Ameron Announces Favorable Resolution of CAP Suit

PASADENA, Calif.--(BUSINESS WIRE)--Feb. 3, 2003--Ameron International Corporation (NYSE:AMN) today announced that a final settlement had been reached in a long-standing dispute involving the U.S. Bureau of Reclamation and other parties regarding pipe siphons manufactured by Ameron in the 1970's for the Central Arizona Project (CAP).

James S. Marlen, Ameron's Chairman, President and Chief Executive Officer, commented, "We are satisfied with the resolution of this issue which has been ongoing for over 10 years. Ameron will receive sufficient reimbursement from its own and a supplier's insurance companies to fully cover the settlement. We are extremely pleased to put this issue behind us."

Ameron International Corporation is a multinational manufacturer of highly-engineered products and materials for the chemical, industrial, energy, transportation and infrastructure markets. Traded on the New York Stock Exchange (AMN), Ameron is a leading producer of water transmission lines; high-performance coatings and finishes for the protection of metals and structures; fiberglass-composite pipe for transporting oil, chemicals and corrosive fluids and specialized materials and products used in infrastructure projects. The Company operates businesses in North America, South America, Europe, Australasia and Asia. It also participates in several joint-venture companies in the U.S., Saudi Arabia, Kuwait, Egypt and Mexico.
