thereto.

Emclaire has agreed to indemnify and hold harmless each such indemnified party against any losses, claims, damages, liabilities, costs, expenses (including reasonable attorney's fees), judgments, and amounts paid in settlement in connection with any such threatened or actual claim, action, suit proceeding or investigation. The merger agreement also requires that Emclaire provide advancement of expenses to, all past and present officers, directors and employees of Community First and its subsidiaries in their capacities as such against all such losses, claims, damages, costs, expenses, liabilities, judgments or amounts paid in settlement to the fullest extent permitted by Pennsylvania law and Community First's articles of incorporation and bylaws.

TABLE OF CONTENTS

The merger agreement provides that Emclaire will maintain for a period of six years after completion of the merger Community First's current directors' and officers' liability insurance policies, or policies of at least the same coverage and amount and containing terms and conditions that are not less advantageous than the current policy, with respect to acts or omissions occurring prior to the effective time of the merger, except that Emclaire is not required to incur an aggregate expense greater than \$45,000.

Conditions to Complete the Merger

Completion of the merger is subject to the fulfillment of certain conditions, none of which may be waived, including:

- the approval and adoption of the merger agreement by Community First's shareholders and the approval of the bank merger agreement by Community First as the sole voting shareholder of Community First Bank and by Emclaire as the sole shareholder of Farmers National;
- the absence of any law, statute, regulation, judgment, decree, injunction or other order in effect by any court or other governmental entity that prohibits completion of the merger or the bank merger;
- the receipt and effectiveness of all required governmental and other approvals, authorizations and consents on terms and conditions that would not have a material adverse effect on Emclaire and Community First, and the expiration of all related waiting periods required to complete the merger;
- the effectiveness of the registration statement of which this proxy statement/information statement/prospectus is a part with respect to the Emclaire common stock to be issued in the merger and the absence of any stop order or proceedings initiated or threatened by the SEC for that purpose;
- the receipt by each of Emclaire and Community First of a legal opinion with respect to certain United States federal income tax consequences of the merger; and
- the approval for listing on the NASDAQ Capital Market of the shares of common stock of Emclaire to be issued in the merger.

Each of Emclaire's and Community First's obligations to complete the merger is also separately subject to the satisfaction or waiver of a number of conditions including:

- the absence of a material adverse effect on the other party;
- the truth and correctness of the representations and warranties of each other party in the merger agreement, subject generally to the materiality standard provided in the merger agreement, and the performance by each other party in all material respects of their obligations under the merger agreement and the receipt by each party of certificates from the other party to that effect;
- performance of all obligations in all material respects;
-

obtaining all material permits, authorizations, consents, waivers, clearances or approvals required for the lawful consummation of the merger;

•

holders of no more than ten percent (10.0%) of the issued and outstanding shares of Community First common stock shall have exercised their statutory appraisal or dissenters' rights;

•

Emclaire shall have taken all requisite corporate action in order to elect the two Community First representatives to the boards of director of Emclaire and Farmers National effective as of the effective time of the merger; and

•

Emclaire having delivered the merger consideration to the exchange agent.

Emclaire and Community First cannot provide assurance as to when or if all of the conditions to the merger can or will be satisfied or waived by the appropriate party. As of the date of this proxy statement/information statement/prospectus, Emclaire and Community First have no reason to believe that any of these conditions will not be satisfied.

72

TABLE OF CONTENTS

Termination of the Merger Agreement

The merger agreement can be terminated at any time prior to completion by mutual consent or by either party in the following circumstances:

- if there is a breach by the other party that would cause the failure of the closing conditions, unless the breach is capable of being, and is, cured within 30 days of notice of the breach and the terminating party is not itself in material breach;
- if the merger has not been completed by February 28, 2019, unless the failure to complete the merger by that date was due to the terminating party's action or inaction;
- if the shareholders of Community First fail to provide the requisite shareholder approval of the merger agreement;
- if any of the required regulatory approvals are denied (and the denial is final and non-appealable); or
- if any court of competent jurisdiction or governmental authority issues an order, decree, ruling or takes any other action restraining, enjoining or otherwise prohibiting the merger or the bank merger (and such order, decree, ruling or action is final and non-appealable).

In addition, Emclaire's board of directors may terminate the merger agreement if the Community First board of directors receives a superior proposal and enters into a letter of intent, agreement in principle or an acquisition agreement with respect to such proposal, withdraws its recommendation of the merger agreement, fails to make such a recommendation or modifies or qualifies its recommendation, in a manner adverse to Emclaire, or has otherwise made a determination to accept such proposal.

Further, Community First's board of directors may terminate the merger agreement if Community First has received a superior proposal and has made a determination to accept such proposal.

Community First may also terminate the merger agreement at any time during the three-day period following the tenth calendar day immediately prior to the effective time of the merger, or if such calendar day is not a trading day on the NASDAQ Capital Market, the trading day immediately preceding such calendar day (the "determination date"), if Community First's board determines that each of the following have occurred:

- the average of the daily closing sale prices of a share of Emclaire common stock as reported on the NASDAQ Capital Market for the 20 consecutive trading days immediately preceding the determination date is less than \$27.0419; and
- the decrease in the price of Emclaire common stock is 17.5% greater than the decrease in the SNL MicroCap U.S. Bank Index during the same period.

However, if Community First chooses to exercise this termination right, Emclaire has the option, within five business days of receipt of notice from Community First, to adjust the merger consideration and prevent termination under this provision.

If the merger agreement is terminated, it will become void, and there will be no liability on the part of Emclaire or Community First, except that both Emclaire and Community First will remain liable for any willful breach of the merger agreement and designated provisions of the merger agreement, including the payment of fees and expenses, and the confidential treatment of information and publicity restrictions, will survive the termination.

TABLE OF CONTENTS

Termination Fee

Community First will pay Emclaire a termination fee of \$750,000 in the event that the merger agreement is terminated:

- by Emclaire because Community First has received a superior proposal and Community First entered into an acquisition agreement with respect to the superior proposal, terminated the merger agreement, or withdrew the Community First recommendation to its shareholders, failed to make the Community First recommendation or modified or qualified the Community First recommendation in a manner adverse to Emclaire;
- by Community First because Community First received and made a determination to accept a superior proposal; or
- where Community First enters into a definitive agreement relating to an acquisition proposal or the consummation of an acquisition proposal involving Community First within twelve (12) months after the occurrence of any of the following: (a) the termination of the merger agreement by Emclaire pursuant to a willful material breach of a representation, warranty, covenant or other agreement by Community First or (b) because of the failure of the shareholders of Community First to approve the merger agreement.

Amendment, Waiver and Extension of the Merger Agreement

Subject to applicable law, the parties may amend the merger agreement by written agreement between Community First and Emclaire executed in the same manner as the merger agreement.

At any time prior to the completion of the merger, each of the parties, by action taken or authorized by their respective board of directors, to the extent legally allowed, may:

- extend the time for the performance of any of the obligations or other acts of the other party;
- waive any inaccuracies in the representations and warranties of the other party; or
- waive compliance by the other party with any of the other agreements or conditions contained in the merger agreement.

However, after any approval of merger agreement by the shareholders of Community First, there may not be, without further approval of such shareholders, any amendment which reduces the amount or value or changes the form of consideration to be delivered to Community First shareholders.

ACCOUNTING TREATMENT

The merger will be accounted for as a “business combination,” as that term is used under generally accepted accounting principles, for accounting and financial reporting purposes, with Emclaire treated as the acquiror. Under the acquisition method of accounting, the assets (including identifiable intangible assets) and liabilities (including executory contracts and other commitments) of Community First as of the effective time of the merger will be recorded at their respective fair values and added to those of Emclaire. Any excess of purchase price over the fair values of net identifiable, tangible and intangible assets and liabilities is recorded as goodwill. Consolidated financial statements of Emclaire issued after the merger would reflect these fair values and would not be restated retroactively to reflect the historical financial position or results of operations of Community First.

TABLE OF CONTENTS

MATERIAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES
OF THE MERGER AND BANK MERGER

The following discussion addresses the material United States federal income tax consequences of the merger to U.S. holders of Community First common stock and of the bank merger to U.S. holders of Community First Bank preferred stock. The term “U.S. holder” means a beneficial owner of shares of Community First common stock or Community First Bank preferred stock that is, for U.S. federal income tax purposes:

- an individual citizen or resident of the United States;

- a corporation (or other entity taxable as a corporation for U.S. federal income tax purposes) created or organized under the laws of the United States or any state thereof or the District of Columbia;

- a trust if (1) a court within the United States is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust or (2) such trust was in existence on August 20, 1996, and has made a valid election to be treated as a U.S. person for U.S. federal income tax purposes; or

- an estate that is subject to U.S. federal income taxation on its income regardless of its source.

The discussion is based on the Code, the U.S. Treasury regulations promulgated thereunder, published positions of the Internal Revenue Service, and judicial decisions, all as currently in effect and all of which are subject to change (possibly with retroactive effect) and to differing interpretations. Any such change could affect the accuracy of the statements and conclusions set forth in this discussion. This discussion applies only to Community First shareholders that hold their Community First common stock as a capital asset within the meaning of Section 1221 of the Code. and to Community First Bank preferred shareholders that hold their Community First Bank preferred stock as a capital asset within the meaning of Section 1221 of the Code. This discussion does not address all aspects of United States federal taxation that may be relevant to a particular shareholder in light of its personal circumstances or to shareholders subject to special treatment under the United States federal income tax laws, including without limitation the following:

- banks and other financial institutions,

- tax-exempt organizations,

- insurance companies,

- retirement plans, individual retirement accounts or other tax-deferred accounts,

- dealers or brokers in securities or currencies,

- traders in securities who elect to use the mark-to-market method of accounting,

- S corporations, partnerships and other pass-through entities and investors in any such entities,
- real estate investment trusts,
- regulated investment companies,
- mutual funds,
- controlled foreign corporations or passive foreign investment companies,
- persons that are not a U.S. holder,
- U.S. expatriates or former citizens or residents of the United States,
- U.S. holders whose functional currency is not the U.S. dollar,
- shareholders who received their Community First common stock through the exercise of employee stock options, holders of options to acquire Community First common stock, or holders who acquired their Community First common stock through a tax-qualified retirement plan or otherwise as compensation, and

TABLE OF CONTENTS

- shareholders who hold Community First common stock as part of a hedge, straddle, constructive sale, conversion transaction or other integrated investment.

In addition, the discussion does not address any alternative minimum tax or any state, local or foreign tax consequences of the merger or bank merger, or under any U.S. federal laws other than those pertaining to the income tax, nor does it address any considerations in respect of any withholding required pursuant to the Foreign Account Tax Compliance Act of 2010 (including the U.S. Treasury regulations issued thereunder and intergovernmental agreements entered into pursuant thereto).

Each holder of Community First common stock and each holder of Community First Bank preferred stock should consult its tax advisor with respect to the particular tax consequences of the merger to such holder.

In connection with the filing with the SEC of the registration statement on Form S-4 of which this joint proxy statement/information statement/prospectus is a part, Silver, Freedman, tax counsel to Emclaire, has rendered its tax opinion to Emclaire and Bybel Rutledge, tax counsel to Community First, has rendered its tax opinion to Community First addressing the U.S. federal income tax consequences of the merger as described below. In rendering their respective tax opinions, each counsel relied upon representations and covenants, including those contained in certificates of officers of Emclaire and Community First, reasonably satisfactory in form and substance to each such counsel. If any of the representations or assumptions upon which the opinions are based are inconsistent with the actual facts, the U.S. federal income tax consequences of the merger and bank merger could be adversely affected. Copies of the tax opinions are attached as Exhibits 8.1 and 8.2 to the registration statement on Form S-4.

The merger is conditioned upon receipt at closing by Emclaire of a legal opinion from Silver, Freedman and upon receipt at closing by Community First of a legal opinion from Bybel Rutledge, in each case dated the closing date of the merger and to the effect that the merger will be treated as a “reorganization” within the meaning of Section 368(a) of the Code. Neither of these opinions will be binding on the Internal Revenue Service or the courts, and neither Emclaire nor Community First intends to request a ruling from the Internal Revenue Service regarding the United States federal income tax consequences of the merger. Consequently, no assurance can be given that the Internal Revenue Service will not assert, or that a court would not sustain, a position contrary to any of those set forth below. The opinions of Silver, Freedman and Bybel Rutledge to be issued at closing will rely on certain assumptions that customarily are made with respect to transactions of this kind. The opinions also will rely on certain factual representations contained in officers’ certificates of Emclaire and Community First. Silver, Freedman and Bybel Rutledge will assume such representations to be true, correct and complete. If any such representation cannot be made on the effective date of the merger, or any such representation or assumption is incorrect, then Silver, Freedman and Bybel Rutledge may be unable to render the opinions upon which the closing is conditioned.

In the opinion of Silver, Freedman and Bybel Rutledge, in reliance on representation letters provided by Emclaire and Community First and upon customary factual assumptions, as well as certain covenants and undertakings of Emclaire and Community First, the merger will qualify as a “reorganization” within the meaning of Section 368(a) of the Code. The discussion below of the material U.S. federal income tax consequences of the merger serves, insofar as such discussion constitutes statements of United States federal income tax law or legal conclusions, as the opinion of each of Silver, Freedman and Bybel Rutledge as to the material U.S. federal income tax consequences of the merger to the U.S. holders of Community First common stock.

Receipt of Emclaire Common Stock and Cash

Gain But No Loss. A U.S. holder of Community First common stock will recognize gain, but not loss, in an amount equal to the lesser of:

- the amount of gain realized with respect to the Community First common stock surrendered in the exchange; and

- the amount of cash received (other than cash received in lieu of a fractional share of Emclaire common stock, which will be taxed as discussed below under “— Cash Received in Lieu of a Fractional Share of Emclaire Common Stock”).

TABLE OF CONTENTS

The amount of gain realized with respect to the Community First common stock exchanged will equal the excess, if any, of:

- the sum of the cash received plus the fair market value of Emclaire common stock received over
- the Community First shareholder's adjusted tax basis in such Community First common stock.

For this purpose, gain or loss must be calculated separately for each identifiable block of shares of Community First common stock surrendered in the merger, and a loss with respect to one block of shares may not be used to offset a gain realized on another block of shares. Holders should consult their tax advisors regarding the manner in which gain or loss should be determined for each identifiable block of Community First common stock surrendered in the merger. In addition, for purposes of calculating gain or loss, the fair market value of Emclaire common stock is based on the trading price of that stock on the date of completion of the merger.

For purposes of determining the character of this gain, such Community First shareholder will be treated as having received only Emclaire common stock in exchange for such shareholder's Community First common stock, and as having immediately redeemed a portion of such Emclaire common stock for the cash received. Unless this deemed redemption is treated as a dividend (as described below in "— Possible Treatment of Cash as a Dividend") to the extent of such shareholder's ratable share of accumulated earnings and profits of Community First, the gain will be capital gain if the Community First common stock is held by such shareholder as a capital asset at the time of the merger. Any capital gain will be long-term capital gain if, as of the date the merger is completed, the holding period for such Community First common stock is more than one year.

Tax Basis. The aggregate adjusted tax basis of Emclaire common stock received in the merger generally will be equal to the aggregate adjusted tax basis of the shares of Community First common stock surrendered in the merger, reduced by the amount of cash received by the holder in the merger (excluding any cash received in lieu of a fractional share), and increased by the amount of any gain recognized by the holder in the merger (including any portion of the gain that is treated as a dividend, as described below under "— Possible Treatment of Cash as a Dividend," but excluding any gain or loss resulting from the deemed issuance and redemption of fractional shares as described below under "— Cash Received in Lieu of a Fractional Share of Emclaire Common Stock").

Holding Period. The holding period of Emclaire common stock received in the merger (including fractional shares of Emclaire common stock deemed received and redeemed as described below) will include the holding period of the Community First common stock exchanged therefor.

Taxation of Capital Gain. Except as described under "— Possible Treatment of Cash as a Dividend" below, gain that holders of Community First common stock recognize in connection with the merger generally will constitute capital gain and will constitute long-term capital gain if such holders have held (or are treated as having held) their Community First common stock for more than one year as of the effective date of the merger. Long-term capital gains recognized by non-corporate taxpayers are subject to reduced tax rates compared to ordinary income rates.

Possible Treatment of Cash as a Dividend. In general, the determination of whether gain recognized by a U.S. holder of Community First common stock who exchanges its shares of Community First common stock for a combination of Emclaire common stock and cash will be treated as capital gain or as a dividend distribution will depend on whether, and to what extent, the merger reduces the holder's deemed percentage ownership in Emclaire. For purposes of this determination, each U.S. holder of Community First common stock is treated as if it first exchanged all of its shares of Community First common stock solely for Emclaire common stock and then Emclaire immediately redeemed a portion of the Emclaire common stock in exchange for the cash the holder actually received. The gain recognized in this deemed redemption will be treated as capital gain and not as a dividend equivalent if the deemed redemption is (1) "substantially disproportionate" with respect to the holder, or (2) "not essentially equivalent to a dividend" (i.e., the deemed redemption results in a "meaningful reduction" in the Community First shareholder's interest in Emclaire common stock). The exchange will be substantially disproportionate with respect to the holder if the holder's percentage interest in Emclaire common stock (including stock constructively owned by the holder) immediately after the merger is less than 80% of what

TABLE OF CONTENTS

the percentage interest would have been if, hypothetically, the holder had received solely Emclaire common stock in exchange for all Community First common stock owned or constructively owned by the holder before the merger. Whether an exchange would result in a meaningful reduction depends on the particular Community First shareholder's facts and circumstances. The Internal Revenue Service has ruled that a shareholder in a publicly-held corporation whose stock interest is minimal (e.g., less than 1%) and who exercises no control with respect to corporate affairs can be considered to have a "meaningful reduction" if that shareholder has a minor reduction in its percentage stock ownership in the deemed redemption. Accordingly, the gain recognized in the deemed exchange by such a shareholder would be treated as capital gain. In determining a Community First shareholder's interest in Emclaire common stock, the Community First shareholder may be deemed to own any shares of Emclaire common stock owned, or constructively owned, by certain persons related to such Community First shareholder or that are subject to an option held by the Community First shareholder or a related person.

These rules are complex and dependent upon the specific factual circumstances particular to each Community First shareholder. Consequently, each holder should consult its tax advisor as to the application of these rules to the particular facts relevant to such holder. Community First shareholders that are corporations should consult their tax advisors regarding their eligibility for a dividends received deduction and the treatment of the dividend as an "extraordinary dividend" under Section 1059 of the Code.

Cash Received in Lieu of a Fractional Share of Emclaire Common Stock

A U.S. holder of Community First common stock who receives cash instead of a fractional share of Emclaire common stock will generally be treated as having received such fractional share and then as having received such cash in redemption of that fractional share by Emclaire. Unless the receipt of such cash is treated as a dividend under the principles discussed above under "— Possible Treatment of Cash as a Dividend," a U.S. holder of Community First common stock generally will recognize gain or loss equal to the difference between the amount of cash received and the Community First shareholder's portion of such shareholder's aggregate adjusted tax basis of the shares of Community First common stock exchanged in the merger which is allocable to the fractional share. Such gain or loss will be long-term capital gain or loss if, as of the effective date of the merger, the holding period for such shares is more than one year. The deductibility of capital losses is subject to limitations.

Dissenting Shareholders

If you are a U.S. holder of Community First common stock and you perfect your dissenters' rights with respect to your shares of such stock, you will generally recognize capital gain or loss equal to the difference between the amount of cash received in exchange for those shares and your tax basis in those shares. Any taxable gain or loss to a U.S. holder on the exchange of Community First common stock will generally be treated as either long-term or short-term capital gain or loss depending on such shareholder's holding period for such stock. The tax consequences of cash received may vary depending upon your individual circumstances. Each U.S. holder of Community First stock who contemplates exercising statutory dissenters' rights should consult its tax adviser as to the possibility that all or a portion of the payment received pursuant to the exercise of such rights will be treated as dividend income.

Net Investment Income Tax

A U.S. holder that is an individual is subject to a 3.8% tax on the lesser of: (i) his or her "net investment income" for the relevant taxable year; or (ii) the excess of his or her modified adjusted gross income for the taxable year over a certain threshold (between \$125,000 and \$250,000 depending on the individual's U.S. federal income tax filing status). Estates and trusts are subject to similar rules. Net investment income generally would include any capital gain recognized in connection with the merger (including any gain treated as a dividend), as well as, among other items, other interest, dividends, capital gains and rental or royalty income received by such individual. Holders should consult their tax advisors as to the application of this additional tax to their circumstances.

TABLE OF CONTENTS

Backup Withholding and Information Reporting

Backup withholding at the applicable rate (currently 24%) will generally apply to merger consideration that includes cash if the exchanging Community First shareholder fails to properly certify that it is not subject to backup withholding, generally on Internal Revenue Service Form W-9. Certain holders, including, among others, United States corporations, are not subject to backup withholding, but they may still need to furnish a Form W-9 or otherwise establish an exemption. Any amounts withheld from payments to a Community First shareholder under the backup withholding rules are not additional taxes and will be allowed as a refund or credit against the shareholder's United States federal income tax liability, provided that the required information is timely furnished to the Internal Revenue Service.

A U.S. holder of Community First common stock who receives Emclaire common stock as a result of the merger will be required to retain records pertaining to the merger. Each U.S. holder of Community First common stock who is required to file a U.S. federal income tax return and who is a "significant holder" that receives Emclaire common stock in the merger will be required to file a statement with such U.S. federal income tax return in accordance with Treasury Regulations Section 1.368-3 setting forth such holder's basis (determined immediately prior to the exchange) in the Community First common stock surrendered and the fair market value (determined immediately prior to the exchange) of the Community First common stock that is exchanged by such significant holder. A "significant holder" is a holder of Community First common stock who, immediately before the merger, owned at least 1% of the outstanding stock of Community First or securities of Community First with a basis for federal income taxes of at least \$1.0 million.

Material U.S. Federal Income Tax Consequences if the Merger Fails to Qualify as a Reorganization

If the merger does not qualify as a "reorganization" within the meaning of Section 368(a) of the Code, then each U.S. holder of Community First common stock generally will recognize capital gain or loss equal to the difference between (a) the sum of the fair market value of the shares of Emclaire common stock received by such U.S. holder in the merger and the amount of cash received by such U.S. holder in the merger and (b) its adjusted tax basis in the shares of Community First common stock surrendered in exchange therefor.

Receipt of Emclaire Preferred Stock

Because the Emclaire preferred stock to be issued in the bank merger to holders of Community First Bank preferred stock is deemed to be nonqualified preferred stock under Section 354 of the Code, a U.S. holder of Community First Bank preferred stock generally will recognize capital gain or loss equal to the difference between (a) the fair market value of the shares of Emclaire preferred stock received by such U.S. holder in the bank merger and (b) its adjusted tax basis in the shares of Community First Bank preferred stock (which, for most shareholders, will be the purchase price paid for their shares of Community First Bank preferred stock plus any commissions or fees) surrendered in exchange therefor. Such gain or loss will be long-term capital gain or loss if, as of the effective date of the bank merger, such holders have held their Community First Bank preferred stock for more than one year. The deductibility of capital losses is subject to limitations. In addition, any such gain may be subject to the 3.8% tax on net investment income described above under " — Net Investment Income Tax."

The aggregate adjusted tax basis of the Emclaire preferred stock received in the merger generally will be equal to the aggregate adjusted tax basis of the shares of Community First Bank preferred stock surrendered in the bank merger, increased by the amount of any gain (or reduced by the amount of any loss) recognized by the U.S. holder in the bank merger. The holding period of the new Emclaire preferred stock received in the bank merger will include the holding period of the Community First Bank preferred stock for which it is exchanged.

