**Notice regarding Dec. 13 article in Nihon Keizai Shimbun
 concerning Canon Inc. dividend for fiscal 2006**

TOKYO, December 13, 2006 An article regarding Canon Inc.'s dividend payout plans for the 2006 fiscal year appeared in the December 13, 2006, morning edition of the Nihon Keizai Shimbun, a Japanese-language business daily newspaper. According to the article, Canon Inc. would increase its full-year dividend for the fiscal year ending December 31, 2006 (the 106th Business Term), by 50 yen on a pre-stock-split basis.

The contents of the article were based on assumptions made by the newspaper. At this moment Canon Inc. does not intend to change its dividend payout plans from those announced on July 27, 2006 (outlined below).

	Dividend per share		
	Mid-term	Year-end	Full-year
Planned dividend payout for fiscal year ending December 31, 2006	50.00 yen	50.00 yen (75.00 yen)	100.00 yen (125.00 yen)
Dividend payout for fiscal year ended December 31, 2005	32.50 yen	67.50 yen	100.00 yen

Note:

The projected year-end dividend reflects a 3-for-2 forward stock split for record date shareholders as of June 30, 2006. For reference only, figures in parenthesis reflect the projected year-end and full-year dividend on a pre-stock-split basis. Furthermore, the dividend for the previous year and the mid-term dividend for this year are presented on a pre-stock-split basis.

This notice contains forward-looking statements with respect to future results, performance and achievements that are subject to risk and uncertainties and reflect management's views and assumptions formed by available information. All statements other than statements of historical fact are statements that could be considered forward-looking statements. When used in this document, words such as anticipate, believe, estimate, expect, intend, may, plan, and similar expressions, as they relate to Canon, are intended to identify forward-looking statements. Many factors could cause the actual results, performance or achievements of Canon to be materially different from any future results, performance or achievements that may be expressed or implied by such forward-looking statements, including, among others, changes in general economic and business conditions, changes in currency exchange rates and interest rates, introduction of competing products by other companies, lack of acceptance of new products or services by Canon's targeted customers, inability to meet efficiency and cost reduction objectives, changes in business strategy and various other factors, both referenced and not referenced in this notice. A detailed description of these and other risk factors is included in Canon's annual report on Form 20-F, which is on file with the United States Securities and Exchange Commission. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described herein. Canon does not intend or assume any obligation to update these forward-looking statements.
