Item 8.01. Other Events

Notice to all of our potential and current Stockholders within driving distance of our plant: We invite you to attend a presentation as to what products LLLI will introduce in 2011, and see the products developed in 2010. It will be held at the plant: 1200 Michener Rd. Sarnia Ont. Canada - 10 minutes from the US border. Two dates are available: November 9th, and November 16th, 2010.

Meet our new sales people, talk with firearms instructors, tour the manufacturing facility, and try out our tried and true flagship products; and of course speak with the President, Barry Lamperd.

Please make an appointment if you are planning on coming by email - barry@lamperdlesslethal.com or call 866-358-8024.

Very important - don't forget your passports. You can come into Canada, but going back to the US could be a problem without your passport. Just let Canada Border Services know where you are going, and if you have the proper documents it should be fine.

Due to the increased volume of work, Barry Lamperd's workload, and the fact that this is a manufacturing facility we must ask that visitations to our plant happen via the above open tours. Due to plant safety issues we can offer no exceptions. We greatly appreciate your understanding in this matter as Lamperd Less Lethal presses forward to greater profitability.

All of this news can be found on our website: www.lamperdlesslethal.com.