With respect to the fair market value of the Emclaire preferred stock to be issued in the bank merger, we note that (a) there is no active or liquid market for the Community First Bank preferred stock and there will not be any active or liquid market for the Emclaire preferred stock to be issued, and (b) the Emclaire preferred stock to be issued in exchange for the Community First Bank preferred stock will have the same liquidation preference of \$10 per share and the same dividend yield as the Community First bank preferred

TABLE OF CONTENTS

stock surrendered in the bank merger. Currently, based upon the dividend rate to be paid on the Emclaire preferred stock compared to current market rates and other relevant factors, Emclaire expects that the fair market value of the Emclaire preferred stock will be less than \$10.00 per share at the time of issuance in the bank merger.

The above tax treatment may not apply to all shareholders of Community First and Community First Bank.

Determining the actual tax consequences of the merger to Community First shareholders and the bank merger to Community First Bank preferred shareholders can be complicated. Community First shareholders and Community First Bank preferred shareholders should consult their own tax advisor for a full understanding of the tax consequences that are particular to them.

This discussion does not address U.S. federal income tax consequences that may vary with, or are contingent upon, individual circumstances. In particular, if you are a holder of shares of both Community First common stock and Community First Bank preferred stock, your U.S. federal income tax consequences may be different from those described herein. Moreover, it does not address any non-income tax or any foreign, state or local tax consequences of the merger or the bank merger. Tax matters are very complicated, and the tax consequences of the merger or the bank merger to you will depend upon the facts of your particular situation. Accordingly, we strongly urge you to consult with your tax advisor to determine the particular federal, state, local or foreign income or other tax consequences to you of the merger and the bank merger.

INFORMATION ABOUT COMMUNITY FIRST BANCORP, INC.

General

Community First is the parent company of Community First Bank, a Pennsylvania chartered bank. Both Community First and Community First Bank maintain their headquarters in Reynoldsville, Pennsylvania.

Description of Community First Bancorp, Inc.

Community First was incorporated on September 25, 1995. It is a registered bank holding company pursuant to the BHCA and, as such, is subject to examination and regulation by the Federal Reserve Board and the Pennsylvania Department. Community First's principal activity consists of owning and supervising Community First Bank.

Community First's net income is largely derived from the business of Community First Bank. At March 31, 2018, Community First had assets of approximately \$131 million and total equity of \$13 million.

Community First's common stock is not listed on any stock exchange or quoted on any interdealer quotation system.

Description of Community First Bank

Community First Bank was originally chartered as a National Association (N.A.) in 1893 under the name The First National Bank of Reynoldsville. In 1995, it changed its name to Community First Bank, N.A.

Community First Bank became a wholly owned subsidiary of Community First in 1995 and converted from a national bank to a Pennsylvania state-chartered commercial bank on May 1, 2006.

Community First Bank is a community bank serving customers in Clearfield, Jefferson and Clarion counties, providing a full range of financial services, including accepting time, demand and savings deposits and providing loans for one-to-four family residential mortgages, agriculture loans, consumer loans, and loans to small to medium sized businesses. It operates four offices located in Reynoldsville, Sykesville, Punxsutawney and Clarion, Pennsylvania.

Community First Bank is subject to examination and comprehensive regulation by the Pennsylvania Department, and the FDIC, which insures customer deposits held by Community First to the full extent provided by law. Community First is a member of the Federal Home Loan Bank of Pittsburgh. At

TABLE OF CONTENTS

March 31, 2018, Community First Bank had assets of approximately \$128 million, deposits of \$107 million, net loans of \$113 million and total equity of \$12 million. For the three months ended March 31, 2018, Community First recognized net income of \$138,000.

As of May 31, 2018, Community First Bank had 36 full-time employees and three part time employees. Management considers relations with its employees to be good. Community First Bank is not a party to any collective bargaining agreement.

**INFORMATION ABOUT COMMUNITY FIRST DIRECTOR DESIGNEES
TO THE BOARDS OF DIRECTORS OF EMCLAIRE FINANCIAL CORP
AND THE FARMERS NATIONAL BANK OF EMLENTON**

This section provides information as of July 23, 2018, about Henry H. Deible and Henry H. Deible, II, current directors of Community First and Community First Bank, each of whom are to be appointed to the boards of directors of Emclaire and Farmers National upon consummation of the merger. The information presented includes information each director has provided about his age, all positions he holds, and principal occupation(s) for the past five years. The following also includes individual qualifications or skills that are expected to contribute to the effectiveness of the boards of directors of Emclaire and Farmers National as a whole. Community First believes that each director has a reputation for integrity and maintains high ethical standards both personally and professionally. They each have a profound understanding of the banking industry and an ability to exercise sound judgement. Messrs. Deible have keen insight into the duties and responsibilities associated with bank board membership, and a demonstrated commitment to the communities in which they serve.

Henry H. Deible, 64, has been a director of Community First and Community First Bank since July 17, 1979.

Mr. Deible has served as President and Chief Executive Officer of Community First and Community First Bank for a significant portion of his professional career and has seen the bank through many years of service to the Reynoldsville, Sykesville, Punxsutawney, and Clarion, Pennsylvania communities.

Henry H. Deible, II, 35, has been a director of Community First and Community First Bank since December 18, 2014.

Mr. Deible, II employs his community banking roots as both a businessman and real estate investor. He is the owner of Forestland Investments, LLC, and a Forester at Sustainable Forestry Consultants, LLC, both headquartered in Reynoldsville, Pennsylvania.

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL
OWNERS AND MANAGEMENT OF COMMUNITY FIRST**

Principal Owners

The following table sets forth, as of July 23, 2018, the name and address of each person who owns of record or who is known by Community First's board of directors to be the beneficial owner of more than five percent (5%) of Community First's outstanding common stock, the number of shares beneficially owned by such persons, and the percentage of Community First's outstanding common stock so owned.

Name and Address	Shares Beneficially Owned	Percent of Outstanding Common Stock Beneficially Owned(1)
Henry H. Deible 200 Lewis Street Reynoldsville, PA 15851	60,058(2)	16.36%
Mary M. Deible 200 Lewis Street Reynoldsville, PA 15851	49,341(3)	13.44%
Eugene E. Deible, III 815 Thompson Street Reynoldsville, PA 15851	40,029(4)	10.90%

TABLE OF CONTENTS

Name and Address	Shares Beneficially Owned	Percent of Outstanding Common Stock Beneficially Owned(1)
Patricia E. Beach 21 Washington Street Landing, NJ 07850	39,142(5)	10.66%
Donald Beach 21 Washington Street Landing, NJ 07850	36,142(6)	9.84%

(1)
Represents percentage of 367,162 shares of Community First common stock issued and outstanding as of July 23, 2018.

(2)
Includes 2,500 shares of Community First common stock held individually by Henry H. Deible, 49,341 shares of Community First common stock held jointly with his spouse, Mary M. Deible, 2,250 shares of Community First common stock held individually in a self-directed IRA, and 5,967 shares of Community First common stock held by Northern Horizons, LLC of which Mr. Deible is the owner.

(3)
Includes 49,341 shares of Community First common stock held jointly with her spouse, Henry H. Deible.

(4)
Includes 10,377 shares of Community First common stock held individually by Eugene E. Deible, III and 29,692 shares of Community First common stock held by the Eugene E. Deible, III Dynasty Protector Trust for which Mr. Deible is trustee.

(5)
Includes 36,142 shares of Community First common stock held jointly with her spouse, Donald Beach, 1,500 shares of Community First common stock held jointly with her son, Christopher Beach, and 1,500 shares held jointly with her son, Timothy Beach.

(6)
Includes 36,142 shares of Community First common stock held jointly with his spouse, Patricia E. Beach.

Beneficial Ownership by Directors and Executive Officers

The following table sets forth, as of July 23, 2018, the amount and percentage of common stock of Community First beneficially owned by each director, each executive officer, and all directors and executive officers of Community First as a group.

Name of Beneficial Owner	Amount and Nature of Beneficial Ownership(1)(2)	Percent of Outstanding Common Stock Beneficially Owned(3)
--------------------------	---	---

Directors

Eugene E. Deible, III	40,029(4)	10.90%
Henry H. Deible	60,058(5)	16.36%
Henry H. Deible, II	320	—
Dr. Harry E. Kunselman	2,800	—
Robert M. Hanak, Esquire	7,417(6)	2.02%
Eugene V. Zanot	6,000	1.63%

82

TABLE OF CONTENTS

Name of Beneficial Owner	Amount and Nature of Beneficial Ownership(1)(2)	Percent of Outstanding Common Stock Beneficially Owned(3)
Executive Officers who are not Directors		
W. Jay Chamberlin Sr. Vice President, Lending and Credit Administration and Chief Credit Officer	619	—
Michael D. Robinson, Sr., PhD Sr. Vice President, Finance and Operations and Chief Financial Officer	150	—
All Directors and Executive Officers as a Group (8 persons)	117,393	31.97%

(1)

The securities “beneficially owned” by an individual are determined in accordance with the definitions of “beneficial ownership” set forth in the regulations of the Securities and Exchange Commission and may include securities owned by or for the individual’s spouse and minor children and any other relative who has the same home, as well as securities to which the individual has or shares voting or investment power or has the right to acquire beneficial ownership within sixty (60) days after July 23, 2018. Beneficial ownership may be disclaimed as to certain of the securities.

(2)

Information furnished by the directors and Community First.

(3)

Represents percentage of 367,162 shares of Community First common stock issued and outstanding as of July 23, 2018. Less than one percent unless otherwise specified.

(4)

Includes 10,377 shares of Community First common stock held individually by Eugene E. Deible, III and 29,692 shares of Community First common stock held by the Eugene E. Deible, III Dynasty Protector Trust for which Mr. Deible is trustee.

(5)

Includes 2,500 shares of Community First common stock held individually by Henry H. Deible, 49,341 shares of Community First common stock held jointly with his spouse, Mary M. Deible, 2,250 shares of Community First common stock held individually in a self-directed IRA, and 5,967 shares of Community First common stock held by Northern Horizons, LLC of which Mr. Deible is the owner.

(6)

Includes 2,500 shares of Community First common stock held individually by Mr. Hanak, 2,917 shares of Community First common stock individually held by his spouse, 1,000 shares of Community First common stock held individually by his spouse in street name, and 1,000 shares of Community First common stock held jointly with his spouse.

It is currently expected that former shareholders of Community First as a group will receive shares in the merger constituting approximately 15.6% of the outstanding shares of Emclaire common stock immediately after completion of the merger. As a result, current shareholders of Emclaire as a group will own approximately 84.4% of the

outstanding shares of Emclair common stock immediately after the completion of the merger.

INFORMATION ABOUT EMCLAIRE FINANCIAL CORP

General

Emclair Financial Corp is a Pennsylvania corporation and financial holding company that provides a full range of retail and commercial financial products and services to customers in western Pennsylvania through its wholly owned subsidiary bank, The Farmers National Bank of Emlenton. Emclair also provides real estate settlement services through its subsidiary, Emclair Settlement Services, LLC, or the Title Company.

83

TABLE OF CONTENTS

Farmers National was organized in 1900 as a national banking association and is a financial intermediary whose principal business consists of attracting deposits from the general public and investing such funds in real estate loans secured by liens on residential and commercial properties, consumer loans, commercial business loans, marketable securities and interest-earning deposits. Farmers National currently operates through a network of seventeen retail branch offices in Venango, Allegheny, Butler, Clarion, Clearfield, Crawford, Elk, Jefferson and Mercer counties, Pennsylvania and Hancock county, West Virginia. Emclair and Farmers National are headquartered in Emlenton, Pennsylvania.

Farmers National is subject to examination and comprehensive regulation by the Office of the Comptroller of the Currency, or OCC, which is Farmers National’s chartering authority, and the Federal Deposit Insurance Corporation, or FDIC, which insures customer deposits held by Farmers National to the full extent provided by law. Farmers National is a member of the Federal Reserve Bank of Cleveland and the Federal Home Loan Bank of Pittsburgh, or FHLB. Emclair is a registered bank holding company pursuant to the Bank Holding Company Act of 1956, as amended, or BHCA, and a financial holding company under the Gramm-Leach Bliley Act of 1999.

On September 30, 2017, Emclair completed the acquisition of Northern Hancock Bank and Trust Co., or Northern Hancock, in accordance with the terms of an agreement and plan of merger, dated as of May 4, 2017, in exchange for 54,445 shares of common stock valued at \$1.7 million and \$22,000 in cash. In addition, on April 30, 2016, Emclair completed its acquisition of United American Savings Bank, or United American, in accordance with the terms of an agreement and plan of merger, dated December 30, 2015, in exchange for cash consideration of \$13.2 million. These acquisitions expanded Emclair’s franchise into new markets and increased Emclair’s consolidated total assets, loans and deposits.

At March 31, 2018, Emclair had \$755.8 million in total assets, \$58.9 million in stockholders’ equity, \$666.7 million in net loans and \$584.5 million in total deposits.

Lending Activities

General. The principal lending activities of Emclair are the origination of residential mortgage, commercial mortgage, commercial business and consumer loans. Nearly all of Emclair’s loans are originated in and secured by property within Emclair’s primary market area.

One-to-Four Family Mortgage Loans. Emclair offers first mortgage loans secured by one-to-four family residences located mainly in Emclair’s primary lending area. One-to-four family mortgage loans amounted to 38.1% of the total loan portfolio at March 31, 2018 and 38.1% at December 31, 2017. Typically such residences are single-family owner occupied units. Emclair is an approved, qualified lender for the Federal Home Loan Mortgage Corporation, or FHLMC, and the FHLB. As a result, Emclair may sell loans to and service loans for the FHLMC and FHLB in market conditions and circumstances where this is advantageous in managing interest rate risk.

Home Equity Loans. Emclair originates home equity loans secured by single-family residences. Home equity loans amounted to 17.0% of the total loan portfolio at March 31, 2018 and 17.1% at December 31, 2017. These loans may be either a single advance fixed-rate loan with a term of up to 20 years or a variable rate revolving line of credit. These loans are made only on owner-occupied single-family residences.

Commercial Business and Commercial Real Estate Loans. Commercial lending constitutes a significant portion of Emclair’s lending activities. Commercial business and commercial real estate loans amounted to 43.4% of the total loan portfolio at March 31, 2018 and 43.2% at December 31, 2017. Commercial real estate loans generally consist of loans granted for commercial purposes secured by commercial or other nonresidential real estate. Commercial loans consist of secured and unsecured loans for such items as capital assets, inventory, operations and other commercial purposes.

Consumer Loans. Consumer loans generally consist of fixed-rate term loans for automobile purchases, home improvements not secured by real estate, capital and other personal expenditures. Emclair also offers unsecured revolving personal lines of credit and overdraft protection. Consumer loans amounted to 1.6% of the total loan portfolio at March 31, 2018 and 1.6% at December 31, 2017.

TABLE OF CONTENTS

Loans to One Borrower. National banks are subject to limits on the amount of credit that they can extend to one borrower. Under current law, loans to one borrower are limited to an amount equal to 15% of unimpaired capital and surplus on an unsecured basis, and an additional amount equal to 10% of unimpaired capital and surplus if the loan is secured by readily marketable collateral. At March 31, Farmers National's loans to one borrower limit based upon 15% of unimpaired capital was \$9.7 million. Farmers National may grant credit to borrowers in excess of the legal lending limit as part of the Legal Lending Limit Pilot Program approved by the OCC which allows Farmers National to exceed its legal lending limit within certain parameters. At March 31, 2018, the bank's largest single lending relationship had an outstanding balance of \$7.8 million.

Loan Portfolio. The following table sets forth the composition and percentage of Emclair's loans receivable in dollar amounts and in percentages of the portfolio as of the dates indicated:

	As of March 31, 2018		As of December 31, 2017		2016		2015	
	Dollar Amount	%	Dollar Amount	%	Dollar Amount	%	Dollar Amount	%
(Dollar amounts in thousands)								
Mortgage loans on real estate:

TABLE OF CONTENTS

The following table sets forth the final maturity of loans in Emclaire's portfolio as of December 31, 2017. Demand loans having no stated schedule of repayment and no stated maturity are reported as due within one year.

(Dollar amounts in thousands)	Due in one year or less	Due from one to five years	Due from five to ten years	Due after ten years	Total
Residential mortgages	\$ 6,870	\$ 3,601	\$ 13,704	\$ 197,648	\$ 221,823
Home equity loans and lines of credit	697	10,396	23,769	65,078	99,940
Commercial real estate	1,170	24,230	64,773	102,895	193,068
Commercial business	968	13,254	18,305	26,414	58,941
Consumer	271	5,179	2,678	1,461	9,589
	\$ 9,976	\$ 56,660	\$ 123,229	\$ 393,496	\$ 583,361

The following table sets forth the dollar amount of Emclaire's fixed and adjustable rate loans with maturities greater than one year as of March 31, 2018:

(Dollar amounts in thousands)	Fixed rates	Adjustable rates
Residential mortgages	\$ 211,590	\$ 10,986
Home equity loans and lines of credit	87,726	11,870
Commercial real estate	31,435	163,831
Commercial business	23,809	34,252
Consumer	7,419	1,617
	\$ 361,979	\$ 222,556

The following table sets forth the dollar amount of Emclaire's fixed and adjustable rate loans with maturities greater than one year as of December 31, 2017:

(Dollar amounts in thousands)	Fixed rates	Adjustable rates
Residential mortgages	\$ 203,556	\$ 11,397
Home equity loans and lines of credit	85,010	14,233
Commercial real estate	60,390	131,508
Commercial business	25,667	32,306
Consumer	7,605	1,713
	\$ 382,228	\$ 191,157

Contractual maturities of loans do not reflect the actual term of Emclaire's loan portfolio. The average life of mortgage loans is substantially less than their contractual terms because of loan prepayments and enforcement of due-on-sale clauses, which give Emclaire the right to declare a loan immediately payable in the event, among other things, that the borrower sells the real property subject to the mortgage. Scheduled principal amortization also reduces the average life of the loan portfolio. The average life of mortgage loans tends to increase when current market mortgage rates substantially exceed rates on existing mortgages and conversely, decrease when rates on existing mortgages substantially exceed current market interest rates.

Delinquencies and Classified Assets

Delinquent Loans and Other Real Estate Acquired Through Foreclosure (OREO). Typically, a loan is considered past due and a late charge is assessed when the borrower has not made a payment within 15 days from the payment due date. When a borrower fails to make a required payment on a loan, Emclair attempts to cure the deficiency by contacting the borrower. The initial contact with the borrower is made shortly after the 17th day following the due date for which a payment was not received. In most cases, delinquencies are cured promptly.

86

TABLE OF CONTENTS

If the delinquency exceeds 60 days, Emclair works with the borrower to set up a satisfactory repayment schedule. Typically, loans are considered nonaccruing upon reaching 90 days delinquent unless the credit is well secured and in the process of collection, although Emclair may be receiving partial payments of interest and partial repayments of principal on such loans. When a loan is placed in nonaccrual status, previously accrued but unpaid interest is deducted from interest income. Emclair institutes foreclosure action on secured loans only if all other remedies have been exhausted. If an action to foreclose is instituted and the loan is not reinstated or paid in full, the property is sold at a judicial or trustee's sale at which Emclair may be the buyer.

Real estate properties acquired through, or in lieu of, foreclosure are to be sold and are initially recorded at fair value at the date of foreclosure less costs to sell, thereby establishing a new cost basis. After foreclosure, management periodically performs valuations and the real estate is carried at the lower of carrying amount or fair value less the cost to sell the property. Revenue and expenses from operations and changes in the valuation allowance are included in the loss on foreclosed real estate. Emclair generally attempts to sell its OREO properties as soon as practical upon receipt of clear title.

As of March 31, 2018, Emclair's nonperforming assets were \$4.0 million, or 0.53% of Emclair's total assets, compared to \$4.2 million, or 0.56% of Emclair's total assets, at December 31, 2017 and \$3.6 million, or 0.52% of Emclair's total assets, at December 31, 2016. Nonperforming assets at March 31, 2018 included nonaccrual loans and OREO of \$2.7 million and \$820,000, respectively, and \$486,000 of loans 90 days or more past due and still accruing interest. Included in nonaccrual loans at March 31, 2018 were four loans totaling \$427,000 considered to be troubled debt restructurings, or TDRs.

Classified Assets. Regulations applicable to insured institutions require the classification of problem assets as "substandard," "doubtful," or "loss" depending upon the existence of certain characteristics as discussed below. A category designated "special mention" must also be maintained for assets currently not requiring the above classifications but having potential weakness or risk characteristics that could result in future problems. An asset is classified as substandard if not adequately protected by the current net worth and paying capacity of the obligor or of the collateral pledged, if any. A substandard asset is characterized by the distinct possibility that Emclair will sustain some loss if the deficiencies are not corrected. Assets classified as doubtful have all the weaknesses inherent in those classified as substandard and these weaknesses make collection or liquidation in full, on the basis of currently existing facts, conditions and values, highly questionable or improbable. Assets classified as loss are considered uncollectible and of such little value that their continuance as assets is not warranted.

Emclair's classification of assets policy requires the establishment of valuation allowances for loan losses in an amount deemed prudent by management. Valuation allowances represent loss allowances that have been established to recognize the inherent risk associated with lending activities. When Emclair classifies a problem asset as a loss, the portion of the asset deemed uncollectible is charged off immediately.

Emclair regularly reviews the problem loans and other assets in its portfolio to determine whether any require classification in accordance with Emclair's policy and applicable regulations. As of March 31, 2018, Emclair's classified and criticized assets amounted to \$15.6 million or 2.1% of total assets, with \$4.6 million identified as special mention and \$11.0 million classified as substandard compared to \$14.8 million or 2.0% of total assets, with \$3.2 million identified as special mention and \$11.6 million classified as substandard at December 31, 2017. Included in classified and criticized assets at March 31, 2018 are three large loan relationships exhibiting credit deterioration that may impact the ability of the borrowers to comply with their present loan repayment terms on a timely basis.

The first relationship, with an outstanding balance of \$3.4 million at March 31, 2018, consists of two commercial mortgages originated to refinance existing debt related to two separate commercial properties. The first commercial mortgage is secured by a hotel which has recently been renovated, however the financial performance has deteriorated due to increased competition from nearby newly constructed hotels and a decrease in natural gas-related construction activity. Management has committed to reducing costs to improve cash flow and is considering the sale of unrelated assets as a means to reduce debt service requirements. All contractual payments have been made in a timely manner.

The second commercial

TABLE OF CONTENTS

mortgage is secured with a vacant parcel adjacent to the hotel. The parcel was previously acquired for future expansion, however the borrowers are considering the sale of the vacant parcel, the proceeds of which could be utilized to reduce the debt of the hotel and the related debt service requirements. All contractual payments have been made in a timely manner. Both loans are guaranteed by the three principals, all of which have reasonable liquidity and strong net worth positions. Ultimately due to the estimated value of the hotel and vacant parcel, and the willingness and ability of the guarantors to support the loans, Emclaire does not currently expect to incur a loss on the loans in this relationship.

The second relationship, with an outstanding balance of \$2.5 million at March 31, 2018, consists of one commercial mortgage originated for the construction of a hotel, restaurant and retail plaza secured by such property and the borrower's personal residence. The hotel, restaurant and retail plaza are complete and operational; however, cash flows from operations have not been consistent and are impacted by the seasonal nature of the hotel. In addition, the borrower has limited liquidity. As a result, the borrower has listed substantial real estate holdings for sale. At March 31, 2018, the loan was performing and classified as substandard. Ultimately, due to the estimated value of the borrower's significant real estate holdings, most of which are pledged as collateral for the subject loan, Emclaire does not currently expect to incur a loss on this loan.

The third relationship, with an outstanding balance of \$2.1 million at March 31, 2018, consists of one commercial mortgage originated for the construction of a hotel and is secured by the hotel and all related furniture, fixtures and equipment. The hotel is complete and operational; however, cash flow from the first year of operations significantly lagged management's projections, and as such, was insufficient for debt service requirements. Although results continue to evidence improvement in operating performance, cash flow remains deficient. The loan is guaranteed by the three principals, all of whom have significant net worth positions and the ability to support the operations of the hotel until stabilization can be achieved. At March 31, 2018, the loan was performing and classified as substandard. Ultimately, due to the estimated value of the hotel and the willingness and ability of the guarantors to support the loan, Emclaire does not currently expect to incur a loss on this loan.

The following table sets forth information regarding Emclaire's nonperforming assets as of the dates indicated:

(Dollar amounts in thousands)	As of	As of December 31,				
	March 31, 2018	2017	2016	2015	2014	2013
Nonperforming loans	\$ 3,157	\$ 3,693	\$ 3,323	\$ 3,069	\$ 6,942	\$ 5,207
Total as a percentage of gross loans	0.56%	0.63%	0.64%	0.71%	1.80%	1.46%
Repossessions	27	—	—	—	—	—
Real estate acquired through foreclosure	820	492	291	160	124	107
Total as a percentage of total assets	847	0.07%	0.04%	0.03%	0.02%	0.02%
Total nonperforming assets	\$ 4,004	\$ 4,185	\$ 3,614	\$ 3,229	\$ 7,066	\$ 5,314
Total nonperforming assets as a percentage of total assets	0.53%	0.56%	0.52%	0.54%	1.21%	1.01%
Allowance for loan losses as a percentage of nonperforming loans	187.99%	165.91%	166.87%	169.60%	75.25%	93.51%

Allowance for Loan Losses. Management establishes allowances for estimated losses on loans based upon its evaluation of the pertinent factors underlying the types and quality of loans; historical loss experience based on

volume and types of loans; trend in portfolio volume and composition; level and trend of nonperforming assets; detailed analysis of individual loans for which full collectability may not be assured; determination of the existence and realizable value of the collateral and guarantees securing such loans and the current economic conditions affecting the collectability of loans in the portfolio. Emclaire analyzes its loan portfolio at least quarterly for valuation purposes and to determine the adequacy of its allowance for loan losses. Based upon the factors discussed above, management believes that Emclaire's allowance for loan losses as of March 31, 2018 of \$5.9 million was adequate to cover probable incurred losses in the portfolio at such time.

88

TABLE OF CONTENTS

The following table sets forth an analysis of the allowance for losses on loans receivable for the periods indicated:

(Dollar amounts in thousands)	Three Months ended March 31, 2018	Year ended December 31,

Investment Activities

General. Emclaire maintains an investment portfolio of securities such as U.S. government agencies, mortgage-backed securities, municipal and equity securities.

Investment decisions are made within policy guidelines as established by the Board of Directors. This policy is aimed at maintaining a diversified investment portfolio, which complements the overall asset/liability and liquidity objectives of Emclaire, while limiting the related credit risk to an acceptable level.

The following table sets forth certain information regarding the fair value, weighted average yields and contractual maturities of Emclaire's securities as of March 31, 2018:

(Dollar amounts in thousands)	Due in 1 year or less	Due from 1 to 3 years	Due from 3 to 5 years	Due from 5 to 10 years	Due after 10 years	No scheduled maturity	Total
U.S. Treasury	\$ —	\$ 1,469	\$ 2,958	\$ —	\$ —	\$ —	\$ 4,427

For additional information regarding Emclair's investment portfolio see "Note 2 — Securities" to the consolidated financial statements included elsewhere in this proxy statement/information statement/prospectus.

Sources of Funds

General. Deposits are the primary source of Emclair's funds for lending and investing activities. Secondary sources of funds are derived from loan repayments, investment maturities and borrowed funds. Loan repayments can be considered a relatively stable funding source, while deposit activity is greatly influenced by interest rates and general market conditions. Emclair also has access to funds through other various sources. For additional information about Emclair's sources of funds, see "Management's Discussion and Analysis of Financial Condition and Results of Operations — Liquidity."

Deposits. Emclair offers a wide variety of deposit account products to both consumer and commercial deposit customers, including time deposits, noninterest bearing and interest bearing demand deposit accounts, savings deposits and money market accounts.

91

TABLE OF CONTENTS

Deposit products are promoted in periodic newspaper, radio and other forms of advertisements, along with notices provided in customer account statements. Emclaire's marketing strategy is based on its reputation as a community bank that provides quality products and personalized customer service.

Emclaire sets interest rates on its interest bearing deposit products that are competitive with rates offered by other financial institutions in its market area. Management reviews interest rates on deposits bi-weekly and considers a number of factors, including: (1) Emclaire's internal cost of funds; (2) rates offered by competing financial institutions; (3) investing and lending opportunities; and (4) Emclaire's liquidity position.

The following table summarizes Emclaire's deposits as of the dates indicated:

(Dollar amounts in thousands) Type of accounts	As of March 31, 2018			As of December 31, 2017			2016		
	Weighted average rate	Amount	%	Weighted Average rate	Amount	%	Weighted Average rate	Amount	%

Over twelve months	68,889
	\$ 92,879

The following table sets forth maturities of Emclaire's time deposits of \$100,000 or more at December 31, 2017 by time remaining to maturity:

(Dollar amounts in thousands)	Amount
Three months or less	\$ 6,426
Over three months to six months	6,025
Over six months to twelve months	11,063
Over twelve months	69,186
	\$ 92,700

TABLE OF CONTENTS

Borrowings. Borrowings may be used to compensate for reductions in deposit inflows or net deposit outflows, or to support lending and investment activities. These borrowings include FHLB advances, federal funds, repurchase agreements, advances from the Federal Reserve Discount Window and lines of credit at Farmers National and Emclaire with other correspondent banks. The following table summarizes information with respect to borrowings at or for the periods indicated:

(Dollar amounts in thousands)	For the	For the	
	Three Months Ended March 31, 2018	Year Ended December 31, 2017 2016	
Ending balance	\$ 20,300	\$ 26,000	\$ 44,000
Average balance	24,581	40,537	37,482
Maximum balance	36,750	54,250	52,750
Average rate	2.61%	3.00%	3.08%

For additional information regarding Emclaire's deposit base and borrowed funds, see "Management's Discussion and Analysis of Financial Condition and Results of Operations — Deposits and Borrowed Funds" and "Note 8 — Deposits" and "Note 9 — Borrowed Funds" of the consolidated financial statements included elsewhere in this proxy statement/information statement/prospectus.

Subsidiary Activity

Emclaire has two wholly owned subsidiaries, Farmers National and the Title Company. The Title Company provides real estate settlement services to Farmers National and other customers. As of March 31, 2018, Farmers National and the Title Company had no subsidiaries.

Personnel

At March 31, 2018, Emclaire had 133 full time equivalent employees compared to 137 at December 31, 2017 and 131 at December 31, 2016. There is no collective bargaining agreement between Emclaire and its employees, and Emclaire believes its relationship with its employees is satisfactory.

Competition

Emclaire competes for loans, deposits and customers with other commercial banks, savings and loan associations, securities and brokerage companies, mortgage companies, insurance companies, finance companies, money market funds, credit unions and other nonbank financial service providers.

Supervision and Regulation

General. Bank holding companies and banks are extensively regulated under both federal and state law. Set forth below is a summary description of certain provisions of certain laws that relate to the regulation of Emclaire and the Bank. The description does not purport to be complete and is qualified in its entirety by reference to the applicable laws and regulations.

Emclaire. Emclaire is a registered bank holding company and subject to regulation and examination by the FRB under the BHCA. Emclaire is required to file periodic reports with the FRB and such additional information as the FRB may require. Recent changes to BHCA rating system emphasize risk management and evaluation of the potential impact of non-depository entities on safety and soundness.

The FRB may require Emclaire to terminate an activity or terminate control of or liquidate or divest certain subsidiaries, affiliates or investments when the FRB believes the activity or the control of the subsidiary or affiliate constitutes a significant risk to the financial safety, soundness or stability of any of its banking subsidiaries. The FRB also has the authority to regulate provisions of certain bank holding company debt, including the authority to impose interest rate ceilings and reserve requirements on such debt. Under certain circumstances, Emclaire must file written notice and obtain FRB approval prior to purchasing or redeeming its equity securities.

TABLE OF CONTENTS

Emclair is required to obtain prior FRB approval for the acquisition of more than 5% of the outstanding shares of any class of voting securities or substantially all of the assets of any bank or bank holding company. Prior FRB approval is also required for the merger or consolidation of Emclair and another bank holding company.

The BHCA generally prohibits a bank holding company from acquiring direct or indirect ownership or control of more than 5% of the outstanding voting shares of any company that is not a bank or bank holding company and from engaging directly or indirectly in activities other than those of banking, managing or controlling banks, or furnishing services to its subsidiaries. However, subject to the prior FRB approval, a bank holding company may engage in any, or acquire shares of companies engaged in, activities that the FRB deems to be so closely related to banking or managing or controlling banks as to be a proper incident thereto.

The BHCA also authorizes bank holding companies to engage in securities, insurance and other activities that are financial in nature or incidental to a financial activity. In order to undertake these activities, a bank holding company must become a financial holding company by submitting to the appropriate FRB a declaration that the company elects to be a financial holding company and a certification that all of the depository institutions controlled by the company are well capitalized and well managed. Emclair submitted a declaration of election to become a financial holding company with the FRB which became effective in March 2007. Federal legislation also directed federal regulators to require depository institution holding companies to serve as a source of strength for their depository institution subsidiaries.

Under FRB regulations, Emclair is required to serve as a source of financial and managerial strength to Farmers National and may not conduct operations in an unsafe or unsound manner. In addition, it is the FRB's policy that a bank holding company should stand ready to use available resources to provide adequate capital funds to its subsidiary banks during periods of financial stress or adversity and should maintain the financial flexibility and capital raising capacity to obtain additional resources for assisting its subsidiary banks. A bank holding company's failure to meet its obligations to serve as a source of strength to its subsidiary banks will generally be considered by the FRB to be an unsafe and unsound banking practice or a violation of FRB regulations or both.

Emclair is also a bank holding company within the meaning of the Pennsylvania Banking Code. As such, Emclair and its subsidiaries are subject to examination by, and may be required to file reports with, the Pennsylvania Department of Banking and Securities.

Emclair's securities are registered with the SEC under the Exchange Act. As such, Emclair is subject to the information, proxy solicitation, insider trading, corporate governance, and other requirements and restrictions of the Exchange Act. The public may obtain all forms and information filed with the SEC through its website <http://www.sec.gov>.

In December 2013, federal regulators adopted final rules to implement the provisions of the Dodd Frank Act commonly referred to as the Volcker Rule and established July 21, 2015 as the end of the conformance period. The regulations contain prohibitions and restrictions on the ability of financial institutions, holding companies and their affiliates to engage in proprietary trading and to hold certain interests in, or to have certain relationships with, various types of investment funds, including hedge funds and private equity funds.

Farmers National. As a national banking association, Farmers National is subject to primary supervision, examination and regulation by the OCC. Farmers National is also subject to regulations of the FDIC as administrator of the Deposit Insurance Fund, or DIF, and the FRB. If, as a result of an examination of Farmers National, the OCC should determine that the financial condition, capital resources, asset quality, earnings prospects, management, liquidity or other aspects of the bank's operations are unsatisfactory or that Farmers National is violating or has violated any law or regulation, various remedies are available to the OCC. Such remedies include the power to enjoin "unsafe or unsound practices," to require affirmative action to correct any conditions resulting from any violation or practice, to issue an administrative order that can be judicially enforced, to direct an increase in capital, to restrict the bank's growth, to assess civil monetary penalties, and to remove officers and directors. The FDIC has

TABLE OF CONTENTS

similar enforcement authority, in addition to its authority to terminate the bank's deposit insurance in the absence of action by the OCC and upon a finding that Farmers National is operating in an unsafe or unsound condition, is engaging in unsafe or unsound activities, or that the bank's conduct poses a risk to the deposit insurance fund or may prejudice the interest of its depositors.

A national bank may have a financial subsidiary engaged in any activity authorized for national banks directly or certain permissible activities. Generally, a financial subsidiary is permitted to engage in activities that are "financial in nature" or incidental thereto, even though they are not permissible for the national bank itself. The definition of "financial in nature" includes, among other items, underwriting, dealing in or making a market in securities, including, for example, distributing shares of mutual funds. The subsidiary may not, however, engage as principal in underwriting insurance, issue annuities or engage in real estate development or investment or merchant banking. The Sarbanes-Oxley Act of 2002. The Sarbanes-Oxley Act of 2002 established a comprehensive framework to modernize and reform the oversight of public company auditing, improve the quality and transparency of financial reporting by those companies and strengthen the independence of auditors. Among other things, the legislation (i) created a public company accounting oversight board that is empowered to set auditing, quality control and ethics standards, to inspect registered public accounting firms, to conduct investigations and to take disciplinary actions, subject to SEC oversight and review; (ii) strengthened auditor independence from corporate management by limiting the scope of consulting services that auditors can offer their public company audit clients; (iii) heightened the responsibility of public company directors and senior managers for the quality of the financial reporting and disclosure made by their companies; (iv) adopted a number of provisions to deter wrongdoing by corporate management; (v) imposed a number of new corporate disclosure requirements; (vi) adopted provisions which generally seek to limit and expose to public view possible conflicts of interest affecting securities analysis; and (vii) imposed a range of new criminal penalties for fraud and other wrongful acts and extended the period during which certain types of lawsuits can be brought against a company or its insiders.

2010 Regulatory Reform. On July 21, 2010, the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 was signed into law. The goals of the Dodd-Frank Act included restoring public confidence in the financial system following the financial crisis, preventing another financial crisis and permitting regulators to identify shortfalls in the system before another financial crisis can occur. The Dodd Frank Act is also intended to promote a fundamental restructuring of federal banking regulation by taking a systemic view of regulation rather than focusing on regulation of individual financial institutions.

Many of the provisions in the Dodd Frank Act require that regulatory agencies draft implementing regulations. Implementation of the Dodd Frank Act has had and will continue to have a broad impact on the financial services industry by introducing significant regulatory and compliance changes including, among other things: (i) changing the assessment base for federal deposit insurance from the amount of insured deposits to average consolidated total assets less average tangible equity, eliminating the ceiling and increasing the size of the floor of the DIF and offsetting the impact of the increase in the minimum floor on institutions with less than \$10 billion in assets; (ii) making permanent the \$250,000 limit for federal deposit insurance and increasing the cash limit of Securities Investor Protection Corporation protection to \$250,000; (iii) eliminating the requirement that the FDIC pay dividends from the DIF when the reserve ratio is between 1.35% and 1.50%, but continuing the FDIC's authority to declare dividends when the reserve ratio at the end of a calendar year is at least 1.50%; however, the FDIC is granted sole discretion in determining whether to suspend or limit the declaration or payment of dividends; (iv) repealing the federal prohibition on payment of interest on demand deposits, thereby permitting depository institutions to pay interest on business transaction and other accounts; (v) implementing certain corporate governance revisions that apply to all public companies, including regulations that require publicly traded companies to give shareholders a non-binding advisory vote to approve executive compensation, commonly referred to as a "say-on-pay" vote and an advisory role on so-called "golden parachute" payments in connection with approvals of mergers and acquisitions; new director independence requirements and considerations to be taken into account by compensation committees and their advisers relating to executive compensation; additional executive compensation disclosures; and a requirement that companies adopt a policy providing for the recovery of executive compensation in the event of a restatement of its financial statements, commonly referred to as a "clawback" policy; (vi) centralizing responsibility for consumer financial

TABLE OF CONTENTS

protection by creating a new independent federal agency, the Consumer Financial Protection Bureau, or CFPB, responsible for implementing federal consumer protection laws to be applicable to all depository institutions; (vii) imposing new requirements for mortgage lending, including new minimum underwriting standards, limitations on prepayment penalties and imposition of new mandated disclosures to mortgage borrowers; (viii) imposing new limits on affiliate transactions and causing derivative transactions to be subject to lending limits and other restrictions including adoption of the “Volcker Rule” regulating transactions in derivative securities; (ix) limiting debit card interchange fees that financial institutions with \$10 billion or more in assets are permitted to charge their customers; and (x) implementing regulations to incentivize and protect individuals, commonly referred to as whistleblowers to report violations of federal securities laws.

Many aspects of the Dodd Frank Act continue to be subject to rulemaking and will take effect over several additional years, making it difficult to anticipate the overall financial impact on us or across the industry. The changes resulting from the Dodd Frank Act may impact the profitability of our business activities, require changes to certain of our business practices, impose upon us more stringent capital, liquidity and leverage requirements or otherwise adversely affect our business.

Anti-Money Laundering. All financial institutions, including national banks, are subject to federal laws that are designed to prevent the use of the U.S. financial system to fund terrorist activities. Financial institutions operating in the United States must develop anti-money laundering compliance programs, due diligence policies and controls to ensure the detection and reporting of money laundering. Such compliance programs are intended to supplement compliance requirements, also applicable to financial institutions, under the Bank Secrecy Act and the Office of Foreign Assets Control Regulations. Farmers National has established policies and procedures to ensure compliance with these provisions.

Privacy. Federal banking rules limit the ability of banks and other financial institutions to disclose non-public information about consumers to nonaffiliated third parties. Pursuant to these rules, financial institutions must provide (i) initial notices to customers about their privacy policies, describing conditions under which they may disclose nonpublic personal information to nonaffiliated third parties and affiliates; (ii) annual notices of their privacy policies to current customers and (iii) a reasonable method for customers to “opt out” of disclosures to nonaffiliated third parties. These privacy provisions affect how consumer information is transmitted through diversified financial companies and conveyed to outside vendors. Emclaire’s privacy policies have been implemented in accordance with the law.

Dividends and Other Transfers of Funds. Dividends from Farmers National constitute the principal source of income to Emclaire. Emclaire is a legal entity separate and distinct from Farmers National. Farmers National is subject to various statutory and regulatory restrictions on its ability to pay dividends to Emclaire. In addition, the bank’s regulators have the authority to prohibit Farmers National from paying dividends, depending upon the bank’s financial condition, if such payment is deemed to constitute an unsafe or unsound practice.

Limitations on Transactions with Affiliates. Transactions between national banks and any affiliate are governed by Sections 23A and 23B of the Federal Reserve Act. An affiliate of a national bank includes any company or entity which controls the national bank or that is controlled by a company that controls the national bank. In a holding company context, the holding company of a national bank (such as Emclaire) and any companies which are controlled by such holding company are affiliates of the national bank. Generally, Section 23A limits the extent to which the national bank of its subsidiaries may engage in “covered transactions” with any one affiliate to an amount equal to 10% of such bank’s capital stock and surplus, and contains an aggregate limit on all such transactions with all affiliates to an amount equal to 20% of such capital stock and surplus. Section 23B applies to “covered transactions” as well as certain other transactions and requires that all transactions be on terms substantially the same, or at least as favorable, to the national bank as those provided to a non-affiliate. The term “covered transaction” includes the making of loans to, purchase of assets from and issuance of a guarantee to an affiliate and similar transactions. Section 23B transactions also include the provision of services and the sale of assets by a national bank to an affiliate.

In addition, Sections 22(g) and (h) of the Federal Reserve Act place restrictions on loans to executive officers, directors and principal shareholders of the national bank and its affiliates. Under Section 22(h), loans to a director, an executive officer and to a greater than 10% shareholder of a national bank, and

TABLE OF CONTENTS

certain affiliated interests of either, may not exceed, together with all other outstanding loans to such person and affiliated interests, the national bank's loans to one borrower limit (generally equal to 15% of the bank's unimpaired capital and surplus). Section 22(h) also requires that loans to directors, executive officers and principal shareholders be made on terms substantially the same as offered in comparable transactions to other persons unless the loans are made pursuant to a benefit or compensation program that (i) is widely available to employees of Farmers National and (ii) does not give preference to any director, executive officer or principal shareholder, or certain affiliated interests of either, over other employees of the national bank. Section 22(h) also requires prior board approval for certain loans. In addition, the aggregate amount of extensions of credit by a national bank to all insiders cannot exceed the bank's unimpaired capital and surplus. Furthermore, Section 22(g) places additional restrictions on loans to executive officers. Farmers National currently is subject to Sections 22(g) and (h) of the Federal Reserve Act and at December 31, 2017, was in compliance with the above restrictions.

Loans to One Borrower Limitations. With certain limited exceptions, the maximum amount that a national bank may lend to any borrower (including certain related entities of the borrower) at one time may not exceed 15% of the unimpaired capital and surplus of the institution, plus an additional 10% of unimpaired capital and surplus for loans fully secured by readily marketable collateral. At March 31, 2018, Farmers National's loans-to-one-borrower limit was \$9.7 million based upon the 15% of unimpaired capital and surplus measurement. Farmers National may grant credit to borrowers in excess of the legal lending limit as part of the Legal Lending Limit Pilot Program approved by the OCC which allows Farmers National to exceed its legal lending limit within certain parameters. At March 31, 2018, Farmers National's largest single lending relationship had an outstanding balance of \$7.8 million.

Capital Standards. Farmers National is required to comply with applicable capital adequacy standards established by the federal banking agencies. Beginning on January 1, 2015, Farmers National became subject to a new comprehensive capital framework for U.S. banking organizations. In July 2013, the Federal Reserve Board, FDIC and OCC adopted a final rule that implements the Basel III changes to the international regulatory capital framework. The Basel III rules include requirements contemplated by the Dodd Frank Act as well as certain standards initially adopted by the Basel Committee on Banking Supervision in December 2010.

The Basel III rules include new risk-based and leverage capital ratio requirements that refine the definition of what constitutes "capital" for purposes of calculating those ratios. The minimum capital level requirements are (i) a new common equity Tier 1 risk-based capital ratio of 4.5%; (ii) a Tier 1 risk-based capital ratio of 6% (increased from 4%); (iii) a total risk-based capital ratio of 8% (unchanged from previous rules); and (iv) a Tier 1 leverage ratio of 4% for all institutions. Common equity Tier 1 capital will consist of retained earnings and common stock instruments, subject to certain adjustments.

The Basel III rules also establish a fully-phased "capital conservation buffer" of 2.5% above the new regulatory minimum risk-based capital requirements. The conversation buffer, when added to the capital requirements, results in the following minimum ratios: (i) a common equity Tier 1 risk-based capital ratio of 7.0%, (ii) a Tier 1 risk-based capital ratio of 8.5% and (iii) a total risk-based capital ratio of 10.5%. The new capital conservation buffer requirement is to be phased in beginning January 2016 at 0.625% of risk-weighted assets and will increase by that amount each year until fully implemented in January 2019. An institution is subject to limitations on certain activities including payment of dividends, share repurchases and discretionary bonuses to executive officers if its capital level is below the buffer amount.

The Basel III rules also revise the prompt corrective action framework, which is designed to place restrictions on insured depository institutions if their capital levels do not meet certain thresholds. These revisions were effective January 1, 2015. The prompt corrective action rules were modified to include a common equity Tier 1 capital component and to increase certain other capital requirements for the various thresholds. Under the proposed prompt corrective action rules, insured depository institutions are required to meet the following capital levels in order to qualify as "well capitalized": (i) a new common equity Tier 1 risk-based capital ratio of 6.5%; (ii) a Tier 1 risk-based capital ratio of 8% (increased from 6%); (iii) a total risk-based capital ratio of 10% (unchanged from previous rules); and (iv) a Tier 1 leverage ratio of 5% (unchanged from previous rules).

TABLE OF CONTENTS

The Basel III rules set forth certain changes in the methods of calculating risk-weighted assets, which in turn affect the calculation of risk based ratios. Under the Basel III rules, higher or more sensitive risk weights are assigned to various categories of assets including certain credit facilities that finance the acquisition, development or construction of real property, certain exposures of credits that are 90 days past due or on nonaccrual, foreign exposures and certain corporate exposures. In addition, Basel III rules include (i) alternate standards of credit worthiness consistent with the Dodd Frank Act; (ii) greater recognition of collateral guarantees and (iii) revised capital treatment for derivatives and repo-style transactions.

In addition, the final rule includes certain exemptions to address concerns about the regulatory burden on community banks. Banking organizations with less than \$15 billion in consolidated assets as of December 31, 2009 are permitted to include in Tier 1 capital trust preferred securities and cumulative perpetual preferred stock issued and included in Tier 1 capital prior to May 19, 2010 on a permanent basis without any phase out. Community banks were required to make this election by their March 31, 2015 quarterly filings with the appropriate federal regulator to opt-out of the requirement to include most accumulated other comprehensive income (AOCI) components in the calculation of common equity Tier 1 capital and in effect retain the AOCI treatment under the current capital rules. Farmers National made in its March 31, 2015 quarterly filing a one-time permanent election to continue to exclude accumulated other comprehensive income from capital. If it would not have made this election, unrealized gains and losses would have been included in the calculation of its regulatory capital.

The Basel III rules generally became effective beginning January 1, 2015; however, certain calculations under the Basel III rules have phase-in periods. In 2015, the Board of Governors of the Federal Reserve System amended its Small Bank Holding Company Policy Statement by increasing the policy's consolidated assets threshold from \$500 million to \$1 billion. The primary benefit of being deemed a "small bank holding company" is the exemption from the requirement to maintain consolidated regulatory capital ratios; instead, regulatory capital ratios only apply at the subsidiary bank level.

The following table sets forth certain information concerning regulatory capital ratios of Farmers National as of the dates presented. The capital adequacy ratios disclosed below are exclusive of the capital conservation buffer.

	March 31, 2018		December 31, 2017		2016	
	Amount	Ratio	Amount	Ratio	Amount	Ratio
(Dollar amounts in thousands)						
Total capital to risk-weighted assets:						
Actual	\$ 64,463	12.96%	\$ 64,221	12.96%	\$ 58,605	13.23%
For capital adequacy purposes	39,797	8.00%	39,630	8.00%	35,424	8.00%
To be well capitalized	49,746	10.00%	49,537	10.00%	44,280	10.00%
Tier 1 capital to risk-weighted assets:						
Actual	\$ 58,528	11.77%	\$ 58,088	11.73%	\$ 53,050	11.98%
For capital adequacy purposes	29,848	6.00%	29,722	6.00%	26,568	6.00%
To be well capitalized	39,797	8.00%	39,630	8.00%	35,424	8.00%
Common Equity Tier 1 capital to risk-weighted assets:						
Actual	\$ 58,528	11.77%	\$ 58,088	11.73%	\$ 53,050	11.98%
For capital adequacy purposes	22,386	4.50%	22,292	4.50%	19,926	4.50%
To be well capitalized	32,335	6.50%	32,199	6.50%	28,782	6.50%
Tier 1 capital to average assets:						
Actual	\$ 58,528	7.92%	\$ 58,088	7.71%	\$ 53,050	7.84%
For capital adequacy purposes	29,571	4.00%	30,117	4.00%	27,081	4.00%

To be well capitalized 98	36,964	5.00%	37,647	5.00%	33,852	5.00%
------------------------------	--------	-------	--------	-------	--------	-------

TABLE OF CONTENTS

Prompt Corrective Action and Other Enforcement Mechanisms. Federal banking agencies possess broad powers to take corrective and other supervisory action to resolve the problems of insured depository institutions, including but not limited to those institutions that fall below one or more prescribed minimum capital ratios. Each federal banking agency has promulgated regulations defining the following five categories in which an insured depository institution will be placed, based on its capital ratios: well capitalized, adequately capitalized, undercapitalized, significantly undercapitalized, and critically undercapitalized. At March 31, 2018, Farmers National exceeded the required ratios for classification as “well capitalized.”

An institution that, based upon its capital levels, is classified as well capitalized, adequately capitalized, or undercapitalized may be treated as though it were in the next lower capital category if the appropriate federal banking agency, after notice and opportunity for hearing, determines that an unsafe or unsound condition or an unsafe or unsound practice warrants such treatment. At each successive lower capital category, an insured depository institution is subject to more restrictions. The federal banking agencies, however, may not treat a significantly undercapitalized institution as critically undercapitalized.

In addition to measures taken under the prompt corrective action provisions, commercial banking organizations may be subject to potential enforcement actions by the federal regulators for unsafe or unsound practices in conducting their businesses or for violations of any law, rule, regulation, or any condition imposed in writing by the agency or any written agreement with the agency. Finally, pursuant to an interagency agreement, the FDIC can examine any institution that has a substandard regulatory examination score or is considered undercapitalized — without the permission of the institution’s primary regulator.

Safety and Soundness Standards. The federal banking agencies have adopted guidelines designed to assist the federal banking agencies in identifying and addressing potential safety and soundness concerns before capital becomes impaired. The guidelines set forth operational and managerial standards relating to: (i) internal controls, information systems and internal audit systems, (ii) loan documentation, (iii) credit underwriting, (iv) asset growth, (v) earnings, and (vi) compensation, fees and benefits. In addition, the federal banking agencies have also adopted safety and soundness guidelines with respect to asset quality and earnings standards. These guidelines provide six standards for establishing and maintaining a system to identify problem assets and prevent those assets from deteriorating. Under these standards, an insured depository institution should: (i) conduct periodic asset quality reviews to identify problem assets, (ii) estimate the inherent losses in problem assets and establish reserves that are sufficient to absorb estimated losses, (iii) compare problem asset totals to capital, (iv) take appropriate corrective action to resolve problem assets, (v) consider the size and potential risks of material asset concentrations, and (vi) provide periodic asset quality reports with adequate information for management and the board of directors to assess the level of asset risk. These guidelines also set forth standards for evaluating and monitoring earnings and for ensuring that earnings are sufficient for the maintenance of adequate capital and reserves.

Insurance of Accounts. Deposit accounts are currently insured by the DIF generally up to a maximum of \$250,000 per separately insured depositor. As insurer, the FDIC is authorized to conduct examinations of, and to require reporting by, insured institutions. It also may prohibit any insured institution from engaging in any activity determined by regulation or order to pose a serious threat to the FDIC. The FDIC also has the authority to initiate enforcement actions against insured institutions.

The Dodd Frank Act raises the minimum reserve ratio of the DIF from 1.15% to 1.35% and requires the FDIC to offset the effect of this increase on insured institutions with assets of less than \$10 billion (small institutions). In March 2016, the FDIC adopted a rule to accomplish this by imposing a surcharge on larger institutions commencing when the reserve ratio reaches 1.15% and ending when it reaches 1.35%. The reserve ratio reached 1.15% effective as of June 30, 2016. The surcharge period began effective July 1, 2016 and is expected to end by December 31, 2018. Small institutions will receive credits for the portion of their regular assessments that contributed to growth in the reserve ratio between 1.15% and 1.35%. The credits will apply to reduce regular assessments by 2.0 basis points for quarters when the reserve ratio is at least 1.38%.

TABLE OF CONTENTS

Effective July 1, 2016, the FDIC adopted changes that eliminated its risk-based premium system. Under the new premium system, the FDIC assesses deposit insurance premiums on the assessment base of a depository institution, which is its average total assets reduced by the amount of its average tangible equity. For a small institution (one with assets of less than \$10 billion) that has been federally insured for at least five years, effective July 1, 2016, the initial base assessment rate ranges from 3 to 30 basis points, based on the institution's CAMELS composite and component ratings and certain financial ratios; its leverage ratio; its ratio of net income before taxes to total assets; its ratio of nonperforming loans and leases to gross assets; its ratio of other real estate owned to gross assets; its brokered deposits ratio (excluding reciprocal deposits if the institution is well capitalized and has a CAMELS composite rating of 1 or 2); its one year asset growth ratio (which penalizes growth adjusted for mergers in excess of 10%); and its loan mix index (which penalizes higher risk loans based on historical industry charge off rates). The initial base assessment rate is subject to downward adjustment (not below 1.5%) based on the ratio of unsecured debt the institution has issued to its assessment base, and to upward adjustment (which can cause the rate to exceed 30 basis points) based on its holdings of unsecured debt issued by other insured institutions. Institutions with assets of \$10 billion or more are assessed using a scorecard method.

In addition, all FDIC insured institutions are required to pay assessments to the FDIC at an annual rate of approximately six tenths of a basis point of insured deposits to fund interest payments on bonds issued by the Financing Corporation, an agency of the federal government established to recapitalize the predecessor to the Savings Association Insurance Fund. These assessments will continue until the Financing Corporation bonds mature in 2017 through 2019.

Under the Federal Deposit Insurance Act, the FDIC may terminate deposit insurance upon a finding that the institution has engaged in unsafe and unsound practices, is in an unsafe or unsound condition to continue operations or has violated any applicable law, regulation, rule order or condition imposed by the FDIC.

Interstate Banking and Branching. Banks have the ability, subject to certain state restrictions, to acquire, by acquisition or merger, branches outside its home state. In addition, federal legislation permits a bank headquartered in Pennsylvania to enter another state through de novo branching (as compared to an acquisition) if under the state law in the state which the proposed branch is to be located a state-chartered institution would be permitted to establish the branch. Interstate branches are subject to certain laws of the states in which they are located. Competition may increase further as banks branch across state lines and enter new markets.

Consumer Protection Laws and Regulations. Farmers National regulatory agencies are focusing greater attention on compliance with consumer protection laws and their implementing regulations. Examination and enforcement have become more intense in nature, and insured institutions have been advised to carefully monitor compliance with such laws and regulations. Farmers National is subject to many federal consumer protection statutes and regulations, some of which are discussed below.

The Community Reinvestment Act, or CRA, is intended to encourage insured depository institutions, while operating safely and soundly, to help meet the credit needs of their communities. The CRA specifically directs the federal regulatory agencies, in examining insured depository institutions, to assess a bank's record of helping meet the credit needs of its entire community, including low- and moderate-income neighborhoods, in a manner consistent with safe and sound banking practices. CRA regulations (i) establish the definition of "Intermediate Small Bank" as an institution with total assets of \$250 million to \$1 billion, without regard to any holding company; and (ii) take into account abusive lending practices by a bank or its affiliates in determining a bank's CRA rating. The CRA further requires the agencies to take a financial institution's record of meeting its community credit needs into account when evaluating applications for, among other things, domestic branches, mergers or acquisitions, or holding company formations. The agencies use the CRA assessment factors in order to provide a rating to the financial institution. The ratings range from a high of "outstanding" to a low of "substantial noncompliance." In its last examination for CRA compliance, as of September 10, 2015, Farmers National was rated "satisfactory."

The Fair Credit Reporting Act, or FCRA, as amended by the Fair and Accurate Credit Transactions Act of 2003, or FACTA, requires financial firms to help deter identity theft, including developing appropriate fraud response programs, and give consumers more control of their credit data. It also

TABLE OF CONTENTS

reauthorizes a federal ban on state laws that interfere with corporate credit granting and marketing practices. In connection with the FACTA, financial institution regulatory agencies proposed rules that would prohibit an institution from using certain information about a consumer it received from an affiliate to make a solicitation to the consumer, unless the consumer has been notified and given a chance to opt out of such solicitations. A consumer's election to opt out would be applicable for at least five years.

The Federal Trade Commission, or FTC, the federal bank regulatory agencies and the National Credit Union Administration, or NCUA, have issued regulations (the Red Flag Rules) requiring financial institutions and creditors to develop and implement written identity theft prevention programs as part of the FACTA. The programs must provide for the identification, detection and response to patterns, practices or specific activities — known as red flags — that could indicate identity theft. These red flags may include unusual account activity, fraud alerts on a consumer report or attempted use of suspicious account application documents. The program must also describe appropriate responses that would prevent and mitigate the crime and detail a plan to update the program. The program must be managed by the Board of Directors or senior employees of the institution or creditor, include appropriate staff training and provide oversight of any service providers.

The Check Clearing for the 21st Century Act, or Check 21, facilitates check truncation and electronic check exchange by authorizing a new negotiable instrument called a “substitute check,” which is the legal equivalent of an original check. Check 21 does not require banks to create substitute checks or accept checks electronically; however, it does require banks to accept a legally equivalent substitute check in place of an original.

The Equal Credit Opportunity Act, or ECOA, generally prohibits discrimination in any credit transaction, whether for consumer or business purposes, on the basis of race, color, religion, national origin, sex, marital status, age (except in limited circumstances), receipt of income from public assistance programs, or good faith exercise of any rights under the Consumer Credit Protection Act.

The Truth in Lending Act, or TILA, is designed to ensure that credit terms are disclosed in a meaningful way so that consumers may compare credit terms more readily and knowledgeably. As a result of the TILA, all creditors must use the same credit terminology to express rates and payments, including the annual percentage rate, the finance charge, the amount financed, the total of payments and the payment schedule, among other things.

The Fair Housing Act, or FHA, regulates many practices, including making it unlawful for any lender to discriminate in its housing-related lending activities against any person because of race, color, religion, national origin, sex, handicap or familial status. A number of lending practices have been found by the courts to be, or may be considered, illegal under the FHA, including some that are not specifically mentioned in the FHA itself.

The Home Mortgage Disclosure Act, or HMDA, grew out of public concern over credit shortages in certain urban neighborhoods and provides public information that will help show whether financial institutions are serving the housing credit needs of the neighborhoods and communities in which they are located. The HMDA also includes a “fair lending” aspect that requires the collection and disclosure of data about applicant and borrower characteristics as a way of identifying possible discriminatory lending patterns and enforcing anti-discrimination statutes.

The term “predatory lending,” much like the terms “safety and soundness” and “unfair and deceptive practices,” is far-reaching and covers a potentially broad range of behavior. As such, it does not lend itself to a concise or a comprehensive definition. Generally speaking, predatory lending involves at least one, and perhaps all three, of the following elements (i) making unaffordable loans based on the assets of the borrower rather than on the borrower's ability to repay an obligation (“asset-based lending”); (ii) inducing a borrower to refinance a loan repeatedly in order to charge high points and fees each time the loan is refinanced (“loan flipping”); and (iii) engaging in fraud or deception to conceal the true nature of the loan obligation from an unsuspecting or unsophisticated borrower.

FRB regulations aimed at curbing such lending significantly widened the pool of high-cost home-secured loans covered by the Home Ownership and Equity Protection Act of 1994, a federal law that requires extra disclosures and consumer protections to borrowers. Lenders that violate the rules face cancellation of loans and penalties equal to the finance charges paid.

TABLE OF CONTENTS

OCC guidelines require national banks and their operating subsidiaries to comply with certain standards when making or purchasing loans to avoid predatory or abusive residential mortgage lending practices. Failure to comply with the guidelines could be deemed an unsafe and unsound or unfair or deceptive practice, subjecting Farmers National to supervisory enforcement actions.

Finally, the Real Estate Settlement Procedures Act, or RESPA, requires lenders to provide borrowers with disclosures regarding the nature and cost of real estate settlements. Also, RESPA prohibits certain abusive practices, such as kickbacks, and places limitations on the amount of escrow accounts. Penalties under the above laws may include fines, reimbursements and other penalties. Due to heightened regulatory concern related to compliance with the CRA, FACTA, TILA, FHA, ECOA, HMDA and RESPA generally, Farmers National may incur additional compliance costs or be required to expend additional funds for investments in its local community.

Federal Home Loan Bank System. Farmers National is a member of the FHLB. Among other benefits, each FHLB serves as a reserve or central bank for its members within its assigned region. Each FHLB is financed primarily from the sale of consolidated obligations of the FHLB system. Each FHLB makes available loans or advances to its members in compliance with the policies and procedures established by the Board of Directors of the individual FHLB. As an FHLB member, Farmers National is required to own a certain amount of capital stock in the FHLB. At March 31, 2018, Farmers National was in compliance with the stock requirements.

Federal Reserve System. The FRB requires all depository institutions to maintain noninterest bearing reserves at specified levels against their transaction accounts (primarily checking) and non-personal time deposits. At March 31, 2018, Farmers National was in compliance with these requirements.

Properties

Emclair owns no real property but utilizes the main office of Farmers National, which is owned by Farmers National. Emclair's and Farmers National's executive offices are located at 612 Main Street, Emlenton, Pennsylvania. Emclair pays no rent or other form of consideration for the use of this facility.

Farmers National owns and leases numerous other premises for use in conducting business activities. Farmers National considers these facilities owned or occupied under lease to be adequate. For additional information regarding the bank's properties, see "Note 7 — Premises and Equipment" to Emclair's consolidated financial statements included elsewhere in this proxy statement/information statement/prospectus.

Legal Proceedings

Neither Emclair nor Farmers National is involved in any material legal proceedings. Farmers National, from time to time, is party to litigation that arises in the ordinary course of business, such as claims to enforce liens, claims involving the origination and servicing of loans, and other issues related to the business of the bank. In the opinion of management, the resolution of any such issues would not have a material adverse impact on the financial position, results of operation, or liquidity of Farmers National or Emclair.

TABLE OF CONTENTS

EMCLAIRE'S MANAGEMENT'S DISCUSSION AND ANALYSIS
OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion and analysis represents a review of Emclaire's consolidated financial condition and results of operations for the three months ended March 31, 2018 and 2017 and years ended December 31, 2017 and 2016. This review should be read in conjunction with the consolidated financial statements included elsewhere in this proxy statement/information statement/prospectus.

Overview

Emclaire reported consolidated net income of \$1.4 million, or \$0.60 per common share, for the three months ended March 31, 2018, an increase of \$406,000 or 42.5%, from \$956,000, or \$0.44 per common share, for the three months ended March 31, 2017. Net income for the three months ended March 31, 2018 was impacted by the following:

- Net interest income increased \$689,000, or 13.4%, to \$5.8 million for the three months ended March 31, 2018 from \$5.2 million for the same period in 2017. The increase in net interest income resulted from an increase in interest income of \$822,000, or 13.3%, as Emclaire experienced a \$50.0 million increase in the average balance of loans, which was partially offset by an increase in interest expense of \$133,000, or 13.1%, as Emclaire's average balance of interest-bearing deposits increased \$67.0 million, partially offset by a \$20.1 million decrease in the average balance of borrowed funds.

- Noninterest income increased \$43,000, or 5.0%, to \$899,000 for the three months ended March 31, 2018. Fees and service charges increased \$29,000 as overdraft charges outpaced the prior year period and other income increased \$29,000 due to increased interchange fee income.

- Noninterest expense increased \$115,000, or 2.5%, to \$4.7 million for the three months ended March 31, 2018 from \$4.6 million for the same period in 2017. The increase primarily related to increases in compensation and benefits expense and federal deposit insurance of \$130,000 and \$29,000, respectively.

- The provision for loan losses increased \$218,000, or 134.6%, to \$380,000 for the three months ended March 31, 2018 from \$162,000 for the same period in 2017 due to a general increase in Emclaire's loan portfolio and higher than normal loan charge-offs experienced in the first quarter of 2018.

Emclaire reported consolidated net income of \$4.3 million, or \$1.93 per diluted common share for 2017, compared to \$4.0 million, or \$1.85 per diluted common share for 2016. Net income for 2017 was impacted by the following:

- Net interest income increased \$2.4 million, or 12.5%, in 2017. This increase primarily related to an increase in interest income of \$3.0 million, or 12.7%, partially offset by an increase in interest expense of \$548,000, or 13.9%. Driving the increase in interest income was a \$69.7 million increase in the average balance of loans. The increase in interest expense was driven by increases in Emclaire's average balances of interest-bearing deposits and borrowed funds of \$53.2 million and \$3.1 million, respectively. The increases in Emclaire's interest-earning assets and interest-bearing liabilities includes the impact of the acquisition of Northern Hancock in September 2017, which added \$18.5 million in loans and \$19.7 million in deposits at the time of the acquisition.

- Noninterest income increased \$1.4 million, or 37.4%, in 2017. This increase was primarily from a \$1.3 million bargain purchase gain related to the acquisition of Northern Hancock. Also during 2017, Emclaire recorded a \$508,000 other-than-temporary impairment charge on a subordinated debt investment, partially offset by securities gains of \$346,000 realized during the same period.

- Noninterest expense increased \$2.2 million, or 12.6%, to \$19.6 million for the year ended December 31, 2017 from \$17.4 million for 2016. The increase primarily related to increases in acquisition costs, other noninterest expense, compensation and benefits and premises and equipment of \$718,000, \$714,000, \$628,000 and \$126,000, respectively. Acquisition costs related to

TABLE OF CONTENTS

the Northern Hancock acquisition totaled \$1.1 million in 2017. Also contributing to the increases in noninterest expense were operating costs associated with this new office from the Northern Hancock acquisition as well as the full-year operation of two banking offices added during 2016.

- Provision for income taxes increased \$866,000, or 69.4%, to \$2.1 million for the year ended December 31, 2017 from \$1.2 million for 2016. This increase was primarily from an \$827,000 write down of net deferred tax assets resulting from the enactment of the Tax Cuts and Jobs Act in December 2017.

Changes in Financial Condition

December 31, 2017 to March 31, 2018

Total assets increased \$5.7 million to \$755.8 million at March 31, 2018 from \$750.1 million at December 31, 2017. Asset growth was driven by increases in net loans receivable and cash and equivalents of \$7.0 million and \$2.8 million, respectively, partially offset by a decrease in investment securities of \$4.3 million. Total liabilities increased \$5.9 million to \$696.9 million at March 31, 2018 from \$691.0 million at December 31, 2017, resulting primarily from a \$12.1 million, or 1.9%, increase in customer deposits, partially offset by a \$5.7 million decrease in borrowed funds. Deposit growth consisted of a \$9.2 million, or 1.7%, increase in interest bearing deposits and a \$2.9 million, or 2.3%, increase in non-interest bearing deposits.

Stockholders' equity decreased \$214,000 to \$58.9 million at March 31, 2018 from \$59.1 million at December 31, 2017 primarily due to a \$1.2 million decrease in accumulated other comprehensive income, partially offset by a \$913,000 increase in retained earnings as a result of \$1.4 million of net income, partially offset by \$636,000 of common dividends paid. Emclaire remains well capitalized and is positioned for continued growth with total stockholders' equity at 7.8% of total assets. Tangible book value per common share was \$21.21 at March 31, 2018, compared to \$21.28 at December 31, 2017.

At March 31, 2018, Farmer National was considered "well-capitalized" with a Tier 1 leverage ratio, Common Equity Tier 1 ratio, Tier 1 risk-based capital ratio and total risk-based capital ratio of 7.92%, 11.77%, 11.77% and 12.96%, respectively. Farmers National was also considered "well-capitalized" at December 31, 2017 with a Tier 1 leverage ratio, Common Equity Tier 1 ratio, Tier 1 risk-based capital ratio and total risk-based capital ratio of 7.71%, 11.73%, 11.73% and 12.96%, respectively.

December 31, 2016 to December 31, 2017

Total assets increased \$57.9 million, or 8.4%, to \$750.1 million at December 31, 2017 from \$692.1 million at December 31, 2016. This increase primarily related to an increase in net loans receivable of \$61.8 million, partially offset by a decrease in cash and cash equivalents of \$3.2 million. Liabilities increased \$52.9 million, or 8.3%, to \$691.0 million at December 31, 2017 from \$638.1 million at December 31, 2016 due to an increase in customer deposits of \$69.7 million, partially offset by an \$18.0 million decrease in borrowed funds. Loans and deposits acquired from Northern Hancock totaled \$18.5 million and \$19.7 million, respectively, at the time of the acquisition in September 2017.

Cash and cash equivalents. Cash and cash equivalents decreased \$3.2 million, or 18.2%, to \$14.4 million at December 31, 2017 from \$17.6 million at December 31, 2016. This decrease primarily resulted from the funding of loans and the repayment of borrowed funds, partially offset by an increase in customer deposits.

Securities. Securities decreased \$393,000 to \$101.2 million at December 31, 2017 from \$101.6 million at December 31, 2016. This decrease primarily resulted from investment security sales, maturities, calls and repayments totaling \$29.8 million, partially offset by purchases totaling \$29.5 million during the year.

Loans receivable. Net loans receivable increased \$61.8 million, or 12.1%, to \$577.2 million at December 31, 2017 from \$515.4 million at December 31, 2016. The increase was driven by growth in Emclaire's commercial mortgage, residential mortgage, home equity, consumer and commercial business portfolios of \$26.1 million, \$23.7 million, \$8.6 million, \$2.9 million and \$1.2 million, respectively. Loans acquired from Northern Hancock totaled \$18.5 million at the time of the acquisition in September 2017 and \$17.4 million at December 31, 2017.

TABLE OF CONTENTS

Nonperforming assets. Nonperforming assets include nonaccrual loans, loans 90 days past due and still accruing, repossessions and real estate owned. Nonperforming assets were \$4.2 million, or 0.56% of total assets, at December 31, 2017 compared to \$3.6 million, or 0.52% of total assets, at December 31, 2016. Nonperforming assets consisted of nonperforming loans and real estate owned of \$3.6 million and \$492,000, respectively, at December 31, 2017 and \$3.3 million and \$291,000, respectively, at December 31, 2016. At December 31, 2017, nonperforming loans consisted primarily of residential mortgage, commercial mortgage and commercial business loans.

Federal bank stocks. Federal bank stocks were comprised of FHLB stock and FRB stock of \$3.3 million and \$1.4 million, respectively, at December 31, 2017. These stocks are purchased and redeemed at par as directed by the federal banks and levels maintained are based primarily on borrowing and other correspondent relationships between Emclave and the federal banks.

Bank-owned life insurance (BOLI). Emclave maintains single premium life insurance policies on certain current and former officers and employees of Farmers National. In addition to providing life insurance coverage, whereby Farmers National as well as the officers and employees receive life insurance benefits, the appreciation of the cash surrender value of the BOLI will serve to offset and finance existing and future employee benefit costs. Increases in this account are typically associated with an increase in the cash surrender value of the policies, partially offset by certain administrative expenses. BOLI increased \$334,000, or 2.9%, to \$11.7 million at December 31, 2017 from \$11.4 million at December 31, 2016.

Premises and equipment. Premises and equipment decreased \$272,000, or 1.5%, to \$18.0 million at December 31, 2017 from \$18.3 million at December 31, 2016. The overall decrease in premises and equipment during the year was due to depreciation and amortization of \$1.2 million, partially offset by capital expenditures of \$204,000. Additions for 2017 also included \$708,000 of fixed assets acquired from Northern Hancock.

Goodwill. Goodwill remained unchanged from \$10.3 million at December 31, 2017 and December 31, 2016.

Goodwill represents the excess of the total purchase price paid for the acquisition over the fair value of the identifiable assets acquired, net of the fair value of the liabilities assumed. Goodwill is evaluated for impairment at least annually and more frequently if events and circumstances indicate that the asset might be impaired. Management evaluated goodwill and concluded that no impairment existed at December 31, 2017.

Core deposit intangible. The core deposit intangible was \$481,000 at December 31, 2017, compared to \$560,000 at December 31, 2016. During 2017, Emclave recorded a core deposit intangible of \$167,000 related to the Northern Hancock acquisition. The core deposit intangible also includes amounts associated with the assumption of deposits in the acquisition of United American Savings bank, which we refer to as United American, in 2016 and the 2009 Titusville branch acquisition. This asset represents the long-term value of the core deposits acquired. In each instance, the fair value was determined using a third-party valuation expert specializing in estimating fair values of core deposit intangibles. The fair value was derived using an industry standard present value methodology. All-in costs and runoff balances by year were discounted by comparable term FHLB advance rates, used as an alternative cost of funds measure. This intangible asset amortizes utilizing the double declining balance method of amortization over a weighted average estimated life of the related deposits. The core deposit intangible asset is not estimated to have a significant residual value. Emclave recorded \$246,000 and \$226,000 of intangible amortization in 2017 and 2016, respectively.

Deposits. Total deposits increased \$69.7 million, or 11.9%, to \$654.6 million at December 31, 2017 from \$584.9 million at December 31, 2016. Noninterest bearing deposits increased \$2.5 million, or 2.1%, during the year while interest bearing deposits increased \$67.2 million, or 14.6%. Deposits assumed from Northern Hancock totaled \$19.7 million at the time of the acquisition in September 2017 and \$17.2 million at December 31, 2017.

Borrowed funds. Borrowed funds decreased \$18.0 million, or 40.9%, to \$26.0 million at December 31, 2017 from \$44.0 million at December 31, 2016 primarily as Emclave repaid \$15.0 million of FHLB borrowings which matured in November 2017. Borrowed funds at December 31, 2017 consisted of short-term borrowings of \$2.5 million and long-term borrowings of \$23.5 million. Long-term advances are utilized primarily to fund loan growth and short-term advances are utilized primarily to compensate for the normal deposit fluctuations.

TABLE OF CONTENTS

Stockholders' equity. Stockholders' equity increased \$5.0 million, or 9.3%, to \$59.1 million at December 31, 2017 from \$54.1 million at December 31, 2016. The increase was primarily due to proceeds from the exercise of stock options of \$1.4 million, \$1.7 million of common stock issued in connection with the acquisition of Northern Hancock and net income of \$4.3 million for 2017, offset by common stock dividends paid of \$2.4 million.

Changes in Results of Operations

Emclaire reported net income of \$1.4 million and \$956,000 for the three months ended March 31, 2018 and 2017 and \$4.3 million and \$4.0 million in 2017 and 2016, respectively. The following "Average Balance Sheet and Yield/Rate Analysis" and "Analysis of Changes in Net Interest Income" tables should be utilized in conjunction with the discussion of the interest income and interest expense components of net interest income.

106

TABLE OF CONTENTS

Average Balance Sheet and Yield/Rate Analysis. The following tables sets forth, for the periods indicated, information concerning the total dollar amounts of interest income from interest-earning assets and the resulting average yields, the total dollar amounts of interest expense on interest-bearing liabilities and the resulting average costs, net interest income, interest rate spread and the net interest margin earned on average interest-earning assets. For purposes of this table, average loan balances include nonaccrual loans and exclude the allowance for loan losses and interest income includes accretion of net deferred loan fees. Interest and yields on tax-exempt loans and securities (tax-exempt for federal income tax purposes) are shown on a fully tax equivalent basis. The information is based on average daily balances during the periods presented.

TABLE OF CONTENTS

Analysis of Changes in Net Interest Income. The following tables analyze the changes in interest income and interest expense in terms of: (1) changes in volume of interest-earning assets and interest-bearing liabilities and (2) changes in yields and rates. The table reflects the extent to which changes in Emclaire's interest income and interest expense are attributable to changes in rate (change in rate multiplied by prior year volume), changes in volume (changes in volume multiplied by prior year rate) and changes attributable to the combined impact of volume/rate (change in rate multiplied by change in volume). The changes attributable to the combined impact of volume/rate are allocated on a consistent basis between the volume and rate variances. Changes in interest income on loans and securities reflect the changes in interest income on a fully tax equivalent basis.

TABLE OF CONTENTS

Comparison of the Results of Operations for the Three Months Ended March 31, 2018 and 2017

General. Net income increased \$406,000, or 42.5%, to \$1.4 million for the three months ended March 31, 2018 from \$956,000 for the same period in 2017. This increase was the result of increases in net interest income and noninterest income \$689,000 and \$43,000, respectively, and a decrease of \$7,000 in the provision for income taxes, partially offset by increases in the provision for loan losses and noninterest expense of \$218,000 and \$115,000, respectively. Net interest income. Tax equivalent net interest income increased \$608,000, or 11.50%, to \$5.9 million for the three months ended March 31, 2018 from \$5.3 million for the three months ended March 31, 2017. This increase was attributed to an increase in tax equivalent interest income of \$740,000, partially offset by an increase in interest expense of \$132,000.

Interest income. Tax equivalent interest income increased \$740,000, or 11.7%, to \$7.0 million for the three months ended March 31, 2018 from \$6.3 million for the same period in 2017. This increase was attributed to increases in interest earned on loans and interest-earning deposits with banks and dividends on federal bank stocks of \$721,000, \$17,000 and \$11,000, respectively, partially offset by a decrease in interest earned on securities of \$9,000.

Tax equivalent interest earned on loans receivable increased \$721,000, or 12.8%, to \$6.4 million for the three months ended March 31, 2018 compared to \$5.6 million for the same period in 2017. This increase resulted from a \$50.0 million, or 9.4%, increase in average loans, accounting for an increase of \$541,000 in interest income. The increase in loans receivable was related to the acquisition of Northern Hancock in September 2017 and strong loan growth achieved in late 2017 and the first three months of 2018. Adding to this favorable volume variance, the average yield on loans increased 14 basis points to 4.42% for the three months ended March 31, 2018, versus 4.28% for the same period in 2017. This favorable yield variance accounted for a \$180,000 increase in interest income.

Tax equivalent interest earned on securities decreased \$9,000, or 1.5%, to \$583,000 for the three months ended March 31, 2018 compared to \$592,000 for the three months ended March 31, 2017. This decrease resulted from a 2 basis point decrease in the average yield on securities to 2.38% for the three months ended March 31, 2018 versus 2.40% for the same period in 2017. This unfavorable yield variance accounted for a \$7,000 decrease in interest income. Furthermore, the average balance of securities decreased \$379,000, accounting for an additional \$2,000 decrease in interest income.

Interest earned on deposits with banks increased \$17,000 to \$33,000 for the three months ended March 31, 2018 compared to \$16,000 for the three months ended March 31, 2017. This increase resulted from a 39 basis point increase in the average yield on these accounts to 1.10% for the three months ended March 31, 2018, versus 0.71% for the same period in 2017, accounting for an \$11,000 increase in interest income. Additionally, the average balance of interest-earning deposits increased \$3.1 million, or 34.0%, accounting for an increase of \$6,000 in interest income. Dividends on federal bank stocks increased \$11,000, or 20.8%, to \$64,000 for the three months ended March 31, 2018 from \$53,000 for the same period in 2017. This increase was primarily due to an increase of 135 basis points in the average yield on federal bank stocks to 5.70% for the three months ended March 31, 2018, versus 4.35% for the same period in 2017, accounting for a \$15,000 increase in interest income. Partially offsetting the favorable yield variance, the average balance of federal bank stocks decreased \$382,000, or 7.7%, accounting for a \$4,000 decrease in interest income.

Interest expense. Interest expense increased \$132,000, or 13.0%, to \$1.1 million for the three months ended March 31, 2018 from \$1.0 million for the same period in 2017. This increase in interest expense can be attributed to a \$288,000 increase in interest incurred on deposits, partially offset by a decrease of \$156,000 in interest incurred on borrowed funds.

Interest expense incurred on deposits increased \$288,000, or 41.0%, to \$991,000 for the three months ended March 31, 2018 compared to \$703,000 for the same period in 2017. The average cost of interest-bearing deposits increased 14 basis points to 0.75% for the three months ended March 31, 2018, versus 0.61% for the same period in 2017, accounting for a \$178,000 increase in interest expense. Additionally, the average balance of interest-bearing deposits increased \$67.0 million, or 14.4%, to

TABLE OF CONTENTS

\$532.4 million for the three months ended March 31, 2018, compared to \$465.4 million for the same period in 2017 causing a \$110,000 increase in interest expense. This increase was primarily due to the acquisition of Northern Hancock in September 2017 and strong deposit growth during late 2017 and the first three months of 2018.

Interest expense incurred on borrowed funds decreased \$156,000, or 49.7%, to \$158,000 for the three months ended March 31, 2018, compared to \$314,000 for the same period in the prior year. The average balance of borrowed funds decreased \$20.1 million, or 45.0%, to \$24.6 million for the three months ended March 31, 2018, compared to \$44.7 million for the same period in 2017 causing a \$128,000 increase in interest expense. The reduction in the outstanding balance of borrowed funds resulted from the payoff of maturing FHLB long-term notes of \$15.0 million in November 2017 and the early payoff of a \$5.0 million FHLB long-term note in February 2018. Partially offsetting the volume variance, the average cost of borrowed funds decreased 24 basis points to 2.61% for the three months ended March 31, 2018 compared to 2.85% for the same period in 2017 causing a \$28,000 decrease in interest expense.

Provision for loan losses. Emclair records provisions for loan losses to maintain a level of total allowance for loan losses that management believes, to the best of its knowledge, covers all probable incurred losses estimable at each reporting date. Management considers historical loss experience, the present and prospective financial condition of borrowers, current conditions (particularly as they relate to markets where Emclair originates loans), the status of nonperforming assets, the estimated underlying value of the collateral and other factors related to the collectability of the loan portfolio.

Nonperforming loans decreased \$536,000, or 14.5%, to \$3.2 million at March 31, 2018 from \$3.7 million at December 31, 2017. This decrease was primarily due to a commercial mortgage loan in the amount of \$559,000 which was transferred to OREO during the three months ended March 31, 2018. Of the \$3.2 million in nonperforming loans, \$1.3 million were not 30 days or more past due at March 31, 2018.

As of March 31, 2018, Emclair's classified and criticized assets amounted to \$15.6 million, or 2.1% of total assets, with \$11.0 million classified as substandard and \$4.6 million identified as special mention. This compares to classified and criticized assets of \$14.8 million, or 2.0% of total assets, with \$11.6 million classified as substandard and \$3.2 million identified as special mention at December 31, 2017. This increase was primarily related to the risk rating downgrades of two commercial loan relationships totaling \$3.8 million to special mention, partially offset by the risk rating upgrade of one \$1.9 million commercial loan relationship to pass and the aforementioned \$559,000 loan transferred to OREO.

The provision for loan losses increased \$218,000 to \$380,000 for the three months ended March 31, 2018 from \$162,000 for the same period in 2017 due primarily to general growth in the loan portfolio and portfolio charge-offs.

Noninterest income. Noninterest income increased \$43,000, or 5.0%, to \$899,000 for the three months ended March 31, 2018, compared to \$856,000 for the same period in 2017. This increase resulted primarily from increases in interchange fees, overdraft fees and gains on sale of loans of \$45,000, \$29,000 and \$16,000, respectively, for the first quarter of 2018 compared to that of the same quarter in 2017. Partially offsetting these increases, Emclair incurred \$29,000 in losses on the sale of securities during the first quarter of 2018.

Noninterest expense. Noninterest expense increased \$115,000, or 2.5%, to \$4.7 million for the three months ended March 31, 2018 compared to \$4.6 million for the same period in 2017. This increase in noninterest expense can be attributed to increases in compensation and benefits, federal deposit insurance, professional fees, premises and equipment and intangible asset amortization of \$130,000, \$29,000, \$14,000, \$12,000 and \$9,000, respectively, partially offset by a \$79,000 decrease in other expenses.

Compensation and employee benefits increased \$130,000, or 5.6%, to \$2.5 million for the three months ended March 31, 2018 compared to \$2.3 million for the same period in 2017. This increase was primarily the result of increases in insurance benefits, salaries, stock compensation expense and incentive expense of \$47,000, \$34,000, \$20,000 and \$16,000, respectively. These increases are primarily related to costs associated with the operation of the new full-service banking office in Chester, West Virginia which was acquired from Northern Hancock, increased health insurance costs and normal salary and benefit increases.

TABLE OF CONTENTS

Other noninterest expense decreased \$79,000, or 6.8%, to \$1.1 million for the three months ended March 31, 2018 compared to \$1.2 million for the same period in the prior year. This decrease was primarily the result of a \$50,000 reversal of expense related to an accrual for a previously anticipated loss which will not be incurred and a \$30,000 vendor refund for overcharged telecommunication services.

Provision for income taxes. The provision for income taxes decreased \$7,000, or 2.6%, to \$266,000 for the three months ended March 31, 2018 compared to \$273,000 for the same period in the prior year. This related to a decrease in Emclair's effective tax rate to 16.3% for the three months ended March 31, 2018 compared to 22.2% for the same period in 2017, partially offset by an increase in net income before income taxes. The decrease in Emclair's effective tax rate was due to the enactment of the Tax Cuts and Job Act in December 2017 and the reduction of the corporate income tax rate from a maximum of 35% to a flat 21%.

Comparison of the Results of Operations for the Years Ended December 31, 2017 and 2016

Emclair reported net income of \$4.3 million and \$4.0 million for 2017 and 2016, respectively. The \$291,000, or 7.3%, increase in net income was attributed to increases in net interest income and noninterest income of \$2.4 million and \$1.4 million, respectively, partially offset by increases in noninterest expense, the provision for income taxes and the provision for loan losses of \$2.2 million, \$866,000 and \$439,000, respectively. Returns on average equity and assets were 7.52% and 0.59%, respectively, for 2017, compared to 7.32% and 0.60%, respectively, for 2016.

Net interest income. The primary source of Emclair's revenue is net interest income. Net interest income is the difference between interest income on earning assets, such as loans and securities, and interest expense on liabilities, such as deposits and borrowed funds, used to fund the earning assets. Net interest income is impacted by the volume and composition of interest-earning assets and interest-bearing liabilities, and changes in the level of interest rates. Tax equivalent net interest income increased \$2.4 million to \$22.4 million for 2017, compared to \$20.1 million for 2016. This increase in net interest income can be attributed to an increase in tax equivalent interest income of \$2.9 million, partially offset by an increase in interest expense of \$548,000.

Interest income. Tax equivalent interest income increased \$2.9 million, or 12.1%, to \$26.9 million for 2017, compared to \$24.0 million for 2016. This increase can be attributed to increases in interest earned on loans, deposits with banks and dividends received on federal bank stocks of \$2.9 million, \$100,000 and \$56,000, respectively, partially offset by a decrease in interest earned on securities of \$128,000.

Tax equivalent interest earned on loans receivable increased \$2.9 million, or 13.6%, to \$24.1 million for 2017, compared to \$21.2 million for 2016. The average balance of loans increased \$69.7 million, or 14.4%, generating \$3.0 million of additional interest income on loans. Offsetting this favorable variance, the average yield on loans decreased 2 basis points to 4.34% for 2017, versus 4.36% for 2016 causing a \$135,000 decrease in interest income. Tax equivalent interest earned on securities decreased \$128,000, or 5.1%, to \$2.4 million for 2017, compared to \$2.5 million for 2016. The average balance of securities decreased \$7.0 million, or 6.5%, causing a \$166,000 decrease in interest income. Partially offsetting the unfavorable volume variance, the average yield on securities increased 3 basis points to 2.39% for 2017 versus 2.36% for 2016 causing a \$38,000 increase in interest income.

Interest earned on interest-earning deposit accounts increased \$100,000, or 74.1%, to \$235,000 for 2017, compared to \$135,000 for 2016. The average yield on these accounts increased 52 basis points to 1.05% for 2017 versus 0.53% for 2016 causing a \$119,000 increase in interest income. Offsetting this favorable variance, the average balance of interest-earning deposits decreased \$3.2 million causing a \$19,000 decrease in interest income.

Interest earned on federal bank stocks increased \$56,000, or 30.1%, to \$242,000 for 2017, compared to \$186,000 for 2016. The average balance of federal bank stocks increased \$1.1 million, or 29.0%, generating a \$54,000 increase in interest income. Enhancing this favorable variance, the average yield on these accounts increased 4 basis points to 4.99% for 2017 versus 4.95% for 2016 causing a \$2,000 increase in interest income.

TABLE OF CONTENTS

Interest expense. Interest expense increased \$548,000, or 13.9%, to \$4.5 million for 2017, compared to \$3.9 million for 2016. This increase can be attributed to increases in interest expense on interest-bearing deposits and borrowed funds of \$484,000 and \$64,000, respectively.

Interest expense on deposits increased \$484,000, or 17.3%, to \$3.3 million for 2017, compared to \$2.8 million for 2016. The average balance of interest-bearing deposits increased \$53.2 million, or 12.0%, causing a \$345,000 increase in interest expense. The average rate on interest-bearing deposits increased by 3 basis points to 0.66% for 2017 versus 0.63% for 2016 causing a \$139,000 increase in interest expense.

Interest expense on borrowed funds increased \$64,000, or 5.5%, to \$1.2 million for 2017, compared to \$1.2 million for 2016. The average balance of borrowed funds increased \$3.1 million, or 8.2%, to \$40.5 million for 2017, compared to \$37.5 million for 2016 causing a \$90,000 increase in interest expense. Partially offsetting this unfavorable variance, the average cost of borrowed funds decreased 8 basis points to 3.00% for 2017 versus 3.08% for 2016 causing a \$26,000 decrease in interest expense.

Provision for loan losses. Emclair records provisions for loan losses to maintain a level of total allowance for loan losses that management believes, to the best of its knowledge, covers all probable incurred losses estimable at each reporting date. Management considers historical loss experience, the present and prospective financial condition of borrowers, current conditions (particularly as they relate to markets where Emclair originates loans), the status of nonperforming assets, the estimated underlying value of the collateral and other factors related to the collectability of the loan portfolio.

Nonperforming loans increased \$370,000, or 11.1%, to \$3.7 million at December 31, 2017 from \$3.3 million at December 31, 2016. The increase in nonperforming loans was primarily related to a \$646,000 increase in loans past due more than 90 days, partially offset by the payoff of two residential mortgage loans which were previously on nonaccrual status totaling \$391,000.

The provision for loan losses increased \$439,000, or 94.6%, to \$903,000 for 2017 from \$464,000 for 2016. Emclair's allowance for loan losses amounted to \$6.1 million, or 1.05% of Emclair's total loan portfolio at December 31, 2017 compared to \$5.5 million or 1.06% of total loans at December 31, 2016. The allowance for loan losses, as a percentage of nonperforming loans at December 31, 2017 and 2016, was 165.9% and 166.9%, respectively. The allocation of the allowance for loan losses related to residential mortgage loans and commercial mortgage loans increased during the year as a result of growth in the loan portfolios, while the allocation related to commercial business loans decreased as the portfolio remained flat. At December 31, 2017, there was no provision for loan losses allocated to loans acquired from United American or Northern Hancock.

Noninterest income. Noninterest income includes revenue that is related to services rendered and activities conducted in the financial services industry, including fees on depository accounts, general transaction and service fees, commissions on financial services, title premiums, security and loan sale gains and losses, and earnings on bank-owned life insurance (BOLI). Noninterest income increased \$1.4 million, or 37.4%, to \$5.0 million in 2017 from \$3.7 million in 2016. The increase in noninterest income is primarily due to a \$1.3 million bargain purchase gain related to the acquisition of Northern Hancock at September 30, 2017. Also during 2017, Emclair recorded a \$508,000 other-than-temporary impairment charge on a subordinated debt investment issued by First NBC Bank Holding Company. On April 28, 2017, the Louisiana Office of Financial Institutions closed First NBC Bank, the wholly owned banking subsidiary of First NBC Bank Holding Company, and named the FDIC as receiver for the bank. Partially offsetting this impairment charge, Emclair realized securities gains of \$346,000 during 2017, compared to \$82,000 during the same period in 2016. Additionally, gains on the sale of loans totaled \$248,000 for 2017 compared to \$119,000 during the same period in 2016 and customer service fees increased \$133,000 as overdraft charges during 2017 outpaced the same period last year.

Noninterest expense. Noninterest expense increased \$2.2 million, or 12.6%, to \$19.6 million for 2017, compared to \$17.4 million for 2016. This increase was primarily related to increases in acquisition costs, other noninterest expense, compensation and employee benefits, premises and equipment expense and intangible asset amortization.

Acquisition costs increased \$718,000 to \$1.1 million for 2017, compared to \$401,000 for 2016. Acquisition costs for 2017 were related to the acquisition of Northern Hancock and included system conversion costs, contract termination fees, legal fees, employee severance costs, accounting and auditing

TABLE OF CONTENTS

fees and other costs of \$421,000, \$279,000, \$173,000, \$108,000, \$55,000 and \$84,000. Acquisition costs for 2016 were related to the acquisition of United American and included legal fees, system conversion costs and other costs of \$194,000, \$132,000 and \$75,000, respectively.

Other noninterest expense increased \$714,000, or 17.7%, to \$4.8 million for 2017, compared to \$4.0 million for 2016. Contributing to the increase were increases in bad checks and other losses, Pennsylvania share tax, overdraft privilege program administration fees, debit card processing expenses, subscriptions, correspondent banking fees, travel and entertainment expenses and telecommunications expenses. These increases were due, in part, to full-year operating costs associated with two new branches opened in 2016 and a partial year of costs associated with the Northern Hancock office acquired on September 30, 2017.

Compensation and employee benefits expense increased \$628,000, or 7.3%, to \$9.3 million for 2017, compared to \$8.6 million for 2016. This increase primarily related to normal wage and salary increases and an increase in retirement benefits expense as well as the addition of the new branch offices.

Premises and equipment expense increased \$126,000, or 4.4%, to \$3.0 million for 2017, compared to \$2.8 million for 2016. This increase primarily related to expenses associated with Farmers National's new branch offices.

Emclaire recognized \$246,000 of intangible amortization in 2017, compared to \$226,000 in 2016 associated with core deposit intangible assets that were recorded in connection with the 2009 Titusville branch acquisition, the 2016 United American acquisition and the 2017 Northern Hancock acquisition.

The provision for income taxes increased \$866,000, or 69.4%, to \$2.1 million for 2017, compared to \$1.2 million for 2016 primarily due to an additional tax expense of \$827,000 recorded for the revaluation of deferred tax assets as required by the Tax Cut and Jobs Act signed into law during December 2017. As a result of this additional tax expense, Emclaire's effective tax rate for 2017 was 33.1%, compared to 23.8% for 2016.

Market Risk Management

Market risk for Emclaire consists primarily of interest rate risk exposure and liquidity risk. Emclaire is not subject to currency exchange risk or commodity price risk, and has no trading portfolio, and therefore, is not subject to any trading risk. In addition, Emclaire does not participate in hedging transactions such as interest rate swaps and caps. Changes in interest rates will impact both income and expense recorded and also the market value of long-term interest-earning assets.

The primary objective of Emclaire's asset liability management function is to maximize Emclaire's net interest income while simultaneously maintaining an acceptable level of interest rate risk given Emclaire's operating environment, capital and liquidity requirements, balance sheet mix, performance objectives and overall business focus. One of the primary measures of the exposure of Emclaire's earnings to interest rate risk is the timing difference between the repricing or maturity of interest-earning assets and the repricing or maturity of its interest-bearing liabilities.

Emclaire's board of directors has established a finance committee, consisting of four outside directors, the president and chief executive officer (CEO), the treasurer and chief financial officer (CFO), the chief risk & strategy officer (CRSO) and the chief operating officer (COO), to monitor market risk, including primarily interest rate risk. This committee, which meets at least quarterly, generally establishes and monitors the investment, interest rate risk and asset liability management policies of Emclaire.

In order to minimize the potential for adverse affects of material and prolonged changes in interest rates on Emclaire's results of operations, Emclaire's management team has implemented and continues to monitor asset liability management policies to better match the maturities and repricing terms of Emclaire's interest-earning assets and interest-bearing liabilities. Such policies have consisted primarily of (i) originating adjustable-rate mortgage loans; (ii) originating short-term secured commercial loans with the rate on the loan tied to the prime rate or reset features in which the rate changes at determined intervals; (iii) emphasizing investment in shorter-term (expected duration of five years or less) investment securities; (iv) selling longer-term (30-year) fixed-rate residential mortgage loans in the secondary market;

TABLE OF CONTENTS

(v) maintaining a high level of liquid assets (including securities classified as available for sale) that can be readily reinvested in higher yielding investments should interest rates rise; (vi) emphasizing the retention of lower-costing savings accounts and other core deposits; and (vii) lengthening liabilities and locking in lower borrowing rates with longer terms whenever possible.

Interest Rate Sensitivity Gap Analysis

The implementation of asset and liability initiatives and strategies and compliance with related policies, combined with other external factors such as demand for Emclair's products and economic and interest rate environments in general, has resulted in Emclair maintaining a one-year cumulative interest rate sensitivity gap within internal policy limits of between a positive and negative 15% of total assets. The one-year interest rate sensitivity gap is identified as the difference between Emclair's interest-earning assets that are scheduled to mature or reprice within one year and its interest-bearing liabilities that are scheduled to mature or reprice within one year.

The interest rate sensitivity gap is defined as the difference between the amount of interest-earning assets maturing or repricing within a specific time period and the amount of interest-bearing liabilities maturing or repricing within that time period. A gap is considered positive when the amount of interest rate-sensitive assets exceeds the amount of interest rate-sensitive liabilities, and is considered negative when the amount of interest rate-sensitive liabilities exceeds the amount of interest rate-sensitive assets. Generally, during a period of rising interest rates, a negative gap would adversely affect net interest income while a positive gap would result in an increase in net interest income.

Conversely, during a period of falling interest rates, a negative gap would result in an increase in net interest income and a positive gap would adversely affect net interest income. The closer to zero, or more neutral, that gap is maintained, generally, the lesser the impact of market interest rate changes on net interest income.

Based on certain assumptions derived from Emclair's historical experience, at December 31, 2017, Emclair's interest-earning assets maturing or repricing within one year totaled \$194.1 million while Emclair's interest-bearing liabilities maturing or repricing within one year totaled \$166.8 million, providing an excess of interest-earning assets over interest-bearing liabilities of \$27.2 million or 3.6% of total assets. At December 31, 2017, the percentage of Emclair's assets to liabilities maturing or repricing within one year was 116.3%.

The following table presents the amounts of interest-earning assets and interest-bearing liabilities outstanding as of December 31, 2017 which are expected to mature, prepay or reprice in each of the future time periods presented:

(Dollar amounts in thousands)	Six months or less	Six months to one year	One to three years	Three to four years	Over four years	Total
Total interest-earning assets	\$ 142,748	\$ 51,325	\$ 160,987	\$ 72,420	\$ 268,326	\$ 695,806
Total interest-bearing liabilities	83,869	82,971	242,626	59,326	82,089	550,881
Interest rate sensitivity gap	\$ 58,879	\$ (31,646)	\$ (81,639)	\$ 13,094	\$ 186,237	\$ 144,925
Cumulative rate sensitivity gap	\$ 58,879	\$ 27,233	\$ (54,406)	\$ (41,312)	\$ 144,925	
Ratio of gap during the period to total interest earning assets	8.46%	(4.55)%	(11.73)%	1.88%	26.77%	
Ratio of cumulative gap to total interest earning assets	8.46%	3.91%	(7.82)%	(5.94)%	20.83%	

Although certain assets and liabilities may have similar maturities or periods of repricing, they may react in different degrees to changes in market interest rates. The interest rates on certain types of assets and liabilities may fluctuate in advance of changes in market interest rates, while interest rates on other types of assets and liabilities may lag behind changes in market interest rates. In the event of a change in interest rates, prepayment and early withdrawal levels

would likely deviate significantly from those assumed in calculating the table. The ability of many borrowers to service their debt may decrease in the event of an interest rate increase.

115

TABLE OF CONTENTS

Interest Rate Sensitivity Simulation Analysis

Emclair also utilizes income simulation modeling in measuring its interest rate risk and managing its interest rate sensitivity. The finance committee of the board of directors believes that simulation modeling enables Emclair to more accurately evaluate and manage the possible effects on net interest income due to the exposure to changing market interest rates and different loan and security prepayment and deposit decay assumptions under various interest rate scenarios.

As with gap analysis and earnings simulation modeling, assumptions about the timing and variability of cash flows are critical in net portfolio equity valuation analysis. Particularly important are the assumptions driving mortgage prepayments and the assumptions about expected attrition of the core deposit portfolios. These assumptions are based on Emclair's historical experience.

Emclair has established the following guidelines for assessing interest rate risk:

Net interest income simulation. Given a 200 basis point immediate increase or decrease in market interest rates, net interest income may not change by more than 15% for a one-year period.

Economic value of equity simulation. Economic value of equity is the present value of Emclair's existing assets less the present value of Emclair's existing liabilities. Given a 200 basis point immediate and permanent increase or decrease in market interest rates, economic value of equity may not correspondingly decrease or increase by more than 20%.

These guidelines take into consideration the current interest rate environment, Emclair's financial asset and financial liability product mix and characteristics and liquidity sources among other factors. Given the current rate environment, a drop in short-term market interest rates of 200 basis points immediately or over a one-year horizon would seem unlikely. This should be considered in evaluating modeling results outlined in the table below.

The following table presents the simulated impact of a 100 basis point or 200 basis point upward or downward shift of market interest rates on net interest income for the years ended December 31, 2017 and 2016, respectively. This analysis was done assuming that the interest-earning asset and interest-bearing liability levels at December 31, 2017 remained constant. The impact of the market rate movements on net interest income was developed by simulating the effects of rates changing immediately for a one-year period from the December 31, 2017 levels for net interest income.

	Increase		Decrease	
	+100 BP	+200 BP	-100 BP	-200 BP
2017 Net interest income – increase (decrease)	0.78%	0.90%	0.55%	(2.96)%
2016 Net interest income – increase (decrease)	(0.77)%	(1.90)%	(2.56)%	(6.48)%

The expected increase in 2017 net interest income in the rising rate scenarios shown in the table above resulted from Emclair having an excess of immediately repricing interest-earning assets over immediately repricing interest-bearing liabilities. The expected decrease in 2016 net interest income in the rising rate scenarios resulted from Emclair having overnight borrowings of \$7.0 million at December 31, 2016. In a rising rate environment, these borrowings would be immediately repricing, therefore causing increased interest expense.

Impact of Inflation and Changing Prices

The consolidated financial statements of Emclair and related notes presented herein have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) which require the measurement of financial condition and operating results in terms of historical dollars, without considering changes in the relative purchasing power of money over time due to inflation.

Unlike most industrial companies, substantially all of the assets and liabilities of a financial institution are monetary in nature. As a result, interest rates have a more significant impact on a financial institution's performance than the effects of general levels of inflation. Interest rates do not necessarily move in the same

TABLE OF CONTENTS

direction or in the same magnitude as the prices of goods and services since such prices are affected by inflation to a larger degree than interest rates. In the current interest rate environment, liquidity and the maturity structure of Emclaire's assets and liabilities are critical to the maintenance of acceptable performance levels.

Capital Resources

Total stockholders' equity totaled \$58.9 million at March 31, 2018 compared to \$59.1 million at December 31, 2017 and \$54.1 million at December 31, 2016. Net income was \$1.4 million for three months ended March 31, 2018, \$4.3 million in 2017 and \$4.0 million in 2016.

Emclaire's capital to assets (leverage) ratio was 7.8% at March 31, 2018 compared to 7.9% at December 31, 2017 and 7.8% at December 31, 2016. While continuing to sustain a strong capital position, dividends paid on common stock was \$636,000 during the three months ended March 31, 2018 and \$2.4 million in 2017 and \$2.2 million in 2016. In addition, stockholders have taken part in Emclaire's dividend reinvestment plan introduced during 2003 with 50% of registered shareholder accounts active in the plan at March 31, 2018. Dividend reinvestment is achieved through the purchase of common shares on the secondary market.

Capital adequacy is intended to enhance Emclaire's ability to support growth while protecting the interest of stockholders and depositors and to ensure that capital ratios are in compliance with regulatory minimum requirements. Regulatory agencies have developed certain capital ratio requirements that are used to assist them in monitoring the safety and soundness of financial institutions. At March 31, 2018, Farmers National was in excess of all regulatory capital requirements. See Note 10 Emclaire's consolidated financial statements included elsewhere in this proxy statement/information statement/prospectus.

Liquidity

Emclaire's primary sources of funds generally have been deposits obtained through the offices of Farmers National, borrowings from the FHLB, and amortization and prepayments of outstanding loans and maturing securities. During the three months ended March 31, 2018, Emclaire used its sources of funds primarily to fund loan advances and repay long-term borrowed funds. As of March 31, 2018, Emclaire had outstanding loan commitments, including undisbursed loans and amounts available under credit lines, totaling \$92.9 million, and standby letters of credit totaling \$199,000, net of collateral maintained by Farmers National. During 2017, Emclaire used its sources of funds primarily to fund loan commitments and repay borrowed funds. As of December 31, 2017, Emclaire had outstanding loan commitments, including undisbursed loans and amounts available under credit lines, totaling \$89.7 million, and standby letters of credit totaling \$156,000, net of cash collateral maintained by Farmers National. Farmers National is required by the OCC to establish policies to monitor and manage liquidity levels to ensure its ability to meet demands for customer withdrawals and the repayment of short-term borrowings, and at December 31, 2017, Farmers National was in compliance with all liquidity policy limits.

At March 31, 2018, time deposits amounted to \$171.2 million, or 25.6% of Emclaire's total consolidated deposits, including approximately \$46.4 million of which are scheduled to mature within the next year. At December 31, 2017, time deposits amounted to \$170.7 million, or 26.1%, of Emclaire's total consolidated deposits, including approximately \$46.9 million scheduled to mature within the next year. Management believes that Emclaire has adequate resources to fund all of its commitments, that all of its commitments will be funded as required by related maturity dates and that, based upon past experience and current pricing policies, it can adjust the rates of time deposits to retain a substantial portion of maturing liabilities.

Aside from liquidity available from customer deposits or through sales and maturities of securities, Emclaire and Farmers National have alternative sources of funds. These sources include a line of credit for Emclaire with a correspondent bank, Farmers National's line of credit and term borrowing capacity from the FHLB and, to a more limited extent, through the sale of loans. At March 31, 2018, Emclaire had borrowed funds of \$20.3 million consisting of \$15.0 million of long-term FHLB advances, a \$3.2 million long-term advance with a correspondent bank and \$2.1 million outstanding on a line of credit with a correspondent bank. At March 31, 2018, Farmers National's borrowing capacity with the FHLB, net of

TABLE OF CONTENTS

funds borrowed and irrevocable standby letters of credit issue to secure certain deposit accounts, was \$186.7 million. At December 31, 2017, Farmers National's borrowing capacity with the FHLB, net of funds borrowed and irrevocable standby letters of credit issued to secure certain deposit accounts, was \$177.9 million.

Emclaire pays a regular quarterly cash dividend. Emclaire paid dividends of \$0.27 and \$0.26 per common share for each of the four quarters of 2017 and 2016, respectively. For the first two quarters of 2018, Emclaire declared a quarterly dividend of \$0.28 per common share. The determination of future dividends on Emclaire's common stock will depend on conditions existing at that time with consideration given to Emclaire's earnings, capital and liquidity needs, among other factors.

Management of Emclaire is not aware of any conditions, including any regulatory recommendations or requirements, which would adversely impact its liquidity or its ability to meet funding needs in the ordinary course of business.

Critical Accounting Policies

Emclaire's consolidated financial statements are prepared in accordance with GAAP and follow general practices within the industry in which it operates. Application of these principles requires management to make estimates or judgments that affect the amounts reported in the financial statements and accompanying notes. These estimates are based on information available as of the date of the financial statements; accordingly, as this information changes, the financial statements could reflect different estimates or judgments. Certain policies inherently have a greater reliance on the use of estimates, and as such, have a greater possibility of producing results that could be materially different than originally reported. Estimates or judgments are necessary when assets and liabilities are required to be recorded at fair value, when a decline in the value of an asset not carried on the financial statements at fair value warrants an impairment write-down or valuation reserve to be established, or when an asset or liability needs to be recorded contingent upon a future event. Carrying assets and liabilities at fair value inherently results in more financial statement volatility. The fair values and the information used to record valuation adjustments for certain assets and liabilities are based either on quoted market prices or are provided by third-party sources, when available. When third-party information is not available, valuation adjustments are estimated in good faith by management primarily through the use of internal cash flow modeling techniques.

The most significant accounting policies followed by Emclaire are presented in Note 1 to the consolidated financial statements appearing elsewhere in this proxy statement/information statement/ prospectus. These policies, along with the disclosures presented in the other financial statement notes, provide information on how significant assets and liabilities are valued in the financial statements and how those values are determined. Management views critical accounting policies to be those which are highly dependent on subjective or complex judgments, estimates and assumptions, and where changes in those estimates and assumptions could have a significant impact on the financial statements. Management has identified the following as critical accounting policies:

Allowance for loan losses. Emclaire considers that the determination of the allowance for loan losses involves a higher degree of judgment and complexity than other significant accounting policies. The balance in the allowance for loan losses is determined based on management's review and evaluation of the loan portfolio in relation to past loss experience, the size and composition of the portfolio, current economic events and conditions and other pertinent factors, including management's assumptions as to future delinquencies, recoveries and losses. All of these factors may be susceptible to significant change. Among the many factors affecting the allowance for loan losses, some are quantitative while others require qualitative judgment. Although management believes its process for determining the allowance adequately considers all of the potential factors that could potentially result in credit losses, the process includes subjective elements and may be susceptible to significant change. To the extent actual outcomes differ from management's estimates, additional provisions for loan losses may be required that would adversely impact Emclaire's financial condition or earnings in future periods.

Other-than-temporary impairment. Management evaluates securities for other-than-temporary impairment at least on a quarterly basis, and more frequently when economic, market or other concerns warrant such evaluation.

Consideration is given to: (1) the length of time and the extent to which the fair

TABLE OF CONTENTS

value has been less than cost, (2) the financial condition and near term prospects of the issuer, (3) whether the market decline was affected by macroeconomic conditions and (4) whether Emclaire has the intent to sell the security or more likely than not will be required to sell the security before its anticipated recovery.

Goodwill and intangible assets. Goodwill represents the excess cost over fair value of assets acquired in a business combination. Goodwill and intangible assets acquired in a purchase business combination and determined to have an indefinite useful life are not amortized, but instead tested for impairment at least annually. Intangible assets with estimable useful lives are amortized over their respective estimated useful lives to their estimated residual values.

Goodwill is subject to ongoing periodic impairment tests based on the fair value of the reporting unit compared to its carrying amount, including goodwill. Impairment exists when a reporting unit's carrying amount exceeds its fair value. At November 30, 2017, the required annual impairment test of goodwill was performed and no impairment existed as of the valuation date. If for any future period it is determined that there has been impairment in the carrying value of our goodwill balances, Emclaire will record a charge to earnings, which could have a material adverse effect on net income, but not risk based capital ratios.

119

TABLE OF CONTENTSSECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS
AND MANAGEMENT OF EMCLAIRE FINANCIAL CORP

Persons and groups owning in excess of 5% of the Emclaire common stock are required to file certain reports regarding such ownership pursuant to the Exchange Act. The following table sets forth, as of March 1, 2018, certain information as to the Emclaire common stock beneficially owned by (i) persons or groups who own more than 5% of the common stock, (ii) the directors of Emclaire, (iii) certain named executive officers of Emclaire, and (iv) all directors and executive officers of Emclaire as a group. Other than as noted below, management knows of no person or group that owns more than 5% of the outstanding shares of Emclaire common stock as of March 1, 2018.

Name and Address	Amount and Nature of Beneficial Ownership(1)	Percent of Outstanding Common Stock Beneficially Owned
The Banc Funds Company, L.L.C. 20 North Wacker Drive, Suite 3300 Chicago, IL 60606	117,207(2)	5.16%
Directors:		
Robert L. Hunter	89,792(3)	3.95%
Robert W. Freeman	43,661(4)	1.92%
William C. Marsh	40,646	1.79%
John B. Mason	39,042	1.72%
Nicholas D. Varischetti	34,143	1.50%
James M. Crooks	27,832(5)	1.23%
Milissa S. Bauer	25,375(6)	1.12%

Mark A. Freemer	17,100	*
Deanna K. McCarrier	16,544	*
Named Executive Officers:		
Matthew J. Lucco(8)	6,627	*
Jennifer A. Roxbury	1,805	*
All directors and executive officers as a group (13 persons)	362,922	15.98%

*

Represents less than 1% of the outstanding Emclaire common stock.

(1)

Based upon information provided by the respective beneficial owners and filings with the SEC made pursuant to the Exchange Act. For purposes of this table, pursuant to rules promulgated under the Exchange Act, a person or entity is considered to beneficially own shares of common stock if they directly or indirectly has or shares (1) voting power, which includes the power to vote or to direct the voting of the shares, or (2) investment power, which includes the power to dispose or direct the disposition of the shares. Unless otherwise indicated, a person or entity has sole voting power and sole investment power with respect to the indicated shares.

(2)

According to a Schedule 13G filed jointly by Banc Fund VI L.P. (“BF VI”), an Illinois Limited Partnership, Banc Fund VII L.P. (“BF VII”), an Illinois Limited Partnership, Banc Fund VIII L.P. (“BF VIII”), and Illinois Limited Partnership, Banc Fund IX L.P. (“BF IX”), an Illinois limited partnership. The general partner of BF VI is MidBanc VI L.P. (“MidBanc VI”), whose principal business is to be a general partner of BF VI. The general partner of BF VII is MidBanc VII L.P. (“MidBanc VII”), whose principal business is to be a general partner of BF VII. The general partner of BF VIII is MidBanc VIII L.P. (“MidBanc VIII”), whose principal business is to be a general partner of BF VIII. The general partner of BF IX is MidBanc IX L.P. (“MidBanc IX”), whose principal business is to be a general partner of BF IX. MidBanc VI, MidBanc VII, MidBanc VIII, and MidBanc IX are Illinois limited partnerships. The general partner of MidBanc VI, MidBanc VII, MidBanc VIII, and MidBanc IX is The Banc Funds Company, LLC, whose principal business is to be a general partner of MidBanc VI, MidBanc VII, MidBanc VIII, and MidBanc IX. The Banc Funds Company, LLC (“The

TABLE OF CONTENTS

Banc Funds”) is an Illinois corporation whose principal shareholder is Charles J. Moore. Mr. Moore has been the manager of BF VI, BF VII, BF VIII, and BF IX, since their respective inceptions. As manager, Mr. Moore has voting and dispositive power over the securities held by each of those entities. As the controlling member of The Banc Funds, Mr. Moore controls The Banc Funds, and therefore each of the partnership entities directly and indirectly controlled by The Banc Funds.

(3)

Of the 89,792 shares beneficially owned by Mr. Hunter, 6,766 shares are owned individually by his spouse.

(4)

Of the 43,661 shares beneficially owned by Mr. Freeman, 1,085 shares are owned individually by his spouse.

(5)

Of the 27,832 shares beneficially owned by Mr. Crooks, 3,273 shares are owned jointly with his spouse and 635 shares are owned individually by his spouse.

(6)

Of the 25,4375 shares beneficially owned by Ms. Bauer, 5,399 shares are owned jointly with her spouse and 9,178 shares are owned individually by her spouse.

(7)

Of the 18,830 shares beneficially owned by Mr. Cox, 500 shares are owned individually by his spouse and 17,330 are owned jointly with his spouse.

(8)

Mr. Lucco has provided notice that he is resigning his positions with Emclaire and Farmers National effective August 23, 2018.

EMCLAIRE’S MARKET PRICE AND DIVIDENDS**Stock Prices**

TABLE OF CONTENTS

As of March 1, 2018, there were approximately 602 stockholders of record and 2,271,139 shares of Emclaire common stock entitled to vote, receive dividends and considered outstanding for financial reporting purposes. The number of stockholders of record does not include the number of persons or entities who hold their stock in nominee or “street” name.

Community First shareholders are advised to obtain current market quotations for Emclaire common stock. The market price of Emclaire common stock will fluctuate between the date of this proxy statement/information statement/prospectus and the completion of the merger. No assurance can be given concerning the market price of Emclaire common stock before or after the effective date of the merger.

On May 24, 2018, the last trading day prior to the public announcement of the merger, the closing sale price of a share of Emclaire common stock as reported on the NASDAQ Capital Market was \$34.25. On July 26, 2018, the last practicable trading day before the distribution of this proxy statement/information statement/prospectus the closing sale price of a share of Emclaire common stock as reported on the NASDAQ Capital Market was \$37.00.

Dividends

Emclaire has traditionally paid regular quarterly cash dividends. Future dividends will be determined by the board of directors after giving consideration to Emclaire’s financial condition, results of operations, tax status, industry standards, economic conditions, regulatory requirements and other factors.

Whenever a dividend or other distribution is declared by Emclaire on Emclaire common stock, the record date for which is at or after the effective time of the merger, the declaration will include dividends or other distributions on all shares of Emclaire common stock issuable pursuant to the merger agreement, but such dividends or other distributions will not be paid to the holder thereof until such holder has duly surrendered its Community First common stock certificates in accordance with the merger agreement.

DESCRIPTION OF Emclaire CAPITAL STOCK

As a result of the merger, Community First shareholders will receive shares of Emclaire common stock in the merger and become shareholders of Emclaire. Your rights as shareholders of Emclaire will be governed by Pennsylvania law and the articles of incorporation and bylaws of Emclaire. The following description of the material terms of Emclaire’s common stock to be issued in the merger, reflects the anticipated state of affairs upon completion of the merger.

Emclaire and Community First urge you to read the applicable provisions of Pennsylvania law, Emclaire’s articles of incorporation and bylaws, and federal law governing bank holding companies carefully and in their entirety. Copies of Emclaire’s governing documents have been filed with the SEC. To find out where copies of these documents can be obtained, see “Where You Can Find More Information.”

General

Emclaire is authorized to issue 12,000,000 shares of common stock, \$1.25 par value per share, and 3,000,000 shares of serial preferred stock, \$1.00 par value per share. Each share of Emclaire common stock has the same relative rights and is identical in all respects to each other share of Emclaire common stock.

The common stock of Emclaire represents nonwithdrawable capital, is not a deposit account of any type, and is not insured by the FDIC or any other government agency.

Common Stock

Voting Rights. The holders of shares of Emclaire common stock have exclusive voting rights in Emclaire. They elect Emclaire’s board of directors and act on other matters as are required to be presented to them under Pennsylvania law or as are otherwise presented to them by the board of directors. Except as discussed in “Anti-Takeover Effects of Certain Provisions of Emclaire’s Documents and Law,” each holder of shares of Emclaire common stock is entitled to one vote per share and does not have any right to cumulate votes in the election of directors. If we issue any shares of preferred stock, holders of the preferred stock may also possess voting rights.

TABLE OF CONTENTS

Dividends. Emclaire may pay dividends if, as and when declared by its board of directors. The payment of dividends is limited by law and applicable regulation. See “Market for Common Stock and Dividend Policy — Dividend Policy.” The holders of shares of Emclaire common stock will be entitled to receive and share equally in dividends declared by the board of directors. The holders of any preferred stock that Emclaire issues may have a priority over the holders of Emclaire common stock with respect to dividends.

Liquidation Rights. In the event of any liquidation, dissolution or winding up of Farmers National, Emclaire, as the sole holder of Farmers National’s capital stock, would be entitled to receive all of the assets of Farmers National available for distribution, after payment or provision for payment of all debts and liabilities of Farmers National, including all deposit accounts and accrued interest, and after distribution of the balance in the liquidation account to eligible account holders and supplemental eligible account holders.

In the event of any liquidation, dissolution or winding up of Emclaire, the holders of shares of common stock would be entitled to receive all of the assets of Emclaire available for distribution, after payment or provision for payment of all debts and liabilities. The holders of any preferred stock that Emclaire issues may have a priority over the holders of the common stock upon liquidation or dissolution.

Preemptive Rights. Holders of shares of common stock are not entitled to preemptive rights with respect to any shares that may be issued. The common stock is not subject to redemption.

Transfer Agent and Registrar. The transfer agent and registrar for the Emclaire common stock is American Stock Transfer & Trust Company, LLC, Brooklyn, New York.

Preferred Stock

Emclaire is authorized to issue up to 3,000,000 shares of serial preferred stock. Emclaire’s board of directors has the authority to fix and determine the voting rights, designations, preferences and other special rights of the preferred stock. Emclaire’s board of directors can, without shareholder approval, authorize shares of preferred stock to be issued with voting, dividend, liquidation and conversion rights that rank higher to the rights of the common stock. The issuance of preferred stock, therefore, could dilute the voting strength of the holders of the common stock and may assist management in impeding an unfriendly takeover or attempted change in control.

Pursuant to the merger and bank merger, all of the approximately \$4.2 million of outstanding shares of Community First Bank’s preferred stock will be exchanged on a one-for-one basis for shares of two newly created series of Emclaire preferred stock. Upon completion of merger (i) each share of Series A Non-Cumulative Perpetual Preferred Stock of Community First Bank, shall be converted into the right to receive one share of Series C Non-Cumulative Preferred Stock of Emclaire, liquidation preference \$10 per share, which we refer to as the Series C Preferred Stock, and (ii) each share of Series B Non-Cumulative Perpetual Preferred Stock of Community First Bank, shall be converted into the right to receive one share of Series D Non-Cumulative Preferred Stock of Emclaire, which we refer to as the Series D Preferred Stock. The Series C Preferred Stock and the Series D Preferred Stock are referred to collectively as the Emclaire Preferred Stock.

Upon completion of the merger, Emclaire will issue up to 286,888 shares of Series C Preferred Stock and up to 133,705 shares of Series D Preferred Stock. The terms of the Series C Preferred Stock and the Series D Preferred Stock are the same except as described below.

Rank. The Emclaire Preferred Stock will, with respect to dividend rights and rights upon liquidation, dissolution or winding up, rank:

- senior to Emclaire’s common stock, and to all classes or series of equity securities issued by us which provide that the terms of the equity securities shall rank junior to the Emclaire Preferred Stock;
- junior to all classes or series of equity securities issued by us which provide that the terms of the equity securities shall rank senior to the Emclaire Preferred Stock;
- equally with all other classes or series of equity securities; and

TABLE OF CONTENTS

- junior to our subordinated debt, including capital notes and trust preferred securities.

The Series C Preferred Stock will rank senior to the Series D Preferred Stock. The rights of holders of the Emclaire Preferred Stock may be adversely affected by the rights of holders of any shares of preferred stock that may be issued in the future. Emclaire's board of directors may cause shares of preferred stock to be issued in public or private transactions for any proper corporate purpose. Any changes to the rights of the holders of the Emclaire Preferred Stock or the creation of a class or series of preferred stock senior to the Emclaire Preferred Stock requires the approval of at least two-thirds of the outstanding shares of Preferred Stock. The creation of a class or series of preferred stock ranking equal to the Emclaire Preferred Stock requires the approval of a majority of the outstanding shares of Preferred Stock.

Preemptive Rights. Holders of Emclaire Preferred Stock will not have any preemptive or subscription rights to acquire any other shares of our capital stock.

Dividends. Holders of the Emclaire Preferred Stock will be entitled to receive cash dividends, when and if declared by our Board of Directors out of funds legally available for dividends.

The Series C Preferred Stock provides for the payment of semi-annual dividends as follows: at a rate of 4.50% per annum until June 1, 2021 and variable thereafter at 2.00% above the five year Treasury yield, with a minimum interest rate of 5.00% and a maximum interest rate not to exceed 8.00%.

The Series D Preferred Stock provides for the payment of semi-annual dividends as follows: at a rate of 4.00% per annum until June 1, 2020, at a rate of 4.50% from June 1, 2020 until June 1, 2025 and variable thereafter at 2.00% above the five year Treasury yield, with a minimum interest rate of 5.00% and a maximum interest rate not to exceed 8.00%.

Dividends on any shares of Emclaire Preferred Stock are non-cumulative and will be payable semi-annually. If the Emclaire board of directors does not declare a dividend during a semi-annual period, it never has to be paid. Emclaire may not declare, pay or set apart for payment, cash, stock or non-stock dividends or make other payments on its common stock or any of its other stock ranking junior to the Emclaire Preferred Stock unless full dividends on all shares of Emclaire Preferred Stock have been paid or set apart for payment for the immediately preceding five dividend periods and for the current dividend period. Dividends may only be paid from legally available funds. No interest will be paid for or on account of any unpaid dividends.

Voting Rights. The Emclaire Preferred Stock has no voting rights except as set forth below or except as required by Pennsylvania law. Specifically, the following voting rights are afforded the shares of Emclaire Preferred Stock:

- If Emclaire fails to fully pay, or to declare and set apart for full payment, dividends on the shares of any series of Emclaire Preferred Stock for two dividend periods (whether consecutive or not), the holders of the series of Emclaire Preferred Stock will acquire the right, acting as a class together with the holders of any of our other shares of capital stock then having the right to vote for the election of directors due solely to our failure to pay dividends, to appoint 20% of the total number of directors (rounded to the next whole number) after giving effect to such appointment. In addition, directors appointed by the holders of Emclaire Preferred Stock will constitute 20% of the total number of members of each of the committees of the board of directors.

- These voting rights will continue until Emclaire has fully paid dividends on all outstanding shares of Emclaire Preferred Stock for at least two consecutive semi-annual dividend periods. Provided the voting rights of all other holders of any other shares of Emclaire's capital stock then having the right to vote for the election of directors due solely to Emclaire's failure to pay dividends have also terminated, the terms of any directors appointed by the holders of Emclaire Preferred Stock will immediately terminate, and the number of directors will be reduced by the number of such terminating directors. However, the holders of Emclaire Preferred Stock will regain these voting rights in the event of each and every time Emclaire subsequently fail to pay a semi-annual dividend.

TABLE OF CONTENTS

- At any time the Emclaire Preferred Stock has rights to appoint directors, as described above, the following actions can only be taken with the approval of that number of directors otherwise required for such action, plus at least one director appointed by the holders of Emclaire Preferred Stock whose vote is not included in determining the approval in accordance with the otherwise required standard:

- Any issuance of debt or equity securities by Emclaire, provided that such approval is not required for (i) the issuance for cash of non-voting securities subordinate as to dividends and distributions whether upon liquidation, dissolution, or otherwise, to the Emclaire Preferred Stock, or (ii) borrowings in the ordinary course of business, not involving capital instruments, by a bank subsidiary;

- Any merger, acquisition, or sale of all or substantially all of the assets involving us or any of our subsidiaries; or

- Any grant of options, warrants or other rights to acquire our equity securities.

- Emclaire will not, without the affirmative vote of the holders of at least two-thirds of the then outstanding shares of Emclaire Preferred Stock (i) create or increase the authorized number of shares of any class or series of stock having a preference as to dividends or distributions, whether upon liquidation, dissolution, or otherwise, that is senior to the shares of Emclaire Preferred Stock; or (ii) change the preferences, qualifications, privileges, limitations, restrictions or special or relative rights granted to or imposed upon the shares of Emclaire Preferred Stock in any respect.

Emclaire will not, without the affirmative vote of the holders of at least a majority of the then outstanding shares of Emclaire Preferred Stock, create or increase the authorized number of any shares of any class or series of stock having a preference as to dividends or distributions, whether upon liquidation, dissolution, or otherwise, that is equal to the shares of Emclaire Preferred Stock.

Redemption. Emclaire may redeem the shares of Emclaire Preferred Stock at any time. The holders of Emclaire Preferred Stock may not require Emclaire to redeem the Emclaire Preferred Stock.

The Emclaire Preferred Stock is not redeemable at the option of the holder. If, however, Emclaire receives an unsolicited written request for redemption of shares from any holder, Emclaire may, from time to time, in its sole discretion, consider redemption of these shares by tender, in privately negotiated transactions or otherwise.

Conversion Provisions. The Emclaire Preferred Stock is not convertible into or exchangeable for any of Emclaire's other property or securities.

Change in Control. In the event of a change in control of Emclaire, and the Emclaire Preferred Stock is still outstanding, then the terms of any such agreement with the acquirer for the merger or business combination shall govern the treatment of the Emclaire Preferred Stock with respect to the relevant change in control. However, if such agreement does not provide for the treatment of the Emclaire Preferred Stock in a change in control, the Emclaire Preferred Stock shall be converted into or exchanged for preference securities of the surviving or resulting entity on similar terms the outstanding Preferred Stock.

Liquidation Rights. If any voluntary or involuntary liquidation, dissolution or winding up of the Emclaire occurs, the holders of Emclaire Preferred Stock pursuant to the respective Statement of Rights will be entitled to receive liquidating distributions, in the amount of \$10.00 per share, plus an amount equal to declared and unpaid dividends and dividends which would have been payable in prior semi-annual dividend periods had the full amount of dividends been declared.

The voluntary sale, lease or conveyance of all or substantially all of our property or assets to, or our consolidation or merger with, any other corporation will not be deemed to be a liquidation, dissolution or winding up. If the aggregate liquidation preference payable with respect to the Emclaire Preferred Stock, and any other shares of our capital stock

ranking equally with the Emclaire Preferred Stock with respect to liquidation, are not paid in full upon any voluntary or involuntary liquidation, dissolution or winding up then the holders of Emclaire Preferred Stock and of these other shares will share ratably in any distribution

125

TABLE OF CONTENTS

of assets in proportion to the full respective preferential amounts they are entitled to receive. After payment of the full amount of the liquidating distribution they are entitled to receive, the holders of Emclaire Preferred Stock will not be entitled to any further participation in any distribution of our assets.

Exchange Listing. The Emclaire Preferred Stock will not be listed on any exchange.

Transfer Agent and Registrar. American Stock Transfer & Trust Company, LLC will act as the transfer agent and registrar for the Emclaire Preferred Stock.

Anti-Takeover Effects of Certain Provisions of Emclaire's Charter Documents and Law

The following discussion is a general summary of certain provisions of federal and Pennsylvania law and Emclaire's articles of incorporation and bylaws that may be deemed to have an "anti-takeover" effect. For a complete description, we refer you to the applicable federal and Pennsylvania law and Emclaire's amended and restated articles of incorporation and bylaws. For copies of Emclaire's amended and restated articles of incorporation, see "Where You Can Find Additional Information."

Emclaire's Amended and Restated Articles of Incorporation and Bylaws. Emclaire's amended and restated articles of incorporation and bylaws contain a number of provisions relating to corporate governance and rights of shareholders that might be deemed to have a potential anti-takeover effect. In addition, these provisions will also render the removal of Emclaire's board of directors or management more difficult.

Directors. Emclaire's board of directors is classified into three classes. The members of each class are elected for a term of three years, and only one class of directors is elected annually. Therefore, it takes at least two annual elections to replace a majority of the board.

Shareholder Nominations. Shareholders who would like to nominate candidates for election to Emclaire's board of directors at an annual meeting of shareholders must give advance notice and provide certain information to Emclaire.

Special Meetings. Special meetings of our shareholders may only be called by the president of Emclaire, or the majority of the board of directors or the board's executive committee.

Cumulative Voting. Cumulative voting rights do not exist with respect to the election of directors.

Preferred Stock. Emclaire's board of directors has the authority to issue shares of preferred stock, without shareholder approval, with voting, dividend, liquidation and conversion rights that rank higher to the rights of Emclaire common stock and that could impede an attempt to gain control of Emclaire.

Merger, Consolidation, Liquidation or Dissolution. A merger, consolidation, liquidation or dissolution of Emclaire, or any action that would result in the sale or other disposition of all or substantially all of our assets, must be approved by the affirmative vote of the holders of at least two-thirds of the shares of common stock, as well as such additional vote of the preferred stock as may be required by the provisions of any series thereof. Provided, however, this two-thirds vote requirement shall not apply if the merger or other transaction is first approved by a majority of the board of directors then in office then the merger or consolidation will only require such affirmative vote as may be required by applicable law.

Amendment to Articles of Incorporation and Bylaws. Under Pennsylvania law, amendment of Emclaire's amended and restated articles of incorporation, except for certain provisions, requires the affirmative vote of a majority of the votes cast by all shareholders entitled to vote on the matter.

Amendment of Emclaire's bylaws requires the affirmative vote of the holders of at least two-thirds of the outstanding shares of common stock or a majority vote of the members of the board of directors. Any amendment of the bylaws by a majority vote of the board may be changed by the affirmative vote of the holders of two-thirds of the outstanding shares of common stock.

TABLE OF CONTENTS

Pennsylvania Business Corporation Law. The Pennsylvania Business Corporation Law (the “PBCL”) also contains certain applicable provisions that may have the effect of deterring or discouraging an attempt to take control of Emclair. These provisions, among other things:

- Require that, following any acquisition by any person or group of 20% of a public corporation’s voting power, the remaining shareholders have the right to receive payment for their shares, in cash, from such person or group in an amount equal to the “fair value” of the shares, including an increment representing a proportion of any value payable for control of the corporation;

- Prohibit for five years, subject to certain exceptions, a “business combination,” which includes a merger or consolidation of the corporation or a sale, lease or exchange of assets with a person or group beneficially owning 20% or more of a public corporation’s voting power;

- Prevent a person or group acquiring different levels of voting power (20%, 33% and 50%) from voting any shares over the applicable threshold, unless “disinterested shareholders” approve such voting rights;

- Require any person or group that publicly announces that it may acquire control of a corporation, or that acquires or publicly discloses an intent to acquire 20% or more of the voting power of a corporation, to disgorge to the corporation any profits that it receives from sales of the corporation’s equity securities purchased over the prior 18 months;

- Expand the factors and groups, including shareholders, which a corporation’s board of directors can consider in determining whether an action is in the best interests of the corporation;

- Provide that a corporation’s board of directors need not consider the interests of any particular group as dominant or controlling;

- Provide that a corporation’s directors, in order to satisfy the presumption that they have acted in the best interests of the corporation, need not satisfy any greater obligation or higher burden of proof with respect to actions relating to an acquisition or potential acquisition of control;

- Provide that actions relating to acquisitions of control that are approved by a majority of “disinterested directors” are presumed to satisfy the directors’ fiduciary duty, unless it is proven by clear and convincing evidence that the directors did not assent to such action in good faith after reasonable investigation; and

- Provide that the fiduciary duty of a corporation’s directors is solely to the corporation and may be enforced by the corporation or by a shareholder in a derivative action, but not by a shareholder directly.

Pennsylvania-chartered corporations may exempt themselves from these anti-takeover provisions. Emclair’s articles of incorporation do not provide for an exemption from any of these provisions.

Change in Control Regulations. Under applicable regulations of the Federal Reserve Board, any person, which includes an individual or an entity, acting directly or indirectly, or through or in concert with one or more persons,

must give the Federal Reserve Board at least 60 days prior written notice before acquiring control of a bank or bank holding company. Control is considered to exist when a person, among other things, acquires ownership, control, or power to vote 25 percent or more of the outstanding shares of any class of voting securities of the financial institution or the ability to control the election of a majority of the directors of an institution. Moreover, control is presumed to have occurred, subject to rebuttal, upon the acquisition of more than 10 percent of any class of voting stock, or of more than 25 percent of any class of stock, of a bank or bank holding company, where certain enumerated control factors are also present in the acquisition.

Pennsylvania law has a similar statute except that control is considered to have been acquired when a person, among other things, has acquired more than 10 percent (or 5 percent in certain circumstances) of any class of the outstanding shares of an institution or corporation or the ability to control the election of a majority of the directors of an institution or corporation.

TABLE OF CONTENTS

COMPARISON OF SHAREHOLDER RIGHTS OF EMCLAIRE
AND COMMUNITY FIRST COMMON STOCK

The rights of Emclaire's shareholders are currently governed by the PBCL and Emclaire's articles of incorporation and bylaws, and will continue to be governed by the PBCL and Emclaire's articles of incorporation and bylaws following completion of the merger. The rights of Community First's shareholders are currently governed by the PBCL and Community First's articles of incorporation and bylaws. Following completion of the merger, the rights of Community First's shareholders who receive shares of Emclaire common stock as merger consideration will be governed by the PBCL and Emclaire's articles of incorporation and bylaws.

The following discussion summarizes the material differences between the rights of Community First's shareholders and the rights of Emclaire's shareholders. This summary is not intended to be a complete statement of all of such differences or a complete description of the specific provisions referred to therein, and is qualified in its entirety by reference to the PBCL, Emclaire's articles of incorporation and bylaws and Community First's articles of incorporation and bylaws and the applicable provisions of federal law governing bank holding companies. Emclaire and Community First urge you to read those documents carefully and in their entirety.

Authorized Capital Stock

Emclaire. Emclaire's authorized capital stock consists of 12,000,000 shares of common stock, par value \$1.25 per share, and 3,000,000 shares of preferred stock, par value \$1.00 per share. The number of Emclaire's authorized shares of common stock is greater than what is currently outstanding and what it will issue in the merger. This provides Emclaire's board of directors with greater flexibility to effect, among other things, financings, acquisitions, stock dividends, stock splits and employee stock options.

Emclaire's articles of incorporation authorize the board of directors to establish one or more series of preferred stock and, for any series of preferred stock, to determine the terms and rights of the series, including voting rights, dividend rights, conversion and redemption rates and liquidation preferences

Community First. The authorized capital stock of Community First consists of 2,000,000 shares of common stock, par value \$0.50 per share.

Preemptive Rights

Neither the articles of incorporation nor the bylaws of both Emclaire and Community First provide for preemptive rights to shareholders in connection with the issuance of capital stock.

Dividends

The PBCL generally provides that, unless otherwise restricted in a corporation's bylaws, a corporation's board of directors may authorize and a corporation may pay dividends to shareholders. However, a distribution may not be made if, after giving effect thereto:

- the corporation would be unable to pay its debts as they become due in the usual course of its business; or
- the total assets of the corporation would be less than the sum of its total liabilities plus (unless otherwise provided in its articles of incorporation) the amount that would be needed to satisfy the preferential rights upon dissolution of the corporation of shareholders whose preferential rights are superior to those receiving the distribution.

Emclaire. Under Emclaire's bylaws, the board of directors may, from time to time, at any duly convened regular or special meeting or by unanimous consent in writing, declare and pay dividends upon the outstanding shares of capital stock of Emclaire in cash, property or shares of Emclaire, so long as any dividend shall not be in violation of laws and Emclaire's articles of incorporation.

The ability of Farmers National to pay dividends on its capital stock is restricted by federal banking laws and regulations. Although Emclaire is not subject to these restrictions as a Pennsylvania corporation, such restrictions indirectly affect it because dividends from Farmers National is a primary source of funds for the payment of dividends to shareholders.

TABLE OF CONTENTS

Community First. Under Community First's bylaws, the board of directors may, from time to time, at any duly convened regular or special meeting or by unanimous consent in writing, declare and pay dividends upon the outstanding shares of capital stock of Community First in cash, property or shares of Community First, so long as any dividend shall not be in violation of laws and Community First's articles of incorporation.

The ability of Community First Bank to pay dividends on its capital stock is restricted by Pennsylvania and federal banking laws and regulations. Although Community First is not subject to these restrictions as a Pennsylvania corporation, such restrictions indirectly affect it because dividends from Community First Bank is a primary source of funds for the payment of dividends to shareholders.

Board of Directors

Emclaire. The bylaws of Emclaire require the board of directors to be divided into three classes as nearly equal in number as possible and that the members of each class will be elected for a term of three years and until their successors are elected and qualified, with one class being elected annually. Under Emclaire's bylaws, any vacancy occurring in the board of directors, including any vacancy created by reason of an increase in the number of directors, shall be filled by a majority vote of the remaining directors, whether or not a quorum is present, and any director so chosen shall hold office until the expiration of the class of directors to which he was appointed.

The bylaws of Emclaire provide that upon application of any shareholder or director, the court may remove from office any director in case of fraudulent or dishonest act, or gross abuse of authority or discretion with respect to Emclaire, or for any other proper cause, and may bar from office any director so removed for a period prescribed by the court.

Community First. Community First's bylaws provide that the number of directors that shall constitute the board of directors shall be not less than five nor more than 25. The board of directors shall be classified into three classes, each class to be elected for a term of three years. At each annual meeting of shareholders, successors to the class of directors whose term shall then expire shall be elected to hold office for a term of three years, so that the term of office of one class of directors shall expire in each year. The board of directors shall have the sole discretion to increase the number of directors that shall constitute the board of directors; provided however, that the total number of directors in each class remains relatively proportionate to the others.

The bylaws further provided that the board of directors may declare vacant the office of a director who has been judicially declared of unsound mind or who has been convicted of an offense punishable by imprisonment for a term of more than one year or for any other proper cause or if, within sixty days or such other time after notice of his selection, he does not accept the office either in writing or by attending a meeting of the board of directors and fulfill such other requirements of qualification. Upon application of any shareholder or director, the court may remove from office any director in case of fraudulent or dishonest acts, or gross abuse of authority or discretion with reference to Community First, or for any other proper cause, and may bar from office any director so removed for a period prescribed by the court. Vacancies on the board of directors, including vacancies resulting from an increase in the number of directors, shall be filled by a majority of the remaining members of the board of directors, though less than a quorum, and each person so appointed shall be a director until the expiration of the term of office of the class of directors to which he was appointed.

Discharge of Duties.

The PBCL provides that in discharging the duties of their respective positions, the board of directors, committees of the board and individual directors of a business corporation may, in considering the best interests of the corporation, consider the following:

- the effects of any action upon any and all groups affected by such action, including shareholders, employees, suppliers, customers and creditors of the corporation and upon communities in which offices or other establishments of the corporation are located;

TABLE OF CONTENTS

- the short-term and long-term interests of the corporation, including benefits that may accrue to the corporation from its long-term plans and the possibility that these interests may be best served by the continued independence of the corporation;

- the resources, intent and conduct (past, stated and potential) or any person seeking to acquire control of the corporation; and

- all other pertinent factors.

The board of directors, committees of the board and individual directors shall not be required, in considering the best interests of the corporation or the effects of any such action, to regard any corporate interest or the interests of any particular group affected by such action as a dominant or controlling interest or factor.

Emclaire. The bylaws of Emclaire that the business and affairs of the corporation shall be managed by its board of directors, which may exercise all such powers of the corporation and do all such lawful acts and things as are not by statute or by the articles of incorporation or bylaws directed or required to be exercised and done by the shareholders. Emclaire's bylaws further provide that a director shall stand in a fiduciary relation to the corporation and shall perform his duties as a director, including his duties as a member of any committee of the board of directors upon which he may serve, in good faith, in a manner he reasonably believes to be in the best interests of the corporation and with such care, including reasonable inquiry, skill and diligence, as a person of ordinary prudence would use under similar circumstances. In performing his duties, a director shall be entitled to rely in good faith on information, opinions, reports of statements, including financial statements and other financial data, in each case prepared or presented by any of the following: (a) one or more officers or employees of the corporation whom the director reasonably believes to be reliable and competent in the matters presented, (b) counsel, public accountants or other persons as to matters which the director reasonable believes to be within the professional or expert competence of such persons, (c) a committee of the board of directors upon which he does not serve, duly designated in accordance with law, as to matters within its designated authority, which committee the director reasonably believes to merit confidence.

Emclaire's bylaws further provide that a director shall not be considered to be acting in good faith if he has knowledge concerning matter in question that would cause his reliance to be unwarranted. In discharging the duties of their respective positions, the board of directors, committees of the board of directors and individual directors may, in considering the best interests of the corporation, consider the effects of any action upon employees, upon suppliers and customers of the corporation and upon communities in which officers or other establishments of the corporation are located, and all other pertinent factors. Absent breach of fiduciary duty, lack of good faith or self-dealing, actions taken as a director or any failure to take any action shall be presumed to be in the best interests of the corporation.

Community First. Community First's bylaws provide that the business and affairs of the corporation shall be managed by its board of directors, which may exercise all such powers of the corporation and do all such lawful acts and things as are not by statute or by the articles of incorporation or by bylaws directed or required to be exercised and done by the shareholders.

The bylaws further provide that a director shall stand in a fiduciary relation to the corporation and shall perform his duties as a director, including his duties as a member of any committee of the board of directors upon which he may serve, in good faith, in a manner he reasonably believes to be in the best interests of the corporation and with such care, including reasonable inquiry, skill and diligence, as a person of ordinary prudence would use under similar circumstances. In performing his duties, a director shall be entitled to rely in good faith on information, opinions, reports or statements, including financial statements and other financial data, in each case prepared or presented by any of the following: (a) one or more officers or employees of the corporation whom the director reasonably believes to be reliable and competent in the matters presented; (b) counsel, public accountants or other persons as to matters which the director reasonably believes to be within the professional or expert competence of such persons; (c) a committee of the board of directors upon which he does not serve, duly designated in accordance with law, as to

matters within its designated authority, which committee the director reasonably believes to merit confidence. A director shall not be considered to be acting in good faith if he has knowledge concerning the matter in question that would cause his reliance to be unwarranted.

130

TABLE OF CONTENTS

The bylaws further provide that in discharging the duties of their respective positions, the board of Directors, committees of the board of directors and individual directors may, in considering the best interests of the corporation, consider the effects of any action upon shareholders, employees, upon suppliers, customers and creditors of the corporation and upon communities in which offices or other establishments of the corporation are located, and all other pertinent factors. Absent breach of fiduciary duty, lack of good faith or self-dealing, actions taken as a director or any failure to take any action shall be presumed to be in the best interests of the corporation.

Cumulative Voting

Emclaire. The articles of incorporation of Emclaire prohibit cumulative voting by shareholders in elections of directors.

Community First. Neither the articles of incorporation nor the bylaws of Community First provide for cumulative voting in the election of directors.

Nomination of Director Candidates by Shareholders and Shareholder Proposals

Emclaire. The bylaws of Emclaire requires all nominations for election to the board of directors by a shareholder to be made pursuant to timely notice in writing to the secretary of Emclaire. To be timely, a shareholders' notice must be received by Emclaire not later than 60 days prior to the annual meeting called for the election of directors. Each written notice of a shareholder nomination must set forth certain information specified in the bylaws. Any nomination of any person not made in compliance with the procedures set forth in the bylaws shall be disregarded by the presiding officer of the meeting and any votes for such nominee shall be disregarded.

Emclaire's bylaws also provide that only such business as shall have been properly brought before an annual meeting of shareholders shall be conducted at the annual meeting. Business proposals and nominations for directors other than those to be included in Emclaire's proxy materials following the procedures described in Rule 14a-8 under the Exchange Act, may be made by shareholders entitled to vote at the meeting if notice is timely given and if the notice contains specified required information such as (a) the name and address of each proposed nominee; (b) the age of each proposed nominee; (c) the principal occupation of each proposed nominee; (d) the number of shares of the Corporation owned by each proposed nominee; (e) the total number of shares that to the knowledge of the notifying shareholder will be voted for each proposed nominee; (f) the name and residence address of the notifying shareholder; and (g) the number of shares of the Corporation owned by the notifying shareholder.

Community First. Community First's bylaws provide that any shareholder who intends to nominate or to cause to have nominated any candidate for election to the board of directors (other than any candidate proposed by the Corporation's then existing board of directors) shall so notify the Secretary of the Corporation in writing not less than sixty days prior to the date of any meeting of shareholders called for the election of directors. Such notification shall contain the following information to the extent known by the notifying shareholder: (a) the name and address of each proposed nominee; (b) the age of each proposed nominee; (c) the principal occupation of each proposed nominee; (d) the number of shares of the Corporation owned by each proposed nominee; (e) the total number of shares that to the knowledge of the notifying shareholder will be voted for each proposed nominee; (f) the name and residence address of the notifying shareholder; and (g) the number of shares of the Corporation owned by the notifying shareholder.

Calling Special Meetings of Shareholders

Emclaire. The bylaws of Emclaire provide that special meetings of shareholders only may be called by the president of Emclaire, a majority of the board of directors or its executive committee.

Community First. Under Community First's articles of incorporation and bylaws special meetings of the shareholders may be called at any time by the chairman of the board, the president, a majority of the board of directors or by its executive committee or by one or more shareholders entitled to cast at least forty percent of the votes which all shareholders are entitled to cast a particular meeting.

TABLE OF CONTENTS

Shareholder Action Without a Meeting

Emclaire. Emclaire's bylaws provide that any action permitted to be taken by the shareholders at a meeting may be taken without a meeting if a written consent setting forth the action so taken is signed by all of the shareholders entitled to vote at a meeting for such purpose.

Community First. Neither the articles of incorporation nor the bylaws of Community First provide for action by shareholders without a meeting. However, the PBCL provides that unless otherwise restricted in the bylaws, any action required or permitted to be taken at a meeting of the shareholders or of a class of shareholders of a business corporation may be taken without a meeting if, prior or subsequent to the action, a consent or consents thereto by all of the shareholders who would be entitled to vote at a meeting for such purpose shall be filed with the secretary of the corporation.

Indemnification of Directors and Officers and Limitation of Liability

Under the PBCL, unless otherwise restricted in its bylaws, a corporation has the power to indemnify any person who was or is a party or threatened to be made a party to any threatened, pending, or completed action or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the corporation), by reason of the fact that the person is or was a representative of the corporation, or is or was serving at the request of the corporation as a representative of another domestic or foreign corporation for profit or not-for-profit, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by the person in connection with the action or proceeding if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful. Further, a corporation may pay expenses incurred in defending any action or proceeding in advance of the final disposition of action upon receipt of an undertaking by or on behalf of the representative to repay the amount if it is ultimately determined that the representative is not entitled to indemnification from the corporation.

Under the PBCL, the statutory provisions for indemnification and advancement of expenses are not deemed to be exclusive of any other rights to which a person seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, or vote of shareholders or disinterested directors. A corporation may establish a fund to secure or insure in any manner its indemnification obligations. However, indemnification is prohibited in any case where the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness.

Under the PBCL, unless otherwise restricted in its bylaws, a corporation may purchase and maintain insurance on behalf of any person who is or was a representative of the corporation or is or was serving at the request of the corporation as a representative of another domestic or foreign corporation for profit or not-for-profit, partnership, joint venture, trust, or other enterprise against any liability asserted against him in any such capacity or arising out of his status as such, whether or not the corporation would have the power to indemnify him against that liability.

Emclaire. Emclaire's bylaws provide that Emclaire will indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit, or proceeding, including actions by or in the right of Emclaire, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was a director, officer, employee or agent of Emclaire, or is or was serving at the request of Emclaire as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees), judgments, fines, excise taxes, and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful. Emclaire's bylaws also provide that advances of expenses may be paid to a director, officer, or employee or agent of Emclaire in defending a civil or criminal action, suit or proceeding in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such person to repay the advance if it is ultimately determined that the person is not entitled to be indemnified by Emclaire.

TABLE OF CONTENTS

Emclaire's bylaws provide that Emclaire may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of Emclaire, or is or was serving at the request of Emclaire as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not Emclaire would have the power to indemnify such person against such liability.

The bylaws of Emclaire provide that a director shall not be personally liable for monetary damages for any action taken, or any failure to take action, unless: (a) the director has breached or failed to perform the duties of his office in accordance with the bylaws; and (b) the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness

Community First. Community First's bylaws provide that the corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), by reason of the fact that he is or was a representative of the corporation, or is or was serving at the request of the corporation as a representative of another domestic or foreign corporation for profit or not-(or-profit, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with the action or proceeding if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action or proceeding by judgment, order, settlement or conviction or upon a plea of nolo contendere or its equivalent shall not of itself create a presumption that the person did not act in good faith and in a manner that he reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal proceeding, had reasonable cause to believe that his conduct was unlawful.

The bylaws further provide that the corporation shall have power to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a representative of the corporation or is or was serving at the request of the corporation as a representative of another domestic or foreign corporation for profit or not-for-profit, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of the action if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation. Indemnification shall not be made in respect of any claim, issue or matter as to which the person has been adjudged to be liable to the corporation unless and only to the extent that the court of common pleas of the judicial district embracing the county in which the registered office of the corporation is located or the court in which the action was brought determines upon application that, despite the adjudication of liability but in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for the expenses that the court of common pleas or other court deems proper.

To the extent that a representative of the corporation has been successful on the merits or otherwise in defense of any action or proceeding referred above (relating to third party actions relating to derivative actions) or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith.

The bylaws further provide that expenses (including attorneys' fees) incurred in defending any action or proceeding may be paid by the corporation in advance of the final disposition of the action or proceeding upon receipt of an undertaking by or on behalf of the person to repay the amount if it is ultimately determined that he is not entitled to be indemnified by the corporation. The corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a representative of the corporation or is or was serving at the request of the corporation as a representative of another domestic or foreign corporation for profit or not-for-profit, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify him against that liability under the bylaws.

TABLE OF CONTENTS

The bylaws also provide that a director shall not be personally liable, as such, for monetary damages for any action taken, or any failure to take any action, unless: (a) the director has breached or failed to perform the duties of his office under bylaws; and (b) the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness. The foregoing provisions shall not apply to: (a) the responsibility or liability of a director pursuant to any criminal statute; or (b) the liability of a director for the payment of taxes pursuant to local, state or federal law.

Amendments to Articles of Incorporation and Bylaws

Emclaire. The articles of incorporation of Emclaire may be amended in accordance with the PBCL which generally provides that an amendment of the articles of incorporation may be made if it is first approved by the board of directors and thereafter approved by the holders of a majority of the shares entitled to vote generally in an election of directors, voting together as a single class, as well as such additional vote of the preferred stock as may be required by the provisions of any series thereof.

The bylaws of Emclaire may be amended by the majority vote of the board of directors at a regular or special meeting of the board of directors or the affirmative vote of two-thirds of the outstanding shares of common stock at a regular or special meeting of shareholders convened for such purpose.

Community First. The articles of incorporation of Community First provide that articles 7 (related to the shareholder vote required to approve mergers, consolidations, liquidation or dissolution), 8 (related to lack of cumulative voting rights for the election of directors), 9 (related to opposition of tender offers), 10 (related to calling of special meeting of shareholders), 11 (related to opting out of the control transactions subchapter of the PBCL), 12 (related to opting out of the business combinations subchapter of the PBCL), 13 (related to opting out of the control share acquisitions subchapter of the PBCL), 14 (related to opting out of the disgorgement by certain controlling shareholders following attempts to acquire control), and 15 (related to vote of shareholders required to amend the specified articles) of the articles shall not be amended unless first approved by the affirmative vote of: (a) the holders of at least 80% of the outstanding shares of common stock of the corporation; or (b) the holders of at least 51% of the outstanding shares of common stock of the corporation, provided that such transaction has received the prior approval of at least five directors when the number of directors that constitutes the whole board of directors is seven or less, or such transaction has received the prior approval of at least seventy percent of all the members of the board of directors, rounded to the nearest whole number, when such number of directors that constitutes the board of directors is eight or more.

The bylaws of Community First may be altered, amended or repealed by the affirmative vote of the holders of at least 50% of the outstanding shares of common stock at any regular or special meeting duly convened after notice to the shareholders of that purpose, or by a majority vote of the members of the board of directors at any regular or special meeting thereof duly convened after notice to the directors of that purpose, subject always to the power of the shareholders to change such action of the board of directors by the affirmative vote of the holders of 50% of the outstanding shares of common stock.

Mergers, Consolidations and Sales of Assets

For a merger, consolidation, sale of assets or other similar transaction to occur, the PBCL generally requires the approval of the board of directors and the affirmative vote of the holders of a majority of the votes cast by all shareholders entitled to vote thereon. In addition, if any class or series of shares is entitled to vote thereon as a class, the PBCL requires the affirmative vote of a majority of the votes cast in each class for any plan of merger or consolidation. The PBCL also provides that unless otherwise required by a corporation's governing instruments, a plan of merger or consolidation shall not require the approval of the shareholders if:

- whether or not the constituent corporation, in this case, Emclaire, is the surviving corporation (a) the surviving or new corporation is a Pennsylvania business corporation and the articles of the surviving or new corporation are identical to the articles of the constituent corporation, except for specified changes which may be adopted by a board of directors without shareholder action, (b) each share of the constituent corporation outstanding immediately prior to the effective date of the merger or consolidation is to continue as or to be converted into, except as may be

TABLE OF CONTENTS

otherwise agreed by the holder thereof, an identical share of the surviving or new corporation after the effective date of the merger or consolidation, and (c) the plan provides that the shareholders of the constituent corporation are to hold in the aggregate shares of the surviving or new corporation to be outstanding immediately after the effectiveness of the plan entitled to cast at least a majority of the votes entitled to be cast generally for the election of directors;

- immediately prior to adoption of the plan and at all times prior to its effective date, another corporation that is a party to the merger or consolidation owns directly or indirectly 80% or more of the outstanding shares of each class of the constituent corporation; or

- no shares of the constituent corporation have been issued prior to the adoption of the plan of merger or consolidation by the board of directors.

Emclaire. Under Emclaire's articles of incorporation, a merger, consolidation, liquidation or dissolution of Emclaire, or any action that would result in the sale or other disposition of all or substantially all of our assets, must be approved by the affirmative vote of the holders of at least two-thirds of the shares of common stock, as well as such additional vote of the preferred stock as may be required by the provisions of any series thereof. Provided, however, this two-thirds vote requirement shall not apply if the merger or other transaction is first approved by a majority of the board of directors then in office then the merger or consolidation will only require such affirmative vote as may be required by applicable law

Community First. The articles of incorporation of Community First provide that a merger, consolidation, liquidation or dissolution of the corporation, or any action that would result in the sale or other disposition of all or substantially all of the assets of the corporation must first be approved by the affirmative vote of: (a) the holders of at least 80% of the outstanding shares of common stock of the corporation; or (b) the holders of at least 51% of the outstanding shares of common stock of the corporation, provided that such transaction has received the prior approval of at least five directors when the number of directors that constitutes the whole board of directors is seven or less, or such transaction has received the prior approval of at least seventy percent of all the members of the board of directors, rounded to the nearest number, when such number of directors that constitutes the whole board of directors is eight or more.

Anti-Takeover Provisions

Pennsylvania Law. Under the PBCL, certain anti-takeover provisions apply to Pennsylvania "registered corporations" (e.g., publicly traded companies), including those related to (i) control share acquisitions, (ii) disgorgement of profits by certain controlling persons, (iii) business combination transactions with interested shareholders and (iv) the rights of shareholders to demand fair value for their stock following a control transaction. Pennsylvania law allows registered corporations to opt-out of any of these anti-takeover provisions. Emclaire is a registered corporation under the PBCL.

Please see "Description of Emclaire Common Stock — Anti-Takeover Effects of Certain Provisions of Emclaire's Charter Documents and Law" for a description of anti-takeover provisions applicable to Emclaire. Community First has opted out of each of these provisions of the PCBL.

comparison of shareholder rights of emclaire PREFERRED STOCK

AND community first bank preferred stock

The rights of preferred shareholders of Community First Bank are primarily governed by the terms of the preferred stock set forth in the Statement With Respect to Shares for each series of the preferred stock. Upon completion of the merger and bank merger, the rights of the shareholders who receive Emclaire Preferred Stock will be primarily governed by the terms of the Emclaire Preferred Stock set forth in the Statement with Respect to Shares for each series of Preferred Stock. which, except as described below, are substantially similar to the terms of the Community First Bank preferred stock.

The shares of each series of Emclaire Preferred Stock to be issued is substantially similar to the currently outstanding Community First Bank preferred stock except that (i) the Emclaire Preferred Stock will be redeemable by Emclaire at any time, while the Community First Bank preferred stock is non-redeemable, and (ii) the terms of the Emclaire

Preferred Stock in the event of a change in control of Emclaire, while the terms of the Community Bank preferred stock were silent in this regard. For a complete description of the rights and terms of the Emclaire Preferred Stock, see “Description of Emclaire Capital Stock — Preferred Stock.”

The rights of Community First Bank preferred shareholders are governed to a lesser extent by the Pennsylvania banking code and Community First Bank’s articles of incorporation and bylaws and following completion of the merger and bank merger, the rights of the Emclaire preferred shareholders will be also be governed by the PBCL and Emclaire’s articles of incorporation and bylaws.

LEGAL MATTERS

The validity of the shares of Emclaire common and preferred stock to be issued in connection with the merger has been passed upon for Emclaire by Silver, Freedman, Taff & Tiernan LLP. Certain U.S. federal income tax consequences relating to the merger will be passed upon for Emclaire by Silver, Freedman, Taff & Tiernan LLP and for Community First by Bybel Rutledge LLP.

EXPERTS

The consolidated financial statements of Emclaire as of December 31, 2017 and 2016, and for each of the years ended December 31, 2017 and 2016, have been included in this proxy statement/information statement/prospectus in reliance upon the report of Crowe LLP, Independent Registered Public Accounting Firm, and upon the authority of said firm as experts in auditing and accounting.

OTHER MATTERS

As of the date of this proxy statement/information statement/prospectus, Community First’s board of directors does not know of any matters that will be presented for consideration at its special meeting other than those described in this proxy statement/information statement/prospectus. As discussed elsewhere herein, Community First’s shareholders may, however, be asked to vote on a proposal to adjourn or postpone its special meeting to allow more time to solicit votes for the approval and adoption of the merger agreement. If any other matters properly come before the Community First special meeting, or any adjournment or postponement of such meeting and such matters are voted upon, your returned proxy will be deemed to confer discretionary authority on the individuals named as proxies to vote the shares represented by these proxies as to any of these matters, in their discretion. The individuals named as proxies on the Community First proxy card intend to vote or not to vote on any such matters in accordance with the recommendation of Community First’s board of directors.

SOLICITATION OF PROXIES

The cost of the solicitation of proxies for the Community First special meeting will be borne by Community First. Community First will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by it in sending the proxy materials to the beneficial owners of Community First’s common stock, if any.

WHERE YOU CAN FIND MORE INFORMATION

Emclaire has filed a registration statement with the SEC under the Securities Act that registers the issuance of the shares of Emclaire common stock to be issued in the merger to Community First shareholders and the issuance of shares of Emclaire Preferred Stock in the bank merger. This proxy statement/information statement/prospectus is a part of that registration statement and constitutes the prospectus of Emclaire. The registration statement, including the proxy statement/information statement/prospectus and attached exhibits and schedules, contains additional relevant information about Emclaire, its common stock and preferred stock, Community First and the combined company. In addition, Emclaire files reports, proxy statements and other information with the SEC under the Exchange Act. You may read and copy this information at the Public Reference Room of the SEC, 100 F Street, N.E., Washington, D.C. 20549. You may obtain information on the operation of the Public Reference Room by calling the SEC at 1-800-SEC-0330. You may also obtain copies of this information by mail from the Public Reference Room of the SEC, 100 F Street, N.E., Washington, D.C. 20549, at
